PREAMBLE
The Board of Education of Montgomery County and the Montgomery County Education Association recognize that the development of a quality educational program for the children of Montgomery County, Maryland, is a joint responsibility which can be best achieved by agreement that both parties work toward common goals. The Board and the Association enter into this Agreement with mutual dedication, recognizing that the experience, creativity, and judgment of both parties are necessary to reach the educational needs of the community.

To this end we wish to dedicate this Agreement and we mutually pledge to follow it with patience, understanding, and good will.

DEFINITIONS
The following list of terms will be used frequently in the Agreement, and when they are used will refer to the definitions described below unless otherwise stipulated.

1. **Board** — The Montgomery County Board of Education.

2. **Association** — The Montgomery County Education Association.

3. **Unit** — The body of certificated permanent and conditional professional personnel employed by the Board, excluding members of the negotiators' group, substitutes, and temporary employees.

4. **Unit Member** — Any employee of the Board of Education who is a member of the unit.

5. **Superintendent** — The Superintendent of the Montgomery County Public Schools or his designee.

7. All positions within the bargaining unit shall be either permanent or conditional.

   a) **Permanent Position** — A permanent position is one which has been established by the Board with the anticipation that it will be necessary to maintain the existence of such position indefinitely on a continuous year-round or school year basis.

   b) **Conditional Position** — A conditional position is one established by the Board for the period of time that monies are available in whole or in part from the United States Government, a private organization, a foundation, a revenue-producing source, or an individual for use in special research or other long-term projects. This position shall be automatically abolished when no longer needed or when funds are no longer made available.

8. **Temporary Position** — A temporary position is one not continuous in nature and established for a period normally not to exceed six (6) months.
SCHOOL BOARD AUTHORITY

The Association recognizes that subject to the provisions of this Agreement, the Board of Education and the Superintendent of Schools reserve and retain full rights, authority, and discretion in the proper discharge of their duties and responsibility to control, supervise, and manage the Montgomery County Public Schools under applicable law, rules and procedures.

ARTICLE 1
RECOGNITION

The Board recognizes the Association for purposes of negotiation as the exclusive negotiating agent for all certificated professional employees of the Montgomery County school system with regard to all matters relating to salary, wages, hours, and other working conditions. The Superintendent and those persons designated by the Board to act as its representative in negotiations pursuant to the negotiations law, and substitutes and temporary employees, are excluded.

Unless otherwise indicated, the employees in the above unit will be hereinafter referred to as the "unit members."

The Association recognizes the Board as the legally constituted body required by the State of Maryland providing that the Board of Education of Montgomery County shall perform the functions of county boards of education as provided by state law and shall have power to adopt bylaws for regulation and administration of schools within the county not inconsistent with state law and not in violation of the current negotiated Agreement.

The Association recognizes its responsibility to represent fully and equally without discrimination all the members of the unit in all the relations necessary in the administration of this Agreement.

ARTICLE 2
NEGOTIATION PROCEDURE

A. During the month of September of each year that the Association is recognized, the parties will meet to establish negotiation procedures.

B. During the month of October, the parties will present all proposals relative to salaries, wages, hours, and other working conditions.

C. An impasse shall be deemed to exist if the parties have not concluded a ratified agreement by December 20.

D. Should either party suggest an impasse, the procedures as provided for in Section 160, Article 77, of the Annotated Code of Maryland relating to impasse shall be followed.

E. In the event that the parties are unable to agree upon a third party, as required, the parties agree to submit their impasse to the American Arbitration Association for assistance in the selection of a third party.
F. Either team may bring in consultants or observers. However, no more than a total of eight team members, consultants, and/or observers may be present at one time for either team.

G. This Agreement incorporates the entire understanding of the parties on all matters which were or could have been the subject of negotiation. During the term of this Agreement, neither party will be required to negotiate with respect to any matters whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or executed this Agreement.

H. This Agreement may be modified in whole or in part by an instrument in writing duly executed by both parties.

I. If a panel is activated, said panel shall meet together and individually with the parties, and within thirty (30) days render a report setting forth its recommendations for the resolution of the impasse. The parties agree to cooperate with the panel and provide such information and assistance as it may request.

J. The parties shall have five (5) days to react to the panel's recommendations. If the impasse is not then resolved, either party may make the panel's findings and recommendations public. The panel's findings and recommendations shall be advisory only and not binding on either party.

K. The costs for the services of the third party, including per diem expenses, if any, and actual and necessary travel and subsistence expenses shall be borne equally by the Board and the Association.

L. The parties agree to consult in advance about the general and specific content of all press and public communications dealing with the directions and accomplishments of the teams that might be released from time to time by the parties either jointly or independently. Every effort will be made to provide full information to the public with the exception that in order to maintain the integrity of the negotiations process, the specific content of any given proposal or counterproposal will not be divulged.

M. It is agreed and understood by the parties hereto that this Agreement represents the full Agreement between said parties to date on all matters negotiated in accordance with Section 160 of Article 77 of the Maryland Code. Said Agreement, if changed by action of the county fiscal authority, shall be submitted to the parties following the funding of the school operating budget by said authority. If renegotiation of said Agreement is required and final ratification is agreed upon by both parties, said final ratification will constitute final execution of this Agreement. It is further understood that when ratified, this Agreement shall be given full force and effect by said parties for the entire term thereof.

N. If the Montgomery County Council, in the exercise of its fiscal authority under the law, reduces the budget recommendations of the Board of Education, and such action makes it necessary for the Board to reduce
one or more items that have been negotiated, such items and all other negotiated items that are dependent upon budget funding shall be subject to renegotiation. In such event that renegotiation is mandated, the parties agree to meet as soon as possible after the Council action, but no later than May 25, and they agree to complete such renegotiation within ten (10) days. If the parties are unable to reach agreement within ten (10) days, the impasse procedures provided by law shall be employed with mutually agreeable reductions in the time limits of said procedures.

O. The Board agrees that the negotiation procedure set forth in this article will be applicable to plans funded under federal and/or state programs prior to implementation of such plans if the plans change previously negotiated salary structures.

ARTICLE 3
GRIEVANCE PROCEDURE

A. Definitions
1. A "grievance" is hereby defined to mean a dispute concerning the meaning, interpretation, or application of any of the provisions of this Agreement except where this Agreement states otherwise.
2. A "grievant" is the person or persons making the claim.
3. A "party in interest" is the person or persons making the claim and any person who might be required to take action, or the person or persons against whom action might be taken in order to resolve the claim.

B. Purpose
1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may occur in the administration of the Agreement. Both parties agree that these proceedings will be kept informal and confidential at all levels of the procedure.
2. Nothing herein contained shall be construed as limiting the right of any unit member having a grievance to discuss the matter with any appropriate member of the administration. Such grievance may be adjusted without intervention of the Association, providing that the adjustment is not inconsistent with the terms of this Agreement.

C. Procedure
Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement between the Superintendent and the Association. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left
unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limits set forth herein will be reduced by mutual agreement between the Superintendent and the Association so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as practicable. No grievance shall be initiated more than fifteen (15) duty days after the cause therefor has occurred or been discovered.

D. Informal Process

A unit member with a grievance will first discuss it with his/her principal or immediate supervisor. The unit member may discuss the grievance with the Association's designated building representative being present. The objective of this first meeting will be the informal resolution of the matter.

E. Formal Process

1. Level One

   If the grievance cannot be resolved informally at the first meeting, the grievant will be required to present to the principal or other appropriate official his/her grievance in writing on the proper form within five (5) school days after the initial presentation. If the grievance is not presented within the above-stated time limit, the grievance shall be deemed to be waived and shall not be subject to further discussion or appeal. The principal shall have five (5) school days to respond.

2. Level Two

   If the aggrieved person is not satisfied with the written disposition of his/her grievance at Level One, or if no decision has been rendered within five (5) school days after presentation of his/her grievance, he/she may file the grievance in writing with the chairperson of the Association's Commission on Professional Rights and Responsibilities (hereinafter referred to at the "PR&R Commission") within ten (10) school days after the grievance was presented. Within five (5) school days after receiving the written grievance, the PR&R Commission will review the merits of the grievance and counsel the grievant, referring the grievance to the area assistant superintendent or other appropriate director if the PR&R Commission determines that the grievance is meritorious. If the grievance is not referred to the area assistant superintendent or other appropriate director within the above-stated time limit, the grievance shall be deemed to be waived and shall not be subject to further discussion or appeal. The appropriate director or other official shall have five (5) school days to respond.

3. Level Three

   If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two, or if no decision has been rendered within five (5) school days after the grievance was referred to the area assistant superintendent or other appropriate director, he/she may again file the written grievance with the chairperson of the PR&R
Commission within five (5) school days after a decision by the aforesaid director or ten (10) school days after the grievance was referred to the aforesaid director. Within five (5) school days after receiving the written grievance, the PR&R Commission will review the merits of the grievance and counsel the grievant, referring the grievance to the Superintendent if the PR&R Commission determines that the grievance is meritorious. If the grievance is not referred to the Superintendent within the above-stated time limit, the grievance shall be deemed to be waived and shall not be subject to further discussion or appeal. Within five (5) school days after receiving the written grievance from the chairperson of the PR&R Commission, the Superintendent will meet with the aggrieved person for the purpose of resolving the grievance.

4. Level Four

a) If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Three, or if no decision has been rendered within five (5) school days after he/she has first met with the Superintendent, he/she may within five (5) school days after a decision by the Superintendent, or ten (10) school days after he/she has presented it to the Superintendent, request in writing that the chairperson of the PR&R Commission submit his/her grievance to arbitration. If the grievance is not submitted to arbitration within the above-stated time limit, the grievance shall be deemed to be waived and shall not be subject to further discussion or appeal. If any question arises as to whether a grievance involves the interpretation, meaning, or application of any of the provisions of this Agreement, such question will be ruled upon by the arbitrator before hearing the case.

b) Within ten (10) school days after such written notice of submission to arbitration, the superintendent and the PR&R Commission will attempt to agree upon a mutually acceptable arbitrator and obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties will then be bound by the rules and procedures of the American Arbitration Association.

c) The arbitrator so selected will confer with the representatives of the Superintendent and the PR&R Commission and hold hearings promptly and will issue his/her decision not later than ten (10) days from the date of the close of hearings, or, if oral hearings have been waived, from the date the final statements and proofs are submitted to him/her. The arbitrator's recommendation will be in writing and will set forth his/her findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator will be without authority to make any recommendation beyond the terms of this Agreement. The recommendation of the arbitrator shall be binding upon both parties.
d) The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel and subsistence expenses, and the cost of any hearing room, will be borne equally by the Board and the Association. All other expenses will be paid by the party incurring them.

F. Rights of Unit Members to Representation

1. No reprisals of any kind shall be taken by any party to this Agreement against any party in interest or any grievant.

2. Any party in interest may be represented at all stages of the grievance procedure by himself/herself, or, at his/her option, may bring with him/her any other individual of his/her choice.

G. Miscellaneous

1. All documents, communications, and records dealing with the processing of a grievance will be filed in a separate grievance file and will not be kept in the personnel file of any of the participants.

2. All decisions rendered at all levels of the grievance procedure will be in writing, setting forth the decision and the reasons therefor and will be transmitted promptly to all parties in interest and to the chairperson of the PR&R Commission.

3. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents will be prepared by the Superintendent after consultation with the Association, and will be given appropriate distribution so as to facilitate operation of the grievance procedure.

4. The party in interest shall be permitted to present evidence and witnesses and to cross-examine all witnesses whenever a hearing is held. When a unit member is not represented by the Association, the Association will have the right to be present and to state its views at all stages of the grievance procedure.

5. The administrative procedure currently in use to process and resolve unit member complaints pertaining to matters not covered by this Agreement shall be continued.

6. The Association may submit any intended class action grievance to the Superintendent or designee and the Superintendent shall rule within five (5) duty days if any other administrator has the authority to resolve the grievance. If no other administrator has the authority to resolve the grievance, the Superintendent or designee shall within ten (10) duty days from the initial submission of the grievance respond or the Association shall be free to seek arbitration of the grievance.
ARTICLE 4
MCEA-ADMINISTRATION LIAISON COMMITTEE

A. The Association shall name a Liaison Committee in each building or any other unit responsible to a principal or appropriate supervisor. The principal or appropriate supervisor will meet with the Liaison Committee at least monthly to discuss matters of mutual interest and concern.

B. The Board of Education and the Superintendent agree to meet with the Association Board of Directors at mutually agreed upon times to discuss matters of mutual interest and concern.

C. The Association Board of Directors will meet with the Superintendent at least once a month during the term of this Agreement to review and discuss matters of mutual concern and the administration of this Agreement.

EXTRACURRICULAR ACTIVITIES PROGRAM

A. General

1. It is the intention of the Montgomery County Public Schools to provide instruction and supervision by fully qualified sponsors in a variety of extracurricular activities for students, subject to available funds. This program shall be voluntary except for unit members covered in Section E of this article. It is also the intention of MCPS to utilize unit members as sponsors of activities and sports; however, if unit members are not available, nonunit members may be utilized to sponsor an activity or coach a sport. The supplementary pay schedule identifies certain stipend-compensated activities. This does not mean that because an activity is listed for a stipend payment that all schools will participate or take steps to participate in all activities. The following conditions must be met before any activity is implemented: (1) the need for it has been established in advance by the principal and the staff; (2) the activity is assigned in addition to the regular teaching responsibility; and (3) it is an activity recommended by the principal and approved by the area assistant superintendent.

2. The principal shall be responsible for the conduct of the entire extracurricular program within his/her school. Whenever any of the activities being conducted do not continue to meet the requirements of the school as determined by the principal, such activities shall be discontinued in that school.

3. The principal in each school shall be responsible for the development of the organizational structure required to carry out the approved activities.

4. The principal is responsible for making the selection of unit members to any of the approved compensated activities subject to the approval of the area assistant superintendent.

5. If a unit member's services in the compensated activity have been satisfactory to the principal, the unit member shall be given first preference for appointment by the principal to the compensated activity if that unit member makes known to the principal a desire to continue.
6. The principal is responsible for posting a notice of sponsor vacancies for each of the activities to be conducted in the school. Posting vacancies outside of the local school may take place but is not required. This notice shall fully explain the requirements for the appointment to the position, the general duties of the position, and the stipend to be paid. The principal need not post a vacancy notice if he/she has selected the satisfactorily evaluated incumbent.

7. Principals will attempt to notify all school-based unit members in writing of their stipend assignments before they return to school in August.

8. In the event that changes in such assignments are necessary after the beginning of the school year, affected unit members will be notified promptly in writing.

9. Any teacher accepting the sponsorship of a stipend activity must be assigned a full teacher load. The only exception shall be in the case of the athletic director in a senior high school which is organized on a six-period schedule day.

10. Principals will annually evaluate the performance of all sponsors in the approved extracurricular activity program. Sponsors of stipend-compensated activities will notify the principal in writing that the activity has been completed within five (5) working days after the completion of the activity. The principal will evaluate the performance of all sponsors in the approved extracurricular activity program within thirty (30) working days following the receipt of the written notification that the activity has been completed. There shall be no tenure associated with any compensated activities.

11. The principal shall make every effort to select a different unit member for each stipend activity.

12. Unit members currently sponsoring more than one activity, or coaching more than one sport, should be given first preference to continue performing the one activity or sport of his/her choice if the principal determines that the service has been satisfactory. The principal shall make every effort to select a different unit member for each activity. A unit member, however, may be eligible for assignment to more than one stipend-compensated activity provided the activities do not conflict with the normal responsibilities of another stipend-compensated activity or the normal teaching duties and provided that the principal has posted the notice of the vacancy and no qualified unit member has volunteered for the activity.

13. Stipend activities may be divided by more than one unit member if, after consultation with the principal, the unit members involved are in agreement.

14. A unit member who does not fulfill the requirements for which a stipend is to be paid must forfeit that portion of the stipend which has not been earned. The determination will be made by the principal and the amount to be forfeited will be based upon the established hourly rate for the stipend program.
B. **Classification I ($4.50 per hour)** — Since many of the elementary and secondary schools of Montgomery County have varying emphases in their programs, limited funds are budgeted for a variety of activities involving working with students which are not included in the other classifications for which a set stipend has been assigned. Activities the school will conduct in this classification must be defined in a job description which will include the time frame anticipated for the activity. The principal in approving the activity and selecting the sponsor will authorize the hours to be paid, which must be in excess of 24 hours but not to exceed 100 hours for each activity. Plans for activities in this class shall be forwarded for approval to the area assistant superintendent along with the plans for activities in all other classes.

C. **Classification I-A, Intramural (Co-Ed) Senior High School ($563-900)** — Since many of the senior high schools have varying emphases in their intramural programs, a variable stipend is offered under Classification I-A as follows:

<table>
<thead>
<tr>
<th>Hours</th>
<th>Stipend</th>
</tr>
</thead>
<tbody>
<tr>
<td>100 hours to 125 hours</td>
<td>$563 stipend</td>
</tr>
<tr>
<td>126 hours to 150 hours</td>
<td>$675 stipend</td>
</tr>
<tr>
<td>151 hours to 175 hours</td>
<td>$788 stipend</td>
</tr>
<tr>
<td>176 hours to 200 hours</td>
<td>$900 stipend</td>
</tr>
</tbody>
</table>

Before a principal approves the stipend in Classification I-A, the sponsor must submit a planned program, including the time frame expected for the activity. Classification I-A stipend must also be approved by the area assistant superintendent.

D. **Classification I-B, Band/Orchestra Senior High ($675-1,350)** — Since many of the senior high schools have varying emphases in their band/orchestra programs, a variable stipend is offered under Classification I-B as follows:

| Band/Orchestra I — 150 hours to 199 hours | $675     |
| Band/Orchestra II — 200 hours to 299 hours | $900     |
| Band/Orchestra III — 300 hours or more | $1,350   |

Before a principal approves the stipend in Classification I-B, the sponsor must submit a planned program, including the time frame expected for the activity. Classification I-B stipend must also be approved by the area assistant superintendent.

E. **Classification II ($28.13)** — Teachers participating in the outdoor education programs at one of the outdoor education facilities utilized by Montgomery County Public Schools shall be compensated by a stipend on a per diem basis. The stipend should be made available to classroom teachers accompanying the classes and other professional staff members of the Montgomery County Public Schools on schedules A-D who are utilized as educational specialists. The amount of the stipend shall be $28.13 for each overnight stay at one of the outdoor education facilities.

F. **Ineligible Personnel**

Resource teachers, resource counselors, and personnel on salary lanes F-K are not eligible for payment of a stipend.
G. **Athletic Directors**

Athletic directors shall be paid the full stipend and shall not be permitted to accept a multiple stipend activity or engage in any coaching assignments voluntarily or for compensation.

H. **Football Coaches**

Football coaches will be expected to participate in the preseason workshop and practice. Per diem salary will be paid to football coaches who work the scheduled days prior to the first day worked for regularly scheduled 10-month teachers.

I. **Newspaper Sponsor — Senior High School**

The sponsor will teach five classes including a class in Journalism II. If the school schedules the staff of the school newspaper to be assigned to the newspaper on a regular basis for a course in Journalism II in which the skills of Journalism I are extended in a planned instructional program, and the production of the school newspaper is not the primary activity or objective, this practice will be permitted, and the newspaper sponsor will receive the stipend.

J. **Payment to Unit Members Selected for Stipend-Compensated Activities**

1. Payment of stipend activities will be made by the Division of Payroll after receipt of the certified pay vouchers as follows:
   a) Activities taking place in the fall — December
   b) Activities taking place in winter — March
   c) Activities taking place in spring — after June 30
   d) Year-round activities — to be divided into three equal parts and payments made in December, March, and after June 30.

2. A unit member accepting a stipend-compensated activity must complete his/her responsibilities before payment will be authorized. Termination of the assignment before the activity is completed will automatically forfeit the unpaid portion of the stipend. Principals are responsible for prompt notification to the Division of Salary Administration and Records of any unit member terminating his stipend activity.

3. Compensation received for a stipend shall not be subject to withholding for retirement or insurance, and shall not be considered as salary for the purpose of computing annuities pursuant to the Maryland Teachers’ Retirement Act and the Montgomery County Board of Education Life Insurance Program. Federal and state withholding taxes and social security deductions will be withheld.

K. The parties agree for the term of this agreement that the hourly rate for the stipend program will be $4.50 per hour.

ARTICLE 6
WORKING HOURS AND WORK LOAD

A. 1. While professional personnel will often work more than eight hours per day, the professional salary schedule is based on an eight-hour workday.

2. All A&S personnel and all professional personnel on the A-D salary schedule in the central office or area offices will be assigned appropriate starting and dismissal times so that their normal workday will be eight hours in addition to their lunch period. All resource teachers/counselors will be assigned appropriate starting and dismissal times so that their normal workday will be eight hours in addition to their lunch period.

3. All professional personnel on the professional salary schedule A-D will be assigned appropriate starting and dismissal times so that the normal workday at their school will be seven hours in addition to their duty-free lunch period. Summer assignments for full-time professional development activities will be eight hours in addition to the lunch period.

4. Summer school assignments for professional personnel on the professional salary schedule A-D working with children will be seven hours in addition to their duty-free lunch period. Summer assignments for full-time professional development activities will be eight hours in addition to the lunch period.

5. When it is in the best interest of the education of children, all professional personnel shall make every effort to devote the additional time necessary to meet these needs, even though it may require them to work more than the indicated number of hours.

6. School-based unit members will indicate their presence by placing a check mark in the appropriate column of the faculty "sign in" roster. Appropriate starting and dismissal times will be assigned.

7. In regard to delayed opening and/or early dismissal authorized by the Superintendent, the workday of school-based unit members on salary schedule A-D will begin twenty (20) minutes before the scheduled student starting time on said day, and will end as soon as all students under the unit member's direct supervision are clear of the school. The principal may require unit members to be on duty in excess of these times if they are needed to care for the children.

B. Unit members who presently are employed for ten months may work beyond the regular school year if needed by the school system. Any unit member who works beyond the regular teacher work year will be compensated at his/her regular daily rate of pay for all additional time worked. Stipends, in lieu of salaries, may be provided for certain approved summer workshops for ten-month unit members. Participation shall be voluntary.
C. 1. School-based unit members may be required to remain after the end of the unit members' day without additional compensation for no more than one and one-quarter hours no more than three times per month to attend faculty or other meetings which may commence fifteen minutes after the students' day. When needed for the educational program, it may be necessary to meet more frequently than the one and one-quarter hours, three times per month (e.g., Middle States Association evaluations, special programs, etc.) as determined by the principal after consultation with the faculty.

2. Attendance at all other assignments or meetings shall be voluntary except Back-to-School night and any other two duty day or Saturday meetings or programs. Assignments to Sunday and holiday meetings or programs shall be voluntary.

D. Principals will grant three hours planning time per normal week during the elementary teacher's workday, one of which shall be uninterrupted.

E. In consultation with the specialist and the classroom teacher, the principal may release teachers for other professional activities when specialists in art, music, and physical education are instructing their students so long as the principal is sure the teacher will follow up on the program.

F. 1. a) Where the school is organized on a six (6) period schedule, each classroom teacher will be assigned no more than five (5) regular classes and one (1) period for preparation. Classroom teachers of vocational subjects may be assigned to teach six (6) regular classes when organized on a multiple class schedule, but will not be assigned a homeroom or other duties, unless the classroom teacher requests additional activities.

b) Where the school is organized on a seven (7) period schedule, each classroom teacher will be assigned no more than five (5) regular classes. Classroom teachers of vocational subjects may be assigned to teach the equivalent of six (6) classes when organized on a multiple class schedule. All other classroom teachers may be assigned one period involving instructionally related activities, other than regularly scheduled classes, with students in clubs, activities, seminars, and study skill groups, and one (1) period for preparation.

c) Schools organized on a modular schedule or other types of flexible scheduling will assign teachers on a basis comparable to the six (6) or seven (7) period day.

d) Teachers may volunteer to teach more than the above.

2. Secondary resource teachers will have a reduced teaching schedule when possible and will be excused from regular study hall duties and homeroom assignments. Secondary resource teachers' non-teaching periods shall not be a part of the teacher allocation.

3. Since every classroom teacher will plan differently for each group of students, principals will strive to assign secondary school teachers in their major fields of certification and to require no more than three
separate preparations. A preparation is a process of making ready for the teaching task requiring time on a daily basis prior to meeting assigned classes, as for example, the formulation of teaching plans and the development of instructional materials.

G. The number of student instructional days shall not exceed 185 days.

H. The work year for all ten-month unit members (A-D) shall not exceed 191 duty days.

I. The number of days at work for a twelve-month unit member shall be determined by subtracting Saturdays, Sundays, holidays, and annual leave days from the total days in the year.

J. The unit member assigned classroom responsibilities shall have at least one day scheduled prior to arrival of students each fall during which time the unit member will be allowed to prepare his/her room and materials. No other meetings or duties shall be required of the unit member during the one-day period.

K. At least twice a year, one-half day shall be utilized for in-service programs to be planned as areawide workshops.

ARTICLE 7
CLASS SIZE

A. 1. In an effort to relieve excessively large classes, the Board will make a conscientious effort to guarantee that no self-contained elementary class will exceed 35. If any class does exceed this number, every effort will be made to provide an aide for that teacher. This article shall not be subject to the grievance procedure. All concerns with reference to class size shall be channeled through the administrative complaint procedure.

2. The Board will continue to work to implement the staffing guidelines established by State Board of Education Bylaw 13.03.01.03. “The classroom teacher is the key member of the professional staff, and the degree of teacher time which is available to students for instructional purposes is a major index of educational quality. In recognition of the fact that the appropriateness of a specific ratio of pupils to each classroom teacher may vary in relation to such factors as subject requirements, pupil characteristics, and school size, no prescriptive and detailed ratio is set forth herein. In staffing schools with classroom teachers, however, school administrators should regard ratios ranging from one classroom teacher for each 28 pupils to one for each 25 pupils as the arrangement which will be approximated following assignment of all professional personnel in the local school system. Each elementary school should be staffed with or have available resource personnel in order to provide a comprehensive program of instruction in all areas of the curriculum.”
3. In making staffing pattern decisions, the area assistant superintendent and the principal shall give careful consideration to the views of the faculty.

B. Staff allocations shall not include special staff allocations that are provided as the result of federally or locally funded programs for disadvantaged students.

C. Staff allocations for elementary and secondary counselors, elementary and secondary librarians, teacher specialists, reading teachers, and speech teachers will be made as additions to the regular classroom teacher allocations.

ARTICLE 8
EDUCATIONAL SPECIALISTS

A. The Board and the Association recognize the fact that an adequate number of competent specialists is essential to the operation of an effective and productive educational program.

B. Where possible and practical in terms of the budget which is authorized by the County Council, the Board will not reduce the number of specialists employed in the school system and, where circumstances permit, will strive to increase the number of specialists in order to reach the following goals:

C. Elementary art, vocal music, and physical education teachers shall be assigned to no more than two schools if possible and in no case more than three schools.

### ARTICLE 9
**NONTEACHING DUTIES**

The Board and the Association acknowledge that a teacher’s primary responsibility is to teach and that his/her energies should, to the extent possible, be utilized to this end.

A. Teachers will not be required to drive pupils to activities which take place away from the school building. Teachers may do so voluntarily, however, with the advance approval of their principal or immediate supervisor, and will be compensated at the rate of fourteen (14) cents per mile for all driving done in their own automobiles. In the event that gasoline prices increase or decrease from the January 1, 1976, price as established by the Bureau of Labor Statistics, the per mile figure of fourteen (14) cents will increase or decrease one cent for every ten (10) cents that the Bureau of Labor Statistics’ gas price increases or decreases. The Bureau of Labor Statistics' gas price will be reviewed every three months and any change will occur the month following the increase or decrease as reported by the Bureau of Labor Statistics.

B. Although teachers may be required to collect and transmit money to be used for educational and insurance purposes, they will not be held responsible for the loss of money collected if such loss is not due to the negligence of the teacher.

C. Teachers will not be required to perform custodial functions.

D. Teacher aides shall be assigned directly to departments, teams, grade levels, or instructional programs. The decision as to their assignment shall be determined by the principal after consultation with his/her faculty.

E. The Board agrees to compensate the home economics teachers for all mileage required of them to obtain needed supplies at the rate of fourteen (14) cents per mile.

ARTICLE 10
UNIT MEMBER ASSIGNMENT

A. 1. All unit members on duty as of June 1 of any calendar year will be given written notice by the appropriate officials of their salary schedule and school assignment for the forthcoming school year between June 1 and the end of the school year. Principals will notify all school-based unit members in writing of their projected class and subject assignment and other duties by the end of this school year. All unit members reporting on and after June 1 of any calendar year will be assigned and notified for the ensuing school year as soon as is feasible.

2. In the event that changes in such schedules, class, subject assignments and/or duties are necessary after the end of the school year, all unit members affected will be notified promptly in writing. All unit members must leave summer addresses and telephone numbers with the appropriate official. Upon the request of the unit member affected, the changes will be promptly reviewed by the area assistant superintendent, the unit member, and, at his/her option, a representative of the Association. If the unit member is not satisfied that such changes are necessary and if he/she wishes to resign, his/her resignation will be accepted without prejudice.

B. Principals will make every effort to assign teachers in the areas of their teaching certificates and/or their major or minor fields of study and/or their experience.

C. Changes in grade assignment in the elementary schools and in subject assignment in the secondary schools will be made by the principal who will invite teachers to express their preferences and will give careful consideration to their preferences. To the extent that it is possible, however, changes in grade assignments in the elementary and in subject assignment in the secondary schools will be voluntary.

D. Teachers who are assigned to more than one school in any one school day will receive fourteen (14) cents per mile for all assigned interschool driving unless changed as specified in Article 9 for all interschool driving by them.

E. Whenever practicable, in placing newly hired classroom teachers in a school assignment, the principal and the appropriate resource teacher or department chairperson shall have an opportunity to interview the new teacher.

ARTICLE 11
VOLUNTARY TRANSFERS

The voluntary transfer of unit members shall be effected by appropriate members of the administrative staff using the following procedures:

A. Requests for transfers by all unit members shall be made to the associate superintendent for personnel services through the principal
and area assistant superintendent or department director to whom the individual is directly responsible. Requests may also be made directly to the Department of Professional Personnel. All requests shall be received and recorded in the Department of Professional Personnel.

B. Transfer requests shall be submitted through the principal and area assistant superintendent or department head or the director of the Department of Professional Personnel not later than the first Monday in March. Transfer requests received after this date shall be reviewed and, if a request warrants further consideration within the needs of the school program, it will be processed. The proper forms for unit members seeking transfers shall be available at the Department of Professional Personnel if not available at the school buildings.

C. Transfers will not usually be approved for:
   1. Personnel who are to be evaluated for tenure.
   2. Personnel who are requesting transfer out of their field of preparation and certification.
   3. Personnel who are listed on midyear report.

D. If a voluntary transfer approved for the good of the school system causes a unit member to move from the field in which he/she holds a standard or advanced certificate to a field in which he/she will be issued a provisional certificate, the unit member will sign a statement of understanding that will verify that the unit member is aware of the following:
   1. The salary and salary advancement restrictions.
   2. The additional course work that will be required for preparation in the new field.
   3. That a reasonable period of time, but in no case more than three (3) years, will be established by the Board of Education to enable the unit member to meet the new requirements. A unit member who does not meet these requirements will have his/her certificate rated as Class II.
   4. That he/she will be evaluated annually until such time as he/she meets full certification requirements in the new field.
   5. That all other factors, such as change in tenure status and annual leave days, will be included.

This statement will be signed by the unit member, the principal, and the director of the Division of Career Counseling. One copy of the statement will be forwarded to the unit member and the original retained in the official personnel files.

E. Transfer requests shall be forwarded to the appropriate area assistant superintendent or department director.

F. The releasing and receiving area assistant superintendent or department director shall review each request and consider the needs and the best interests of the students, the school program, and the personnel
involved. Transfers shall be effected by the director of the Department of Professional Personnel when the request has been approved by both the releasing and receiving area assistant superintendents or department directors. If more than one unit member has applied for the same position and both are acceptable to the principal, seniority in the MCPS will be considered a factor. However, the balanced staffing policy of the school system will take precedence over the consideration of seniority since each faculty unit should be appropriately balanced in terms of sex, race, ethnic background, age, and experience.

G. The Department of Professional Personnel shall notify the unit member in writing and those concerned with the transfer when it is effected. This department shall notify each applicant as to the status of his/her transfer request not later than June 1.

H. If a unit member's request for a voluntary transfer is denied, he/she will, upon request, receive a written explanation of the reasons from the Superintendent or designee.

I. Transfers shall become effective July 1, but may be made at other times if the situation warrants.

J. Transfers of unit members (F-K) shall be considered by the members of the Superintendent's appointments committee after consultation with the unit members affected.

K. The Department of Professional Personnel will publish on a weekly basis from March 1 through July 15 all known vacant teaching positions and distribute copies, which shall be posted, to each area office.

Request for leave for summer school shall be made in advance, recommended by the appropriate official and approved by the Superintendent. Leave with pay may be granted as follows:

*Leave without loss of pay may be granted to attend summer school prior to the closing of school or at the beginning of the fall semester. b) A unit member who is granted leave must submit grade slips and/or transcripts to the appropriate official at the conclusion of the summer school. The principal will forward them to the Department of Professional Personnel.

4. **Leave to Attend Professional Meetings**

Credit on the appropriate salary schedule for one year of successful experience shall be granted upon verification of completion of one year of satisfactory exchange or overseas teaching.

6. **Leave for Teaching in a Teacher Training College or University**

Upon recommendation of the Superintendent, leave up to two full school years may be granted by the Board of Education to a unit member for the purpose of teaching in a teacher training college or university. The total of the remuneration by the Board and the regular salary the unit member receives from the college or university shall not exceed the annual salary the unit member would have received had he/she remained in his/her present position in Montgomery County.
Procedures

a) **Eligibility** — To be eligible, a unit member shall be on tenure and hold a standard or advanced professional certificate valid at the time leave is granted for the period of leave.

b) **Benefits** — A unit member on leave for teaching shall be treated as a full-time employee. The unit member's length of service and the right to receive salary increments shall be the same as if he/she had remained in the position he/she held when leave was granted. Sick or annual leave can be neither used nor earned.

c). **Contractual Agreement** — A unit member on leave for teaching in a teacher training college or university shall agree to return to service in the Montgomery County Public Schools for at least a two-year period immediately following the leave of absence or reimburse the Board of Education for all monies paid to him/her or on his/her behalf.

d) **Change of Status During Period of Leave** — If the unit member on leave for teaching in a teacher training college or university cannot complete the program for which leave was granted, it is his/her responsibility to notify the Superintendent. The leave may then be rescinded by the Board of Education and the unit member placed on the appropriate leave status, reassigned, or terminated. Salary allowances and benefits shall be adjusted accordingly, and the unit member must make arrangements to reimburse the Board any monies paid to him/her or on his/her behalf.

e) **Tenure Status on Return From Leave** — A unit member who is on tenure at the time leave for teaching in a teacher training college or university is granted shall continue in the tenure status he/she held at the time leave was granted.

H. **Maternity Leave**

Any unit member who becomes pregnant shall resign or request leave of absence. The principal or department director will, after consultation with the unit member, recommend for the approval of the area assistant superintendent or appropriate associate superintendent when the unit member should resign or go on leave.

Unit members will be allowed to use the annual and sick leave available in their accounts after approval by the principal or appropriate official.

1. **Unit Members Returning From Maternity Leave**

   Upon receipt of written request for reassignment as described in Section 3.h. below, the unit member shall be reassigned when there is a vacancy for which she is qualified. The unit member's request will be considered in reassignment.

2. **Benefits**

e) The unit member should submit with her request for maternity leave a statement from her physician verifying the pregnancy and indicating the anticipated date of birth and attesting to the unit member's physical fitness to continue performing her assignment.

f) A pregnancy determined during June, July, or August should be reported immediately by the unit member to the principal or appropriate official so that an appropriate replacement can be found if necessary.

g) Unit members may elect to have continued participation in the MCPS Employee Benefit Plan by assuming the full cost of the premiums while on leave without pay. Contributions to the Employee Benefit Plan will be payable monthly to the Board of Education in accordance with MCPS procedures. Failure to make payments in accordance with MCPS procedures will result in cancellation of benefits. Retirement contributions, if any, may be paid monthly to MCPS, or the total of such contributions, plus interest, may be paid at the time of return from leave in accordance with MCPS procedures.

h) In order to return from maternity leave, the unit member shall submit a request in writing to the director of professional personnel at least one month before the date she desires to be reassigned. After the eighteenth month of leave, the employee will be automatically terminated. The employee will be notified prior to this action.

(The eighteen (18) month period shall include the period of annual leave used for adoption purposes.) Use MCPS Form 430-9 for long-term adoption leave without pay. The request for leave must be accompanied by a copy of the official adoption papers.

Procedures

1. When the leave is of short duration, no longer than 40 consecutive duty days, a substitute may be employed and the position held for the return of the unit member. Use MCPS Form 430-1 for short-term adoption leave.

2. As soon as it has been determined that a unit member wishes to use adoption leave, the unit member should notify the principal or other appropriate official, in writing, of his or her intent. Request for adoption leave should be made on MCPS Form 430-9.

3. Unit members may elect to have continued participation in the MCPS Employee Benefit Plan by assuming the full cost of the premiums while on leave without pay. Contributions to the Employee Benefit Plan will be payable monthly to the Board of Education in accordance with MCPS procedures. Failure to make payments in accordance with MCPS procedures will result in cancellation of benefits. Retirement contributions, if any, may be paid monthly to MCPS, or the total of such contributions, plus interest, may be paid at the time of return from leave in accordance with MCPS procedures.

4. In order to return from adoption leave, the unit member shall submit a request in writing to the director of professional personnel at least one month before the date the employee desires to be reassigned. After the eighteenth month of leave, the unit member will be automatically terminated. The unit member will be notified prior to this action.

This leave applies to individuals who are drafted or who volunteer for service for one period of enlistment.

b) **Return From Military Leave** — A unit member granted military leave of absence shall retain the right to be placed in the same or similar position upon return from leave, subject to the following:

1. The employee has completed any required period of probation prior to entering the armed forces and his/her separation from the armed forces was under conditions other than a dishonorable discharge.

2. He/she makes application within ninety days from the date of his/her separation from the armed forces in case he/she has involuntarily entered, or within ninety days after the termination of his/her first period of enlistment in case he/she has voluntarily entered, for reinstatement to the Board of Education.

3. He/she makes application for reinstatement within ninety days from the date of separation from such service or within ninety days after discharge from a hospital, provided such hospitalization is directly connected with, related to, and immediately follows his/her separation from the armed forces, and the period of hospitalization does not extend beyond a year from the date of such separation.

Any employee qualifying for reinstatement under this provision shall be entitled to start at the salary and rate of earnings for leave which he/she would have received if he/she had remained continuously in the Board of Education's service.

If he/she is not qualified to perform the duties of his/her prior position by reason of disability sustained during military service, but is qualified to perform the duties of any other position in the employ of the Board of Education, he/she shall be reemployed in such comparable position, the duties of which he/she is qualified to perform, as will provide him/her like seniority, status, and pay rate, or the nearest approximation thereof consistent with the circumstances of his/her case.

c) **Retirement** — The unit member, upon reinstatement, shall submit to the MCPS Retirement System an official verification of the length of military service.

2. **Military Leave for Training Purposes** (Article 65, Section 42, of the Annotated Code of Maryland)

a) **Eligibility** — A unit member who is a member of the National Guard or of the U.S. Armed Forces Reserves, and who is required by the laws of the United States or of Maryland to report
for a training period shall be eligible for a grant of military leave for training purposes not to exceed fifteen calendar days per school year.

b) **Application Procedure** — Application for military leave for training purposes shall be made in advance, immediately upon receipt from the appropriate military authorities of official notice to report. A copy of the official orders must accompany the application for leave, which must be approved by the appropriate official and the Superintendent. When possible, military leave for unit members with less than twelve months of responsibility shall be arranged during nonduty periods. The Superintendent may request a change in military orders when it seems to be in the best interest of the school system.

c) **Pay Status During Leave** — All unit members who are members of the organized militia or of the Army, Navy, Air Force, or Marine Corps Reserves shall be entitled to leave of absence without loss of pay on all days during which they shall be engaged in field or coast defense or other training ordered or authorized under any law of Maryland or of the United States, during such time as they are on inactive duty training, for not more than fifteen days annually; provided, however, if any members of the organized militia are ordered to active duty under authority of the governor, they shall be entitled to leave of absence without loss of pay for such time they actually serve under such active duty orders in addition to the fifteen-day period specified above.

K. **Salary and Leave Benefits for Conscientious Objectors**

1. There are two classes of conscientious objectors:
   
a) **Class 1-O**, who does not enter the military service but fulfills his/her selective service obligation by working for 24 months in an institution approved by the state in which he/she resides, and who is not entitled to veterans' benefits, and

b) **Class 1-A-O**, who enters the armed services but does not bear arms; is subjected to the same hazards as the regular serviceperson, and, upon discharge, is entitled to all veterans' benefits.

2. Unit members who are conscientious objectors and who are Class 1-O shall not be given credit on the salary schedule for this type of service at the time of employment.

3. A unit member who is Class 1-O, who is drafted and enters this type of program shall be given Leave for Unusual and Imperative Reasons, and upon release from his/her obligation shall be reinstated at the same or comparable position at the same salary step and in the same status as at the time his/her leave began. Unit members who are conscientious objectors and who are Class 1-A-O shall be entitled to all provisions of the salary plan and military leave policies.
L. **Leave for Family Bereavement**

A unit member shall be allowed a maximum of four days of absence without loss of salary upon the death of a child, parent (natural, foster or in-law), brother, sister, husband, wife, or of anyone who has lived regularly in his/her household. A unit member shall be allowed a maximum of two duty days of absence without loss of salary upon the death of a brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparent, grandchild, or spouse’s grandparent. In the event of unusual travel or personal problems in connection with the use of bereavement leave, additional leave days may be granted by the appropriate official.

M. **Political Leave**

Leaves of absence for political activity without salary, including candidacy for political office or holding public office, shall be arranged with the following rules:

1. Unit members engaging in political activity shall make it clear that their utterances and actions are theirs as individuals.
2. Leaves of absence shall be requested in writing.
3. Leaves of absence for campaigning and holding office may be arranged for a definite period. If the candidate is not elected, he/she shall be returned to his/her position immediately.

N. **Civil Leave for Juror or Witness Service**

Upon approval of the Superintendent, a unit member who is subpoenaed as a witness in a civil or criminal case, or is called and serves on a jury, may be granted paid leave for that period of time he/she is unable to report to work. Application for leave must be made in advance and submitted with a copy of the subpoena. The unit member shall transmit any monies received from such assignment other than those used for personal expense (e.g., travel) to the Board of Education.

O. **Compensatory Leave**

Unit members shall not earn or be granted compensatory leave.

P. **Leave for Emergency Closing of Schools and/or Central Office**

When schools are closed because of inclement weather or other emergency reasons, all unit members on salary schedule A-D are automatically granted emergency leave. In school years when there are more emergency days lost than permitted by the school calendar, those excess days must be made up at times specified by the Superintendent. All administrative and supervisory personnel are expected to report for duty when schools are closed, or take annual leave unless the Superintendent has announced that the central office is closed.
Q. **Leave for School Principals**

When principals are on leave at any time, a certificated staff member is to be designated, in writing, as acting principal. When feasible, the designation is to be made by the principal, and the principal must notify the appropriate official of the name of the staff member designated. In other instances, the designation will be made by the appropriate official.

R. **Leave for Unusual or Imperative Reasons**

Unit members may be granted leave by the Superintendent for unusual or imperative reasons at no loss of pay, at loss of full pay, or at loss of substitute pay, when no other leave is applicable. Approval must be secured before the absence occurs.

S. **Personal Leave**

1. All unit members may be granted up to three (3) days per year for personal leave. A written request for the intended absence shall be submitted to the principal or appropriate official at least one day prior to the expected absence. No specific reason for such personal leave shall be required or solicited. Personal leave, if granted, must be used only to conduct personal business of a nature that cannot be scheduled on any nonduty day. Personal leave will be granted only when the immediate supervisor determines that adequate provisions for continuing the school program can be made. In cases of emergency, the appropriate school official shall be notified prior to the start of the duty day to be taken off.

2. The rules regarding personal leave shall be as follows:
   a) Requests for personal leave shall be made in writing.
   b) Leave immediately before or after a holiday, vacation, or staff development day, may be requested for reason from the school principal or appropriate official.
   c) The personal leave shall not be cumulative. However, unused personal leave shall be transferred to accumulated sick leave at the end of the school year.

T. **General**

Except in those cases where the Superintendent has the right to grant the leave, the Superintendent shall have the right to recommend to the Board of Education that a leave of absence be granted with loss of substitute pay, without pay, or with pay, or to recommend that the leave be denied.

**ARTICLE 20**

**PROFESSIONAL DEVELOPMENT AND EDUCATIONAL IMPROVEMENT**

A. The Board and the Association agree that it is to their mutual interest to encourage the professional development of all unit members. To that end, the parties agree to continue the Professional Development and
Educational Improvement Committee composed of six members appointed by the Association and six members appointed by the Superintendent. At least two of the six members appointed by MCEA and two of the six members appointed by the Superintendent shall be new to the committee. Voting members of the committee will serve three-year terms. No member completing a full term will be eligible for reappointment within three years. The director of staff development or designee will be a permanent, nonvoting ex-officio member of the committee. The chairperson and the recorder for the committee will be elected by the committee from the voting members of the committee. The PDEI Committee shall have the following responsibilities:

1. To review the progress of MCPS staff development activities involving unit members and make recommendations as appropriate.

2. To study preservice teacher education programs in teacher education institutions and preservice teacher education practices and policies in MCPS and make recommendations as appropriate.

3. To study the certification regulations for the State of Maryland and make recommendations for improvement of those regulations.

4. To consider and to recommend new programs to promote the professional growth and competence of unit members.

All recommendations of the PDEI Committee shall be sent to MCEA and the Superintendent of Schools.

B. When the Board requires a unit member to take specific training which is neither required for renewal of his/her certificate nor results in salary improvement nor can be applied to an advanced degree program, the Board will pay for all costs in excess of the normal expenditures that a unit member might have incurred if the training were not undergone. Such costs will be determined by the Superintendent upon the recommendation of the PDEI Committee.

C. For the term of this Agreement, the Board agrees to budget funds for the purchase of books, equipment, and other educational resource materials it determines to be necessary for use by the professional staff at a level not less than that included in the FY 1976 approved operating budget. The PDEI Committee shall be consulted for recommendations. The Board will continue to provide help in processing teacher requests for in-service materials and for extending the hours of the curriculum laboratory.

D. The Board encourages school staffs to develop community support for a program of released time for teachers to be used for improving instruction. The Board also encourages community involvement in the development of instructional improvement programs. Area staff, supervisors, and principals will work with school-based unit members to plan, develop, and execute programs designed to achieve these goals.

E. Participation by supervising teachers in the training of student teachers shall be voluntary and shall be based on criteria established by the Department of Staff Development. Student teaching assignments,
programs and work schedules will be submitted to the principal and the supervising teacher for final approval before the beginning of the semester in which the student teaching is to take place. The Board shall support a systematic program of training for those teachers who wish to train personnel from approved teacher training programs in accredited institutions.

F. Since the Department of Staff Development administers the credit granting authority for salary placement, appeals from this authority should be provided. A special appeals board shall be established composed of two members appointed by the Superintendent from Board staff, other than staff of the Department of Staff Development, and two members appointed by the Association. The appeals board will receive appeals from the credit granting authority and recommend dispositions to the associate superintendent for personnel services who will make the final decision. Annually, on or before May 1, the appeals board will review the criteria employed in granting of credit and report its findings to the PDEI Committee.

G. The Board agrees to budget funds for the following staff development activities at a level not less than that included in the FY 1976 approved operating budget:

1. To provide substitute leave bank funds to be used in conjunction with local staff development projects.

2. To provide the staff development materials and equipment to be used specifically to support local school, area, and county staff development activities and programs, including the training of staff development leadership.

3. To provide instructional support for MCPS developed in-service credit courses including teacher competency courses during the fiscal year.

4. To provide financial support for MCPS developed noncredit in-service activities for unit members such as conferences, workshops, skill modules, and similar activities.

5. To provide for the refinement of existing teacher competency courses and for the development of new teacher competency courses.

6. To provide for the assessment of the effectiveness of selected in-service courses and programs.

ARTICLE 21
PROTECTION OF UNIT MEMBERS, STUDENTS, AND PROPERTY

A. The right of individuals to protect themselves and others consistent with the law shall not be denied to unit members as a condition of their employment.
B. The Board will take precautions to prevent theft, damage, and/or other types of vandalism on Board property. All unit members have the responsibility to develop in students habits of good citizenship and good behavior. All unit members share the responsibility to work with students to reduce vandalism.

C. Unit members shall exercise responsibility for:

1. Adequate supervision of pupils in all parts of the building during duty hours and during assigned supervision of school-sponsored student activities, reporting and preventing vandalism, willful waste of materials, supplies, utilities, or other school property, and aggression toward any individual.

2. Supervision of the movement of pupils in the school building and in their activities on the school grounds.

3. The security of the school and Board property provided for school use, particularly the classroom and its contents, and the conservation of utilities, materials, and supplies.

D. The Board will put its full support behind the policies it adopts in matters of discipline, disruptive and/or unauthorized visitors. The Board and the unit members recognize a mutual responsibility for the enforcement of such policies.

E. Any case of assault on a unit member by other than another unit member shall be promptly reported by the unit member to his/her immediate supervisor. This report will be forwarded to the Superintendent or designee who will comply with any reasonable request from the unit member for information in his possession relating to the incident or the persons involved.

F. In cases of assault on a unit member, the provisions of Article 19 (Leaves), Section D. (Disability Leave), shall apply.

G. Where the unit member is charged with personal liability in relation to the duties and responsibilities of his/her assignment as prescribed by the Board of Education, he/she will be protected by the MCPS liability policy (Article 24) and he/she will receive all the legal assistance provided by that policy.

H. 1. Principals and teachers in every school in the county may intervene in any fight or physical struggle which takes place in their presence in any school building or on the school grounds, between or among students or any other persons. The degree and force of the intervention shall be as reasonably necessary to restore order and to protect the safety of the combatants and surrounding persons.

2. A principal or teacher who incurs injury while thus intervening shall be compensated by the Board for necessary medical expenses resulting directly from the intervention and shall not suffer any loss of compensation for time lost from his/her school duties resulting directly from the intervention but such compensation shall be reduced by any payments made pursuant to the Workmen's Compensation Law.
3. In any suit or claim brought against the principal or teacher because of the intervention, as provided for in Subsection 1 herein by a parent or other claimant of one of the combatants, the Board shall provide legal counsel for the principal or teacher and shall save him/her harmless from any award or decree against him/her.

ARTICLE 22
MAINTENANCE OF CLASSROOM CONTROL AND DISCIPLINE

A. The Association and the Board, cognizant that classroom control is an essential element of an effective learning climate and that control in the classroom has a direct relation to the quality of instruction, agree that the primary responsibility for pupil conduct rests with the classroom teacher. It is the joint responsibility of the Board of Education, the administration, and the classroom teacher to provide educational and curricular offerings that will help motivate the students and meet their educational and emotional needs. When a student requires the attention of the principal, counselor, pupil services employee, physician, or other specialist, the classroom teacher will so inform the principal or designee who will arrange a conference as soon as possible. This conference will include the principal or designee, the classroom teacher, the pupil, and an appropriate specialist, where feasible, to discuss the problem and to explore possible steps to resolve it.

B. The classroom teacher-student relationship is the key to changing behavior before a serious problem develops. Therefore, a classroom teacher may retain a student after school on the same day that an incident occurs if the classroom teacher notifies his/her parent or guardian by telephone or other means, and obtains permission. If permission is not obtained, the student will normally fulfill his/her obligation to meet after school with his/her classroom teacher the following school day.

C. When a student’s behavior seriously disrupts the instructional program to the detriment of other students, the classroom teacher may temporarily remove him/her from class and refer the student to the principal or designee. Prior to readmission, the principal or designee will be responsible for working with the situation. If the principal, after consultation with the classroom teacher, determines that it is necessary, he/she will arrange, as soon as possible, a conference among himself-/herself or designee, the teacher, and possibly appropriate specialists to discuss the problem and to explore steps to resolve it. If mutually satisfactory steps do not result from this conference, the principal may, after consultation with the classroom teacher, schedule another conference involving the parent(s), area assistant superintendent, and/or a member of pupil services. The principal will determine when the student will return to class, and he/she or designee will make such determination after consultation with the teacher.
D. Physical restraint may be used by a teacher in an extraordinary case of breach of discipline to restrain a disruptive pupil, provided the force used is reasonable under the circumstances. The teacher shall inform the principal at once of such an action and shall make an accurate, written account of it, within 24 hours, if possible.

E. The principal shall be responsible to see to it that an appropriate disciplinary procedure is developed for each school building with the total involvement of all members of the faculty and administration. Involvement of students and parents will be utilized in the planning and implementation of such a procedure. Said procedure shall be submitted to the building faculty in question for possible revision prior to its implementation.

F. The student disciplinary procedure developed by each school shall be evaluated yearly by the staff and appropriate alterations or changes shall be proposed to the total faculty prior to implementation.

**ARTICLE 23**

**PERSONAL INJURY BENEFITS**

A. When a unit member is absent from school as a result of personal injury caused by an accident or an assault occurring in the course of his/her employment as used and defined in workmen’s compensation, the unit member will be paid his/her full salary, less the amount of any workmen’s compensation award made for temporary disability due to said injury for the period of such absence. No part of such absence will be charged to the unit member’s annual or sick leave.

B. The Board will reimburse a unit member up to a limit of $10,000 for the cost of medical, surgical, or hospital services (less the amount of any insurance reimbursement) incurred as the result of any injury sustained in the course of the unit member’s employment except injuries covered by Article 21, Section H.

C. In the event that a unit member has any clothing or other personal property damaged or destroyed as the result of his/her enforcement of school regulations, the Board of Education will reimburse the teacher for such loss up to an amount not to exceed $500, provided, however, that the unit member can produce the proof that his/her property was damaged as a result of his/her enforcement of school duties.

C. Unit members will be eligible to participate in the currently available tax-deferred annuity plans. The forms for the necessary reduction of annual salaries shall be available at the central office or MCEA's headquarters.

D. The joint MCEA-MCPS committee for the purpose of reviewing periodically the Employee Benefit Plan shall be continued and shall make recommendations to the parties when warranted. Each party shall appoint three members of the committee.

E. The Board agrees to pay a sum equal to the same dollar amount provided under the current Blue Cross/Blue Shield plan for all unit members currently enrolled or who shall enroll in a Board of Education-approved qualified prepaid health maintenance organization. New employees may enroll during eligibility periods as set forth in the current benefit plan. Transfers between plans will be limited to no more than one (1) time each year at group reopening periods.

F. The Board agrees to provide unit members with a choice of Blue Cross-Blue Shield plans (UCR and/or current fee schedule). The difference in premiums for the UCR shall be paid by the unit member.

ARTICLE 25
PERSONAL AND ACADEMIC FREEDOM

A. The personal life of a unit member shall be the concern of, and warrant the attention of, the Board only as it may directly prevent the unit member from properly performing his/her assigned functions during duty hours, or violate local, state, national or common law, or be prejudicial to his/her effectiveness in his/her teaching position.
B. Religious activity, political activity, marital or parental status shall not be grounds for discrimination for professional employment or promotion providing said activities do not violate state, local, national or common law, or are not prejudicial to the unit member's effectiveness in his/her teaching position. The Board and the Association agree that they will not take any action against any unit member because of his/her participation in religious, political, or teacher organization activities conducted outside duty hours and off school property.

C. Each unit member recognizes and accepts his/her obligation to support the goals of education and to foster respect for the heritage of democratic values.

D. The Board and the Association, believing that academic freedom is basic to the attainment of the educational goals of the Montgomery County Public Schools agree that:

1. Unit members shall be responsible for providing students with the opportunity to investigate various sides of the topics presented in their courses, particularly in relation to controversial subjects, within such limits as may be imposed by relevance to the course, the level of maturity and the intellectual ability of the students, and the time available. Unit members shall permit freedom of expression on those topics that are matters of opinion so that students may weigh alternative views and make up their own minds. Students shall be encouraged to examine, analyze, evaluate, and synthesize the information available to them before drawing conclusions in order to develop as fully as possible their capacities for rational judgment. Unit members shall strive to promote tolerance for the opinions of others and respect for the right of all individuals to hold and express differing opinions.

2. A unit member does not have privileged status by virtue of his/her position to make statements that are libelous, slanderous, or that violate the civil rights of others.

3. A unit member may express his/her own opinions in regard to political, social, and religious values or issues provided that the total presentation is essentially balanced and fair. He/she shall not use his/her professional contacts with students to further his/her own political aims or those of any individual or group.

DIFFERENTIATED TEACHER RESPONSIBILITY AND FLEXIBLE STAFF ORGANIZATION

A. The Association and the Board agree that the concept of differentiated responsibility and flexible staffing is potentially a valuable tool which should be applied more widely in the Montgomery County schools to help keep pace with the needs of children.

B. The Association and the Board agree that any design for differentiated staffing, to be successful, (a) must meaningfully involve classroom teachers and the local faculties from the initial stages of development through implementation and evaluation, (b) must clearly define roles and responsibilities of certificated and noncertificated personnel, and (c) must seek the understanding and support of the community during development, implementation, and operation.

C. The Association and the Board agree that successful implementation of this concept depends upon maintenance of constructive teaching loads.

D. The Association and the Board urge local school faculties to initiate in-depth studies of the many ramifications of differentiated staffing.

E. The Association and the Board agree to consider proposals for differentiated pay plans which originate with local school faculties after the school has successfully implemented a differentiated staffing plan.
for at least two full school years. The earliest implementation of this plan will be September, 1973.

F. Prior to the implementation of any Differentiated Teacher Responsibility and Flexible Staff Organization plan that affects unit members' wages, hours, salaries, and other working conditions, the plan shall be submitted to the parties for negotiation of salary, wages, hours, and other working conditions.

G. The Board of Education and the Association agree to jointly develop procedures to negotiate any pay plan as noted in F., above. Such negotiation can be scheduled separate from the regular negotiations upon mutual agreement of the parties.

This authorization for MCEA, MSTA, and NEA dues and/or premiums for the MCEA insurance plans will remain in effect until one or more of these deductions are added or dropped as authorized in writing by a unit member and received by MCEA on or before September 10. The amount deducted from a unit member's salary each year will be for the total dues and/or the MCEA insurance premiums as certified by MCEA by authorization form signed by the individual signifying that such deductions shall be at the "current rate."

B. The Board agrees to transmit the deductions promptly to the Montgomery County Education Association including a list of names and the amount of each deduction.

C. MCEA will certify to the Board in writing the current rate of membership dues for the three associations by September 1. Further, the Association agrees to certify in writing the current premiums for the insurance plans for each unit member using payroll deductions for this purpose at the time he/she enrolls or changes his/her status.

D. The number of deductions referred to in Section A are to be made during the school year and the amount of each deduction will be as mutually agreed upon by the Board and the MCEA. The Board will honor any authorizations for dues deductions and MCEA insurance premiums received after the beginning date of withholding provided, however, that it will deduct the amount only for each remaining pay period and for the number of pay periods that have been agreed to by the Board and MCEA. Authorizations for deductions will be honored beginning with whatever pay period the records are open.
E. MCEA shall indemnify and save the Board harmless against any and all claims, demands, suits, or any other forms of liability that shall rise out of or by reason of action taken or not taken by the Board for the purposes of complying with any of the provisions of this article, or in reliance of any list, notice or assignment furnished under any such provisions.
