MASTER AGREEMENT

AMENDMENTS

July 1, 1998

1) §15: REGISTRATION FOR DISPATCH

Amend to read as follows: "The Union shall maintain a register of applicants for employment by classification and, where applicable, by specialty, on the basis of the priority groups listed below. Each applicant shall be registered for referral in each classification or specialty in which the applicant has demonstrated to the satisfaction of the business office that he is qualified (e.g. pipefitter; plumber, instrument tech; welder, mig, tig and/or rig welder; refrigeration mechanic; etc.). Any applicant denied the right to be designated qualified for any classification or specialty may appeal such decision to the Joint Referral Appeals Committee pursuant to Paragraph 32. Dispatch shall be made in accordance with the individual employer’s call by classification or specialty, by date of registration upon the 'A' list until the 'A' list of registrants possessing the required qualifications has been exhausted. Thereafter, in order to meet an employer’s call within the forty-eight (48) hour period contained in paragraph 14 above, the responsible dispatching official shall first attempt to satisfy the employer’s call from the 'B' list, and upon exhaustion of same, by call to the dispatch offices of the Local Unions whose 'A' lists comprise the 'C' and 'D' priority groups in that order."

2) §15-A.3: GRANDFATHER PROVISION

Change the dates from December 31, 1993 and January 1, 1994 to June 30, 1998 and July 1, 1998.

3) §15-A.4: MAINTAINING ‘A’ LIST STATUS

Delete this section.

4) §15-A.5: HOURS VERIFICATION

Delete the words "and maintenance."

5) §15-B: ‘B’ LIST

Amend to read: "'B' List: All applicants who meet the requirement for the 'A' list and who would otherwise qualify for 'A' list referral, but who have failed to meet 'A' list hours requirements. 'B' list registrants may not be contemporaneously registered on the 'A' list of any other UA Local referral system."

6) §15-C: ‘C’ LIST

Amend to read: "'C' Priority Group: All persons who meet the requirements for the 'A' list registration (or the equivalent) with UA Local 38 and/or any other Local Union within the geographic jurisdiction of the Northern California/Northern Nevada Pipe Trades Council."

7) §15-D: ‘D’ LIST

Amend to read: "'D' Priority Group: All persons who meet the requirement for 'A' list registration (or the equivalent) with any UA Local Union hiring office within the State of California."

8) §15-E: Add: "'E' Priority Group: Any person, who in the opinion of the dispatch office, meets the qualifications of an individual employer from any source."
9) §16-D: RESIDENCE/PERMANENT HOME DEFINED Change the 401(a) hours to "1200 hours of vested contributions on his behalf over a consecutive four (4) year period..."

10) §17: ORDER OF DISPATCH (Amend language to reflect new referral lists). "The employment office of the Union shall first dispatch employees, by qualification and/or specialty, registered on the 'A' list; second, employees, by qualification and/or specialty, who are registered on the 'B' list. Thereafter the employment office will secure employees from the dispatch facilities comprising the 'C', then the 'D' priority groups; and, finally, from the employees qualifying for dispatch in the 'E' priority group. Subject to paragraph 19 and 25, employees on the 'A' and 'B' lists shall be dispatched in the order in which they registered for work on a first in, first out basis."

11) §20: TRANSFER OF EMPLOYEES Amend language to read as follows:

A: Until the Union is contacted requesting employees, the Employer shall have the right to transfer up to six (6) current employees between plant (project) locations within Local #342 jurisdiction. The employer will notify the Union prior to transfer. If the employer transfers six (6) employees to a project, thereafter all journeymen shall be requested from the Union will be dispatched from the availability list on a 50%/50% basis; with the first Journeyman being dispatched from the availability list, the second Journeyman may be requested by name, the third journeyman from the availability list and so on.

B: The transferring of six (6) employees between projects within Local 342's jurisdiction will not be considered as part of the employer's allotted ratio of name calls. Employees transferred will not be considered in determining 50%/50% job ratio.

C: If the Employer transfers less than six (6) Employees to a project, they may transfer at any time, the balance to make up the six (6) Journeymen subject to the transfer rights granted pursuant to this section; thereafter, Journeymen requested from the Union follow the 50%/50% rule.

D: For the purposes of this section, after the six transfers allotted in Section C above, the Employer may effect his right to call by name contained in Section A above by additional transfers until the complement of employees required to perform the project has been filled; provided, however, that any additional transfers shall be counted for the purposes of the 50%/50% rule.

12) §27: REMOVAL OF NAME FROM OUT-OF-WORK LIST: Change 48 hours/6 working days to "80 hours or two weeks (whichever is longer)."

13) §28-A: REMOVAL FROM OUT-OF-WORK LIST--SPECIAL Change to add sentence: "Failure to return a dispatch call to the business office when the business office has left a message on the applicant's answering device or with a responsible member of the applicant's household shall be counted as a refusal for the purposes of this provision."

14) §28-D: REMOVAL FROM OUT-OF-WORK LIST--SPECIAL (WILL NOTIFY) Delete this section. The union does not want to remove the ability to allow a member to freeze a place on the list by designating "will notify," but the Union simply wants the rules for "will notify" posted so they can be amended when special circumstances arise or abuses are discovered.
23) §106: SERVICE TRUCKS Delete this section.

24) §108: SUBSISTENCE Change to read: "On jobs forty (40) highway miles from the Union Hall in Concord, California, and outside Alameda and Contra Costa Counties, the Employee shall receive a per diem of $60.00 or actual expenses, which ever is greater for each work day on any job requiring the employee to stay overnight. In addition thereto, .... and transportation at the then current applicable mileage rate as set from time to time by the Internal Revenue Service if not using company furnished equipment."

25) §121: Change to read: "Notwithstanding any concurrent responsibility of any other person or Employer to do so, it shall be the primary responsibility of the individual Employer to assure that on all jobs there shall be provided to employees covered by this Agreement:

A. Temporary wash and toilet facilities sufficient to maintain proper sanitary conditions (chemical toilets shall be used only when other facilities are not available).

B. Sufficient clean, cold drinking water so that there are no significant periods when the jobsite is without water, and

C. Emergency telephones with identification signs posted.

26) §122: Change: "Sufficient clean heated change rooms for the duration of the project shall be provided.

27) New §: "In the event during the term of this agreement, any other UA Locals merge into UA Local 342, the parties hereto agree to immediately, upon the request of UA Local 342, reopen this agreement for the purposes of effectively integrating and/or modifying terms and conditions of employment applicable to the expanded jurisdiction resulting from any such merger."

19. NAME HIRE.

A. All journeymen will be dispatched to an Employer's jobsite or shop from the availability list on a 50% basis. The Employer may request the first three (3) journeymen by name. Thereafter the Employer must hire three (3) journeymen from the availability list starting with the first man on the list until the 50% - 50% ratio is achieved. The same 50% - 50% basis shall be
applied to the hiring of apprentices. Name Hire shall be limited to “A” List registrants unless there is a call for a recognized special skill, and no “A” list registrant possessing such special skill is available for dispatch.

B. Name hire requests must be made by the Individual Employer, or senior representative thereof. Upon receipt of a proper request, the Union shall dispatch the employees so requested, if they are available, registered for work and willing to accept a dispatch, and, upon being dispatched, the names shall be stricken from the out of work list. The Dispatch Slip shall indicate that the employee was a name hire.

A. Until the Union is contacted requesting employees, the Employer shall have the right to transfer up to six (6) current employees between plant (project) locations within Local #342 jurisdiction. In all cases pursuant to this paragraph 20 when the employer intends to effect a transfer, the employer must notify the Union prior to transfer. If the employer transfers six (6) employees to a project, thereafter all journeymen shall be requested from the dispatch office and, will be dispatched from the availability list on a 50%/50% basis, with the first Journeyman being dispatched from the availability list. The second Journeyman may be requested by name, the third Journeyman from the availability list and so on.

C. If the Employer transfers less than six (6) Employees to a project, the employer may transfer, at any time, the balance to make up six (6) Journeymen subject to the transfer rights granted pursuant to this paragraph 20; thereafter, Journeymen must be requested from the dispatch office in accordance with the 50%/50% rule describe subparagraph 20.A.

D. After the six transfers allotted in Section C above, the Employer may effect his right to call by name contained in Paragraph 19 above by additional transfers until the complement of employees required to perform the project has been filled; provided, however, that any additional transfers shall be counted for the purposes of the 50%/50% rule.
21. SUPERVISION HIRES ARE NAME HIRES. All supervision requested by name will be considered part of the Employer’s allotted percentage of name calls.

22. OUT OF RATIO ON NAME HIRES. If at any time the ratio on the job deviates from the original ratio of calls by name and dispatches from the availability list, any new journeymen shall be called either by name or from the availability list until the job ratio is again brought into conformity with the provisions of this Article.

23. LAYOFF ORDER — JUST CAUSE FOR DISCHARGE. Such request shall be honored by the Union and the Employer within forty-eight (48) hours. For the purposes of determining “A” list seniority status, years spent as an apprentice under this Agreement may be counted toward the required three (3) years of “A” list registration.

B. In the event more “A” list journeymen exercise the rights contained herein than there are positions available with respect to the Individual Employer employing “B” list or “C,” “D,” or “E” priority group journeymen, priority shall be granted to the highest registered “A” list journeymen who have given the required notice. In the event the Employer has currently employed more “B” list “C,” “D” or “E” priority group journeymen than required to honor the exercise of rights under this section, the Employer shall have the right to select from among the “B” list or “C,” “D” or “E” priority group journeymen on its payroll which journeymen it will retain and which it will lay off to comply with this section.

C. No “B” list employee may be bumped within sixty (60) calendar days of dispatch. No person dispatched pursuant to PARAGRAPH 25 (Spec-
cial Skills) may be bumped unless the journeyman seeking to exercise bumping rights possesses such special skill(s).

When bumping occurs an Employer who feels that it has been adversely affected by the number of its employees who have been bumped, may appeal to the Joint Referral Appeals Committee for relief from the provisions of this PARAGRAPH 23. If there is an appeal by an Employer under this paragraph, bumping of employees of that Employer shall be suspended until there is a decision by the Joint Referral Appeals Committee on the appeal.

B. In the event that no employees with the requisite experience are available, the Individual Employer requesting such employees shall not be free to hire directly an employee to operate such equipment, or to perform such work who has had less experience than the experience called for in the order.

C. In determining whether an applicant for employment possesses the particular skills and abilities called for by the Individual Employer, the dispatcher shall consider:

27. REMOVAL OF NAME FROM OUT-OF-WORK LIST — NORMAL. Upon being dispatched under any of the preceding paragraphs, the name of the employee or applicant for employment shall be stricken from the A or B availability list of registrants for work upon which his name appears, unless he has been terminated from the job for which he was dispatched by reason of reduction in force and has worked less than eighty (80) hours or 14 calendar days (whichever is longer). of such Individual Employer and such withdrawal for such period shall not be a strike or work stoppage within the terms of this Agreement. Any employees so withdrawn or refusing to perform any work as herein provided shall not lose their status as employees, but no such employee shall be entitled to claim or receive any wages except as provided in ARTICLE IV of this Agreement.

D. Failure or refusal of the Individual Employer or an Individual Employer to comply with the decisions of a Joint Conference Board, Joint Referral Appeals Committee or arbitrator.

39. It is the intention of the parties to this Agreement to settle all other problems that may arise on a local level; however, in order to provide means for uniform interpretation and application of this Agreement in respect to any provision upon which the parties are in disagreement or dispute as to its meaning the parties hereto shall proceed to set up a Joint Conference Board of six (6) members. Three (3) members shall be selected by the Union and three (3) members by the Individual Employer. In the selection of the three (3) by the Employer, it is agreed that one (1) of the members may be selected from another Employer Association whose individual members covered by this Collective Bargaining Agreement regularly perform other types of work coming within the recognized jurisdiction of the Union.

40. No preceding hereunder based on any dispute, complaint of grievance herein provided for shall be recognized unless called to the attention of the Employer and the Union within thirty (30) days after the alleged violation was committed.
41. The thirty (30) day limitation shall not apply to Employer contributions required by ARTICLE X, PARAGRAPH 81. Grievances or disputes may be filed by the Local Union and/or the Employer signatory hereto. Such grievances and disputes shall be executed in accordance with the procedure set forth in this Paragraph.

Step 1. The steward or Union representative is to receive grievances or disputes from employees covered by this Agreement, and report them to his Business Manager, who shall then attempt to adjust said grievance or dispute with the Contractor representative performing the work.

Step 2. In the event that such grievance or dispute cannot be adjusted in this manner within seventy-two (72) hours after the complaint has been submitted, the same shall be submitted in writing within an additional seventy-two (72) hours to the Association involved whose representatives shall attempt to settle the grievance or dispute.

Step 3. If the matter cannot be disposed of within seventy-two (72) hours after receipt of such written notice by the representatives of the Union and/or the Employer, the same may be referred to the Joint Conference Board.

Step 4. The Joint Conference Board shall convene at their next meeting after the grievance or dispute has been referred to it. The Employer or the Union cited before the Joint Conference Board shall have at least seventy-two (72) hours notice of the hearing, unless a lesser period of time is agreed to between the complaining Union and the Employer. The final decision shall be rendered within ten (10) working days after the complaint is submitted to the Joint Conference Board. All time limits set forth in this Article may be extended by mutual agreement.

Step 5. In the event the Joint Conference Board is unable by majority vote to agree, they may submit the dispute to a Arbitrator chosen by the Board. If the Board is unable to select a Arbitrator, either party may immediately request the Federal Mediation and Conciliation Service or American Arbitration Service to submit the names of five (5) persons qualified to act as Arbitrator. When said list has been presented to representatives of the parties hereto, each shall have the choice of alternately reviewing the names of two (2) of those five (5) persons, with the order of choice being determined by lot and the remaining, or fifth, person shall be selected as a Arbitrator within twenty-four (24) hours after submission of said list. The referee's decision shall be final and binding on both parties.
42. It is specifically agreed that the terms and conditions of this Agreement shall be binding upon the Joint Conference Board and/or the impartial arbitrator and that they or he shall have no authority to alter, amend or revise the wages, hours, and other conditions set forth herein, it being the intent that such Board and arbitrator's decision shall be within the scope and limited to the application of terms and conditions hereof. The parties hereto agree that a decision rendered by a majority of the Joint Conference Board and/or impartial arbitrator shall be final and binding upon them.

43. All costs of the impartial arbitrator shall be divided equally between the Employer and the Union.

44. All disputes between the parties regarding the interpretation or application of any of the terms or conditions of this Agreement shall be submitted to the grievance procedure in the manner provided in this Article.

45. Employers will not be cited before the Joint Conference Board except on charges preferred by the Business Manager of the Local Union or, in his absence, his designee. Such charges must be made on a form designated by the Joint Conference Board. Such charges shall not be accepted unless the form shows the Business Manager or his designee contacted the Employer or attempted without success to settle the grievance prior to submitting such complaint to the Board. Copies of such charges must be immediately sent certified mail, return receipt requested, to the Contractor (or Local Union) the complaint is against, with additional copies to the Employers. The complaining party must give immediate notice to the Employers when a dispute is settled after having been referred to them in writing. The Union agrees that such Board procedure will not be used to harass a Contractor. The Employer agrees to give full consideration to all charges, particularly repeated violations of the Contract.

46. JURISDICTIONAL DISPUTES. All jurisdictional disputes with Unions (other than the United Association) shall be heard and decided under the procedures of the National Joint Board for Settlement of Jurisdictional Disputes.

47. Both parties hereto agree to maintain proper personnel and facilities to carry out the terms and conditions of this Agreement.

48. Within thirty (30) days after the execution of this Agreement the Employers shall appoint three (3) representatives, and sufficient alternates, and the Union shall appoint three (3) representatives, and sufficient alternates, as
members of the Joint Conference Board, which shall be known as the Joint Conference Board. In the event of the absence of any representative appointed by the Union the remaining representatives appointed by the Union may vote in behalf of such absent representative. 82. The Funds shall be administered in accordance with the applicable Trust Agreements and/or other documents by and between the parties hereto creating said Funds (hereinafter "Trust Funds" which shall include any other form of business organization such as a non-profit corporation). The Individual Employers agree to be bound by all of the terms and conditions of said Trust Agreements and any amendment or amendments thereto that have been or may hereafter be adopted by the parties hereto.

83. Each Individual Employer shall file a monthly report with each Fund on the form established by the Fund and such report shall be filed monthly regardless of whether the Individual Employer has employed any employees covered by the report. Each such report shall be signed by the owner, a partner, or an executive officer of the Individual Employer, as the case may be.
84. Payments to the Funds shall be made at the place designated from time to time by the Funds, in accordance with and in the manner provided for by the applicable Trust Agreements. Such payments shall be due and payable monthly on or before the fifteenth (15th) day, and will be deemed delinquent if not paid on or before the twentieth (20th) day of each calendar month for all work performed in the preceding month. Any report deposited in the mail must be postmarked not later than the twentieth (20th) of the month or it shall be deemed delinquent.

85. It is agreed that insofar as payments by the Individual Employer are concerned, the parties recognize and acknowledge that the regular and prompt payment of amounts due each Fund by Individual Employers is essential and, based upon prior experience of the parties hereto and in light of the substantial but varied expense incurred in the administration of said Funds and the Plan due to delinquencies, the parties agree that it is extremely difficult, if not impracticable to fix the actual expense and damage to each Fund and the Plan resulting from the failure of an Individual Employer to make the payments in full within the time provided. Therefore, it is agreed that the amount of damage resulting from any such failure shall be by way of liquidated damages and not as a penalty to each such Fund and the Plan and that the amount of the liquidated damages be as provided in the appropriate Trust Agreement or Plan.

86. If any Individual Employer defaults in the making of such payments and if either the Union or the Funds or the Plan consults or causes to be consulted legal counsel with respect thereto, or files or causes to be filed any suit or claim with respect thereto, there shall be added to the obligation of the Individual Employer who is in default all reasonable expenses incurred by the Union, the Funds, and the Plan, in the collection of same, including but not limited to, reasonable attorneys’ fees, auditors’ and accountants’ fees, court costs and all other reasonable expenses incurred in connection with such suit or claim including any appellate proceedings therein.

87. The parties recognize and agree (a) that the references to wages and fringe benefits in Sections 7071.5 through 7071.11 of the California Business and Professions Code include payments for fringe benefits and dues check off as described in this Agreement and Trust Agreements creating each Fund; (b) that said payments are for the benefit of the employees of each Individual Employer covered by this Agreement, and that the failure of an Individual Employer to make said payments, in the manner and at the time prescribed, causes damage to all employees, including the employees of the Individual Employer in default, in the amount of the unpaid fringe benefits and dues as
well as the liquidated damages established herein, interest, and any attorney’s and accountants’ fees which the Union, the Funds, or the Plan, or any of them, may incur with respect to said default; (c) that the Union, the Funds, or the Plan, or any of them, may bring a claim or legal action against the Individual Employer’s license bond on behalf of an employee or employees covered by this Agreement.

88. Whenever the Union in its judgment deems it necessary to protect payments to the Funds and the Plan or to protect the payment of wages to employees working under this Agreement, may require any Individual Employer to supply the Union, not less often than weekly, with a written record of the names of all employees and their hours (specifying straight time and overtime) worked upon all or any particular job or jobs. The Union shall have the right to withdraw and withhold the employees of any Individual Employer who fails to furnish such information promptly.

89. BONDING. The following Employers, as described in subsections “A” and “B,” shall be required to post a bond as provided for herein, in addition to any bond required by applicable law.

A. NEW EMPLOYER. The term “new Employer” for purposes of this Paragraph shall mean an Individual Employer who has not performed work covered by this Agreement, within a period of twelve months preceding the job he is about to perform.

B. DELINQUENT EMPLOYER. The term “Delinquent Employer” for purposes of this Paragraph shall mean and Individual Employer who, at any time during the term of this Agreement or within the three-year period preceding the term of this Agreement has failed to pay employees or Trust Funds promptly and in accordance with this Agreement and the applicable Trust Agreement. The term “Delinquent Employer” shall also include any Individual Employer who at any time in the past has been cleared of any indebtedness to employees or the Trust Funds through an adjudication in bankruptcy.

C. For purpose of this Paragraph, the term “Individual Employer” shall include any former sole proprietor Individual employer, a member of a partnership or associate Individual Employer, or an officer, director, or stockholder of a corporate Individual Employer who or which has been delinquent as defined herein, or a superintendent, responsible managing officer or employee or other authorized representative of a former such Individual Employer who hereafter entered into any phase of the contracting business covered by this Agreement, either as a sole proprietor, partner, or owner of an
D. An Individual Employer required to post a bond under this Paragraph shall maintain the bond in effect for the period covered by this Agreement.

E. The amount of the bond shall be based on the maximum number of employees employed by the Individual Employer on work within the territory covered by this Agreement as follows:

- 1 to 5 employees $ 6,000
- 5 to 10 employees $10,000
- 11 to 20 employees $25,000
- 21 to 30 employees $30,000
- 31 to 40 employees $35,000
- over 41 employees $40,000

F. Said bond shall be posted with the Union and/or Trust Funds, and the bond shall guarantee prompt payment of all wages and other payments to employees as provided for in this Agreement and the prompt payment of all fringe benefits, liquidated damages, interest and attorneys’ fees as provided for in this Agreement and in the applicable Trust Documents.

G. If the bond is a surety bond, the bonding company and the form of the bond shall be subject to approval by the Union and the Trustees of the Health & Welfare Fund.

H. In lieu of a surety bond, the Individual Employer shall provide a cash bond in the appropriate amount and in a form acceptable to the Union and the Trustees of the Health and Welfare Fund. The cash bond shall be held in escrow by the Contract Manager of the Northern California Pipe Trades Trust Funds and shall accrue interest. If the Employer cannot post the full amount of the cash bond in one lump sum, the Employer may post ten percent (10%) of the required amount of the cash bond as a down payment and pay the balance with its monthly reports at the rate of fifty cents ($0.50) per hour for every hour worked by its covered employees until the full amount of the cash bond is reached. No interest shall be posted to the Employer’s cash bond account until the full amount of the cash bond is paid. In the event the Employer disputes a claim made against the cash bond, the claim will be paid upon decision of the Joint Conference Board, in the case of money due employees, or upon the decision of the Trustees of the appropriate Trust Fund or Funds in the event of a claimed Trust Fund delinquency. The Employer shall
be entitled to a refund of any amount remaining in its cash bond account upon a determination that it has legally terminated its collective bargaining agreement with the Union or actually ceased doing business in Northern California, after any obligations due and owing the employees, Union or the Trust Funds have been deducted from the Employer's cash bond account.

I. If any Employer who is required to post a bond under this Paragraph fails to do so prior to the commencement of work (in the case of a “New Employer”) or within five (5) days of written demand by the Union (in case of a “Delinquent Employer”), it shall not be violation of this Agreement for the Union to withdraw and withhold employees of that Individual Employer until the bond is posted and the Individual Employer shall be liable to any employees withdrawn for that reason for the wages and fringe benefits lost, up to a maximum of sixteen (16) working hours.

90. CHANGE OF CONTRACTORS. Whenever an Individual Employer has taken over a job that has been only partially completed by another Contractor, he shall notify the Union in writing as soon as he becomes aware of that situation. If the first Contractor owes money on that job to employees or the Trust Funds, and the Individual Employer and the Union are unable to reach agreement upon a method for payment of amounts due, it shall not be a violation of this Agreement for the Union to withhold employees from working on said job, or to withdraw employees who are already working thereon, until all such moneys have been paid.

91. REMOVAL OF EMPLOYEES. The Union may withdraw and withhold the employees of an Individual Employer who defaults in payments of wages or in payments as provided in this Article and the applicable Trust Agreements.

92. When employees are removed from an Individual Employer's shop or job because of delinquency in payment of fringe benefits or wages, the Employer shall pay to all such removed employees sixteen (16) hours including time worked on the date of removal, if any, at their regular rate of pay plus fringe contributions, in the same manner as if they were employed on the job. When the delinquent wages and/or fringe contributions are paid and the account is cleared in full and the men notified to return to work prior to said sixteen (16) hours, then and only then shall the Individual Employer be liable only for those hours the employees were off the job because of such violation of Contract, and provided further that if they are not available to return to work within two (2) hours after receipt of such notice by the Union, they shall receive pay for only two (2) hours after receipt of such notice by the Union.

33
93. Employees removed from the job may accept work orders to a different Individual Employer and still be eligible to be transferred back to the Individual Employer from which they were removed providing the delinquencies were corrected and the transfer effected within sixteen (16) working hours of the removal time and provided such men shall not be reimbursed under this Article for the time they were paid while working for another Individual Employer.

94. The Trust Funds shall be responsible for sending notices to the Union, shall assume liability for any error in notification that results in employees being removed from the job when the Individual Employer was not delinquent, and shall be responsible for immediate notification to the Union when a delinquency is corrected.

Such payments shall be due and payable on or before the 15th day of each calendar month for all work performed in the preceding month, and shall be considered delinquent if not received by the Trust office prior to midnight of the 20th day. It is recognized that time is of the essence and the following shall be applicable to delinquent payments:

A. It being impractical to determine the actual expense and damage to the parties hereto which results from delinquent payments in each case, the Individual Employer shall be liable by way of liquidated damages, and not as an assessment or penalty, in the amount of ten percent (10%) of the amount due, but not less than $100.00 nor more than $500.00, for each failure to pay in full within the time limits provided. The time limits on posting of such bond, the procedures for appeal, and the right of the Union to withhold employees for failure to post the bond, shall be the same as set forth in ARTICLE XI of this Agreement.

D. It shall not be a violation of this Agreement for the Union to refuse to man any job or to withdraw employees from the job or jobs of a delinquent Employer, or otherwise take concerted action against such Employer.

It shall be administered by the financial institution pursuant to agreement with the Union, in compliance with all applicable laws.

100. The Union shall pay all administrative expenses incurred in the operation of the Dues Checkoff Account other than those incurred within the Individual Employer's office.
