G. The Superintendent, the administrative staff, and the professional staff members each have a right to provide input and assistance to the BOARD concerning programs which will provide the best possible education for students.

H. The best interest of public education will be served by adopting procedures in this CONTRACT to establish an orderly method for the BOARD and the Dayton Education Association (hereinafter referred to as ASSOCIATION) to discuss matters of concern to the BOARD, ADMINISTRATION, and/or the ASSOCIATION.
THIS CONTRACT is made and entered into this 17th day of December, 1979, by and between the BOARD OF EDUCATION OF THE DAYTON CITY SCHOOL DISTRICT, hereinafter referred to as "BOARD", and the DAYTON EDUCATION ASSOCIATION, hereinafter referred to as "ASSOCIATION".

ARTICLE ONE - PURPOSE

1.01 The purpose of this CONTRACT is to set forth those policies of the BOARD which define the rights and responsibilities of the professional staff members in the employee unit as described in Section 2.02.

1.02 The ASSOCIATION recognizes the BOARD as the elected representatives of the citizens of the School District of the City of Dayton, Ohio. Nothing in this CONTRACT shall be interpreted to be in conflict with or purport to abrogate the duties and responsibilities imposed upon the BOARD by law.

1.03 Nothing in this CONTRACT will be construed to restrict or deny to any professional staff member rights they may have under law.

ARTICLE TWO - RECOGNITION AND ASSOCIATION RIGHTS

2.01 The BOARD and the ADMINISTRATION recognize the ASSOCIATION as the sole and exclusive employee representative for all professional staff members employed by the BOARD in the employee unit set forth in Section 2.02.

2.02 As used in this CONTRACT, the term "professional staff member" is defined as, and the employee unit covered by this CONTRACT is defined as: "all certificated personnel employed by the BOARD, but excluding the Superintendent of Schools, all Assistant Superintendents, Executive Directors, Directors, Associate Directors, Principals and Assistant Principals, Administrative Interns, Psychologists and Intern Psychologists, Student Action Advisors, Substitute Teachers employed on a daily basis, Administrative Coordinators, Supervisors, Assistant and/or Associate Supervisors, Teacher Aides, and all others for whom certification in supervision or administration is required as a condition of employment; and all other non-certificated employees of the BOARD." For purposes of this ARTICLE, the term "substitute" does not include professional staff members assigned to perform substitute services who hold a regular full-term limited or continuing teacher's contract or who are long-term substitutes (i.e., non-contract teacher assigned to the same position for a period of more than sixty (60) consecutive days.)

2.03 The BOARD agrees not to recognize for the purpose of representation of the employees in the unit described in Section
2.02 any organization other than the ASSOCIATION for the duration of this CONTRACT and thereafter until a successor is elected.

2.04 Recognition of the ASSOCIATION as the employee representative shall entitle the ASSOCIATION to the following exclusive rights. Only the ASSOCIATION or its affiliated or parent organizations have the following rights:

A. The building representatives of the ASSOCIATION in each individual school will have the use of a bulletin board in the teachers' lounge, designated for ASSOCIATION announcements. No political announcements will be posted on said bulletin board. (The word "political" as used in this CONTRACT refers only to public sector candidate endorsements and does not include ASSOCIATION politics.)

B. Payroll deduction of membership dues in accordance with the provisions of Section 8.01.

C. Permission to make brief non-political announcements during School Faculty meetings with the prior approval of the Building Principal. Permission to make announcements shall not be unreasonably withheld.

D. Use of the building public address system to make non-political announcements subject to the prior approval of the Building Principal. Permission to make announcements shall not be unreasonably withheld.

E. The ASSOCIATION building representative will have permission to use individual school equipment, including typewriters, mimeograph machines, other duplicating equipment, calculating machines, and all types of audio-visual equipment when such equipment is not otherwise in use. All equipment will be checked as to condition by the Building Principal or his/her designated representative and the ASSOCIATION building representative prior to its use so that, in the event of damage or breakage, the ASSOCIATION will be responsible to repair or replace, at prorated market value; the use is strictly to service the legitimate business of the ASSOCIATION as it relates to the membership within the building, such as the duplication of records, notices, correspondence, etc.; the purpose is for internal business use of the ASSOCIATION and is not for public distribution; supplies in connection with such equipment used will be furnished or paid for by the ASSOCIATION. ASSOCIATION use of a school building will be permitted, provided that a request is made and use arranged for in advance.

F. The ASSOCIATION may place organizational identification on its members' school mailboxes.
G. The ASSOCIATION shall receive an advance copy of the agenda of each BOARD meeting. Such agenda shall be sent to the ASSOCIATION by inter-school mail at the same time it is sent to the news media. The ASSOCIATION shall also receive copies of all public documents released by the BOARD. Such documents shall be sent to the ASSOCIATION by inter-school mail at the time they are released to the public. Two (2) representatives of the ASSOCIATION shall be accorded the same seating privilege as the press at regularly scheduled or special meetings of the BOARD. A representative of the ASSOCIATION shall be permitted to address the BOARD during the hearing of the public during the BOARD meeting prior to the BOARD'S opening discussion to other representatives of the public. The ASSOCIATION may also arrange to be placed on the regular BOARD agenda by submitting a written request forty-eight (48) hours in advance of the meeting with the Superintendent's office. Such written request must indicate the item(s) to be discussed.

H. Names and addresses of newly employed professional staff members shall be provided to the ASSOCIATION as early as practicable following BOARD approval of their contracts, unless the professional staff member specifically requests otherwise in writing.

I. The ASSOCIATION may participate in the initial orientation meeting for new professional staff members if such meeting is held.

J. The ASSOCIATION shall be serviced by the BOARD'S regular daily inter-school mail system including pickup and delivery and use of individual school mailboxes so long as the ASSOCIATION maintains its office within the city limits of the City of Dayton, Ohio. The inter-school mail system may be used to send mailings to the ADMINISTRATION and to the elected officers of the ASSOCIATION and the Building Representatives of the ASSOCIATION and to individual professional staff members; provided, however, all bulk mailings shall be sent to and distributed in individual mailboxes by the Building Representative. The inter-school mail system may not be used by the ASSOCIATION as a means to disseminate political information.

K. The ASSOCIATION office shall continue to be provided with an inter-school extension phone. This telephone shall be "locked-out" to outside calls dialed from the ASSOCIATION office. The number for this telephone shall be listed with all other inter-school phone numbers. The monthly service charges and any other expense for such telephone shall be paid by the ASSOCIATION.

L. The President of the ASSOCIATION will be granted a leave of absence from active teaching duties during the term of office. The ASSOCIATION will reimburse the BOARD monthly the total cost for the President's regular contractual salary, retirement,
worker's compensation and fringe benefits. The Treasurer of the ASSOCIATION shall make arrangements with the Treasurer of the BOARD for a payment schedule. The President of the ASSOCIATION shall accrue all rights and privileges provided by this CONTRACT and shall receive payroll checks by inter-school mail. At the commencement of the school year following the expiration of the leave of absence, the President of the ASSOCIATION will be returned to the same position held prior to becoming President, if available, or, if not available, a position comparable to that which was occupied prior to the granting of the leave, with consideration given to the length of service and teaching certification of the returning President.

2.05 No other organization which exists in whole or in part for the purpose of representing employees in the unit covered by this CONTRACT shall be granted the rights set forth in Section 2.04 during the term of this CONTRACT.

2.06 The ADMINISTRATION will make available to all professional staff members a directory listing the names, addresses, phone numbers and job assignments on record of all employees of the BOARD. The target date for the availability of this directory will be December 1st.

2.07 The ADMINISTRATION will provide a copy of this CONTRACT to all professional staff members.

2.08 The ASSOCIATION shall represent all professional staff members equally and without discrimination, regardless of their membership or non-membership in the ASSOCIATION; provided, however, that the ASSOCIATION may charge a fee for any services, other than representation in collective bargaining negotiations, rendered as a result of the request of non-members. Such fee charged any individual non-member may not exceed an amount equal to that of ASSOCIATION dues, fees, and/or assessments applicable to all members of the ASSOCIATION. The BOARD and the ADMINISTRATION shall in no way be involved in the process of collection of such fees from non-members.

ARTICLE THREE - PROFESSIONAL CONFERENCES AND ASSOCIATION ACTIVITIES

3.01 The BOARD shall authorize up to a maximum of one hundred (100) total days of absence without loss of pay per year (September 1st through August 31st) to professional staff members elected to represent the ASSOCIATION or chosen to serve on programs or in official representative capacity at ASSOCIATION, N.E.A., O.E.A., or W.O.E.A. meetings, conferences or conventions. The one hundred (100) total days shall be the maximum total days available for such programs. Such leave may not be used for meetings, conferences, or conventions of any other teacher organizations. To be valid, a request for use
of this leave must be submitted by the President of the ASSOCIATION to the Superintendent or the Superintendent's designee, in advance.

3.02 At times other than before or immediately after the work day when individual school meetings are normally held, the ASSOCIATION must request the use of facilities as prescribed in The Manual For The Use of School Buildings And Grounds adopted by the BOARD.

3.03 The President of the ASSOCIATION and/or a designee and/or the Executive Director of the ASSOCIATION shall have the right to visit schools. Either prior to or immediately upon the President's or the Executive Director's arrival at any school, the President and/or Executive Director shall advise the Principal or, in the absence of the Principal the acting building administrator, of his/her desire to visit the school and secure the permission of such administrator to make the visit. Such permission will not be denied but may be delayed only if the visit, at the time desired, will, in the opinion of the Principal, interfere with the normal teaching duties of the professional staff member to be contacted. Visits that are made to discuss with the Principal special problems of professional staff members must be arranged in advance with the Principal or, in the Principal's absence, with the acting building administrator.

3.04 The ASSOCIATION building representative may call meetings of ASSOCIATION members assigned to the building. Prior to scheduling or calling any such meeting, the ASSOCIATION building representative shall advise the Building Principal of the meeting. No ASSOCIATION meeting may be scheduled during class time, in conflict with other previously scheduled meetings, or at any time when the meeting will disrupt the work activity of any professional staff member to be in attendance at the meeting without the prior approval of the Building Principal. Such approval shall not be unreasonably denied.

ARTICLE FOUR - JOINT ADMINISTRATION - ASSOCIATION MEETINGS

4.01 The representatives of the ADMINISTRATION shall meet at least once a month with the representatives of the ASSOCIATION, if requested by either party, at mutually convenient times to discuss matters of mutual concern. Minutes of meetings shall be taken by the ADMINISTRATION and submitted to the ASSOCIATION for approval. After approval, a copy of such minutes shall be returned by the ASSOCIATION to the ADMINISTRATION, with the ASSOCIATION President's signature. Minutes, indicated as approved, shall be considered the official minutes of the meeting.

ARTICLE FIVE - SCHOOL FACULTY COUNCIL

5.01 Within each school building there shall be a School Faculty Council consisting of professional staff members assigned to
such school building. Such Council shall have among its members
the ASSOCIATION building representative(s). The Building Princi­
pal or his/her designee shall be a non-voting member of the School
Faculty Council. The size, additional membership, and Chairperson
of the Council will be decided by the faculty no later than
September 30th of each school year at a meeting of all faculty
assigned to the building, which meeting shall not be open to the
attendance of the Building Principal. The first meeting of the
Council must be scheduled by the Chairperson by mid-October.

5.02 The purpose of the Council will be to provide a vehicle
for communication between the professional staff members and the
administration of the school concerning matters unique to the
school which have not been made the subject of a grievance.

5.03 The Council will meet upon call of either the Building
Principal or the Chairperson or of a majority of the professional
staff members who are members of the School Faculty Council. All
professional staff members will have the opportunity to place
items on the agenda. The agenda will be distributed to the staff
at least twenty-four (24) hours before any regular meeting.
Minutes of all meetings will be distributed to professional staff
members following each meeting.

5.04 The Council may consider (1) discussion of building poli­
cies and procedures (see ARTICLE NINE - SCHOOL PROCEDURES); (2)
building maintenance and cleanliness; (3) student discipline and
building security matters (see ARTICLE FIFTEEN, Section 15.09);
(4) instruction program; (5) fund raising events and/or activities
(see ARTICLE SIXTEEN, Section 16.03); (6) methods to secure better
and equitable participation by professional staff members assigned
to a building in school/building functions, activities and events
(see ARTICLE TEN); (7) planning the School Open House; (8) and
other similar matters and events.

5.05 Membership on the Faculty Council will neither be used to
jeopardize a professional staff member's job security nor to adversely
affect a professional staff member's evaluation or advancement.

5.06 The professional staff members of the School Faculty Council
may meet without a school administrator present at times other than
the scheduled Faculty Council meetings.

ARTICLE SIX - PROFESSIONAL ACTIVITIES FUND

6.01 The School Faculty Council of each individual school build­ing
will be provided by the BOARD with a Professional Activities
Fund of $10.00 per full-time professional staff member assigned
to the building, based on the full-time professional staff equiva­
Iency from the State Report for the current school year. This
Professional Activities Fund will be used at the discretion of the
School Faculty Council after consultation with the Building Principal

-7-
to provide for items necessary for professional staff needs, such as teaching materials and equipment, professional books, professional magazines, faculty room furniture, and professional growth and travel. This Fund may not be used to defray the cost of any telephone installation or telephone service charges. An accurate accounting of all funds allocated to this Fund will be maintained by each Building Principal under the supervision and direction of the Treasurer of the BOARD. Such account records will be available for inspection by the Faculty Council.

ARTICLE SEVEN - SCHOOL CALENDAR AND PAY DATES

7.01 The School Calendar and schedule of pay dates for each school year shall be developed by the BOARD, through negotiations with the ASSOCIATION, prior to the April Board meeting of the year prior to the school year. A copy of the School Calendar and schedule of pay dates for the school year shall be posted in each school. In the event the BOARD and the ASSOCIATION are unable to reach agreement on a School Calendar and schedule of pay dates following negotiations for a reasonable period of time, not less than thirty (30) calendar days, the BOARD shall have the right to adopt a temporary calendar and payroll schedule. This temporary calendar and payroll schedule will be in effect until negotiations are concluded.

7.02 In the event of an unforeseen emergency situation mandating the closing and/or the suspension of school operations, the BOARD shall have the right to alter the school calendar; provided, however, before doing so, the ASSOCIATION shall be afforded reasonable notice and opportunity to discuss the matter.

ARTICLE EIGHT - AUTHORIZED PAYROLL DEDUCTIONS

8.01 The following payroll deductions shall be permitted without cost to the professional staff member:

A. Payroll deduction for Dayton Area School Employees' Federal Credit Union for all professional staff members eligible to participate in the Dayton Area School Employees' Federal Credit Union.

B. Payroll deduction for Washington National Income Protection Insurance for all professional staff members who hold such insurance.

C. Payroll deduction for the United Way for all professional staff members who elect to participate in the United Way by executing the United Way payroll deduction authorization. Such deductions shall be made at a time convenient to the deduction schedule established by the Treasurer of the BOARD.
D. Payroll deduction for the premium cost of any insurance premiums due from the professional staff member for any insurance secured through the BOARD.

E. Payroll deduction for ASSOCIATION dues in accordance with Section 8.03.

8.03 Authorization for payroll deductions for membership dues in the ASSOCIATION and other affiliated or parent organizations of the ASSOCIATION, including the National Education Association, the Ohio Education Association, and the Western Ohio Education Association, shall be on an annual basis. The ASSOCIATION and the Treasurer of the BOARD will mutually establish a date, not before October 1, as the cut-off date for receipt of voluntary authorizations for the payroll deduction of such dues. The total amount of deduction will be prorated into fifteen (15) equal installments, effective with the pay period mutually agreed upon in writing as the starting point by the President of the ASSOCIATION and the Treasurer of the BOARD; provided, however, such payroll deduction authorization shall not be required as a condition of employment and may be terminated at any time by the professional staff member authorizing the deduction upon notice in writing to the Treasurer and shall continue in full force and effect until so terminated. 10.05 Supportive Staff

The supportive staff day will be the same as the regular classroom teacher day in the building in which they are assigned. The arrangement of this time will be established by the Building Principal, after consultation with the supportive staff, in such a manner so as to accommodate the special needs of the supportive staff role.

10.06 Every reasonable effort will be made so as to schedule traveling teachers with a minimum number of buildings.

10.07 The ADMINISTRATION will make a reasonable effort to provide a substitute teacher whenever a regular classroom teacher is absent. It is recognized, however, that in all cases of absence by professional staff members substitutes may not be able to be secured. The determination by the ADMINISTRATION that a substitute cannot be secured shall be final. When a substitute cannot be secured, a professional staff member may be requested by the Building Principal to waive his/her planning period to assume the responsibilities of teaching a class in lieu of a substitute teacher. A non-teaching professional staff member may also be requested by the Building Principal to assume the responsibilities of teaching a class in lieu of a substitute teacher when a substitute teacher is not present. The Principal will keep a record of the times when each professional staff member has accepted such teaching responsibilities. Such assignments will be rotated among those available professional staff members in the school for the class period involved; however, no professional staff member will be requested to waive planning time/periods an unreasonable number of times, as determined by the Building Principal. The School Faculty Council shall be involved in the planning for such functions. Participation in such functions may include, but shall not be limited to, meeting with parents and guardians of students and conducting programs. After school hours functions which may require total staff participation in excess of two (2) during any school year may be held with the concurrence of the School Faculty Council. The School Faculty Council will work with the Principal to provide both an equitable distribution of such functions among the professional staff members assigned to the building and professional staff member presence at school functions or school activities.

10.09 This ARTICLE (except for Sections 10.07 and 10.08) is not applicable to any vocational career center, cooperative high school, or to any adult programs. The ADMINISTRATION shall determine the school day in each such vocational career center, cooperative high school, or adult program after consultation with the School Faculty Council at each such location.

10.10 The provisions set forth in this ARTICLE (except for Section 10.07) shall become effective with the commencement of the 1980-81 school calendar year. The provisions set forth in ARTICLE TEN - SCHOOL DAY in the CONTRACT between the BOARD and the ASSOCIATION dated October 1, 1978, shall be in effect for the remainder of the 1979-80 school calendar year.

11.05 The class size for special education classes, such as deaf, blind, crippled, or classes for students identified as special education will be limited to the maximum number allowed under applicable state standards. When identified special education students are mainstreamed full time into a regular classroom, during the first (1st) year of such mainstreaming the Building Principal should give consideration to counting them as two (2) for the purpose of determining class size.

11.06 The aide assigned to the home base or homeroom will accompany the home base class to a special activity class. By mutual agreement of the professional staff members involved, the aide may stay with the home base or homeroom professional staff member.

11.07 At the commencement of each school year, at least three (3) weeks shall be allowed to adjust class enrollment to meet the class size requirements set forth in this ARTICLE.

11.08 Except in IGE Magnet Schools, elementary teachers (grades 1-8) assigned a combination class (two grade levels) will have a class size less than other classes of comparable grade levels within that building. Wherever possible, Building Principals will provide additional planning time to teachers with combination classes.

ARTICLE TWELVE - FACULTY MEETINGS

12.01 Tuesdays will be reserved for faculty meetings. Faculty meetings are meetings which involve all professional staff members assigned to a building for such purposes as: school business,
teacher-pupil relationship, assessment and/or any other school-wide purpose identified by the Principal or the SUPERINTENDENT, or by the Principal in cooperation with the School Faculty Council. Professional staff members may not be excused from faculty meetings on a regular basis because of extra-duty commitments.

12.02 Faculty meetings may be scheduled during developmental time. The Principal may also schedule one regular faculty meeting per month which extends beyond the teacher day. Meetings in excess of this one (1) regular meeting require the concurrence of the School Faculty Council. Faculty meetings which extend beyond the teacher day may be scheduled at the discretion of the Principal and may extend forty-five (45) minutes beyond the teacher day.

12.03 The agenda for the regular monthly faculty meetings should be posted twenty-four (24) hours prior to the meeting. The agenda for a special faculty meeting should be posted as soon as possible prior to the meeting.

ARTICLE THIRTEEN - ACADEMIC FREEDOM

13.01 A professional staff seeks to educate people in the educational skills and in democratic traditions, to foster a recognition of individual freedom and social responsibility, to inspire meaningful awareness of, and respect for, the Constitution and the Bill of Rights, and to instill appreciation of the values of individual personality. It is recognized that these educational skills and democratic values can best be transmitted in an atmosphere which is free from censorship and artificial restraints upon free inquiry and learning, and in which academic freedom for teacher and student is encouraged.

13.02 It is recognized that the Principal in each school is responsible for all teaching conducted in the school and, therefore, has the responsibility to supervise each professional staff member with respect to all teaching activity conducted within the building. Should differences exist with respect to the subject of academic freedom, the professional staff member and his/her ASSOCIATION representative shall review the matter with the Superintendent or his/her designee.

13.03 In the spirit of academic freedom, professional staff members will create a classroom atmosphere which invites in-depth study of the critical issues of the day. The classroom environment shall be conducive to investigation, interpretation, analysis and evaluation of data on all sides of the critical issue(s) under study. The professional staff member is responsible for exercising reasonable and prudent judgment in selecting for discussion those issues he/she deems relevant to the maturity and understanding of the students involved.
13.04 Freedom of individual conscience, association and expression will be encouraged, and fairness of procedures will be observed.

ARTICLE FOURTEEN - TEACHING ENVIRONMENT, SUPPLIES AND FACILITIES

14.01 A duplicating machine, typewriter and paper will be made available in each school for the use of professional staff members in preparing instructional materials. Available typewriters and other office machines and equipment may be used by professional staff members for preparation of instructional materials, subject to the prior approval of the Building Principal or his/her designee.

14.02 Each existing classroom shall have usable chalkboard and bulletin board space to complement the professional staff member's instruction. Bulletin boards shall be located in accessible positions.

14.03 Existing school phone facilities shall be made available to professional staff members for calls relating to necessary school business and for personal calls of an emergency nature. No professional staff member shall use school phone facilities for personal calls of a non-emergency nature without the prior approval of the Building Principal or, in his/her absence, the acting administrator. A professional staff member may not make any toll or long distance calls from any school phone without the prior approval of the Building Principal.

14.04 Supplies

A. A grade and lesson plan book complete with a binder will be provided by the BOARD for each professional staff member at the commencement of each school year. Each professional staff member will be required to maintain a lesson plan book and grade book which must be available for inspection, upon request, by the Building Principal. Lesson plan books must also be available for use by a substitute teacher whenever the professional staff member is absent.

B. Audio-visual equipment, supplies and other materials necessary to teach assigned courses, as determined by the ADMINISTRATION, will be provided. Approved textbooks will be provided as delineated in the Dayton Public Schools and Department of Instruction Adopted Textbooks and Materials Elementary and Secondary Handbook and Adopted Textbooks and Workbooks, Grades 9-12.

14.05 Equipment

A. Professional staff members will be provided clean, well-lighted, safe, healthful, and adequately ventilated con-
ditions in all places of employment, as determined by the ADMINIS-
TRATION.

B. Adequate maintenance of all facilities and equipment
shall be provided, including but not limited to plumbing, light-
ing, floors, doors, fountains, etc., as determined by the
ADMINISTRATION.

14.06 All daily routine announcements over the school public
address system should be made during the homeroom period or desig-
nated announcement period. Use of the school public address system
at other times is recognized as being potentially disruptive of the
classroom learning situation. Therefore, such use is the responsi-
bility of the Building Principal. Use of the school public address
system at times other than the homeroom period or designated
announcement period shall not be approved by the Building Principal
indiscriminately.

14.07 The Superintendent will, prior to developing plans for
submission to the BOARD for any new buildings or for any major
renovation of existing buildings, seek input from several professional
staff members, representative of those instructional or special
areas found in the proposed building, regarding the plans for such
building or changes. The professional staff members selected will
be selected by the Superintendent; however, the ASSOCIATION will
be given the opportunity to suggest the names of individuals to
the Superintendent.

ARTICLE FIFTEEN - PROFESSIONAL STAFF MEMBER PROTECTIONS

15.01 Prior to the commencement of the school year, the adminis-
tration of each school shall develop school procedures to deal with
control and discipline of students. It is the responsibility of each
professional staff member to implement such procedures so as to
provide an atmosphere for learning to take place. During the first
full week of school, the Building Principal will meet with students
to review all school rules and regulations. The ADMINISTRATION
will provide cooperative assistance and counsel to professional
staff members as they carry out such procedures. Section 3319.41
of the Ohio Revised Code states that a professional staff member,
Principal, or administrator may use such force as is reasonable
and necessary to quell a disturbance threatening physical injury to
others, to obtain possession of weapons or other dangerous objects
upon the person or within the control of the pupils, for the
purpose of self-defense, or for the protection of persons or
property.

15.02 A copy of Section IV-B, Chapter 5 Rules and Regulations,
Dayton Board of Education, is set forth hereinafter for infor-
mational purposes only. Inclusion of this section does not incor-
porate such section into this CONTRACT as a substantive provision of this CONTRACT. The text of this policy is as follows:

"B. School Related Types of Conduct for Which a Student May be Removed Through Emergency, Suspended or Expelled

1. Removal

a. If a pupil's presence poses a continuing danger to persons or property or an ongoing threat of disrupting the academic process taking place within the classroom or elsewhere on the school premises, the Superintendent or a Principal, or assistant principal, may remove a pupil from curricular or extra-curricular activities or from the school premises.

b. A teacher may remove a pupil from curricular or extra-curricular activities under his/her supervision under the same conditions of conduct (B.1.a. above). The removed student will be sent or conducted to designated administrative offices.

c. A student so removed may be suspended and/or expelled as a result of the behavior which caused the student to be removed in accordance with these policies.

d. Nothing in this Section shall be construed to prohibit normal disciplinary procedures under which a student is removed from a curricular or extra-curricular activity for a period of less than twenty-four hours and is not subject to suspension or expulsion.

2. Suspension

A Principal or Superintendent may suspend a pupil for not more than ten days in accordance with administrative and statutory procedures for the following reasons:

15.03 Professional staff members initiating any request or recommendation or other action to remove, suspend, or expel any student for any reason shall be required to submit such request or recommendation or action in writing with whatever documentation or information is available to support such request, recommendation or action and, should the need arise, shall be required to testify in any legal or administrative proceedings resulting either from such recommendation, request or action or otherwise seeking to remove, suspend, or expel any student. The ADMINISTRATION will provide reasonable on-the-job protection, counsel, and assistance in such situations.

15.04 Civil Disturbance

A. In case of a general civil disturbance in the area of a school, a professional staff member fearful for his/her safety should contact the proper school authorities for instructions as to work assignment.

B. The ADMINISTRATION will not require any professional staff member to report to a school where clear and present danger exists, as determined by the ADMINISTRATION.

C. In the event of disorder or other emergency while school is in session, no professional staff member shall leave a class unattended or dismiss a class unless instructed to do so by the Building Principal.

15.05 Complaints Against Professional Staff Members

A. Communications between the community and the school ideally should be such that most complaints may be resolved through personal conferences at the school level. Various avenues of contact between professional staff member, pupil, parent, Principal, and other appropriate staff personnel should be pursued before using the formal procedures outlined below. If such conferences do not lead to understanding and resolution of problems involved, a parent may pursue further action by submitting a complaint against a professional staff member which must be submitted in writing to the Building Principal. The Principal shall give a copy to the professional staff member. Likewise, the professional staff member may request in writing to the Principal that such a written complaint must be filed or the pending matter shall be considered closed in this situation. The Principal shall give a copy to the parent.

B. Further action concerning the complaint shall be initiated by the following procedure:
1. If requested by the complainant or the professional staff member, a meeting involving the professional staff member, the Principal, and the complainant will be arranged at a mutually convenient time to discuss the complaint.

2. If the complaint is unresolved, it may be appealed to the appropriate director or assistant superintendent.

3. If it is not resolved at that level, it may be appealed to the Superintendent.

4. If it is still unresolved, it may be appealed to the BOARD.

C. In each of the steps above, a professional staff member may request and be accompanied by counsel and/or ASSOCIATION representative. Conferences regarding such complaints shall be in private.

15.06 For the protection of both pupils and professional staff members, there shall be an administrator present during the normal school day when the building is open. In the absence of an administrator, the Principal shall designate another professional staff member to act as the Principal's representative.

15.07 Whenever a complaint or court action is pending against a professional staff member, no one other than the professional staff member's supervisors or other individuals in the employ of the BOARD, as designated by the Superintendent, will be permitted to observe the professional staff member's class without the approval of the professional staff member.

15.08 Assault. All cases of physical threat or violence to professional staff members shall be reported to the Principal immediately after occurrence. If, in the judgment of the professional staff member and/or the Principal, the assault is sufficiently severe, the police shall be notified. The ADMINISTRATION will provide reasonable on-the-job protection, counsel, and reasonable assistance in such situations. A written report of all assaults on staff personnel will be made to the Assistant Superintendent for Student Services for further investigation. (See also, ARTICLE TWENTY - ASSAULT LEAVE.)

15.09 Role of School Faculty Council in Teacher Protection.

The School Faculty Council in each school shall have the prerogative to bring matters related to student discipline problems and building security problems to the attention of the Building Principal. Should discipline in a school be in jeopardy because
of inadequate security arrangements, it shall be the right of the School Faculty Council to request assistance through the ASSOCIATION.

ARTICLE SIXTEEN - NON-INSTRUCTIONAL CLERICAL DUTIES

16.01 Clerical responsibilities of a non-instructional nature may be required by the ADMINISTRATION for legitimate business purposes but will be held to a minimum.

16.02 Except in the case of an emergency that could not be anticipated in advance, professional staff members will be given a reasonable amount of time, not less than three (3) work days, to furnish miscellaneous reports which the professional staff members are required to submit.

16.03 Before any fund raising event or other activity that involves the collection of money is conducted in a school building which will involve the professional staff members assigned to the building in any way, the School Faculty Council will be involved in the decision whether to conduct the event and, if so, in determining the extent of involvement of professional staff members in the fund raising activity. The Chairperson of the School Faculty Council will be permitted to review the accounting for all fund raising events or activities with the Building Principal and/or the school Treasurer or Business Manager. In addition the Building Principal will issue quarterly reports to the faculty regarding all funds collected and the expenditure of such funds.

16.04 During the term of this CONTRACT, the subject of clerical responsibilities of professional staff members shall be referred to the Joint Curriculum Advisory Committee for study and recommendation to the ASSOCIATION and the ADMINISTRATION.

ARTICLE SEVENTEEN - COOPERATING TEACHER

17.01 The BOARD recognizes the responsibilities of professional staff members to assist student teachers in developing into competent professionals. The BOARD also recognizes the fact that there is a certain degree of both personal enrichment and self-development of the cooperating teachers in their work as they assist and guide the professional growth of the student teacher. The BOARD further considers the supervision of student teachers to be a responsibility in addition to the teacher's regular teaching duties. Teachers who consent to the assignment of a student teacher agree to accept such responsibilities. The BOARD also recognizes that teaching training institutions have a responsibility for compensation and remuneration of those professional staff members who are supervising student teachers. This remuneration may come through college credit, free course offerings, or through cash payment, as established by the university placing the student teacher with the system.
17.02 The BOARD will provide student teachers with copies of the texts, guides, and building policies to assist them during their student teaching assignments.

17.03 No professional staff member will be assigned a student teacher without the professional staff member's consent.

17.04 In the event the professional staff member feels the necessity to terminate the assignment, the professional staff member will contact the Building Principal who, in turn, will arrange for a conference between the Building Principal, the cooperating teacher, the student teacher, and the student teacher's immediate supervisor/advisor from the placing university.

ARTICLE EIGHTEEN - ORIENTATION OF PROFESSIONAL STAFF MEMBERS NEW TO THE SYSTEM

18.01 A new professional staff member will receive an orientation to the Dayton City Schools immediately preceding the opening of the school year. As part of the new teacher orientation program, the professional staff member will have a conference with the Building Principal, during which the building policies and procedures of the school and the school Handbook will be reviewed. E. School year.

22.04 Except in the case of an emergency which requires immediate action by the Superintendent to fill a supplemental duty position, all supplemental contracts will be issued prior to the date the professional staff members will be expected to begin their supplemental duties. Supplemental contracts issued to professional staff members will contain the following items:

A. Name of professional staff member.
B. Employee identification number.
C. Details concerning extra duty assignment covered by such contract--school, specific assignment, and period of assignment.
D. Compensation and basis for compensation.
E. School year.
ARTICLE TWENTY-THREE - EMPLOYMENT, ASSIGNMENTS, REASSIGNMENTS, AND PROMOTIONS

23.01 The ASSOCIATION recognizes the statutory power of the BOARD to employ and the SUPERINTENDENT to assign teachers. The ASSOCIATION also recognizes the implications of desegregation and the values of an integrated school system; therefore, the ASSOCIATION encourages compliance with and supports affirmative action in this regard. The ADMINISTRATION'S effectiveness is directly related to its ability to implement the principle of "best fit." To the degree that the ADMINISTRATION is able to match applicants to positions requiring the abilities and characteristics possessed by these applicants only then will the ADMINISTRATION and, thus, the schools be functioning most effectively.

23.02 The variables to be weighed in considering transfer requests include, but are not limited to, specific professional competencies, experience, co-curricular preferences, racial balance, and seniority. Of these, seniority will be the most important consideration.

23.03 "Seniority" as used in this CONTRACT will mean the number of continuous years of service commencing with the latest date of employment. "Building Seniority" as used in this CONTRACT will mean the number of continuous years of service commencing with the latest date of placement within a particular building; provided, however, a professional staff member shall not have the right to exercise building seniority within a building until the professional staff member has been assigned to the building through a school year. Service rendered beyond the normal work year of the professional staff member will not be counted toward seniority. If the dates of professional staff member's employment coincide, the lower employee number shall represent the professional staff member holding the higher seniority. Approved leaves of absence will not be considered a break in seniority. Professional staff members non-renewed due to a staff reduction will not be considered to break seniority if such professional staff members are returned to active working status under contract during the first (1st) forty-five (45) calendar days of the succeeding school year.

23.04 Voluntary Professional Staff Member Transfer

A. Professional staff members who, for various reasons, wish to transfer to another building will be eligible to request and be considered for such move after completing and date-signing the necessary forms. The professional staff member applying for transfer will receive a written acknowledgement of receipt of the request from the office of Personnel Services.

B. A professional staff member requesting a transfer to another building will not be limited to a maximum number of
applications, but the offer and acceptance of a position will automatically eliminate the professional staff member from further consideration for the current school year, unless there is a mutual agreement between the professional staff member and the ADMINISTRATION to reconsider the assignment. Requests for transfer applications will be kept until the beginning of the following school year. A professional staff member may revoke the request for transfer at any time.

C. Professional staff members requesting a change of grade level or teaching subject area assignment, in accordance with their certification, shall submit a request in writing to their Building Principal. The Principal shall respond in writing regarding the request.

D. No new professional staff member will be employed and placed in a specific position assignment until all transfer requests have been reviewed and considered by the office of Personnel Services.

23.05 Involuntary Transfer (Principal and ADMINISTRATION Initiated)

Involuntary transfer refers to Principal/ADMINISTRATION initiated transfer which has not been approved by the professional staff member. To the extent possible, professional staff members subject to involuntary transfer will have an opportunity to interview for available assignments for which they may be qualified.

A. Involuntary Transfer Due to Cause.

1. If a transfer of a professional staff member due to cause is to be made during the course of the school year (except in the case of an emergency which requires immediate action, as determined by the ADMINISTRATION), the concerned professional staff member will be notified in writing thirty (30) days prior to the anticipated date of transfer. The Principal/ADMINISTRATION will identify the problem and discuss such problem with the professional staff member involved.

2. At such a conference between the professional staff member and the Principal/ADMINISTRATION, suggestions and recommendations for constructive steps to resolve the problem will be put into writing.

3. Within four (4) weeks after problem identification, a second conference between the professional staff member and the Principal/ADMINISTRATION will be held for purposes of reappraising the situation. Additional conferences may be held, if necessary.

4. If progress toward resolving the problem is unsatisfactory and it is deemed by the Principal/ADMINISTRATION to
transfer the professional staff member, the professional staff member may request the reason for the transfer in writing.

B. Involuntary Transfer Due to Pupil Enrollment and/or Staff Realignment During the School Year.

1. During the first four (4) weeks of the school year and again during the first three (3) weeks of the second semester, the ADMINISTRATION may involuntarily transfer professional staff members as dictated by pupil enrollment conditions. A professional staff member to be involuntarily transferred under this Section will be given at least three (3) work days' notice before the transfer is to become effective.

2. In determining which individual professional staff member is to be involuntarily transferred, the following criteria shall be considered in the following order: (a) racial balance, (b) system seniority, (c) building seniority. Department or division seniority may also be considered.

3. In the event a professional staff member is transferred into a building under the provisions of this Section and it later develops during the school year in which the transfer has been effected that a transfer from such building is necessary, the professional staff member who was transferred into the building shall not have the right to exercise system seniority against other professional staff members assigned to the building.

C. If an involuntary transfer is made between school years, if possible, the concerned professional staff member will be informed in writing by May 15th and, if an opening exists, will be reassigned by July 1st.

23.06 Professional staff members assigned by the Principal/ADMINISTRATION to a change of grade level or teaching subject area assignment, in accordance with their certification, within a building may request a conference to discuss the assignment and, if it is finally decided by the Principal/ADMINISTRATION that such assignment shall be made, the professional staff member may request the reason in writing. It will be the responsibility of the ADMINISTRATION to provide orientation when changes of assignment occur.

23.07 Staff Reduction

A. Should staff reduction be necessary, the following provisions of the Revised Code of Ohio will be applicable:

"When by reason of decreased enrollment of pupils, return to duty of regular teachers after leaves of absence, or by reason of suspension of schools or
territorial changes affecting the district, a board of education decides that it will be necessary to reduce the number of teachers, it may make a reasonable reduction. In making such reduction, the board will proceed to suspend contracts in accordance with the recommendation of the superintendent of schools who will, within each teaching field affected, give preference to teachers on continuing contracts and to teachers who have greater seniority. Teachers, whose continuing contracts are suspended, will have the right of restoration to continuing service status in the order of seniority of service in the district if and when teaching positions become vacant or are created for which any of such teachers are or become qualified. §3319.17

After teachers with continuing contracts are placed then teachers whose limited contracts are non-renewed will have the right of restoration to limited service status in the order of seniority of service in the district if and when teaching positions become vacant or are created for which any of such teachers are or become qualified.

B. The ADMINISTRATION shall notify the ASSOCIATION of anticipated staff reductions and the approximate number of professional staff members affected at least sixty (60) days prior to such reduction. At least two (2) days prior to the mailing of notices to professional staff members affected by a staff reduction, the ADMINISTRATION will advise the ASSOCIATION that such notices will be sent and will advise the ASSOCIATION of the number of professional staff members to receive such notification.

C. All professional staff members who are involved in a staff reduction process will be notified by April 30th of the school year. The notice will include the reason for the reduction.

D. All professional staff members who are involved in a staff reduction process will have all insurance coverage continued through August 30th in accordance with the provisions of ARTICLE FORTY - INSURANCE PROGRAMS.

E. A professional staff member whose contract was non-renewed because of staff reduction will be notified of job vacancies for which he/she is qualified. An interview for said job vacancy will be provided upon the professional staff member's request. Any professional staff member whose contract was nonrenewed because of staff reduction will be reemployed and considered for assignment before any new applicant is considered to fill the open position.
Priority in placement on assignments due to transfer/job openings shall be as follows:

1. Qualified and interested professional staff members whose assignments are phased out.

2. Qualified and interested professional staff members who have requested voluntary transfer.

3. Qualified and interested professional staff members who have been involved in involuntary transfer.

4. Qualified and interested professional staff members whose contracts were not renewed because of staff reduction.

Promotions

A. Promotional positions are defined as follows: Positions under the control of the Superintendent (as opposed to the BOARD) paying an increased differential and/or positions on the administrative/supervisory level. The ADMINISTRATION shall give consideration to qualified candidates from within its own staff of employees in addition to other qualified candidates when filling vacancies above the professional staff member level.

B. Whenever a vacancy occurs in a promotional position for which professional staff members are qualified and which will involve employment of thirty (30) or more days, the ADMINISTRATION will publicize the position by special bulletins to each school and the ASSOCIATION. These shall occur at least ten (10) days prior to the deadline for applications to be filed. Such bulletins shall include information concerning general responsibilities, qualifications, procedures for obtaining the position, and the deadline for filing the application. Basic criteria to be considered for each position will be indicated on all publicity. To the extent possible, the ADMINISTRATION will publicize such positions prior to the end of the school year.

C. Eligibility for Administrative/Supportive/Supervisory Appointment

1. Appropriate degree and certification status.

2. Satisfactory service in the position held at the time of application.

3. Appropriate experience background.

D. Initial consideration of a candidate for a specific position will be made only upon the written request of the candidate. Separate written requests must be filed for each
position for which the professional staff member is applying.

E. For the specific positions of Principal and/or Assistant Principal, all requests for consideration for openings that may exist in this category will be solicited in the Spring of each year. Annually professional staff members may make formal application for openings. All individuals who meet the eligibility requirements set forth in C. above will be placed on the eligibility list. The Promotion Evaluation Committee will review the applications of all individuals on the eligibility list who make written request for such review in the Spring of the year, interview the candidates, establish a promotional list and make recommendations to the Superintendent. The promotional list in effect during the 1979-80 school year will expire on June 30, 1980. The promotional list established in the Spring of 1980 shall remain in effect for the period of three (3) years; provided, however, an individual on this list may apply each year to change his/her position on the list and change in grade shall continue active for three (3) years unless changed through utilization of the procedure provided herein.

F. Professional staff members on the eligibility list who fail to qualify for the promotional list will be advised of this occurrence. Professional staff members on the promotional list will be given information regarding the range of their placement on this list.

G. Miscellaneous

1. Final decision is the responsibility of the Superintendent, who makes recommendations to the BOARD for personnel appointments.

2. The Superintendent may make temporary and/or acting assignments of personnel into positions in which a vacancy exists. Such assignment shall not extend beyond three (3) semesters or the date a permanent assignment is made, whichever is the earlier date.

3. All new permanent promotional positions are to be advertised and filled through the above procedures.

4. Reclassification, retitling of existing positions or the combination of two or more positions which will be filled by the lateral transfer of Administrative personnel shall not require advertising of vacancies.

5. No advertising of any opening is required if the position is to be filled by a member of the Administrative staff already on the payroll. This does not preclude advertisement of the position if the ADMINISTRATION elects to do so.
24.01 The term "assessment" is used to describe the philosophy, criteria, and procedures by which professional judgments are made regarding each professional staff member's on-the-job performance. The purpose of the assessment process is to bring about professional improvement of the professional staff member's on-the-job performance and should be constructive in approach. Assessment, however, may identify weaknesses in the professional staff member's performance and be used in considering whether the performance of the professional staff member is acceptable.

A. A "formal assessment" is defined as one which conforms to the procedures set forth in this ARTICLE and one which is filed with the office of Personnel Services. All formal assessments will be done on the Assessment Form developed by the Joint Assessment Committee composed of representatives appointed by the ASSOCIATION and by the ADMINISTRATION separately. Changes in this form will be developed by a similar joint committee.

1. New professional staff members will have an assessment conference with the building administrator by mid-October. All professional staff members scheduled for assessment will be informed as to how and when such assessment shall be conducted.

2. Prior to completing a formal assessment and upon written request of the professional staff member, an objective review will be made of any special conditions that may have influenced the effectiveness of the professional staff member during the period for which the assessment is made. The administrator will make this review in cooperation with the professional staff member.

3. All observations of the professional staff member shall be conducted openly and with the full knowledge of the professional staff member.

4. Each formal assessment of a teaching professional staff member must be preceded by at least two (2) classroom observations of at least thirty (30) consecutive minutes, the final observation being within twenty (20) school days prior to completion of the formal assessment.

5. All observations of a professional staff member prior to a formal assessment must be made by the same administrator(s). A member of the Instructional Services Department or a qualified admin-
istrator from the same or another building or an administrator from the Central Office may perform a formal assessment.

6. Every classroom observation of a professional staff member must be followed as soon as possible, but within seven (7) school days, by a discussion between the professional staff member and the observer. Assessment must be objective in approach, must include suggestions for improvement, and must be descriptive of specific strengths and/or problems.

7. Any written report of an observation will be submitted to the teaching professional staff member prior to the formal assessment. The professional staff member will have the opportunity to review the assessment report with the ADMINISTRATION. The document will be signed and dated by all concerned. Signature by the professional staff member does not necessarily indicate agreement with the content, but only that the professional staff member has read the report. No additional comments by the assessor may be made after the assessment has been signed by the professional staff member. Adequate time for study of assessor comments will be given to the professional staff member prior to signing. A professional staff member may make a written reply to any assessment; such reply will be attached to the assessment report.

8. The professional staff member's performance in total school activities should also be included in the formal assessment.

B. If any teaching professional staff member wishes to make a positive or negative comment concerning a substitute teacher's performance, forms for this will be provided by the ADMINISTRATION.

C. No substitute teacher will be utilized to evaluate other professional staff members.

24.02 Assessment Schedule

A. Professional staff members new to the System will have a formal assessment each semester during the first year and once during the second year. It is strongly recommended that each new professional staff member be assessed by the same administrator in a given school year.
B. Non-tenured professional staff members new to a building will have a formal assessment during their initial year.

C. Any professional staff member may initiate a formal assessment for such purposes as self-improvement, upgrading certification, or other employment purposes.

D. A formal assessment may be initiated by the ADMINISTRATION at any time.

24.03 Documentation (See also ARTICLE TWENTY-ONE - PROFESSIONAL PERSONNEL RECORDS.)

A. The purpose of documentation is to make positive and/or negative professional performance a matter of record.

1. Documentation will be read and signed by the professional staff member before being entered in the personnel file. "Personnel file" as used in this CONTRACT, will be defined as any file kept on a professional staff member by the Central ADMINISTRATION or any of its agents or representatives including, but not limited to, Building Principals.

2. Any documentation which may be considered unfavorable and which is intended to be used in the personnel file for disciplinary, administrative reprimand, dismissal or transfer must bear the signature of the party concerned. The professional staff member involved must have had the opportunity to read this documentation and to reply in writing if desired. Such reply will be attached to the documentation.

ARTICLE TWENTY-FIVE - DISMISSAL

25.01 The continuing contract of a professional staff member may be terminated by the BOARD for gross inefficiency or immorality, for willful and persistent violation of reasonable regulations, or for other good and just cause. The procedures the BOARD must follow in terminating a contract of a teaching professional staff member are outlined in the Ohio Revised Code, §3319.16.

25.02 Any professional staff member holding a continuing contract who has been notified of intent to dismiss must be informed of his/her right to counsel or ASSOCIATION assistance and representation, if desired. A conference will be held with the professional staff member and his/her representative regarding the ADMINISTRATION'S pending action. Any professional staff member
who has been notified of intent to dismiss has the right to undertake with his/her representative a complete review of his/her own personnel file and such other documentation as may serve as a basis for such dismissal.

25.03 A. When a problem exists which could result in the non-renewal of a professional staff member on limited contract, the professional staff member and his/her representative shall meet with the ADMINISTRATION to discuss the problem. If at least sixty (60) school days remain from the date of the conference to the date limited contract non-renewal notifications are issued, the professional staff member shall prepare a program of positive steps to be taken to correct the problem and shall submit such program to the ADMINISTRATION. The ADMINISTRATION will suggest to the professional staff member additional action and/or alternatives to be taken and will work with the professional staff member in attempting to correct these deficiencies.

B. A written summary of the conference shall be prepared by the ADMINISTRATION and presented to the professional staff member within five (5) days following the discussion.

C. In the event unusual conditions prevailed on which problem identification had not occurred early enough to allow sufficient time for the previously referred to procedures, the final determination regarding renewal or non-renewal of limited contract status of the professional staff member shall rest with the ADMINISTRATION.

D. If the decision is made to non-renew the limited contract of a professional staff member, a final conference with the professional staff member will be held in the office of Personnel Services no later than mid-April of the current contract year.

25.04 The provisions of this ARTICLE shall not be applicable to the non-renewal of contracts of professional staff members on limited contract basis due to pupil reductions, budget limitations, lack of funds, or other similar type situations; the scope of this ARTICLE being limited, as it applies to professional staff members on a limited contract, to non-renewal of such contracts which are for cause.

25.05 The provisions of this ARTICLE shall also not be applicable to supplemental contracts.

ARTICLE TWENTY-SIX - MEDICAL EXAMINATION

26.01 The BOARD and/or the ADMINISTRATION may require professional staff members to receive a physical or mental examination. If professional staff members are required to receive a physical or
mental examination, the professional staff member may:

A. Request an examination by either the school physician or another physician designated by the school physician at the BOARD's expense, or

B. Receive an examination by his/her personal physician. All expense for such examination shall be paid by the professional staff member.

A complete report regarding any physical and/or mental examination given pursuant to this ARTICLE shall be submitted to the School Physician and/or the professional staff member's physician but shall not be released by either of these physicians to anyone else without the prior approval of the professional staff member, provided nothing in this Section shall preclude a review of this medical report by a physician contacted as a consultant by either the School Physician or the professional staff member's physician; provided, however, this shall not preclude the School Physician from issuing a report to the Superintendent concerning the matters at issue, which report shall be confidential.

26.02 In the event the professional staff member elects to be examined by his/her personal physician, such physician shall, as set forth in Section 26.01, provide the Superintendent with a report setting forth sufficient information so that the Superintendent can determine a course of action. After review of the report from the professional staff member's physician, the BOARD may require the professional staff member to be examined by the School Physician or a physician designated by the School Physician. The expense of such physician shall be paid by the BOARD. In the event there is disagreement between the report submitted by the physician selected by the professional staff member and the School Physician (or the School Physician's designee), the matter shall be submitted to a third physician who shall be selected by the other two physicians. The findings and conclusions of the third physician, after the examination of the professional staff member and consultation with the other two physicians, will decide the matter. The professional staff member and the BOARD shall share equally the fees and expenses of the third physician.

26.03 Opportunity for health examinations or vaccinations required by the State of Ohio or required locally must be provided without cost to the professional staff member. If a professional staff member elects to have a private examination or vaccinations, the professional staff member will pay the cost and provide a documented statement of satisfactory completion of the required examination or vaccinations.
ARTICLE TWENTY-SEVEN - GRIEVANCE PROCEDURE

27.01 A "grievance" is defined as any question or controversy between any professional staff member or the ASSOCIATION with the BOARD and/or the ADMINISTRATION concerning the interpretation, application of, compliance with or non-compliance with the provisions of this CONTRACT; provided, however:

A. If specific administrative agency relief of a quasi-judicial nature is provided for by the statutes of the State of Ohio or the United States for review or redress of a specific matter (such as Worker's Compensation, Unemployment Compensation, E.E.O.C., Civil Rights Commission), such matter may not be made the subject of a grievance and may not be processed as such.

B. Any action by the BOARD or any recommendation of the Superintendent to terminate or not renew the contract of any professional staff member, whether such professional staff member is under a limited or continuing contract (See O.R.C. §3319.16) with the BOARD, may not be made the subject of a grievance and may not be processed as such.

27.02 Concern Procedure

A. A "concern" is defined as any question or issue between any professional staff member or the ASSOCIATION with the BOARD and/or the ADMINISTRATION concerning any complaint, dispute, problem or other condition which is not a grievance as defined in Section 27.01.

B. The procedures set forth in Section 27.07 shall be applicable to the processing of any concern; provided, however, the provisions of Level Four - Arbitration - shall not be applicable to any concern, and the decision of the Superintendent shall be final with respect to any concern.

27.03 The limits in days under each section shall be counted as calendar days; however, the calendar days during the Winter and Spring breaks shall not be counted in computing the time limits. The number of days indicated at each level shall be considered as maximum. The time limits may, however, be extended by mutual agreement of the parties concerned, expressed in writing. Requests to extend the time limits will not be unreasonably denied.

27.04 If any grievance is not initiated at Level One within thirty (30) days after the professional staff member knew of the event or condition upon which it is based or with reasonable diligence should have known of such event or condition, the grievance shall be considered waived, shall no longer be deemed a grievance, and may not be processed as such. However, if a
condition is recurring, the thirty (30) day time limit will be applied to the most recent occurrence.

27.05 Nothing required by this formal grievance or concern procedure shall be construed as limiting the privilege of any professional staff member having a complaint or problem to discuss the matter informally with any appropriate representative of the ADMINISTRATION and having such matter adjusted without intervention and/or consultation of the ASSOCIATION, provided the adjustment is not inconsistent with the terms of this CONTRACT. The ASSOCIATION shall be advised of such adjustment at the time it is given.

27.06 The ASSOCIATION shall designate one professional staff member as its representative for processing grievances or concerns in each school building. Any professional staff member may consult this representative for assistance; provided, however, any activity of this type shall be conducted at times which will not interfere with the normal classroom teaching duties of the professional staff members involved.

27.07 All grievances shall be processed as follows:

A. Informal Procedure

A professional staff member with a grievance should first discuss it with the Principal of the school to which the professional staff member is regularly assigned or, in the case of traveling teachers, in the event the subject matter of the grievance involved events which occurred in a different school, the Principal of the school in which such event occurred, either individually or together with the professional staff member's official ASSOCIATION representative. Dispositions of any grievances at this level shall be without precedent to either the ADMINISTRATION or the ASSOCIATION for any purpose whatsoever.

B. Formal Procedure

1. Level One - Principal

a. In the event the professional staff member does not desire to utilize the Informal Procedure or in the event the professional staff member is not satisfied with the disposition of the grievance at the Informal Procedure level, or if no decision has been rendered by the Principal within five (5) days after the discussion of the grievance referred to in the Informal Procedure, the professional staff member may file the grievance in writing with
the Principal using the prescribed form. The ASSOCIATION representative may and should assist in writing the grievance. Whether the Informal Procedure has or has not been followed, such filing in writing must take place no later than thirty (30) days after the professional staff member knew of the event or condition upon which it is based or with reasonable diligence should have known of such event or condition and shall state the specific basis for the grievance and the specific section of this CONTRACT at issue.

b. Within five (5) days after receipt of the grievance, the Principal shall either issue a decision to the aggrieved person in writing or conduct a meeting to investigate the grievance.

c. In the event the Principal desires, he/she may conduct a meeting to investigate the grievance. The meeting may include a supervisor or Principal (or his/her representatives), the aggrieved person, the ASSOCIATION representative, and any other employee of the BOARD. In the event such a meeting is held, within five (5) days following the day of the meeting, the Principal shall render his/her written answer to the grievance.

2. Level Two - Personnel Services

a. In the event that either the professional staff member or the ASSOCIATION is not satisfied with the disposition of the grievance at Level One, or if no decision has been rendered within five (5) days from the date of the receipt of the grievance or the holding of the Level One meeting, whichever is applicable, either the professional staff member or the ASSOCIATION may appeal the grievance to the Executive Director/Personnel Services by filing such appeal in writing, stating the specific basis for the appeal.

b. A grievance may initially be filed at Level Two in accordance with the provisions of Section 27.09. A representative of the ASSOCIATION may file the grievance in writing, stating the specific basis for the grievance and the specific section of this
CONTRACT violated with the Executive Director/Personnel Services. Such filing in writing must take place within the thirty (30) day period set forth in Section 27.04.

c. The Executive Director/Personnel Services or his/her designee shall, within five (5) days of receipt of the Level Two appeal of the grievance, conduct a meeting concerning the grievance. The meeting may include the professional staff member who filed the grievance, an ASSOCIATION representative, the supervisor involved, the Principal, and the Executive Director/Personnel Services or his/her representative. Within five (5) days after this meeting, the Executive Director/Personnel Services or his/her designee will issue the decision along with the reasons, in writing, as to the disposition of this grievance. A copy will be furnished to the aggrieved person, the ASSOCIATION, the supervisor, and the Principal involved.

3. Level Three - Superintendent

a. In the event that either the professional staff member or the ASSOCIATION is not satisfied with the disposition of the grievance at Level Two, or if no decision has been rendered within five (5) days from the date of the receipt of the grievance or the holding of the Level Two meeting, whichever is applicable, either the professional staff member or the ASSOCIATION may appeal the grievance in writing, stating the specific basis for the appeal to the Superintendent.

b. The Superintendent or his/her designee shall, within five (5) days of receipt of the Level Three appeal, conduct a meeting concerning the grievance. The meeting may include the professional staff member who filed the grievance, an ASSOCIATION representative, the supervisor involved, the Principal, and the Superintendent or the Superintendent's representative. Within five (5) days after this meeting, the Superintendent or his/her designee will issue the decision along with the reasons, in writing, as to the final disposition of the grievance. A copy will
be furnished to the aggrieved person, the ASSOCIATION, the supervisor and the Principal involved.

4. **Level Four - Arbitration**

a. The ASSOCIATION only shall have the right to appeal any grievance, as defined in Section 27.01, to arbitration. In the event it is claimed by the ADMINISTRATION that any matter filed as a grievance is not a grievance as defined in Section 27.01, such issue, as such, may be appealed to arbitration, with the arbitrator having only the authority to rule on the arbitrability issue prior to hearing any evidence or issuing any ruling on the merits of the dispute.

b. Notification of the intent of the ASSOCIATION to appeal a grievance to arbitration must be submitted in writing to the Superintendent within five (5) work days after the written answer was given by the Superintendent under Level Three of the grievance procedure, otherwise the matter shall not be subject to arbitration. Upon receipt of such notification, the Superintendent will request the American Arbitration Association to provide the parties with a panel of arbitrators from which the parties can select an arbitrator in accordance with the rules of the American Arbitration Association. In the event the parties are unable to select an arbitrator from any list provided by the American Arbitration Association, the Association shall not have the authority to independently designate an arbitrator but shall furnish the parties additional lists until an arbitrator can be selected from a list furnished by the American Arbitration Association.

c. Neither party will be permitted to assert in any arbitration proceeding any ground or to rely on any evidence not previously fully disclosed to the other party.

d. The BOARD and the ASSOCIATION shall equally share the fees and expenses of the arbitrator and any expenses incidental to the arbitration proceeding. Each, however, shall be responsible for the fees
and expenses of its representative.

e. Unless contrary to law, the decision of the arbitrator shall be final and binding upon the BOARD, the ASSOCIATION, and any professional staff member involved in the matter.

f. The arbitrator shall not have the power to add to, subtract from, or modify this CONTRACT and shall only have the authority to interpret the provisions of this CONTRACT in light of applicable law as the same relate to the specific grievance appealed to arbitration.

27.08 Right to Representation - During the term of this CONTRACT, no professional staff member may be represented by any teacher organization other than the ASSOCIATION in any grievance or concern initiated pursuant to the provisions of this CONTRACT.

27.09 The ASSOCIATION, as such, shall have the right to file a grievance or concern, if the subject matter involved concerns:

A. An alleged violation of this CONTRACT as respects rights or privileges granted to the ASSOCIATION, its officers, or its representatives, as such.

B. An alleged violation of this CONTRACT as respects a matter affecting two or more professional staff members.

27.10 The ASSOCIATION as such shall also have the right to file a concern if the subject matter involved affects two (2) or more professional staff members.

27.11 Miscellaneous

A. A grievance or concern may be withdrawn at any level without prejudice or record.

B. Copies of all written answers to grievances and concerns shall be sent to the professional staff member involved, the ASSOCIATION President, and the ASSOCIATION representative.

C. Nothing in this CONTRACT shall require the ASSOCIATION to pursue any grievance or concern at any level or prohibit the ASSOCIATION from exercising discretion in determining whether or not to pursue an alleged grievance or concern.

D. Forms for filing and appealing grievances and concerns will be furnished by the ADMINISTRATION and will be jointly de-
veloped by the President of the ASSOCIATION and the Assistant Superintendent-Fiscal Affairs.

E. If the professional staff member who initiates a grievance is not assigned to a particular school or if the grievance or concern does not involve the administration of a particular school, whenever the term "Principal" appears in this ARTICLE, such term shall refer to the immediate supervisor of the professional staff member who initiated the grievance.

ARTICLE TWENTY-EIGHT - DEPARTMENTALIZATION

28.01 Typical faculty organizations may take the form of departments delineated along the lines of subject matter fields at the secondary level and grade levels in the elementary schools, so that professional staff members are grouped in their respective areas of competency.

28.02 It is not the intent of this ARTICLE, however, to restrict the operational structure of schools to the departmental type of organization. Schools are encouraged to experiment with varied organizational patterns in search of more effective ways of achieving their objectives.

28.03 Where departments are organized, Department Chairpersons shall be appointed by the Principal, with the advice and consent of the department members. The Chairperson shall be considered a member of the teaching faculty and shall have no authority of an administrative nature.

28.04 Provided that no additional staff will be required to be added to the teaching staff of the building (as determined by the Central ADMINISTRATION), a Building Principal has the discretion to adjust the teaching load of a Departmental Chairperson to assist him/her in performing the functions of a Department Chairperson.

28.05 The Department Chairperson may work cooperatively with the professional staff members of the department and ADMINISTRATION to:

A. Assist in developing curriculum materials.

B. Hold departmental meetings.

C. Confer with professional staff members on instructional problems.

D. Conduct demonstration lessons.

E. Visit classrooms on request of individual professional staff members.
F. Assist in the orientation of new professional staff members.

G. Assume responsibility for intra-departmental communication.

H. Advise on materials, supplies, and equipment.

I. Represent the department in program planning and evaluating departmental performance with the ADMINISTRATION.

ARTICLE TWENTY-NINE - JOINT CURRICULUM ADVISORY COMMITTEE

29.01 The ASSOCIATION and the ADMINISTRATION believe the professional staff members, administrators, community people, and students should work together to improve the curriculum for the school system.

29.02 The ASSOCIATION and the ADMINISTRATION will cooperate in keeping curriculum up to date through the following guidelines:

A. F. The Dental Insurance Program for the full-time professional staff members described in paragraphs D. and E. of this Section shall be available on a participating basis only. The premium cost for such insurance coverage shall be paid in accordance with the following:

1. The BOARD shall be responsible for paying ninety percent (90%) of the premium cost for the coverage elected by the professional staff member (whether such coverage is individual or dependent coverage).

2. Each professional staff member who applies for dental coverage shall be responsible for the payment of all premium costs in excess of the BOARD'S portion of the premium cost for the coverage elected by the professional staff member.

G. Dental insurance coverage shall also be provided to all regular part-time professional staff members who make application for such insurance and have such applications on file with the Treasurer prior to August 17, 1980, who pay their portion of the insurance premium for such insurance coverage in accordance with the provisions of this Section, who are on the active working payroll on September 1, 1980, and who are regular part-time em-
ployees of the BOARD working less than thirty (30) hours per week, provided such professional staff members work at least thirty-six (36) weeks per year or have an annual contract with the BOARD.

H. Dental insurance coverage shall also be provided to all regular part-time professional staff members hired after September 1, 1980, who make application for such insurance, who pay their portion of the insurance premium for such coverage in accordance with the provisions of this Section, who are regular part-time employees of the BOARD working less than thirty (30) hours per week and who work at least thirty-six (36) weeks per year, or who have an annual contract with the BOARD, and who complete the required insurance forms and have the same filed with the office of the Treasurer prior to the seventeenth (17th) of the month coverage is to take effect. Forms received after the seventeenth (17th) will result in coverage being delayed until the first (1st) day of the second (2nd) month after such coverage could otherwise have become effective.

I. The Dental Insurance Program for the regular part-time professional staff members described in paragraphs G. and H. of this Section shall be available on a participating basis only. The premium cost for such insurance coverage shall be paid in accordance with the following:

1. For professional staff members regularly scheduled to work at least ten (10) but less than fifteen (15) hours during a work week.

The BOARD shall be responsible for paying thirty percent (30%) of the premium cost for the coverage elected by the professional staff member (whether such coverage is individual or dependent coverage).

Each regular part-time professional staff member who applies for dental coverage shall be responsible for the payment of all premium costs in excess of the BOARD'S portion of the premium cost for the coverage elected by the regular part-time professional staff member.

2. For professional staff members regularly scheduled to work at least fifteen (15) but less than twenty (20) hours during a work week.

The BOARD shall be responsible for paying forty-five percent (45%) of the premium cost for the coverage elected by the professional staff member (whether such coverage is individual or dependent coverage).

Each regular part-time professional staff member who applies for dental coverage shall be responsible for the payment
of all premium costs in excess of the BOARD'S portion of the premium cost for the coverage elected by the regular part-time professional staff member.

3. For professional staff members regularly scheduled to work at least twenty (20) but less than twenty-five (25) hours during a work week.

The BOARD shall be responsible for paying sixty percent (60%) of the premium cost for the coverage elected by the professional staff member (whether such coverage is individual or dependent coverage).

Each regular part-time professional staff member who applies for dental coverage shall be responsible for the payment of all premium costs in excess of the BOARD'S portion of the premium cost for the coverage elected by the regular part-time professional staff member.

4. For professional staff members regularly scheduled to work at least twenty-five (25) but less than thirty (30) hours during a work week.

The BOARD shall be responsible for paying seventy-five percent (75%) of the premium cost for the coverage elected by the professional staff member (whether such coverage is individual or dependent coverage).

Each regular part-time professional staff member who applies for dental coverage shall be responsible for the payment of all premium costs in excess of the BOARD'S portion of the premium cost for the coverage elected by the regular part-time professional staff member.

In the implementation of the foregoing the Treasurer shall annually determine the annual premium cost to be payable by each professional staff member and withhold sufficient sums from the compensation payable to such professional staff member during the period such professional staff member receives payroll checks to cover that portion of the premium due from the professional staff member during months when the professional staff member is not receiving payroll checks (e.g. during the summer months when school is not in session).

40.10 The foregoing insurance programs shall be continued for all full-time professional staff members on the same basis as such insurance is provided during the school year during the months of June, July, and August. Professional staff members submitting resignations which take effect at the end of a school year will also have their insurance coverage continued during these months on the same basis as such insurance is provided during the school year provided:
A. Such professional staff member was covered under the insurance during his/her period of employment during the school year.

B. Such professional staff member remains in the employ of the BOARD through the end of the regular school year.

C. Such professional staff member advises the BOARD on or before March 15, or as soon thereafter as is possible of the intention of such professional staff member not to renew his or her contract with the BOARD.

40.11 For purposes of this ARTICLE only, a "regular part-time professional staff member" is a professional staff member employed on a continuous basis by the BOARD, who performs services for which compensation is paid during each week after employment commences or after such professional staff member is placed under contract with the BOARD on a regular basis with the number of hours of service to be performed scheduled on a regular and recurring basis. It is understood that any individual employed by the BOARD excluded from the definition of a professional staff member, pursuant to Section 2.02 of this CONTRACT, and any individual employed by the BOARD on an "on call" basis is not considered a regular part-time employee.

40.12 The BOARD will make arrangements to afford individual professional staff members the option to subscribe to a qualified Health Maintenance Organization Plan or other Group Practice Plan upon written request when they become available, if such plans are approved by the BOARD, in lieu of all medical insurance coverages provided in this ARTICLE, subject to the limitation on BOARD contributions toward the cost of such option contained in the following paragraph. Subsequent opportunity to exercise or to revoke the exercise of such option shall be provided as may be mutually agreed upon by the BOARD and the ASSOCIATION, but not more frequently than once in any twelve (12) month period.

On behalf of each professional staff member subscribing to a Health Maintenance Organization Plan or other Group Practice Plan under the preceding paragraph, the BOARD will make monthly contributions to such Plan towards the cost of such coverage; provided, however, that the BOARD'S contributions shall not exceed the cost of providing benefits to the professional staff member under this ARTICLE.

40.13 Conversion Privilege

If a professional staff member's life and accidental death insurance coverage is terminated, such professional staff member will be entitled to convert to an individual life and accidental death insurance policy without a medical examination, provided application is made within thirty-one (31) days of such termination of coverage.

* Effective September 1, 1980
Schedules A through G represent the annual salary paid including holidays and vacation within the school year as established by the School Calendar and as paid bi-weekly as set forth in the Schedule of Pay Dates. The per diem compensation of each professional staff member working under the compensation set forth in Schedules A through G shall be one two-hundredth (1/200th) of such professional staff member's annual compensation, as set forth in such Schedule.

Schedule A - Less than 3 years training and employed between 1-1-54 and 1-1-69 reach their maximum at Step 10. Those employed after 1-1-69 reach their maximum at Step 6.

Schedule B - Less than Bachelor's degree and employed between 1-1-54 and 1-1-69 reach their maximum at Step 14. Non-degree teachers employed prior to 1-1-54 proceed to Step 15. Those employed after 1-1-69 reach their maximum at Step 6.

Schedule C - Teachers with Bachelor's degree.

Schedule D - Teachers with Bachelor's degree plus 18 graduate semester hours or 27 quarter hours' credit. Graduate credits shall be those earned following conferral of the Bachelor's degree and must be part of a graduate program leading to an advanced degree in Teaching/Education as certified by the University.

Schedule E - Teachers with Master's degree.

Schedule F - Teachers with Master's degree plus 30 graduate semester or 45 quarter hours beyond Master's degree, or an Educational Specialist degree. Graduate credits shall be those earned following conferral of the Master's degree under the following provisions: (1) University confirmation of all courses completed in a graduate program leading to a Doctoral degree; (2) completion of the requirements for the Educational Specialist degree, a second Master's degree, or completion of the requirements for a new certificate beyond those already held.

Schedule G - Teachers with an earned Doctorate in an accepted educational or teaching field.

Personnel employed prior to the effective date of the 1969-70 Master Agreement shall be credited with graduate semester hours earned as applicable under Schedules D and F of that Agreement.

Teachers may advance on the schedule from one degree level to another upon the completion of schedule requirements. In order to so advance, a teacher must present satisfactory evidence from the training institution not later than the fifth (5th) day of the first or second semester's commencing, that the necessary
degree has already been granted or that all the work required for the degree or Post Master's Certification has been satisfactorily completed.

a. Each step through Service Step 15 represents one (1) year of service as a full-time teacher, or the equivalent thereof, as recognized by the Superintendent's Office. Service Step 20 represents completion of nineteen (19) or more years of service and is payable with the commencement of the twentieth (20th) year of service as a full-time teacher as recognized by the Superintendent's Office. Teachers may advance a step on the schedule only at the beginning of a school year. In order to so advance, a teacher must have been employed in the Dayton Schools at the preceding step on the schedule for at least six (6) consecutive months (twenty-four (24) weeks or one hundred twenty (120) days) within a single school year. These six (6) months may be interpreted to include the sixty (60) consecutive school days spent in the same position by a substitute teacher before his/her placement on the salary schedule at a regular two (2) weeks' rate. A teacher is considered "employed" on all days for which he/she is paid, but not on any days when he/she is absent without pay. Except for the sixty (60) consecutive school days preceding the placement of a substitute teacher on the regular salary schedule, substitute teaching on an hourly basis shall not be considered in placing a teacher on the schedule.

In placing a teacher on the schedule, one year of service credit shall be given for each year of full-time kindergarten teaching (including both morning and afternoon sessions), and one-half (1/2) year of service credit shall be given for each year of half-time kindergarten teaching. Half-time kindergarten teachers, who teach on a regular or annual contract and meet other requirements of the salary schedule, shall receive regular, full increments prorated in proportion to the time actually worked.

b. A teacher entering the Dayton Schools for the first time or re-entering the Dayton Schools after January 1, 1956, shall not be placed above Step 7 on the salary schedule.

In entering the Dayton Schools, one hundred twenty (120) days in one teaching position in a given year shall count as a year of experience for placement on the salary schedule. For those who have been substitute teachers in the Dayton Schools, sixty (60) consecutive days, preceding placement on the regular salary schedule, shall count as a part of the one hundred twenty (120) days required for determining a year's teaching experience. Credit for teaching service outside the Dayton Schools shall be given at the discretion of the Superintendent, up to a maximum of six (6) years, but, in no case, shall more than one (1) year of credit be given for a year of service.
c. Credit on the schedule shall be given for a bona fide service in the Armed Forces of the United States, if such service occurred between January 1, 1940, and January 1, 1948, and after June 1, 1950, at the rate of one (1) year for each twelve (12) calendar months of such service, except that, when the total number of months of service is divided by twelve (12), any fraction of two-thirds (2/3rds) or more in the answer, shall receive a full year's credit on the schedule. The granting of such credit is limited by the maximum of six (6) years of credit allowed for service outside the Dayton Schools. However, a teacher re-entering the Dayton Schools shall be credited without such limitation for any compulsory service in the Armed Forces which immediately followed a period of prior service in the Dayton Schools. Re-enlistment for military service after the end of a period of compulsory military assignment, except in the case of active warfare, shall cancel a leave of absence from the Dayton Schools, and shall not be counted for credit on the salary schedule.

Credit on the schedule shall be given for leaves of absence for professional study, if certified college credits for such study are submitted by the teacher and upon submission of satisfactory evidence of compliance with the leave policy, at the rate of one (1) year of service credit for each regular school year of professional study.

With respect to Schedules for BA + 18 through Ph.D., such credits and degrees must be in education or in areas offered by the curriculum of the Dayton Public Schools and such credits and degrees must be received from institutions approved, at the time the credits and/or degrees were earned, by the State of Ohio, Department of Education and the North Central Association of Schools.

Service Step 20 shall be applicable to teachers who have completed nineteen (19) or more years of service as recognized by the Superintendent's Office and is payable with the commencement of the twentieth (20th) and subsequent years of service as recognized by the Superintendent's Office. Effective with September 1, 1980, and thereafter, teachers on Service Step 20 shall receive bi-weekly pay at the Service Step 15 bi-weekly rate and shall receive the additional $500 salary (the difference between the salary applicable to Service Step 15 and Service Step 20) in two (2) equal installments of $250 each payable on the tenth (10th) and twentieth (20th) pay period payroll distribution.

The placement of such teachers on the salary schedule is to be governed by the following rules:

Schedule H - Teachers with Bachelor's degree or equivalent.

Schedule I - Teachers with Bachelor's degree or equivalent plus 18 graduate semester hours or 27 quarter hours credit. Graduate credits shall be those earned following conferral of the Bachelor's degree and must be part of a graduate program leading to an advanced degree as certified by the University.

Schedule J - Teachers with Master's degree or equivalent.

Schedule K - Teachers with Master's degree plus 30 graduate semester or 45 quarter hours beyond Master's degree, or an Educational Specialist degree. Graduate credits shall be those earned following conferral of the Master's degree under the following provisions: (1) University confirmation of all courses completed in a graduate program leading to a Doctoral degree; (2) completion of the requirements for the Educational Specialist degree, a second Master's degree, or completion of the requirements for a new certificate beyond those already held.

Schedule L - Teachers with an earned Doctorate in an accepted educational or teaching field.

Personnel employed prior to the effective date of the 1969-70 Master Agreement shall be credited with graduate semester hours earned as applicable under Schedules I and K of that Agreement.

Teachers may advance on the schedule from one degree level to another upon the completion of schedule requirements. In order to so advance, a teacher must present satisfactory evidence from the training institution not later than the fifth (5th) day of the first or second semester's commencing, that the necessary degree has been granted or that all the work required for the degree or Post Master's Certification has been satisfactorily completed.

a. Each step through Service Step 15 represents one (1) year of service as a full-time teacher, or the equivalent thereof, as recognized by the Superintendent's Office. Service Step 20 represents completion of nineteen (19) or more years of service.
and is payable with the commencement of the twentieth (20th) year of service as recognized by the Superintendent's Office. Teachers may advance a step on the schedule only at the beginning of a school year. In order to so advance, a teacher must have been employed in the Dayton Schools at the preceding step on the schedule for at least six (6) consecutive months (twenty-four (24) weeks or one hundred twenty (120) days) within a single school year.

These six (6) months may be interpreted to include the sixty (60) consecutive school days spent in the same position by a substitute teacher before his/her placement on the salary schedule at a regular two (2) week rate. A teacher is considered "employed" on all days for which he/she is paid, but not on any days when he/she is absent without pay. Except for the sixty (60) consecutive school days preceding the placement of a substitute teacher on the regular salary schedule, substitute teaching on an hourly basis shall not be considered in placing a teacher on the schedule.

b. A teacher entering the Dayton Schools for the first time or re-entering the Dayton Schools after January 1, 1956, shall not be placed above Step 7 on the salary schedule.

In entering the Dayton Schools, one hundred twenty (120) days in one teaching position in a given year shall count as a year of experience for placement on the salary schedule. For those who have been substitute teachers in the Dayton Schools, the sixty (60) consecutive days preceding placement on the regular salary schedule shall count as a part of the one hundred twenty (120) days required for determining a year's teaching experience. Credit for teaching service outside the Dayton Schools shall be given at the discretion of the Superintendent, up to a maximum of six (6) years, but, in no case shall more than one (1) year of credit be given for a year of service.

c. Credit on the schedule shall be given for bona fide service in the Armed Forces of the United States, if such service occurred between January 1, 1940, and January 1, 1948, and after June 1, 1950, at the rate of one (1) year for each twelve (12) calendar months of such service, except that, when the total number of months of service is divided by twelve (12), any fraction of two-thirds (2/3rds) or more in the answer shall receive a full year's credit on the schedule. The granting of such credit is limited by the maximum of six (6) years of credit allowed for service outside the Dayton Schools. However, a teacher re-entering the Dayton Schools shall be credited without such limitation for any compulsory service in the Armed Forces which immediately followed a period of prior service in the Dayton Schools. Re-enlistment for military service after the end of a period of compulsory military assignment, except in the case of active warfare, shall cancel
Credit on the schedule shall be given for leaves of absence for professional study, if certified college credits for such study are submitted by the teacher and accepted by the Superintendent, at the rate of one (1) year of service credit for each regular school year of professional study.

d. One (1) year of approved trade or business experience (approved by the Superintendent's Office) shall be considered equivalent to eighteen (18) semester hours of undergraduate college credit. To be approved for this purpose, the experience must have been in the trade or business to be taught or in the trade to which the subjects to be taught are related.

e. Not more than seven (7) years of trade or business experience shall be counted as equivalent to college credit.

f. A vocational shop teacher, having seven (7) years of approved trade experience (four (4) years of apprenticeship experience and three (3) years of journeyman experience), shall be placed on the Bachelor's degree salary level and may advance to the maximum salary for that level without further training except that required for continuous certification as a vocational teacher.

g. For advancement beyond the Bachelor's degree salary level, actual college credits must be presented in addition to any that have been counted toward the Bachelor's level itself. For this purpose, two (2) semester hours of approved undergraduate college credit shall be considered equivalent to one (1) semester hour of graduate college credit.

h. A vocational shop or related-subject teacher having thirty-six (36) semester hours of approved undergraduate college credit beyond the requirements for attaining the Bachelor's degree salary level, shall be placed on the Bachelor's degree plus eighteen (18) graduate semester hours or equivalent salary level and may advance to the maximum salary for that level.

i. A vocational shop or related-subject teacher having sixty (60) semester hours of approved undergraduate college credit beyond the requirements for attaining the Bachelor's degree salary level, shall be placed on the Master's degree salary level and may advance to the maximum salary for that level.

j. Although not more than seven (7) years of trade or business experience may be counted as equivalent to college training, each year of such experience beyond the number counted as
equivalent to college training shall be considered equivalent to one (1) year of successful teaching service for placement on the salary schedule.

k. In giving credit for trade and business experience either as the equivalent of college training or as the equivalent of teaching experience, ten (10) calendar months of trade or business experience shall be considered as one (1) full year of such experience. However, in the case of teachers newly appointed after January 1, 1947, no credit shall be given for any trade or business experience of less than five (5) consecutive months (one-half year).

*Teachers employed specifically to teach vocational shop or related subjects in trades or industries and properly certificated for such teaching by the Ohio State Department of Education.

With respect to Schedules for BA + 18 through Ph.D., such credits and degrees must be in education or in areas offered by the curriculum of the Dayton Public Schools and such credits and degrees must be received from institutions approved, at the time the credits and/or degrees were earned, by the State of Ohio, Department of Education, and the North Central Association of Schools.

Service Step 20 shall be applicable to teachers who have completed nineteen (19) or more years of service as recognized by the Superintendent's Office and is payable with the commencement of the twentieth (20th) and subsequent years of service as recognized by the Superintendent's Office. Effective September 1, 1980, and thereafter, teachers on Service Step 20 shall receive bi-weekly pay at the Service Step 15 bi-weekly rate and shall receive the additional $500 salary (the difference between the salary applicable to Service Step 15 and Service Step 20) in two (2) equal installments of $250 each payable on the tenth (10th) and the twentieth (20th) pay period payroll distribution.
