ARTICLE XVII - GRIEVANCE PROCEDURE FOR THE CLERICAL NEGOTIATING UNIT

Section 1.0

To enable service unit employees to have a designated channel for the determination of grievance, the following procedures are established and authorized by the Board of Education of the Port Byron Central School District and the PBCS Clerical Unit representing members of the full time, regular and part-time Clerical Unit members.

Section 2.0 General Principles

2.1 "Grievance" shall mean any claimed violation, misrepresentation or inequitable application of the collective bargaining agreement between PBCS Clerical Unit and the Board of Education, Port Byron Central School District. However, the term "grievance" shall not include any matter involving law or any rule or regulation having the force and effect of law.

2.2 In any case where the grievance involves a building-wide or system-wide practice or situation, as opposed to an individual grievance, the function of the Grievance Committee is to discuss, consider and determine the validity of such grievance and to judge its appropriateness for presentation. If such determination is in the affirmative, notice in writing, setting forth the nature of the grievance shall be sent to the Superintendent of Schools.

2.3 The decision made at each stage should be independent of advice and opinion of anyone involved in succeeding stages.

2.4 After the first stage, the aggrieved may be represented at all times by someone of his own choice.

2.5 All grievances are to be adjudicated within 30 school days from the date of initial presentation in the first stage.

Section 3.0 Election of Grievance Committee

3.1 Within 35 days after the opening of school in September, there shall be held, under the auspices of the PBCS Clerical Unit, an election of the Grievance Committee. The Grievance Committee shall consist of three members of the Clerical Unit of the School District. This election is to be by secret ballot. Election of the members of the Grievance Committee is to be determined by a plurality, with the person getting the next highest number of votes to be designated as the alternate. The Grievance Committee, in addition, shall include a
representative from the Administration, elected among themselves, with an alternative also designated. The Superintendent of Schools and Business Administrator shall not be a member of the Grievance Committee.

3.2 The Chairman of the Grievance Committee should be elected from within the group itself.

3.3 If a member of the Grievance Committee had a grievance himself, or is a party to a grievance, he would need to be replaced pro-tem on this committee.

Section 4.0 Grievance Procedure

4.1 First Stage

4.1.1 The employee orally and informally confers with his immediate superior in a genuine effort to resolve the grievance. The Elementary School Principal is to be considered the immediate superior for all clerical employees in the Elementary School. The Senior High Principal is to be considered the immediate superior for all clerical employees in the Senior High School. The Middle School Principal is to be considered the immediate superior for all clerical employees in the Middle School. The Business Administrator is to be considered the immediate superior for all clerical employees in the Business Office. If the problem remains unresolved, the Administrator must explain his/her interpretation to the grievant. The first stage should be limited to five school days.

4.2 Second Stage

4.2.1 If personal conferences do not result in agreement on the first stage, then the employee may have recourse to the Grievance Committee. Within three school days after the first stage, the aggrieved person or persons must submit in writing a statement of grievance on the form provided below with comments provided by their Immediate Supervisor. Within five school days after receipt of this grievance, the Grievance Committee shall determine whether or not the employee has a substantial grievance. If such a determination is in the affirmative, notice in writing, setting forth the nature of the grievance, shall forthwith be sent to the Superintendent of Schools.

4.3 Third Stage

4.3.1 Within seven school days after receipt of this notice, the Superintendent shall hold a conference with the Grievance Committee, the Immediate Supervisor and the aggrieved employee and his representative, if one is chosen.
4.3.2 If such conference does not result in agreement, the matter shall be referred immediately to the Board of Education for final determination. The Board of Education shall be provided with all pertinent data, including the Grievance Form and recommendations of the Immediate Supervisor and Superintendent.
