SUBJECT: Board/CEA Agreement

Enclosed please find a copy of the negotiated Agreement between the Columbus Board of Education and the Columbus Education Association. In an effort to supply this information to you without delay, we have forwarded a copy of the draft which must be reviewed by both parties and may require some minor changes. A corrected copy will be forwarded to you at a later date.
This Agreement entered into at Columbus, Ohio, this day of September 5, 1979, between the Columbus Board of Education of the Columbus City School District (hereinafter referred to as the "Board") and the Columbus Education Association (hereinafter referred to as the "Association").
CHAPTER 100

Article 101 RECOGNITION

The Board recognizes the Association as the sole and exclusive bargaining representative for all teachers of the district. For purposes of this Agreement, the term "teachers" shall mean the certificated teaching employees of the Columbus City School District including, but not limited to, certificated teachers, nurses, dental hygienists, and full-time (minimum of six (6) hours per day and a minimum of thirty-seven (37) weeks per year) hourly rated teachers. "Teachers" shall also mean other regular full-time professional staff members except classified and civil-service type personnel and except educational aides and educational media aides. Members of the bargaining unit as defined above may hereinafter be referred to as "teachers" or "members of the bargaining unit." All employees herein defined as teachers shall be members of the bargaining unit but said bargaining unit shall exclude the Superintendent, Assistant Superintendents, Principals, Assistant Principals, and other administrative or supervisory personnel. "Other administrative or supervisory personnel" shall include any certificated or professional employee having the authority to responsibly direct other certificated or professional employees and the authority to hire, transfer, assign, promote, discharge, or discipline other certificated or professional employees, or to responsibly recommend such action.

Article 102 RESPONSIBILITY OF THE BOARD

It is recognized by the parties that the Board is invested by the laws of the State of Ohio with the management and control of all the public schools in the Columbus City School District. The authority shall include, but shall not be limited to the right to hire, discharge or discipline teachers, subject to the terms of this Agreement and applicable law, and the authority to make such rules and regulations, subject to the terms of this Agreement and applicable law, as are necessary for the government of the public schools, the employees of the Board, and the pupils of the schools. Nothing in this Agreement shall constitute a derogation or transfer of the authority of the Board as established by the laws of the State of Ohio.

Article 103 AUTHORITY OF THE SUPERINTENDENT

The administrative authority of the Board shall be implemented by the Superintendent, Deputy Superintendent, Assistant Superintendents, Principals, Assistant Principals, and other administrative or supervisory personnel employed by the Board. The Superintendent shall have the sole authority to direct, assign and transfer teachers, subject to the terms of this Agreement and applicable law.

Article 104 RESPONSIBILITY OF THE ASSOCIATION

The Association shall represent all teachers of the Columbus City School District equally and without discrimination, regardless of their membership or non-membership in the Association, provided however, that the
Association may charge a reasonable fee for any services, other than representation in collective bargaining negotiations, rendered as a result of the request of non-members. Such fee charged any individual non-member during the life of the current Agreement may not exceed an amount equal to that of Association dues.

Article 105 EQUAL EMPLOYMENT RIGHTS

Members of the bargaining unit will not be discriminated against in any way in the exercise of their employment rights or their rights under this Agreement because of race, color, creed, national origin, age, or sex.

Article 106 CONTINUOUS PERFORMANCE PLEDGE

106.01 The Association agrees that it will neither cause nor sponsor any strike, "study day," "professional holiday," or other work stoppage during the period of this Agreement. In the event that the Association violates this provision, it shall be subject to appropriate penalties by the Board; provided, however, that any dispute as to whether this provision has been violated shall be subject to final and binding arbitration pursuant to the rules of the American Arbitration Association.

106.02 Any teacher who initiates or participates in a strike or other act prohibited by this Article will be subject to disciplinary action by the Board; provided, however, that the question of such participation shall be subject to final and binding arbitration pursuant to the rules of the American Arbitration Association.

106.03 The Association will make every reasonable effort to prevent or terminate violations of the pledge.

Article 107 PRESENT POLICIES

107.01 To the extent that any provision of the Administrative Guide, other Board policy, regulation or procedure, or building level policy, regulation or procedure conflicts with an express provision of this CEA/Board Agreement, the provisions of the CEA/Board Agreement shall have precedence.

107.02 Prior to Board adoption or revision of any provision of the Administrative Guide which governs teachers, Board representatives shall consult with representatives of the Association a minimum of thirty (30) days prior to such adoption.

Article 108 BOARD-ASSOCIATION CONSULTATION

108.01 During the term of this Agreement, the Board or its administrative agents shall make it a practice to advise the Association President or his/her designees prior to the adoption of new or substantially
revised city-wide policies, programs, or procedures of significant importance to and directly involving teachers.

108.02 During the term of this Agreement, the Superintendent of Schools and designees shall meet on a regular basis, generally once a month, with not more than five (5) representatives of the Association to discuss matters of policy, procedure, and program of the school district. In order to promote a free exchange of views, all matters discussed in such meetings shall be considered confidential by all parties unless otherwise noted in the meetings.

108.03 All administrative forms provided by this Agreement shall be mutually acceptable to the Board and the Association, subject to binding arbitration in case of dispute. The development of such mutually acceptable forms shall include discussion between the parties of the procedures for the use of such forms. In the event mutual agreement on a form does not occur, the Board shall be free to utilize its preferred form until the arbitrator renders a decision.

108.04 All school forms developed by the school district shall be free of sexual stereotyping. The school system may continue to use supplies of forms presently in stock. The Association may advise the Assistant Superintendent, Business Services, of any forms in need of revision. No form that is in violation of this Article shall be the subject of a grievance unless the form has been identified as provided above. Existing supplies of such a form may be continued in use until liquidated.

Article 109 RIGHTS OF THE ASSOCIATION

109.01 The President of the Association or his/her designees shall have the right to visit all schools in the district for the purpose of carrying out Association business. Such visits shall be made only upon prior notification to the school principal, and a statement to the principal of the purpose for the visit. In no event shall such visits interfere with or interrupt normal school operations.

109.02 The Board of Education shall supply the Association with names and addresses of all new teachers within one (1) week after official Board action employing such teachers. Such information shall be only for the private use of the Association.

109.03 Membership Dues Deduction

A. Membership dues of the Association, either Form A membership or Form B membership, and its district, state, and national affiliates, shall be deducted in ten (10) equal installments beginning with the fourth paycheck of the school year on the basis of deduction authorizations supplied by the Association to the Treasurer. Such deductions shall be irrevocable for periods of one (1) year except
that authorizations may be withdrawn during a period of fifteen (15) days each year ending September 15, provided that notifications of withdrawal are submitted to the Treasurer during such fifteen (15) day period. Notification of the irrevocable condition and of the fifteen (15) day withdrawal period ending September 15 shall be set forth clearly on the face of the deduction authorization form.

B. The enrollment period for such deductions shall be from September 1 to October 20 each year. Authorization shall be on a continuing basis from year to year unless a request for withdrawal is submitted in writing to the Treasurer of the Board, with a copy to the Association.

C. The balance of the annual deductions shall be deducted from the final paycheck of a member resigning his/her position, receiving a leave of absence, or terminating his/her employment after the opening of school.

D. The Association will indemnify the Board and Treasurer against liability for all deductions made in accordance with these provisions.

E. The Association will compensate the Board in the amount of fifteen cents ($.15) per member per year for the payroll deduction service to be deducted from the first deduction period each school year.

F. The Board will provide the Association with a single printout for all organizations showing the members from whom dues were deducted and the appropriate organization. This itemized statement with a transmittal letter will be prepared monthly.

109.04 The Association shall be provided bulletin board space in the area of teacher mailboxes in each school for the posting of notices and other materials relating to Association activities. Such notices and other materials shall not include campaign materials or endorsements for candidates in local, state, or national public elections. Such materials may be posted by teachers in teachers' lounges. The bulletin board space shall be identified with the name of the Association and Association Building Representative(s) who has the responsibility for maintaining the bulletin board.

109.05 During the term of this Agreement, principals, assistant principals, school clerks, secretaries and other office personnel shall not distribute nor post materials from any employee union or similar organization except to distribute mail which is addressed to employees by name or except where the employee is posting or distributing material as a function of such employee's role in such an organization.

109.06 Representatives of the Association shall be permitted to transact Association business on school property at reasonable times with the approval of the principal, without charges, provided that this shall not interfere with or interrupt normal school operations.
109.07 The President of the Association shall only be required to teach a class load equivalent to one-half (½) of the normal daily teaching assignment. The Association shall reimburse the Board for one-half (½) of the President's annual gross compensation, including the Board's contribution on his/her behalf to any fringe benefits (including contributions to the State Teachers' Retirement System).

If it is necessary for the President to devote his/her efforts to his/her Association duties on a full-time basis, he/she shall, upon request of the Association, be granted a leave of absence, without pay, from his/her teaching duties. Such leave shall be granted for one (1) school year, but will be renewed upon request of the Association on a year-to-year basis, as required. The President shall be given full credit on the salary scale for the period of leave.

Upon request of the Association, one additional designee of the Association shall only be required to teach a class load equivalent to one-half (½) of the normal daily teaching assignment. The Association shall reimburse the Board for one-half (½) of the designee's annual gross compensation, including the Board's contribution on his/her behalf to any fringe benefits (including contributions to the State Teachers' Retirement System).

Such requests shall be made in June of each year. Such designee shall not be changed during the school year without thirty (30) days prior notification to the Board and shall not be changed during the school year except as a result of a change in elected officers of the Association.

109.08 The Association Building Representatives may request the principal's permission to use individual school office equipment and audio-visual equipment when such equipment is not otherwise in use.

109.09 Upon written request to the Board prior to September 30, the Association shall be provided a regularly scheduled period of fifteen (15) minutes of air time each week on WCBE after 3:30 p.m. for educational programs and announcements.

109.10 The members of the Association's Board of Governors and the Association's Building Representatives shall be permitted to work on Association business in their assigned school building until the arrival of their pupils each morning and immediately after their pupils' departure each afternoon provided such activities do not interfere with the regular school responsibilities of such Governors and Building Representatives. In addition, members of the Association's Board of Governors and the Association's Building Representatives shall be permitted to leave their assigned school building after their pupils' departure in the afternoon in order to attend scheduled meetings of the Association provided such scheduled meetings do not interfere with the regular school responsibilities of such Governors and Building...
Representatives. Governors and Building Representatives who leave their assigned school building after their pupils' departure in the afternoon shall advise the building administrator of the nature of their departure.

109.11 Representatives of the Board will not interfere with the Building Representative in scheduled hearings where the teacher is entitled to representation as provided in this Agreement. However, nothing in this provision is intended to limit in any manner the authority of the principal to give direction or to discipline the Building Representative except as provided in the scope of this Article.

109.12 Prior to September 10, 1976, Board representatives will advise the Association President of the payroll deductions procedures which will be followed by the Board for authorized political contributions of teachers making such contributions. Such procedures will include furnishing the names and addresses to the appropriate organization of teachers making such contributions, and such procedures will be developed in consultation with the Association.

Article 110 GRIEVANCE PROCEDURE

110.01 During the course of this Agreement, problems may arise concerning the interpretation or application of the policies, rules, and procedures of the Board or the provisions of this Agreement. When such problems arise, an attempt should be made to settle them informally by the principal and teacher or teachers involved. A problem which cannot be resolved informally will be processed as a grievance.

110.02 Each grievance shall be processed in the following manner:

Step 1.
A. Within ten (10) school days after the occurrence of the incident which is the subject of the grievance, the teacher involved will reduce the grievance to writing, on a form provided by the Board, and will present it to the building principal. Upon receipt, the principal will place a copy of the grievance in the Association Building Representative's school mailbox.

B. Within four (4) school days after the grievance is submitted, the building principal will discuss the grievance with the teacher involved and attempt to resolve it. If the teacher wishes, the teacher may be accompanied at such meeting by a representative of the Association. At the request of an individual grievant, the Step 1 hearing shall involve only the grievant and the principal. The principal may be accompanied by another administrator at Step 1 except when only the individual grievant and principal are involved. The role of the accompanying administrator in the hearing will be to advise and counsel with the principal. The principal will conduct the hearing.
C. Within four (4) school days after this meeting, the principal will state the decision in writing on the grievance form and provide a copy to the grievant.

Step 2. If the grievant is not satisfied with the decision concerning the grievance made by the principal at Step 1, the teacher may, within four (4) school days of receipt of such decision, request the principal to forward the grievance to the Superintendent. Upon such request being made, the principal will forward the grievance to the Superintendent within two (2) school days. The Superintendent shall schedule a hearing within ten (10) school days of receipt of the grievance, and shall notify the grievant and the Association of the time and place of such hearing. Within five (5) school days after such hearing, the Superintendent, or the Superintendent's designated representative at such hearing, shall notify the grievant of the decision in writing.

110.03 The failure of a grievant to appeal any decision to the next Step within the time set forth for such appeal shall constitute a waiver of the right of further appeal, and a final disposition of the grievance shall be made on the basis of the last decision given. Any of the time limits established in this Grievance Procedure may be waived by mutual agreement of the parties.

110.04 All grievance hearings shall be held outside of the normal teaching hours of the grievant or grievants involved so as not to interfere with their teaching responsibilities. A representative of the Association shall have the right to be present and may, at the option of the grievant, represent the grievant at all steps of the grievance procedure and arbitration except as provided in Step 1. A teacher shall not be represented or accompanied by a representative of any other employee organization at any grievance or arbitration hearing.

110.05 In the event there is a grievance which involves a number of teachers in one school, it may be submitted as a group grievance. The teachers involved in the grievance will be named on the grievance form.

110.06 In the event there is a grievance which involves a number of teachers in more than one school, it may be submitted as a group grievance by the Association and may be instituted at Step 2 of the Grievance Procedure, if the Association so elects. The teachers involved in the grievance will be named on the grievance forms.

110.07 In the event there is a grievance which involves a condition of general concern to the teaching personnel of the Columbus City School District, it may be submitted by the Association as an Association grievance and may be instituted at Step 2 of the Grievance Procedure, if the Association so elects.

Article III ARBITRATION

111.01 If a grievance is not satisfactorily resolved at Step 2 of the Grievance Procedure, above, the Association may make a written request
for arbitration within fourteen (14) calendar days after receipt of the
decision of the Superintendent or his/her designated representative.

111.02 Within three (3) days after this written request for arbitration,
the Board and the Association shall attempt to agree upon a mutually
acceptable arbitrator and shall obtain a commitment from said arbitrator
to serve. If the parties are unable to agree upon an arbitrator or
to obtain such a commitment within the specified period, a request for
a list of arbitrators shall be made jointly to the American Arbitration
Association. An arbitrator shall be selected from the list submitted
by alternately striking names from the list.

111.03 The arbitrator so selected shall be requested to hold a hearing
on the earliest date available, and, unless such time is extended by
mutual agreement, shall issue his/her decision not later than thirty
(30) days from the date of the hearing. The arbitrator's decision
shall be in writing and shall set forth his/her findings of fact,
reasoning, and conclusions on the issue submitted.

111.04 The parties recognize that the Board of Education is legally
charged with the responsibility of operating the school system. The
sole power of the arbitrator shall be to determine whether established
policy or the terms of this Agreement have been misinterpreted or in-
equitably applied, and the arbitrator shall have no power or authority
to make any decision which modifies, alters, or amends any existing
policy or the terms of this Agreement or which is violative of the
terms of this Agreement. The arbitrator shall not substitute his/her
judgment for that of the Board, except in the following circumstances:

A. Where an issue to be determined by the arbitrator is an issue
of fact;

B. Where the issue before the arbitrator involves the interpretation
of the terms of this Agreement;

C. Where the issue before the arbitrator involves interpretation of
existing school policy.

111.05 The decision of the arbitrator shall be submitted to the Board
and to the Association and, subject to law and the foregoing stipula-
tions of this Agreement, shall be final and binding in respect to the
interpretation, meaning, or application of any provision of this
Agreement or of any existing school policies. Other recommendations
of the arbitrator shall be advisory only and no judgment may be
entered thereon.

111.06 If the Board fails or refuses to comply with a final and binding
decision of an arbitrator rendered in accordance with the provisions
of this Article, the Continuous Performance Pledge set forth in Article
106 will be of no force or effect.
111.07 The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel and subsistence expenses, shall be borne equally by the Board and the Association. The expenses of witnesses and other representatives shall be borne by the party they represent. A stenographic record of the arbitration proceedings shall be made. Each party shall pay for its own copy of such record, and the parties shall share equally the cost of the arbitrator's copy.
Article 201  ACADEMIC FREEDOM

201.01 Teachers shall be guaranteed academic freedom. Such freedom shall be exercised within the bounds of general standards of professional responsibility, and shall not prohibit consultation and direction by Board representatives. The right to academic freedom herein established shall include the right to support or oppose political causes and issues outside of the teaching role and the teacher's school related activities and relationships.

201.02 During the term of this Agreement there shall be no general expansion of the city-wide standardized testing program prior to discussion with representatives of the Association as provided in Article 108. This provision shall not restrict the Administration from modifying present tests, from substituting new tests for those tests presently being utilized so long as such substitution does not result in a significant increase in teacher duties related to test administration, from making minor additions to present tests, or from discontinuing a particular test and substituting a different test at that or another grade level so long as the new test does not result in a significant increase in teacher duties related to test administration.

201.03 In the event the school administrator changes a student's final grade, the administrator will initial and date such change.

Article 202  PRINCIPAL'S ADVISORY COUNCIL

202.01 Each school shall have a Principal's Advisory Council, to be organized during the first month of the school year, consisting of not more than five (5) teachers, which will meet with the principal and members of the staff at least once a month.

202.02 The Association Building Representative shall be a member of the Principal's Advisory Council. Two members of the Council shall be elected by secret ballot of the teachers at a general staff meeting. The remaining two members of the Council shall be appointed by the principal. All members shall serve by consent. The term of office shall be one school year.

202.03 The Principal's Advisory Council shall be advisory only, and is intended to assist the principal and the school staff in developing policies and programs for the school involved. The Council shall assume the responsibility for being knowledgeable about matters in this Agreement which relate to its functions.

202.04 The Council shall elect a Chairperson at its first meeting each year. The Council Chairperson shall prepare an agenda prior to each subsequent meeting, after consultation with the principal. The Council Chairperson shall record the business of each meeting and shall make a written report of such business to the teachers. It
shall be the responsibility of the principal, utilizing the office staff, to provide each teacher with a copy of the agenda no later than two (2) days after receiving it from the Chairperson. The length of the Council Chairperson's report is to be no more than five (5) single spaced typewritten pages unless a larger report is deemed necessary by the Council Chairperson and the principal.

202.05 Each professional staff member shall have the right to have matters placed on the Council Agenda and shall have the right to speak to the Council on an item which the staff member has initiated unless a majority of the Council shall vote to limit the discussion. The Council's meetings shall be open to all teachers in the building, except that a majority of the Council may declare executive session.

Article 203 ELECTION OF DEPARTMENT CHAIRPERSONS

203.01 Department Chairpersons in secondary schools shall be elected by the teachers in the respective departments each school year.

203.02 The term of office shall be from June to June.

203.03 Department Chairpersons shall serve by consent.

203.04 The various departments' members shall develop guidelines for the role of the Department Chairperson.

Article 204 LENGTH OF SCHOOL DAY

204.01 Elementary school teachers shall normally be on duty thirty (30) minutes before classes begin and secondary teachers shall normally be on duty fifteen (15) minutes before classes begin. Teachers shall normally remain on duty until they have completed their professional duties, but in no event shall they leave the school prior to fifteen (15) minutes after the close of the scheduled school day. It is understood that when split sessions are in operation, teachers will leave the schools after their students as soon as possible after 6 p.m.

204.02 The length of the school day for all elementary schools shall normally be five and one-half (5 1/2) hours per day, excluding the lunch period.

204.03 The length of the school day for all secondary schools shall normally be seven (7) hours per day, including one (1) class period for lunch. Secondary schools shall normally be in session from 8:30 a.m. until 3:30 p.m.

204.04 Except as provided elsewhere in this Agreement, the regular work day for all full-time teachers is to be seven and one-half (7 1/2) hours. Such seven and one-half (7 1/2) hours shall include a duty-
free lunch period. Teachers may contract individually with the Board for extra-duty assignments that may extend beyond the seven and one-half (7 1/2) hour day. Full-time hourly-rate teachers and those members of the bargaining unit not assigned to a regular school staff shall have a regular work day not to exceed eight (8) hours. In no event shall a teacher's work day begin before 7:00 a.m. or end after 6:00 p.m. except as specifically provided elsewhere in this Agreement, unless the teacher so elects from time to time, or unless the teacher elected employment for, or chose assignment to, a position with a posted work day beginning before 7:00 a.m. or ending after 6:00 p.m. Kindergarten teachers employed on a half-time contract shall have their responsibilities as established in this article reduced as nearly as practical by 50 percent, recognizing that the pupil day in a.m. kindergarten classes in many elementary schools has a duration of three hours.

204.05 In schools that vary their schedules from the normal teacher work day of 8:15 a.m. to 3:45 p.m. or from the normal pupil day of 8:45 a.m. to 3:30 p.m. in elementary schools and 8:30 a.m. to 3:30 p.m. in secondary schools teachers shall be provided lunch periods, conference periods, and other release-time periods stipulated by this Agreement for various assignments approximately equal in minutes per week to those periods provided teachers in schools on normal schedules. Nothing in this provision shall prohibit the Board from developing innovative programs and schedules in certain schools so long as the staff in such a school, by secret ballot, votes approval of such innovation, provided no teacher is required to work in excess of the provisions of Section 204.04 above and provided no teacher is required to work in excess of the teacher's regular contract year. Prior to any such secret ballot vote the Principal's Advisory Council shall study the proposed innovative programs and schedules and shall make recommendations to the staff.

204.06 The lunch schedule for each elementary school shall be developed by agreement between the principal and the Advisory Council of the school involved except that no teacher shall be deprived of at least a thirty (30) minute uninterrupted duty-free lunch period. In the event that no such agreement is reached the final determination shall rest with the principal bearing in mind the preferences of the teachers as shown through a written ballot, the results of which shall be posted on the school's bulletin board. The choice of schedules shall be as follows:

<table>
<thead>
<tr>
<th>Plan I</th>
<th>Plan II</th>
<th>Plan III</th>
<th>Plan IV</th>
</tr>
</thead>
<tbody>
<tr>
<td>AM 8:45 - 11:45</td>
<td>PM 1:00 - 3:30</td>
<td>AM 8:45 - 11:45</td>
<td>PM 12:45 - 3:15</td>
</tr>
<tr>
<td>AM 8:45 - 11:45</td>
<td>PM 12:30 - 3:00</td>
<td>AM 9:00 - 11:45</td>
<td>PM 12:30 - 3:15</td>
</tr>
</tbody>
</table>
204.07 It is understood by the parties that during the term of this Agreement elementary school schedules may be adjusted in order to accommodate transportation needs provided the normal pupil day shall not begin before 8:30 a.m. nor later than 9:00 a.m. In addition, the normal teacher work day, as provided in Section 204.04 and the normal length of the school day, as provided in Section 204.02 shall not be exceeded.

204.08 In the event a court-ordered pupil reassignment plan is implemented, the starting times for schools will be staggered as needed by the Division of Administrative Services in order to provide for the efficient utilization of buses. It is expected that schools may begin operation as early as 7:30 a.m. or as late as 9:30 a.m. The lunch schedule for elementary schools may vary between 45 minutes and 1 hour 15 minutes and may be modified by the Division of Administrative Services. Such modification by the Division of Administrative Services shall only be made on a school-by-school basis where the need exists to accommodate bus schedules. No teacher shall be deprived of at least a thirty (30) minute uninterrupted duty-free lunch period. The thirty (30) minutes before classes and fifteen (15) minutes after classes provided in Article 204.01 will normally be changed to forty-five (45) minutes before classes and fifteen (15) minutes after classes in elementary schools with a one-hour lunch period established as a result of this provision.

Article 205 BUILDING STAFF MEETINGS

205.01 All teachers assigned to a school building will be required to attend two (2) regular staff meetings per month if called by the principal of that school. Except in the case of emergency, or as provided below such required staff meetings will not extend beyond 4:30 p.m. or more than 45 minutes beyond the teacher's scheduled school day.

205.02 In addition to the regular staff meetings, the principal, in consultation with the Principal's Advisory Council, may schedule two (2) 45 minute staff meetings per month and/or extend one (1) required staff meeting per month a maximum of 30 minutes beyond these limitations for purposes of staff development. Attendance at such additional meetings or extension will be voluntary unless a majority of the staff shall have voted by secret ballot to require attendance at a particular meeting. In the case of such meeting, at which attendance is required the Principal's Advisory Council shall assist the principal in developing the program and agenda.

205.03 Announcements concerning Association activities may be made by the Association's Building Representative at the conclusion of staff meetings.
205.04 Except in the case of emergency, the principal shall not schedule building level staff meetings and/or building level workshops involving the majority of the teaching staff in the afternoon of the first Thursday of each month during the regular school day.

205.05 The afternoon of the first week day in the school year shall be for the teacher's own professional utilization at his/her assigned building.

Article 206 TEACHING ENVIRONMENT AND NEW BUILDINGS

206.01 Teachers shall work under safe and healthful conditions.

206.02 Duplicating machines and a typewriter shall be made available in each school for the use of teachers in carrying out their professional tasks.

206.03 Each classroom shall have sufficient chalkboard and bulletin board space to complement the teacher's instruction.

206.04 Teachers shall be permitted to have coffee-making devices and coffee and soft drink vending machines in teachers' lounges as space permits. If not otherwise available, teachers shall be permitted to have efficiency-type ranges and refrigerators in teachers' lounges as space and the availability of utilities permit. All such devices and equipment shall be maintained by the faculty. Teachers shall not be required to perform the custodial duties in the staff lounge and shall not be required to prepare food, clean tables or perform other significant custodial chores in connection with hot lunch programs. Teachers who use the staff lounge or use the appliances in the staff lounge may be required to share in the cleaning of the appliances, to keep their personal property cleaned and stored, and to leave their eating area in a clean and orderly condition. The expenditure of any profits realized from the above-mentioned vending machines shall be, in accordance with guidelines established by the principal in consultation with the Principal's Advisory Council where the development of such guidelines are requested by the Principal's Advisory Council.

206.05 Classroom interruptions by the public address system shall be permitted only in the case of an emergency. Regular announcements shall be made only at the beginning and the close of the school day. Other classroom interruptions for administrative or other purposes shall be held to a minimum.

206.06 Not less than one room appropriately furnished and vented shall be reserved for use as a faculty lounge in which smoking will be permitted.
206.07 Where an extension telephone for the use of the professional staff is not presently available in a school building, one shall be installed upon request of the Association Building Council. The location of the extension telephone shall be determined by the principal. Such telephones may not be locked during the normal school day, nor teachers otherwise unreasonably inconvenienced in their use.

206.08 The Board recognizes that clerical responsibilities detract from the effectiveness of the classroom teachers; therefore a continued effort shall be made, with this Agreement, to avoid substantive increases in such clerical work. However, the parties recognize that, in the event reductions in school personnel are necessary, such reductions may adversely impact the Board's effort.

206.09 The following shall be provided in each school built or substantively remodeled as a result of the passage of the November, 1972 bond issue subject to the availability of space:

A. A lunch area for teachers separate from that of pupils;

B. Adequate storage facilities in which teachers may store instructional supplies;

C. A workroom available for use of teachers containing the equipment and supplies necessary for the preparation of instructional materials.

206.10 Teachers shall be actively involved in the planning of any new buildings.

206.11 The expenditure of any profits received from fund raising projects for a school's General Fund in which teachers were directly involved may be considered by the Principal's Advisory Council with appropriate recommendations to the principal.

206.12 Upon request, any teacher shall be advised in a reasonably prompt manner of the status of the various school fund accounts.

Article 207 GUIDELINES FOR CLASSROOM VISITATIONS

The association and the Board wholeheartedly support parent and community involvement in schools and encourage members of the community to visit the schools. However, because of the potential interruption and disruption of children's education posed by uncontrolled classroom visitations, the Board hereby adopts as its policy the following guidelines for public or parental visitations in classrooms in order to minimize disruption of the educational process:

A. All visitors must check in at the office upon entering the school.
B. The visitor shall be escorted to the classroom unless the teacher is expecting the visitor and directions to the visitor will be sufficient. In the latter case the teacher should be advised by the office so the teacher will know the office is aware of the visitor's presence.

C. Where practical, visitations should be by prior arrangement with the teacher. Visitors should inform the teacher of the general purpose of the classroom observation or visitation in advance.

D. Teachers shall have the right to reschedule a visitor when prior arrangements have not been made.

E. Where practical the visitor and teacher should arrange a conference to discuss the observation.

F. No electronic devices will be used to make any record of the visit except by agreement of the teacher.

G. Every effort will be made to minimize the amount of disruption caused by such visits.

In the event a problem develops in a given school with regard to application of the guidelines provided in this Article, an effort shall first be made by the teachers involved to resolve the problem directly with the principal before the filing of a grievance.

Article 208 CLASSROOM ATMOSPHERE

208.01 The Administration recognizes its responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom. It is the responsibility of the teachers and Administration to provide an atmosphere within the classroom and within the school building that is conducive to learning. When it becomes apparent that a break-down in classroom discipline is caused by a particular pupil who is disruptive in nature, it is the duty of the teacher and the principal to find a reasonable solution to the problem. It is the responsibility of the teacher to have previously taken steps to solve the problem if the pupil had been assigned to that teacher for a reasonable period of time. Such steps may include instructional strategies designed to modify the student's behavior, appropriate discipline, and parental contacts.

208.02 When the disruptive pupil is identified, a coordinated program will be undertaken by the teacher and principal to determine the causes for the disruptive performance, and to develop an individualized action program to meet the needs of the disruptive student.
208.03 A conference may be held among the student's teacher(s), a guidance counselor, the visiting teacher, the parents, and the principal to determine the details of a program to help the student. Such a conference may call upon the participation of the student, a school psychologist, an activities coordinator, the school nurse and a probationary officer as necessary.

208.04 Should the above action not be taken by the principal and the pupil's disruptive behavior continue, the teacher shall have the right to file a grievance at Step 2 of the Grievance Procedure.

208.05 As provided in Section 3319.41 of the Ohio Revised Code, a person employed or engaged as a teacher, principal, or administrator in a Columbus school may inflict or cause to be inflicted reasonable corporal punishment upon a pupil attending such school whenever such punishment is reasonably necessary in order to preserve discipline while such pupil is subject to school authority. Such person may also, within the scope of his/her employment, use and apply such amount of force as is reasonable and necessary to quell a disturbance threatening physical injury to others, to obtain possession of weapons or other dangerous objects upon the person or within the control of the pupil for the purpose of self-defense, or for the protection of persons or property.

208.06 The principal, in consultation with his/her Principal's Advisory Council, will establish procedures for the administration of all forms of discipline within the school. Such will include suspension and recommendations for expulsion and shall include a requirement that corporal punishment be administered in the presence of a witness who is a teacher, principal, or administrator in the district. Failure of the principal to establish such written guidelines for discipline is grievable at Step 2 of the Grievance Procedure, providing the failure has been brought to the attention of the principal in writing and a reasonable length of time (generally within 30 days) has been provided the principal following such notification in order to establish such written guidelines. Nothing in this paragraph shall be interpreted as a restriction on the right of the Board or Superintendent to establish future policy or guidelines related to disciplinary procedures, provided such right is exercised without specific violation of this Agreement.

208.07 Teachers shall be given released time as required for appearances of administrative hearings and court proceedings arising out of their professional activities.

208.08 A Joint Committee shall be established no later than the end of September, 1979, for the purpose of making recommendations related to student discipline. The Committee processes and the Committee recommendations are to be directed toward promoting a safe and orderly learning and teaching environment for students and staff members throughout the school district. Committee efforts should be directed toward forwarding its recommendations to the Superintendent by January, 1980. Within thirty (30) days of receipt of the report, the Superintendent shall advise all members of the Committee in writing of his or her intended actions in regard to the recommendations.
Article 209  CO-CURRICULAR ACTIVITIES AND EXTRA DUTIES

209.01 Assignment of teachers to sponsorship of school organizations where such sponsorship extends beyond the teacher's regular school day and assignment of teachers to the extra duties specified in Section 907.01 of this Agreement will be with the consent of the teacher.

209.02 In the event volunteers cannot be secured for the necessary supervision of school events which take place outside the teacher's regular work day, teachers may be assigned to supervise at such activities by the school principal, provided such teachers shall be notified of the assignment two (2) weeks in advance where possible.
These assignments will be rotated equally among the entire teaching staff of the school so that no teacher will be required to supervise more than five (5) such activities per school year. Such required supervisory assignments shall not extend more than three (3) hours in length or the length of a normal school related evening activity.

209.03 Teachers may voluntarily use their personal automobiles for the purpose of transporting students on field trips, transporting athletic teams, or other business of the Columbus Public Schools, but may not be required to do so.

209.04 When any member of the bargaining unit is to be absent for a full school day, or a longer period, such absence shall be reported to the principal or his/her designee at least one hour and thirty minutes prior to the teacher's normal required reporting time. In an emergency when no substitute is available, the assignment shall in elementary schools and in middle school "self-contained" periods be divided, and in secondary schools and middle school elective periods rotated among the teaching staff at the school involved. In the event the proper notification required above has been made and no substitute has been assigned:

A. Elementary teachers and middle school teachers of "self-contained" periods who are assigned students from the absent teacher's class shall be compensated at the rate of thirty-five (35) dollars per day divided equally among the teachers receiving the students.

B. Secondary teachers and teachers of middle school elective periods who are assigned during their conference periods to cover the assignment of the absent teacher shall be paid at the rate of five (5) dollars for each forty-five (45) minute period.

The compensation provisions of this section shall become effective on January 1, 1980.

209.05 Except in an emergency, the Board shall provide a substitute teacher for the classes of a teacher out of school for a full school day in order to attend approved functions such as athletic events, tournaments, club activities, Association leave, and other professional leave.

209.06 Nothing in these provisions shall prohibit members from voluntarily assisting each other or from temporarily rearranging assignments for purposes of team teaching or other professional activity with the approval of the school principal.

209.07 No teacher shall be required to join any organization, participate in the activities of any organization or contribute to or support any charity. Nothing in this provision is intended to relieve teachers of their required participation in an annual open house.
and/or an annual parent grade level meeting where scheduled provided
such required participation shall be counted towards the number of
supervisory activities that may be required in Section 209.02 above.

209.08 Teachers shall not be required to sell or process school pictures,
tickets of any kind, candy, insurance, or other like items if school
aides or volunteers are available to perform these functions.

209.09 As the Board determines that funds are available, a minimum
of one half-time educational aide shall be provided for each
school for the purpose of reducing the amount of duties teachers
are required to perform in the supervision of study halls, school
yards, lunchrooms, and school halls. The parties agree that the
passage of an additional local operating levy during the term of
this Agreement will result in full educational aide staffing levels
as provided in this paragraph.

209.10 Teachers shall not be required to perform the duties of school
treasurer.

209.11 No elementary teacher shall be required to conduct more than
two (2) textbook and two (2) equipment inventories annually.

209.12 Members of the bargaining unit who are required by their assign­
ment to travel on their lunch periods shall not be asked to assume
extra duties during their lunch period.

Article 210 TEACHER-PARENT CONFERENCES AND REPORTS TO PARENTS

210.01 Each elementary classroom teacher and each middle school
"self-contained" classroom teacher (self-contained is not
intended to suggest a middle school with full-day self-con­
tained classrooms) shall attempt to conduct a minimum of two
(2) personal conferences per school year with each of his/her
pupil's parents. Elementary and middle schools shall utilize
the two (2) designated school calendar days in connection with
such conferences. Middle school "elective" teachers may hold
small group parent conferences in lieu of individual confer­
ences; however, an attempt shall be made by such teachers to
have personal conferences where a need exists.

210.02 If a secondary school pupil or a middle school pupil in an
"elective" course has been given a failing grade in a teacher's
subject area during any grading period and/or the pupil has
been designated as a disciplinary problem by a teacher, the
teacher involved shall make a concerted effort to conduct at
least one (1) personal conference with the pupil's parents
during the current grading period or the following interim report­
ing period. In addition, all secondary teachers are encouraged
to conduct further personal conferences during the school year,
as possible, with the parents of the other pupils in their
teaching area. Such conferences with parents shall be conduct­
ed during the school day, at school or in the home, and shall replace the
interim progress report required for that grading period.
210.03 Effective with the 1980-81 school year, the Board will implement a grade reporting system based on four (4) grading periods per school year, with each grading period covering approximately nine (9) weeks.

Reports to parents under the nine-week grade report system shall also include four (4) interim progress reports by each elementary classroom teacher and each middle school self-contained teacher. Such interim progress reports shall occur approximately in the middle of the grading period. Elementary classroom teachers and middle school self-contained teachers may utilize the conferences provided in Article 210.01 in place of two (2) of the required interim reports.

During the middle of the first grading period of each course all secondary teachers and middle school elective teachers shall complete interim progress reports for each student. Thereafter, interim progress reports shall be required for secondary academic students and middle school elective students and middle school elective students for one or more of the following reasons:

A. Unsatisfactory academic performance
B. Discipline problems
C. Irregular attendance

The form to be used for the interim progress reports shall be School Form 66, October, 1976, until modified by mutual agreement of the parties.

210.04 A report of each conference held pursuant to the requirements of Section 210.02 will be made by the teacher to the principal on a form to be developed by and mutually agreed upon between the Board and the Association.

Article 211 ASSIGNMENTS AND TRANSFERS

211.01 Vacancies

A. Not later than May 15 of each year the Assistant Superintendent, Administrative Services, will prepare a list of all known vacancies in teaching positions for the following school year. Vacancies to be identified shall be those vacancies after reorganization of the existing staff based on the anticipated needs for the following school year.

B. Special known factors which will be considered in the assignment of teachers to known vacancies shall be indicated on the posted list. Examples of such factors are racial balance, special skills, experience level, training level, sex, and extra duties. Ability and appropriate certification shall be assumed criteria. The parties agree that the special known factors shall be given
consideration. The parties further agree that the determination of ability and the final decision on the assignment shall be vested in the administration. In addition, the parties recognize that some of the known vacancies will be staffed by the assignment of teachers being transferred for the good of the system and by the assignment of teachers returning from leave. Teachers on staff reduction status will be given preferential treatment in assignment, except that new schools will not normally be staffed primarily with such teachers.

C. Teachers desiring to be considered for such vacancies shall apply on forms agreed to between the Board and Association, and supplied to teachers upon request, by the Assistant Superintendent, Administrative Services, or their school principals. Such applications must be made not later than May 25. In addition, by May 25, teachers requesting a transfer shall furnish in writing, to the appropriate principal(s) or program administrator(s) relevant information about their qualifications for the known vacancy which they wish the principal(s) or program administrator(s) to consider. The Administration shall not be limited to a consideration of such information.

D. Seniority in General Transfer Requests -- After the close of each school year during the term of this Agreement and prior to the opening of the following school year, the Board shall grant or offer appropriate transfers to a minimum of twenty-five (25) teachers who have submitted general transfer requests with the following stipulations:

(1) There are a minimum of twenty-five (25) eligible applicants for the May 25 posted vacancies and there are a minimum of twenty-five (25) posted vacancies for which there are eligible applicants.

(2) Teachers in this category shall have a minimum of ten (10) years continuous service in the Columbus Public Schools.

(3) Such teachers shall have submitted a general transfer request, clearly identifying Seniority Transfer status, by June 5 for a vacancy in a teaching area for which they are certified and in which they have recently taught.

(4) Such teachers may be given priority consideration over staff reduction transfers.

(5) A transfer shall be considered to have been offered when a vacancy in the general teaching area of the applicant at the Kindergarten, Grades 1 through 6 (1 through 5 with middle school), junior/middle school, or senior high school level and in the general geographic area requested has been made available for acceptance by a teacher in this category.
The selection of teachers to be transferred from among the eligible teachers applying for such a transfer shall be vested in the Administration provided that at least thirteen (13) of the teachers offered such seniority transfer are taken from the twenty-five (25) most senior eligible applicants for whom there is an appropriate vacancy.

E. Teachers will be notified promptly by the Assistant Superintendent, Administrative Services, of the receipt of their applications.

F. Teachers may express their preferences related to their teaching assignment for the following school year at their assigned building by submitting such preferences in writing to the building principal prior to April 1.

G. Teacher vacancies which may occur in system-wide non-teaching positions which are considered to be of direct interest to teachers' career advancement, special Federally funded programs, and assignments of such as teacher consultants and teachers on special assignment, shall be posted by May 15 or publicized as they occur throughout the year except where circumstances require prompt action by the Board. Such publicity shall describe the vacant position and shall include directions for making application. Publicity shall be posted in each school during the school year and in each high school summer school center during the summer.

H. From time to time it may be necessary to close a given school. The reassignment of teachers in such a school shall be on the same basis as other staff reduction transfer teachers in the school system. However, where a school is to be closed and totally merged into a second school, teachers in the closed school shall have the right to elect reassignment to available vacancies in the open school by grade level category or teaching area. Where an elementary school is closed and merged into more than one elementary school, teachers in the closed school shall have the right to elect reassignment to available vacancies in the open schools by grade level category on a seniority basis, except that election of available vacancies by teachers in a closed school being totally merged into an open school shall have priority over election by teachers in a school being merged into more than one school. Teachers not assigned to such vacancies shall be on staff reduction status.

I. From time to time it is necessary to relocate special education classes from one school location to another. The continued placement of a teacher with such a relocated class shall not be considered a transfer, however such a teacher may elect the conference provisions provided in Section 211.03-A of this Article prior to such relocation.

J. The staffing of an alternative school shall include a process for advertising the vacancies and the procedures for making application for such vacancies. Teachers on staff reduction status shall not have priority for assignment to such vacancies. Teachers assigned to alternative schools who wish to transfer out of such alternative schools may complete a general transfer request and such request shall be processed as a staff reduction transfer.
211.02 Assignment

A. Teachers under contract during a school year will be notified in writing of their teaching assignment for the following school year not later than the close of the current school year. Such notification shall include the teacher's proposed salary, school assignment and subject assignment. Any change in such assignment required by the needs of the school district will be made known to the teacher, in writing, as soon as possible.

B. Teachers shall not be involuntarily assigned outside the scope of their teaching certificates or their major or minor field of certification, except in an emergency situation. Such emergency assignment shall not continue beyond the remainder of the contract year.

211.03 Involuntary Transfers

A. Transfers will be on a voluntary basis, whenever possible. However, correct and proper operation of the school district will necessarily require that involuntary transfers be made. In making involuntary transfers, the convenience and wishes of the individual teacher will be honored to the extent that these considerations do not conflict with the instructional requirements and best interests of the school district and the pupils. If the teacher so elects, involuntary transfers will only be made after a conference between the teacher, principal, and Assistant Superintendent, Administrative Services, or his/her designated representative from the Division of Administrative Services, concerning the basis for this transfer. The teacher involved may be accompanied by an Association representative of his/her choice at such conference. After the date the above conference has been made available by the Division, teachers shall be given a minimum of two (2) school days' notice before receiving students in their new assignment if the transfer is to be carried out. Teachers transferred involuntarily during the school year, after students have initially reported, shall be provided two (2) school days without pupils to work in the school they are leaving and to work in their newly-assigned school in preparation for their new teaching duties. At least one of the two such days shall be in the newly-assigned school.

B. Involuntary transfers resulting from the evaluation process will be made in compliance with the provisions of the Teacher Evaluation Article in this Agreement and Section 211.03-A above.

C. (1) Staff reduction transfers which occur because of declining enrollment or because of other personnel reductions at a given school or in a given program shall be based on seniority as provided herein. Seniority shall be measured from the first day of paid status resulting from the most recent employment by the Board. In case of tie, the date of Board action to employ shall determine seniority. Except as pro-
vided elsewhere the staff member(s) to be transferred shall be the least senior teacher(s) within the given elementary school's grade level category to be reduced or within the given secondary school's teaching area to be reduced.

(2) Grade level categories in an elementary school shall be Kindergarten and Grades 1 thru 6. Identification of staff reduction teachers shall be based upon grade level assignment prior to reorganization for the following school year.

(3) The staffing level in each teaching area shall be based upon organizational needs in the given school for the following school year. Identification of staff reduction teachers in secondary schools shall be based upon the teaching area assignment prior to reorganization for the following school year. Seniority shall be the basic criterion for identification of staff reduction teachers within each teaching area. However, the parties recognize that important organizational and staffing needs in a given secondary school and the complexities created by and the need to utilize multiply certified teachers will not constructively permit rigid adherence to the basic seniority concept.

In the event seniority is not followed in the identification of the staff reduction teacher in a given secondary school, the teacher being transferred, shall, upon request, receive written explanation of the major specific considerations leading to such a decision.

(4) In all cases where a staff reduction will occur, a more senior teacher in the grade level category or the teaching area may elect to volunteer for the staff reduction status.

(5) A teacher shall not be designated for staff reduction transfer if such teacher's transfer would result in a racial balance less than the minimum racial balance practiced in the school system during recent years.

(6) The parties agree that the assignment of staff in secondary schools in a manner which provides a range of staff skills and interests needed for the various extra duty assignments is an important responsibility of the Administration. In the event, in a given secondary school, no teacher on the staff is interested in and qualified to perform the duties and functions of a given extra duty assignment, then a teacher on the staff may be transferred on a staff reduction basis. Seniority shall be the basic criterion for identification of the staff reduction teacher. In the event seniority is not rigidly followed in the identification of the staff reduction teacher, the teacher being transferred shall, upon request, receive written explanation of the major specific considerations leading to such a decision.
211.04 Inter-School Travel

In arranging schedules for teachers who are assigned to more than one school, every effort shall be made to limit the amount of inter-school travel.

211.05 Initial Middle School Staffing

Procedures for Middle School staffing will be as follows:

A. Present junior high school teachers will be given an opportunity to remain or to volunteer out of their current junior high school location. In the event there is excess staff to meet organizational needs, staff reduction procedures will be utilized. Teachers who volunteer out will be placed in the staff reduction reassignment pool.

B. All elementary and secondary teachers will be given an opportunity to apply for middle school placement and will be selected prior to assignment of teachers from the staff reduction pool.

C. Teachers from the staff reduction pool will be assigned to the Middle School to meet remaining staffing needs. If such assignment of elementary teachers is necessary, those elementary teachers with fourth, fifth, or sixth grade assignments during the 1978-79 or 1979-80 school year shall be assigned, in the reverse order of seniority, prior to assignment of other elementary teachers.

During the 1979-80 school year, representatives of the Board and the Association will meet at the request of either party to discuss the staffing of Middle Schools and may modify the procedures to be utilized by mutual agreement.

Article 212 RESIDENCE

During the term of this Agreement, the Board will not adopt a policy requiring teachers who are members of the bargaining unit at the time of ratification of this Agreement to reside within the Columbus City School District.
CHAPTER 300

Article 301 CLASS SIZE

301.01 Classes shall be organized and maintained in compliance with the Administrative Policy on Class Size and the class size limitations provided in such policy dated March 23, 1976.

301.02 The maintenance of equitable class size is a matter of proper concern to the teachers, and to the extent that class sizes create substantial inequities in staffing in relation to comparable courses in the same school, such substantial inequities shall be subject to the Grievance Procedure.

301.03 The Principal's Advisory Council may study and make recommendations to the principal in each secondary school concerning the number of pupil stations in non-academic classrooms.

Article 302 TEACHER CLASS LOAD

302.01 The class load for secondary teachers shall not exceed six (6) academic class periods per day and/or thirty (30) academic class periods per week. The class load for high school English teachers shall not exceed five (5) class periods per day and/or twenty-five (25) class periods per week.

302.02 Full-time teachers in elementary schools shall have planning-preparation time averaging approximately forty-five (45) minutes per day. Such planning-preparation time shall be considered to be a portion of the unassigned time during the teacher's regular work day.

302.03 Where unusual scheduling exists the daily average of a teacher's weekly schedule shall approximate the above time distributions.

302.04 Each elementary staff shall conduct a written ballot each year to determine whether there shall be one or two fifteen (15) minute recesses per day. The results of such ballot shall be posted on the school's bulletin board. In event of a tie, the issue shall be decided by the principal.

302.05 The parties recognize that a large number of preparations for secondary teachers in the academic areas may detract from their teaching effectiveness. Therefore, secondary school administrators will make an effort, where practical with the assigned staff in relation to the school program, to make teaching assignments to such teachers in a manner that will limit the necessary preparations to three (3) or less for distinctively different courses. The parties recognize that certain
teaching areas, such as diversified English and foreign language, may tend to have more exceptions to this goal than other teaching areas. The parties also recognize that the financial condition of the school system may negatively impact the administrator's effort in this regard.

Article 303 ABILITY GROUPING

The Principal's Advisory Council in elementary schools shall discuss the matter of ability grouping and make appropriate recommendations to the principal.

Article 304 STUDY HALLS

The Board shall continue efforts to reduce the number and size of study halls which have mandatory pupil attendance.

Article 305 MODIFIED CLASSES

305.01 During the term of this Agreement, every attempt will be made to reduce the class size for modified classes below the average class size for comparable regular classes within the Columbus Public School District.

305.02 Modified classes shall be defined as those classes homogeneously or otherwise grouped so as to be composed of students predominantly below average in ability, but above the ability levels of EMR classes.

Article 306 SPECIAL EDUCATION

A Joint Committee shall be established by November 1, 1979, to make recommendations related to the implementation of Public Law 94-142 and recommendations concerning class size policies related to the mainstreaming of special education students. Such recommendations shall be submitted to the Superintendent by January 31, 1980.

Article 307 FOREIGN LANGUAGE

Effective for the 1980-81 school year, the senior high school city-wide course selection sheets shall include French, Spanish, German, and Latin.
CHAPTER 400

Article 401 TEACHER EVALUATION

401.01 The following number of evaluations shall be conducted by the building administrators based upon continuous experience in the Columbus Public Schools*:

1st and 2nd years 2 evaluations
3rd year 1 or 2 evaluations at administrator's option
4th and 5th years 1 evaluation
subsequent years 1 evaluation every fourth year, commencing with the ninth year

*"Continuous experience" shall not include the consideration of a school year during which there was a leave of absence in excess of sixty-one (61) days.

401.02 Evaluations provided for in Section 401.01 of this Article shall be for the major purpose of assisting the teacher toward improved instruction. Goals for Improvement, Professional Growth Activities, and General Statements sections must be completed by the professional and the evaluator if one or more of the ratings of unsuccessful are recorded.

401.03 Special Evaluation

A. When the Board or any of its administrative agents deem that a teacher's performance may be seriously unsatisfactory and it is their intention to recommend involuntary transfer, non-retention of Full-Time Hourly Professional Employee, non-renewal of contract, or termination of contract or investigate further with the possibility of making any of the aforementioned recommendations, the building administrator shall notify such teacher of his/her intent in writing on a form mutually agreeable to the Board and the Association. Such notification shall set forth the specific areas of alleged unsatisfactory performance. Following such notification the administrator shall evaluate the teacher's performance, observing all stipulations of this Article except Section 401.01. A conference shall be held between the administrator and the teacher to discuss the teacher's performance prior to any final action by the administrator. The teacher may be accompanied or represented by an Association representative at such conference and shall have three (3) days prior notification of the conference. In such conference the principal may be accompanied by a Board representative if the teacher is accompanied in such conference. Final administrative action in regard to the alleged unsatisfactory performance shall not conflict with any provision of this Agreement.
B. Unusual Condition -- Written evaluations provided in Section 401.01 above, except the second evaluation for first and second year teachers, shall be performed before any Special Evaluation as required by this Agreement, except when conditions threaten the physical or emotional well being of pupils or when conditions result in a significant disruption of, or threat to, the educational program or the well being of the school. When such an Unusual Condition exists: (1) the classroom observations provided in Section 401.04 below shall not be required if such observations would not substantively contribute to an evaluation of such Unusual Condition, (2) the Notice of Special Evaluation issued as a part of the Special Evaluation process shall be accompanied by a written statement identifying the Unusual Condition and, if applicable, indicating the reason(s) classroom observations would not substantively contribute to an evaluation of such Condition.

401.04 Classroom observations of the work performance of a teacher for the purpose of a formal written evaluation shall be conducted openly with the observer visible to the teacher. A minimum of one (1) and a maximum of three (3) such observations shall be accomplished through prior arrangement with the teacher. In addition a maximum of three (3) such observations may be accomplished at the convenience of the building administrator provided the number of such observations does not exceed the number of observations accomplished through prior arrangement. At least one such classroom observation shall be for a minimum of fifteen (15) minutes in duration.

401.05 A teacher shall be given a copy of any written evaluation or report on an observation.

401.06 No evaluation or report on an observation will be placed in the teacher's permanent file or otherwise acted upon without a prior conference with the teacher.

401.07 All evaluations or reports on an observation must be dated and signed by the teacher. Such signature shall not necessarily indicate agreement with the evaluation.

401.08 Teachers shall be permitted to affix comments to any evaluation or report on an observation prior to placement of the evaluation or report in the teacher's permanent file.

401.09 The factors to be used in evaluations conducted by the building administration shall be jointly developed by the Association and the Board.

401.10 The factors, forms, and procedures used in all evaluations of teachers shall be mutually developed and agreed to by the Board and Association.
401.11 A teacher shall not be represented or accompanied by a repre­sentative of any other employee organization at any conference required in Section 401.03-A of this Article.

401.12 No member of the bargaining unit shall have his/her limited contract non-renewed without accomplishment of a special evaluation and without accomplishment of such regular evaluations as are required by this Article, provided that nothing in this Agreement shall require accomplishment of such evaluations in order (1) to non-renew limited contracts or to suspend limited contracts and/or continuing contracts, in accordance with Article 704 entitled "Reductions in Personnel," (2) to terminate a limited contract or continuing contract, in accordance with the Ohio Revised Code, (3) to non-renew a limited contract teacher providing service under a temporary certificate unless such teacher possesses a regular certificate in another teaching area and has previously provided service under such regular certificate in the Columbus Public Schools, (4) to non-renew a limited contract teacher advised prior to employment that such non-renewal may occur due to the special nature of the specific assignment for which such teacher is being employed.

401.13 No member of the bargaining unit shall be denied a positive recommendation by the Division of Administrative Services to the State Department of Education for the renewal or upgrading of a teaching certificate as a result of an evaluation rating given on an evaluation conducted within the provisions of Article 401.01.

Article 402 TEACHER CONTRACT FORMS

402.01 Regular Teacher Contracts

Teachers shall be offered an appropriately worded individual teaching contract.

402.02 Supplemental Contracts

A. Teachers who have supplemental contracts during a given school year must be notified by April 30th if such contract is not to be renewed, as provided in Section 3319.11 of the Revised Code of Ohio.

B. The regular distribution of supplemental contracts shall be on or before June 15 of each year. Supplemental contracts issued in accordance with Article 907 shall contain language which clearly establishes the right of the Board to declare such contracts null and void in the event the school where the service was to be provided is closed or is changed from a junior high school to a middle school and the extra duty position provided in Article 907 is not continued.
C. (1) Teachers who have completed three (3) or more consecutive years of service in a school in the extra duty position of Senior Head Coach, Football, Basketball, Baseball, Track, or Wrestling shall be eligible for a three (3) year supplemental contract upon the expiration of their contract. Such three (3) year supplemental contracts shall be offered to such eligible teachers by June 15. No teacher shall be eligible for such three (3) year supplemental contract for more than one (1) such coaching position.

(2) Teachers who are eligible for such three (3) year supplemental contracts shall be offered written reasons for a decision leading to a recommendation not to renew such a supplemental contract. Any failure to observe this provision in regard to the offering of written statements relative to non-renewal of such a three (3) year supplemental contract shall be subject to the Grievance Procedure set forth in this Agreement.

403.02 When a principal or other administrator finds it necessary to make a notation in a teacher's file which reflects adversely upon the teacher's conduct, service, character, or personality, the teacher shall be offered an opportunity to read such notation. The teacher shall acknowledge having read such notation by signature on the actual document filed, with the understanding that such signature does not indicate agreement with its contents. The teacher shall also have the right to answer such notation and said answer shall be attached to the file copy.

403.03 Teachers shall be guaranteed the right to examine and review their personnel file. Prior arrangements for such examination shall be made with the Division of Administrative Services.

404.06 In general, direct, verbal criticism of a teacher by an administrator in front of students or parents tends to reduce the teacher's effectiveness in maintaining an orderly teaching environment. As a result, the parties agree that this practice should be avoided where reasonably practical. Agreement to avoid such criticism where reasonably practical is in no way intended to limit the right of the administrator to give direction to members of the teaching staff. In the event a teacher believes that such criticism has occurred, the teacher may request a conference with the administrator to discuss the incident. Following such a conference, in the event the teacher believes that such criticism has again occurred, the teacher may request a conference with the administrator and a representative of the Division of Administrative Services. In either conference the teacher may be accompanied and represented by a representative of the Association and the administrator may be accompanied by a Board representative if the teacher elects representation.

During the term of this Agreement the number of educational aides employed shall be left to the judgment of the school administration, except as provided elsewhere in this Agreement.

601.02 In addition to the system-wide guidelines established by the Board, guidelines, written job descriptions and the assignment of educational aides to provide assistance to teachers, nurses, librarians, and other school personnel, will be established in each school building by the principal with the advice of the local Principal's Advisory Council.

701.01 General Rules Pertaining to Sick Leave:

A. Unused sick leave shall be cumulative to a maximum of two hundred twenty-five (225) days. For contract teachers, sick leave shall accumulate at a rate of fifteen (15) days per year. All such teachers may receive credit for one (1) day of sick leave for each of the thirteen (13) pay periods in each year. In addition, all such teachers shall receive credit for two (2) days of such leave after the end of the thirteenth (13th) pay period in each year. The effective date for granting and deducting sick leave credit shall be the final day of each pay period.

B. Each new full-time teacher shall be credited with five (5) days of sick leave, which may be used in case any such employee is unable to work because of personal illness or illness or death in his/her immediate family, after beginning his/her employment but before he/she has accumulated that amount of sick leave as provided in Item 1, above. If any of said five (5) days of sick leave are used, it shall be deducted from the total sick leave which he/she may accumulate during the first year of service as provided in Section 701.01-A, above.

C. Sick leave for regular teachers employed on other than a full-time basis shall be credited and deducted at the proportionate rate set forth in their contract of employment.

D. It shall be the responsibility of each teacher to transfer any unused sick leave from a previous employer to the office of the Treasurer of the Columbus Board of Education. When a former teacher in the Columbus school system returns to the employ of the Board, his/her unused accumulated sick leave shall be reinstated in full.

701.02 Sick leave with pay may be used only for the following purposes:

A. For absence of the teacher due to illness (illness includes pregnancy related disability), injury or exposure to contagious disease which could be communicated to other employees or school children.

B. For absence of the teacher due to illness of someone in the teacher's immediate family provided the relative resides in the home of said teacher, or lives alone outside the home of said teacher. Immediate family is defined as father, mother, brother, sister, son, daughter, wife, husband, grandmother, grandfather, grandson, granddaughter, father-in-law, mother-in-law, legal guardian, or foster or step-parents of the said teacher.
(1) If a teacher is absent not more than three (3) consecutive school days because of the illness of a member of the teacher's immediate family, the teacher need only make the report of absence required by Section 701.06-A of this Agreement in order to be eligible for sick leave with pay for such absence.

(2) If a teacher is absent in excess of three (3) consecutive school days for this reason, the teacher must provide the Assistant Superintendent, Administrative Services, with a doctor's certificate setting forth the identity of the patient, the nature of the illness involved and the need for the absence of the teacher in order for the teacher to be eligible for sick leave with pay for such absence.

C. For absence due to death in the immediate family of a teacher. Death in the immediate family of a teacher is defined to mean the death of the father, mother, brother, sister, son, daughter, husband, wife, grandmother, grandfather, grandson, granddaughter, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, legal guardian or foster or step-parents of the said teacher. Absence due to death in the immediate family of a teacher shall not exceed five (5) consecutive school days.

D. For absence due to injury resulting from a physical assault on a teacher which occurs on Board premises or which occurs off Board premises in connection with the performance of assigned duties, subject to the following stipulations:

(1) The teacher's conduct was within the bounds of general standards of professional behavior;

(3) The teacher submits the certificate required in case of sick leave absence, accompanied by the physician's statement required below;

(4) The teacher provides a physician's statement describing the nature and duration of the resulting disability and the necessity of absence from regular employment, with the findings of the physician subject to review by the Board physician;

(5) In the event the foregoing conditions are satisfied, none of the first twenty (20) days of absence resulting from such occurrence shall be deducted from the teacher's accumulated sick leave or personal leave;

(6) Worker's Compensation cannot be received simultaneously with sick leave benefits.
701.03 Use of Sick Leave Notification

A. The principal, school clerk, or other administrative officer shall be notified by telephone as soon as possible by any teacher who wishes to use sick leave in accordance with the above procedures. The teacher shall not be required to state, during this notification, the cause or type of illness involved. If possible, however, the teacher will estimate the duration of his/her absence.

B. In the event the estimated duration of the absence is expected to be continuous for a period in excess of three weeks, or when an absence has been continuous for such a period, the teacher shall advise the administration of the estimated duration of disability by completing the designated form. Such notification shall be submitted fifteen (15) days prior to the expected date of absence when such date can be anticipated or not later than the 20th day of a continuous absence in cases where the absence could not be anticipated.

701.04 A teacher who has been absent on a Monday through Thursday shall inform his/her principal or school clerk by 2:00 p.m. on the day before he/she wishes to return. The administrator shall assume that a teacher who is absent on Friday or the day before the start of a vacation period will return on the next Monday or the first working day after the vacation unless the teacher notifies the principal or his/her designee on Sunday or the last vacation day not later than 7:00 p.m. that he/she will not return to duty on the next day. Whenever it can be determined by the teacher on a Friday or the school day prior to the starting of a vacation that he/she will not be returning to duty on the next scheduled school day, the teacher should let the principal or school clerk know by 2:00 p.m. that he/she will not be returning so that the same substitute teacher can be continued.

701.05 Absence on Saturdays, Sundays, paid holidays, and paid non-work days shall not be charged against sick leave.

701.06 Certificates Required in Case of Sick Leave Absence:

A. When a teacher is absent, a report for such absence, signed by the teacher and the principal or immediate supervisor, shall be completed by such employee on a form supplied by the Board, which form shall be filed with the Treasurer within ten (10) days following the last day of such absence.

B. If medical attention is required, the teacher shall list the name and address of the attending physician and the dates when the physician was consulted on the form provided in Section 701.06-A above.
C. Such report shall be made in a manner which will satisfy the requirements of R.C. Section 3319.141. The filing of any willfully false statement by a teacher shall be considered by the Board as grounds for disciplinary action in such form and manner as the Board may deem advisable.

D. Teachers who have been out of school on account of serious illness, extending over a period of three or more weeks, must have the approval of the Superintendent before returning to regular school work. Such approval shall be secured through the School Physician after he/she has received a confidential report from the personal physician of the absent teacher. Such report shall indicate the nature of the illness and the condition of the teacher.

E. Members of the bargaining unit shall not be asked or required to sign a statement authorizing a doctor or hospital to release medical records unless the absence due to illness, injury, or pregnancy of the member of the bargaining unit has been challenged, in which case the teacher shall be furnished with the written reasons for such a challenge and the need to examine medical records.

Article 702 LEAVES OF ABSENCE

Any teacher, upon proper application to the Superintendent and approval thereof, may be granted a leave of absence from the Board of Education for the following reasons:

702.01 Ill Health

A. A written application for a leave of absence, without pay, for ill health must be accompanied by a statement from the attending doctor and be approved by the School Physician; said statement must indicate the nature of the illness and definitely recommend that the employee be relieved of duties.

B. Such request for leave, if approved, shall be granted for the remainder of the semester or the remainder of the school year, or for an entire school year, with the possibility of a renewal of the leave, upon written request, according to the provisions of Section 3319.13 of the Revised Code. An earlier termination of this leave, if requested in writing by the employee, shall be at the discretion of the Superintendent and in accordance with the needs and interests of the schools.

C. At least thirty (30) days before a teacher on a leave of absence for ill health expects to resume his/her duties, the teacher, or someone acting in his/her behalf, must request in writing, the reinstatement of said teacher to the staff. In requesting reinstatement, said teacher does not forfeit his/her right to request
an extension of his/her leave of absence for ill health. Failure to comply with this regulation shall be deemed an automatic resignation.

D. Not less than ten (10) days before termination of leave, a doctor's statement, approved by the School Physician, must be submitted by the teacher. This statement shall certify that the teacher has been examined and that he/she will be able to resume his/her duties with the Board when the leave of absence expires.

E. Whenever any teacher has been absent from active service a sufficient number of days to exhaust his/her accumulated sick leave days, and continues in absence without applying for a leave of absence under this Section, the Superintendent shall investigate the facts of the case and shall have authority to recommend to the Board that an unrequested leave of absence be granted according to the provisions set forth in Section 3319.13 of the Revised Code. Any teacher who refuses to comply with the terms of such a leave of absence shall be considered to have terminated his/her contract.

702.02 MATERNTIY/PATERNITY/ADOPTIVE LEAVE

A teacher anticipating the birth or adoption of a child to the family may request an unpaid maternity, paternity, or adoptive leave of absence. Such request shall be submitted on the designated form to the Division of Administrative Services, Certificated Personnel, at least thirty (30) days prior to the beginning date of the requested leave. A maternity or paternity leave request shall be accompanied by a statement from the attending physician indicating the anticipated date of birth of the child. The request for adoptive leave shall be accompanied by a statement from the adoption agency. Such leave shall be for the full school year or the balance of the year in which the leave commences and, if requested by the teacher at the time of application, the following school year. The teacher shall notify the Assistant Superintendent, Administrative Services, in writing of his/her intention to return to service at least 120 days before he/she expects to resume his/her duties except, when delivery occurs during such 120 days, notification shall be no more than thirty (30) days after delivery. The teacher shall be informed of receipt of such notification of intent to return. Failure on the part of the teacher to comply with this regulation may be deemed by the Board as an automatic resignation. In the case of an adoptive leave, if the adoption is cancelled after a replacement for the adopting teacher has been arranged, the adopting teacher may request early reinstatement from leave and such request will be given priority consideration by the Administration.

702.03 Exchange Teaching

A. An employee on a regular teacher's contract shall be eligible for leave of absence for a period of one (1) full semester, or one (1)
full year beginning with the opening of the semester or year, only after he/she has filed a written request for such leave of absence at least two (2) months prior to the beginning of a requested leave, and the leave has been granted on the recommendation of the Superintendent of Schools. If an exchange-teaching leave involves the use of some teacher from outside the Columbus area as a replacement for the employee on leave, this replacement must be approved by the Superintendent before the leave can be approved. The replacement teacher may be compensated only on the basis of the existing salary schedule, and no compensation may be paid to a teacher while absent on such leave of absence. However, credit on the salary schedule shall be given for time spent in exchange teaching. The granting of such leaves of absence shall be determined by the Superintendent on the basis of the value of such a leave to the Columbus Public Schools.

B. Termination of such a leave of absence shall be by written request of the teacher to the Superintendent of Schools not less than 120 days prior to the time that the teacher expects to return to duty in the Columbus Public Schools. Failure to comply with this regulation shall be deemed an automatic resignation.

C. The above policies with reference to exchange teaching also apply to employees granted leaves of absence for the purpose of teaching in the Armed Forces Dependents Schools.

D. In the light of any present or future federal or state legislation regarding exchange teaching, exceptions may be made to the above regulation on the recommendation of the Superintendent of Schools and the approval of the Board.

702.04 Professional Study or Travel

A. Leaves of absence for professional study or travel may be granted to teachers on the basis of either one (1) full semester or one (1) full year. Application for such a leave is to be made no less than sixty (60) days in advance. An applicant for leave for professional study shall outline in writing, the program of study to be pursued. Such a program shall, in general, include a full college load or its equivalent, and the Superintendent of Schools shall recommend the approval of such leave only if it appears that the program of study is of such a nature as to contribute directly to improved educational conditions in the Columbus Public Schools.

B. Leaves of absence for travel shall be requested in writing, in which the scope or nature of the travel shall be outlined in detail. Such applications must show clearly how the travel will contribute directly to improved classroom instruction and the reasons why such travel cannot be accomplished when schools are not in session.
C. In no case shall leave of absence for professional study or for travel be granted for periods of less than one (1) semester, except at the discretion of the Superintendent, and only when it can be shown that the program of the Columbus Public Schools will not suffer as a result of the granting of such leave. Absence for either of the above reasons, without leave having been granted, shall be considered as termination of contract by the teacher.

D. Termination of the above two (2) kinds of leave shall be only on written request of the teacher on leave, said request being filed with the Superintendent of Schools not less than 120 days prior to the return to duty of the teacher. Failure to comply with this regulation shall be deemed an automatic resignation.

E. Any teacher who, while on leave for professional study or for travel, shall engage in employment comparable to his/her employment with the Columbus Public Schools shall be considered to have terminated his/her contract. Reinstatement to the staff following either of the above types of leaves shall be made only if the Superintendent shall find that there has been substantial compliance with the originally approved program of study or travel. No compensation shall be paid to any teacher while absent on either of the above leaves.

702.05 Military Leave

A. In accordance with Section 3319.14 of the Revised Code, military leave of absence, without pay, shall be granted to any regular contract teacher who shall be inducted, called to active duty, or who enlists for military duty with any branch of the armed forces of the United States.

B. Any teacher whose teaching services in the Columbus Public Schools has been interrupted by active duty service in the armed forces shall be re-employed in accordance with the provisions of Section 3319.14 of the Revised Code, and shall be given full credit in the salary schedule for such service.

C. Military leave shall be granted pursuant to Section 5923.05 of the Revised Code of Ohio.

702.06 Special Leaves

A. The Superintendent shall submit to the Board of Education a statement defining the specific needs of the Columbus City School District that can be accommodated through the granting of such a leave of absence.
B. The Superintendent shall identify and select from the staff of contract teachers such personnel as he/she deems capable of accommodating such needs of the Columbus City School District and shall recommend to the Board of Education that such personnel be granted leaves of absence.

C. The Superintendent shall have discretion to authorize such personnel to accept employment with remuneration paid by an agency other than the Columbus Board of Education, during such a leave, if, in the judgment of the Superintendent such employment provides specialized training for such personnel that cannot be obtained in a more feasible manner by such personnel as employees of the Columbus Board of Education.

D. Before such a leave of absence shall become effective, such personnel shall sign a statement indicating their intention to return to the service of the Columbus City School District upon termination of such a leave of absence.

E. Such a leave of absence shall be for a period of up to one (1) full school year. Extension of such leaves shall be subject to the recommendation of the Superintendent and the approval of the Board of Education.

F. Time spent by personnel on such a leave of absence shall be recognized by the Columbus City School District for salary purposes, but shall not affect the tenure status of such personnel.

G. Termination of such a leave shall be effected in writing by the Superintendent of Schools.

702.07 Special Leave Without Publicly Stated Reasons

The Superintendent may, in the Superintendent's sole discretion, grant a special leave to a teacher without the reasons being stated in writing. Such a leave, if granted, cannot exceed one (1) school year and while it will not affect tenure, it will be without pay and upon return the teacher will not be entitled to a salary increment. The Superintendent in granting such leave can establish terms and conditions of the teacher's return.

702.08 Returning From Leave

The following provisions apply except as provided in Article 704 entitled Reductions in Personnel:

A. A teacher returning from any leave of absence enumerated in Section 702.01 through Section 702.07 of this Article shall be placed immediately on the payroll if the termination date is known at the time that the leave of absence was granted. If the termination date of the leave of absence was not known at the time that the
leave was granted, the Board will not be required to place the teacher on the payroll until thirty (30) days after the termination date. Said termination date is the date on which the teacher is available for assignment and has so informed the Assistant Superintendent, Administrative Services, in compliance with the requirements of the teacher's specific leave.

B. The teacher returning from any leave of absence as enumerated in Section 702.01 through Section 702.07 of this Article shall be given the same consideration in assignment as provided teachers in a staff reduction status.

A written request for reinstatement shall be filed with the Superintendent at least thirty (30) days prior to the return to duty of the teacher.

702.12 Personal Leave

A. Each teacher shall be entitled to not more than two (2) days of absence, with pay, each school year due to personal reasons, which days shall not be deducted from sick leave. Unused personal leave shall be cumulative from year to year. If possible, a teacher will give his/her principal twenty-four (24) hours' advance notice of his/her intention to take such leave. When a staff member is absent for personal reasons, a report of such absence, signed by the teacher and his/her principal, shall be filed with the Treasurer within ten (10) days following the last day of absence. Such
report shall contain certification by the teacher that his/her absence was not for one of the reasons proscribed below. The filing of a false statement by a teacher shall be considered by the Board as grounds for disciplinary action in such form and manner as the Board may deem advisable. The following do not constitute valid reasons for the use of personal leave:

1. Gainful employment
2. Any activity in connection with a strike, "study day," "professional holiday," or any other work stoppage, or any concerted action related to such activities.

B. For purposes of Section 702.12-A, a school year is from September 1 to the following August 31. Teachers employed after January 1 in a given school year shall be credited with one (1) day of personal leave in that school year.

Upon submission of proof of jury service, the teacher shall be paid the difference between his/her jury pay and his/her regular salary for the number of days involved. Such leave shall not be deducted from sick leave.

702.14 Association Leave

The Board shall authorize a pool of up to a total of 200 days of leave with pay per year for the use of members of the bargaining unit who are elected to represent the Association or who are chosen to serve on programs or to represent the Association in any official capacity at meetings, conferences, or conventions attended by representatives of the Association. Such leaves will be granted upon written application made not less than five (5) school days in advance to the Assistant Superintendent, Administrative Services, and in no event shall more than three (3) teachers be granted such leaves at the same time from any school.
702.15 National Service Leave

A. Leaves of absence for National Service Programs (Peace Corps and VISTA), without pay, shall be granted to regular contract teachers for a period of one (1) full semester or one (1) full year. Written application for such leave must be filed with the Superintendent of Schools no later than two (2) months prior to the beginning of the requested leave period. Credit on the salary schedule shall be given for time spent in teaching while on a National Service Leave.

B. Termination of a National Service Leave shall be by written request of the teacher to the Superintendent of Schools not less than 120 days prior to the time that the teacher expects to return to duty in the Columbus Public Schools. Failure to comply with this regulation shall be deemed an automatic resignation.

C. At the time a teacher returns from National Service Leave, he/she shall file with the Superintendent of Schools official evidence of his/her Peace Corps or VISTA service. Such official evidence is to include dates of service and duty assignments.

702.16 A joint committee of three (3) representatives of the Board and three (3) representatives of the Association shall be formed to develop and recommend guidelines for the granting of various professional leaves including long and short term leaves and released time for school related workshops and training programs. Upon completion such guidelines shall be recommended to the Superintendent and to the President of the Association.

Article 703 SABBATICAL LEAVE

703.01 Upon written application made not later than March 1 of any school year, and with the approval of the Superintendent of Schools and the Board of Education, not more than fifteen (15) teachers shall be granted sabbatical leaves for the following school year.

703.02 All applications for sabbatical leaves will be reviewed for recommendation to the Superintendent and Board by a committee consisting of three (3) representatives of the Board and three (3) representatives of the Association. The committee shall consider, among other qualifications, the following:

A. The proposed program of the applicant as related to professional graduate study, travel, writing, or research.

B. The value of the proposed program to the Columbus Public Schools, its pupils, and the individual applicant.

C. The applicant's total length of service with the Columbus Public Schools.
703.03 Teachers approved for a sabbatical leave will be notified of their approval by April 30 or as soon thereafter as possible. Teachers on a sabbatical leave shall be entitled to a salary equal to the difference between the teacher's regular contract salary in effect at the time the sabbatical leave is approved and the minimum Bachelor's Degree salary in effect at the time the sabbatical leave is approved.

703.04 A teacher on sabbatical leave will be given an employment contract for the year of leave.

703.05 In order to be eligible for a sabbatical leave, a teacher must have been employed in the Columbus Public Schools for at least five (5) years.

703.06 Teachers requesting such leaves must accompany their applications with a detailed plan for the use of their sabbatical leaves. Within sixty (60) days after the expiration of his/her leave, a teacher will make a written report to the Superintendent of Schools detailing the use which was made of his/her leave. If the leave was granted for graduate study, the teacher will present to the Superintendent a transcript from the University or college attended.

703.07 As a condition of being granted a sabbatical leave, a teacher must agree to teach in the Columbus Public Schools for a period of one (1) school year upon returning from leave. Failure to do so will require the teacher to refund to the Board all payments received from the Board during the leave period.

703.08 Teachers on sabbatical leave shall be given full credit on the salary schedule for the period of leave.

703.09 All such sabbatical leaves shall be granted in conformity with the provisions of Section 3319.131 of the Revised Code.

Article 704 REDUCTIONS IN PERSONNEL

704.01 The non-renewal of limited contract teachers resulting from program cancellations or other cutbacks not related to the evaluation or performance of personnel in the bargaining unit shall be accomplished on the basis of seniority in the system within the areas of certification affected by the reduction. Such teachers shall be considered in a lay-off status and shall be recalled in the order of seniority as positions are available in their areas of certification. Seniority shall be measured from the first day of paid status resulting from the most recent employment by the Board of Education without regard for unpaid leaves since such date. In case of tie the date of Board action to employ shall further determine seniority for lay-off only. The Board shall recall all teachers on layoff status in the various areas of certification prior to employment of any new teachers in such certification areas.
Stipulations:

A. In the event two or more teachers have equal seniority, all determinations in the order of non-renewal and recall within the equal group shall be made by the Administration. In such event the Administration may give consideration to areas of certification, to past Columbus teaching assignments, to past teaching experience in other districts, and to race or sex where staff balance is a consideration.

B. As teaching positions become available, teachers who have been reassigned as a result of the reductions of other personnel, may again be reassigned at the discretion of the Administration to a teaching position more closely conforming to their assignment prior to the reduction transfer. More closely conforming is not intended to include geographical location of assignment.

C. Teachers on layoff status with multiple certification who are needed to fill an existing vacancy requiring such multiple certifications may be considered on a recall list of the teachers on layoff status who have such needed multiple certifications. Male and female physical education teachers may be considered separately for layoff and recall purposes. Music teachers shall be considered as vocal and instrumental for purposes of layoff and recall (as well as assignment) based on their election. Current music teachers shall make their election during the fall of 1979 and new employees shall make their election during their first year of employment. Election shall be made on a form which indicates the purposes of the election and which provides for the election of instrumental, vocal or both.

D. Teachers on a layoff status shall be responsible for keeping the Division of Administrative Services informed as to their current address and telephone number. Notification of recall by the Division of Administrative Services shall be to such address and failure to contact the Division of Administrative Services within fourteen (14) calendar days of the date of mailing shall remove the teacher from layoff status. The Division of Administrative Services will also attempt a telephone contact of the teacher. Further, failure to accept the offered assignment shall remove the teacher from layoff status. Acceptance of an Extra Duty assignment shall not be required as a part of such offered assignment. Teachers on layoff status may work as substitute teachers in the Columbus Public Schools without jeopardizing their layoff status.

E. Teachers who are re-employed from a layoff status shall have all seniority rights restored to their status which were in effect on their last date of employment including but not limited to salary, transfer, and evaluation rights. As an example, a teacher with
one year of experience prior to layoff would be given credit for one year of teaching experience on the salary schedule at the time of recall.

F. All rights provided in this provision for teachers on a layoff status shall be limited to thirty-six (36) months.

G. It is understood by the parties that it may be necessary to non-renew a larger number of teachers in various areas of certification than will ultimately be required. In practice, because non-renewal must occur prior to April 30 for the following school year, and because many resignations and retirements do not occur until after that date, many of the staff members who are notified of non-renewal may be recalled prior to the beginning of the following school year. However, the Administration shall have the right to utilize substitute teachers in a limited number of positions during September before determining that such positions will be permanently needed and filled by teachers on a layoff status. In addition, substitute teachers may continue to be utilized in the same manner as in the past. In particular, this would include the use of substitute teachers:

(1) for teachers who are on sick leave

(2) for the balance of the school year in vacancies occurring during the second semester

(3) for the balance of the school year in vacancies occurring throughout the school year provided there is a reasonable expectation that lay-offs may be necessary the following September.

H. A teacher on an unpaid leave of absence shall be considered on lay-off status if during the period of such unpaid leave the teacher would have been laid off under the provisions of this article had the teacher been on paid status. Further, such teacher shall be returned to paid status after the completion of such leave on the same basis as other teachers on lay-off status as provided in this article.

I. A six member joint Board/CEA committee shall be appointed to advise the Administration on problems which may result from the implementation of this provision as such problems are identified by the Division of Administrative Services or the Association.
704.02 The non-retention in employment or the reduction of assignment below six (6) hours per day on a regular basis of Full-Time Hourly Professional Employees (teachers) resulting from program cancellations or other cutbacks shall be accomplished on the basis of seniority among Full-Time Hourly Professional Employees in the system within the program and area of certification affected by the reduction with the following stipulations:

A. Seniority shall be measured from the first day of paid status in the earliest year of continuous employment by the Board of Education. To qualify as a year of continuous employment the employee must have worked a minimum of 37 weeks with a minimum of six (6) hours per day on a regular basis during the year.

B. Such teachers shall be considered in a lay-off status and shall be recalled in the order of seniority as contract or full-time hourly positions are available for which they are certified. Such teachers as may be recalled to contract teaching positions may, at the option of the Board, be reassigned at the end of the school year to a full-time hourly teaching position.

C. All provisions of Section 704.01 of this article not in conflict with Section 704.02 shall also apply to Full-Time Hourly Professional Employees.

D. Any full-time hourly professional employee whose assignment is reduced to less than six (6) hours per day on a regular basis shall be considered on lay-off status, however such employee may elect to remain in the less-than-full-time position without prejudicing his or her rights under 704.02-B above.

704.03 In the event a reduction in the number of teachers is necessary which required the Board to suspend contracts, such reduction shall be implemented in conformity with the Revised Code of Ohio, particularly Section 3319.17.
CHAPTER 800

Article 801  SUMMER EMPLOYMENT

801.01 Full year employment shall be made available to at least five percent (5%) of the teaching staff at the time of regular contract issuance in 1980 and 1981 for the succeeding summers of 1981 and 1982. Such teachers will receive a separate, supplemental contract for teaching in the summer school at the summer school rate of pay established in this Agreement. In the event summer school pupil enrollment does not result in the need for all teachers receiving such supplemental contracts, such contracts of such teachers as are not needed will be null and void beginning with the least senior teacher. Supplemental contracts issued in accordance with this provision will contain language clearly establishing the right of the Board to declare such contracts null and void for reasons herein contained.

801.02 The employment of any summer school staff shall be made in accordance with the following criteria:

Priority 1. Employed at the time of issuance of the supplemental contract and to be employed for the following school year.

Selection of applicants will be based on the following criteria:

Types of degree(s) held.

Number of years teaching experience.

A. Employed in only one program in the Columbus Public Schools during the summer.

B. Fully certified in the area applying.

C. Is willing to work the entire term.

D. Continuity of programs (classes) from regular school to summer, within the school.

E. Have application filled out completely and in by the April 15 deadline.

F. The most recent formal evaluation free of unsuccessful ratings.
Priority II. Teachers now employed but resigning at the end of the school year.

Teachers not employed but retiring at the end of the school year.

Teachers new to Columbus under contract for the coming school year.

Full-time substitutes -- fully certificated.

Priority III. Teachers applying for full-time employment.

Teachers employed in other school districts.

801.03 Summer school teaching pay shall be in accordance with the hourly rate of pay established in this Agreement for the number of hours required in the given assignment.

801.04 Each summer school teacher shall have available supplies and equipment in amounts and kinds comparable to the supplies and equipment available to teachers of similar courses during the regular school year.

801.05 Administrative, supervisory, and executive personnel will not be assigned to summer school teaching positions if qualified teachers are available to fill such positions.

Article 802 Use of College Scrip

Scrip shall be issued according to the following priorities and stipulations:

Priority I. Present full-time professional staff members in MA or Ph.D. programs who must finish course work during the upcoming quarter or lose credits, and present full-time professional staff members, including vocational teachers, who must attend the university to maintain their present position because of certification requirements.

Priority II. Professional staff members on sabbatical leaves.
(Such staff members shall be given sufficient scrip for full-time attendance, subject to availability.)

Priority III. All other applicants, not in Priority groups I through II, listed above, shall be considered on the basis of seniority in the Columbus Public School System.
Stipulations:

A. A joint CEA-Board committee shall be appointed to resolve problems which may arise in the credit bank system and to apply the above-mentioned priorities if limitations or restrictions shall be deemed necessary by the committee.

B. An application form which reflects the above priorities and which indicates whether or not the applicant is an Association member, shall be mutually developed by the parties. Association membership shall in no way relate to the priorities established above.

C. Staff members who receive script, do not use it, and fail to return it to the Division of Instructional Services before the deadline for the next payment of fees may be denied the use of scrip for the next full calendar year.

Article 803 PHYSICAL EXAMINATION

803.01 The cost of a physical examination of a teacher which is required by the Board shall be borne by the Board of Education. The Board shall have the right to designate the doctor to administer such required physical examination.

803.02 For the purposes of this Article, the term "physical examination" does not include the initial employment physical examination required of all teachers new to the Columbus Public Schools.

Article 804 ANNUITY PROGRAMS

The Board shall continue to provide payroll deductions for any annuity program which is available from companies conforming to the Board's General Policies, Tax Deferred Annuities, revised April, 1975. Members of the bargaining unit may change annuity companies or amounts entirely at the member's discretion not more than once each twelve (12) months during the months of September or February.

Article 805 DISABILITY INSURANCE PAYROLL DEDUCTIONS

Effective with the 1976-77 school year, the Board will provide payroll deductions for Washington National Income Protection Insurance with a maximum for four (4) separate options for each teacher. No teacher may elect more than one of the four (4) options, and no teacher who cancels their deduction for such insurance plan shall be permitted to reinstate their payroll deduction for such insurance plan for a minimum of one (1)
year. Enrollment is limited to sixty (60) days after initial employment and at "open enrollment" period. Open enrollment period is limited to once each year. Washington National does not permit premium payments through the Board of Education while on an approved leave of absence. Teachers must apply for coverage within sixty (60) days of return from leave of absence to reinstate the payroll deduction. A change in options is considered an enrollment.

Article 806 HOSPITAL, SURGICAL AND MAJOR MEDICAL INSURANCE

806.01 During the term of this Agreement, the Board shall continue the current hospital, surgical, and major medical insurance programs and shall continue to pay 100 per cent of the cost of coverage under such programs for all individual members of the bargaining unit who are regular contract employees employed for a minimum of one-half time or who are full-time hourly professional employees.

806.02 During the term of this Agreement, the Board shall pay, in addition to 806.01 above, 50 per cent of the cost of the insurance programs indicated in 806.01 above for the dependents of all members of the bargaining unit who are regular contract employees employed full-time or who are full-time hourly professional employees provided such contract employees and full-time hourly employees elect such dependency coverage.

806.03 During the term of this Agreement, the Board shall pay in addition to 806.01 above, 100 per cent of the cost of the insurance programs indicated in 806.01 above, for the dependents of all members of the bargaining unit who are regular contract employees employed full-time or who are full-time hourly professional employees provided such contract employees and full-time hourly employees have elected such dependency coverage and shall have been covered by such dependency coverage for a minimum of the twelve (12) most recent consecutive months.

806.04 During the term of this Agreement, regular contract employees who are employed for a minimum of one-half time but less than full-time and who elect the coverage provided in 806.02 and 806.03 above shall receive a per cent of such coverage at Board expense equal to the per cent of time for which such employee is employed.

806.05 During the term of this Agreement, a member of the bargaining unit married to another employee of the Board, both of whom are eligible at 100 percent Board expense for the benefits provided in 806.01 and who have no dependents, shall be provided individual coverage. In addition, such personnel shall be provided dependency coverage effective on the first day of the month in which they acquire a dependent eligible for coverage, provided they advise the Board of their eligibility for dependency coverage no later than thirty (30) days after becoming eligible for the change in status. The provision of 806.03 requiring dependency coverage for the twelve (12) most recent consecutive months in order to be eligible for dependency
coverage at 100 percent Board expense shall not apply to such members of the bargaining unit. In the event the spouse of a member of the bargaining unit covered by this provision leaves the employment of the Board, the dependency coverage shall be maintained at 100 percent Board expense. In the event a member of the bargaining unit covered by this provision changes marital status from married to single, the dependency coverage shall be maintained at 100 percent Board expense provided the member of the bargaining unit has a dependent eligible for coverage.

Article 807 DENTAL INSURANCE

Effective January 1, 1981, a comprehensive dental insurance program for members of the bargaining unit shall be provided at Board expense. Eligibility for coverage shall be on the same basis as that provided for hospital, surgical, and major medical insurance, except members of the bargaining unit eligible for family coverage who elect such family coverage during the 1980 fall enrollment period shall not be subject to the twelve (12) month period in 806.03. Members of the bargaining unit who elect family coverage after the 1980 fall enrollment are subject to all provisions of 806.03.

The plan will be selected by mutual agreement of representatives of the Board and the Association.

Article 808 TERM LIFE INSURANCE

808.01 During the term of this Agreement, the Board shall provide, at Board expense, $10,000 group term life insurance for members of the bargaining unit employed on a full-time basis and shall provide, at Board expense, $5,000 group term life insurance for members of the bargaining unit who are contract teachers employed on a half-time or less than full time.

808.02 Effective January 1, 1980, members of the bargaining unit employed on a full-time basis may elect to buy $10,000 group term life insurance in addition to that provided in Article 808.01. This additional insurance shall be paid through payroll deduction at the same rate as the Board pays for coverage in 808.01. Election of this additional coverage shall be made only during the month of November, 1979, with an effective date of the following January 1.

Article 809 SEVERANCE PAY

809.01 Members of the bargaining unit may, at the time of their separation from service with the Columbus Public Schools, elect to be paid in cash for one-fourth ($\frac{1}{4}$) of the value of their accrued but unused sick leave credit. Only those members of the bargaining unit whose effective date of retirement with the State Teachers Retirement System is no later than one hundred twenty (120) calendar days after the last paid day of service or the last day of an unpaid leave of absence with the Columbus Public Schools, shall be eligible to be paid for such accrued but unused sick leave credit. The maximum payment which may be made shall be for
one-fourth (¼) of one hundred twenty (120) days plus one fourth (¼) of the member's accrued but unused sick leave in excess of one hundred twenty (120) days up to the maximum of the member's accrued but unused personal leave days. Such payment shall be based on the employee's rate of pay at the time of separation. Payment for sick leave on this basis shall be considered to eliminate all sick leave credit accrued by the employee at that time. Such payment shall be made only once to any employee. Such payment shall be made no later than sixty (60) calendar days after the effective date of retirement with the State Teachers Retirement System.

809.02 Severance pay benefits for an eligible member of the bargaining unit who dies while on active status or on leave of absence shall be paid to the member's life insurance beneficiary. A member shall be eligible for this benefit if, at the time of death, the member was eligible for superannuation retirement benefits. The implementation of 809.02 shall become effective September 1, 1980, subject to the determination that statutory authority clearly exists for such a provision.

809.03 In the event action by the Ohio Legislature permits the "pick-up" of employee contributions to STRS to be used in the calculation of final average salary, and subject to STRS regulations, the Board will meet with representatives of the Association to establish procedures which will allow all members of the bargaining unit to have their employee contributions to STRS be considered as employer "pick-up" for calculation of Federal Income Tax and state income tax. The Board will have at least sixty (60) days from the time agreements are reached to do all things necessary to implement this article. This change in procedure will be of no cost to the Board and is solely for the purpose of reducing current tax for members of the bargaining unit and will remain in effect so long as Revenue Ruling No. 77-462 remains substantially unchanged.
CHAPTER 900

Article 901 SALARY POLICIES

901.01 It is the conviction of the Board and Association that salaries should be at a level which will enable teachers to assume a place in the community in keeping with the importance of their work and which will provide security for their later years.

901.02 Progress toward maximum salaries shall be made by increments.
   A. A full increment shall be granted to members who have served 120 or more school days within a given school year.
   B. Those teachers currently employed by the Board who have received credit for partial increment shall continue to receive the amount of that partial increment in effect prior to this Agreement.
   C. Increments for training beyond the Bachelor's Degree shall be effective at the beginning of the next semester.

901.03 Half-time contract teaching shall qualify for a year of teaching experience for salary credit purposes with the following stipulations:
   A. The teacher has served 120 or more school days within each of two school years.
   B. The two years being combined shall be for continuous service in the Columbus Public Schools.
   C. This provision shall be applied to qualifying service provided after July 1, 1978.

901.04 Credit for years of teaching experience outside the Columbus City School District for salary purposes, up to a maximum of five (5) years, shall be granted to teachers with a Trades and Industries teaching certificate who are initially employed to teach under such certificate, in accordance with the guidelines established under Section 906.08. After initial employment, members of the bargaining unit reassigned into a Trades and Industries teaching area or reassigned out of a Trades and Industries teaching area shall not have their outside teaching experience for salary purposes re-evaluated on the basis of such guidelines.

901.05 Members of the bargaining unit possessing a bachelor's degree and providing service in a Trades and Industries teaching area shall be placed on the "150 Hours and Bachelor's Degree" track for salary purposes.
901.06 Recognition of training shall be on the basis of transcripts of credit.

901.07 Credit for years of public school teaching experience outside the Columbus Public Schools shall be granted in full up to five (5) years for salary purposes. Public school teaching experience for the purposes of this provision, shall include teaching experience in all public schools, teaching experience in accredited armed forces and U. S. State Department Dependency Schools and teaching experience in the Peace Corps and VISTA.

901.08 Eligibility for the Master's Degree Plus 30 Semester Hours track shall be based on credit earned after the date of the Master's Degree.

901.09 Eligibility for the Master's Degree Plus 30 Semester Hours track and the Ph.D. Degree track shall be granted for graduate study in the field of education or graduate study which is generally related to the teacher's area of certification.

901.10 The annual contract salary for members of the bargaining unit on teachers' payroll Plan A or teachers' payroll Plan B shall be divided into thirteen (13) equal checks, and such members shall have the option of receiving their checks on Plan A or Plan B.
### Article 902 TEACHER SALARY SCHEDULES

**Note:** September 4 and 5 shall be used for staff meetings and preparation for the initiation of the new school year. September 28 is set aside as a day when each school principal and staff may plan for a staff development activity. Staff members would have an opportunity to plan, confer, consult or interact as a means of establishing an improved school atmosphere. Individual staff members are free, however, to attend the COTA Conference rather than their own school staff function if they so choose. In schools where no staff development program is planned, the individual staff members must choose to participate in a staff development activity at the local building or some other designated place, approved by the principal, or to attend the COTA Conference.

CHAPTER 1100

Article 1101 AMENDMENT PROCEDURES

The President of the Association and the Superintendent may meet privately during the term of this Agreement for the purpose of discussing the amendment of this Agreement. In the event this discussion produces a mutual accord that a specific amendment is desirable, such proposal for amendment will be referred to the Joint Negotiating Committee and, if the amendment is mutually agreed upon by the joint committee, it will be submitted for ratification by the Board of Education and a policy-making body of the Association. No public discussion or disclosure of the desire for amendment shall take place prior to or unless mutually agreed to be submitted to the Joint Negotiating Committee.

Article 1102 APPLICABLE STATE LAW

1102.01 In the event there is a conflict between a provision of this Agreement and any applicable state law, or valid rule or regulation adopted pursuant thereto, the applicable state law or valid rule or regulation shall prevail as to that provision. All other provisions of this Agreement which are not in conflict with any applicable state law, or valid rule or regulation adopted pursuant thereto, shall continue in full force and effect in accordance with their terms.

1102.02 If, during the term of this Agreement, there is a change in any applicable state law, or valid rule or regulation adopted pursuant thereto, which would invalidate any provision of this Agreement, the parties will meet to negotiate any necessary change in the Agreement relative to the affected provision, only.

1102.03 In the event legislative action occurs during the term of this Agreement which establishes agency shop as a negotiable matter, the parties agree to conduct negotiations only on the subject of agency shop. Such negotiations shall be conducted in accordance with the Procedures for Professional Negotiations adopted December 16, 1975, Sections C-1 through C-5 only.

Article 1103 INTERIM NEGOTIATIONS

There shall be no interim negotiations during the term of this Agreement except as provided in the Article in this Agreement entitled Applicable State Law. In the event additional funds from the State require mandated raises for members of the bargaining unit, the salary increases herein provided shall be considered to be a result of such mandated raises and any such stipulated raises that require the Board to exceed the salary levels provided herein in any given year shall not result in increasing the salary levels provided in the succeeding year(s).
Article 1104 DURATION OF AGREEMENT

This Agreement shall be effective at 12:01 a.m. on September 1, 1979, and shall continue in full force and effect until midnight, August 31, 1981.
