COLLECTIVE BARGAINING AGREEMENT

between
BOARD OF TRUSTEES, LIBBY SCHOOL DISTRICT No. 4
and
AMERICAN FEDERATION OF STATE, COUNTY
AND MUNICIPAL EMPLOYEES, AFL-CIO, LOCAL No. 1680

AGREEMENT

This Agreement is made and entered into this ___ day of ______________, 19___ by and between the Libby School District No. 4, hereinafter referred to as the School District, and Local 1680 of the American Federation of State, County and Municipal Employees, AFL-CIO, hereinafter referred to as the Union; for the purpose of promoting and improving understanding between the School District, its employees and the Union, relative to: Employer-employee relations, conditions of employment, and to provide a means of amicable and equitable adjustment of any and all differences or grievances which may arise.

ARTICLE 1 RECOGNITION

The School District recognizes the Union as the exclusive bargaining representative for all employees of Libby School District No. 4 as listed by classification in Addendum A, which is attached and by this reference made a part of this Agreement as though fully set forth herein.

ARTICLE 2 UNION SECURITY

The School District and the Union agree that membership in the Union is available to all employees within the bargaining unit on the same terms and conditions generally applicable to members of the Union. The School District shall notify the Union in writing when a new employee has been hired.

Agency Shop: The District enters into this provision with the understanding that the Union is in full compliance with all laws:

No employee in the bargaining unit shall be required to become a member of the Union as a condition of employment. Each employee shall have the right to join, not join, maintain or drop Union membership. Membership in the Union shall be separate, apart and distinct from assumption by each employee of his/her equal obligation to supply the financing of the cost of collective bargaining from which the employee receives benefits equal to those received by Union members. It is recognized that the Union is required both under law and under this Agreement to represent all of the employees in the bargaining unit fairly and equally without regard to whether or not an employee is a member of the Union. In as much as the terms of this Agreement have been made for all employees in the bargaining unit, all employees derive benefits thereunder, it is fair that each employee in the bargaining unit assume his/her fair share of the obligation along with the grant of equal benefits contained in this Agreement.

In accordance with the above mentioned, all employees who do not become members of the Union shall, after 30 days as a condition of continuing employment, pay to the Union each month an amount of money equal to that paid by other employees in the bargaining unit who are members of the Union, which amount shall be limited to an amount of money equal to the Union's regular and usual initiation fees and its regular and usual dues.
ARTICLE 3 DUES ASSIGNMENT

A. The School District agrees to accept and honor voluntary individual written assignments of wages or salaries due and owing employees covered by this Agreement for initiation, reinstatement, service charges and dues.

B. The amounts to be deducted shall be certified to the School District by the Treasurer of the Union, and the aggregate deductions of all employees shall be remitted, together with an itemized statement to Montana State Council No. 9, by the 10th of the succeeding month after such deductions are made.

C. The District is responsible for the deduction and transfer of the correct amount of fees, dues and premium payments under the terms of this Agreement, but the Union shall hold the School District, its individual Board members and administrators harmless from any suit brought concerning matters involving fees, dues and premium payments not specifically mentioned herein.

ARTICLE 4 NON-DISCRIMINATION

No employee shall be discharged or discriminated against by the School District for upholding Union principals or Union activities, as long as such activity does not interfere with the efficient operation of the Libby School District No. 4. The School District shall grant reasonable leave of absence without pay unless leave with pay is approved by the School District, to employees whenever required in the performance of duties as "duly authorized representative of the Union". "Duly authorized representative" means members of regularly constituted committees and/or officers of the Union, a list to be supplied to the School District. This clause shall comply with the Collective Bargaining Act for Public Employees (M.C.A.), and the Montana Human Rights Act, Illegal Discrimination.

ARTICLE 5 EMPLOYMENT RIGHTS

A. Probationary Period:

1. The School District shall have six months in which to evaluate new employees to determine the individual's competency.

2. During the probationary period, the Superintendent or his/her appointee shall evaluate the performance of the probationary employee at least twice during the first six months, informing the employee about strengths, weaknesses and methods for improvement. The employee shall sign an acknowledgement of receipt of the evaluation.

3. At any time during the probationary period after the first evaluation has been conducted, an employee may be terminated by the District with no recourse to the grievance procedure being available to the employee. Termination may take place prior to the first evaluation if for reasons other than normal job performance. While a probationary employee may grieve dismissal during probation if the evaluation requirements are not followed (except for nonperformance reasons), the District reserves the right during the grievance procedure to attempt to sustain the termination for performance considerations.

4. Reason for dismissal shall be in writing and a copy given to the employee.

B. Employment Status:

1. Employee: For the purposes of this Agreement, "employee" shall mean an individual who has been employed on a permanent basis, even though such employment is during his/her probationary; period. However, "employee" shall not mean a "substitute" as defined below, nor an individual who has been hired for a special project and who is scheduled for separation when such project is completed.

2.
2. Substitute: An individual hired to temporarily take the place of an absent individual or to temporarily fill an open or vacant position. He/she shall not attain the status of "employee" until and unless he/she has applied for an open position under the provisions of Article 6(F)(1), and has been awarded the position.

3. Full-time employee: Any employee who normally works 40 hours per week.

4. Part-time employee: Any employee who normally works less than 40 hours per week.

5. Employees working less than 12 months due to a regularly recurring layoff during summer months shall be given first opportunity to rehire into the bargaining unit when the customary summer layoff period is over.

C. Contracting Out:

1. During the term of this Agreement, the School District shall not contract out or subcontract any work which deprives the Union of any currently established position.

2. In the event that the School District should want to contract out any work barred by this Article, it is understood that the parties will promptly and in good faith enter into negotiations on such subject.

ARTICLE 6 WORKING CONDITIONS

A. Work Day:

1. Except as otherwise provided in this Agreement, a work day shall consist of eight consecutive hours in a twenty-four hour period.

2. All custodial employees shall work an eight hour shift within one department.

B. Work Week: The work week shall consist of forty hours, consisting of five consecutive days of eight consecutive hours each, with two consecutive days off in each seven day period. So far as is practical, the days of rest will be Saturday and Sunday.

C. Meal Period: A meal period established will be regularly assigned between the end of the third hour and the beginning of the sixth hour after the starting time of the day's work shift; the meal period shall not be less than thirty minutes nor more than sixty minutes. Extensions to the meal period may be made by agreement between the Superintendent of Schools or his/her representative, and the Union.

D. Rest Period: One fifteen minute rest period will be granted at the end of the second hour of work and a second fifteen minute rest period shall be granted at the end of the sixth hour of work. Time taken in excess of the fifteen minute period will necessitate a deduction from salary. Continuous disregard of rest periods will be cause for suspension.

E. Seniority:

1. Seniority shall be computed from the date the employee began regular uninterrupted service with the School District. Employees working other than full-time as of July 1, 1987 shall have their seniority prorated according to the number of hours worked.

2. Seniority shall not accrue during non-paid leaves of absence which exceeds fifteen days except that in a leave of absence due to a work related injury, the employee shall continue to accrue seniority benefits up to one year.
3. Employees whose seniority dates are the same shall have their respective seniority rank determined by alphabetic listing using the first initial of the last name.

4. On January 1st, the School District shall prepare and furnish to the Union a seniority roster of all employees listed by classification in Addendum A hereunder.

   a. Such roster shall at least include the numerical rank assigned, the name or each employee so classified, and the date of hire.

   b. Employees may protest their seniority designation if they have cause to believe an error has been made, but such appeal must be made within 30 days of the date the Union received such roster.

5. Seniority shall be forfeited by discharge for cause or voluntary termination, leave of absence or layoff in excess of one year.

6. Layoffs caused by reduction in force shall be in order of reverse seniority within the classification in which employed. That is, the employee last hired shall be the first released. Employees who are scheduled to be released will be given at least ten working days notice. All recalls to employment shall likewise be in order of seniority within the classification in which employed. That is, the last employee released as a result of reduction in force shall be the first rehired when the School District needs additional employees. If the School District needs additional employees within classifications which have not experienced layoffs or is rehiring an amount exceeding the number of employees laid off, then those employees within other classifications who have been laid off shall, by seniority, have first opportunity at filling any such positions being created, if qualified. The School District shall notify such employees to return to work; and if the employees fail to notify the School District in writing within ten calendar days of an intention to return to work, such employee shall be considered as having forfeited re-employment rights. Recalls to employment under this section shall apply only to employees laid off in the previous twelve month period.

7. When an employee's job is eliminated within his/her department, such employee shall have five working days following receipt of notification of elimination of his/her job within which he/she may bump from their job any employee with less seniority within the department, providing he/she can perform the work satisfactorily; an employee so "bumped" may follow the same procedure. Bumping in a layoff situation shall be either lateral or downward. Interdepartmental bumping shall not be allowed. Employees who have been laid off or bumped from their jobs shall retain the seniority previously gained only for the purpose of applying for a re-opened position within the department from which they have been laid off or bumped. This shall not be considered lost for a period not to exceed one year from day of lay off or bumping unless such employee has become reinstated into his/her former classification.

8. The School District shall recognize seniority and qualifications in awarding promotions or transfers to the employees when filling newly created or vacated positions listed in Addendum A. Where qualifications are equal, seniority within departments shall prevail. It is the intention of the parties to this Agreement that the School District shall grant preference to persons already in employment when qualifications are equal.

9. For seniority purposes, seniority shall be calculated and credited into the following departments and classifications:

<table>
<thead>
<tr>
<th>DEPARTMENT</th>
<th>CLASSIFICATIONS</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>Building Custodians; Custodial Aides</td>
</tr>
<tr>
<td>B</td>
<td>Central Maintenance; Maintenance</td>
</tr>
<tr>
<td>C</td>
<td>Maintenance Foreman; Maintenance Engineer</td>
</tr>
</tbody>
</table>
10. If an employee is transferred from one department to another by his/her own request, he/she shall lose all seniority in the department from which he/she has transferred and his/her seniority date shall be re-established as the date on which he/she begins employment in his/her new department. If an employee is transferred at the School District's request, he/she will retain his/her seniority in the department from which he/she has transferred.

11. If a regularly scheduled employee is scheduled to be absent for not less than five nor more than thirty consecutive working days, the most senior qualified employee in that building may exercise the right to fill the absent employee's shift, which must be for the duration of the absence. The District may allow the most senior employee to continue to work the absent employee's shift after the thirty days. Should the most senior qualified employee not wish to work the absent employee's shift, the next most senior qualified employee in the same building may exercise the option under the same conditions established herein. Aside from this procedure and the provisions of Article 6(E)(8) and 6(F)(1), the District reserves the right to fill vacant positions without reservation. The decision if an employee is qualified under this section is the sole prerogative of the District, and is not subject to the grievance procedure.

F. Job Posting:

1. When a new position is created or a vacancy occurs in any existing position that is to be filled, the School District shall, within ten working days, send through the school mail to the Union Secretary thirty copies of a bulletin stating among other things: location and title of position to be filled; a listing of the principal duties of the position; minimum qualifications; assigned hours of service; salary of the position; the approximate starting date of the assignment; last date when applications will be received and accepted. A "vacancy" occurs when an individual leaves a position on what is anticipated to be a permanent basis. When the District is filling an open or vacant position, it may make use of a substitute(s) to temporarily fill such during posting, screening, interviewing and hiring individuals to fill the position(s), while accomplishing transfers within the bargaining unit, and while evaluating the performance of an employee who has been promoted or transferred out of the position. It is understood and agreed that every vacancy in positions listed in Addendum A shall be advertised under Federal provisions of Equal Opportunity Employment. When filling the open or vacant position, the District shall take into account the performance of applicants who have served previously on a temporary or permanent basis in such open or vacant position.

2. Promotional salary increases will be in accordance with this Agreement.

3. An employee who receives a transfer or promotion shall serve up to six month probationary period, during which the District may, after evaluating the employee and determining that the employee is not properly performing the duties of his/her new position, assign the employee to his/her previously held position at the appropriate rate of pay.

4. The employee, after accepting a new position within the school district which is covered by this Agreement, shall have ten working days to evaluate the position and notify in writing, the Superintendent of Schools if they desire to return to their previously held position.

G. Work Rules:

1. The School District agrees to furnish each employee a copy of all existing work rules.

2. Changes to existing work rules will be discussed with the Union before being implemented.

3. There will be no split shifts worked unless agreed upon by the Union and the School District prior to being worked.
4. The District shall designate work schedules (location, starting and ending times) and appoint lead persons if it finds such necessary, in each building. In the event a change in work schedules is desired, the District may first ask for volunteers but absent sufficient volunteers to accomplish the change, the most junior employee may be reassigned.

5. The principal of each school building shall designate each employee's work activities during the school year.

6. The maintenance supervisor will designate work activities during the absence of the principal.

H. Union Training Conferences:

1. The School District agrees to grant the Union a total of thirty-two paid hours each year so that selected Union members can participate in Union educational programs or conventions.

2. The Union will notify the Superintendent of Schools at least ten calendar days in advance along with the names of members selected to participate in such programs.

I. Past Practice: It is understood and agreed that no employee shall suffer a reduction in wages and/or working conditions previously enjoyed because of the adoption of this Agreement.

J. Visits By Union Representatives: The School District agrees that accredited representatives of the American Federation of State, County and Municipal Employees, AFL-CIO, shall have access to the premises of the School District with permission of the Superintendent of Schools to conduct Union business so long as the duty function of the employee(s) is not impaired.

K. Union Bulletin Boards: The School District shall allow the Union to place Union bulletin boards in sizes and locations mutually agreed upon with the Superintendent of Schools. Materials posted will be limited to Union business.

L. Provisional Appointments:

1. When the District assigns an employee to fill a position in a different classification on a temporary basis, it shall be called a "provisional assignment".

2. An employee assigned a provisional assignment shall not solely through such assignment achieve permanent status. When the term of the provisional assignment ends, the employee temporarily assigned shall be returned to his/her previously held position.

3. An employee assigned a provisional assignment shall be paid as follows:
   a. If the position is in a classification paid more than the individual's regular position, the employee shall be paid the higher rate for each hour after twenty consecutive hours worked in the higher classification.
   b. If the position is in a classification paid less than the individual's regular position, the employee shall not suffer any reduction in pay.

4. The fact that an employee served in a classification under a specific job description shall be recognized, together with his/her performance while serving in the position, when considering employees for open or vacant positions.
