Nothing herein shall be construed to limit the statutory power and duty of the Board to make, amend, or execute decisions and policies that are necessary to operate and maintain the teaching program and schools and to otherwise carry out its lawful rights and responsibilities. Neither shall anything in this agreement be construed to limit the statutory power and duty of the Superintendent.

Paragraph 2: This agreement may be amended at any time by mutual consent. However, no amendment to this agreement shall be binding unless executed in writing and ratified by both the Board and the teachers bargaining unit with the latter's election conducted by the Association.

Section A: Professional Year for Teachers

Paragraph 1: Contract Days
The base contract days for teachers for each contract year, exclusive of those in supplemental or contract addendums, shall be 184 days, consisting of teaching days and non-teaching professional days as determined by the Board. Such contract days shall be scheduled on weekdays, Monday through Friday, between the first and last workday of each contract year.

Paragraph 2: New Teacher Orientation
The administration may schedule a program for the purpose of orientating newly employed teachers. Any teacher who is required to attend shall receive his/her daily rate for each day of such attendance. Partial days shall be prorated. Compensation shall be paid in accordance with regular payroll procedures. If such a program is scheduled, an opportunity shall be given to the Association to present items of mutual interest to new teachers. Attendance of teachers at the Association’s presentation shall be optional.
Paragraph 3: Workshop Inservice Training Day
During each contract year, attendance centers shall be guaranteed at least one day between October 1 and March 15 on any Monday through Friday for the purpose of a workshop or inservice training. The Superintendent shall schedule the time to be taken, but each school shall be entitled to submit recommendations to him/her. Individual schools or groups within a school may apply, through the principal, to the Deputy Superintendent for additional inservice time. These requests will be reviewed and may or may not be granted on an individual basis.

Section B: School Calendar
Paragraph 1: The school calendar adopted by the Board for the 1985-1986 school year is set forth herein as Appendix A.
Paragraph 2: The school calendar adopted by the Board for the 1986-1987 school year shall be incorporated upon such adoption.

ARTICLE IV: PROFESSIONAL DAY
Section A: Elements of the Day, All Teachers
Paragraph 1: Teachers shall be present during those hours when they have an assigned responsibility while school is or normally would have been in session, including an approximate thirty (30) minute lunch period free of assigned responsibility. Teachers must notify the building principal or designee when they desire to be out of the building while school is in session.
Paragraph 2: Teachers shall attend individual conferences with administrators at reasonable times.
Paragraph 3: Teachers shall attend necessary staff meetings.
Paragraph 4: Teachers shall attend pupil and parent conferences when necessary including reasonable requests from a pupil or parent.
Paragraph 5: Teachers shall supervise pupils in and around the building for a reasonable period of time before and after the school day. Such period of time shall be considered by the School Building Committee and its recommendation shall be given consideration by the principal when making his/her determination.
Paragraph 6: Teachers shall make complete and adequate preparation to fulfill their responsibility to pupils.
Paragraph 7: Teachers shall accomplish necessary administrative work related to their assignments.

Paragraph 8: Teachers may be required to collect and Transmit money. Teachers shall exercise reasonable care to assure that money collected will not be lost. Reasonable effort will be made to keep money collection by teachers to a minimum and to expedite the collection process.

Paragraph 9: Teachers shall not be required to transport pupils to or from activities which take place away from the school building except where such transportation would be a normal responsibility of a particular position and/or condition of employment under a supplemental contract. However, a teacher may do so voluntarily with the advance approval of the building principal.

Paragraph 10: On nonteaching professional days, teachers shall be present for six and one-half (6\(\frac{1}{2}\)) hours excluding the lunch period. An authorized administrator may reduce such time requirement.

Paragraph 11: Teachers shall attend evening activities designated as mandatory by the School Building Committee.

Section B: Elements of the Day, Classroom Teachers

Paragraph 1: Each fulltime secondary classroom teacher shall have a schedule which normally provides at least one period daily for conferences and preparations.

Paragraph 2: Each fulltime elementary classroom teacher shall have a schedule which normally provides approximately 150 minutes per five day week for conferences and preparations. Every reasonable effort shall be made to equalize and to maximize the time available for conferences and preparations through the normal scheduling practices of elementary schools.

Paragraph 3: The teacher shall make his/her lesson plans and any other material which the teacher is using available to the principal upon request. Lesson plans are required only in sufficient detail to provide guidance to the teacher.

Paragraph 4: When any class assigned to the teacher does not meet for any reason, the teacher may be assigned other professional duties during the classtime.

Paragraph 5: When a teacher is absent, the teacher shall have available for the substitute instructional plans, roll of pupils, seating charts where ap-
propriate, and materials in such condition that the substitute will have adequate direction in his/her work. In the event an absence exceeds three (3) days, the teacher shall make the grade book available to the substitute upon request.

Section C: Elements of the Day, Support Teachers

Paragraph 1: Teachers shall be present during those additional hours required to perform their particular assignments. The determination of the teacher's daily time schedule shall be made by the teacher subject to approval by his/her immediate supervisor. Such approval shall not be unreasonably withheld.

Paragraph 2: Teachers shall attend evening activities related to their particular assignments as designated by the base school principal.

Paragraph 3: Each fulltime elementary music and elementary physical education teacher shall have a schedule which normally provides approximately 150 minutes per five day week for conferences and preparations.

Paragraph 4: Library media specialists will not be required to supervise study halls while carrying out their regular assignments as library media specialists.

Section D: Extra Duties

Paragraph 1: While participation in extra activities and time commitments may be encouraged by the Board or administration, the same will be voluntary in nature unless required by the responsibilities as set forth in Sections A, B, or C above, or unless required by the Supplemental Salary Section of the Teacher Compensation Article.

Paragraph 2: Regular duties assigned in addition to the responsibilities set forth should be compensated and set forth in a Supplemental Salary Schedule, and once compensation is so set, accepted and added to a Supplemental Salary Schedule as set forth in the Teacher Compensation Article, such duties shall be fully performed in a professional manner.

Section E: Time Schedules

Paragraph 1: Teachers shall work in accordance with established time schedules. Such schedules shall include the beginning and ending times of the school day, lunch time(s), and, in some buildings, the number of and times for teaching periods.
Paragraph 2: Permanent changes in a school’s normal time schedule may be proposed by the principal or the School Building Committee. Under normal circumstances, changes should be proposed no later than February 1 for the following school year. Such proposed changes shall be submitted to the School Building Committee which will be responsible for determining the degree of acceptance by teachers who would be affected. The findings of the committee shall be reported to the principal in a timely manner. The principal shall give consideration to such findings prior to making his/her decision. If the School Building Committee does not give written notice of its disagreement with the principal’s decision within five (5) contract days, the principal’s decision shall be implemented.

Paragraph 3: If the School Building Committee notifies the principal within five (5) contract days of its disagreement with his/her decision, the District Schedule Committee, composed of three (3) members appointed by the Association and three (3) members appointed by the Superintendent, shall meet and permit the School Building Committee, the principal, and other interested parties an opportunity to be heard regarding the proposed school changes. The District Schedule Committee shall make a timely recommendation to the Superintendent. The Superintendent shall give consideration to the recommendation of the District Schedule Committee prior to making his/her decision. The Superintendent’s decision shall be implemented.

Section F: Supervision of Student Teachers

Paragraph 1: Supervision of a student teacher shall be voluntary. Teachers shall normally be notified of a student teacher assigned at least two (2) weeks prior to the student teacher’s introduction to the classroom. Any honorarium paid to the district by any college or university shall be paid to the cooperating teacher(s) in accordance with regular payroll procedures. The school system shall provide the cooperating teacher with whatever materials it deems appropriate. The cooperating teacher shall be responsible for being knowledgeable of the contents of any such materials provided.

Section G: Appeal

Paragraph 1: In the event an administrative decision is made concerning the professional day, such decision shall remain in effect pending determination under the grievance procedure.
ARTICLE V: TEACHER COMPENSATION

Section A: Definition and Placement

Paragraph 1: Each teacher employed by the Board shall be compensated for the professional services which he/she renders during the professional days for the term of a contract year. This compensation shall be termed salary and the amount of such salary each teacher receives for a contract year shall be determined by his/her placement on the Teachers Salary Schedule (Section B, Paragraph 1, of this Article).

(a) A fractional part of a year’s service shall be paid on the basis that the number of contract days worked bears to the total number of contract days in the contract year.

(b) The base contract salary shall be prorated for any teacher who teaches less than full time.

Paragraph 2: The final judgment concerning the initial placement of any teacher on the salary schedule shall be determined by the Personnel Services Division. Such judgments are not to be inconsistent with Sections A and B of this Article.

Paragraph 3: General Provisions

(a) Each teacher shall be eligible for and shall receive the highest salary to which his/her academic preparation and experience entitle him/her. All salary placements are subject to verification of experience and training and shall be adjusted in any direction for each school year to the level for which the teacher proves his/her entitlement on or before September 15 of each year. Experienced teachers beginning their employment after September 15 of a school year shall be placed on the track and step for which they qualified as of September 15 of that school year. Inexperienced teachers beginning their employment after September 15 of a school year shall be placed on Step 1 of the B.A. Track or on Step 1 of the track for which they qualified as of September 15 of that school year, whichever is higher. Teachers employed full time for one full semester of a school year shall be given credit for one year of experience; however, one full semester of full-time teaching experience obtained in each of two different years or school systems shall be combined and counted as one year of experience with adjustment in step placement made accordingly.

(b) Subject to (a) above, the teacher qualifies for one (1) higher step for each full year of teaching experience under a contract with Unified School District 259, and for each year of extended or
sabbatical leave when such leave is expressly to be so counted in the Leaves Article. This phrase "full year" as used in this subparagraph shall mean being under a base contract for 170 or more days within one contract year. No teacher will move more than one step in any year.

(c) At the time of reemployment, a teacher who has been employed previously as a teacher under a contract with Unified School District 259 shall be placed in accordance with the salary provisions of the current Teachers Employment Agreement. However, no such teacher shall be placed on a lower numbered step than he/she was on at the time of the last day in base contract pay status of the most recent prior employment. Furthermore, if at that time the teacher was eligible for the next higher step in the subsequent contract year, the teacher shall be placed on that next higher step on the appropriate track at the time of employment. This step placement shall be adjusted as necessary to account for changes in salary placement procedures which may have occurred in the interim.

Paragraph 4: Placement on Teachers Salary Schedule

(a) Track

On the Teachers Salary Schedule (Section B, Paragraph 1, of this Article), each track (vertical column) represents an earned degree from an accredited institution of higher learning or additional earned graduate credit semester hours not already counted in an earned degree. Credit for salary purposes shall be given for only those graduate degrees and/or graduate hours earned as a part of graduate program(s) as recognized and supervised by the graduate school of an accredited institution, unless otherwise expressly provided by this Section. Such institution must have been accredited at the time the degree and/or hours were earned. The accreditation agency must be an agency approved by the Personnel Services Division. To be eligible for a degree track, the teacher must have earned the degree that track specifies. His/her placement on an intermediate track higher than the degree track to which he/she is entitled is contingent upon his/her having earned the additional number of graduate semester hours which that track specifies (or their equivalent in quarter hours or third hours). Such additional graduate hours may have been earned prior to the date of the teacher's latest degree, but must not have been used to satisfy degree hour requirements.
(b) **Step**

At the time of employment, each teacher shall be placed on the highest numbered step for which he/she qualifies in accordance with the column of the Teachers Salary Schedule entitled "Initial Placement." Credit will be given for teaching experience obtained in an accredited school system. Other relevant teaching experience may result in higher initial step placement as determined by the Superintendent. In no event will the teacher be granted more than ten (10) years of qualified experience nor be placed higher than Step 9.

(c) **Vocationally-Certified, Experience Qualified Teachers**

At the time of employment, experience qualified vocationally-certificated teachers in the WAVTS programs with five (5) years of qualified occupational experience shall be placed on Step 1 of the B.A. Track of the Teachers Salary Schedule. Subject to (b) above, the teacher shall be given credit for additional years of qualified occupational experience, not to exceed four (4) years. The determination as to whether occupational experience meets the necessary qualifications shall be the responsibility of the Personnel Services Division. Such experience qualified teachers shall be ineligible for movement to any other track. Any additional salary improvement beyond the top step of the B.A. Track shall be in accordance with an individualized professional growth plan recommended by the Vocational Professional Growth Committee, three (3) members of which will be appointed by the Superintendent. The experience qualified vocationally-certificated teachers shall collectively appoint one member to the committee and the Association shall appoint one member to the committee. Any such plan and salary improvement must be approved in accordance with regular administrative procedures and shall not be unreasonably denied.

(d) **Degree Vocationally-Certificated Teachers**

At the time of employment, degree vocationally-certificated teachers in the WAVTS programs with two years of qualified occupational experience shall be placed on Step 1 of the B.A. Track of the Teachers Salary Schedule. Subject to (b) above, the teacher shall be given credit for additional years of qualified occupational experience, not to exceed four (4) years. The determination as to whether occupational experience
meets the necessary qualifications shall be the responsibility of the Personnel Services Division.

(e) Teachers in Technical Programs

(d) Nonprobationary teachers who, according to their most recent evaluation, have a lower evaluation composite rating than those teachers not yet selected.

Paragraph 2: Within each subparagraph above, if two or more teachers are otherwise equally eligible for selection, teachers with shorter lengths of current employment will be selected before those with longer lengths. If two or more teachers remain equally eligible for selection, the order of selection of those teachers shall be decided through applying unbiased procedures developed and directed by the Research, Planning, and Development Services Division.

Paragraph 3: The evaluation composite rating of a teacher shall be calculated by assigning five (5) points for each rating in the "consistently superior" column of the teacher evaluation report summary, four (4) points for each rating in the "sometimes
superior” column, three (3) points for each rating in “consistently satisfactory” column, two (2) points for each rating in the “usually acceptable” column, one (1) point for each rating in the “consistently unsatisfactory” column, and totaling all such points assigned.

Paragraph 4: Length of current employment shall be based on the date of employment specified by the Personnel data base.

Paragraph 5: Only those evaluations forwarded to the Personnel Services Division prior to an earlier date specified by the Superintendent will be considered in the implementation of this Article.

Paragraph 6: Any individual(s) within a specified group who is on or has requested an extended leave or sabbatical shall be eligible for selection for layoff under the conditions set forth herein.

Paragraph 7: As teachers are selected for layoff, their names shall be placed on a list in the order of their selection. A copy of the list shall be given to the Association in a timely manner.

Section C: Notice

Paragraph 1: Any teacher who is to be recommended for layoff shall be notified in writing at least thirty (30) days prior to the proposed effective date of such layoff and a copy of the notice shall be given to the Association. Such notice shall include:

(a) The basis for the initial decision for teaching staff reduction.

(b) The reason(s) for the selection of the individual teacher.

(c) A copy of this Article.

(d) Notice to the individual teacher of an opportunity to respond.

Section D: Rights

Paragraph 1: After implementing such a reduction procedure, the list of names of laid off teachers shall be maintained for two (2) years.

Paragraph 2: Any teacher who has been so laid off shall no longer be considered an employee and shall have no employee rights or benefits other than those required by law or by this agreement.

Paragraph 3: Any teacher who has been so laid off may retain membership in the Board health insurance group for the period of time allowable by the insurance company. However, the Board shall make no contribution and the teacher must make advance arrangements for payment of premiums with the Business Services Division.
Paragraph 4: It is the responsibility of the listed laid off teachers to keep the Personnel Services Division informed of their current address and any changes in teaching qualifications.

Paragraph 5: If a vacancy occurs within two (2) years for which any teacher named on the list qualifies, the position shall be offered to the teacher whose name was most recently placed on the list and who qualifies for such vacancy. However, the Board is not obligated to offer any teacher a position of greater full-time equivalency than that teacher had when he/she was laid off. The usual employment procedures will be followed in determining fitness for recall.

Paragraph 6: If any teacher named on the list waives recall rights in writing, fails to accept recall to a position for which the teacher is qualified, fails to respond within ten (10) days to a recall notice sent to the latest address which the teacher has furnished to the Personnel Services Division, or fails to report for duty in the accepted position, the name of such teacher shall be removed from the list and such teacher shall have no further recall rights.

Paragraph 7: Any teacher who is recalled shall regain all employment benefits to which he/she was entitled at the time of layoff. However, no benefits may be accrued during the period of unemployment and the teacher shall be subject to all changes in employment conditions which have been made in the interim.

Paragraph 8: Any teacher who has been so laid off may apply for assignment as a substitute teacher.

Paragraph 9: No layoff covered under this Article shall be considered a termination or nonrenewal under K.S.A. 1979 Supp. 72-5436, et seq. or K.S.A. 72-5411. However, application of this Article shall be subject to the grievance procedure.

ARTICLE XIX: GRIEVANCE PROCEDURE

Section A: Purpose

Paragraph 1: The purpose of this procedure is to secure, at the lowest possible level, solutions to grievances.

Section B: Time Limitations

Paragraph 1: The time limitations specified at each level may be extended by mutual agreement between the grievant or his/her representative and the Director of Employment Relations.

Paragraph 2: When the term "days" is used herein, unless otherwise specified, it shall mean contract
days during the school year and calendar days between school years.

Section C: Level One

Paragraph 1: A grievance must be filed in writing with the grievant’s immediate supervisor by the grievant. Such grievance shall be so filed within fourteen (14) days after the occurrence of the event upon which it is based, and a copy of said grievance shall be forwarded to the Association building director, the Association’s President or designee, and the Director of Employment Relations. The grievant and his/her immediate supervisor shall hold a discussion concerning the written grievance within seven (7) days after the grievance is filed.

Paragraph 2: Within seven (7) days after the discussion meeting is concluded, the grievant’s immediate supervisor shall make a decision in writing, together with the supporting reasons. Copies shall be forwarded to the grievant, the Association building director, the Association’s President or designee, and the Director of Employment Relations.

Section D: Level Two

Paragraph 1: Within seven (7) days after receiving the decision at Level One, the grievant may appeal the decision in writing to the Superintendent. The grievant shall forward copies to the immediate supervisor, the Association building director, the Association’s President or designee, and the Director of Employment Relations.

Paragraph 2: Within fourteen (14) days after receipt of the written appeal or a grievance filed at Level Two, the Superintendent or designee will meet with the grievant and/or a representative of the Association and all parties of interest in an effort to resolve the grievance.

Paragraph 3: Within fourteen (14) days after the meeting specified in Paragraph 2 above, the Superintendent or designee shall make a decision in writing. Copies shall be forwarded to the grievant, the immediate supervisor, the Association building director, the Association’s President or designee, and the Director of Employment Relations.

Section E: Level Three

Paragraph 1: Within fourteen (14) days after receiving the decision at Level Two, the grievant may appeal the decision in writing to the Board of Education. The grievant shall forward copies to the Superintendent, the immediate supervisor, the Association building director, the Association’s President or
designee, and the Director of Employment Relations.

Paragraph 2: The grievant shall have the opportunity to be heard by the Board or a committee thereof. The Board of Education shall make a decision in writing within forty-five (45) days of the receipt of the appeal. Copies shall be forwarded to the grievant, the immediate supervisor, the Association building director, the Association's President or designee, the Superintendent, and the Director of Employment Relations.

Section F: Rights of Representation

Paragraph 1: At any level of the grievance procedure at the grievant’s option, the grievant shall be represented by the Association, himself/herself, legal counsel, or another person selected by the grievant.

Paragraph 2: If a grievant is not represented by the Association, the Association shall have the right to be present and to state its views at all levels of the grievance procedure.

Section G: General Provisions

Paragraph 1: If a grievance affects a group or a class of teachers, and at least one affected teacher so desires, the Association may initiate and submit such grievance in writing to the Superintendent directly and the processing of such grievance will commence at Level Two.

Paragraph 2: If a grievance arises because of an act of commission or omission on the part of a member of the administration at a level above the grievant’s immediate supervisor, the grievant shall submit such grievance in writing to the Superintendent and the processing of such grievance will commence at Level Two.

Paragraph 3: Forms for filing and appealing grievances will be prepared and distributed jointly by the Superintendent and the Association. The costs of preparing such forms shall be borne by the Board.

Paragraph 4: A grievance must be filed on an official form. In filing a grievance, the grievant shall make every reasonable effort to state specifically what was done, who did it, when it was done, the language which was violated, how it was violated, and the remedy requested. If the form is not completed in accordance with this Paragraph, the grievance may be returned to the grievant for completion together with a notice regarding the incomplete parts. If the form is then completed and filed within five (5) days, the grievance shall be
considered to be no less timely than it was when previously submitted. For purposes of processing the grievance, the filing date shall be the date the completed form is filed.

**Paragraph 5:** The confidentiality of the proceedings will be respected by all parties to the degree that it is consistent with the procedure described. The grievant's right to continued processing of a grievance filed by him/her shall be conditioned upon there being no deliberate violation of this confidentiality by him/her. This prohibition shall include any effort by either party to inform the Board of the substantive issues involved in a grievance in advance of a hearing involving members of the Board.

**Paragraph 6:** Nothing contained herein is to be construed as limiting the right of a teacher having a grievance or an involved administrator to discuss the matter informally with any appropriate person in an effort to have the matter adjusted in a mutually satisfactory manner, provided that such adjustment is not inconsistent with the terms of this agreement.

**Paragraph 7:** A decision at any level of the procedure in favor of the grievant may recommend appropriate restitution or other remedy for the period during which the grievance was suffered.

**Paragraph 8:** Any decision rendered at any level of the procedure which is contrary to this agreement or law shall be null and void.

**Paragraph 9:** If any teacher is required to attend a meeting or hearing called by the Board or the central administrative staff, the teacher's immediate supervisor shall be notified that the teacher is to be released without loss of pay for such time as attendance is required for the meeting or hearing.

**Paragraph 10:** Grievances, grievance appeals, grievance communications and grievance findings will not be filed in the personnel file of any teacher. If such a grievance file is maintained, it shall be open for inspection by the grievant upon request.

**Paragraph 11:** Every effort shall be made by all parties to avoid the involvement of pupils in any phase of the grievance procedure.

**Paragraph 12:** No teacher shall be subject to reprisal or discrimination by reason of participation or non-participation in the grievance procedure.

**Paragraph 13:** If a teacher pursues any legal or statutory remedy for an issue, then any further or subsequent proceeding for relief through the grievance procedure shall be barred unless the court or ad-
ministrative agency refuses jurisdiction until all ad-
ministrative remedies have been exhausted.
