APPENDIX C PLAN FOR REIMBURSEMENT BANK
This Contract is made and entered into by and between the CFT Local 1520 AFT, OFT, AFL-CIO (hereinafter the Federation) and the Cincinnati Board of Education (hereinafter the Board) and shall be binding and effective from March 11, 1985 to December 31, 1987.

RECOGNITION

1. The Board recognizes the Federation as the sole and exclusive bargaining agent for the purpose of bargaining wages, hours, benefits and all other terms and conditions of employment for all teachers in the bargaining unit, including classroom teachers, certificated night-school teachers who are also day-school classroom teachers on an annual rate, librarians, administrative interns, psychologist interns, visiting teachers, examiners, teacher specialists, coordinating teachers, nurses, counselors, psychologists and L.D. tutors; but excluding pre-school instructors, daily-rate substitutes, and other daily and hourly-rate teachers, psychiatric social workers, lunchroom managers, administrative assistants, directors, associate directors, associates, supervisors, associate supervisors, assistant supervisors, librarian-professional library, assistant principals, principals, personnel director, area directors, assistant superintendents, deputy superintendents and the superintendent for a five (5) year period beginning January 1, 1983 through December 31, 1987.

2. The Board continues to recognize the Federation for five (5) years (January 1, 1983 through December 31, 1987) as the exclusive representative of teachers in the bargaining unit defined in paragraph 1 above for the purpose of professional negotiations. Said five (5) year period of exclusive recognition shall preclude the filing of an election petition by any other employee group earlier than October 1, 1987 or no later than October 31, 1987. If an election petition signed by fifty percent (50%) of the teachers is filed during the thirty-one (31) day "open period," the Board shall, upon Board verification of petitions, cause an election to be directed on the first Tuesday in December, 1987. The number of teachers employed by the Board for the purposes of determining the fifty percent (50%) showing of interest shall be based on the number of teachers employed in the bargaining unit (including teachers on leave of absence) represented by the Federation and on the payroll as of the end of the first pay period following the opening of school in the Fall of 1987.
3. The petition signatures must be obtained during the 31 day "open period." All petitions must contain the teacher's signature, place of assignment and date of signing. The petitions shall indicate, in effect, that signers of this petition request that the Board direct an election to determine who will be the collective bargaining agent of the teachers.

4. Only a bona fide teacher organization shall have the right to challenge the CFT for representation rights.

5. The Federation shall have the right to examine (not to include copying) all petition signatures, upon request during the verification process.

6. The cost of the election shall be shared by the Board, the Federation and the challenging organization.

7. Upon verification of petitions containing signatures of 50% of the bargaining unit by the Board, the Board shall request the New York office of the AAA to provide a list of seven (7) available arbitrators from which the Election Arbitrator will be selected. The CFT and the challenging organization shall alternately strike names from the list until only one remains. A coin toss shall determine which organization shall strike the first name. The election shall be conducted according to the Election Groundrules set forth in Appendix B. The Election Arbitrator shall have the power to decide any matters relating to challenged ballots, objections to the election and other matters which may arise on election day in accordance with the Election Groundrules. Neither the election nor the Election Groundrules shall be subject to the grievance/arbitration procedure in the contract.

8. If the Federation wins the representation election in December, 1987 or if no election is conducted, the Board shall continue to recognize the CFT as the sole and exclusive collective bargaining representative for employees in the bargaining unit, until such time as the Federation may be removed as bargaining agent through an election conducted by the State Employee Relations Board (SERB).

The petitioning process during any subsequent open period and the scheduling and conduct of a representation election, if any, arising from such petitions, shall be governed by the relevant provisions of ORC Chapter 4117. Provisions of this contract, including Election Groundrules (Appendix B) shall apply where not in conflict with ORC Chapter 4117 or SERB rules.
9. The Board shall not recognize any other organization which seeks the right to represent the employees in the bargaining unit represented by the Federation during the term of this contract, nor shall the Board contribute to the growth or creation of rival organizations.

10. Information, statistics and records relating to wages, hours, benefits and all other terms and conditions of employment reasonably necessary for the proper enforcement of the terms of this contract shall be made available to the Federation upon request and upon payment by the Federation of any costs related thereto.

11. The Federation shall receive the information which is to be given to the public on the Friday before the Board of Education meeting or as soon thereafter as it is available.

12. Public information referred to in the minutes but not distributed shall be made available to the Federation upon request at cost.

**FAIR PRACTICES**

1. The Board agrees that no person(s), group(s), department(s) or division(s) responsible to the Board shall discriminate against any employee on the basis of race, creed, color, national origin, sex, age (18 to 70), or membership in, lawful participation or association with the lawful activities of the Federation.

2. The Federation agrees to represent all persons in the bargaining unit equally and fairly.

**FEDERATION RIGHTS**

A. The Federation shall enjoy the following exclusive organizational rights.

1. Orientation
   The Federation shall have the exclusive right to participate in the Summer Institute or similar summer inservice program, which may replace the Summer Institute and shall have the opportunity to meet separately with new teachers.
2. **Federation Chapter**

The facilities requested by the Federation under B104 (B)(1) shall not be denied, except where there is a previously announced and conflicting school activity.

Chapter meetings shall be announced to the principal not more than five (5) days prior to the date of the meeting. (The administration shall not subsequently schedule any meeting or event to conflict with a Federation Chapter meeting.).

3. **Office Bulletin Board**

The Federation shall have the exclusive right to use one-third (1/3) of the bulletin board located in the school office in nearest proximity to the teachers' mailboxes.

4. **Dues Deductions**

The Board shall deduct the uniform and periodic Federation dues from the paychecks of any teacher who voluntarily authorizes in writing that such deductions be made. Dues shall be deducted at one of two rates, representing either the full annual Federation dues or one-half (1/2) the annual dues divided by the number of paychecks. The Board shall transmit dues deducted from the paychecks of employees to the Federation promptly following the delivery of paychecks to employees. The Board shall make every effort to transmit dues within five (5) days of paycheck delivery.

Teachers who desire to cancel Federation dues deduction shall obtain from the Federation a "cancellation of dues deduction" form, complete it and return it to the Federation. The Federation shall transmit the original of such cancellations promptly to the Board. Under no circumstances shall the Federation deny the right of any teacher to revoke an authorization of payroll deduction of union dues.

The Board shall not be liable to the Federation for the remittance of payment of any sum other than that constituting actual deductions made from the wages of teachers. The Federation shall indemnify and hold the Board harmless against any and all claims, demands, suits or other forms of liability including, by way of example and not limitation, the cost of any judgment against the Board and the reasonable value of any attorney fees incurred, that may arise out of or by reason of action taken by the Board or not taken by the Board for the purpose of complying with any provision of this Section. The provisions of this Section shall comply with Section 9.41 of the Ohio Revised Code.
The Board shall provide CFT, at no cost, promptly following the end of each payroll period with an alphabetical list of all employees who have authorized CFT dues deduction for the pay period. Following the end of each payroll period, the Board shall provide the Federation promptly with a list of teachers added to or deleted from dues deduction during that pay period. The Board shall make every effort to transmit this information within five working days following the end of each payroll period.

5. Other Voluntary Deductions
Credit union deductions, United Appeal deductions, United Negro College Fund, insurance deductions currently in effect, CFT COPE deductions which have been voluntarily authorized in writing by a teacher shall be made upon receipt of the written authorization. The Board shall not establish for teachers, deductions for other political funds or insurance coverage not currently in effect without the written agreement of the Federation. This provision does not restrict the Board's right to change insurance carriers.

Regarding COPE deductions, the Board shall deduct from the amount transmitted to the Federation, $.04 per deduction and $10.00 per transmittal.

Employees who desire to cancel CFT COPE deductions shall notify the Federation in writing. The Federation shall transmit any such cancellations promptly to the Board. Under no circumstances shall the Federation deny the right of employees to revoke the authorization of payroll deduction of CFT COPE contributions.

The Board shall not be liable to the Federation for the remittance of payment of any sum other than that constituting actual deductions made from the wages of teachers. The Federation shall indemnify and hold the Board harmless against any and all claims, demands, suits or other forms of liability including, by way of example and not limitation, the cost of any judgment against the Board and the reasonable value of any attorney fees incurred, that may arise out of or by reason of action taken by the Board or not taken by the Board for the purpose of complying with any provision of this Section. The provisions of this Section shall comply with Section 9.41 of the Ohio Revised Code.
6. Federation Leave
Upon written request of the Federation, the Federation President and up to three (3) others shall be assigned to the Federation to conduct Federation business. Any employee so assigned shall be paid the full salary to which the employee is entitled according to Schedule C, shall enjoy all increments, benefits and leaves as other bargaining unit members, and shall continue to accrue seniority. The Federation shall reimburse the Board for salary, medical, dental and term life benefits provided to such employees, retirement contributions paid on their behalf and any other expenses related to salary and fringe benefit costs.

If the Certificated Personnel Office is notified by April 1 of a given school year that an employee assigned to the Federation wishes to return to regular service the ensuing school year, such employees shall return to regular service on the same basis as a teacher returning from a leave of absence longer than one school year.

7. Printing of Contract
Upon ratification of this contract, the Federation shall have 6,000 copies of this contract printed, 2,000 of which shall be delivered to the Board. The Board and the Federation shall agree on the format. The Board shall pay one-half (1/2) the cost of having the contract printed in the union shop within the school district submitting the lowest of three bids obtained by the Federation. The Federation shall distribute one (1) copy to each member of the bargaining unit. The Board shall provide new employees with a copy upon employment.

8. Federation Pony Delivery
The building in which the Federation office is located shall be included as a regular stop on the school mail delivery route.

B. The Federation shall also enjoy the following nonexclusive rights.

1. Federation Chapter
The Federation Chapter in each building shall have the right to transact Federation business on school property before or after the teachers' regular school day.

2. Superintendent/Federation President Meetings
The Superintendent and the Federation president shall meet bi-weekly before Board meetings.
3. **Board Meetings**  
The Federation president or designee shall have a seat and the right to speak at all public meetings of the Board of Education and its subcommittees.

5. **School Visitation**  
The Federation president or his/her employee designee shall have the right to visit the schools to investigate working conditions, teacher complaints or problems or for a purpose relating to the terms and conditions of employment, provided there is no interruption of the school program and that the Federation representative announces his/her destination and person(s) to be visited to the principal or to the person in charge if the principal is not immediately available. If possible, visits should be announced by telephone before the visit. Representatives of rival organizations visiting a school or work location shall be afforded only such privileges as are granted to any member of the public.

6. **Building Representation and Privileges**  
Every school or unit in the system shall have a Federation Building Representative from that building/unit who shall be elected by the Federation.

7. **The Federation shall have the right to distribute bulletins and other pertinent materials through the interschool mail delivery system. The Board shall not accept for distribution through the interschool mail system bulk mailings which are clearly identified as produced by a rival organization.**  

8. **Federation Representatives shall have the responsibility for posting and removing Federation notices and no other person shall do so.**  

9. **Directory Information**  
The Board shall provide the Federation, as soon as the Board has a computer system that produces such information:

A computerized alphabetical list of all Board employees which shall include their schools or other work
sites, positions, and home addresses for the purpose of establishing a school district directory. Phone numbers shall be provided only with the employee's consent. The Federation shall provide 250 complimentary copies of the directory to the Board.

A computerized list of employees in the Federation's bargaining unit which shall include their schools or other work sites and their position classifications. Grade and/or subject area shall also be provided, if available.

10. The Board shall provide the Federation with the names and addresses of new employees.

11. The Federation shall have the right to distribute bulletins and other pertinent materials by placing them in the mailboxes of teachers and other professional employees.

12. The Federation shall have the right to use a portion of other existing faculty bulletin boards in addition to the bulletin board in the main office.

B105 PERSONNEL FILES

1. The official personnel file of each teacher shall be maintained by the certificated personnel office and shall be open to inspection only by the Board of Education members; attorneys for the Board needing access to personnel files; and the superintendent and his designees who serve in an administrative or supervisory capacity (immediate or otherwise) in relation to the teacher, with the approval of the director, Personnel Branch, or his designee; the teacher; and such other persons as the teacher may authorize in writing.

2. A teacher may examine his/her personnel file upon request. With respect to the official personnel file, the teacher shall schedule an appointment at least one (1) working day in advance with a representative of the certificated personnel office in whose presence the file shall be examined. Copies of any material in the personnel file shall be made available upon request and upon payment of the cost of copying.

3. Upon receipt of any written communication (including a notation) involving accusations or derogatory statements against a teacher, the certificated personnel
office shall, before placing such material in the official personnel file, notify the teacher of his/her right to respond. Notification shall not be required when documents are addressed or copied to the teacher. The teacher's written response must remain attached to the derogatory statements as long as the item is on file. Should the teacher dispute the contents of a written communication (including a notation), and in the event there is sufficient factual evidence that the contents are false or non-factual, the written communication (including a notation) shall be withdrawn and destroyed.

4. No other official personnel file concerning a teacher shall be maintained. However, letters, memoranda, copies of documents which are in the official personnel file and other material concerning a teacher may be maintained in a personnel file by the building/unit administrator.

5. When a principal or other administrator finds it necessary to insert any written communication (including a notation) in a teacher's personnel file maintained at the building/unit level which reflects adversely upon the teacher's conduct, service, character or personality, he/she shall afford the teacher an opportunity to read such communication. The teacher shall also have the right to answer such communication and his/her answer shall be attached to the file copy.

6. Any written material withheld from the official personnel file and the personnel file maintained at the building/unit level, and not otherwise known to the teacher, shall not be used as evidence in any action against the teacher.

B106 TEACHER BUILDING COMMITTEE

1. Purpose
A Teacher Building Committee (TBC) shall be established in each school which shall meet monthly to discuss and to make recommendations with respect to the implementation and interpretation of this contract, educational policies and programs in the building and other matters relating to terms and conditions of employment.
2. Election
The members of the TBC shall be elected annually by secret ballot from each department in the secondary schools and from each grade level in the elementary schools by the staff of the building in separate departmental and grade level elections conducted by the Federation; for example, in elementary schools, teachers in the third grade shall separately elect their representative and, in secondary schools, teachers in the English department shall separately elect their representative. Members may also be elected at-large from the building if the TBC deems it appropriate to provide broad representation. In no event shall the number of members exceed nine. Membership or nonmembership in any organization shall not be a prerequisite to voting or to serving on the TBC. The chairperson of the TBC shall be elected by secret ballot by the TBC.

3. Agenda
The TBC shall provide an agenda at least twenty-four hours in advance of a scheduled meeting.

4. Meetings
The TBC shall convene at other reasonable times upon request of the principal or the TBC.

5. Policies and Practices
Policies and practices which are implemented at the building level shall not be inconsistent with the terms of this contract.

7. Resource Persons
Either the principal or the TBC may bring to any meeting resource persons whenever necessary.

8. In each school, the TBC shall appoint the teacher representatives to the local school board advisory committee or similar structures established by the Board which include teacher representatives. The Board or its designee may bring to any committee resource persons when necessary.
1. **Long Range Planning**  
The Board and the Federation agree that long range planning shall be essential for an efficient and effective education program in the Cincinnati Public Schools. Any committee established by the Board for such purpose shall include representation from the Federation, appointed by the Federation.

2. **Academic Freedom**  
Academic Freedom shall be guaranteed to teachers, and no arbitrary limitations shall be placed on study, investigation, presentation and interpretation of facts and ideas concerning man, human society, the physical and biological world, and other branches of learning, subject only to accepted standards of professional responsibility and to the Board's responsibility to govern the public schools.

3. **Personal Life**  
A teacher's personal life shall not adversely affect his/her employment status unless his/her teaching effectiveness is clearly impaired thereby. Within the framework of this section, teachers shall not be intimidated in their work by non-staff groups or individuals.

4. **Residency**  
Teachers shall live where they choose. The Federation and the Board agree that teachers' residency within the school district is desirable and, therefore, it is understood that the Board may in its sole discretion establish and enforce policies giving preference to new appointees who either are residents of the school district or commit themselves to move into the district.

5. **Temporary Contract Alteration**  
A specific provision of this contract may be temporarily suspended or altered only upon the written consent of both parties.

6. **Selection of Administrators**  
Teachers who are interested in promotion should contact the Certificated Personnel Branch for information concerning selection procedures.

In order to enhance communications, the Federation shall be notified of any changes concerning the selection procedures for promotion to either assistant principal or associate supervisors.
7. On any district-wide or area committee established by the Board, which includes teacher representatives, including the Staff Development Council, such representatives shall be appointed by the Federation. The Board or its designee may bring resource persons to any committee when necessary.

T200 TEACHER CERTIFICATES AND CONTRACTS

1. Teaching Outside Area of Certification
   No teacher shall be required as a condition of employment to teach outside the area of certification.

2. Renewal of Certificate
   Teachers who have a certificate on file in the Personnel Office which needs to be renewed shall be informed by the administration of the necessity to renew in January of the year of renewal.

3. Teacher Contracts
   Limited contract teachers who are re-employed shall be offered their contract before the close of the school term.

4. A contract shall be considered automatically renewed unless notification is given by April 30, except that supplementary contracts shall terminate upon completion of the assigned duties and payment therefor and are not subject to notification to the employee of non-renewal.

5. Each teacher who has completed three years of full time satisfactory service under contract with the Cincinnati Public Schools during the previous five years upon re-employment shall be offered a continuing contract, provided that teacher holds a valid eight-year Professional Ohio Teaching Certificate. A teacher who has held a continuing contract in another school district in Ohio shall become eligible for a continuing contract after serving a two-year period in the Cincinnati Public Schools, provided that teacher holds a valid eight-year Professional Ohio Teaching Certificate.

6. Contract Revisions
   The Federation shall be involved in any revisions of the wording of either the individual regular or supplemental contract.
7. A year of service for regular, full-time contract teachers shall be a minimum of 120 days of full-time employment within a given school year. A day of service for regular, full-time contract teachers shall be a minimum of seven hours.

8. Effective September 1, 1986, employees serving in the position classifications of counselor, librarian, psychologist, teacher-librarian, and visiting teacher, upon meeting the above criteria as they apply to the aforementioned positions, upon re-employment in their current positions, shall be offered a continuing contract. No employee, however, shall hold a continuing contract for more than one position concurrently. In the event an employee holds a continuing contract for one position classification and is offered a continuing contract for a second position classification, the employee shall have a one-time option to select which continuing contract is to be in effect.

If an employee previously held a continuing contract as a classroom teacher during the current period of employment in the Cincinnati Public Schools and is reduced-in-force from a second position classification for which he/she holds a current continuing contract, the employee shall have the option of waiving the current continuing contract and reverting to the former continuing contract status as a classroom teacher. In the event the employee is reinstated to the position classification from which he/she was reduced-in-force, the employee shall have the option of selecting which continuing contract is to be in effect.

T203 APPRAISAL AND DISMISSAL

2. Teachers shall be evaluated as outstanding, very good, satisfactory, marginal or unsatisfactory.

3. There shall be one (1) standard evaluation form used for evaluation of classroom teachers which shall be provided to teachers in the orientation.
4. The principal or assistant principal shall be responsible for administering the appraisal process. Supervisors may assist in the evaluation process at the request of the principal or the teacher. The individual who performs or assists in the evaluation of a teacher shall be competent to do so.

If the teacher's military pay during such a period of absence is less than his/her regular pay would have been for such period, he/she shall be paid by the Board the difference between his/her regular pay and his/her military pay for such period. In determining the teacher's military pay for the purpose of this section, allowances for travel, food, housing or uniforms shall not be considered, but any other pay or allowance of whatever nature, including longevity pay, shall be considered.

11. Extended Military Service
A teacher who leaves his/her position to serve in the armed forces of the United States, as defined by law (Ohio Revised Code 3319.14) shall be considered to be on special leave of absence; and he/she shall be entitled to return to the service of the Cincinnati Public Schools under the terms of pertinent statutes, except that said teacher must return to service with the schools before one (1) year has elapsed from date of discharge. The request shall be accompanied by a statement from the physician indicating the anticipated birth of the child. In the case of a request for adoptive leave, a statement from the adoption agency may be substituted for the physician statement.

(3) The teacher shall, except in unusual circumstances, plan such leave to begin at a natural break in the instructional program, such as the end of a unit of study, the end of a marking period, the beginning of a vacation period, so that effectiveness of instruction may be maintained. If the conditions set forth in subparagraphs (1) and (2) above are met, the request for leave shall be granted.
(4) The date of return from such leave shall be determined by the teacher after consultation with her physician, where applicable, and shall be planned to coincide with a natural break in the instructional program.

A teacher returning from a leave of absence shall be placed along with surplus teachers and teachers requesting voluntary transfers, with the following exception. A teacher requesting a leave of absence shall return to the same school if the teacher so requests, and meets the following conditions:
(1) The leave is effective at the beginning of the school year and the teacher agrees to return at the beginning of the ensuing school year.

b. In case of absence from duty for (1) a court proceeding or (2) an administrative hearing, in which the teacher or the Federation is a party, no salary shall be paid to the teacher for the period of absence, except as allowed under the appropriate sections of Board policies, unless in the judgment of the superintendent the teacher should receive pay because the court proceeding or administrative hearing arises from a justifiable line of duty action on the part of the teacher.
15. **Federation Conventions**

Teachers shall be given released time without loss of pay or benefits to attend the following conventions and subject to the following limitations:

A teacher suffering such an assault may request assault leave by furnishing a signed statement on a form prescribed by the Board. Assault leave shall be granted upon approval of the request by the superintendent. Approval by the superintendent shall not be unreasonably withheld. The superintendent may from time to time review the status of a teacher on assault leave so as to determine whether such leave shall continue. A teacher returning from assault leave shall be treated in the same manner as a teacher returning from sick leave. A teacher who has been on assault leave more than 45 days shall apply for disability retirement benefits from the State Teachers Retirement System.
b. If medical attention is required, a certificate from a licensed physician stating the nature of the disability and its duration shall be required before assault leave can be approved for payment.    b. A teacher or group of teachers who believes that a teacher is being required to work under conditions which are unsafe or unhealthy beyond the normal hazard inherent in the assignment in question shall have the right to file a grievance at Level 2 of the Grievance Procedure for preferred handling in such procedure.
c. The Board and the Federation agree to name a safety committee consisting of two (2) members designated by the Federation, and two (2) members designated by the Board. The safety committee will advise the superintendent in writing in promoting safety and industrial hygiene. The Board shall determine the specific means by which an alleged safety or industrial hygiene condition is corrected or eliminated, including taking equipment out of service. The committee will hold regular monthly meetings and may decide to conduct inspections, where necessary.

T210 TRANSFER PROCEDURES

1. Posting of Vacancies
On or before April 25, the Certificated Personnel Office shall announce throughout the school system known vacancies, as of April 10, which have resulted from separations from service, other personnel transactions, and new positions. Teachers desiring a transfer to one or more of these vacancies (who have not already filed a transfer request or responded to a posted notice or announcement in their school) may file a transfer request until May 1. All transfer requests received by May 1 shall be considered along with teachers affected by a reduced enrollment (surplus teachers), teachers returning from leave of absence and unassigned teachers. Those requests received subsequent to May 1 shall be considered after requests received on or before May 1 have been considered.

It is understood that any vacancy announced on or before May 1 is subject to a teaching assignment in the building in which the vacancy occurred.

2. Voluntary Transfers
A teacher's request for transfer to another building or unit shall be honored to the extent that the teacher is qualified, provided that the transfer is consistent with the racial balancing of the staff.

Requests for transfer for the next school year shall be made in writing to the Certificated Personnel Office by May 1. A transfer request shall be valid for one (1) year (May 1 through April 30). If a request for transfer is not granted, a new request must be submitted the following year, if the transfer is still desired. For the purpose of voluntary transfers, new teachers employed during the school year shall be considered as on temporary assignment.
until the close of the school year. Teachers on such temporary assignment if retained shall be reassigned to a permanent position if their temporary assignment is filled.

3. Withdrawal of Transfer Request
A teacher may withdraw his/her name from the transfer list at any time prior to written notification of transfer from the Certificated Personnel Office.

4. Teacher Refusal of Transfer
A teacher may refuse a voluntary transfer after notification of transfer only for extenuating circumstances and if it is feasible to move the replacement. Said refusal shall not prevent subsequent reapplication for transfer.

5. Determining Factors In Granting Transfer Requests
If more than one (1) teacher who is properly certified requests a transfer to a specific building or unit, and training, experience, and individual qualifications are substantially equal, and the transfer is consistent with the racial balancing of staff, seniority shall control the choice.

6. Notice of Transfer Granted
All notices of transfer shall be in writing from the Certificated Personnel Office.

7. Administrative Refusal of Transfer Request
Teachers shall be given in writing specific reasons for refusal of transfer request within thirty (30) days after it is determined that transfer is not possible.

In the event of a successful grievance, the remedy shall be to place the grievant in the vacancy requested at the beginning of the next reporting period or quarter in the instructional program. The person who has been displaced as a result of a successful grievance shall be given preference in assignment to a similar vacancy elsewhere when available.

8. Involuntary Transfers
A teacher receiving an administrative transfer shall be informed in writing with the reasons delineated by the Area Director.

9. Surplusing
a. Decreased enrollments shall be treated by the following procedures taken in order of priority:
(1) Before a teacher is treated as "surplus," voluntary transfer requests from that teacher's building shall be granted if the position is available.

(2) Before a surplus teacher is transferred from his/her school, that teacher who is properly certificated may displace a junior teacher within the building, provided training, experience, and individual qualifications are substantially equal, and the transfer is consistent with the racial balancing of staff.

(3) When a surplus teacher is to be transferred from his/her building, that teacher shall have the opportunity to express preference for existing vacancies and be placed along with those teachers requesting a transfer, teachers returning from leave of absence and unassigned teachers. If a choice needs to be made between two (2) or more teachers who are properly certificated and their training, experience, and individual qualifications are substantially equal and the transfer is consistent with the racial balancing of staff, seniority shall control the choice.

b. For employees classified as driver-training teachers, the above surplusing procedures shall not apply and such employees shall be surplused on a system-wide basis. If a choice needs to be made between two (2) or more such employees who are properly certificated and their training, experience and individual qualifications are substantially equal, seniority shall control the choice.

c. When the number of employees in any of the following classifications is reduced, such employees shall be identified for change of status on a system-wide basis. If a choice needs to be made between two (2) or more such employees who are properly certificated and their training, experience, and individual qualifications are substantially equal, seniority in the position classification shall control the choice. Such classifications are counselors, teacher-librarians, librarians, visiting-teachers, examiners, school nurses, teacher-specialists, coordinating teachers (190 days), coordinating teachers (210 days), librarian-catalogers and teachers-in-charge.
Before a surplus employee, who has been changed in status from a non-teaching-position classification to a classroom teacher, is transferred from his/her school, that employee shall have the opportunity to exercise the rights set forth in 9 (A) (2) and 9 (A)(3) above.

d. Alternative Schools Surplusing

(1) When an entire alternative school is relocated to a new site, all teachers assigned to such alternative school who desire to remain with the school by transferring to the new site may do so, provided that positions are available.

(2) When an alternative program, or a portion of an alternative program within a school, is relocated to another school building, those alternative program teachers whose positions are eliminated in the original building shall be treated as surplus teachers in accordance with paragraph 9(a) above. A teacher requesting assignment to a vacancy in an alternative program or school who has already completed the screening process for the type of alternative program in question (e.g., Spanish bilingual), as provided in Section T204, paragraphs (8) and (9) shall not be required to repeat the screening process.

(3) When new positions are added in any alternative program within a building or in an alternative school, such positions shall be treated as vacancies which shall be filled in accordance with Sections T204, paragraphs (8) and (9) and T210. A teacher requesting assignment to a vacancy in an alternative program or school who has already completed the screening process for the type of alternative program in question (e.g., Spanish bilingual), as provided in Section T204, paragraphs (8) and (9) shall not be required to repeat the screening process.

(4) Any teacher who is declared surplus shall be entitled to exercise the right to displace a junior teacher in either the regular or alternative program within the building in accordance with paragraphs 9(a)(2) and (3) above. A surplused regular program teacher who desires to displace a junior alternative program teacher shall be required to complete the screening process for assignment to
alternative programs, as provided in Section T204, paragraphs (8) and (9).

e. Returning to Original School
Teachers transferred because of decreased pupil enrollment shall have the right to return to their original school in the reverse order of their transfer out, provided a request for such transfer is made and the return can be accomplished within two (2) years of the original transfer and the transfer is consistent with the racial balancing of staff.

10. Job Sharing
Two properly certificated currently employed teachers who have been employed full-time for at least three years may, upon written joint request by April 1, share one of their present positions at a single school for the ensuing school year with each teacher assigned and paid .50, upon approval by the principal. Both teachers shall comply with the provisions of the Contract and may designate certain responsibilities and working conditions such as lunch and preparation time subject to the approval of the principal. The Board shall pay one-half (1/2) the cost of health and term life insurance for teachers involved in job sharing, except that prescription drug benefits shall be provided as for full-time employees.

Both teachers shall return to full-time status effective the ensuing school year, unless another written joint request for the ensuing school year is approved by the principal. Teachers returning to full-time status from job sharing shall be considered for vacancies within the building and District along with surplus teachers, teachers returning from leave and teachers requesting a transfer.

If either of the teachers who are sharing a position cannot or will not perform his/her share of the duties of the shared position, the remaining teacher shall remain in the position, full-time.

T211 SENIORITY
Seniority shall be defined in priority as follows:

a. Total number of continuous contractual years in the Cincinnati Public Schools, including any period of approved leave. Teachers whose contracts were not renewed in April 1974 but who were rehired during the 1974-1975 school year, shall be considered as having continual contractual service.
b. Total number of years in the school building of current placement.

c. Total number of years in the assigned subject area and/or level.

d. Total number of years employed as a certificated teacher in a state-approved institution(s).

T250 REDUCTION-IN-FORCE PROCEDURES

1. Introduction

When conditions such as declining student enrollment, limited financial resources, reduction in or discontinuance of selected services occur, it may be necessary to implement a "Reduction-in-Force" (RIF) procedure. For the purpose of this RIF procedure, the following definitions are used:

Reduction-in-Force - to discontinue the services of employees serving in a given classification because of a reduction in the number of positions available.

Position Classification - a position title which is listed on the employee salary schedules by the Cincinnati Board of Education.

Displacement - the exercising of the right of an employee with greater entitlement to a position causing another employee with lesser entitlement to be removed from a position within the position classification.

Entitlement - rights of employees determined by the application of the specified criteria listed in Section 2.

2. Criteria

The following criteria are to be applied in order of priority as listed:

a. Certification - appropriate certification for the grade level, subject matter to be taught and/or for the position classification.

b. Contractual Status - for the purpose of reductions in the position classification of classroom teacher - teachers with limited contracts shall be considered before those with continuing contracts.
c. Part-time Employment - part-time employees serving under limited contracts shall be considered for reduction-in-force before consideration of full-time employees.

d. Training, experience and individual qualifications.

e. (1) Total number of continuous contractual years of service in the Cincinnati Public Schools in position classification, including any period of approved leave. Employees whose contracts were not renewed in April, 1974, but who were rehired during the 1974-75 school year, shall be considered as having continuous contractual service.

(2) Total number of continuous contractual years of service in the Cincinnati Public Schools, including any period of approved leave. Employees whose contracts were not renewed in April, 1974, but who were rehired during the 1974-75 school year, shall be considered as having continuous contractual service.

(3) Total number of years employed as a certificated teacher in a state-approved institution(s).

3. If a choice needs to be made between two or more teachers who are similarly situated with respect to Criteria a, b, and c, and training, experience and individual qualifications are substantially equal, the teacher with the greater seniority as defined in the order of priority in e. above shall be retained.

4. Displacement
An employee who suffers a reduction-in-force who is serving in a position classification other than teacher, and who served as a teacher in the Cincinnati Public Schools prior to assignment in the current position classification, shall have the right to exercise entitlement to a teaching position under the provisions of Section T210.9 (c).

5. Re-employment
An employee displaced as a result of RIF procedures shall be offered re-employment to the position classification to which he or she has entitlement and from which displaced before such vacancy is filled by an employee who has not served in the position classification previously or a candidate not currently employed by the Cincinnati Board of Education.

39.
Employees shall be re-employed based upon the criteria specified in Section 2. If a choice needs to be made between two or more teachers who are similarly situated with respect to Criteria a, b, and c, and training, experience and individual qualifications are substantially equal, the teacher with the greater seniority as defined in order of priority in e. above shall be re-employed. Entitlement to re-employment shall remain in effect for eighteen (18) months.

6. These procedures shall apply to reductions-in-force only when implemented under the provisions of Sections 3319.11 of the Ohio Revised Code.

7. a. It is agreed that the RIF procedure contained herein shall not be subject to any judicial proceeding, legal or equitable, for any purpose whatsoever.

b. Teachers who are not selected for retention or for reemployment may file a grievance and proceed to advisory arbitration as the exclusive remedy for alleged RIF violations. Other remedies, legal or equitable, if any, are expressly waived with the exception of remedies which may be possessed by tenured teachers by virtue of possessing continuing teaching contracts.

8. **Re-Training**

For those teachers laid off due to reduction-in-force through the Spring of 1987, the Board agrees to reimburse such teachers for tuition expenses up to a maximum of 12 semester or 18 quarter hours, provided the teacher completes the required coursework for a temporary teaching certificate in secondary math or a four year re-training certificate in elementary education or in other areas of certification which may be designated by the personnel director or his/her designee. If these retraining certification requirements are completed by September 1, 1985, 1986, or 1987, the Board shall re-employ the teacher effective at the opening of the new school year. If the personnel director anticipates that a surplus of more than 20 elementary teachers will exist as of September 1, 1985, 1986, or 1987, he/she may suspend re-training opportunities in elementary education and substitute another area of certification. Such projections shall take into account, among other factors, average rates of teacher attrition, known resignations and retirements, enrollment trends, positions available in programs other than regular classroom assignments (e.g. ECIA Chapter 1, DPPF, etc.) and the number of teachers.
already in the process of re-training for elementary education. If a surplus of 20 or more elementary education teachers is no longer projected, re-training opportunities in elementary education shall be reinstated.

The following provisions shall apply to such retraining opportunities:

(a) Part-time teachers who are employed 50% of the time or more shall be eligible only if they are willing to accept, if offered, a full-time position.

(b) Teachers who are re-employed for the following school year shall suffer no interruption of health or term life coverage provided they complete the re-training by September 1, 1985, 1986 or 1987.

(c) A re-training agreement shall be signed by the teacher and the personnel director or his/her designee.

(d) The Board shall make every effort to notify teachers who will be subject to RIF procedures as soon as possible during the school year.

G300 GRIEVANCE PROCEDURE

A. DEFINITIONS

1. Grievance
   A "grievance" shall mean a complaint in writing that there has been an alleged violation, misinterpretation or misapplication of any provision(s) of this contract, which arose during the term of this contract or the predecessor contract. Such grievance shall be submitted on the prescribed form which shall be available in the school office and from the Federation Representative.

2. Grievant
   The "grievant" shall mean the teacher, teachers, or the Federation filing the grievance.

3. Days
   The term "days," when used in this section, shall mean contract working days unless otherwise indicated. Thus, weekends and vacation/recess days are excluded.
B. GENERAL PROVISIONS

1. Purpose
   Good morale is maintained by sincere efforts of all persons concerned to work toward constructive solutions to problems in an atmosphere of courtesy and cooperation. The purpose of this procedure is to secure equitable solutions to problems at the lowest possible administrative level. The grievance proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

2. Step Before Formalizing Grievance
   Prior to the formalizing of any grievance into writing, the employee may request a conference with the supervisor for the purpose of presenting a complaint, as well as the possible resolution of the complaint. It shall be the employee's prerogative to have a representative present at such conference or at any other step in the grievance procedure.

3. Federation Right
   The Federation shall have the right to appear at any level of the grievance procedure and shall receive copies of all written decisions and records pertaining to the grievance.

4. Rights of Grievant/Representative
   Every teacher shall be represented by the Federation in the grievance procedure. The teacher shall have the right to be present at any grievance discussion and shall be present at any grievance discussion when the Board and/or the Federation deems it necessary. When the presence of a teacher at a grievance hearing is requested by either party, illness or other incapacity of the teacher shall be grounds for any necessary extension of grievance procedure time limits. The failure of the grievant to act on any grievance within the prescribed time limits will act as a bar to any further appeal and any administrator's failure to give a decision within the time limits permits the grievant to proceed to the next step. The time limits, however, may be extended by mutual agreement.

5. Protection of Grievant
   An employee who participates or intends to participate in any grievance as defined herein shall not be subjected to discipline, reprimand, warning or reprisal because of such participation or intention. All documents, communications, and records dealing with the processing of the grievance shall be filed separately from the personnel files of the participant.
6. **Hearings/Conference**

Hearings and conferences under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons, including witnesses entitled to be present, to attend and will be held, insofar as possible, after regular school hours or during non-teaching time of personnel involved. When such hearings and conferences are held at the option of the administration during school hours, all employees whose presence is required shall be excused, without loss of pay or benefits for that purpose.

7. **Selected Time of Processing**

It is agreed that any investigation or other handling or processing of any grievance by the grievant shall be conducted so as to result in no interference with or interruption whatsoever of the instruction program and related work activities of the teaching staff.

8. **Expediting Grievance**

Grievances shall be expedited. The time limits specified may be extended by mutual agreement.

9. **Reducing Time Limits**

If a grievance is filed which might not be finally resolved under the time limits set forth herein prior to the end of the school year, and which if left unresolved until the beginning of the following school year, could result in irreparable harm to those involved in the grievance, the time limit set forth herein shall be reduced so that the grievance procedure may be concluded prior to the end of the school year.

C. **PROCEDURE**

1. **Level One**

A grievance must be filed in writing with the principal or the appropriate administrator within fifteen (15) days after said event, upon which it is based, or within fifteen (15) days after said event could reasonably be assumed to have been known by either a teacher or the Federation. The grievance conference shall occur within five (5) days after the grievance is filed. The grievant shall be accompanied by the Federation Building Representative or any other Federation representative of the grievant's choosing. The principal or appropriate administrator shall render a written decision within five (5) days of the grievance conference.

2. **Level Two**

In the event a grievance has not been satisfactorily resolved at Level One, the Federation shall file, within
five (5) days of the principal's or the appropriate administrator's written decision at Level One, a completed copy of the grievance with the Director of Employee Relations. Within five (5) days after such written grievance is filed, the grievant, the Federation, and the Director of Employee Relations or his/her designee should meet to resolve the grievance. The Director of Employee Relations or his/her designee shall file his/her decision within five (5) days of the Level Two meeting and communicate it to the grievant and the Federation.

3. **Level Three**

(a) If the grievance has not been satisfactorily resolved at Level Two, the Federation may demand advisory arbitration by requesting a list of seven (7) names from the Federal Mediation and Conciliation Service. The Board and the Federation shall alternately strike names until one (1) remains who shall be the advisory arbitrator.

(b) The advisory arbitrator shall not have the authority to alter, modify, add to or subtract from any of the terms of this contract.

(c) The advisory arbitrator is expected to schedule a hearing with the parties to this contract as soon as possible and to issue a written advisory opinion as soon as possible after the close of the hearing.

(d) The costs for the services of the advisory arbitrator shall be shared equally by both parties.

(e) Within five (5) days after receiving the written advisory opinion, the superintendent shall render another written decision.

(f) Within ten (10) days after receiving the decision of the superintendent, the Federation may appeal the decision in writing to the Board. The Board within fifteen (15) days shall either sustain the decision of the superintendent or give an alternate decision.

(g) Post-hearing briefs, if any, shall be filed within twenty (20) days of the receipt of transcript, or within twenty (20) days of the close of the hearing if no transcript is ordered. The arbitrator shall render a decision in writing within thirty (30) days after post-hearing briefs have been submitted or within thirty (30) days after the hearing, if no briefs are to be filed.
D. ALTERNATIVE PROCEDURE

1. In lieu of the arbitrator selection procedure in paragraph C-3(a), the Board and the Federation shall agree on a panel of five (5) advisory arbitrators to hear and decide cases for one (1) year on a rotating basis. If the Board and the Federation are unable to agree on a panel of five (5) arbitrators by April 1, 1985, the parties shall request five lists of seven arbitrators each from the Federal Mediation and Conciliation Service. The parties shall alternately strike names from each of the five lists until one arbitrator remains on each of the five lists. Such five remaining arbitrators shall constitute the panel. The parties shall then continue to strike names to determine the order of rotation. The last arbitrator remaining on the list shall be the first in the order of rotation, and so forth, the first arbitrator struck being the last in the order of rotation.

2. The arbitrator selected to consider a particular grievance shall be that arbitrator next in order of rotation who can schedule the hearing with the parties within thirty (30) days.

3. The arbitrator shall schedule a hearing with the parties within (30) calendar days of notification. If no arbitrator is able to schedule a hearing with the parties within the prescribed time limit, the grievance shall be assigned to the arbitrator able to schedule the hearing with the parties at the earliest date thereafter.

4. After any arbitrator on the panel has rendered an award, either party, within fourteen (14) days, may remove such arbitrator from the panel. In addition, if either party so requests by August 1 of any school year, one or more arbitrators shall be removed from the panel. In either event, the parties shall attempt to agree on additional arbitrator(s) to complete the panel of five arbitrators. If no agreement is reached within fourteen (14) days of the removal of an arbitrator from the panel, the parties shall request a list or lists, as the case may be, of seven (7) arbitrators each from the Federal Mediation and Conciliation Service. The parties shall then alternately strike names from the list(s) until the number of arbitrators remaining equals the number needed to complete the panel of five (5) arbitrators.

45.
E. Tenured Teacher Termination
Notwithstanding paragraph C-3 (Level Three) which provides for advisory arbitration, binding arbitration is provided at Level Three in lieu of statutory proceedings, upon waiver by the affected teacher, on all teacher dismissal cases. Nonrenewals of teachers on limited contracts are not covered by this provision for binding arbitration.

F. Non-tenured Teacher Termination
A non-tenured teacher who has completed five (5) consecutive years of satisfactory or better service has the right to file a grievance challenging the Board's decision not to renew his/her contract and to pursue that grievance to advisory arbitration. Challenges to other decisions of non-renewal shall follow the appeal procedure contained in the Teacher Appraisal Manual.

P400 PUPILS

A. STUDENT DISCIPLINE

1. General Agreement
The Federation and the Board mutually agree that every pupil has the right to learn and to develop to his/her maximum potential, and that the maintenance of an educational environment conducive to this growth and learning shall be the dual responsibility of the teacher and the administration.

2. Administrative Support of Teacher
In order to insure an educational environment that promotes learning, the classroom teacher shall have the full support of the Board in maintaining classroom discipline. Professional support services shall be provided to insure that every student's opportunity for an education is protected.

3. Teacher Rights
A teacher shall have the right to remove from class pupils exhibiting disruptive behavior. Disruptive behavior includes the use of violence, force, coercion, threat, harassment, insubordination, or repeated acts of misbehavior causing the disruption or obstruction to the educational process, including all curricular and extracurricular activities affecting teachers while acting in the course of their employment.
4. **Self-Defense**

A teacher may use such force as shall be reasonable and necessary to protect himself/herself from attack, to prevent school property from damage and/or destruction, and/or to prevent possible injury to another person.

5. **Procedure**

a. Any student removed from class or extracurricular activity by a teacher shall be sent to the building/unit administrator in charge with a written statement from the teacher stating reasons for removal. If the teacher desires the administrator to schedule a parent conference, that desire should also be stated in writing. If the administrator and the teacher agree that a parent conference is desirable, the conference shall be scheduled by the building/unit administrator as soon as possible.

b. If a teacher removes a student exhibiting disruptive behavior from class and requests in writing with reasons stated therefor that the student be "held" until the teacher can discuss the matter with the building/unit administrator, the student shall not be readmitted to that teacher's class until the discussion has taken place. This section shall not be abused.

c. The suspension, expulsion and removal from school of students shall be made in strict compliance with Ohio Revised Code 3313.661 and 3313.66 and Board policy 5144.

d. In accordance with Board policy 5113.2 (September, 1976) on mandatory expulsion, a building/unit administrator shall immediately notify the police and the superintendent.

6. **Chronically Disruptive Actions**

When a pupil's actions are chronically disruptive, the Board shall make some other placement of the pupil within the limits of the laws governing school attendance.
B. TEACHER ASSAULT BY STUDENT

1. Circumstances/Recommendation
A student assaulting a teacher who is performing a duty in the line of employment including extracurricular duties shall be immediately suspended and a recommendation for expulsion be made to the superintendent as provided in Board policy 5113.2 by the building/unit administrator.

A teacher suffering such assault shall submit written facts of the incident to the building/unit administrator and the Federation Building Representative.

2. Copies of Assault
The building/unit administrator shall submit a written report of the assault to the superintendent. The teacher shall be given a copy of the report upon request.

3. Board's Responsibility
The Board shall:

Obtain information from the building/unit administrator and investigating police officer concerning the case.

Function as liaison between the teacher and all factions operating in the case.

Provide the teacher with released-time for the legal court appearance stemming from his/her professional activities.

Insure that the teacher shall not lose compensation or accumulated leave.

4. Assistance in Assault Cases
a. A teacher who is required to appear in court for an action taken in the exercise of duty shall be assisted to the extent of legal limits by the Board. In civil matters, the City Solicitor will be asked to defend any teacher who does not possess insurance coverage. The teacher shall receive compensation for absence from duty for a court proceeding or administrative hearing when such absence arises from a justifiable line of duty action on the part of the teacher.
b. Principals shall report to the superintendent all cases of assault and/or battery suffered by teachers in connection with their employment.

c. The Board shall immediately notify the teacher of his/her right to file charges against the student and inform him/her of procedure to be followed.

C. PUPIL ADJUSTMENT

1. **Psychological Testing Referral**
   Where a referral for psychological testing is deemed appropriate by the teacher(s), the counselor (where applicable), and the principal, a request for parental approval shall be sought immediately. If parental approval is obtained, the principal shall forward the referral form to Psychological Services Branch immediately.

2. **Make-Up Work/Unexcused Absence**
   The opportunity to make up class work as a result of an unexcused absence is at the discretion of the teacher and the principal.

3. **Informing Teacher of Problem**
   A teacher who is assigned a pupil known to have a physical, social or emotional problem shall be informed by the administrator or counselor of the nature of the problem. The teacher shall also take reasonable steps to understand the nature of the problem and work with the student in a professional manner.

4. **Administrator Present in Building**
   For the protection of both pupils and teachers, there shall be an administrator or his/her designee present when the building is open. During an extended period of absence of more than five (5) days, his/her designee, if a teacher, shall be relieved of teaching responsibility.

5. **Student Absence**
   The teacher shall have the discretion to deny credit to a student who has failed to meet the course requirements because of excessive absence. In such cases, the teacher shall report a grade of "X".

6. **Grading and Promotion**
   Teachers are responsible for the assignment of grades and in Grades 1 through 8 for decisions to promote or retain students. Teachers shall explain fully to their pupils their expectations in the classroom,
provide pupils with a clear understanding of how marks are determined, and maintain documentation (grade books) for marks assigned. However, in various special circumstances when the principal disagrees with the assigned grade or the teacher's decision to promote or retain a student in Grades 1 through 8, the teacher's prerogatives may be waived according to the following procedures.

Every effort shall be made to resolve such disputes through a collaborative effort between the parties to the dispute. After discussing the grade or promotion/retention decision and not reaching resolution:

1) Principals may alter grades and/or change the teacher's promotion/retention decision if the grade was assigned or the promotion/retention made in violation of school or district policies. Such policies include grading procedures for advanced placement classes and deadlines for reporting failing grades or likely retention for the year. In such cases, the principal shall notify the teacher in writing of the change and the reasons therefor. However, the teacher may submit, within 10 days of such notification, a written request for review of the principal's decision by the Grade Appeal Committee.

2) In other cases --
   (a) the principal may change the grade or promotion/retention decision within 15 days of the close of the marking period, and shall notify the teacher in writing of the change and the reason therefor. However, the teacher may submit, within 10 days of such notification, a written request for review of the principal's decision by the Grade Appeal Committee.

   (b) the principal may submit, within 15 days of the close of the marking period, a written request for review of a term grade or a promotion/retention decision by the Grade Appeal Committee.

Two parallel Grade Committees shall be formed, one elementary and one secondary. Each shall consist of two classroom teachers not assigned to the same school as the teacher whose grade is being reviewed, two principals not assigned to the building in which the dispute arose, and the appropriate Director of Curriculum and Instruction (elementary or secondary) who shall serve as chair and convener. The teachers and
administrators shall be drawn from an annually developed panel by a process to be jointly agreed upon by the Board and the Federation. Committee members must be willing to meet after the school year ends to review failing grades for promotion/retention decisions which are appealed.

Within five (5) days of receipt of the request, the Committee shall review the teacher's grade book and written rationales for the original and amended grades submitted by the teacher and the principal. If the Committee finds sufficient cause to determine that the grade or promotion/retention was not warranted, it may alter the grade or promotion/retention decision in a written statement signed by a majority of the Committee. The Director of Curriculum and Instruction shall vote only to break a tie vote. The Committee's decision is final and binding.

This process shall be reviewed annually.

7. Pupils in Building
All pupils who are not under the direction of a staff member or Board designee shall be out of the building within fifteen (15) minutes of the close of school.

8. Student Transportation/Excess Liability Insurance
The Board shall continue to provide the excess liability insurance coverage for a teacher in his/her automobile whenever that teacher transports a student(s) in his/her automobile in the course of any school-related activity.

S100 STAFFING

1. Effective September 1, 1985, the Board will establish a system-wide teacher/pupil ratio of 48 teachers, including educational service personnel, per 1000 regular program pupils based on an average daily membership (1/2 kindergarten membership and membership in grades 1 through 12 in regular programs, all as defined in Section 3317.02, et seq. of the Ohio Revised Code) as of the first full school week in October of each school year. The Board will employ 20 additional teachers and allocate 10 teachers from the complement of teachers employed by application of the 48 per 1000 ratio to create a reserve pool of 30 teachers to reduce class size.
2. Effective September 1, 1985, the following class size limits shall be established:

Teachers in grades 4-12 who are assigned 1 to 2 students above the limit shall receive an overload payment of $100 per student per instructional hour per year at the conclusion of the school year:

c. The overload payment of $100 in grades 4-6, including art, music and physical education teachers, is calculated for each student beginning with 31 (academic) or 35 (non-academic). If the teacher has the student less than five and one-quarter hours per day, the $100 rate per student is pro-rated.

d. The $100 overload payment in grades 7-12 is established for each student, seen one period per day, all year long. Students seen fewer than five periods per week will be pro-rated as a fraction per week and/or the full year, whichever is applicable.

3. Enforcement procedures for class size limits shall be as follows:

The Board shall allocate teachers based on its estimate of the number of teachers required at each school to comply with the limits and to eliminate combination classes, except in the case of Montessori, IGE and non-graded alternative programs and where such classes are preferable to the local school for educational reasons. The Board shall notify principals of its projected enrollment and tentative teacher allocations prior to April 1.

The principal shall develop a tentative schedule for the ensuing school year, including the number of students to be assigned to each class in compliance with the above limitations on class size and class periods. If the principal believes that the teacher allocation is not sufficient to comply with the limits above, the principal may request an additional allocation of teachers.

A joint CFT/Board Committee shall be established and function between September 15 and October 6, to consider such requests, to review the Board's initial allocations to schools in light of revised enrollments, to review the enrollment, teacher allocation and schedule of classes and to approve variations from the limits. The Committee shall be comprised of no more than three teachers appointed by the Federation and no more than three representatives appointed by the Superintendent. If the Committee determines that the school cannot comply with the above limits while maintaining its present course offerings, the Committee may allocate additional teacher(s) from a reserve pool of 30 teachers as set forth in Paragraph 1.

If and when the reserve pool is exhausted: (1) the Board shall have no further obligation to employ additional teachers for the purpose of complying with all class size limits above; (2) the Committee shall be deemed to have approved variations from the class size limits above.

The Board shall not be obligated to provide more than $85,000 in overload payments annually.
The Board shall not be obligated to employ more than 37 additional teacher aides to comply with the overload requirements above in addition to the number of teacher aides presently employed in the 1984-85 school year.

A grievance may be filed on adherence to the process, on hiring at a ratio of 48/1000 and on establishing a reserve pool, but not on the educational soundness of a decision to allocate or not to allocate any teachers to any school. A grievance cannot be filed on an issue as to which the Committee was unable to reach a decision.

**Head Coach B** - For the coach who does not work with the varsity team of his area high school.

**A.** The following criteria are applicable where an employee is to receive additional compensation for activities authorized in this schedule: (a) the teacher must be assigned to extra duty and be under a supplemental contract for the position, and (b) the assignment must be performed either before or after the regular school day. This schedule does not restrict the use of an unassigned period(s) for an activity which requires time during the regular school day.

**B.** An amount shown for a particular position may be used, in whole or in part, to provide funds for additional employees in any position.
E. SCHEDULE OF EXTRACURRICULAR ACTIVITIES AND AMOUNT PER POSITION FOR WHICH EMPLOYEES MAY BE COMPENSATED (cont)

C. If a principal declares a vacancy in any position, the principal shall post the vacancy in the building for five (5) working days during which time a teacher may indicate his/her preference for such position. If a vacancy is not filled by a teacher in the building, the principal may declare a vacancy system-wide and, if so, shall distribute a notice of vacancy to each school and consider any applications received within ten (10) working days of the date of distribution. The principal shall consider all teachers who have indicated their preference before making the assignment. In making the selection, the principal's consideration shall include a teacher's training, experience, individual qualifications, seniority, and the number of other extracurricular activities to which a teacher is currently assigned. However, if a position must be filled before the above procedure can be completed, the principal may temporarily assign a teacher to fill the position on a temporary basis until the procedure has been completed. The principal shall announce the names of those teachers awarded supplemental contracts within five (5) days of selection. The above procedure shall not apply to the selection of teachers to fill the positions of Athletic Director, Head Varsity Football Coach, and Head Varsity Basketball Coach, where a separate selection procedure exists.

D. Poll Watchers and observers will be excused one-half (1/2) hour prior to the opening of the polls with the condition that such persons are required to make arrangements with other teachers to fulfill all obligations.

No one shall be permitted to vote other than at the prescribed time except as provided under absentee balloting provisions and except that any eligible voter standing in line at the designated closing time of the voter's polling place shall be permitted to vote.

3. **Eligible Unit**

All teachers employed in the bargaining unit, including classroom teachers, certificated night-school teachers who are also day-school classroom teachers on an annual rate, librarians, administrative interns, psychologist interns, visiting teachers, examiners, teacher specialists, coordinating teachers, nurses, counselors, psychologists, and L.D. tutors, but excluding pre-school instructors, daily-rate substitutes, and other daily and hourly-rate teachers, psychiatric social workers, lunchroom managers, administrative assistants, directors, associate directors, associates, supervisors, associate supervisors, assistant supervisors, librarian-professional library, assistant principals, principals, area directors, assistant superintendents, deputy superintendents and the superintendent.
4. **Election Agency**

The American Arbitration Association (AAA) shall be the agency to conduct this election in accordance with AAA rules except that these ground rules shall have precedence over AAA rules.

5. **Purpose of Election**

The purpose of this election is to determine which organization, if any, shall be recognized as the exclusive representative of the Cincinnati teachers for the purpose of collective bargaining for a minimum of five (5) years.

6. **Recognition Period**

The above-mentioned exclusive recognition shall preclude the filing of an election petition by any organization before October 1, or later than October 31, 1987.

7. **Eligibility Lists**

Members of the unit employed no later than November 8, 1987 shall be eligible to vote. A list containing the names of all such eligible voters shall be given to the CFT and the rival organization no later than November 17, 1987. The parties to the election shall meet on or before November 19, 1987 to determine any additions or deletions to the list, if any. This list shall be the official eligible voters list. This list, by building, containing school and location of the poll, shall be posted in every building no later than November 29, 1987. A copy of the building list shall also be given to the AAA.

8. **Observers - Poll Watchers**

There shall be no more than one (1) observer-poll watcher from each organization (members of the bargaining unit) at each polling place except that there shall be no more than two (2) observers-poll watchers at schools where 100 or more teachers will vote. There shall be no more than ten (10) official representatives of the rival organization, CFT, and the Board of Education at the location for counting ballots. The rival organization and the CFT will prepare and exchange lists of intended observers-poll watchers by November 29, 1987. A copy of these lists will be forwarded to the AAA.
9. **Determination of the Winner**

The winner shall be that organization which receives a majority of the valid, secret ballots cast.

10. **Run-Off Election**

In the event a run-off election is necessitated by a lack of a majority vote being cast for any choice, such run-off election shall take place between those two (2) choices receiving the highest number of valid ballots. This run-off election shall be held seven (7) days after the regular election date. Rules established for the original election shall prevail in the conduct of such run-off election.

11. **Election Challenge**

Objections to the conduct of the election, which may affect the result of the election, shall be brought to the attention of the election judge before the commencement of the tabulation of the ballots and shall be resolved by him immediately. If, in the discretion of the election judge, the protection of the secrecy and security of the balloting process and the fundamental sanctity of the election is in serious doubt, he may determine some other expeditious disposition of the objection.

If organizational challenge is lost, any additional AAA cost incurred as a result of an organizational challenge shall be borne by the organization raising the challenge. If the challenge is sustained, and a new balloting is directed, the cost of the hearing and the subsequent reballoting shall be paid equally by each of the parties.
13. **Voter Identification and Procedure for Voting**

Those wishing to vote must show identification, if requested, sign for a ballot, and be checked by the voting official to verify eligibility. Voters shall have privacy to cast a free and secret ballot and carrels shall be provided by the school or the AAA.

14. **Custody of Ballots and Ballot Boxes**

The sealed ballot boxes from each building shall be taken to the central election headquarters by the AAA representative, who may be accompanied by one representative each from the rival organization and the CFT.

Counting of ballots shall be done as provided for by the American Arbitration Association rules. Only the over-all results including the vote count totals will be announced and that release will be made by the election judges.

15. **Challenged Ballots**

Voters who are challenged shall nevertheless be permitted to vote, in the manner determined by the AAA. Where a voter takes issue with the challenge, the Federation and the rival organization agree to submit the matter to the election judge in accordance with the Rules and Regulations of the AAA for immediate resolution prior to the commencement of tabulation.

16. **Electioneering on Election Day**

There shall be no electioneering in the schools as of the close of school on the day before the election.

Campaign buttons and other similar objects may not be worn by observers-poll watchers.

No representative of the news media shall be permitted within fifty (50) feet of the polls.

No unauthorized personnel shall be permitted within polling areas. Authorized personnel shall be voters, those waiting to vote, AAA personnel, and designated observers-poll watchers.

Voters shall be allowed to wear normal organizational jewelry.
17. **Location of Voting Area Within School**

Space shall be provided in either the lunchroom or the library.

18. **Absentee Balloting**

Absentee ballots shall be provided to all teachers on official leave as designated on the Board of Education's list. A list of all those on such leave shall be provided by the administration to all parties no later than November 13. AAA shall mail absentee ballots with instructions for the opportunity of voting and usual envelopes and instructions for the return of the ballot.

All absentee ballots must be received by AAA at the close of the AAA's business day on the day immediately preceding the election to be considered valid. The AAA shall mail absentee ballots to teachers upon written request who are not on the Board's list and who are unable to vote in person on December 2, 1987 because of illness, injury, or out of the city on business. United States mail delays shall not be grounds for objections.

Teachers who are granted leave after November 23, 1987 and who will be out of the city on Election Day, may vote at the Education Center the day before the election, between the hours of 3:30 p.m. and 5:00 p.m.

19. **Ground Rules Posting**

The administration shall prepare and distribute to all teachers a copy of the election ground rules no later than November 24, 1987.

20. **Costs of the Election**

The costs for the services of the AAA shall be shared equally by each of the three (3) parties to the election. (See exception - Election Challenge.)
21. **Information Center - Count Location**

The auditorium and other areas needed on the twelfth (12th) floor of the Education Center will be used. Sufficient facilities will be provided for communication at the Education Center.

The Election Judge shall be responsible for the security and conduct of an orderly count.

22. **Campaigning in the Schools**

Classes shall not be interrupted and a teacher shall not be out of his classroom for campaign purposes while students are present in the classroom during the regular school day.

Campaign activities may occur at the following times and occasions: prior to the start of school, during the lunch periods except in the teachers' lunchroom, after student dismissal, and, in addition, at all times during the school day in the lounges (or in substitute areas in schools which have no teachers' lounges) with teachers while they are on unassigned periods. Individuals who are not members of the bargaining unit shall not be permitted to visit schools during the "open period" for petitioning or during the election campaign.

23. **Use of Students**

Students shall not be used in any way to assist in the election. Discussion of the election issues before the certification of the results will be excluded from the classroom when students are present.

24. **Neutrality of Administration**

The administration shall be instructed by the Superintendent that it shall maintain a position of neutrality during the course of the campaign.
25. **Communications**

All necessary communications among parties shall be addressed and forwarded as follows:

Cincinnati Federation of Teachers  
Rm. 306, 1216 E. McMillan St.  
Cincinnati, Ohio 45206

Cincinnati Board of Education  
230 East Ninth Street  
Cincinnati, Ohio 45202  
Attn: Director of Employee Relations

26. **Amendment**

The parties agree that the above agreements represent the entire agreement between the parties. Any proposed additions, deletions, or modifications to these ground rules must be agreed to by the Board and the Federation.

27. **Polling Places**

A polling place shall be located in each school building with a bargaining unit membership of 10 or more teachers. Eligible voters assigned to school building or special units with less than 10 bargaining unit members shall vote at the nearest polling place as determined by the Board.

The Board shall post in every school by November 8, 1987, a list of all polling places, the schools or special units assigned to vote at the polling place and the number of eligible voters in each school or building. The Board shall provide copies to the Federation and the challenging organization.
APPENDIX C

PLAN FOR REIMBURSEMENT BANK

1. This Plan will be effective February 21, 1985, for those regular full-time employees and regular employees working one-half time or more (the "eligible employees") who are employed by the Cincinnati Board of Education (the "Board") and represented by the Cincinnati Federation of Teachers (the "Union").

2. (a) Under this Plan, the Board will establish for each eligible employee a bookkeeping account (called herein a "reimbursement bank") on the records of the Board.

(b) As of February 21, 1985 the Board will credit $100 to the eligible employee's reimbursement bank if he or she is employed as an eligible employee by the Board on such date.

(c) Subject to paragraph (e) below, as of January 1, 1986 the Board will (1) credit $100 to the eligible employee's reimbursement bank if he or she both is employed as an eligible employee by the Board on such date and is only eligible for single coverage under the Board's regular medical expense plan, and (2) credit $150 to the eligible employee's reimbursement bank if he or she both is employed as an eligible employee by the Board on such date and is eligible for family coverage under the Board's regular medical expense plan.

(d) Subject to paragraph (e) below, as of January 1, 1987 the Board will (1) credit $200 to the eligible employee's reimbursement bank if he or she both is employed as an eligible employee by the Board on such date and is only eligible for single coverage under the Board's regular medical expense plan, and (2) credit $250 to the eligible employee's reimbursement bank if he or she both is employed as an eligible employee by the Board on such date and is eligible for family coverage under the Board's regular medical expense plan.

(e) If an eligible employee would otherwise have his or her reimbursement bank credited in accordance with clause (2) or paragraph (c) or (d) above, but the eligible employee's spouse is also employed as an eligible employee by the Board and would otherwise also have her or his reimbursement bank credited under the same clause, then the following rules set forth in this paragraph (e) apply. If such eligible employee and spouse have no dependent children (as defined in accordance with the provisions of the Board's regular medical expense plan) as of the date the credit is to be made, then both of the eligible employee and spouse will have their reimbursement banks credited under clause (1) (instead of clause (2)) under paragraph (c) or (d) above, as applicable. If such eligible employee and spouse have dependent children on such date, then one of the eligible employee and spouse will have his or her reimbursement bank credited under clause (1) (instead
of clause (2) of paragraph (c) or (d), as applicable, while the other will have his or her reimbursement bank credited under clause (2) of the same paragraph.

3. (a) Amounts credited to the eligible employee's reimbursement bank will be used only to pay or reimburse the eligible employee for Covered Charges of the eligible employee incurred while his reimbursement bank is maintained pursuant to this Plan.

(b) Upon written application and proper documentation provided by an eligible employee to the Treasurer of the Board, the Board will pay or reimburse the eligible employee for Covered Charges incurred by the eligible employee while his or her reimbursement bank is maintained under this Plan, to the extent any balance then exists in the eligible employee's reimbursement bank. The eligible employee's reimbursement bank will be reduced by reason of any such payments or reimbursements made therefrom.

(c) An eligible employee's reimbursement bank will be maintained (and the eligible employee will be covered) under this Plan until all amounts credited thereto have been exhausted pursuant to paragraph (b) above; except that if the eligible employee terminates employment with the Board for any reason other than retirement, his reimbursement bank will, even if a balance still remains, terminate no later than one year following such termination. For purposes hereof, "retirement" means a termination of employment with the Board under which the applicable eligible employee is entitled to a retirement benefit commencing immediately upon the retirement under a retirement plan contributed to by the Board. In no event, however, will any additional amounts be credited to an eligible employee's reimbursement bank after the eligible employee's employment with the Board terminates for any reason (including retirement).

(d) For purposes hereof, a Covered Charge based on a service or supply will be deemed incurred as of the date such service or supply is provided or furnished.

4. For purposes of this Plan, "Covered Charges" include all expenses for medical care (as defined in §213 of the Internal Revenue Code of 1954, as amended) not covered by another medical plan or insurance policy, and generally includes charges for: (1) doctors, dentists, eye doctors, chiropractors, osteopaths, podiatrists, psychiatrists, and physical therapists; (2) medical examinations (including routine physical exams), x-ray and laboratory services, and insulin treatment; (3) medical aids such as hearing aids (and batteries therefor), eyeglasses, contact lenses, braces, orthopedic shoes, crutches, wheelchairs, guide dogs, and the cost of maintaining the same; (4) medicine, drugs, birth control pills, vaccines, and vitamins prescribed in all such cases by a doctor; (5) medically necessary nursing help; (6) ambulance service and other travel costs to obtain medical care; and (7) deductibles and co-pay amounts under the Board's other medical plans.
5. The guidelines for the Plan have been established by the Treasurer of the Board after consultation with the Union. This Plan shall be administered by the Treasurer. Any changes to this Plan will be discussed with the Union before such changes are implemented. This Plan is not arbitrable.

6. Until actually paid, all benefit amounts provided by this Plan will constitute general assets of the Board and will not be held in trust (or in any way segregated from such general assets of the Board).

7. This Plan will, for all reporting purposes, be considered as a part of the total medical expense plan maintained by the Board for eligible employees.

8. Notwithstanding any other provision herein to the contrary, this Plan will be subject to the collective bargaining agreement between the Board and the Union.
