PREAMBLE

The Board of Education of Montgomery County and the Montgomery County Education Association recognize that the development of a quality educational program for the children of Montgomery County, Maryland, is a joint responsibility which can be best achieved by agreement that both parties work toward common goals. The Board and the Association enter into this Agreement with mutual dedication, recognizing that the experience, creativity, and judgment of both parties are necessary to reach the educational needs of the community.

To this end we wish to dedicate this Agreement and we mutually pledge to follow it with patience, understanding, and good will.

8. **Hourly Rate** — The hourly rate of pay shall be computed by dividing the daily rate of pay by eight (8) hours.
9. **Daily Rate** — The daily rate of pay shall be based on the computation of the number of compensable days as identified by the Division of Payroll each year.

SCHOOL BOARD AUTHORITY

The Association recognizes that, subject to the provisions of this Agreement, the Board of Education and the superintendent of schools reserve and retain full rights, authority, and discretion in the proper discharge of their duties and responsibility to control, supervise, and manage the Montgomery County Public Schools under applicable law, rules, and procedures.
ARTICLE 1
RECOGNITION

A. The Board recognizes the Association for purposes of negotiation as the exclusive negotiating agent for all unit members with regard to all matters relating to salary, wages, hours, and other working conditions.

B. The Association recognizes the Board as the legally constituted body required by the State of Maryland, providing that the Board of Education of Montgomery County shall perform the functions of county boards of education as provided by state law and shall have power to adopt bylaws for regulation and administration of schools within the county not inconsistent with state law and not in violation of the current negotiated Agreement.

C. The Association recognizes its responsibility to represent fully and equally without discrimination all the members of the unit in all the relations necessary in the administration of this Agreement.

D. The superintendent, those persons designated by the Board of Education to act in a negotiations capacity pursuant to the public school laws, and temporary employees are excluded from this unit.

E. All positions on the L-Q salary schedule are excluded from this unit. Those positions include, but are not limited to directors and assistant directors, supervisors and assistant supervisors, administrative assistants, coordinators, principals and assistant principals, administrative interns and elementary principal trainees, and all other similarly situated positions now and in the future.

F. The Board of Education of Montgomery County shall have the right to subcontract work. However, work that is normally performed by members of the bargaining unit who are covered by this Agreement shall not be subcontracted to organizations and/or workers not covered by this Agreement unless there is a substantial business or professional reason for so doing.

In addition, if the Board is contemplating subcontracting any bargaining unit work, the Association shall be given sufficient advance notice of such plans so that they shall have ample opportunity to meet with the Board before such a decision is put into effect.

ARTICLE 2
NEGOTIATION PROCEDURE

A. During the month of September of each year that the Association is recognized, the parties will meet to establish negotiation procedures. Such procedures shall include but not be limited to meeting dates, times, and locations, limitation on the number of team members, consultants, and/or observers, tentative Agreement procedures, expense sharing of third party neutrals, and the identification of a chief spokesperson for team members.

B. The parties agree to consult in advance about the general and specific content of all press and public communications dealing with
the directions and accomplishments of the teams that might be released from time to time by the parties either jointly or independently. Every effort will be made to provide full information to the public with the exception that, in order to maintain the integrity of the negotiations process, the specific content of any given proposal or counterproposal will not be divulged.

C. This Agreement may be modified in whole or in part by an instrument in writing duly executed by both parties.

D. The Board of Education will not select unit members covered by this Agreement for its negotiating team nor will it select unit members covered by this Agreement to be in its negotiations group.

ARTICLE 3
GRIEVANCE PROCEDURE

A. Definitions

1. A grievance is hereby defined to mean a dispute concerning the meaning, interpretation, or application of any of the provisions of this Agreement except where this Agreement states otherwise.

2. A grievant is the person or persons making the claim.

3. A party in interest is the person or persons making the claim and any person who might be required to take action, or the person or persons against whom action might be taken in order to resolve the claim.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may occur in the administration of the Agreement. Both parties agree that these proceedings will be kept informal and confidential at all levels of the procedure.

2. Nothing herein contained shall be construed as limiting the right of any unit member having a grievance to discuss the matter with any appropriate member of the administration. Such grievance may be adjusted without intervention of the Association, providing that the adjustment is not inconsistent with the terms of this Agreement.

3. The Association can grieve on matters with respect to the general application of any clause in the Agreement to the unit as a whole or with respect to association rights and privileges as set forth in Article 18.

C. Procedure

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement between the superintendent and the Association and shall be stated in writing. In the event a
grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, the parties shall attempt to process such grievance prior to the end of the school year.

2. No grievance shall be initiated more than fifteen (15) duty days after the cause thereof has occurred or been discovered.

3. The grievant may be represented by himself/herself at the informal level and Level I or may request that MCEA be his/her representative. The grievant shall be represented by an MCEA representative at Level II and above.

4. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents will be prepared jointly by the superintendent and the Association, and will be given appropriate distribution so as to facilitate operation of the grievance procedure.

5. Grievance meetings and/or hearings shall normally be scheduled before or after the unit member’s duty day unless otherwise agreed to by the parties.

6. When it is necessary for a party in interest to attend a grievance hearing during the school day, the Association will assume one-half the cost of a substitute if one is employed.

D. Informal Process

A unit member with a grievance will first discuss it with his/her principal or immediate supervisor. The objective of this first meeting will be the informal resolution of the matter. An Association representative may be present at this informal level of the procedure and if chosen as his/her representative under Article 3, Section C.3, shall represent the grievant.

E. Formal Process

1. Level One

If the grievance cannot be resolved informally, the grievant will be required to present to the principal or other appropriate official his/her grievance in writing on the proper form within fifteen (15) duty days after the cause thereof has occurred or been discovered. If the grievance is not presented within the above-stated time limit, the grievance shall be deemed to be waived and shall not be subject to further discussion or appeal. The principal shall have five (5) school days to respond.

2. Level Two

If the aggrieved person is not satisfied with the written disposition of his/her grievance at Level One, he/she may file the grievance in writing with the Association within ten (10) school days after the grievance was presented. Within five (5) school days after receiving the written grievance, the Association will review the merits of the grievance and counsel the grievant, referring the grievance to the area associate superintendent or other appropriate director if the Association determines that the
grievance is meritorious. If the grievance is not referred to the area associate superintendent or other appropriate director within the above-stated time limit, the grievance shall be deemed to be waived and shall not be subject to further discussion or appeal. The appropriate director or other official shall have seven (7) duty days to respond.

3. Level Three

If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two, he/she may again file the written grievance with the Association within five (5) school days after a decision by the aforesaid director or ten (10) school days after the grievance was referred to the aforesaid director. Within five (5) school days after receiving the written grievance, the Association will review the merits of the grievance and counsel the grievant, referring the grievance to the superintendent if the Association determines that the grievance is meritorious. If the grievance is not referred to the superintendent within the above-stated time limit, the grievance shall be deemed to be waived and shall not be subject to further discussion or appeal. Within seven (7) duty days after receiving the written grievance from the Association, the superintendent will meet with the aggrieved person for the purpose of resolving the grievance. The superintendent shall render a decision in writing within five (5) duty days of the meeting held with the aggrieved person.

4. Level Four

a) If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Three, he/she may within five (5) school days after a decision by the superintendent request in writing that the Association submit his/her grievance to arbitration. If the grievance is not submitted to arbitration within the above-stated time limit, the grievance shall be deemed to be waived and shall not be subject to further discussion or appeal. If any question arises as to whether a grievance involves the interpretation, meaning, or application of any of the provisions of this Agreement, such question will be ruled upon by the arbitrator before hearing the case.

b) Within ten (10) school days after such written notice of submission to arbitration, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties will then be bound by the rules and procedures of the American Arbitration Association.

c) The arbitrator so selected will confer with the representatives of the superintendent and the Association and hold hearings promptly and will issue his/her decision not later than ten (10) days from the date of the close of hearings, or, if oral hearings have been waived, from the date the final statements and proofs are submitted to him/her. The arbitrator's recommendations will be in writing and will set forth his/her findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator will be without authority to make
any recommendation beyond the terms of this Agreement. The recommendation of the arbitrator shall be binding upon both parties.

d) The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel and subsistence expenses, and the cost of any hearing room, will be borne equally by the Board and the Association. All other expenses will be paid by the party incurring them.

F. Miscellaneous

1. No reprisals of any kind shall be taken by any party to this Agreement against any party in interest or any grievant.
2. All documents, communications, and records dealing with the processing of a grievance will be filed in a separate grievance file and will not be kept in the personnel file of any of the participants.
3. All decisions rendered at all levels of the grievance procedure will be in writing, setting forth the decision and the reasons therefore, and will be transmitted promptly to all parties in interest and to the Association.
4. The grievant shall be permitted to present evidence and witnesses and to cross-examine all witnesses whenever a hearing is held. When a unit member is not represented by the Association, the Association will have the right to be present and to state its views at all stages of the grievance procedure.
5. The Association may submit any intended class action grievance to the superintendent or designee and the superintendent shall rule within five (5) duty days if any other administrator has the authority to resolve the grievance. If no other administrator has the authority to resolve the grievance, the superintendent or designee shall within ten (10) duty days from the initial submission of the grievance respond or the Association shall be free to seek arbitration of the grievance.

G. The administrative complaint procedure currently in use to process and resolve unit member complaints pertaining to matters not covered by this Agreement shall be continued.

ARTICLE 4

MCEA-ADMINISTRATION LIAISON COMMITTEE

A. 1. The Association shall have a liaison committee in each building or any other unit responsible to a principal or appropriate supervisor, the purpose of which shall be to foster discussions on matters of interest and concern.
2. The principal or appropriate supervisor will allow a reasonable amount of time for the staff to meet and select the members of the liaison committee.
3. The principal or appropriate administrator will meet with the liaison committee at least monthly to discuss matters of concern. These liaison committee meetings with the principal or appropri-
ate administrator shall be held on a regularly scheduled basis before or after the student day.

4. The liaison committee may submit, no later than two (2) days before each meeting, appropriate items to be included on the agenda for such meeting.

B. The Board of Education and the superintendent agree to meet with the Association's Board of Directors at mutually agreed upon times to discuss matters of interest and concern. The Association Board of Directors will submit items to be included on the agenda five (5) working days prior to the meeting.

C. The Association's Board of Directors will meet with the superintendent at least once a month during the term of this Agreement to review and discuss matters of mutual concern and the administration of this Agreement.

Applicable for personnel employed 7/1/75 and after
D. Teacher Specialists—All professional personnel on the professional salary schedule grades A-D who are assigned as area and central office teacher specialists will have their regular scheduled salary increased $1,250. This section does not apply to teacher specialists covered in Section F.

Effective July 1, 1985, and July 1, 1986, $100 will be added to each category in Sections B., C., and D.

E. Unit members assigned under Sections B., C., and D. of this article shall not:

1. Have guaranteed tenure in the position
2. Be eligible for appointment to any of the extracurricular compensated activities

F. Any teacher being paid a supplement for resource teacher or resource counselor responsibility who is selected for a rotating central office teacher specialist position, or pupil personnel intern will be permitted to retain the supplement during the period of time he/she serves in the capacity of central office teacher specialist, or pupil personnel intern.

G. One-session kindergarten teachers will work four hours and ten minutes each duty day at their schools and will be paid 60 percent of their appropriate salary placement.

H. General

1. It is the intention of the Montgomery County Public Schools to provide instruction and supervision by fully qualified sponsors in a variety of extracurricular activities for students, subject to available funds. This program shall be voluntary except for unit members covered in Section E. of this article. It is also the intention of MCPS to utilize unit members as sponsors of activities and sports; however, if unit members are not available, nonunit members may be utilized to sponsor an activity or coach a sport. The supplementary pay schedule identifies certain stipend-compensated activities. This does not mean that because an activity is listed for a stipend payment that all schools will participate or take steps to participate in all activities. The following conditions must be met before any activity is implemented: (1) the need for it has been established in advance by the principal and the staff; (2) the activity is assigned in addition to the regular teaching responsibility; and (3) it is an activity recommended by the principal and approved by the area associate superintendent.

2. The principal shall be responsible for the conduct of the entire extracurricular program within his/her school. Whenever any of the activities being conducted do not continue to meet the requirements of the school as determined by the principal, such activities shall be discontinued in that school.
3. The principal in each school shall be responsible for the development of the organizational structure required to carry out the approved activities.

4. The principal is responsible for making the selection of unit members to any of the approved compensated activities subject to the approval of the area associate superintendent.

5. If a unit member’s services in the compensated activity have been satisfactory to the principal, the unit member shall be given first preference for appointment by the principal to the compensated activity if that unit member makes known to the principal a desire to continue.

6. The principal is responsible for posting a notice of sponsor vacancies for each of the activities to be conducted in the school. Posting vacancies outside of the local school may take place but is not required. This notice shall fully explain the requirements for the appointment to the position, the general duties of the position, and the stipend to be paid. The principal need not post a vacancy notice if he/she has selected the satisfactorily evaluated incumbent.

7. Principals will attempt to notify all school-based unit members in writing of their stipend assignments before they return to school in August.

8. In the event that changes in such assignments are necessary after the beginning of the school year, affected unit members will be notified promptly in writing.

9. Any teacher accepting the sponsorship of a stipend activity must be assigned a full teaching load.

10. Principals will annually evaluate the performance of all sponsors in the approved extracurricular activity program. Sponsors of stipend-compensated activities will notify the principal in writing that the activity has been completed within five (5) working days after the completion of the activity. The principal will evaluate the performance of all sponsors in the approved extracurricular activity program within thirty (30) working days following the receipt of the written notification that the activity has been completed. There shall be no tenure associated with any compensated activities.

11. The principal shall make every effort to select a different unit member for each stipend activity.

12. Unit members currently sponsoring more than one activity, or coaching more than one sport, should be given first preference to continue performing the one activity or sport of his/her choice if the principal determines that the service has been satisfactory. The principal shall make every effort to select a different unit member for each activity. A unit member, however, may be eligible for assignment to more than one stipend-compensated activity, provided the activities do not conflict with the normal responsibilities of another stipend-compensated activity or the normal teaching duties and provided that the principal has
posted the notice of the vacancy and no qualified unit member has volunteered for the activity.

13. Stipend activities may be divided by more than one unit member if, after consultation with the principal, the unit members involved are in agreement.

14. A unit member who does not fulfill the requirements for which a stipend is to be paid must forfeit that portion of the stipend which has not been earned. The determination will be made by the principal and the amount to be forfeited will be based upon the established hourly rate for the stipend program.

I. Classification I ($6.00 per hour) —Since many of the elementary and secondary schools of Montgomery County have varying emphases in their programs, limited funds are budgeted for a variety of activities involving working with students which are not included in the other classifications for which a set stipend has been assigned. Activities the school will conduct in this classification must be defined in a job description which will include the time frame anticipated for the activity. The principal in approving the activity and selecting the sponsor will authorize the hours to be paid, which must be in excess of 24 hours but not to exceed 100 hours for each activity. Plans for activities in this class shall be forwarded for approval to the area associate superintendent along with the plans for activities in all other classes.

J. Classification I-A, Intramural (Co-Ed) Senior High School ($750-900) —Since many of the senior high schools have varying emphases in their intramural programs, a variable stipend is offered under Classification I-A as follows:

100 hours to 125 hours  $750 stipend
126 hours to 150 hours  $900 stipend

Before a principal approves the stipend in Classification I-A, the sponsor must submit a planned program, including the time frame expected for the activity. Classification I-A stipend must also be approved by the area associate superintendent.

K. Classification I-B, Band/Orchestra Senior High ($900-1,800) —Since many of the senior high schools have varying emphases in their band/orchestra programs, a variable stipend is offered under Classification I-B as follows:

Band/Orchestra I—150 hours to 199 hours  $900
Band/Orchestra II—200 hours to 299 hours  1,200
Band/Orchestra III—300 hours or more  1,800

Before a principal approves the stipend in Classification I-B, the sponsor must submit a planned program, including the time frame expected for the activity. Classification I-B stipend must also be approved by the area associate superintendent.

L. Classification II ($35.00) —Teachers participating in the outdoor education programs at one of the outdoor education facilities utilized by Montgomery County Public Schools shall be compensated by a stipend on a per diem basis. The stipend should be made available to
classroom teachers accompanying the classes and other professional staff members of the Montgomery County Public Schools on schedules A-D who are utilized as educational specialists. Effective July 1, 1984, the amount of the stipend shall be $35.00 for each overnight stay at one of the outdoor education facilities. Effective July 1, 1985, the amount of the stipend shall be $40.00 for each overnight stay at one of the outdoor education facilities. Effective July 1, 1986, the amount of the stipend shall be $45.00 for each overnight stay at one of the outdoor education facilities.

M. **Ineligible Personnel**—Resource teachers, resource counselors, athletic directors, and personnel on salary lanes F-I are not eligible for payment of a stipend.

N. **Football Coaches**
Football coaches will be expected to participate in the preseason workshop and practice. Per diem salary will be paid to football coaches who work the scheduled days prior to the first day worked for regularly scheduled 10-month teachers.

O. **Newspaper Sponsor—Senior High School**
The sponsor will teach five classes including a class in Journalism II. If the school schedules the staff of the school newspaper to be assigned to the newspaper on a regular basis for a course in Journalism II in which the skills of Journalism I are extended in a planned instructional program, and the production of the school newspaper is not the primary activity or objective, this practice will be permitted and the newspaper sponsor will receive the stipend.

P. **Payment to Unit Members Selected for Stipend-Compensated Activities**
1. Payment of stipend activities will be made by the Division of Payroll after receipt of the certified pay vouchers as follows:
   a) Activities taking place in the fall—December
   b) Activities taking place in winter—March
   c) Activities taking place in spring—after June 30
   d) **Year-round activities**—to be divided into three equal parts and payments to be made in December, March, and after June 30.

2. A unit member accepting a stipend-compensated activity must complete his/her responsibilities before payment will be authorized. Termination of the assignment before the activity is completed will automatically forfeit the unpaid portion of the stipend. Principals are responsible for prompt notification to the Division of Salary Administration, Certification and Records of any unit member terminating his/her stipend activity.

3. Compensation received for a stipend shall not be subject to withholding for retirement or insurance and shall not be considered as salary for the purpose of computing annuities pursuant to the Maryland Teachers' Retirement Act and the Board of Education of Montgomery County Life Insurance Program.

**ARTICLE 6**

**WORKING HOURS AND WORK LOAD**

**A.**

1. While professional personnel will often work more than eight hours per day, the professional salary schedule is based on an eight-hour workday.

2. All personnel on the F-I salary schedule in this unit and all professional personnel on the A-D salary schedule in the central office or area offices will be assigned appropriate starting and dismissal times so that their normal workday will be eight hours in addition to their lunch period. All resource teachers and resource counselors will be assigned appropriate starting and dismissal times so that their normal workday will be eight hours in addition to their lunch period.

3. All professional personnel on a professional salary schedule A-D will be assigned appropriate starting and dismissal times so that the normal workday at their school will be seven hours in addition to their duty-free lunch period. Unit members' lunch period shall be no less than 30 minutes in length. Summer assignments for full-time professional development activities will be eight hours in addition to a lunch period.

4. When it is in the best interest of the education of children, all professional personnel shall make every effort to devote the additional time necessary to meet these needs, even though it may require them to work more than the indicated number of hours.

5. School-based unit members will indicate their presence by placing a check mark in the appropriate column of the faculty "sign in" roster. Appropriate starting and dismissal times will be assigned.

6. In regard to delayed opening and/or early dismissal authorized by the superintendent, the workday of school-based unit members on salary schedule A-D will begin twenty (20) minutes before the scheduled student starting time on said day, and will end as soon as all students under the unit member's direct supervision are clear of the school. The principal may require unit members to be on duty in excess of these times if they are needed to care for the children.

**B.**

1. School-based unit members may be required to remain after the end of the unit members' day without compensation for no more than three hours per month to attend faculty or other meetings, which will commence 15 minutes after the students' day. No single meeting will last more than one and one-half hours. When
needed for the educational program, it may be necessary to meet more than three hours per month (e.g., Middle States Association Evaluation, special programs, etc.) as determined by the principal after consultation with the faculty.

2. Attendance at all other assignments or meetings shall be voluntary except back-to-school night and any other two-duty-day or Saturday meetings or programs. Assignments to Sunday and holiday meetings or programs shall be voluntary.

C. 1. Principals will grant three and one-half hours planning time per normal week, two and one-half of which will be during the elementary teacher's student day and one of which will be during the elementary teacher's work day.

2. Every effort will be made to provide equal distribution for this planning time throughout the organization in keeping with the desires of the staff and individual schedules. However, at least one hour a week shall be uninterrupted.

D. In elementary schools, in consultation with the specialist and the classroom teacher, the principal shall release teachers for other professional activities when specialists in art, music, and physical education are instructing their students.

E. 1. a) Where the school is organized on a six (6) period schedule, each classroom teacher will be assigned no more than five (5) regular classes and one (1) period for preparation. Classroom teachers of vocational subjects may be assigned to teach six (6) regular classes when organized on a multiple class schedule, but will not be assigned a homeroom or other duties unless the classroom teacher requests additional activities.

b) Where the school is organized on a seven (7) period schedule, each classroom teacher will be assigned no more than five (5) regular classes. Classroom teachers of vocational subjects may be assigned to teach the equivalent of six (6) classes when organized on a multiple class schedule. All other classroom teachers may be assigned one period involving instructionally related activities, other than regularly scheduled classes, with students in clubs, activities, seminars, and study skill groups and one (1) period for preparation.

c) Schools organized on a modular schedule or other types of flexible scheduling will assign teachers on a basis comparable to the six (6) or seven (7) period day.

d) Teachers may volunteer to teach more than the above.

2. Secondary resource teachers will have a reduced teaching schedule when possible and will be excused from regular study hall duties and homeroom assignments. Secondary resource teachers' nonteaching periods shall not be a part of the teacher allocation.

3. Since every classroom teacher will plan differently for each
group of students, principals will strive to assign secondary school teachers in their major fields of certification and to require no more than three (3) separate preparations. A preparation is a process of making ready for the teaching task requiring time on a daily basis prior to meeting assigned classes, as for example, the formulation of teaching plans and the development of instructional materials.

F. The number of student instructional days shall not exceed 185 days.

G. The work year for all ten-month unit members (A-D) shall not exceed 191 duty days.

H. The number of days at work for a twelve-month unit member shall be determined by subtracting Saturdays, Sundays, holidays, and annual leave days from the total days in the year.

I. Unit members assigned classroom responsibilities shall have at least one day scheduled prior to arrival of students each fall during which time the unit member will be allowed to prepare his/her room and materials. No other meetings or duties shall be required of the unit member during the one-day period.

J. At least twice a year, one-half day shall be utilized for in-service programs to be planned as areawide workshops.

K. Teachers will not be required to perform custodial functions.

L. Although teachers may secure their own substitutes, they shall not be required to do so provided they inform the appropriate school official at least two hours in advance of the student day that they will be absent.

ARTICLE 7
CLASS SIZE

A. 1. The Board will make a conscientious effort to guarantee that no self-contained elementary class will exceed the number of students per classroom proposed in the current budget. If any class exceeds these numbers, every effort will be made to provide an aide for that teacher. In secondary schools, the Board will make a conscientious effort to reduce the number of classes that are above the desired maximum class size guidelines in the academic subjects as proposed in the current budget. In the event of a dispute over this article, the parties will meet in a good faith effort to resolve it.

2. The Board will continue to work to implement the staffing guidelines established by State Board of Education Bylaw 13.03.01.03. "The classroom teacher is the key member of the professional staff, and the degree of teacher time which is available to students for instructional purposes is a major index of educational quality. In recognition of the fact that the appropriateness of a specific ratio of pupils to each classroom teacher may vary in relation to such factors as subject requirements, pupil characteristics, and school size, no prescriptive and detailed ratio is set forth herein. In staffing schools with
classroom teachers, however, school administrators should regard ratios ranging from one classroom teacher for each 28 pupils to one for each 25 pupils as the arrangement which will be approximated following assignment of all professional personnel in the local school system. Each elementary school should be staffed with or have available resource personnel in order to provide a comprehensive program of instruction in all areas of the curriculum."

3. In making staffing decisions, the area associate superintendent and the principal shall give careful consideration to the views of the faculty.

B. Staff allocations shall not include special staff allocations that are provided as the result of federally or locally funded programs for disadvantaged students.

C. Staff allocations for elementary and secondary counselors, elementary and secondary librarians, teacher specialists, reading teachers, and speech teachers will be made as additions to the regular classroom teacher allocations.

ARTICLE 8
EDUCATIONAL SPECIALISTS

A. The Board agrees that the following numbers of specialists are indicative of the goals which it would like to attain where possible and practical in terms of the budget authorized by the County Council:

1. Elementary Schools
   Reading Specialists Not less than one for every two schools
   Music Teachers — Instrumental Not less than one for every five schools
   Art Teachers Not less than one for every 500 students
   Guidance Counselors and Social Workers This program to be expanded as budget permits with a continual evaluation to be carried out
   Music Teachers — Vocal Not less than one for every 500 students
   Physical Education Teachers Not less than one for every 450 students
   Librarians Not less than one per school

2. Secondary Schools
   Guidance Counselors Not less than one for every 300 students
   Librarians Not less than one for every 500 students
3. Pupil Services Personnel (including pupil personnel workers, school psychologists, social workers, community coordinators) Not less than one for every 2,000 students

4. Speech and/or Hearing Therapists Not less than one for every 1,800 students

B. Elementary art, vocal music, and physical education teachers shall be assigned to no more than two schools if possible and in no case more than three schools.

C. In the event a specialist in elementary art, music, and physical education is absent, a fully qualified substitute will be hired.

ARTICLE 9
MILEAGE

A. Teachers will not be required to drive pupils to activities which take place away from the school building. Teachers may do so voluntarily, however, with the advance approval of their principal or immediate supervisor, and will be compensated at the current Internal Revenue Service rate per mile for all driving done in their own automobiles. Thereafter during the life of the Agreement the mileage rate will be adjusted as necessary to reflect any changes in mileage allowance regulations issued by the IRS. Such adjustment or adjustments will be made effective on the first of the month following the official change in IRS regulations.

B. Teachers who are assigned to more than one school in any one school day will receive the IRS rate per mile for all assigned interschool driving.

C. The Board agrees to compensate the home economics teachers for all mileage required of them to obtain needed supplies at the IRS rate per mile.

D. Unit members who, in order to fulfill their job responsibilities as determined by the administration in advance, are required to use their own vehicles to complete those assigned job responsibilities, will receive the IRS rate per mile for all approved travel. Only travel that is in excess of the distance from the unit member’s home to and from the base school will be subject to reimbursement. In no case shall mileage be paid for travel for extracurricular activities or work beyond the regularly assigned function for which the unit member has been employed.

ARTICLE 10
UNIT MEMBER ASSIGNMENT

A. 1. All unit members on duty as of June 1 of any calendar year will be given written notice by the appropriate officials of their salary schedule and school assignment for the forthcoming school year
between June 1 and the end of the school year. Principals will notify all school-based members in writing of their projected class and subject assignment and other duties by the end of this school year. All unit members reporting on and after June 1 of any calendar year will be assigned and notified for the ensuing school year as soon as is feasible.

2. In the event that changes in such schedules, class, subject assignments, and/or duties are necessary after the end of the school year, all unit members affected will be notified promptly in writing with reasons. All unit members must leave summer addresses and telephone numbers with the appropriate official. Upon the request of the unit member affected, the changes will be promptly reviewed by the area associate superintendent, the unit member, and, at his/her option, a representative of the Association. If the unit member is not satisfied that such changes are necessary and if he/she wishes to resign, his/her resignation will be accepted without prejudice.

B. Principals will strive to assign teachers in the areas of their teaching certificates and/or their major or minor fields of study and/or their experience.

C. Changes in grade assignment in the elementary schools and in subject assignment in the secondary schools will be made by the principal who will invite teachers to express their preferences in writing. The principal will review preferences with the appropriate resource teacher, department chairperson, or team leader and/or grade level teachers directly affected. To the extent that it is possible, changes in grade assignments in the elementary and in subject assignment in the secondary schools will be voluntary.

D. Whenever practicable, in placing newly hired classroom teachers in a school assignment, the principal and the appropriate resource teacher or department chairperson shall have an opportunity to interview the new teachers.

E. Teacher aides shall be assigned directly to departments, teams, grade levels, or instructional programs. The decision as to their assignment shall be determined by the principal after consultation with his/her faculty.

ARTICLE 11
VOLUNTARY TRANSFERS

The voluntary transfer of unit members shall be effected by appropriate members of the administrative staff using the following procedures:

A. Requests for transfers by all unit members shall be made to the director of the Department of Personnel Services through the principal and area associate superintendent or department director to whom the individual is directly responsible. Requests may also be made directly to the Department of Personnel Services. All requests shall be received and recorded in the Department of Personnel Services. Unit members shall list their reason(s) for request to transfer.
B. Transfer requests shall be submitted through the principal and area associate superintendent or department head or the director of the Department of Personnel Services not later than the first Monday in March. Transfer requests received after this date shall be reviewed; and if a request warrants further consideration within the needs of the school program, it will be processed. The proper forms for unit members seeking transfers shall be available at the Department of Personnel Services if not available at the school buildings.

C. Transfers will not usually be approved for:
   1. Personnel who are to be evaluated for tenure
   2. Personnel who are requesting transfer out of their field of preparation and certification
   3. Personnel who are listed on a midyear report

D. If a voluntary transfer approved for the good of the school system causes a unit member to move from a field in which he/she holds a standard or advanced professional certificate to a field in which he/she does not hold a standard or advanced professional certificate, the unit member will sign a statement of understanding that will verify that the unit member is aware of the following:
   1. That they will have to take additional course work in order to become fully certificated in the field to which they are reassigned.
   2. That a reasonable period of time, but in no case more than two (2) years, will be established by the Board of Education to enable the unit member to meet the new requirements. A unit member who does not meet these requirements will have his/her certificate rated as Class II.

E. Transfer requests shall be forwarded to the appropriate area associate superintendent or department director.

F. The releasing and receiving area associate superintendents or department directors shall review each request and consider the needs and the best interests of the students, the school program, and the personnel involved. Transfers shall be effected by the director of the Department of Personnel Services when the request has been approved by both the releasing and receiving area associate superintendents or department directors. If more than one unit member has applied for the same position and both are acceptable to the principal, seniority in the MCPS will be considered a factor. However, the balanced staffing policy of the school system will take precedence over the consideration of seniority since each faculty unit should be appropriately balanced in terms of sex, race, ethnic background, age, and experience.

G. The Department of Personnel Services shall notify the unit member in writing and those concerned with the transfer when it is effected. This department shall notify each applicant as to the status of his/her transfer request not later than July 1.

H. If a unit member's request for a voluntary transfer is denied, he/she will, upon request, receive a written explanation of the reasons from the director of the Department of Personnel Services.
I. Transfers shall become effective July 1, but may be made at other times if the situation warrants.

**ARTICLE 12**

**IN VOLUNTARY TRANSFERS**

A. When a unit member is involuntarily transferred, he/she will have the opportunity to make known to the appropriate administrators his/her wishes regarding a new assignment.

B. Notice of an involuntary transfer will be given to the unit member as soon as possible.

C. In any involuntary transfer, the balanced staffing policy of the school system will take precedence over the consideration of seniority since each faculty unit should be appropriately balanced in terms of sex, race, ethnic background, age, and experience. A unit member's length of service in MCPS, area of competence, and major or minor field of study, will be considered significant factors. However, in the event that other significant factors are equal, a unit member's length of service will prevail except for the balanced staffing policy as stated in this section.

D. An involuntary transfer will be made only after a meeting between the unit member and the area associate superintendent, at which time the unit member will be notified of the reason for the transfer. A unit member may grieve an involuntary transfer that is alleged to be based on arbitrary or capricious reasons.

E. Unit members being involuntarily transferred will be informed of appropriate vacancies known at the time the transfer decision is made. Unit members will be able to indicate their preference of assignment.

F. When it becomes necessary for a unit member to transfer because of changes in enrollment or program, the Department of Personnel Services will give the transfer of the unit member priority in filling known vacancies.

**ARTICLE 13**

**NON A-D POSITIONS**

A. These positions are defined as positions other than those on the A-D Salary Schedule.

B. All vacancies in the above-defined positions will be published in the *MCPS Bulletin* immediately following the decision to fill such positions. Individual vacancies in those categories containing a large group of persons will be advertised as a classification and not on an individual school basis so that a person may be given adequate consideration for any one of the vacancies that may exist in any given category.

1. During the school year, the *MCPS Bulletin* will carry the vacancy list for these positions. Persons who desire to apply for such vacancies will submit their application, in writing, to the superintendent within the time limit expressed in the *MCPS Bulletin* in which the vacancy was published. The receipt of all applications
will be acknowledged promptly by the Department of Personnel Services.

2. Unit members may apply for the above defined positions which may become vacant during the summer months. Positions will be advertised in a summer employment bulletin. Applicants will inform the Department of Personnel Services of their summer addresses.

C. In the notice of vacancies in the MCPS Bulletin, qualifications, duties, and rates of compensation will be clearly stated. Where qualifications and duties may vary from the accepted qualifications for a position, the variations will be specified.

D. Upon written request, the superintendent or his designee will explain in writing to an applicant the reason he/she was not appointed.

E. All appointments made to positions on the above-defined positions will be listed in the MCPS Bulletin or the School Board Flashes.

F. In filling vacancies, consideration will be given to the presently employed unit members. Their length of service in the Montgomery County school system, areas of competence, major and/or minor fields of study, quality of performance, and attendance record will be considered in filling vacancies.

G. For one year only, when a unit member's position is reclassified to a lower paying classification, the unit member shall continue to receive his/her annual salary until such time as the salary is less than he/she would earn in his/her new salary classification.

ARTICLE 14
EVENING HIGH SCHOOL CREDIT PROGRAM

A. Unit members selected for evening high school credit program assignments shall be paid their hourly rate.

D. Unit members who are ill may use their accrued sick leave and charge 2.1 hours for a one-session position and 4.2 hours for a two-session position.

ARTICLE 15
EXTENDED-YEAR EMPLOYMENT

A. To meet school system program needs, consideration will be given to those unit members who apply and are found by the Board to qualify for those jobs that are available in the extended-year program. A factor in the qualifications to be considered will be prior summer employment with MCPS.
B. The Board agrees to budget 41,500 days for extended-year employment. Within the 41,500 days budgeted, the Board agrees to guarantee a minimum number of days of work in the extended-year employment program to unit members in the following positions:

- Media Specialists: 10 days
- Resource Teachers: 20 days
- Secondary Counselors: 21.5 days
- Teacher Specialists: 30 days
- Athletic Directors: 10 days
- Elementary Counselors: 10 days

(CF87 - 12 days)

(FY87 - 15 days)

C. Unit members will be notified concerning the status of their application for extended year employment as early as possible with a view toward facilitating personal plans of unit members.

D. Planning time shall be provided during the unit member’s duty day.

E. All required materials of instruction and equipment shall be available at the summer school assignment.

F. All Summer In-service and Curriculum Development Centers shall have clean appropriately equipped work areas, facilities, and rest rooms.

G. Ten-month unit members employed during the summer shall be eligible to use all and any accrued sick leave on any duty day when illness or disability prevents their reporting to their assignment.

H. The daily rate of pay for ten-month unit members shall be computed by dividing the unit member’s annual salary by 191 duty days.

I. Department chairpersons in departments of two or more unit members will be guaranteed two EYE days, one prior to the day teachers report for duty in the fall and one after the close of the school year in June.

J. Stipends, in lieu of salaries, may be provided for certain approved summer workshops for ten-month unit members. Participation shall be voluntary.

ARTICLE 16
UNIT MEMBER EVALUATION

A. 1. All observation of the work of a unit member will be conducted openly and with the observer visible to the unit member.

2. Upon request, unit members will be given a copy of any class visit or evaluation report prepared by their administrator or supervisor at least one (1) day before a conference is held to discuss it. No such report will be submitted to the central office, placed in the unit member’s file, or otherwise acted upon before the conference with the unit member. Unit members will be required to sign the evaluation memorandum as evidence that they have seen it. They will not be required to sign a blank or
incomplete evaluation form. Unit member’s signature does not signify acceptance of the rating.

B. 1. Unit members will have the right, upon written request on the appropriate form, to review the contents of their personnel file. If a unit member wishes to be accompanied by another person or a representative of the Association during such a review, that request must be entered on the request-to-review form. Confidential records such as application references and promotional references will not be made available to a unit member.

2. Nonconfidential material derogatory to a unit member’s conduct, service, character, or personality will be placed in his/her personnel file only if the unit member has had an opportunity to review the material. The unit member will acknowledge that he/she has had the opportunity to review such material by affixing his/her initials to the copy to be filed, with the express understanding that such initialing in no way indicates agreement with the contents. The unit member shall be permitted to attach his/her comments related to the derogatory material.

C. Complaints regarding a unit member made to any member of the administration by any person that are used in the evaluation of the unit member will be called to his/her attention. If the complaint is in writing, the unit member will be required to initial the material indicating that he/she has read it. He/she will be permitted to attach his/her comments related to the complaint. Reprisals taken by the unit member against any student, or any class, or any person will be cause for immediate investigation that may result in dismissal proceedings being activated.

D. The principal or immediate supervisor of a unit member will discuss the unit member’s work performance with that person prior to a formal evaluation of that performance.

E. Final evaluation of a unit member upon termination or retirement will be concluded prior to severance and no document or other material will be placed in the personnel file of such unit member after severance except in accordance with the procedures set forth in this article.

F. Evaluation of unit members during their probationary period of employment is of high importance to the teacher and the school system. Cooperative efforts will be made to work for his/her success but if, after one or two years, success does not seem possible, he/she will not be continued in employment. Upon receiving notice of nonrenewal of a provisional or regular contract, probationary unit members may, within ten (10) days of that notice, request a hearing by the superintendent. The unit member, upon request, will be given adequate notice of the hearing date. Reasons for the proposed action will be given to the unit member upon request. The unit member will be entitled to be represented by the Association and/or counsel of his/her choice and will be granted an opportunity to defend himself/herself, presenting arguments and/or evidence. The decision of the superintendent shall be in writing, stating the reasons for the determination.
G. Recognizing that each professional staff member must constantly seek ways to improve his/her effectiveness, a program of mutual and reciprocal annual evaluation by subordinates will be implemented for all unit members. This program will include evaluation of principals, classroom teachers, counselors, librarians, pupil services personnel and other unit members working with students, by students; and assistant principals and principals by teachers. All evaluative material will be confidential and for the sole use of the unit member being evaluated. Unit members are encouraged to share the results of the data and their plans for improvement with those individuals who have participated with them in the reciprocal evaluation process.

H. The current unit member evaluation system, including the instrument and the teacher evaluation system booklet of the Montgomery County Public Schools, Rockville, Maryland, as revised April, 1981, shall not be changed without prior notice and consultation with the MCEA.

ARTICLE 17

As the budget permits, each school will have the following facilities. Where such facilities are not immediately practical and possible, effort will be made to progress toward these objectives as quickly as possible.

A. Space in each classroom in which unit members may store instructional materials and supplies.

B. A work area for unit members containing available equipment and supplies, including a typewriter, to aid in the preparation of instructional materials.

E. A communication system for the main building office to communicate with unit members.

F. Well-lighted, appropriately equipped, and clean rest rooms for staff use.

G. An adequate portion of the parking lot at each school for employee parking.

H. In order to permit freedom of access both during and after regular school hours, all unit members of that building will, as needed for their work, be provided access to the lounge, teachers' workrooms, and through interior hallway gates. Upon request, subject to approval by the principal, teachers may be provided temporary access to an outside door in their area of the building during nonschool hours.

I. When space in the building is available, a separate dining area for the use of staff will be provided.
J. When a speech and hearing room is provided, every reasonable effort will be made to make it available for the exclusive use of the speech and hearing therapists during their assigned times in a school.

Association officers and/or representatives will be permitted to draw on a bank of 300 full paydays for the first year of this Agreement and 350 full paydays for the second and third years of this Agreement for use in external or internal Association business. 3. Use of the interschool mail facility is authorized to distribute official Association material. Printed materials or literature indicating MCEA's position concerning any candidate for public office may not be distributed through the interschool facility. Use of the facility to distribute material detrimental to the goals and purposes of MCPS or material in violation of the law is expressly prohibited. Violation of this section will result in loss of use of the facility for the remainder of the period of the Agreement.

4. The Association will be provided with the names and addresses of all new unit members as they are contracted.

F. The privileges granted in this article will continue unless the Association strikes.

G. The Association will be provided with an hour during the orientation program for newly employed teachers to use for Agreement orientation.

All recommendations of the PDEI Committee shall be sent to MCEA and the superintendent of schools.

B. When the Board or superintendent requires a unit member to take specific training which is neither required for renewal of his/her certificate nor results in salary improvement nor can be applied to an advanced degree program, the Board will pay for all costs in excess of the normal expenditures that a unit member might have incurred if the training were not undergone. Such costs will be determined by the superintendent upon the recommendation of the PDEI Committee.

C. For the term of this Agreement, the Board agrees to budget funds for the purchase of books, equipment, and other educational resource materials it determines to be necessary for use by the professional staff at a level not less than the dollar level included in the FY 1983 approved operating budget plus 10 percent (10%). The PDEI
Committee shall be consulted for recommendations. The Board will continue to provide help in processing teacher requests for in-service materials and for extending the hours of the professional library.

D. The Board encourages school staffs to develop community support for a program of released time for teachers to be used for improving instruction. The Board also encourages community involvement in the development of instructional improvement programs. Area staff, supervisors, and principals will work with school-based unit members to plan, develop, and execute programs designed to achieve these goals.

E. Participation by supervising teachers in the training of student teachers shall be voluntary and shall be based on criteria established by the Department of Staff Development. Student teaching assignments, programs, and work schedules will be submitted to the principal and the supervising teacher for final approval before the beginning of the semester in which the student teaching is to take place. The Board shall support a systematic program of training for those teachers who wish to train personnel from approved teacher training programs in accredited institutions.

F. Since the Department of Personnel Services administers the credit granting authority for salary placement, appeals from this authority should be provided. A special appeals board shall be established composed of three members appointed by the superintendent from Board staff, other than staff of the Department of Personnel Services, and three members appointed by the Association. The appeals board will receive appeals from the credit granting authority and recommend dispositions to the Office of the superintendent of Schools which will make the final decision. Annually, on or before May 1, the appeals board will review the criteria employed in granting of credit and report its findings to the PDEI Committee. Members of the appeals board will serve for two (2) years with new members appointed each year.

courses and for the development of new teacher competency courses

6. To provide for the assessment of the effectiveness of selected in-service courses and programs

ARTICLE 21
PROTECTION OF UNIT MEMBERS, STUDENTS, AND PROPERTY

A. The right of individuals to protect themselves and others consistent with the law shall not be denied to unit members as a condition of their employment.

B. The Board will take precautions to prevent theft, damage, and/or other types of vandalism on Board property. All unit members have the responsibility to develop in students habits of good citizenship and good behavior. All unit members share the responsibility to work with students to reduce vandalism.

C. Unit members shall exercise responsibility for:

1. Adequate supervision of pupils in all parts of the building during duty hours and during assigned supervision of school-sponsored student activities, reporting and preventing vandalism, willful waste of materials, supplies, utilities, or other school property, and aggression toward any individual

2. Supervision of the movement of pupils in the school building and in their activities on the school grounds

3. The security of the school and Board property provided for school use, particularly the classroom and its contents, and the conservation of utilities, materials, and supplies

D. The Board will put its full support behind the policies it adopts in matters of discipline, disruptive and/or unauthorized visitors. The Board and the unit members recognize a mutual responsibility for the enforcement of such policies.

E. Any case of assault on a unit member by other than another unit member shall be promptly reported by the unit member to his/her immediate supervisor. This report will be forwarded to the superintendent or designee who will comply with any reasonable request from the unit member for information in his possession relating to the incident or the persons involved.

F. In cases of assault on a unit member, the provisions of Article 19 (Leaves), Section D (Disability Leave), shall apply.

G. Where the unit member is charged with personal liability in relation to the duties and responsibilities of his/her assignment as prescribed by the Board of Education, he/she will be protected by the MCPS liability policy (Article 24) and he/she will receive all the legal assistance provided by that policy.

H. 1. Teachers in every school in the county may intervene in any fight or physical struggle which takes place in their presence in any school building or on the school grounds, between or among
students or any other persons. The degree and force of the intervention shall be as reasonably necessary to restore order and to protect the safety of the combatants and surrounding persons.

2. A teacher who incurs injury while thus intervening shall be compensated by the Board for necessary medical expenses resulting directly from the intervention and shall not suffer any loss of compensation for time lost from his/her school duties resulting directly from the intervention, but such compensation shall be reduced by any payments made pursuant to the Workmen’s Compensation Law.

3. In any suit or claim brought against the teacher because of the intervention, as provided for in Subsection 1 herein, by a parent or other claimant of one of the combatants, the Board shall provide legal counsel for the principal or teacher and shall save him/her harmless from any award or decree against him/her.

ARTICLE 22
MAINTENANCE OF CLASSROOM CONTROL AND DISCIPLINE

A. The Association and the Board, cognizant that classroom control is an essential element of an effective learning climate and that control in the classroom has a direct relation to the quality of instruction, agree that the primary responsibility for pupil conduct rests with the classroom teacher. It is the joint responsibility of the Board of Education, the administration, and the classroom teacher to provide educational and curricular offerings that will help motivate the students and meet their educational and emotional needs. When a student requires the attention of the principal, counselor, pupil services employee, physician, or other specialist, the classroom teacher will so inform the principal or designee who will arrange a conference as soon as possible. This conference will include the principal or designee, the classroom teacher, the pupil, and an appropriate specialist, where feasible, to discuss the problem and to explore possible steps to resolve it.

B. The classroom teacher-student relationship is the key to changing behavior before a serious problem develops. Therefore, a classroom teacher may retain a student after school on the same day that an incident occurs if the classroom teacher notifies his/her parent or guardian by telephone or other means and obtains permission. If permission is not obtained, the student will normally fulfill his/her obligation to meet after school with his/her classroom teacher the following school day.

C. When a student’s behavior seriously disrupts the instructional program to the detriment of other students, the classroom teacher may temporarily remove him/her from class and refer the student to the principal or designee. Prior to readmission, the principal or designee will be responsible for working with the situation. If the principal, after consultation with the classroom teacher, determines that it is necessary, he/she will arrange, as soon as possible, a
conference among himself/herself or designee, the teacher, and possibly appropriate specialists to discuss the problem and to explore steps to resolve it. If mutually satisfactory steps do not result from this conference, the principal may, after consultation with the classroom teacher, schedule another conference involving the parent(s), area associate superintendent, and/or a member of pupil services. After consultation with the teacher, the principal or designee will determine when the student will return to class.

D. Physical restraint may be used by a teacher in an extraordinary case of breach of discipline to restrain a disruptive pupil, provided the force used is reasonable under the circumstances. The teacher shall inform the principal at once of such an action and shall make an accurate, written account of it, within 24 hours, if possible.

E. The principal shall be responsible to see to it that an appropriate disciplinary procedure is developed for each school building with the total involvement of all members of the faculty and administration. Involvement of students and parents will be utilized in the planning and implementation of such a procedure. Said procedure shall be submitted to the building faculty in question for possible revision prior to its implementation.

F. The student disciplinary procedure developed by each school shall be evaluated yearly by the staff, and appropriate alterations or changes shall be proposed to the total faculty prior to implementation.

ARTICLE 23
PERSONAL INJURY BENEFITS

A. When a unit member is absent from school as a result of personal injury caused by an accident or an assault occurring in the course of his/her employment as used and defined in workmen’s compensation, the unit member will be paid his/her full salary, less the amount of any workmen’s compensation award made for temporary disability due to said injury for the period of such absence. No part of such absence will be charged to the unit member’s annual or sick leave.

B. The Board will reimburse a unit member up to a limit of $15,000 for the cost of medical, surgical, or hospital services (less the amount of any insurance reimbursement) incurred as the result of any injury sustained in the course of the unit member’s employment except injuries covered by Article 21, Section H.

C. In the event that a unit member has any clothing or other personal property damaged or destroyed as the result of his/her enforcement of school regulations, the Board of Education will reimburse the teacher for such loss up to an amount not to exceed $800, provided, however, that the unit member can produce the proof that his/her property was damaged as a result of his/her enforcement of school duties.

ARTICLE 24
INSURANCE AND ANNUITY

A. 1. The present Employee Benefit Plan, as contained in the booklet
entitled "Your Benefit Plan," (Appendix B) shall be maintained for the life of this agreement and shall not be changed except as may be recommended to the parties by the joint MCEA-MCPS Committee as provided in Paragraph D of this article.

2. For the term of this Agreement, the Board agrees to continue the following plan of shared premium cost for the current employee benefit plan:

D. The joint MCEA-MCPS committee for the purpose of reviewing periodically the employee benefit plan shall be continued and shall make recommendations to the parties when warranted. Each party shall appoint three members of the committee.

E. The Board agrees to pay a sum up to the same dollar amount provided under the MCPS plan for all unit members currently enrolled or who shall enroll in a Board of Education-approved qualified prepaid health maintenance organization. New employees may enroll during eligibility periods as set forth in the benefit plan. Transfers between plans will be limited to no more than one (1) time each year at group reopening periods.

ARTICLE 25
PERSONAL AND ACADEMIC FREEDOM

A. The personal life of a unit member shall be the concern of, and warrant the attention of, the Board only as it may directly prevent the unit member from properly performing his/her assigned functions during duty hours or violate local, state, national, or common law, or be prejudicial to his/her effectiveness in his/her teaching position.

B. Religious activity, political activity, marital, or parental status shall not be grounds for discrimination for professional employment or promotion, providing said activities do not violate state, local, national, or common law, or are not prejudicial to the unit member's effectiveness in his/her teaching position. The Board and the Association agree that they will not take any action against any unit member because of his/her participation in religious, political, or teacher organization activities conducted outside duty hours and off school property.
C. Each unit member recognizes and accepts his/her obligation to support the goals of education and to foster respect for the heritage of democratic values.

D. The Board and the Association, believing that academic freedom is basic to the attainment of the educational goals of the Montgomery County Public Schools, agree that:

1. Unit members shall be responsible for providing students with the opportunity to investigate various sides of the topics presented in their courses, particularly in relation to controversial subjects, within such limits as may be imposed by relevance to the course, the level of maturity and the intellectual ability of the students, and the time available. Unit members shall permit freedom of expression on those topics that are matters of opinion so that students may weigh alternate views and make up their own minds. Students shall be encouraged to examine, analyze, evaluate, and synthesize the information available to them before drawing conclusions in order to develop as fully as possible their capacities for rational judgment. Unit members shall strive to promote tolerance for the opinions of others and respect for the right of all individuals to hold and express differing opinions.

2. A unit member does not have privileged status by virtue of his/her position to make statements that are libelous, slanderous, or that violate the civil rights of others.

3. A unit member may express his/her own opinions in regard to political, social, and religious values or issues provided that the total presentation is essentially balanced and fair. He/she shall not use his/her professional contacts with students to further his/her own political aims or those of any individual or group.

E. The Board and MCEA agree that there shall be no discrimination by the Board or MCEA against employees because of race, color, creed, religion, national origin, sex, age, marital status, or because of a physical handicap.

F. No unit member shall be disciplined without proper cause. If a remedy exists under Article 6, Section 202 of The Annotated Code, Education [Volume], it is understood that actions taken under that article and section are not subject to the grievance and arbitration procedure in Article 3 of this Agreement. For the purpose of this paragraph, discipline shall be defined as including reprimand and warning notices.

G. Unit members will be suspended with pay when under investigation by the administration. A unit member will be entitled to have an Association representative present when the unit member is to be disciplined.

H. Unit members who claim administrative harassment, intimidation, and reprisal may seek relief through administrative complaint, and where appropriate, the Department of Human Relations, the Department of Employee Assistance Services, or the Office of Ombudsman.
ARTICLE 26
BOOKS AND OTHER INSTRUCTIONAL MATERIALS AND SUPPLIES

A. The Board will budget funds to the superintendent and staff to provide for the purchase of new and/or replacement textbooks, library books, other instructional materials, supplies, and equipment of sufficient quality and quantity to support the instructional program both during the regular school year and in summer school programs. The Board agrees to submit in its budget request for FY 1985 no less than the dollar amount provided on a per pupil basis in the 1983 budget.

1. Instructional materials and supplies will be funded to maintain the present rate and to provide for increases in rate as needs indicate and as budget funding will allow.

2. The various programs of instruction supported by the Board will be funded according to purposes and needs.

3. At the time of initial allocation of the materials of instruction funds, a report to the principals of how these funds are allocated will be provided by the superintendent to the schools.

4. Summer school materials and supplies shall be funded in addition to the regular school allocation. An additional allocation will be made for summer school laboratory courses.

B. Distribution of those materials of instruction funds allocated on a per pupil basis shall be based on the projected enrollment for the school year with the final allocation of these funds based on the actual enrollment on September 30.

C. Unit members using personal funds to purchase materials and/or supplies with the advance approval of their principal or immediate supervisor will be reimbursed for the amount of the purchase upon submission of an appropriate receipt.

D. Although teachers may be required to collect and transmit money to be used for educational and insurance purposes, they will not be held responsible for the loss of money collected if such loss is not due to the negligence of the teacher.

ARTICLE 27
DIFFERENTIATED TEACHER RESPONSIBILITY AND FLEXIBLE STAFF ORGANIZATION

A. The Association and the Board agree that the concept of differentiated responsibility and flexible staffing is potentially a valuable tool which should be applied more widely in the Montgomery County Public Schools to help keep pace with the needs of children.

B. The Association and the Board agree that any design for differentiated staffing, to be successful, (1) must meaningfully involve classroom teachers and the local faculties from the initial stages of development through implementation and evaluation, (2) must clearly define roles and responsibilities of certificated and noncertificated personnel,
and (3) must seek the understanding and support of the community during development, implementation, and operation.

C. The Association and the Board agree that successful implementation of this concept depends upon maintenance of constructive teaching loads.

D. The Association and the Board urge local school faculties to initiate in-depth studies of the many ramifications of differentiated staffing.

E. The Association and the Board agree to consider proposals for differentiated pay plans which originate with local school faculties after the school has successfully implemented a differentiated staffing plan for at least two full school years.

F. Prior to the implementation of any Differentiated Teacher Responsibility and Flexible Staff Organization plan that affects unit members’ wages, hours, salaries, and other working conditions, the plan shall be submitted to the parties for negotiation of salary, wages, hours, and other working conditions.

G. The Board of Education and the Association agree to jointly develop procedures to negotiate any pay plan as noted in F. above. Such negotiation can be scheduled separate from the regular negotiations upon mutual agreement of the parties.

ARTICLE 28
DEDUCTIONS FROM SALARY

A. As unit members individually and voluntarily authorize the Board, the Board agrees to deduct from the unit members’ salaries one single payment periodically to include (1) dues for the Montgomery County Education Association, (2) dues for the Maryland State Teachers Association and the National Education Association, and (3) premiums for the MCEA insurance plans. This authorization for MCEA, MSTA, and NEA dues and/or premiums for the MCEA insurance plans and other miscellaneous assessments will remain in effect until one or more of these deductions are added or dropped as authorized in writing by a unit member and received by MCEA on or before September 10. The amount deducted from a unit member’s salary each year will be for the total dues and/or the MCEA insurance premiums as certified by MCEA by authorization form signed by the individual signifying that such deductions shall be at the “current rate.”

B. The Board agrees to transmit the deductions promptly to the Montgomery County Education Association, including a list of names and the amount of each deduction.

C. MCEA will certify to the Board in writing the current rate of membership dues for the three associations by September 1. Further, the Association agrees to certify in writing the current premiums for the insurance plans for each unit member, using payroll deductions for this purpose at the time he/she enrolls or changes his/her status.

D. The number of deductions referred to in Section A are to be made
during the school year and the amount of each deduction will be as mutually agreed upon by the Board and the MCEA. The Board will honor any authorizations for dues deductions and MCEA insurance premiums received after the beginning date of withholding provided, however, that it will deduct the amount only for each remaining pay period and for the number of pay periods that have been agreed to by the Board and MCEA. Authorizations for deductions will be honored beginning with whatever pay period the records are open.

E. The Board will withhold taxes for unit members who live in jurisdictions other than Maryland no later than July 1, 1985.

B. A part-time unit member shall be eligible on a proportional basis for all the benefits enjoyed by a full-time unit member.

C. Part-time unit members shall be given consideration for full-time employment in any classification that they are qualified for as vacancies develop during the term of this contract.

ARTICLE 30
PROCEDURES FOR REDUCTION IN PROFESSIONAL STAFF

A. Authority/Definition

The Board of Education of Montgomery County retains the right to reduce its force, and its decision on such reduction is not subject to the grievance procedure. However, any action taken under Sections B., C., and D. of this article shall be grievable.

Reduction of professional staff shall mean that the termination of a
unit member(s) will occur because of one or more of the following reasons:

1. Decrease in student enrollment
2. Changes in curriculum
3. Decline in subject or grade level enrollment
4. Budget limitations

B. Procedure

3. Nontenured unit members holding regular certificates
4. Tenured unit members

When a reduction in professional staff is necessary, a unit member's length of service in MCPS and quality of job performance will receive equal consideration in determining those individuals who will be terminated. Among additional factors to be considered will be the competency of the teacher as related to the program needs of the school.

For the duration of this contract, seniority will be given additional weight for unit members with six (6) or more years of service with MCPS, unless individuals with demonstrably superior qualifications are available for the positions.

C. Recall

2. In the event that a unit member does not desire at the time of termination to be placed on the list for priority consideration for reemployment, he/she shall receive full payment for all earned unused leave. For those terminated unit members with tenure, they will receive, in addition, one (1) month's salary for each year of creditable MCPS service up to a limit of six (6) month's salary.

D. Any unit member who is terminated due to a reduction in force may be placed on leave without pay for the six (6) months immediately following the end of duty and may choose to continue membership in the health benefit plans offered by the Board of Education by paying the full cost of membership in these plans during those six (6) months.

E. Early Retirement Incentive Plan

The Joint Committee will reconsider and resubmit its proposal and the Board of Education will make every effort to implement the plan
of the Joint Committee. The Joint Committee shall continue to meet to oversee the plan and make additional recommendations to the Board of Education.

F. The superintendent will attempt to provide a period of retraining for tenured unit members so that they can be placed in positions for which they would not otherwise qualify without such training.

ARTICLE 31
GENERAL

A. If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held to be contrary to law or State Board bylaw, such provision or application will not be deemed valid and subsisting, except to the extent permitted by law; but all other provisions or applications will continue in full force and effect. Nothing in this Agreement is intended to deny or abrogate any of the powers or responsibilities of the Board of Education and the superintendent that have been assigned to them by any Maryland law or regulation of the State Board of Education.

B. The Board will amend its written policies and take such other action as may be necessary to give full force and effect to the provisions of this Agreement.

C. The Board will print copies of the agreement. The Board will distribute a copy to each newly-hired unit member. MCEA will be given 500 additional copies of the agreement.

D. Any written communication to be given by one party to the other under this Agreement will be given by telegram, registered mail, regular mail, or personally receipted mail. If given by the Board, said notice will be sent to the Montgomery County Education Association, 1776 East Jefferson Street, Rockville, Maryland 20852; and if given by the Association, such notice will be sent to the Board of Education of Montgomery County, 850 Hungerford Drive, Rockville, Maryland 20850. Either party may, by like written notice, change the address at which notice to it may be given.

E. Any article in this Agreement that is dependent for its fulfillment upon public funds shall be subject to and contingent upon funding by the County Council of Montgomery County or upon subsequent renegotiation as described elsewhere in this Agreement.

F. This Agreement incorporates the entire understanding of the parties on all matters which were or could have been the subject of negotiation. During the term of this Agreement, neither party will be required to negotiate with respect to any matters whether or not covered by this Agreement and whether or not within the knowledge of contemplation of either or both of the parties at the time they negotiated or executed this Agreement.

G. The terms of this Agreement shall not be construed in such a way as to prohibit the Board of Education from providing a racially or
sexually balanced staff in each building or program or for the purpose of implementing an affirmative action program.

ARTICLE 32
IMPASSE PROCEDURES

A. An impasse shall be deemed to exist if the parties have not concluded a tentative agreement by December 20.

C. In the event that the parties are unable to agree upon a third party, the parties agree to submit their impasse to the American Arbitration Association for assistance in the selection of a third party.

D. If a panel is activated, said panel shall meet together and individually with the parties, and within thirty (30) days render a report setting forth its recommendations for the resolution of the impasse. The parties agree to cooperate with the panel and provide such information and assistance as it may request.

E. The parties shall have five (5) days to react to the panel's recommendations. If the impasse is not then resolved, either party may make the panel's findings and recommendations public. The panel's findings and recommendations shall be advisory only and not binding on either party.

F. It is agreed and understood by the parties hereto that this Agreement represents the full Agreement between said parties to date on all matters negotiated in accordance with Section 6-408 of The Annotated Code, Education [Volume]. Said Agreement, if changed by action of the county fiscal authority, shall be submitted to the parties following the funding of the school operating budget by said authority. If renegotiation of said Agreement is required and final ratification is agreed upon by both parties, said final ratification will constitute final execution of this Agreement. It is further understood that when ratified, this Agreement shall be given full force and effect by said parties for the entire term thereof.

G. If the Montgomery County Council, in the exercise of its fiscal authority under the law, reduces the budget recommendations of the Board of Education and such action makes it necessary for the Board to reduce one or more items that have been negotiated, such items and all other negotiated items that are dependent upon budget funding shall be subject to renegotiation prior to the Board of Education rendering the final determination as to all matters which have been the subject of negotiations in accordance with the impasse procedures provided for in Section 6-408 of The Annotated Code, Education [Volume].

SUPPLEMENT

School Board Authority; Article 2, Negotiation Procedure; Article 3, Grievance Procedure; Article 4, MCEA-Administration Liaison Committee; Article 9, Mileage; Article 18, Association Rights and Privileges; Article 21, Protection of Unit members, Students and Property; Article 22, Maintenance of Classroom Control and Discipline; Article 25, Personal and Academic Freedom; and Article 31, General, of the Basic Agreement shall apply herein.
This report is the product of a joint MCEA/MCPS committee which was established in the 1982 round of contract negotiations. The report has the approval of the Superintendent and the Board of Education.

A. Voluntary Transfers

1. Voluntary transfer policies are described in Article 11 of the MCEA/MCPS contract.

2. The Division of Staffing will compile a list of all voluntary transferees and distribute the list to all appropriate associate superintendents and principals/program administrators.

3. Voluntary transfers will continue to be processed in conjunction with the assignment of involuntary transfers and employees returning from leave until July 1. After that date, no voluntary transfers will be allowed if there are involuntary transfer or leave employees to be assigned. Exceptions to this rule will be allowed only if there are no unit members within an area of specialization or if it is determined that the transfer contributes directly to the reassignment of other unit members involuntarily transferred or returning from leave. Those unit members who have not requested voluntary transfers through the officially approved procedure will be disapproved.

4. Normally, no voluntary transfers will be allowed after August 15. Until August 15, unit members approved for voluntary transfer shall have priority over new hires for filling vacancies. The appropriate associate superintendent will closely monitor transfers in cooperation with the Division of Staffing.
B. Returning From Leave

1. Unit members returning from leave will fill out a Returning From leave Preference for Reassignment form supplied by and returned to the Division of Staffing.

2. In order to match unit members with appropriate vacancies, subject coordinators/supervisors may be asked to provide information and make recommendations about the reassignment of unit members returning from leave.

3. Normally, unit members returning from leave will be reassigned to the school or office which they left if an appropriate vacancy occurs in that school or office.

C. Involuntary Transfers

1. Involuntary transfer policies are described in Article 12 of the MCEA/MCPS contract.

2. Unit members involuntarily transferred from closing schools will meet with a representative of the Department of Personnel Services and given a Preference for Reassignment form which the unit member will submit to the Division of Staffing. All other unit members involuntarily transferred will be notified in person by the appropriate associate superintendent or designee and given a Preference for Reassignment form which the unit member will submit to the Division of Staffing.

3. A list of involuntarily transferred unit members who must be reassigned will be compiled by the Division of Staffing. This list will be provided to all appropriate associate superintendents who also inform principals in their respective areas of the unit members for whom a new assignment must be arranged. It is the responsibility of the appropriate associate superintendent(s) to ensure that a suitable assignment will be arranged for those unit members being reassigned. As vacancies develop, principals shall contact the Division of Staffing, review the lists of unit members needing placement and their Preference for Reassignment forms, and arrange interviews with individuals who meet the needs of the particular school.

4. Appropriate associate superintendents, acting on the advice of principals, must make every effort to identify staff to be involuntarily transferred as early as possible. Normally, unit members being affected will be identified no later than two weeks after the final allocation is received by the respective area and/or school (approximately May 25). Two allocations are given—a tentative and the final. Some unit members to be involuntarily transferred may be identified when the tentative allocation is given. If this is done, the process of reassignment can be expedited.

5. When involuntary transfers are necessary, efforts will be made by the principal and appropriate associate superintendent to allow unit members to voluntarily place themselves on the involuntary transfer list.
6. An article will appear in the *MCPS Bulletin* late in May regarding the status of unit members being involuntarily transferred and returning from leave and the procedure used to reassign them. Information will also be presented in the *MCPS Bulletin* regarding the procedure for retirement.

7. Each area will hold a meeting, prior to the last day of school in June, to allow unit members who are being involuntarily transferred the opportunity to discuss the ramifications of being involuntarily transferred and the procedure and opportunities for reassignment. This meeting will be held within the area; personnel staff will be in attendance to assist area administrators with the presentation.

8. Working with principals in their areas and the staff in the Division of Staffing, appropriate associate superintendents are responsible for the reassignment of unit members being involuntarily transferred within their areas.

9. Staffing specialists in the Division of Staffing work cooperatively with the appropriate associate superintendents and principals in filling vacancies and assist unit members in arranging new assignments. Unit members are asked to contact staffing specialists to discuss additional questions or problems that might arise.

10. The Division of Staffing will also provide the appropriate associate superintendents with a complete weekly list of vacancies and also refer unit members to principals as vacancies occur. Their list will be available for review in the schools, area offices, and the central office. It should be noted that the vacancy list is the mechanism by which the Division of Staffing records vacancies that develop and, as such, simply reflects vacancies that exist on the date the list was compiled. Since positions are filled daily, the weekly list does not present an accurate list of vacancies beyond the date of publication.

11. If all unit members being involuntarily transferred and returning from leave are not reassigned by the end of the first full week of June, the Division of Staffing will meet each week with the deputy superintendent and the appropriate associate superintendents to arrange administrative assignments until all unit members are reassigned. This process may continue through the month of August.

12. Every effort will be made to fill vacancies within one week if unit members being involuntarily transferred or returning from leave are available. Vacancies will not be held or frozen because a principal or administrator is on leave. An administrator at the school or appropriate associate superintendent or designee will take action to fill the vacant position. If not, the Division of Staffing will recommend to the appropriate associate superintendent a unit member being involuntarily transferred, returning from leave, or a new hire to fill the position.

13. Individual unit members seeking a change in their employment status, i.e., part time to full time, may not do so until all full-time
involuntarily transferred and returning from leave unit members in their teaching fields have been reassigned. In any case, the needs of the school system prevail and part-time unit members must be willing to accept full-time positions if no part-time positions are available, take up to one (1) semester of U&I leave without pay, or terminate their service with MCPS.

14. Bona fide educational needs must be considered before full-time unit members are permitted to become part-time unit members. If no full-time positions are available, full-time teachers returning from leave may accept a part-time position (see Appendix for letter of request), take up to one (1) semester of U&I leave without pay, or terminate their service with MCPS.

15. No new unit members within any given field of instruction or classification will be employed for specific assignments until all unit members being involuntarily transferred and returning from leave in that category are reassigned.

16. Any unit member who might need to be involuntarily transferred will be reassigned to his/her same position if an appropriate vacancy occurs at a later date. The unit member who has been involuntarily transferred should, however, have the option of determining whether he/she is to be reassigned to the original school if he/she has already been assigned to another position. No changes will be made if the vacancy occurs after August 15, unless the two participating associate superintendents, principals, and the teacher agree to the change.

17. Principals will notify the Division of Staffing and area office as soon as they have determined whom they will request for a given vacancy.

18. The balanced staffing policy must continue to be considered. In specific situations, vacancies may remain open for a period in an attempt to find an appropriate unit member.

D. Additional Procedures to be Followed for Transfer of Staff From Schools That Are Closing

1. Immediately following the Board decision to close a school, a representative from the Division of Staffing shall contact the appropriate associate superintendent to arrange a meeting with all the staff of the school. The appropriate associate superintendent and representatives from the Division of Staffing then meet with the total staff to discuss transfer procedures shortly after the decision has been made to close the school. Thereafter, if the school is not closing in that school year, another meeting will be held in the spring of the year in which the school actually closes.

2. Personnel representatives shall also schedule individual conferences with those unit members who have requested such a conference to discuss at mutually agreeable times such matters as certification and transfer.

3. Before filling any vacancies in a receiving school, the principal from the designated receiving school will arrange to interview all
teachers from the designated closing school who express a preference to follow students to the receiving school.

4. In filling any vacancies in a receiving school, the principal will consider the following significant factors: certification, length of service in MCPS, area(s) of competence, major or minor field of study, and whether the unit member would follow the students to the receiving school. Where more than one applicant is acceptable to the principal, the opportunity to follow students to the receiving school will receive additional consideration.

5. School-based Unit Members in Positions with Contractually Guaranteed EYE
   a. Vacancies occurring in such positions in closing schools will be filled on an acting/temporary basis with candidates from either inside or outside the school using the normal process for filling such vacancies.
   b. For a two-year period, beginning July 1, 1982, and ending June 30, 1984, such vacancies in all schools will be filled on an acting/temporary basis unless filled by a person already in the job class or in the "pool" described.
   c. Any unit member who has satisfactory evaluations and is in such a position in a closed school or who is involuntarily transferred will be placed in a "pool." As future openings in the job class occur, the principal having the opening must consider persons from the "pool," leave returnees who have been in that job class, or voluntary transfers currently in that job class. The principal must hold interviews from among those eligible after considering the specific qualifications needed to fill the position. If, because of program needs, the principal is unable to identify someone from the "pool," a leave returnee or a voluntary transferee to fill the position, the principal may, with the approval of the appropriate associate superintendent and director of personnel services, assign an acting person to the position until the end of the school year. Those positions being filled on an acting basis will be readvertised yearly and filled by someone from the pool, leave returnee, or voluntary transferee. This process will continue until all members of the pool have been assigned. Requests to extend an acting assignment beyond one year must be approved by the deputy superintendent. Employees in an acting capacity are guaranteed EYE days and stipends as stipulated for the position. These employees will be reinstated to their former school and position if they assume an acting assignment after January 1. All other employees in acting capacities prior to January 1 will be involuntarily transferred to appropriate vacancies as they develop. Applicants may request from the Division of Staffing an explanation of why they were not selected for the position.
   d. If a unit member in the "pool" or currently holding such a position refuses to be interviewed or turns down a position
that is offered, he/she will no longer be considered in the “pool.”

e. Any unit member in such a position whose school is closing and is not assigned by the date the school is closed, will be guaranteed his/her “normal” EYE days for that summer and will have the option of receiving his/her salary differential for one year only while in the “pool,” or electing not to receive the differential and being allowed to accept the sponsorship of stipended activities.

6. Voluntary Transfers from Closing Schools [in year(s) prior to actual closing]

a. Any unit member of a closing school who is selected for a Promotion would be allowed to assume the new responsibilities.

b. Unit members of a closing school should be allowed to apply in the usual way for voluntary transfers. Principals and associate superintendents and the Department of Personnel Services should carefully screen transfer requests to assure that the school maintains an outstanding staff in the years leading up to its closure. Voluntary transfers will be permitted only under very carefully scrutinized conditions.

7. Requests for voluntary transfers out of receiving schools will be treated as all other voluntary transfer requests.

E. Procedures for Termination and Recall of Employees Due to Reduction in Force

1. The reduction-in-force policies are described in Article 30 of the MCEA/MCPS contract.

2. A list will be supplied to MCEA by the Department of Personnel Services which that department will use in reductions in force consistent with the procedures and factors listed in Article 30 of the agreement.

3. The offices of the deputy superintendent, special and alternative education, and personnel services will review the list to determine jointly who will be notified of termination. Termination notices will be hand-delivered to affected unit members by a personnel representative who will explain the reduction-in-force and recall procedures.

4. A Preference for Reassignment form will be completed for each terminated unit member to assist in the recall and reassignment process.

5. Information sessions to discuss two-year priority consideration for reemployment and other fringe benefits due terminated unit members will be arranged by the Division of Staffing. Unit members will also be informed to keep in close contact with a specific personnel representative.

6. After unit members involuntarily transferred and returning from leave have been placed, the Department of Personnel Services, utilizing the prepared list and following established procedures,
will recall and reassign unit members terminated through reduction in force as appropriate vacancies occur.

F. Procedures for Resignation

1. A unit member wishing to terminate employment, or vacate his/her position, must give 30 days’ written notice to the Department of Personnel Services on or before July 15. Except in cases of emergency, resignations with less than proper notice will be considered a breach of contract.

   a. Any unit members resigning with less than 30 days’ notice on or before July 15, or who resign after July 15, will be required to have a conference with either the director of the Department of Personnel Services or the director of the Division of Staffing regarding their resignation.

   b. The use of the termination request form (MCPS 480-4) will be required. (These forms can be ordered from the warehouse.)

   c. An announcement will be placed in the MCPS Bulletin regarding the 30-day notice requirement in late May. In addition, notification will be included in a salary check in June for unit members.

   d. Discussions of the 30-day termination notice requirement will be held by appropriate associate superintendents and principals in area meetings prior to May 31.

   e. The Division of Staffing will monitor the receipt of resignations. If it is determined that any unit member has withheld submitting a resignation or any principal has advised a unit member to withhold a resignation, the director of the Division of Staffing will confer with the principal and appropriate associate superintendent regarding the matter.

2. Unit members planning to retire should contact the retirement counselor in the Division of Insurance and Retirement as early as possible.

Dear ______________________,

I voluntarily request a reduction in my teaching assignment. I understand that if I accept a part-time assignment and I desire to have my hours increased at a future date, such a request could only be honored pending the availability of appropriate vacancies, the non-existing need to reassign full-time teachers, and the selection by an administrator.

I further understand that as a part-time employee in order to be considered for full-time employment, that I must notify personnel in writing of my intent, with a copy to my principal/supervisor.

Recognizing fully the conditions as stated above, I hereby accept a position at ____________________________

APPENDIX C

MEMORANDUM OF UNDERSTANDING REGARDING IMPLEMENTATION OF ARTICLE 28.F OF COLLECTIVE BARGAINING AGREEMENT BETWEEN MONTGOMERY COUNTY EDUCATION ASSOCIATION AND MONTGOMERY COUNTY PUBLIC SCHOOLS

The Montgomery County Education Association ("MCEA") and the Montgomery County Public Schools ("MCPS") are parties to a collective bargaining agreement, effective August 31, 1984 ("Agreement"). Set forth below is the understanding of the parties with regard to the implementation of Article 28.F (i.e., the representation fee provision) of the Agreement:

1. (a) Within ten (10) days after execution of this Memorandum of Understanding, MCEA will notify MCPS in writing of the amount of the representation fee to be charged to unit members for the 1984-85 contract year under Article 28.F of the Agreement. For each subsequent contract year, MCEA will provide such notification prior to October 1.

(b) Pursuant to Section 6-407 (c) (2) of the Maryland Education Code, the representation fee "may not exceed the annual dues of the members of the organization." Such members' annual dues include payments earmarked for MCEA and its state and national parent organizations, the Maryland State Teachers Association ("MSTA") and the National Education Association ("NEA"), respectively, and the representation fee will be determined with respect to this three-tiered structure.

2. Prior to December 1, 1984, of the 1984-85 contract year, and prior to October 1 of each subsequent contract year, MCEA will determine the percentage of its members' dues, as defined in Paragraph 1 above, that represents the cost of "negotiations, contract administration, including grievances, and other activities as are required under Section 6-407 (b) of" the Act. (Section 6-407 (c) (1)). MCEA will base this determination on a review of financial records and other documents describing MCEA's activities and will be guided by the language of the Act, the United States Supreme Court decisions in Ellis v. BRAC and Abood v. Detroit Board of Education, and other relevant federal and state court decisions. The representation fee will not include the cost of political or ideological activities unrelated to collective bargaining, other activities not germane to collective bargaining, or benefits or activities available to or benefiting only MCEA members (e.g., member-only insurance programs).

3. Promptly after notifying MCPS of the amount of the representation fee pursuant to Paragraph 1 above, MCEA will send a written
communication to each employee in the unit who is required to pay such a fee under Article 28.F of the Agreement. This communication will inform the employee, inter alia:

(a) of his or her obligation under Article 28.F and this Memorandum of Understanding to pay a representation fee to MCEA;

(b) of the amount of the representation fee and the manner in which it was determined;

(c) of his or her option to pay the representation fee directly to MCEA or to execute a payroll deduction form authorizing MCPS to deduct the fee from his or her salary. The mechanics for the deduction of representation fees and the transmission of such fees to MCEA will, as nearly as possible, be the same as those used for the deduction and transmission of membership dues to MCEA; and

(d) that his or her failure to pay or authorize payment of the representation fee will not affect his or her rights, benefits or status as an employee of MCPS.

4. (a) If an employee who is required to pay a representation fee under Article 28.F of the Agreement is employed in a unit position on a part-time basis or for less than a full contract year, the representation fee for that employee for said contract year will be a pro rata portion of the annual fee, based on the number of days actually worked during said year, rounded to the nearest month.

(b) If the employment of an employee who is required to pay a representation fee under 28.F of the Agreement is terminated (voluntarily or otherwise) before MCEA has received the full amount of the representation fee to which it is entitled, said employee will be liable to MCEA for the unpaid portion of the fee.

5. If an employee who is required to pay a representation fee under Article 28.F of the Agreement fails to do so, MCEA may take appropriate steps—including the commencement of legal action against the employee—to collect the amount in question. MCPS will not be required to terminate a unit member's employment or take disciplinary action against a unit member for failing to pay or authorize payment of a representation fee.

6. Consistent with Section 6-407 (c) (4) of the Maryland Education Code, which is incorporated herein, the obligation to pay a representation fee will not apply to an employee whose religious beliefs are opposed to joining or financially supporting any collective bargaining organization. In order to be eligible under this paragraph for an exemption from the obligation to pay a representation fee for any contract year, an employee must:

(a) submit to MCEA and MCPS prior to January 1 of the 1984-85 contract year, and prior to October 1 of each subsequent contract year, or within thirty (30) days after being hired into a unit position, whichever is later, a written statement setting forth the basis of his or her religious belief;
(b) during said contract year pay an amount equal to the representa­tion fee to a nonreligious, nonunion charity or to such other charitable organization as may be agreed upon by said employee and MCEA; and

(c) prior to the end of said contract year furnish to MCEA and MCPS written proof of such payment.

7. Article 28.F of the Agreement will not apply to short-term substitutes as defined in Paragraph 3 of the Definitions Section of the Substitute Teacher Addendum, but will apply to long-term substitutes, as defined in said Addendum, who are hired after August 31, 1984. Promptly after receiving the quarterly list referred to in Paragraph 8 below, MCEA will bill long-term substitutes who are required to pay a representation fee under Article 28.F for a pro-rata portion of the annual fee based on the number of days actually worked during the quarter in question. MCEA will send a written communication to each long-term substitute who is required to pay a representation fee informing the employee of his or her obligation under Article 28.F of the Agreement.

8. Within ten (10) days after the end of each month, beginning with the month during which this Memorandum of Understanding is executed, MCPS will submit to MCEA a list of all employees who were hired into unit positions during said month. Within ten (10) days after the end of each quarter, beginning with the September through November 1984 quarter, MCPS will submit to MCEA a list of all employees who were employed as long-term substitutes during said quarter. These lists will include the names, job titles and dates of employment for all such employees.

9. MCEA has agreed to indemnify and save MCPS harmless against, inter alia, any claim arising out of actions taken or not taken by it in regard to the implementation of Article 28.F of the Agreement and this Memorandum of Understanding. MCEA will assume primary responsibility for the defense of any such claim. Counsel for MCPS will be permitted to enter an appearance and will be kept fully apprised of litigation developments by counsel for MCEA, but MCEA will not be responsible for any legal fees MCPS may incur in this regard.

Any dispute between the parties as to the meaning or application of this Memorandum of Understanding will constitute a grievance within the meaning of the grievance procedure in the Agreement.
