Section B - Procedures

1. A representative of the Union shall have the right to be present and present his/her views at any formal meeting held pursuant to this Article. If the Union is not the grievant, it shall be notified of the time and place of such formal meeting concurrently with the transmission of notice to the teacher. In the processing of grievances, the teacher shall have the right at his/her option to represent himself/herself at his/her own expense, or at his/her own expense to be represented by some other person of his/her choosing at any formal meeting held pursuant to this Article.

2. When a grievance meeting requires the attendance of a particular individual teacher, the time, date, and place for such meeting shall be set by the appropriate administrator provided that if such meeting is held before or after the affected teachers's workday, the times shall be by mutual agreement between the parties.

3. If the grievant(s) fail to meet the specified time restrictions provided herein, the grievance shall be deemed to be withdrawn.

Step I (Informal) - The teacher and, if the teacher desires, a Union representative, shall first informally discuss the grievance with his/her principal.

Step II (Formal) - If not satisfied with the resolution of the grievance at Step I, the teacher may submit the completed grievance form to his/her principal. The filing of the Grievance at Step II must be within eighteen (18) days of the event giving rise to the grievance. Within five (5) days of receipt of the Step II filing, the principal and the teacher shall meet in an effort to resolve the dispute. The teacher and the principal may mutually agree to waive the necessity to conduct the Step II meeting and allow the grievance to proceed forward to Step III. The principal shall submit his/her written decision to the teacher, with a copy to the Union, within seven (7) days of the Step II meeting, or if no Step II meeting is held, within five (5) days of the execution of the waiver described herein.

The Superintendent shall submit his/her written decision to the teacher, with a copy to the Union, within seven (7) days of the Step III meeting.
Step IV (Formal)

a. Within twelve (12) days of the receipt of the Step III response, the Union, if not satisfied with the resolution at Step III, may submit a written demand for arbitration to the American Arbitration Association. The Superintendent shall be concurrently notified of such demand. The parties agree that the post mark date shall be used to determine the date submitted. In the event the Superintendent's notification is provided in a manner other than U.S. Mail, such notification shall be received in the Office of Labor Relations as per the twelve (12) day timeline provided herein. The American Arbitration Association shall furnish one or more panels of arbitrators pursuant to its procedures. The parties agree to subscribe to the then prevailing practices of the American Arbitration Association.

b. The arbitrator shall schedule a hearing as promptly as possible. He/She shall seek agreement of the parties as to the date of hearing, but such shall be scheduled within thirty (30) calendar days except as otherwise provided herein. The arbitrator shall issue his/her decision not later than thirty (30) calendar days from the date the hearing is concluded. Such decision shall be in writing and shall set forth the arbitrator's opinion and conclusions on the issues submitted. The decision shall be final and binding on the parties.

c. The arbitrator shall be without power or authority to make any decision contrary to or inconsistent with, or modify or vary in any way the terms of this Agreement. He/She shall have no power to add to, delete from, or modify in any way any of the provisions of this Agreement. The arbitrator's Award may include such remedy as shall be authorized by law.

d. Fees and expenses of the arbitrator shall be shared equally by the Board and the Union.

Section C - General Provisions

1. The right to proceed to the arbitration step of this procedure shall be limited to the Union. Except for mutual written agreement to the contrary, the Union's demand for arbitration shall be submitted so as to limit the scope of each such demand to only one (1) grievance. The parties agree that only subject to all of the conditions listed below, one (1) or more grievance(s) may be concurrently considered in dispute at the arbitration level only of the grievance procedure:
a. All such grievances shall have the same grievant;
b. All such grievances shall have the same date of event giving rise to the grievance;
c. All such grievances must have been processed through Step III as provided herein.

2. If the decision to be given by a teacher’s principal or the Superintendent is not given within the respective times by said provisions specified, the teacher shall have the right to proceed with his/her appeal to the next step by giving notice of appeal or request for arbitration within the same time to the same parties and in the same manner as he/she would be required if a decision adverse to him/her had been rendered on the outside date prescribed above for rendering decisions.

3. Time limits may be extended beyond those specified only upon actual written agreement between the parties. Whenever illness or other incapacity prohibits either party from attending a grievance meeting, the time limits shall be extended until the affected party(ies) can be present.

4. Any written notice to be given under Section B by the teacher to his/her principal or to the Superintendent may be given by hand by the teacher or his/her representative or by mailing it by certified mail, return receipt requested, addressed to the principal or the Superintendent at their respective offices. Any notice or decision to be given to the teacher may be given to the teacher by hand by the principal or Superintendent or their representative or by mailing by certified mail, return receipt requested, addressed to the teacher at his/her home address as shown in the Board’s records. Any notice or decision to be given to the Union may be given to the President of the Union, or by mailing it by certified mail, return receipt requested, addressed to the Union at its offices. Any notice or decision given by hand will be verified by written receipt if requested.

If a notice or decision under this Article is provided to either party by certified mail, the time limit required for response to such notice or decision shall be extended to the receiving party by two (2) days.

5. When hearings are held during school hours, persons necessary to be present shall be excused without loss of pay or accumulated leave, provided that the Step IV hearing arrangements shall also be made to permit the appearance of witnesses without loss of pay or accumulated leave whom the arbitrator shall deem necessary.
6. If a grievance arises as a result of a condition which the immediate supervisor is without the jurisdiction to resolve, the teacher may file the grievance at Step III (Superintendent level) and proceed through the grievance procedure from Step III forward.

7. Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to arbitration.

8. No reprisals of any kind shall be taken against any participant in the grievance procedure by reason of such participation.

9. Grievance files shall be filed separately from other files of the teacher.

10. Necessary forms for the filing of grievances shall be mutually agreed to by the Union and the Board. Costs incurred in the printing, supply, and required distribution of such forms shall be shared equally by the Union and the Board.

11. Any claim or grievance arising under the Agreement while said Agreement is in force shall be processed through the grievance procedure until its resolution.

ARTICLE V

UNION RIGHTS

Section A - Leave for Union Service

Leave of absence without pay shall be granted to teacher(s) for the purpose of participating in Union activities. No more than twenty-seven (27) workdays per school year shall be used for such purpose under the following conditions:

1. No less than one (1) workday may be taken at any one time.

2. No more than two (2) teachers shall be absent from any single worksite at the same time.

3. Substitute cost incurred as a result of seven (7) such days shall be borne by the Board.

4. Except for paragraph 3 above, the cost of substitute(s) incurred as a result of such leave shall be at the expense of the Union.

5. No more than four (4) days notice shall be required for such leave application.
6. No more than eleven (11) days of such leave shall be taken by any one teacher during any given school year. No more than five (5) of such days may be taken consecutively.

Leave of absence without pay shall be granted by the Board for the purpose of serving as an officer of the Brevard Federation of Teachers [limited to three (3)], the Florida Education Association/United, or the American Federation of Teachers upon written application of such teacher to the Superintendent at least twenty-five (25) calendar days prior to the onset of the semester in which the leave is to begin. Such leave shall not be for less than one (1) school year. Such leave shall not be renewable for any longer than the duration of this Agreement.

Union officers described above, and other Union officers who are also active teachers with the district who are not on leave, shall be allowed to participate in Board approved benefit plans, Florida Retirement, and Social Security plans which are available to other district teachers. Such participation shall be at no additional cost to the Board other than the cost the Board already incurs for its employees. Procedures shall be developed which are mutually acceptable to the Board and the Union. Said plan to be implemented by the beginning of the 1989-90 school year. Mutual agreement or the lack of same shall not be subject to the grievance procedure of this Agreement.

Section B - Negotiations on School Time

If negotiations are conducted during the regular teacher workday, leave of absence without loss of pay or accumulated leave shall be granted up to twelve (12) members of the Union bargaining team. If substitute teachers are needed to provide for the above leave, the actual cost of the substitutes during such leave shall be borne by the Union.

If other activities directly related to this Agreement and mandated by law or this Agreement are conducted during the regular teacher workday, leave of absence sufficient to conduct such necessary activities shall be granted to the affected teachers without loss of pay or accumulated leave.

Section C - Bulletin Boards

1. The Board shall make available for exclusive use by the Union one (1) bulletin board located in the main faculty lounge at each school for posting of official Union material properly identified as such. If no bulletin board was in use as of March 19, 1979 in the main faculty lounge for the posting of such notices, a bulletin board shall be made available for such notices in an area to which teachers have ready access.

2. Concurrently, a courtesy copy of such material shall be provided to the principal and sent via courier or U.S. Mail to the Director of Labor Relations or designee.
3. Campaign literature of a candidate for public office shall not be distributed through the Board’s courier service, posted on a Union bulletin board, or placed in a teacher’s mailbox.

4. The Union shall provide the principal with the name in writing of the bargaining unit member who is designated by the Union as having the responsibility to post such material. A districtwide master list of teachers so designated shall be delivered to the Director of Labor Relations upon request in writing two (2) times per year. Such list shall contain the name and work location of each person designated.

Section D - Union Meetings

The Union shall have the right to use school buildings for meetings with members of the bargaining unit, provided notice of such meetings shall be submitted to the principal no less than two (2) workdays prior to the date of the requested meeting. The use of such building shall be without charge except for additional costs which may be incurred in connection therewith. Such additional costs shall be stated on the approved building use permit. This paragraph shall not be applicable to any use by the Union for fund raising or any meeting or activity involving more than twenty (20) persons where less than ninety percent (90%) of those in attendance are employees of the Board. The Union shall be responsible for any damage which may be incurred in connection with such usage. The use of such facilities hereunder shall also be contingent upon such causing no interference with the instructional matters of the school district.

A meeting hereunder which has been scheduled shall not be cancelled by the principal unless no other course of action is reasonably available to effectuate the needs of the school. Provided one such meeting per month may be held during the teacher workday, but outside the normal student day. Such meetings held during the teacher workday shall be scheduled by the principal and BFT building representative at a mutually agreed upon time. Under no circumstances shall this language be interpreted that the Union shall not have the right to such meetings.

Section E - Distribution of Literature

1. The Union shall have the right to place material dealing with Union business in the teachers’ mailboxes provided that the following conditions for using such mailboxes are met:

   a. Union materials shall be designated as Union matter and dated where possible to show date of publication.

   b. Union material in bulk shall only be placed in or near the mailboxes.
Concurrently, a courtesy copy of such material shall be provided to the principal and sent via courier or U.S. Mail to the Director of Labor Relations or designee.

The courier service of the Board, if such exists, shall be available to the Union for the distribution of Union materials provided the cost of such service shall be borne by the Union at a rate set by the Board. The Union office shall be a regular stop on the courier route. If a court of competent jurisdiction or a pertinent regulatory agency shall determine that in providing such service the Board is in violation of any applicable laws or regulations by reason of the absence of postage begin affixed thereto or otherwise, this paragraph shall not apply.

Section F - Superintendent - Union Conferences
The Superintendent shall meet at a mutually agreeable time in his/her office with the President of the Union or designee and either a Union vice president or a representative of the Florida Education Association/United or the American Federation of Teachers for a limit of two (2) Union representatives in any one meeting to discuss matters relating to the implementation of this Agreement, provided (except by mutual consent) such meetings shall not occur more often than once each calendar month, and provided further that at least seven (7) calendar days written notice shall be given for the request of such meeting and the request shall include the suggested agenda for such meeting.

Section G - School Visitation by Union Representatives
Authorized Union representatives shall be allowed to visit schools where teachers are assigned to conduct Union business under the following conditions:

2. Immediately upon arrival at the school site, the Union representative shall report to the reception area of the administrative offices and shall indicate to the principal the purpose for such visit.

3. Such visitation shall in no way disrupt or interfere with educational procedures or programs.

4. No more than three (3) Union representatives, not to include the Union building representative, shall be present in any single work location at any one time.
5. Such visitations shall not be used for tax sheltered annuity presentations or partisan political activity.

6. The parties agree to make financial information available to teachers which will aid in their personal financial planning. The following guidelines are agreed to as a means of accomplishing such objective:

a. Joint planning between the parties for the development of such programs.

b. Two presentations during the 1990-91 school year in each of the administrative areas of the district (north, central, south) for a total of six (6).

c. One in each area to be offered in the P.M. on a day designated as a student holiday/teacher inservice day on the school calendar as adopted by the Board.

d. One in each area to be offered during a non-workday for teachers.

e. The programs will be offered to all employees.

f. The intent of such meetings is to provide financial planning information to employees rather than promote any company or individual’s business opportunity.

Section H - Union Representation at Board Meetings

1. The Union shall have the right to request to be placed on the Board agenda at all regular Board meetings. The Board shall provide the Union at no cost with one (1) copy of the materials relating to all public Board meetings which are generally distributed to the press at a time after said materials are made available to the Board, but no later than when materials are distributed to the press for any regular meeting of the Board. One (1) copy of the printed minutes of the Board shall be supplied to the Union at no cost when said materials are made available to the Board.

2. The Board shall provide each school with a copy of the summary agenda of regular Board meetings to be posted in a conspicuous location.

Section I - Union Representation on Board Committees

In the instance of a committee to deal with curriculum matters as described above, the names of the anticipated appointees shall be submitted in writing to the Union President or his/her designee who may select one teacher from such list as a Union representative. Such selection by the Union President shall be within seven (7) calendar days of his/her receipt of such list. If the Union President wishes to select a teacher who is not on the anticipated committee list, he/she may do so and that teacher will be added to the committee as the Union representative. Such Union selected teacher shall meet the district requirements for committee participation prior to such appointment as the Union representative.

Section J - Teacher Directory
Upon the written request of the Union President or designee, the Board shall provide four (4) times each year, without cost a listing of teachers by school which shall include their full names, full home mailing addresses, and their major grade or subject assignment.

Section K - Union Dues Deduction
The Board agrees to deduct Union dues from the paychecks of teachers provided that each of the following conditions and/or requirements are met:

1. The teacher submits a written dues deduction authorization which is received in the Board finance office no later than the first day of the month in which deductions are to begin.

2. Such authorization is submitted on a form that is mutually acceptable to the Board and the Union and supplied by the Union at no cost to the Board.

3. The Union shall certify in writing to the Board the amount to be deducted from each check for each payroll period provided that such dues shall not be changed more than one (1) time during the fiscal year. Notice of such change shall be received in the Board finance office no later than forty-five (45) calendar days prior to the payroll date on which such change is to become effective.

4. The authorization for deduction shall remain in effect until a written revocation from the teacher is received by the Board and the Union at least thirty (30) calendar days in advance of the payroll date on which the deductions are to cease. Termination of employment shall constitute a revocation.
5. All dues collected in this matter shall be remitted to a designated Union official or designee within ten (10) workdays following such deduction. Costs incurred by the Board in making such deductions shall be borne by the Board. The Union agrees to indemnify and hold harmless the School Board and its members, all of its agents and employees against any and all loss arising from any claims, suits, demands, or other actions arising from any action taken hereunder.

Section L - Other Deductions

The Board agrees to deduct a uniform political deduction and/or assessment for Union insurance programs from the paycheck, provided such deduction shall be authorized in writing by the teacher and the amount authorized shall remain uniform for the entire school year. All of the other provisions of Section K of this Article shall also be applicable to this deduction, except that the amount deducted for an individual insurance program shall not vary during the fiscal year. The amount deducted shall be transmitted to the Union along with the Union dues. The Union shall be responsible for the disbursement of such funds. The amount of such deduction shall be added to the amount of dues deducted pursuant to Section K and the total reflected on the payroll stub, under the category of Union dues, provided that should a separate additional slot become available on such payroll stub, the Board shall report such deduction(s) pursuant to this Section separately as soon as procedures necessary for such change can be accomplished.

Section M - Time on Agenda of Faculty Meetings

A Union building representative shall be allowed to announce at faculty meetings the time and place of Union meetings provided that the following conditions are met:

1. The place in the meeting at which such announcements shall be given shall be scheduled by the principal.

2. Such announcements shall be limited to official Union business.

3. The principal shall provide a teacher with the opportunity to complete Union bargaining and/or calendar surveys and/or to view presentations on Educational Research and Dissemination (ER&D) programs and other programs which are endorsed by the district. Such programs must have a direct application to the role of the teacher and the presenter will be a person who is trained in such programs. Teacher attendance at such presentations shall be voluntary unless such programs are a required part of the regular faculty meeting.
Section N - Use of School Supplies and Equipment

 Authorized building representatives of the Union shall have the right to use designated duplicating, audiovisual, and typewriting equipment located in the school to which the building representative is regularly assigned. Such use shall be subject to the following conditions:

1. The Union shall reimburse the Board the cost of all materials used and any per-copy cost incurred by the Board.

2. The Union shall assume full responsibility for any damage to such equipment.

3. The use of such equipment or materials shall not interfere with the instructional nor administrative needs of the school.

4. The amount of such use of materials and supplies shall be promptly reported to the principal in writing.

5. Equipment may not be removed from the site without the prior approval of the principal.

Section O - Orientation Meeting for Incoming Teachers

If the Board shall conduct areawide or districtwide meetings, gatherings, and/or receptions for newly employed teachers for the purpose of providing general employment information, the Union President shall be advised of such meeting(s) and given the opportunity thereat to briefly welcome the teachers to the district. The School Board is cordially invited to attend the Union's areawide or districtwide meetings, gatherings and receptions for newly employed teachers for the purpose of providing general employment information.

Section P - Exclusivity Rights

Except as otherwise provided by law, rights granted to the Brevard Federation of Teachers in Article V of this Agreement shall not be granted to any other union or employee organization which is organized for the purpose of representing teachers in collective bargaining.

ARTICLE VI

GENERAL CONDITIONS OF EMPLOYMENT

Section A - Fair Employment Practices

1. If the Superintendent shall recommend the dismissal or nonrenewal of any teacher, the teacher shall be given written notice thereof with reason(s) prior to final School Board action on such recommendation.
2. Upon receipt of the notice described in the preceding subsection, or upon being advised that the Superintendent intends to make such recommendation for dismissal or nonrenewal, the teacher shall, upon written request filed with the Superintendent no later than five (5) calendar days following receipt of such recommendation or advice of intention to recommend, have the right to a meeting with the Superintendent at which the teacher may advance reasons why such dismissal or nonrenewal should not be recommended to the School Board. The teacher may be accompanied at such meeting by a representative.

3. If any teacher shall be disciplined, i.e. demoted, suspended other than pursuant to dismissal, or suffer loss of pay, such discipline shall be for just cause and may be challenged pursuant to the provisions of Article IV of this Agreement.

As used herein, "demoted" shall not be construed to include a determination of the Board to change any supplemental position or extracurricular duty assignment.

4. If it shall be ascertained that the disciplinary action taken against a teacher resulted in loss of salary or other benefits without justification, the teacher shall be restored such salary or other benefits to the extent feasible. Such restoration shall include placement on the salary schedule so that the teacher's salary shall be no less than the amount that he/she was scheduled to receive prior to disciplinary action.

5. Teachers who no longer are employed by the Board shall retain the right to grieve alleged violations of this Agreement which occurred during their employment or concurrent to their involuntary termination, subject only to the provisions of Article IV.

Section B - Calendar

1. The regular school year of all Type "E" employees covered by this Agreement shall consist of no more than one hundred eighty (180) student days and one hundred ninety-six (196) teacher days inclusive of paid holidays.

2. Time spent at parent-teacher conferences which are scheduled on the school calendar as adopted by the Board is not subject to additional financial compensation. Such time spent at parent-teacher conferences shall be accruable subject to the compensatory time provisions of this Agreement.

3. The following days shall be designated as paid teacher holidays during the Fiscal Year 1992-93:
4. Effective the 1991-92 school year, the district shall implement a nine (9) week grading system for students. The parties agree that communication with parents between nine (9) week reports is vital and such interim reporting method and times shall be developed by a District Committee established for that purpose. The composition of such Committee shall be five (5) parents, one chosen by each School Board Member, five (5) teachers appointed by the Union, and three (3) school Principals, one (1) from each level. The report from the elementary report card committee shall be utilized in the Committee's deliberations. The Restructuring for School Improvement Site Committee may determine its own interim reporting method. Should a School Improvement Team determine the infeasibility of a nine (9) week reporting system, such school shall submit a waiver to remain on a six (6) week reporting system.

5. It is the intent that the three (3) shortened student days at the end of each semester and the teacher workday between the two semesters be utilized for those activities required to complete the student evaluation process.

6. Except for reporting at the end of the first semester and the end of the last semester, provided that grades are not due before the end of the workday, teachers who submit grades to Information Services shall have no less than two (2) workdays after the end of the grading period to prepare grades before turning in such grades to the administration and/or school office.

7. Elementary Schools, through a Request for Proposal submitted to the District Restructuring for School Improvement (DSRIP) Committee, shall develop through their school Restructuring for School Improvement (RSIP) Teams, a plan for an amount of time during the teacher workweek totaling no less than two (2) hours per month, where teachers and parents may confer, teachers may plan together or individually, and RSIP teams may meet. No mandatory inservice or meetings shall be held during this time and no use of compensatory time shall be requested. Such scheduling shall commence no later than the second semester of the 1991-92 school year. A request to delay implementation to school year 1992-93 made through the RSIP Team shall be honored.
By the beginning of the 1992-93 school year, all elementary and secondary schools will have submitted a proposed plan for review and recommendation to the Superintendent for implementation during the 1992-93 school year. The DSRIP Committee will work with the schools at their request to assist in implementing the school’s program which may include, but not be limited to, pursuing the offering of enrichment programs provided by community based organizations.

Section C - School Day

1. A full-time teacher shall be entitled to a daily duty-free lunch period of no less than thirty (30) minutes inclusive of the time to escort students to the cafeteria, provided teachers assigned to self-contained exceptional education classes shall be entitled to such duty-free lunch when feasible. It is not the intent of the Board herein to preclude reasonable duty-free lunch time not provided herein, where such may be reasonably provided nor to preclude a principal from implementing an alternative method of providing such duty-free lunch to a teacher for whom duty-free lunch is not provided herein. All schedules for teachers’ lunch shall reflect the thirty (30) minutes provided for duty-free lunch and may include the statement that the thirty (30) minutes will include time to escort students to the cafeteria.

a. The principal is encouraged to consider the availability of all nonbargaining unit personnel when assigning supervisory lunch room duties.

b. The Board agrees to study the use of teachers to supervise lunchrooms with a view toward examining the possibility of alternative methods for such supervision. A copy of such study shall be provided to the Union. Such study to be completed no later than May 7, 1987.

c. Teachers of resource exceptional education classes shall not be required to serve lunchroom supervision longer than a time equal to the length of time allotted for individual students’ lunch periods.

d. The Board and the Union shall develop and implement a mutually agreed to plan to determine the educational impact of counselors performing lunchroom supervision duties with a view toward the elimination of lunchroom supervision for counselors and exceptional education resource teachers. A target date for the completion of such a plan shall be March 1, 1991.
e. If a principal decides to close the school library in order for the Media Specialist to serve lunchroom supervision, the principal is encouraged to seek alternative procedures which will allow the media center to remain open during such lunch serving time.

2. Except as provided herein, full-time teachers who are assigned to teach in elementary schools, middle schools, junior high schools, or high schools shall be scheduled for a period of uninterrupted preparation time.

   a. The use of such preparation time shall normally be for the purpose of teacher preparation, student staffings, individual parent conferences, department meetings, evaluation conferences, and the like. It is not the intent of the parties for planning time to be used for those purposes which could be better accomplished by utilizing a schoolwide faculty meeting.

   b. In the event a principal assigns a teacher to the class or classes of an absent teacher and/or the teacher loses his/her preparation time as a result of an assignment, compensatory time equal to the amount of lost preparation time shall be made available to the affected teacher for such preparation time.

   c. The length of preparation time for full-time teachers in middle schools, junior high schools, and high schools shall normally be equal to the length of the students' class period on the day preparation time is granted.

   d. Full-time teachers in elementary schools shall be scheduled for no less than two hundred (200) minutes of preparation time during each full five (5) day workweek. If the workweek is less than five (5) days, such preparation time shall be reduced pro-rata forty (40) minutes per day for each day students are not scheduled to attend full time.

   e. Preparation time as provided herein shall be scheduled within the six and one-half (6 1/2) hour period of time immediately following the beginning of the normal student day. This paragraph shall be waived for a teacher who is assigned to teach beyond the normal thirty seven and one-half (37 1/2) hour workweek, i.e. the extended day program.
1. Vocational Teachers with multiperiod blocks of classes and/or other full-time teachers not normally assigned to class groups shall not be entitled to preparation time as described herein. This latter group includes, but is not limited to, counselors, occupational specialists, alternative education teachers, area counselors, resource teachers and librarians not assigned a full class load. Multiperiod blocks of classes as used herein shall mean only those instances in which a teacher's classes are scheduled in multiperiod blocks for the entire student day, e.g. three (3) classes of two (2) period blocks in a six (6) period day. Provided that in the event of an emergency, planning time as provided herein for an exceptional education teacher may not be provided.

g. It is not the intent of the Board herein to preclude reasonable preparation time for teachers not covered herein, where such preparation time may reasonably be provided.

h. A teacher who is assigned to the extended day program as provided herein and is scheduled for more than one (1) daily nonteaching period may be assigned to perform other duties as required during no more than two (2) of such additional daily nonteaching periods per teacher workweek.

3. A teacher may request to leave the school site during his/her workday.

4. The normal teacher workweek shall not exceed thirty-seven and one-half (37 1/2) hours except in an emergency and/or to allow for compensatory time.

a. If the teacher workweek shall be less than five (5) days as a consequence of an official school recess or holiday, the normal workweek shall be reduced pro-rata from paragraph 4 above.

b. In the event a teacher is assigned to work beyond the normal thirty-seven and one-half (37 1/2) hour workweek, then compensatory time shall be granted to the teacher. The rules governing compensatory time shall apply as stated in Article VI, Section C, paragraph 5.

In the event a teacher meets with a parent of his/her students and such meeting causes the teacher to extend his/her thirty-seven and one half (37 1/2) hour workweek, time spent at the parent conference shall be subject to compensatory time provided that the principal and teacher
have prior mutual agreement that such parent conference
time will qualify for compensatory time. Parent conferences
as used herein are those parent conferences in addition to
those found on the school calendar as adopted by the
Board. The requirement of "prior mutual agreement" may
be met by the principal establishing a building policy on such
requirement.

c. In the event a principal assigns a teacher to perform duties
which require a teacher to return to school for evening
functions (e.g. open houses, individual parent conferences,
other such functions), time spent at such assignments shall
be accruable to compensatory time.

d. Compensatory time accrued by a teacher shall be made
available to a teacher during the normal student day up to
fifteen (15) hours provided that such time shall be in incre­
ments of no less than one (1) full day. Nothing contained
herein shall preclude a principal from approving compensa­
tory time during the student day beyond the minimum
guaranteed amount of fifteen (15) hours, nor from allowing
the principal to waive the one (1) full day minimum at his/her
discretion.

5. The rules governing compensatory time shall be as follows:

a. The amount of compensatory time shall be equivalent to the
amount of time a teacher was required to work as provided
herein.

b. Prior to being allowed to take compensatory time, the
following conditions shall be met:

1) The teacher shall properly submit a written request to
the principal for such use. If a teacher is assigned
duties by an administrator for which compensatory
time is earned, the administrator shall furnish to the
teacher(s) a receipt for the time. This does not
preclude a teacher(s) from applying for compensa­
tory time accrual.

2) Such written request must be received by the
principal no earlier than forty (40) calendar days prior
to and no later than two (2) school days prior to the
date compensatory time, if approved, is to be utilized.
3) The principal shall act on requests for compensatory time submitted two (2) days prior to the utilization within one (1) day of the request. Other requests will be acted upon within two (2) days of the request. In the event the principal does not act on any request for compensatory time within the specified time frames, the request shall be considered approved. Provided that in circumstances where the requesting teacher is not assigned to the same worksite as his/her principal, such responses shall be extended by three (3) days. When a teacher applies for compensatory time two (2) or more school days prior to the day compensatory time is requested to be used, the applicant cannot be required to supply his/her own substitute as a condition of approval for such compensatory time request.

4) Time limits as prescribed herein may be waived by the principal without precedent and at his/her discretion.

5) Failure of a teacher to utilize approved compensatory time may result, at the principal’s discretion, in the reduction of such time from the teacher’s accrued compensatory time balance.

6) In the event a teacher qualifies for compensatory time as provided herein and the teacher makes proper application which is subsequently denied, up to twelve (12) hours of such denied compensatory time shall be carried forward to the next school year. Such twelve (12) hours may be used at the teacher’s option as either sick leave for the same purposes as other sick leave may be used or as personal leave charged to sick leave as provided in Article XIV.

c. Except as otherwise provided herein, compensatory time shall only be accrued and utilized during the school year in which it is earned. Teachers shall be given the opportunity to utilize their compensatory time as provided herein and shall not be carried forward from one school year to another except as provided above.

d. Nothing contained herein shall be construed as precluding a principal from allowing compensatory time on a non-student attendance day as reflected on the school calendar as adopted by the Board.
e. In the event a principal denies the use of accumulated compensatory time on an inservice day or on a post planning day as scheduled on the school calendar as adopted by the Board, such denial shall give the affected teacher(s) the right to use, at his/her option, compensatory time in lieu of and for the same purpose(s) as sick leave. The amount of any such compensatory time used as sick leave shall be no more than an amount equal to the time designated by the Board for the affected inservice day or postplanning day. Provided that any sick leave taken on an inservice day or postplanning day shall be deducted from the accrued sick leave balance of the teacher.

f. The Board agrees to conduct an assessment of the district procedures regarding the accrual and utilization of compensatory time with a view toward determining the feasibility of providing financial compensation for certain unused compensatory time. Such assessment to be completed no later than June 30, 1987. The Board agrees that the Union President or designee shall be given the opportunity to express his/her views prior to the Board reaching any final conclusion regarding the study.

g. In the event a teacher chooses to use compensatory time in lieu of sick/personal leave as provided herein, such teacher shall be given a verification of such time being so charged to his/her compensatory time balance.

6. As used herein, the normal teacher workweek shall not include time devoted to performance of duties for which compensation is received pursuant to The Schedule of Supplement for Extracurricular and Supplemental Compensation. If such assignment is not included in the Schedule of Supplements, the amount paid for such assignment shall be as determined by the Board.
7. After reporting for duty at a school, if the teacher is required during the normal workday to travel to another school(s), the teacher shall be reimbursed for mileage between the first school and the other school(s), and between the last school and return to the original school or to the teacher's home, whichever shall be the lesser. The reimbursement rate shall be no less than the rate allowed by law. In the event that a teacher is required by the Board to travel within the district but beyond the administrative area (North, Central, South) in which he/she is normally assigned, the teacher shall be entitled to mileage either to and from his/her normal worksite to the out-of-area worksite, or to and from his/her home to the out-of-area worksite, whichever shall be the lesser. This out-of-area provision is intended to entitle a teacher to reimbursement for travel to and from an assignment for which he/she received specific direction by the Board to attend and which also requires a teacher to travel from one administrative area to another.

8. Attendance of teachers at PTA or PTO meetings shall be voluntary.

9. The length of the teacher workday during the normal one hundred-ninety-six (196) day school year shall be limited to four (4) hours on all days on which pupils are not normally required to attend classes, provided that at the principal's discretion the length of the teacher workday may be from to 8 a.m. to 12 noon and from 1 p.m. to 4 p.m. only during preplanning, and provided further that such additional time above the preplanning four (4) hour workday shall be subject to the accrual of compensatory time provisions as described in Article VI, Section C, paragraph 5. Compensatory time as provided herein shall also apply to lead teachers and resource teachers who work above the preplanning four (4) hour workday. It is agreed that teacher assignments during preplanning shall be flexible enough so as to allow no less than eight (8) hours of the required twenty (20) hour workweek to prepare their classrooms for the beginning of school while providing for student registration to be on a continuous basis during the 8 a.m. to 4 p.m. period.

Section D - Teaching Assignments and Duties

1. a. No new teacher shall be employed who does not qualify for a valid Florida teaching certificate.
b. The Board and the Union agree to review the classroom management training of the beginning teacher in order to determine what changes, if any, should be made in order to better equip beginning teachers to handle student discipline. On a voluntary basis, Educational Research and Dissemination programs on classroom management for the beginning teachers shall be made available to teachers during the afternoon of the preplanning period. The voluntary nature of such ER&D programs shall not prohibit the principal from providing compensatory time for such attendance, provided that up to four (4) ER&D instructors shall be granted compensatory time for time spent in instructing the ER&D Program described above.

2. Teachers shall be assigned to a grade level and/or subject for which they are qualified. If teachers are assigned to a grade level and/or subject beyond the scope of their certificate they shall be reassigned as promptly as circumstances permit within the scope of their certificate. The foregoing shall not preclude agreement of teachers to continue to teach outside the scope of their certificate while working for the acquisition of proper certification.

3. After May 15, the principal shall make available, upon request of the teacher, his/her anticipated teaching assignment for the following school year. Further, after January 15, the principal shall make available upon request of the teacher, his/her anticipated teaching assignment for the forthcoming school semester.

4. Schedules for all classroom teachers in secondary schools shall be posted in each school no later than September 28 of each school year. Room assignments, planning times, and grade assignments shall be similarly posted in each elementary school.

5. A teacher selected to teach in the District's academic summer school program shall receive the rate of pay as reflected on the previous school year's salary schedule. Each full time teacher who is selected to teach summer school shall be credited with one (1) day of sick leave for each month of employment to be credited at the beginning of each month, provided that such leave shall not be used prior to the time it is earned and credited. A teacher who has accrued sick leave available to him/her shall be allowed to use such sick leave in order to be absent from his/her summer school teaching duties. The reasons for use of sick leave are the same as for such use during the teacher's normal work year. All summer school teaching positions shall be advertised and preferential consideration shall be given to continuing contract and professional services contract teachers who are certified in fields required for summer school programs. In the principal's determin-
nation as to which teachers shall be assigned to summer school, the principal shall ensure that a fair and equitable rotation of teacher applicants is established.

6. No teacher shall be required to formally evaluate any other teacher.

7. If teachers are required to teach at more than one school, one school shall be designated as his/her home base. Except as otherwise provided herein, teachers who are assigned to teach in more than one school and such assignment results in his/her traveling between such schools during the student day, such teacher shall suffer no loss of the rights conferred by this Agreement, including loss of planning time and/or duty-free lunch as contained herein.

8. The use of time clocks for checking in and out shall be prohibited.

9. Teacher participation in school activities beyond the normal teacher workweek shall be voluntary wherever possible. If a situation arises where such assignment must be made where no volunteers are available, priority consideration will be given to the teacher's prior personal commitments. All assignments beyond the teacher workweek will be compensated pursuant to Article XVIII of this Agreement, or if such assignment is not included within Article XVIII, such amount as may be determined to be appropriate by the Board.

10. In the Board's determination as to which teachers shall be assigned to a normal forty (40) hour workweek resulting from an extended day instructional program in high schools and junior high/middle schools, the following procedures shall apply. Such teachers shall be compensated pursuant to Article XVIII, Section H, Schedule of Supplements.

a. Each Principal shall notify teachers in writing from his/her faculty of the possibility of assigning a teacher or teachers from such faculty to an extended workweek as provided herein.

b. A teacher so informed shall be given the opportunity to express his/her desire in writing to be assigned or not be assigned to such forty (40) hour workweek.

c. In the event the principal selects a teacher who has expressed a desire for such forty (40) hour workweek assignment, the teacher shall be notified in writing of such selection as soon as practicable.
d. Those teachers who expressed a desire for such forty (40) hour workweek and are not selected for such assignment at this time shall be notified in writing of their nonselection as soon as practicable.

e. In the event the principal selects a teacher for such assignment who has not expressed a desire for the assignment, such teacher shall be notified in writing of his/her assignment as soon as practicable. The parties agree that effort should be made to avoid such assignments if possible.

f. Among the factors to be considered in the selection of teachers for such forty (40) hour workweek shall be the following:

1) area(s) of certification

2) current and prior teaching experience

3) supplemental position(s) held

11. Lesson Plans are required. The format for plans shall be decided by the teacher for the purpose of working with his/her students and shall include sufficient information for substitutes and evaluators. No routine requirement for submission of lesson plans shall be made unless the performance of the teacher is less than satisfactory. In this event, format and content may be part of an assistance plan.

12. The parties agree that the provision for student supervision is primarily the responsibility of the professional employees in order to ensure a safe school environment. Supervisory duty assignments shall be reviewed by the principal and a faculty committee to ensure adequate supervision and equitable distribution of assignments. Faculty volunteers to the committee will be sought and all volunteers will be able to serve on the committee.

13. Teachers who are assigned to teach in the shortened kindergarten program shall suffer no loss of rights conferred by this Agreement. In those instances where a kindergarten teacher is assigned to teach the class of an absent teacher the kindergarten teacher shall be notified of the assignment to cover the class as soon as the principal becomes aware of the necessity for coverage.
14. On inservice days as reflected in the Board-adopted district calendar, except as otherwise provided below, a teacher may exercise his/her option of attending the inservice, remaining on duty at his/her school, or requesting compensatory time, provided that when a teacher signs up to attend an inservice program he/she may neither remain in the building nor request compensatory time instead of attending such program. Inservice programs which are requested by Restructuring for School Improvement Teams, and newly adopted programs or changes to existing programs, may also carry a requirement for attendance. When District records show that a teacher has had, within the three (3) previous years, a specific inservice experience which is being required, the teacher may attend at his/her option.

Section E - Vacancies and Promotional Vacancies

1. A notice of all promotional vacancies shall be posted in each school at least five (5) workdays prior to the closing of the application period. A copy of such notice shall be sent to the Union President at the time it is sent to schools.

2. The Assistant Superintendent for Personnel Services or designee shall post, in his/her office where the same shall be readily accessible to visitors, a listing of all current teacher vacancies. A copy of such list shall be promptly forwarded to each area office where it shall be likewise posted, and a copy of such current list shall also be provided to the Union. A copy of such list shall also be posted in all schools.

3. The Board agrees to notify applicants and Union of the Board’s decision regarding the filling of such vacancy(ies) provided that the applicant and Union have submitted a stamped self-addressed envelope with his/her application.

4. No promotional vacancy, except vacancies which exist at the level of Superintendent’s staff, shall be permanently filled until all teachers who have properly submitted applications and who meet the qualifications as reflected on the posted notice have been given the opportunity to be interviewed.

5. For the Purpose of Promotion
   a. A notice of promotional vacancy shall set forth the qualifications, primary requirements, duties, and other pertinent information and the date by which the applicant must file the application. Such notice shall also include information indicating the salary range for the position and procedures for application.
b. Promotional vacancies shall be positions on the Administrative and Support Salary Schedule as adopted by the Board.

C. A notice of promotional vacancy shall reflect the anticipated location of the vacancy if known.

6. A notice of instructional task forces and workshops to be appointed shall be posted in each school at least fifteen (15) calendar days prior to the closing of the application period for appointment thereto. Such notice shall include the criteria pertinent to the appointment. In filling such positions consideration shall be given to the prior opportunity of teachers to serve on such similar task forces and workshops so that they may be shared equitably among qualified teachers seeking such appointments.

7. Compensation for adult education teaching and/or summer school teaching shall be as determined by the Board. The inclusion of salary schedules for adult education and summer school shall be for informational purposes only. A teacher who is assigned to teach in the adult education and/or summer school program shall not be entitled to any rights conferred by this Agreement.

8. Upon written request, teachers shall be granted interviews for all posted vacancies for which they qualify before such vacancies are filled.

9. Training for ESOL/META endorsement shall be the District's responsibility.

Section F - Assignments and Transfers

1. Voluntary Transfer from School to School
   a. A teacher who desires a change from his/her assigned school to another school in the district may request such reassignment by properly completing and submitting the appropriate application to the Superintendent.
   b. In the event that a teacher desires a transfer at the end of the regular school year, the teacher shall submit a written request that will be filed with the Superintendent for active consideration throughout the period that school is not in regular session. The teacher shall be responsible for notifying the Superintendent of an address and telephone number at which the applicant can be reached during the above period.
   c. Two teachers may voluntarily change positions or schools with the approval of the Superintendent.
d. When approving or disapproving a request for voluntary transfer, the Board agrees to include among the factors to be considered the following:

1) Whether the teacher has been involuntarily transferred within the two (2) year period of time immediately preceding the year in which the voluntary transfer, if approved, would take place.

2) The length of time the teacher requesting voluntary transfer has been assigned to his/her current teaching responsibilities or his/her current school site.

e. In the event a teacher requests a voluntary transfer as provided herein and such request is denied, the teacher shall be provided an opportunity to confer with the Superintendent regarding the denial. The Superintendent shall give reasons for denial and upon request by the teacher a Union representative shall be present.

2. Reassignments Within a School

a. A teacher shall have the right to request reassignment within the same school to which he/she is assigned.

b. Teachers may voluntarily change positions with other teachers within a school with approval of the principal.

3. Involuntary Transfer

a. In the event a decline in student enrollment necessitates the Board reducing continuing contract teachers within a school, the following procedures shall be followed:

1) The principal shall inform the faculty of the necessity to reduce continuing contract teachers and provide the faculty with the opportunity to request transfer to fill a vacancy at another school.

2) Prior to the reappointment of any annual contract teachers, all continuing contract teachers shall be assigned to a position. Provided that in the event there is no continuing contract teacher certified in a field in which there is a vacant position, an annual contract teacher may be appointed to fill such position.

PERSONAL/ACADEMIC FREEDOM

Section A - Personal
The personal life of a teacher is not an appropriate concern of the Board except as it impacts upon the teacher’s employment or as otherwise provided by law.

Section B - Academic
It is the intent of the parties that teachers shall enjoy academic freedom in the district. Academic freedom shall mean that teachers are free to present instructional materials which are pertinent to the subject and level taught, within the outlines of appropriate course content and within the planned
instructional program as determined by normal instructional and/or adminis-
terative procedures and as previously approved by the Board. Academic
freedom shall also mean that teachers shall be entitled to freedom of
discussion in the classroom on matters which are relevant to the subject
matter under study and within their area of professional competence,
assuming that all facts concerning controversial issues shall be presented in
a scholarly and objective manner and assuming that all discussion shall be
maintained within the outlines of appropriate course content, be
educationally justifiable, and be subject to standards of good taste.

ARTICLE XIV

LEAVES OF ABSENCE

Section A - Rules Governing

1. While on approved paid leave of absence, a teacher shall
continue to receive the benefits of group fringe benefit plans
which are provided by the Board for teachers who are not on leave
of absence. A teacher on unpaid leave of absence may, with
the consent of the insurance carrier, continue benefits under
an insurance policy by paying all of the required premiums on
a timely basis as prescribed by the Board provided all the
conditions of such leave are met by the teacher.

2. Upon the expiration of any approved leave of absence, and if all
the conditions of such leave have been met by the teacher, the
Board shall continue to employ such teacher under the same
circumstances and subject to such conditions as though such
teacher had not been on leave. Except as otherwise provided
herein, all unpaid leaves of absence shall not be counted as
experience which warrants any advancement on the salary
schedule.

3. Except as otherwise provided herein, all leave applications other
than in emergency situations, shall be submitted at least ten (10)
workdays in advance of the date the leave, if approved, would
begin. Such ten (10) days advance submission requirement shall
be waived in instances of sick leave which preclude such notice.

Thereafter, each full-time teacher shall be credited with one (1) day of sick leave for each month of employment to be credited at the beginning of each month, provided that such leave shall not be used prior to the time it is earned and credited. Full-time teachers shall be entitled to earn no more than one (1) day of sick leave times the number of months of employment during the year of employment.

2) Unused sick leave shall accumulate from year to year without limit.

3) Sick leave may be transferred into the school district from other public school systems in Florida without limit as to the number of days of sick leave accrued except that at least one-half (1/2) of this accumulated leave must be earned within this school district at any given time.

4) For purposes of this section only, "full-time teacher" shall apply to any teacher who is regularly employed more than one-half (1/2) time.

b. Usage

1) Sick leave shall be used only for personal illness (including the illness or disablement related to or disablement due to pregnancy or the birth of a child, provided the matters described within these parentheses shall not be applicable to any teacher on maternity leave) of the teacher or the illness or death of a spouse, son, daughter, mother, father, brother, sister, grandparent, father-in-law, mother-in-law, brother-in-law, sister-in-law, aunt, uncle, niece, nephew, grandchild, son-in-law, daughter-in-law, step-parents, step-children, or a person residing in the same household as the teacher.

5) Such leave shall not be granted for purposes for which any other type of paid leave is available.

   a. A teacher shall be entitled to illness-in-the-line-of-duty leave up to ten (10) workdays per school year when he/she has to be absent from duty because of personal injury received in the discharge of duty or because of illness from any contagious or infectious disease or school building environmentally induced sickness contracted in school work.
   b. Such leave shall not accumulate from school year to school year and shall result in no loss of pay or accumulated sick leave. In case of sickness or injury occurring under such circumstances the Board may grant additional emergency sick leave. The granting or denial of such additional emergency sick leave shall not be subject to the Grievance Procedure of this Agreement.
   c. The term "injury" as used in Article XIV, Section B, paragraph 3, is defined as the result of an event which causes the teacher to suffer an initial injury or a reinjury or reaggravation of an injury for which the teacher had previously been granted injury-in-the-line-of-duty leave. The term "event" as used herein shall mean an unforeseen, unexpected, or sudden happening, the nature of which is such that the injury sustained can logically be expected to result.

4. Professional Leave
   Professional leave not to exceed thirty (30) calendar days may be granted to teachers when the experience shall be deemed to be of substantial benefit to the school district and shall have an immediate application to the current role of the teacher.
   a. Professional leave with pay may be granted for a teacher to attend curriculum meetings or to observe instructional techniques.
   b. Professional leave with pay may be granted during preplanning and post planning under the following conditions:
1) A teacher shall be granted no more than five (5) days of such leave in any one (1) school year whether such leave is taken during preplanning, postplanning, or both.

2) Such leave shall be granted no more than four (4) times during any period of six (6) consecutive years.

3) Such leave application shall be submitted no later than June 1 and shall be accompanied by the registration deadline from the institution, if the reason for the request is to attend school.

4) A teacher must have been employed by the Board as a teacher for at least one (1) school year and must be returning to the district as a teacher before such leave may be granted.

5) A teacher shall be either enrolled in a master's or higher level degree program at an accredited, approved institution and/or be attending school or institute in order to add subject area(s) to his/her certificate and/or to improve the instructional program of the school.

Section C - Military Leave

1. Military leave shall be granted without pay to teachers on continuing contract who are required to serve in the armed forces of the United States or this state in fulfillment of obligations incurred under selective service laws or because of membership in reserves of the armed forces or National Guard, and may be granted at the discretion of the Board without pay to any teacher volunteering for military duty. Teachers granted such leave for military service shall, upon completion of the tour of duty, be returned to employment without prejudice, provided application for reemployment is filed within six (6) months following the date of discharge or release from active duty; and provided further that the Board shall have a reasonable time, not to exceed six (6) months, to reassign the employee to duty in the school system. Military leave shall not be counted as years of service toward the continuing contract.

Section D - Unpaid Leaves

1. Maternity Leave

a. Any full-time teacher shall be granted maternity leave without pay as provided below.

b. An application for leave accompanied by a written statement from a licensed medical physician verifying the pregnancy and setting forth the estimated date of confinement shall be submitted to the principal no later than five (5) calendar weeks prior to estimated date of confinement if the teacher plans to take maternity leave.

c. Such leave, if taken, shall commence on a date prior to the final estimated date of delivery of the child, such to be determined by the teacher.
d. The length of such leave shall be no longer than the balance of the school year in which the leave began.

e. Upon return from maternity leave the teacher shall furnish a certification by her doctor that she is medically able to perform her duties. This statement and all others to be furnished by the teacher’s doctor shall be provided at the sole expense of the teacher.

f. A teacher who has been granted maternity leave may apply for an extension of such leave for child rearing. Upon approval such extension shall begin immediately following the expiration of maternity leave and be for a period of time not to exceed one (1) school year.

Written application for such leave shall be submitted to the principal within two (2) calendar weeks after approval for adoption by the recognized agency or source.

c. A teacher who has given birth to a child who was not on maternity leave for such birth may apply for a child rearing leave for a period not to exceed the balance of the school year in which the child is born and, upon proper reapplication, one (1) succeeding school year. Such leave shall be considered personal leave without pay.

3. Advanced Study or Education Service Leave

a. A leave of absence without pay not to exceed one (1) year may be granted at the discretion of the Board to a continuing contract teacher upon proper written application for the purpose of participating in the following:

1) Exchange teaching program.

2) Military teaching program.
3) Full-time participation in the Peace Corps, Teacher Corps, or Job Corps.

As a condition of such leave, the teacher shall include in the written application an intention to return to the district for a minimum of two (2) years. Upon return from such leave, the teacher shall be credited with the equivalent teaching experience outside the district.

b. Leave without pay may be granted at the discretion of the Board to teachers on continuing contract for a maximum of one (1) year for the purpose of engaging in study related to the teachers' professional responsibility at an accredited institution of higher learning. Such leave shall commence only at the start of the school year.

c. Such leave may be renewed for no less than one (1) school year per renewal and shall not be so renewed more than twice. Such renewal shall be limited to the year(s) immediately following the first year in which such leave originally began.

Provided that the Board may waive the ten (10) day requirement
when conditions surrounding the illness do not permit the
application for said leave. Such leave shall be for no longer
than the balance of the School year in which the teacher’s
accumulated sick leave was exhausted.

Section E - Sabbatical Leave

The Board and the Union shall develop and implement a mutually agreed to
plan which shall provide opportunities for career teachers with ten (10) or
more years experience to enable them to revitalize their teaching skills. A
target date for such mutual agreement shall be no later than the beginning
of the 1991-92 school year.

ARTICLE XV

REDUCTION IN FORCE

A. If, in the exclusive judgment of the Board, it is determined to reduce the
number of teachers on continuing contract, the Board shall attempt to
accomplish such reduction by attrition. Prior to reducing the number of
continuing contract/professional services contract teachers as pro­
vided herein, the Union shall be given the opportunity to express its
views regarding such reduction. If such reduction of teachers on
continuing contract cannot be accomplished by attrition, the following
procedures shall be utilized in the following order:

1. The Board shall identify the instructional assignment(s) [grade(s)/
subject(s)/special area(s)], to be reduced. All annual contract
teachers in such assignments shall be nonrenewed prior to any
reduction of continuing contract teachers.

No continuing contract teacher who is subject to reduction pursu­
ant to this Article shall be reduced while an annual contract
teacher is employed in a position for which the continuing contract
teacher is certified, as provided by law.

2. Any additional reduction shall be in order of the least consecutive
years of creditable experience in the district of all teachers in such
instructional assignment. As used herein, “creditable teaching
experience” shall mean service rendered while under contract
with the Board, provided such service qualifies for years of
experience for salary purposes, and provided such service has
been continuous. “Continuous” service shall not be affected by
any authorized leave of absence, but service shall not be deemed
continuous if the teacher has previously resigned or been
terminated for any reason except reduction in force.
3. The preceding section shall not be applicable to any continuing contract teacher identified by the Board as fulfilling educational requirements of the district. As used herein "educational requirements" shall be construed to mean activities within the district which relate to particular area(s) of curricular or extracurricular activities, or supplemental positions, with or without additional financial compensation, and the particular ability of individual teachers to effectively complete these assignments.

B. In the event it is determined a reduction in teachers shall occur, the Union President shall be given the opportunity to discuss the reduction with the Superintendent.

C. If the Board shall determine to employ teacher(s) at any time during the seventeen (17) calendar months next following such reduction in staff, such positions shall be offered in writing to the last continuing contract teacher in such instructional assignment terminated in the inverse order of lay-off, provided such teacher holds the required certification and is deemed by the Board to be qualified to fulfill the educational requirements of the district. Such offer, delivered in person or by certified mail, shall be to the most current address of the teacher as reflected in the records of the Board.

D. Nothing herein shall prohibit teachers who have been reduced pursuant to this Article from seeking and/or accepting gainful employment elsewhere.

E. Nothing in this Article shall be construed as to prevent the Board from providing staff balances to comply with mandated programs or to preclude or overcome any form of illegal discrimination.

ARTICLE XVI

WELFARE

Section A - Health Insurance

The parties agree that hospital and medical options and benefits shall be made available for teachers to select under the district flexible compensation plan. Such available options and benefits shall be no less than those which were available on July 1, 1987, unless otherwise mutually agreed to by both parties. A document developed by the Board and the Union containing information on insurance and other benefits shall be distributed to the teachers no later than three (3) weeks prior to the re-enrollment deadline. The Board agrees to explore with the Union ways which would involve teachers in the enrollment process. Effective January 1, 1993, the Board agrees to continue the current Board contribution to the district flexible compensation plan of $244.00 per month for teachers who elect the Preferred Provider Organization (PPO) option and $230.00 per month for the
teachers electing the Health Maintenance Organization (HMO) option. Effective January 1, 1993, a teacher who exercises his/her option to opt out of the district flexible compensation plan shall receive the amount of $657.00 ($54.75 per month). If both husband and wife are employees of the Board and one elects to opt out and be covered by the other spouse, the spouse who opts out shall receive the full amount of the Board's contribution and shall be exempt from provisions of insurability requirements as specified below. Such amount shall be determined by the plan election of the other spouse. Effective January 1, 1993, in the event a teacher who has opted out seeks to return to one of the district's health benefit programs during enrollment periods, such teacher must provide the insurance company, at his/her expense, satisfactory proof of insurability, and in such instance pre-existing conditions shall not be covered under the district plan for a period of twenty-four (24) calendar months or as otherwise specified in the plan(s). In addition, the Board shall provide the following benefits:

1. A vision insurance plan which covers each individual teacher at no cost to the teacher.

2. Dental insurance option(s) which each teacher may choose to take as part of his/her flex dollar expenditure. Such plan shall include both single and dependent coverage.

3. The Union shall be invited to submit to the Board written recommendations as to the content of bid specifications for the district hospitalization/medical options and benefit plan as provided herein. The Union shall be provided a copy of such final bid specifications prior to such being recommended to the School Board for approval.

Section B - Life Insurance
The Board shall provide to each teacher, without cost to the teacher, group term life insurance in an amount equal to the annual salary of the teacher as reflected in the salary schedule of this Agreement. Such amount to be computed to the nearest one thousand dollars ($1,000). Each teacher may, at his/her own cost, purchase a maximum amount equal to four (4) times his/her annual salary by giving written authorization for payroll deductions thereof as prescribed by the Board. The amount that such insurance coverage can be increased in any one insurance plan year shall be limited to one (1) time the annual salary of the teacher.

Section C - Disability Insurance
The Board shall continue to make available to each teacher at his/her own cost through payroll deduction short and long term disability insurance coverage provided responsible bids for the same can be obtained and the teacher qualifies.

59
Section D - Insurance Committee
No less than three (3) members of the Personnel Benefits Committee shall be named by the Union President or designee. If the proportion of teachers to nonteachers on such committee shall be altered, the Union President or designee shall have the right to name additional teacher(s) so the composition of such committee shall remain the same as the ratio which prevailed during the 1981-82 school year.

Section E - Tax Deferred Annuity Program
The Board shall continue to make available, through payroll deduction, tax deferred annuity programs to all teachers in accordance with the policies in effect on the effective date of this Agreement. The Board and Union agree to jointly study the feasibility of providing teachers with the option of concurrently participating in more than one district provided annuity program.

Section F - Retired Teachers
The Board shall provide a teacher at the time of his/her normal retirement the option of participating, at his/her own expense, in the Board's medical insurance program.

Section G - Extended Sick Leave Benefits
The Board shall continue to provide full insurance benefits as provided herein to a teacher who has exhausted all accumulated sick leave and who continues to be sick or disabled provided that such continuation of benefits shall be limited to the sixty (60) calendar days immediately following the depletion of his/her accumulated sick leave balance. Such teacher shall submit application for such leave as prescribed by the Board. If the affected teacher is a member of the sick leave bank this section shall become effective after the bank benefits are exhausted.

Section H - Retirement Incentive Committee
The parties agree that there shall be formed a district committee for the purpose of developing a report to the Superintendent regarding a District Retirement Incentive Plan. The composition of such committee shall be: Three (3) appointed by the Brevard Federation of Teachers, three (3) appointed by Local Union 1010, three (3) administrators appointed by the Superintendent, three (3) other nonunit classified employees appointed by the Superintendent. The charge of the committee shall be developed and mutually agreed to by the Superintendent and the Brevard Federation of Teachers by November 30, 1992.

For Specialist’s Degree (or Rank IA equivalent pursuant to the Florida Department of Education Rules), add $2,470 to the basic salary.

For Doctor’s Degree (or Rank I equivalent pursuant to the Florida Department of Education Rules), add $3,460 to the basic salary.

Except as otherwise provided herein, a teacher who is assigned to work in
an instructional capacity involving direct contact with students, e.g. elementary school foreign language programs, and when such assignments are during the teacher's normal work year and beyond the normal teacher thirty-seven and one half (37 1/2) hour workweek, time spent on such assignments shall be paid at the affected teacher's hourly rate. For each one hour of work time, the teacher shall be scheduled for no less than fifteen (15) minutes of preparation time.

The parties agree to form a Salary Study Committee for the purpose of developing a competitive teacher salary schedule. Committee recommendations to be made to the parties for the purpose of negotiations prior to the start of bargaining for a successor Agreement. The Union and the Superintendent shall each appoint one-half (1/2) of the committee members.

B. Credit shall be given for purposes of placement and vertical movement on the salary schedule for up to ten (10) years of teaching experience out of state and/or fifteen (15) years of Florida teaching experience, including college teaching, military experience, and kindergarten experience if part of an elementary school program. Credit for placement and movement as provided herein shall not exceed a total of fifteen (15) years.

C. Two (2) years of credit for purposes of placement and vertical movement on the salary schedule shall be given for military service completed since January 1, 1940. A year of experience shall be granted for twelve (12) months of active duty service. A partial year shall be counted if the active military service is within thirty (30) days of being a full year. Additional credit shall not be allowed for teaching assignments while in military service.

D. Ninety-nine (99) or more days of full-time teaching, to include paid leave, in any single year shall be considered as one (1) full year of experience. If a full-time teacher works no less than one (1) full semester and such full semester has fewer than ninety-nine (99) days as provided above, such work shall be considered as one (1) year of experience for pay purposes.

E. Adjustments to higher salary levels shall be made upon submission by the teacher of appropriate academic credentials. These adjustments shall be included in the first paycheck practicable following submission of the appropriate credentials and shall be paid to the date earned within the current fiscal year.

F. The Board shall provide terminal pay to any teacher upon the teacher's retirement or to his/her estate or beneficiary if service is terminated by death. However, such terminal pay shall not exceed the amount shown as follows:
1. During the first three (3) years of service, the daily rate of pay multiplied by thirty-five percent (35%) times the number of days of accumulated sick leave.

2. During the next three (3) years of service, the daily rate of pay multiplied by forty percent (40%) times the number of days of accumulated sick leave.

3. During the next three (3) years of service, the daily rate of pay multiplied by forty-five percent (45%) times the number of days of accumulated sick leave.

4. During the next three (3) years of service, the daily rate of pay multiplied by fifty percent (50%) times the number of days of accumulated sick leave.

5. During and after the thirteenth (13th) year of continuous district service, the daily rate of pay multiplied by one hundred percent (100%) times the number of days of accumulated sick leave.

6. The four (4) days of sick leave credited to each teacher shall be treated as four (4) days of entitlement upon the teacher's retirement or to his/her estate or beneficiary if service is terminated by death.

7. Payment(s) for terminal pay as described above shall be allowed at the retiree's option, as follows:

   Option One - payment in one (1) lump sum.

   Option Two - one payment in January of the year following retirement.

   Times of such payment shall normally be on the last monthly payroll date on which the retiree would have been paid had he/she continued as a regular employee.

   In the event Option Two is found not to be in compliance with regulations of the Internal Revenue Service, it shall become void and any teacher so paid shall be solely liable for any payment deemed necessary to the Internal Revenue Service.

8. The Board agrees to conduct a review of the benefit the district might receive by purchasing an annuity for any teacher with twenty-five (25) or more years of creditable service who has reached age fifty (50) and has applied for retirement under the Florida Retirement System. The results of such review shall be reported to the Superintendent no later than May 1, 1990.
G. To calculate a teacher's daily rate of pay, the basic salary shall be divided by one hundred ninety-six (196).

H. Salaries for teachers shall be paid in twelve (12) equal payments on the fifteenth (15th) of each month. If that date falls on a weekend, the salaries shall be paid on the last regular workday in that week. Teachers shall receive their July and August payments in a lump sum with the June paycheck. The Board and the Union agree to jointly study the feasibility of providing teachers with the option of receiving their salary as is currently done or on some other payment schedule. Such study shall be concluded no later than May 1, 1990. Effective the 1991-92 school year, teachers shall be paid in twenty (20) equal paychecks. Final checks will be issued on the last day of post planning. Exact pay dates will be mutually agreed to by the Union and the Board prior to implementation and will be included on the school calendar as adopted by the Board.

I. A teacher whose employment is terminated for any reason shall receive his/her terminal pay, if any, and all salary earned prior to the date of said termination less any deductions within thirty (30) calendar days of termination date, provided all obligations to the Board have been completed.

J. Upon written authorization of the teacher, the Board shall forward for deposit into the teacher's bank account, all or a specified amount of the teacher's net salary.

K. Teachers employed by the Board shall receive appropriate substitute pay until such time as the Board officially ratifies their employment. Upon official School Board ratification, the teacher shall receive the balance of monies which insures full salary as a teacher retroactive to the date of the appointment by the School Board in his/her next scheduled paycheck.

L. Any teacher required by the Board to provide his/her personal transportation shall be reimbursed by the Board at no less than the rate allowed by law. Such requirement shall not include routine travel to and from the teacher's home and the school to which assigned.
M. Effective the beginning of the 1987-88 school year, the Board shall provide a teacher with the option of an annual payment for sick leave days accumulated during the school year provided such payment is subject to the teacher's exemplary attendance for the school year as reflected in the district payroll records. A teacher who is absent for more than four (4) workdays during the school year shall not be eligible for annual payment as provided herein. Provided that absences on approved professional leave and/or line-of-duty leave shall not adversely affect such record of exemplary attendance. Any other absences from duty shall act as a bar to the benefit provided in this paragraph. Payment for such exemplary attendance shall be calculated at eighty percent (80%) of the affected teacher's daily rate times ten (10) days. Days for which such payment is received shall be deducted from the accumulated sick leave balance. Payment as provided herein shall be made as soon as payroll procedures may reasonably permit, but no later than July 15, of the year in which the application is made.

N. $28,000 shall be allocated to pay those teachers who were in the process of qualifying for the District's Quality Instruction Incentives Program Plan benefits of tuition reimbursement and incentive awards during the 1990-91 school year. The Board shall post a notice in each school of this provision and teachers who wish to apply may do so by October 15, 1991, on a form provided by the Board, and the money will be distributed pro-rata based on hours taken.

ARTICLE XVIII
EXTRACURRICULAR ACTIVITIES AND SUPPLEMENTAL COMPENSATION

A. The Board shall make an effort to find teacher volunteers for all positions pursuant to this Article. Part of such effort shall include placing written notice of such vacancy on a bulletin board(s) in the teachers' lounge(s) or other area where teachers' mailboxes exist. The principal shall establish minimum qualifications for supplemental positions within a school and shall review all applicants who meet the minimum qualifications and make his/her determination as to who should fill the position. When other factors are judged to be equal, it is the intent of the district that teacher applicant(s) from the school with the vacant position shall be chosen.

B. Paid extracurricular duty and supplemental positions shall be those set forth in this Article.

C. No compensation for any supplemental positions shall be paid from cost center internal accounts unless expressly provided herein.

D. Teachers participating in supervisory duties of events unrelated to the
necessary operation of the schools outside the normal teacher work-
week and which generate funds, including but not limited to athletic
events, dances, and other social functions, shall be compensated at
eight dollars and fifty cents ($8.50) per hour.

E. Nothing shall be construed as to require the filling of any position listed
herein, nor to preclude payment of any amount to a teacher for the
performance of duties not prescribed herein which occurs outside the
normal teacher workweek.

F. Payments for supplements which are not paid on a monthly basis shall
be included in the teacher's regular paycheck upon completion of the
sponsored activity.

G. In the event an elementary teacher plans to engage in an activity which
he/she views as qualifying for a special Elementary Program supple-
ment, the teacher may submit a written request for such supplement to
his/her principal. Such request shall contain the anticipated number of
hours beyond the normal teacher thirty-seven and one-half (37 1/2)
hour workweek. Upon review of the material, the principal shall submit
the request in a timely fashion along with his/her recommendation for
final determination, including his/her reasons for such recommenda-
tion.

NONDISCRIMINATION

The Board agrees that it shall not illegally discriminate against any teacher with respect to wages, hours, or conditions of employment by reason of race, color, creed, national origin, sex, religion, or age. If any grievance occurs alleging a violation of this Article, as a condition precedent to the use of the arbitration step of the grievance procedure contained in this Agreement, the grievant(s) and the Union shall execute a waiver of their right to bring such asserted discrimination to any administrative agency, court, or any other forum, to withdraw the same with prejudice. If any court of competent jurisdiction or any administrative agency shall determine that the waiver provided herein is in any respect invalid or void, this Article shall be thereupon determined inoperative.

This Article shall not be construed as to preclude the Board participation in any Affirmative Action Program or to comply with mandated programs or to preclude or overcome any form of illegal discrimination.

ARTICLE XX
AVAILABILITY OF AGREEMENT

Copies of this agreement shall be printed at the shared expense of the Board and the Union within thirty (30) days after the Agreement is signed in a form and by a process to be mutually agreed upon, in sufficient quantity that one (1) copy may be presented to each teacher, administrator, and Board member, and at least three hundred (300) additional copies each, to the Board and the Union. If the Agreement shall be printed by other than Board facilities, the Union may designate such printer and the Union shall pay all of the added cost above that which would be incurred if the Agreement were to be printed by Board facilities. The Board shall make available to all new teachers employed after the ratification of this Agreement a copy of said Agreement.

ARTICLE XXI
CONFORMITY TO LAW AND SAVINGS CLAUSE

If any provision of this Agreement is or shall at any time be determined contrary to law by a court of competent jurisdiction, then such provision shall not be applicable or performed, or enforced except to the extent permitted by law; however, all other provisions of this Agreement shall continue in effect.
ARTICLE XXII

MISCELLANEOUS

A. The parties agree to negotiate in good faith.

B. Time and place for the purpose of negotiating shall be set by mutual agreement of the parties.

C. Neither party in any negotiations shall have any control over the selection of the bargaining representatives of the other party provided that the Union shall not select any employee of the Board who is not a teacher and the Board shall not select any teacher. The parties mutually pledge that their representatives will be clothed with all the necessary power to make proposals, counter proposals, and to reach tentative agreement on items being negotiated.

D. If any contract between the Board and an individual teacher contains any language inconsistent with this Agreement, this Agreement shall be controlling. Further, individual teacher contracts shall conform to this Agreement to the extent permitted by law and regulation.

E. All personnel policies hereinafter adopted by the Board shall be made known to teachers within thirty (30) days of their adoption.

F. All teachers who participate in the production of tapes, publications, or other produced educational material shall retain residual rights should they be copyrighted and sold by the district for a profit, provided nothing herein shall preclude any agreement between the Board and the teacher(s) regarding such rights.

G. This Agreement constitutes the full and complete agreement between the Board and the Union. This Agreement may be altered or modified only upon the voluntary mutual consent of the parties in writing and fully executed as an amendment to this Agreement. For the life of this Agreement, each party voluntarily waives the right to negotiate over any matter during the term of this Agreement except as otherwise specifically required by the preceding section of this Article.

H. The Union acknowledges those provisions of the Florida Statutes prohibiting work stoppages and providing penalties therefor, and agrees to adhere thereto.
ARTICLE XXIII

MATTERS PREVIOUSLY NOT COVERED

A. Any previously adopted rule or regulation of the Board which is in conflict with a provision of this Agreement shall be superseded by the applicable provisions of this Agreement.

B. The Board agrees that if, during the period of this Agreement, it shall consider the adoption or amendment of any Board policy which shall substantially affect the working conditions of teachers, the Union shall have the right to submit its views in writing on such proposed policy change prior to the Board meeting at which the policy is to be considered, or orally at said meeting.

Notification of intention to consider such policies and the Union response thereto shall be completed within the requirements of the Administrative Procedure Act. Notwithstanding the foregoing, the Board may take emergency action as permitted by the Administrative Procedure Act, and provided further, that this section shall not be construed to limit or affect the provisions of Article XXII, Section H. of this Agreement.

C. Whenever any notice is required to be given either party to this Agreement by the other party, either shall do so by certified mail, return receipt requested, at the following addresses:

If to the Union: P.O. Box 1925
