TRANSFER

Section 1. The Board shall post a list of known vacancies for the coming school year on or about February 1, April 10, and June 1, in each school. Teachers wishing to be notified of vacancies through summer break shall leave self-addressed envelopes with the School District for this purpose.

Subd. 1. New positions created within the School District at times other than defined above will be posted so that members of the unit may apply and be considered for said vacancies.

Subd. 2. Known vacancies in coaching and extracurricular positions that cannot be filled from within the school staff will be posted districtwide on or about October 1, January 15, and May 1.

Section 2. Voluntary Transfer: Teachers who wish to be considered for other positions in the District shall, through their Principal, notify the appropriate Director of Education in writing. This should be done both for positions that are currently open and for positions that may open in the future. Requests for transfer will be considered by the Principals involved, the Director and the Superintendent. Qualifications for the position will be the major consideration. If the qualifications are equal, seniority will also be an important factor.

Section 3. Involuntary Transfer: Any involuntary transfer due to discontinuance of position, lack of pupils, financial limitations or merger of classrooms due to consolidations of School Districts, shall be based on total District seniority. If it becomes necessary to transfer teachers due to the above criteria, the reduction within a school building will be done by (elementary) grade or subject, (secondary) subject area with the teacher with the least seniority being transferred first. If an opening occurs within the building where the teacher is teaching, that teacher shall be given an opportunity to interview for that position.

Section 4. Unrequested Leave provision shall be as provided by MS (1974) 125.12, Section 4, Subd. 6b with procedure established below:

Subd. 1. Section 4, Minnesota Statutes 1971, Section 125.12, is amended by adding a subdivision to read: Subd. 6b (UNREQUESTED LEAVE OF ABSENCE) The School Board may place on unrequested leave of absence, without pay or fringe benefits, as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of Districts. The unrequested leave shall be effective at the close of the school year. In placing teachers on unrequested leave, the Board shall be governed by the following provisions:

(a) The Board may place probationary teachers on unrequested leave first in the inverse order of their employment. No teacher who has acquired continuing Contract rights shall be placed on unrequested leave of absence while probationary teachers are retained in positions for which the teacher who has acquired continuing Contract rights is certified;

(b) Teachers who have acquired continuing Contract rights shall be placed on unrequested leave of absence in fields in which they are certified in the inverse order in which they were employed by the School District. In the case of merger of classes caused by consolidation of Districts or in the case of equal seniority, the order in which teachers who have acquired continuing Contract rights shall be placed on unrequested leave of absence in fields in which they are certified shall be negotiable;

(c) Notwithstanding clauses (a) and (b), if either the placing of a probationary teacher on unrequested leave before a teacher who has acquired continuing rights or the
placing of a teacher who has acquired continuing Contract rights on unrequested leave before another teacher who has acquired continuing Contract rights but who has greater seniority would place the District in violation of its affirmative action program, the
District may retain the probationary teacher or the teacher with the seniority;

(d) Teachers placed on unrequested leave of absence shall be reinstated to the
positions from which they have been given leaves of absence or, if not available, to
other available positions in the School District in fields in which they are certified.
Reinstatement shall be in the inverse order of placement on leave of absence. The
order of reinstatement of teachers who have equal seniority and who are placed on
unrequested leave in the same school year shall be negotiable;

(e) Teachers, other than probationary teachers, terminated under Minnesota
Statutes 1971, Section 125.12, Subdivision 6, clause (e), in the school year shall be
reinstated to the positions from which they have been terminated or, if not available, to
other available positions in the School District in fields in which they are certified.
Reinstatement shall be in the order of seniority. The order or reinstatement of
continuing Contract teachers who have equal seniority and who are terminated under
Minnesota Statutes 1971, Section 125.12, Subdivision 6, clause (e) in the school year
shall be negotiable. These teachers shall also be subject to clauses (f), (g), (h), (i), (k),
and (l) of this subdivision;

(f) No appointment of a new teacher shall be made while there is available, on
unrequested leave, a teacher who is properly certified to fill such vacancy, unless the
teacher fails to advise the School Board within 15 days of the date of notification that a
position is available to the teacher, that he/she may return to employment and that
he/she will assume the duties of the position to which appointed on a future date
determined by the Board;

(g) A teacher placed on unrequested leave of absence may engage in teaching or
any other occupation during the period of this leave;

(h) The unrequested leave of absence shall not impair the continuing Contract
rights of a teacher or result in a loss of credit for previous years of service;

(i) The unrequested leave of absence of a teacher who is not reinstated shall
continue for a period of two years after which the right to reinstatement shall
terminate;

(j) The same provisions applicable to terminations of probationary or continuing
Contracts in Subdivisions 3 and 4 shall apply to placement on unrequested leave of
absence;

(k) Nothing in this subdivision shall be construed to impair the rights of teachers
placed on unrequested leave of absence to receive unemployment compensation if
otherwise eligible. Any teachers on leaves of absence whose position on the seniority
list will necessitate being placed on unrequested leave of absence will be notified by the
Board.

Subd. 2. Seniority lists shall be established by the following procedures:

A. Seniority in the District shall be computed on the basis of a teacher's
continuous employment from the first day of actual work with the District.

B. Teachers teaching less than the full contract day shall accrue seniority on a pro
rata basis.

C. Only service during normal school day, as defined in the Master Contract, will
count toward seniority.

D. Teachers shall continue to accrue seniority while on sabbatical, military,
short-term sabbatical leaves, and maternity leave. Teachers shall retain
seniority while on all other leaves. A teacher on organization leave or
long-term disability as defined in Article XV, Section 4, shall accrue seniority for the first year only of such leave.

Subd. 3. Tie Breaking. In the event that, after following procedures in Section 1 above, ties remain, such ties will be broken by the teacher certificate number (the higher the number the less seniority).

Subd. 4.

A. The School District will maintain a seniority list.

B. Such list will include the following information:
   1. Teacher's name
   2. Teacher's first day of work in School District No. 11 (excluding preservice orientation, but including Teacher Workshop).
   3. Teacher's current teaching assignment
   4. Teacher's certificate number
   5. Areas in which teacher is fully certificated by the State Board of Education

C. A copy of the most current list in B above will be provided to the Association.

Subd. 5. Access to Benefits: Teachers placed on unrequested leave will continue to have access to all benefits available to teachers on other leaves of absence, with costs to be born by the teacher.

Subd. 6. Recall and Termination of Rights

A. As positions for which they are certificated become available, teachers shall be recalled to employment in the inverse order of layoff, provided, however, that no full-time teacher shall be required to accept recall to less than a full-time position.

B. Notification of recall shall be by restricted delivery mail with return receipt requested.

C. Notification shall be to the last known address provided by the teacher to the office of the Director of Personnel.

D. Teachers shall have up to fifteen (15) days from the date of receipt of notification or recall during which to notify the Director of Personnel in writing of their intent to accept the Board's offer of reemployment or to indicate in writing their intent to waive their option to be reemployed in the position offered.

E. If a teacher waives his or her right, reemployment in the position offered, the position shall be offered to the teacher with the next greatest seniority, provided that teacher is certificated for the position.

F. Any teacher who refuses three recall offers shall be considered to have voluntarily removed his or her name from the seniority list, provided, however, that a teacher may refuse recall to less than a full time position. Such refusal shall not count as a refusal to recall for purposes of this subdivision.

G. The right to recall shall cease with the retirement of the teacher.
ARTICLE XVII
RETIREMENT

Section 1. Early Retirement Severance Pay: Severance pay shall be available to teachers of the School District who retire at the end of the school year preceding the school year in which they reach the age of 65 or at the end of any preceding school year, but no sooner than the end of the year in which they reach the age of 50. For the purpose of this Section, the school year shall begin with July 1 of one year and end on June 30 of the following year.

Subd. 1. To qualify for severance pay under this Article a teacher must have at least ten (10) years of District No. 11 seniority and notify the District of the intended early retirement by March 1.

Subd. 2. The severance pay base will be determined by taking the teacher's unused sick leave days times the teacher's daily wage rate.

Subd. 3. A teacher shall be eligible upon early retirement, subject to all subdivisions of the Section, for severance pay, according to the following schedule relating to the employee's age at the end of the school year in which he/she elects early retirement. In no event shall the number of unused sick leave days times the percent listed in this Section exceed 100 days.

Subd. 4. Payment shall be made in one sum upon retirement except that the teacher shall have the option to delay the first payment until after January 1 of the year following the year in which they retire, or the teacher may choose to receive the severance pay in equal annual installments over a period of time, not to exceed five (5) years from termination of employment. Deductions, such as State and Federal income tax, social security or TRA shall be made only as required by law. If the teacher dies before the severance payment has been made, the balance due shall be paid to a named beneficiary or, lacking same, to the estate of the deceased.

Subd. 5. This section shall not apply to any teacher who is discharged for cause by the School District.

Subd. 6. Health insurance may be carried by the retired employee at no cost to the District.

Section 2. Mandatory Retirement: Retirement shall be mandatory only to the extent required by law.

ARTICLE XVIII
GRIEVANCES

Section 1. Definitions:

A. A grievance is any controversy between the Board and the Association or between the Board and an employee or group of employees as to 1) interpretation of this
Agreement, 2) a charge of violation of this Agreement, or 3) an alleged violation involving wages, hours or working conditions resulting in unnecessary hardship.

B. Employee is an employee or employee organization that is certified as an appropriate unit in the School District and not classified as confidential, supervisory, or Principal/Assistant Principal as defined in PELRA-71 as amended.

C. First Level Supervisor shall mean Supervisor/Principal/Assistant Principal or the person to whom the employee reports.

D. Second Level Supervisor shall mean the Assistant Superintendent/Director/Supervisor or the person to whom the first level supervisor reports.

E. Days shall be considered "working" days as defined for the employee except at the end of the school year. The days in this instance shall be week days.

Section 2. Procedure: Grievances as defined in Section 1 shall be settled in the following manner and the steps set forth must be followed in the order listed within the time limits prescribed.

Step 1. The grievance shall be orally presented to the employee's first level supervisor within five (5) days after employee knew or should have known of violation. No settlement in this Step 1 shall be made in violation of the written Contract.

If a settlement is not reached within two (2) days after oral presentation to the first level supervisor the grievance shall be reduced to writing on form number G-1 with a clear statement of the issues involved. This shall be presented to the first level supervisor who shall promptly transmit the written grievance to the Employee Relations Director for handling in accordance with Step 2.

Step 2. The Employee Relations Director shall establish a Step 2 hearing with the aggrieved and the appropriate second level supervisor. The Step 2 meeting shall be held within five (5) days after the employee has filed the written grievance. The time and place for meetings under Step 2, shall be at the discretion of the Employee Relations Director. The employee shall be allowed a reasonable number of representatives at the meeting.

The Employee Relations Director shall prepare a report of the meeting, together with a written disposition of the matter and forward copies thereof to the employee and to the Association within five (5) days after the Step 2 hearing.

If settlement is not reached in Step 2 within three (3) days of the date of the disposition, the grievance is referred to Step 3.

Step 3. Grievances referred to Step 3 shall be discussed between the Association and the Employee Relations Director. This discussion shall take place within five (5) days after the grievance has been referred to Step 3.

If agreement is reached as a result of this meeting, the Employee Relations Director shall issue a disposition of the matter which shall be final and binding. If agreement is not reached, the grievant shall, within three (3) days after the Step 3 meeting, notify, in writing, the Employee Relations Director that arbitration is required.

Step 4. Arbitration: In cases referred to Step 4 the parties shall attempt to agree on an arbitrator. If agreement is not reached within three (3) days, the parties shall petition the Public Employment Labor Relations Board for assistance under the rules of the PELRA-71 as amended.
The arbitrator shall set the time and place for the Step 4 hearing, the method of procedure and make all necessary rulings.

The arbitrator shall have no power to add to, subtract from, or modify any of the terms of the agreement or to any agreement made supplementary hereto, and shall only be allowed to rule on those cases that apply to the definition of a grievance as described in this Article. The decision of the arbitrator, if within the scope of his power, shall be binding on both parties with the limitations of PELRA-71 as amended. The expense and fees of the arbitrator shall be borne jointly by the Board and the Association.

Section 3. Rules: Any loss of time by the employee and his/her representatives to attend Step 4 in the grievance procedure shall not be compensated.

The number of days indicated at each step of the grievance procedure should be considered as maximum and every effort should be made to expedite the grievance process. Any time limit may be extended by mutual written consent. The failure of an aggrieved person to proceed from one step of the grievance procedure to the next step within the time limits set forth shall be deemed to be acceptance of the decision previously rendered and shall constitute a waiver of any future appeal concerning the particular grievance.

The failure of an administrator to communicate his decision or hold a meeting within the specific time limits shall permit the aggrieved to proceed to the next step in the grievance procedure.

Grievance cases shall be as confidential as possible.

Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
