ARTICLE 2
MANAGERIAL RIGHTS/PRODUCTIVITY

Section 2.1

Section 3.4
The Employer shall deduct dues or an agency fee from the pay of employees who request such deduction in accordance with this Article and transmit such funds in accordance with departmental policy as of July 1, 1976 to the comptroller of the Union together with a list of employees whose dues or agency fees are transmitted provided that the State Treasurer is satisfied by such evidence that he may require that the comptroller of the Union has given to the Union a bond, in a form approved by the Commissioner of the Department of Revenue, for the faithful performance of his/her duties, in a sum and with such surety or securities as are satisfactory to the State Treasurer.

Any agency fee shall be calculated in accordance with the provisions of Chapter 150E and regulations adopted thereunder and shall not include costs for the following activities:

1) contributions to political candidates or political committees formed for a candidate or political party;

In such litigation the Employer shall have no obligation to defend the termination.
Section 4.4
Disputes between the parties concerning this Article shall be resolved in accordance with the grievance procedure contained in this Agreement.

In the event such a dispute is submitted to arbitration, the arbitrator shall have no power or authority to order the Employer to pay such service fee on behalf of any employee. If the arbitrator decides that an employee has failed to pay or authorize the payment of the service fee in accordance with this Article, the only remedy shall be the termination of the employment of such employee if the employee continues to refuse to pay or authorize payment of the required service fee after sufficient time to do so.

Section 4.5
All members of the bargaining unit shall be entitled to representation and to all the rights and benefits provided under this agreement without regard to their membership, non-membership, or agency fee status within the Union or its affiliates.

Approved requests will be granted by the Employer provided no adverse effect on the operations of the Department agency results.

Section 5.5 Union Use of Premises
The Union shall be permitted to use facilities of the Employer for the transaction of Union business during working hours and to have reasonable use of the Employee's facilities during off duty hours for Union meetings subject to appropriate compensation if required by law. This section shall not be interpreted to grant an employee the right to carry on Union business during his/her own working hours, not granted elsewhere in the contract.

The Union shall be permitted one-half (1/2) hour per year to address its members regarding various union issues.

Section 5.6 Bulletin Boards
The Union may post notices on bulletin boards or on an adequate part thereof in places and locations where notices usually are posted by the Employer for employees to read. The notices may remain posted for a reasonable period of time. ARTICLE 6
ANTI-DISCRIMINATION AND AFFIRMATIVE ACTION

Section 6.1
The Employer and the Union agree not to discriminate in any way against employees covered by this Agreement on account of race, religion, creed, color, national origin, sex, sexual orientation, age, mental or physical handicap, union activity, or veteran status.

Section 6.2
The Union and the Employer agree that when the effects of employment practices, regardless of their intent, discriminate against any group of people on the basis of race, religion, creed, color, age, sex, national origin, or mental or physical handicap, or being a Vietnam Era Veteran, specific positive and aggressive measures must be taken to redress the effects of past discrimination, to eliminate present and future discrimination, and to ensure equal opportunity in the areas of hiring, upgrading, demotion or transfer, recruitment, layoff or termination, rate of compensation and in-service or apprenticeship training programs. Therefore the parties acknowledge the need for positive and aggressive affirmative action.

Section 6.3
The Statewide Labor/Management Committee established pursuant to ARTICLE 26 shall give priority to the area of affirmative action. The Committee shall review affirmative action programs and shall devote its best efforts to alleviating any obstacles that are found to exist to the implementation of the policy and commitments contained in the Governor's Executive Order No. 116 dated May 1, 1975 or as subsequently amended or in Governor's Executive Order #253 (1988) or as subsequently amended.

Section 6.4
The provisions contained in Article 14 and Article 18 shall not be construed to impede the implementation of affirmative action programs developed by department/agencies in accordance with goals set forth in this Article.

Section 6.5
The Employer and the Union acknowledge that sexual harassment is a form of unlawful sex discrimination, and the parties mutually agree that no employee should be subjected to such harassment. The term sexual harassment as used herein is conduct such as unwelcome sexual advances, requests for sexual favors and other verbal or physical conduct of a sexual nature which constitutes sexual harassment when:

A. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;

B. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or

C. Such conduct has the purpose or effect of unreasonably interfering with an
individual's work performance or creating an intimidating, hostile or offensive working environment.

Section 6.6
A grievance alleging a violation of Section 5 of this Article shall be filed initially at Step II of the grievance procedure. Such action must be brought within twenty-one (21) days from the alleged act or occurrence. However, an employee who has filed a complaint alleging sexual harassment under the Commonwealth's Statewide Sexual Harassment Policy may not file a grievance regarding those same allegations under this Section.
ARTICLE 7
WORKWEEK AND WORK SCHEDULES

Section 7.1 Scheduled Hours, Workweek, Workday
A. Except as otherwise specified in this Agreement, the regular hours of work for full-time employees shall be forty (40) hours per week excluding duty free meal periods, as has been established for that job title at the particular job location. Any employee whose regular workweek has averaged more than forty (40) hours excluding meal periods in the past shall have a forty (40) hour workweek.

B. The work schedule, both starting times and quitting times, of employees shall be posted on a bulletin board at each work location or otherwise made available to employees and Union stewards.

C. When the Employer desires to change the shift or day off of an employee, the Employer shall, whenever practicable, give the affected employee ten (10) days written notice.

To the extent practicable, the normal work week shall consist of five (5) consecutive days, Monday through Friday, with the regular hours of work each day to be consecutive except for duty free meal periods. Similarly, to the extent practicable, employees in continuous operations shall receive two (2) consecutive days off in each seven (7) day period. This subsection shall not apply to employees in authorized flexible hours programs.

Section 7.2 Overtime
A. An employee shall be compensated at the rate of time and one-half his/her regular rate of pay for authorized overtime work performed in excess of forty (40) hours per week.

B. An employee whose regular workweek is less than forty (40) hours shall be compensated at his/her regular rate for authorized overtime work performed up to forty (40) hours per week that is in excess of his/her regular workweek.

C. Compensatory time off in lieu of pay for overtime shall not be granted to employees. The Employer shall not, for the purpose of avoiding the payment of overtime, curtail the scheduled hours of an employee during the remainder of a workweek in which the employee has previously worked hours beyond his/her normally scheduled workday. This paragraph shall not apply to employees who, because of the nature of the duties of their positions, work an irregular workday, nor shall it apply to employees who have been permitted by the Employer to participate in an approved voluntary flexible hours program that has been duly authorized by the Appointing Authority and by the Personnel Administrator.

D. With the exception of paid sick leave, all time for which an employee is on full pay status shall be considered time worked for the purpose of calculating overtime compensation. However, paid sick leave used by an employee during the same work week in which he/she is required to work overtime because of an emergency shall be considered time worked for the purpose of calculating overtime compensation for that work week, provided that nothing herein
shall interfere with the Employer’s right to request satisfactory medical evidence under the terms of Article 8, Section 1.

E. Prior to implementing mandatory overtime the Employer may directly contact employees to solicit volunteers from among the group of potentially affected employees and may select from among qualified volunteers.

F. There shall be no duplication or pyramiding of the premium pay for overtime work provided for in this Agreement.

G. The Employer shall make every effort to send out checks for overtime no later than the second payroll period following the payroll period of the overtime worked.

H. Overtime shall be distributed as equitably and impartially as practicable among persons in each work location who ordinarily perform such related work in the normal course of their workweek. Department heads and union representatives at each location shall work out procedures for implementing this policy of distributing overtime work.

I. The provisions of this Section shall not apply to employees on full travel status.

J. If overtime occurs on a shift for which there is a shift differential the time and one-half overtime shall be computed on the basis of the employee’s regular salary plus the shift differential so that the overtime will be paid at the rate of one and one half (1 1/2) times the salary and the shift differential.

Section 7.3 Regular Meal Periods
A meal period shall be scheduled as close to the middle of the shift as possible considering the needs of the Department/Agency and the needs of the employee.

Section 7.4 Rest Periods
A. Employees may be granted a rest period of up to fifteen (15) minutes per work day. However, employees shall continue to enjoy the same rest period benefits which existed for them as of the effective date of this agreement.

B. Employees covered by recently expired contracts entitling them to clean-up time shall continue to enjoy the same clean-up benefits provided for in such contracts.

Section 7.5 Call Back Pay
A. An employee who has left his/her work place of employment after having completed work on his/her regular shift, and who is called back to his/her work place prior to the commencement of his/her scheduled shift shall receive a minimum of four (4) hours pay at his/her regular hourly overtime rate. This Section shall not apply to an employee who is called in to start his/her shift early and who continues to work that shift.

B. An employee who is called back to work as outlined above but is not called back to a work place shall receive a minimum of two (2) hours pay at his/her regular overtime rate. This
shall include situations where an employee fulfills his/her call back assignment through the use of an electronic communication device such as a telephone or “networked” computer.

Section 7.6 Shift Differential
A. Full time Unit 3 employees, in any department/agency of the Commonwealth whose regular workday is on a second or third shift as hereinafter defined will receive a shift differential of seventy-five cents ($ .75) per hour.

Effective July 1, 2001, in addition to any other compensation to which they may be entitled, a premium of seventy-five cents ($ .75) per hour shall be paid to all Unit 3 employees who are regularly scheduled to work on either a Saturday or a Sunday, provided that no employee shall receive said differential for more than one (1) day worked per weekend.

B. For the purpose of this Section only, a second shift shall be one that commences at 1:00 p.m. or after and ends not later than 2:00 a.m. and a third shift shall be one that commences at 9:00 p.m. or after and ends not later than 9:00 a.m.

C. The overtime rate for employees whose regularly scheduled workday is on the second or third shift shall be computed based on the following method: the regular hourly salary rate plus the hourly shift differential times one and one-half equals the overtime rate.

Section 7.7 Continuous Operations
Where a continuous twenty-four (24) hour operation is in existence no employee shall leave his/her workstation until properly relieved. "Properly relieved" shall mean no employee leaves his/her workstation until relieved by another employee of the same classification. When there is no employee in that classification available an employee in a higher classification may be assigned these duties.

Section 7.8 Stand-by Duty
A. An employee who is required by the Department head to be available on a stand-by basis leave to report to duty when necessary shall be reimbursed at a rate not to exceed ten dollars ($10.00) for such stand-by period.

B. The stand-by period shall be fifteen (15) hours in duration for any night stand-by duty, and shall be nine (9) hours in duration for any day stand-by duty.

C. Stand-by duty shall mean that a department head has ordered any employee to be immediately available for duty upon receipt of a message to report to work. If any employee assigned to stand-by duty is not available to report to duty when contacted, no stand-by pay shall be paid to the employee for the period.

D. An employee who is required by the Department head as a condition of employment to be available by electronic pager to report to duty immediately upon being paged shall be reimbursed at a rate not to exceed ten dollars ($10.00) for such stand-by period. Whenever practicable the electronic pager, if provided, shall be given to the Institution Maintenance Foreman if available for such duty or either to the Plumber Foreman or the Electrician Foreman.
ARTICLE 8
LEAVE

Section 8.1 Sick Leave
A. A full-time employee shall accumulate sick leave with pay credits at the following rate for each full calendar month of employment:

<table>
<thead>
<tr>
<th>Scheduled Hours per Week</th>
<th>Sick Leave Accrued</th>

</thead>
<tbody>
<tr>
<td>40.0 hours per week</td>
<td>10.000 hours</td>

</tbody>
</table>

An employee on any leave with pay or industrial accident leave shall accumulate sick leave credits. There shall be no limit to the number of unused sick leave credits which an employee may accumulate.

B. A regular part-time employee shall be granted sick leave credits in the same proportion that his/her part-time service bears to full-time service.

C. Sick leave shall be granted, at the discretion of the Appointing Authority, to an employee only under the following conditions:

1. When an employee cannot perform his/her duties because he/she is incapacitated by personal illness or injury;

2. An employee may use up to a maximum of thirty (30) days per calendar year for the purpose of:
   a. caring for the spouse, child, foster child, step-child, parent, step-parent, brother, sister, grandparent, grandchild, parent or child of spouse, person for whom the employee is legal guardian, or a relative living in the household who is seriously ill; or
   b. parental leave due to the birth or adoption of a child, to be concluded within twelve (12) months of the date of the birth or adoption. Eligible employees utilizing sick leave under this Section shall not be required to submit a medical certification, unless the Appointing Authority has reason to believe that the birth or adoption claim was not genuine. This leave benefit shall be in addition to the ten (10) days of paid leave set forth in Section 8.7.1 below.

3. An employee may use up to a maximum of ten (10) days of accrued sick leave in a calendar year in order to attend to necessary preparations and legal requirements related to the employee’s adoption of a child, except that in no event may an employee charge more than a total of thirty (30) days of accrued sick leave in a calendar year for adoption related purposes.
4. When through exposure to contagious disease, the presence of the employee at his/her work location would jeopardize the health of others.

5. When appointments with licensed medical or dental professionals cannot reasonably be scheduled outside of normal working hours for purposes of medical treatment or diagnosis of an existing medical or dental condition.

6. When an employee is absent due to the excessive use of alcohol or narcotics, becomes and continues to be an active participant in an approved counseling service program.

7. An employee shall be entitled to use up to ten (10) days of accrued sick leave per calendar year for necessary preparations and/or legal proceedings related to foster care of DSS children, such as foster care reviews, court hearings and MAPS training for pre-adoptive parents. HRD may approve a waiver of the ten (10) day limit if needed for difficult placements. In addition, an employee may use the one (1) day per month of paid leave available to employees for volunteer work under the Commonwealth’s School Volunteer or Mentoring programs for the above cited foster care activities.

D. A full-time employee shall not accrue sick leave credit for any month in which he/she was on leave without pay or absent without pay for a total of more than one day.

E. Upon return to work following a sick leave in excess of five (5) consecutive work days, or when the Appointing Authority has reason to suspect that an employee is unfit for duty, an employee may be required to undergo a medical examination by an Employer appointed physician to determine his/her fitness for work. If the examination by the Physician reveals that the employee is fit for duty, the employee will immediately return to duty without loss of wages or leave. If the examination by the Physician reveals that the employee is unfit for duty, the employee's own leave time will run from the time the employee left the work location. The employee, if found unfit for duty and if he/she desires, may then receive an examination by a physician of his/her own choice. The employer will bear the costs of the employee's initial examinations under this paragraph E.

F. Sick leave must be charged against unused sick leave credits in units of one-half hour or full hours, but in no event may the sick leave credits used be less than the actual time off.

G. An employee having no sick leave credits, who is absent due to illness may, at the employee's discretion, be placed on available vacation leave under Article 9. Additionally, the Appointing Authority may grant such employee a leave of absence without pay or an extension of a leave of absence without pay only upon the written request of the employee.
Such written request shall include a detailed statement of the reason for the requested leave and shall be accompanied by substantiating proof of such an illness. No leave of absence granted pursuant to this paragraph shall be for a period longer than three (3) months.

H. An employee who is reinstated or reemployed after an absence of less than three (3) years shall be credited with his/her sick leave credits at the termination of his/her prior employment. An employee who is reinstated or reemployed after a period of three years or more shall receive prior sick leave credits, if approved by the Personnel Administrator, where such absence was caused by:

1. Illness of said employee;
2. Dismissal through no fault or delinquency attributable solely to said employee; or
3. Injury while in the employment of the Commonwealth in the line of duty, and for which said employee would be entitled to receive Workers' Compensation benefits.

I. A regular part-time employee shall not accrue sick leave credit for any month in which he/she was on leave without pay or absent without pay in the same proportion that his/her service bears to one day of service of a full-time employee.

J. Employees requesting sick leave under this Article must notify the designated representative of the Appointing Authority at least one (1) hour before the start of his/her work shift on each day of absence. In single-shift agencies, employees requesting sick leave under this Article must notify the designated representative not later than fifteen (15) minutes after the start of the work day on each day of absence. Repeated violations of these notification procedures may result in the denial of sick leave. Such notice must include the general nature of the disability and the estimated period of time for which the employee will be absent. Where circumstances warrant, the Appointing Authority or designee shall reasonably excuse the employee from such daily notification.

K. 1. Where the Appointing Authority has reason to believe that sick leave is being abused, the Appointing Authority may require satisfactory medical evidence from the employee. This request shall be reduced to writing and shall cite specific reasons for the request. When medical evidence is requested, such request shall be made as promptly as possible. To the extent practicable, the employee shall receive prior notice that the Appointing Authority believes he/she is abusing sick leave and that he/she may be required to produce medical evidence for future use of sick leave.

2. Satisfactory medical evidence shall consist of a signed statement by a licensed Physician, Physician's Assistant, Nurse Practitioner, Chiropractor or Dentist that he/she has personally examined the employee and shall contain the nature of the illness or injury, unless identified as being of a confidential nature; a statement that the employee was unable to perform his or her duties due to the specific
illness or injury on the days in question; and the prognosis for employee's return to work. In cases where the employee is absent due to a family or household illness or injury, as defined in Section 1.C.2 of this Article, satisfactory medical evidence shall consist of a signed statement by medical personnel mentioned above indicating that the person in question has been determined to be seriously ill and needing care on the days in question.

A medical statement provided pursuant to this Article shall be on the letterhead of the attending physician or medical provider as mentioned above, and shall list an address and telephone number. Failure to produce such evidence within seven (7) days of its request may result, at the discretion of the Appointing Authority, in denial of sick leave for the period of absence.

3. Any inappropriate use of sick leave shall be recorded as unauthorized leave without pay and (may) result in discipline.

L. In extraordinary circumstances, where the Appointing Authority, or the designated person in charge if the Appointing Authority is unavailable, has sufficient reason to believe that an employee has a mental or physical incapacity rendering him/her unfit to perform his/her job or which jeopardizes workplace safety or stability, the Appointing Authority or the designated person in charge may authorize the removal of such employee from the workplace. It is understood that the employee might not recognize or acknowledge such unfitness. Notification shall be made to the NAGE Attorney-of-the-Day as soon as possible, by the Appointing Authority or his/her designee when an employee is removed from the workplace in accordance with this paragraph.

The employee shall be required to undergo a medical examination to determine his/her fitness for work. The employee, if he/she so desires, may be represented by a physician of his or her own choice, in which case such verification and cost shall be the responsibility of the employee. However, the Appointing Authority shall reserve the right to obtain a second opinion from a Commonwealth designated physician to determine fitness for work. Such cost shall be borne by the Appointing Authority.

M. No employee shall be entitled to a leave under the provisions of this Article in excess of the accumulated sick leave credits due such employee.

N. Employees whose service with the Commonwealth is terminated shall not be entitled to any compensation in lieu of accumulated sick leave credits. Employees who retire shall be paid twenty percent (20%) of the value of their unused accrued sick leave at the time of their retirement. Upon the death of an employee who dies while in the employ of the Commonwealth, twenty percent (20%) of the value of the unused sick leave which the employee had personally earned and accrued as of the time of death shall be paid in the following order of precedence, as authorized by the Personnel Administrator upon request of the Appointing Authority of the deceased employee:

First: to the surviving beneficiary or beneficiaries, if any, lawfully designated by...
the employee under the state employees' retirement system; and

Second: if there be no such designated beneficiary, to the estate of the deceased.

It is understood that any such payment will not change the employee's pension benefit.

O. Sick leave credits earned by an employee following a return to duty after a leave without pay or absence without pay shall not be applied to such period of time.

P. An employee who while in the performance of his/her duty receives bodily injuries resulting from acts of violence of patients or prisoners in his/her custody, and who as a result of such injury would be entitled to benefits under Chapter 152 of the General Laws, shall, if entitled under Chapter 30, Section 58 of the General Laws, be paid the difference between the weekly cash benefits to which he/she would be entitled under said Chapter 152 and his/her regular salary without such absence being charged against available sick leave credits, even if such absence may be for less than six (6) calendar days duration.

Section 8.2 Paid Personal Leave

Personal leave days for regular part-time employees will be granted on a prorata basis. Employees’ personal leave balances shall be charged for time used on a one-half hour-for-one-half hour basis, e.g. one-half hour charged for one-half hour used, and may be used in conjunction with vacation leave. Charges to personal leave may be allowed in units of not less than one-half hour. An employee who cannot utilize his/her personal leave in the months of November and December, due to the operational needs of the Department/Agency, shall be permitted to carry-over one day of personal leave credit not utilized, to the next calendar year.
B. Nothing in this section shall be construed as giving more than three (3) days personal leave in a given year.

B. Upon evidence satisfactory to the Appointing Authority, an employee shall be granted one (1) day of leave without loss of pay to attend the funeral of the brother, sister, grandparent or grandchild of the employee’s spouse.

Section 8.4 Voting Leave

Section 8.5 Civic Duty Leave
A. Employees summoned for jury duty will be granted a leave of absence with pay for time lost from their regular work schedule while on said jury duty upon presentation of the appropriate summons to the department head by the employee.

B. An employee who receives jury fees for jury service upon presentation of the appropriate court certificate of service, shall either:

1. Retain such jury fees in lieu of pay for the period of jury service if the jury fees exceed his/her regular rate of compensation for the period involved; or

2. Remit to the Appointing Authority the jury fees if less than his/her regular rate of compensation for the period involved.

C. Jury fees for the purpose of this Article shall be the per diem rate paid for jury duty by the court not including the expenses reimbursed for travel, meals, rooms or incidentals.

D. An employee summoned as a witness in court on behalf of the Commonwealth or any town, city or county of the Commonwealth or on behalf of the Federal Government shall be granted court leave with pay upon filing of the appropriate notice of service with his/her department head except that this Section shall not apply to an employee who is also in the employ of any town, city or county of the Commonwealth or in the employ of the Federal Government or any private employer and who is summoned on a matter arising from that employment.

E. All fees for court service except jury fees paid for service rendered during office hours must be paid to the Commonwealth. Any fees paid to an employee for court service performed
during a vacation period may be retained by the employee. The employee shall retain expenses for travel, meals, rooms, etc.

F. An employee on court leave who has been excused by the proper court authority shall report to his/her official duty station if such interruption in court service will permit four or more consecutive hours of employment. Court leave shall not affect any employment rights of the individual.

G. No court leave shall be granted when the employee is the defendant or is engaged in personal litigation.

**Section 8.6 Military Leave**

A. An employee shall be entitled during the time of his/her service in the armed forces of the Commonwealth, under Sections 38, 40, 41, 42, or 60 of Chapter 33 of the General Laws, to receive pay therefor, without loss of his/her ordinary remuneration as an employee.

B. An employee shall be entitled, during his/her annual tour of duty of not exceeding seventeen (17) days as a member of a reserve component of the armed forces of the United States, to receive pay therefor, without loss of his/her ordinary remuneration as an employee under Section 59 of Chapter 33 of the General Laws as amended.

C. An employee who is a member of a reserve component of the armed forces of the United States and who is called for duty other than the annual tour of duty of not exceeding seventeen (17) days shall be subject to the provisions of Chapter 708 of the Acts of 1941 as amended, or of Chapter 805 of the Acts of 1950 as amended, or Chapter 671 of the Acts of 1966, and amendments thereto.

D. In accordance with Chapter 708 of the Acts of 1941, as amended, an employee who, on or after January 1, 1940, shall have tendered his/her resignation or otherwise terminated his/her service for the purpose of serving in the military or naval forces of the United States who does serve or was or shall be rejected for such service shall, except as otherwise provided by Chapter 708 of the Acts of 1941, as amended, be deemed to be or to have been on military leave, and no such person shall be deemed to have resigned from the service of the Commonwealth or to have terminated such service until the expiration of two (2) years from the termination of said military or naval service by him/her.

**Section 8.7.1 Family Leave**

The ten (10) days of paid family leave granted under this section may be used on an intermittent basis over the twelve (12) months following the birth of adoption, except that this leave may not be charged in increments of less than one (1) day. In addition, if the employee has accrued sick leave, vacation leave or personal leave credits available, the employee may use such credits for which he/she may otherwise be eligible under the sick leave, personal leave, or vacation leave provisions of this Agreement.
Section 8.7.2 Family and Medical Leave

A. Family Leave

1. An Appointing Authority shall grant to a full time or part time employee who has completed his/her probationary period, or if there is no such probationary period, has been employed for at least three consecutive months, an unpaid leave of absence for up to twenty-six (26) weeks in conjunction with the birth, adoption or placement of a child as long as the leave concludes within twelve (12) months following the birth or placement.

2. At least thirty (30) days in advance, the employee shall submit to the Appointing Authority a written notice of his/her intent to take such leave and the dates and expected duration of such leave. If thirty (30) days notice is not possible, the employee shall give notice as soon as practicable. The employee shall provide upon request by the Appointing Authority proof of the birth or placement or adoption of a child.

3. If an employee has accrued sick leave, personal leave, compensatory leave, or vacation credits at the commencement of his/her family leave, the employee may use such leave credits for which he/she may be eligible under the sick leave, personal leave or vacation provisions of this Agreement. The Appointing Authority may, in his/her discretion, assign an employee to temporarily backfill for an employee who is on family leave. Such assignment may not be subject to the grievance procedure.

4. At the expiration of the family leave, the employee shall be returned to the same or equivalent position with the same status, pay and length of service credit as of the date of his/her leave. If during the period of the leave, employees in an equivalent position have been laid off through no fault of their own, the employee will be extended the same rights or benefits, if any, extended to employees of equal length of service in the equivalent position in the department.

5. Employees taking an unpaid leave of absence under this provision will accrue sick and vacation leave benefits only for the first eight (8) weeks of such unpaid leave. Notwithstanding any other provision of the Agreement to the contrary, the family leave granted under this Article shall not affect the employee's right to receive any contractual benefits for which he/she was eligible at the time of his/her leave.

6. During the time an employee is on family leave, the employee shall be entitled to group health insurance coverage benefits on the same terms and conditions in effect at the time the leave began, provided the employee continues to pay the required employee share of premium while on leave. If the employee fails to return from leave, the Commonwealth may recover, as provided under FMLA, the cost it incurred in maintaining insurance coverage under its group health plan for the duration of the employee's leave.
B. Medical Leave

1. An Appointing Authority shall grant to any employee who has completed his/her probationary period or, if there is no probationary period, who has been employed at least three (3) consecutive months, an unpaid leave of absence for up to twenty-six (26) weeks to care for a spouse, child or parent who has a serious health condition or for a serious health condition which prevents the employee from being able to perform the functions of his/her position.

2. At least thirty (30) days in advance, the employee shall submit a written notice of his/her intent to take such leave and the dates and expected duration of such leave. If thirty (30) day notice is not possible, the employee shall give notice as soon as practicable. The employee shall provide, upon request by the Appointing Authority, satisfactory medical evidence. Satisfactory medical evidence is defined under Section 1.K.2 of this Article. If the Appointing Authority has reason to doubt the validity of the medical evidence, it may obtain a second opinion at its own expense.

In the event there is a conflict between the second opinion and the original medical opinion, the Appointing Authority and the employee may resolve the conflict by obtaining the opinion of a third medical provider, who is approved jointly by the Appointing Authority and the employee, at the Appointing Authority's expense.

3. Intermittent leave usage and modified work schedules may be granted where a spouse, child or parent has a serious medical condition and is dependent upon the employee for care. Where intermittent or a modified work schedule is medically necessary, the employee and Appointing Authority shall attempt to work out a schedule which meets the employee's needs without unduly disrupting the operations of the workplace.

4. If the employee has accrued sick leave, personal leave, compensatory leave, or vacation leave credits at the commencement of his/her medical leave, that employee may use such leave credits for which he/she may be eligible under the sick leave, personal leave or vacation leave provisions of this Agreement.

5. At the expiration of the medical leave, the employee shall be returned to the same or equivalent position with the same status, pay and length of service credit as of the date of his/her leave. If during the period of the leave, employees in an equivalent position have been laid off through no fault of their own, the Employer will extend the same rights or benefits, if any, extended to employees of equal length of service in the equivalent position in the department.

6. Between periods of unpaid medical leave, where an employee returns to the payroll for a period of less than two (2) weeks, when a holiday falls during that time, no holiday pay or compensatory time shall be granted for such holiday.
7. During the time an employee is on medical leave, the employee shall be entitled to group health insurance coverage benefits on the same terms and conditions in effect at the time the leave began, provided the employee continues to pay the required employee share of premium while on leave. If the employee fails to return from leave, the Commonwealth may recover the cost it incurred in maintaining insurance coverage under its group health plan for the duration of the employee's leave, in compliance with the requirements set forth under the FMLA and regulations thereunder.

Section 8.8 Non-FMLA Family Leave

A. Upon written application to the Appointing Authority, including a statement of any reasons, any employee who has completed his/her probationary period, or if there is no probationary period who has been employed at least three (3) consecutive months who has given at least two (2) weeks prior notice of his/her anticipated date of departure and who has given notice of his/her intention to return, may be granted non-FMLA family leave for a period not exceeding ten (10) weeks. Such leave shall be without pay or benefits for such period. The Appointing Authority may, in his/her discretion, assign an employee to back fill for an employee who is on non-FMLA family leave. Such assignment may not be subject to the grievance procedure.

The purpose for which an employee may submit his/her application for such unpaid leave shall be limited to the need to care for, or to make arrangements for care of grandparent, grandchild, sister or brother living in the same household, or child - whether or not the child (or children) is the natural, adoptive, foster, stepchild or child under legal guardianship of the employee.

B. Ten (10) days of non-FMLA family leave may be taken in not less than one-day increments. However, such leave requires the prior approval of the Appointing Authority or his/her designee.

C. If an employee has accrued sick leave, personal leave, compensatory leave, or vacation leave credits at the commencement of his/her non-FMLA family leave, that employee may use such leave credits for which he/she may be eligible under the sick leave, personal leave, or vacation leave provisions of this Agreement.

D. Between periods of non-FMLA family leave, where an employee returns to the payroll for a period of less than two (2) weeks, when a holiday falls during that time, no holiday pay or compensatory time shall be granted for such holiday.

Section 8.9

For the purposes of ARTICLE 8-LEAVE, ARTICLE 9-VACATIONS, and ARTICLE 10-HOLIDAYS, the term "day" with respect to employees who work an irregular workday or whose regular workday is longer than the normal seven and one-half or eight hour workday shall mean seven and one-half or eight hours, whichever is appropriate, and for the purpose of ARTICLE 9-VACATIONS, the term "week" with respect to such employees shall mean thirty-seven and one-half (37.5) or forty (40) hours, whichever is appropriate.
Section 8.10 Educational Leave
A. Employees may be granted a paid leave of absence in accordance with the policies of the Employer for educational purposes to attend conferences, seminars, briefing sessions or other functions of a similar nature that are intended to improve or upgrade the individual's skill or professional ability. The employee shall not suffer any loss of seniority or benefits as a result of such leave.

Section 8.11 Authorized Leave of Absence Without Pay
The Department/Agency head, or his designee, may grant an employee a leave of absence or an extension of a leave of absence upon written request filed by the employee. The written request shall include a detailed statement of the reason for the requested leave and if the absence is caused by illness, shall be accompanied by substantiating proof of such illness. A copy of the approved written request shall be placed into the employee's personnel file.

No leave of absence for a period longer than three (3) months, except one granted because of illness as evidenced by the certificate of a physician and approved by the Appointing Authority, shall be granted pursuant to this section without the prior approval of the Appointing Authority.

If an employee shall fail to return to his/her position upon completion of the period for which a leave of absence has been granted, the Appointing Authority shall, within fourteen (14) days after the completion of such period, give notice that his/her employment is considered to be terminated.

Section 8.12
A. Where an eligible full-time or part-time employee and his/her eligible spouse are both employees of the Commonwealth they may jointly be granted a total of not more than twenty-six (26) weeks of unpaid leave under this Section to care for the employee’s parent with a serious medical condition; or in conjunction with the birth, adoption or placement of a child as long as the leave(s) conclude(s) within twelve (12) months following the birth or placement. If the leave is requested because of the illness of a child or of the other spouse, each spouse is entitled to twenty-six (26) weeks of unpaid leave. The female employee is entitled to up to eight (8) of those combined twenty-six (26) weeks under M.G.L. c. 149, Section 105D for maternity or adoption purposes.

B. Where an eligible full-time or part-time employee and his/her eligible spouse both use a portion of the total twenty-six (26) weeks FMLA to care for an employee’s parent with a serious medical condition or in conjunction with the birth, adoption or placement of a child as indicated in paragraph A, the spouses would each be entitled to the difference between the amount he/she has taken individually and twenty-six (26) weeks for FMLA leave in order to care for the spouse or child of the employee if such spouse or child has a serious health condition or because of a serious health condition that makes the employee unable to perform the functions of the position of such employee.

C. Pursuant to the Family and Medical Leave Act, 29 U.S.C. 2611 et seq., and accompanying regulations, 29 C.F.R. Part 825, the employer may request medical certification after the leave
commences if the employer later has reason to question the appropriateness of the leave or its duration. Said certification shall be in accordance with Section 1.K.2 of this Article.

Section 8.13 Domestic Violence
An employee may use up to a maximum of fifteen (15) paid days per calendar year for the purpose of arranging for the care of him/herself, his/her spouse or his/her child(ren) or for attending to necessary legal proceedings or activities in instances where the employee, his/her spouse or his/her child(ren) is a victim of domestic abuse and where the employee is not the perpetrator. Said fifteen (15) paid days are in addition to any other paid leave, which the employee may accrue under the provisions of this Agreement.

If the employee has accrued sick leave, personal leave, compensatory leave or vacation leave credits at the completion of his/her domestic violence leave, that employee may use such leave credits for which he/she may be eligible under the sick leave, personal leave or vacation leave provisions of this Agreement.

All service beginning on the first working day in the state agency where rendered, and all service thereafter becomes "creditable service" provided there has not been any break of three years or more in such service as referred to in Section 12 of this Article.

Section 9.3
A full-time employee on leave without pay and/or absent without pay for twenty (20) or more cumulative days in any vacation year shall have his/her vacation leave earned that year reduced by the percent determined by dividing the days without pay by the scheduled work days in the vacation year.

In addition, any such leave or absence without pay for twenty (20) or more cumulative days in any vacation year shall result in the permanent loss of one year of continuous service for the purpose of vacation credit, unless such leave or absence is attributable to one of the following reasons:

- serious illness requiring hospitalization for all or a portion of the period of absence
- industrial accident
- maternity/adoptive leave
- FMLA/Non-FMLA

Adjustments necessary to reflect the higher vacation accrual status shall be credited on the last day of the vacation year.

**Section 9.5**

In addition, any such leave or absence without pay for twenty (20) or more cumulative days in any vacation year shall result in the permanent loss of one year of continuous service for the purpose of vacation credit unless such leave or absence is attributable to one of the following reasons:

- Serious illness requiring hospitalization for all or a portion of the period of absence
- industrial accident
- maternity/adoptive leave
- FMLA/Non-FMLA

**Section 9.8**
The Appointing Authority shall grant vacation leave in the vacation year in which it becomes available, unless in his/her opinion it is impossible or impracticable to do so because of work schedules or emergencies. In cases where the vacation requests by employees in the same title conflict, preference, subject to the operational needs of the Department/Agency, shall be given to employees on the basis of years of employment with the Commonwealth.

Unused vacation leave earned during the previous two (2) vacation years can be carried over on January 1 for use during the following vacation year. Annual earned vacation leave credit not used by December 31 of the second year it was earned will be forfeited.
The department head is charged with the responsibility of seeing that vacation is taken in order that the employee does not lose vacation credits. Each employee shall receive annually, on or before October 1, as of September 1 a preliminary statement of the available vacation credits from the local office. A central office statement shall be forthcoming to each work location by October 31 for dissemination to each employee.

The parties recognize the need to ensure the granting of personal leave, vacation, holiday and compensatory time when it is requested and as it becomes available. Towards this end the department heads and union representatives at each work location shall work out procedures for implementing this policy of granting time off.

Section 9.9

Section 17.4
Class reallocations may be requested by the Union whenever they believe a reallocation is justified by the existence of an inequitable relationship between the positions covered by the reallocation request and other positions covered by this agreement. If the employer agrees that such an inequity exists, the employer and the Union agree to jointly petition the General Court for such class reallocation. If, however, the parties are unable to reach agreement the matter shall not be subject to the grievance procedure.

Section 17.5
The Employer and the Union agree that the procedure provided in Section 17.4 shall be the sole procedure for class reallocations for all classes covered by this Agreement. No other class reallocations shall be granted under any other provisions of this Agreement.
ARTICLE 17A
TECHNOLOGICAL CHANGE

Section 17A.1 Introduction
A. The Commonwealth and the Union recognize that automation and technological change are fast becoming an integral part of work in many of the departments/agencies in the state. Both parties are aware of the enormous impact these changes will have and are having on employees and the way in which they perform work. The Employer and the Union are committed to making this transition to automation in as responsive a way as possible to both the human issues and the provision of services to the public.

The Commonwealth and the Union are committed to the concepts that technology was not intended to replace state employees: that the transition be orderly and comfortable to agencies and employees; that the Union provide input in developing implementation, health and safety guidelines; and that adequate and appropriate training be available to employees to provide for job protection and advancement or retraining.

B. The Employer will notify the Union at least ten (10) working days in advance of any proposed technological change, including the introduction of VDT's in the work place.

C. The Commonwealth and the Union further recognize that automation and technological change are integral components of the way all departments and agencies better meet the challenges of effectuating business practices which ensure that they more effectively and efficiently attain their missions.

The Commonwealth and the Union recognize that the Commonwealth's Human Resources/Compensation Management System (HR/CMS) is the most comprehensive review of business processes regarding payroll, personnel, and other processes ever undertaken by the Commonwealth, replacing such current systems as PMIS and CAPS.

Therefore, the Commonwealth and the Union agree that HR/CMS shall become the cornerstone of the Commonwealth's payroll and personnel system.

To ensure that any of the changes required by HR/CMS are introduced and implemented in the most effective manner, the Union agrees to support the Commonwealth's implementation and accepts such changes to business practices, procedures, and functions as are necessary to achieve such implementation (e.g. the change from a weekly to bi-weekly payroll system). The Commonwealth and the Union will establish a Special Labor-Management Committee made up of an equal number of Union representatives and Management representatives. This committee shall be the sole forum for the parties to discuss any issues of impact to the bargaining unit arising from the implementation of HR/CMS.

Section 17A.2 Joint Committee on Technological Change and Automation
To ensure that the introduction and implementation of technological changes in the workplace occur in the most effective manner, a Joint Committee with equal representation from H.R.D. and the Union be established. The purpose of the Joint Committee will include:
1. To review the impact of technological changes as soon as possible after the development of the implementation plan,

2. To meet and discuss the impact of the implementation plan on such issues as wage and classification changes; career ladder realignment; methods of introduction of new equipment and operating procedures; ergonomic specification; health and safety issues; training and job redesign.

3. To develop and recommend specific training programs and/or procedures regarding use and operation of computer equipment.

4. To review specific problems as they arise.

Section 17A.3 Ergonomic Guidelines
A. The State guidelines on visual display terminals, CRT's and printers, originally issued in 1984 and periodically amended, shall be used as a reference for this Agreement, to be applied where practicable.

B. The Union will be notified in advance of any proposed changes in these guidelines.

Grievances alleging a violation of this section may be grieved through Step III of the grievance procedures of Article 23, Section 2.

Section 17A.4 Classification
The parties agree that where jobs are significantly impacted by the introduction of technology/automation, these jobs will be subject to the appropriate review through the class reallocation appeals process designated in Article 17.4 of this Agreement. Where possible, new job classifications will be included in the bargaining unit.

Section 17A.5 Health and Safety
A subcommittee of the Joint Committee will be established to review and discuss health and safety guidelines.

A. Pregnant employees who work on VDT systems may request temporary reassignment within their job description or a comparable position, and be reassigned within two (2) weeks of notification, for the duration of the pregnancy. Such work assignment shall be determined by the Appointing Authority or his/her designee. This request must be made in writing to the Appointing Authority with verification from the employee's physician. While in such alternative assignments, the employee shall be paid at her regular rate of pay.

B. VDT operators shall not be required to perform continuous duties at the work screen for periods in excess of two (2) hours at a time. For each consecutive two (2) hour period worked at his/her station, the employee shall be entitled to be away from the screen for a continuous period of fifteen (15) minutes. Such period may consist of an alternative job assignment or any break or lunch period otherwise authorized by this Agreement.
C. Agencies will provide safety training on all equipment for all operators. Wherever possible, VDT's will be fitted with proper equipment to prevent possible radiation hazards.

D. Agencies will make every effort to ensure safe equipment through regular monitoring and maintenance of equipment and will provide necessary materials for routine maintenance by operators.

Section 17A.6 Training
The Commonwealth and the Union recognize that the introduction of technological changes will require the need for employees to develop many different or new skills. To ensure that employees are adequately prepared to retain their current positions or to move into newly automated positions, the state is committed to providing training programs in the use of computer equipment as well as generic training for specific programs.

The Statewide Training and Career Ladder Committee will review agency training plans in relation to the introduction of Technological Change, in order to ensure the equitable allocation of training opportunities.

Section 17A.7
The parties specifically agree that all hardware, software, databases, communication networks, peripherals, and all other electronic technology, whether networked or free-standing, is the property of the Commonwealth and is expected to be used only as it has in the past for official Commonwealth business. Use by employees of the Commonwealth’s technological resources constitutes express consent for the Commonwealth and its Department/Agencies to monitor and/or inspect any data, any electronic mail messages, and any web sites that they may access. The Commonwealth retains, and through its Departments/Agencies, may exercise the right to inspect any user’s computer, any data contained in it, and any data sent or received by that computer.

Notwithstanding the above, under no circumstances will the following be considered valid business uses of the Commonwealth’s technology:

- In furtherance of any illegal act, including violation of any criminal or civil laws or regulations, whether state or federal;
- For any political purpose;
- For any commercial purpose;
- To send threatening or harassing messages, whether sexual or otherwise;
- To access or share sexually explicit, obscene, or otherwise inappropriate materials;
- To infringe any intellectual property rights;
- To gain, or attempt to gain unauthorized access to any computer or network;
- For any use that causes interference with or disruption of network users and resources, including propagation of computer viruses or other harmful programs;
- To intercept communications intended for other persons;
- To distribute chain letters; or
- To access online gambling sites.
The parties agree that the foregoing list and policy is not all-inclusive and will meet as needed to make appropriate modifications thereto.

The Department/Agency will disseminate this Section to its employees on an annual basis as part of the employee’s performance evaluation and afford said employees the opportunity to request clarification should it be necessary. The employee shall then sign an acknowledgment that he/she has received, read and understands this Section within ten (10) working days of receipt.
ARTICLE 18
LAYOFF - RECALL PROCEDURE

Section 18.1 Applicability
The provisions of this Article shall apply only to non-civil service employees and shall not apply to the separation from a position by reason of the certification of a civil service list by the Human Resources Division, provided, however, that the employee displaced by the use of the civil service list shall be the least senior person in the title in the work unit to which the civil service appointment or promotion is being made; and further provided that the person displaced shall have bumping rights if any as set forth in this Article.

Section 18.2 Definitions
As used in this Article seniority shall mean service rendered in the Department/Agency.

Section 18.3 Layoff/Notice to Union/Notice to Employee
In the event that Management becomes aware of an impending reduction in workforce it will make every effort to notify the Union at least ten (10) calendar days prior to the layoff. Management will notify the affected employees in writing not less than five (5) working days in advance of the layoff date. Whenever practicable affected employees will have four (4) working days to exercise their bumping rights.

Section 18.4 Displacement-Bumping Procedure
A. In the event there is a reduction in workforce within a department/agency which will result in bumping and layoff, the Human Resources Division will encourage the department/agency to develop a Voluntary Layoff Incentive program for affected employees.

B. An employee whose position is being eliminated shall have the right to exercise his/her seniority by accepting a reassignment within the Department/Agency, to the position of the least senior employee in his/her job title for which the employee is qualified, in the same region or to any other region statewide provided that the affected employee is less senior than the employee whose position is eliminated.

C. Alternatively, an employee whose position is being eliminated may elect to bump to a lower title in his/her job series, or to a title outside of the employee’s job series in the next lower salary grade to the employee’s current salary grade, for which the employee is qualified, within his/her region, provided that there are persons with less seniority in the lower title(s). This option is limited to the least senior employee in the affected title.

D. An employee electing to reassign/bump as set forth above, must upon request provide to the Appointing Authority an updated resume at the time of his/her notification of his/her intention to reassign/bump.

E. For the purpose of this Article the geographic regions shall be defined and agreed to by HRD, the Union President of the Local affected and the appropriate representative of the Department/Agency.
F. Employees who physically work in a particular region will be included in that region for bumping, layoff and recall regardless of the office to which their position is posted.

G. A full time employee whose position has been eliminated has a right to be reassigned to the position of the least senior employee in the appropriate departmental unit, region, Appointing Authority or statewide.

H. If the position of the least senior employee is a part-time position, the full time employee whose position has to be eliminated may elect to:

1. Accept the part time hours;
2. Accept reassignment to the position of the least senior full time employee; or
3. Be laid off

I. The least senior full time employee who is displaced as a result of the operation of Section H.2 above may:

1. Accept reassignment to the position of the least senior part-time employee in the same title provided the part-time employee is less senior;
2. Be laid off; or
3. Exercise bumping rights.

J. A part-time employee whose position is eliminated may accept reassignment to the position of the least senior employee in the appropriate departmental unit, region, Appointing Authority or statewide. The part time employee unwilling or unable to accept the hours of the position of the least senior employee shall be laid off.

K. In all of the aforementioned personnel transactions in this Article, any employee who has been notified that he/she will actually be laid off shall file with his/her Appointing Authority, within four (4) working days of receipt of such notice, a written request to reassign in title, or bump down to displace other positions occupied by employees based upon their seniority and qualifications. As used in this Article, qualifications shall mean objectively demonstrable knowledge, skills, and/or abilities. Appeals of employees denied the opportunity to reassign/bump due to qualifications as defined herein shall be processed in accordance with provisions outlined in the parties’ memorandum of understanding regarding expedited arbitration as set forth in Appendix D.

L. It is agreed that the provisions of this Article do not preclude and employee from requesting and the Appointing Authority from granting, a voluntary layoff regardless of the employee's seniority in the Department. It is understood that this option of voluntary layoff shall include, but is not limited to recall rights, and payment for all accrued vacation time.
Section 18.5 Transfers
A. Within the Department/Agency - the employee who is to be laid off shall have the opportunity to transfer laterally to a fillable, vacant bargaining unit title, within the jurisdiction of his/her present Appointing Authority, for which he/she is qualified.

B. Between Agencies - the employee who is to be laid off may file a request for transfer to any agency in state service. Upon approval of that agency, such employee may be appointed to any vacancy in the bargaining unit in the same grade and title or any similar title for which she/he might meet the necessary qualifications in the same or lower salary range as the position from which he/she was laid-off. Seniority shall be the determining factor in the event one or more such employees are seeking the same position in another state agency.

Section 18.6
A. The Department/Agency shall maintain a regional recall roster from which laid-off employees will be recalled, to positions to be filled, in accordance with their seniority and in accordance with their qualifications to perform the work. As soon as it is administratively feasible, the Commonwealth shall establish and maintain a statewide recall roster.

B. If the title of the employee is abolished as a result of the transfer of the functions to another department/agency, such employee may elect to have his/her name placed on the recall roster or to be transferred, subject to the approval of the Appointing Authority, to a similar position in such department/agency without loss of seniority, retirement, or other rights and in accordance with paragraph "A" above.

C. The Department/Agency shall appoint employees on the recall roster, prior to the appointment of any other applicant, to fillable vacant bargaining unit 3 positions for which the laid off employee is determined qualified by the Employer.

D. A laid off employee will remain on the recall roster for three (3) years except an employee who is offered recall to a position in the same job grade as the position from which he/she was laid off, and refuses such offer shall be removed from the recall list and his/her rights shall terminated at that time.

E. Notwithstanding the above, a laid off employee who fails to respond in writing to a notice of recall within seven (7) calendar days of the receipt of such offer or who upon acceptance of the recall offer fails to report to work on the appointed date, shall forfeit any further recall rights.

F. Notices of the recall sent by the Appointing Authority to a laid off employee and the employee's notice of acceptance, or rejection of said recall shall be sent by certified mail, return receipt requested.

G. Whereas the parties wish to ensure that the least senior employee is terminated first under the procedure for lay off and recall of non-civil service employees specified in Article 18, it is agreed as follows: the Employer shall appoint to a permanent non-civil service vacancy the temporary employee with the most seniority within the job title within the work unit.
Section 18.7
Employees who are separated from employment as the result of the implementation of the layoff/bumping procedures and who are subsequently recalled to employment shall for purposes of determining their salary upon recall under Article 12, be credited with their prior service and shall not upon recall be considered to be "hired, reinstated or re-employed" notwithstanding the provisions of Article 12 to the contrary.

Section 18.8
In computing seniority as defined in this Article any break in service or any time off in excess of thirty (30) days shall be excluded from the total seniority except approved military, maternity, educational and industrial accident leave.

Section 18.9
The parties may, by agreement in writing, alter the implementation of this Article to meet the varying needs of the particular department/agencies.

C. Notwithstanding the provisions of Paragraph B above, an employee may file a grievance challenging any written memorandum which reprimands the employee for prior conduct or omissions and which warns the employee that further transgressions may result in suspension, demotion or discharge. Said memorandum will be found to violate this Agreement only if it is arbitrary, discriminatory or if it contains allegations which are erroneous. Said grievances shall be grievable to Step II.

D. The parties agree that reprimands that have been placed into the personnel record of an employee which are more than two and one-half (2 ½) years from the date of the issuance of the reprimand, provided there has been no subsequent discipline imposed, shall be removed from the personnel record.

E. There shall be only one (1) official personnel file or record maintained by the Employer. Information not included in the official personnel file or record shall not be considered valid information and shall be purged.
ARTICLE 24A
PERFORMANCE EVALUATION

Section 24A.1
The Employee Performance Review System (EPRS) shall permit variations in format between various departments and agencies. There shall be no variation in format within the same Department/Agency for the same job titles. Any format must meet the following criteria (subject to formal promulgation under M.G.L. c. 31, sections 4 and 6A):

A. All employee evaluations shall be in writing and shall be included in the employee's official personnel file. The Union shall be notified should the employee lack English proficiency to understand the evaluation and its process. All EPRS evaluations shall be based on a "Meets" expectations, "Exceeds" expectations, or "Below" expectations standard.

B. Evaluations shall be completed by the employee's immediate state supervisor and be approved by a state supervisor of a higher grade designated by the Appointing Authority (except in cases of potential conflict of interest or other legitimate reasons).

C. A Final Formal EPRS evaluation shall be completed once per year for each member of the Bargaining Unit. Probationary employees shall be evaluated by the mid-point of their probationary period. However, the standard EPRS program shall commence no later than the first July 1st of their employment.

D. Prior to each evaluation period the supervisor shall meet with the employee and shall inform the employee of the general performance dimensions and procedures to be utilized in evaluating the employee's performance.

E. The performance dimensions shall be objective and job-related.

F. At least once during the evaluation period, at or near its mid-point, the supervisor shall meet with the employee to review the employee's progress. The employee shall have two (2) work days to review the evaluation prior to signing it. A remedial development plan shall be formulated jointly if the mid-term review results in a rating of "Below".

G. At or near the end of the evaluation period, the supervisor shall meet with the employee and inform the employee of the results of the evaluation. Following the employee's review, the form shall be submitted to the higher level supervisor for final determination of ratings. The employee shall have two (2) work days to review the evaluation prior to signing and shall be given a copy of the completed form. The employee shall sign the evaluation and indicate whether he/she agrees or disagrees with the content thereof.
Section 24A.2
There shall be established within each agency a Labor/Management Committee, consisting of not more than four (4) representatives of each party, which shall meet at reasonable times to discuss any problems or issues surrounding the Performance Evaluation System.

Section 24A.3
A. Any employee who has received a rating of "Below" will have his/her evaluation reviewed monthly by the Appointing Authority or his/her designee, who shall review all the circumstances of the rating. The Appointing Authority or his/her designee may redetermine the rating after reviewing the circumstances of the initial evaluation. If the Appointing Authority or his/her designee redetermines the rating the employee will receive the increase retroactive to the date of original step increase due, or Article 12 increase, whichever is appropriate. If the Appointing Authority or his/her designee does not redetermine the rating the employee may file, through NAGE within fourteen (14) days with the Human Resources Division, a request for a review of the Appointing Authority's or his/her designee's determination by a tripartite panel consisting of one person designated by NAGE, one person designated by the Personnel Administrator and one person designated by the Chairperson of the Board of Conciliation and Arbitration who shall be assigned on a rotating basis. The standard of review to be applied by the panel shall be solely limited to whether or not the final performance rating of "Below" was justified. The decision of the tripartite shall be final and binding and any employee having a "Below" rating overturned shall be made whole in as prompt a manner as possible. Any costs associated with this process will be borne equally by the parties.

B. The Department/Agency shall develop a remedial plan for an employee receiving any "Below" rating. Employees that may be nearing a "Below" rating shall be counseled by his/her supervisor as soon as possible, in advance of their final stage of the evaluation as to the specific areas that must be improved and what they must do to attain a "Meets" rating.

C. All performance merit ratings shall be based upon the EPRS system as found in this Article of the NAGE Agreement and all payment of salary and/or step increases shall be based upon current language found in Article 12 related to pay for performance.

D. All financial considerations (i.e. merit increases, step rate increases) shall be based on the employees' most recent, final annual evaluation.

Section 24A.4
Nothing in this Agreement shall be construed as limiting in any way any other appeal rights provided by law, except that the appeal procedures provided in this Agreement shall not be available to any employee who elects to appeal his/her evaluation rating under the provisions of M.G.L. c. 31, section 6C.

Section 24A.5
The parties agree to establish a Labor/Management Committee consisting of four (4) representatives selected by NAGE and four (4) representatives selected by HRD. The Committee shall meet bimonthly and shall review and make recommendations concerning the Commonwealth's policies and practices regarding the review and maintenance of Personnel Records. The Committee shall also discuss problems involving the Performance Evaluation
System which are unrelated to the Department/Agency Labor Management Committees established above.

**Section 24A.6**
The parties agree to establish a Labor/Management Committee to review and make recommendations to revise the Performance Evaluation Guidelines/Form. Said Committee shall consist of three (3) representatives selected by the Union and three (3) representatives selected by HRD. The Committee shall convene and shall continue to meet upon request by either party.
ARTICLE 25
LABOR/MANAGEMENT COMMITTEE

Section 25.1
In order to provide a means for continuing communications between the parties and for promoting a climate of constructive employee relations, a Labor/Management Committee shall be established which shall consist of up to four (4) representatives designated by the Employer and up to four (4) representatives designated by the Union.

Section 25.2
The Committee shall meet at least twice each year. Such meeting shall not be for the purpose of discussing pending grievances or for the purpose of conducting negotiations on any subject. The topics discussed shall relate to the general application of the Agreement and to other matters of mutual concern including improvement of the Employer/employee relations and improvement of productivity.

Section 25.3
There shall be a Labor/Management Sub-Committee established within each Department/Agency consisting of six (6) members, three (3) representing the Union and three (3) representing Management. It shall be the responsibility of these Sub-Committees to promote ways and means of improving the "Quality of Work Life" within the workplace. Any procedures or changes in conditions promulgated by the Sub-Committee shall be approved by the State-wide Labor/Management Committee before they become operative.

It is agreed that a priority of the State-wide Labor/Management Committee shall be to discuss the means of implementing a statewide recall under Article 18, for the bargaining unit.

Section 25.4
The parties agree that an incentive for sick leave utilization reduction shall be studied by the State-wide Labor/Management Committee.

Section 25.5
It is agreed that a priority of the Statewide Labor/Management Committee shall be to discuss opportunities the parties may have to work cooperatively in efforts to minimize the impact of proposed or actual reductions in force. The Committee shall jointly develop procedures for an employment referral mechanism and further, shall develop job re-training initiatives to meet the purposes of this Article.
ARTICLE 26
NO STRIKES

Section 27.1
Neither the Union nor any employee shall engage in, induce, support, encourage or condone a strike, work stoppage, slowdown or withholding of services by employees.

Section 27.2
The Union shall exert its best efforts to prevent any violation of Section 1 of this Article, and if such action does occur, to exert its best efforts to terminate it.
ARTICLE 27
SAVING CLAUSE

In the event that any Article, Section or portion of this Agreement is found to be invalid or shall have the effect of loss to the Commonwealth of funds made available through federal law, rule or regulation, then such specific Article, Section or portion shall be amended to the extent necessary to conform with such law, rule or regulation, but the remainder of this Agreement shall continue in full force and effect. Disputes arising under this Article shall be discussed with the Human Resources Division (HRD) and may be submitted by the Union to expedited arbitration.
ARTICLE 28
DURATION

This Agreement shall be for the three-year period from July 1, 2003 to June 30, 2006 and terms contained herein shall become effective upon execution unless otherwise specified. It is expressly understood and agreed that subject to ratification by the NAGE Membership, the predecessor collective bargaining agreement shall be voided and superseded by all aspects of this collective bargaining agreement. Should a successor Agreement not be executed by June 30, 2006 this Agreement shall remain in full force and effect until a successor Agreement is executed or an impasse in negotiations is reached. At the written request of either party, negotiations for a subsequent Agreement will be commenced on or after January 1, 2006.
ARTICLE 29
APPROPRIATION BY THE GENERAL COURT

The cost items contained in this Agreement shall not become effective unless appropriations necessary to fully fund such cost items have been enacted by the General Court in accordance with M.G.L. c.150E, section 7, in which case, the cost items shall be effective on the date provided in the Agreement. The Employer shall make such request of the General Court. If the General Court rejects the request to fund the Agreement, the cost items shall be returned to the parties for further bargaining.
Agreement signed this 14th day of July, 2005.

NATIONAL ASSOCIATION OF GOVERNMENT EMPLOYEES

The Commonwealth of Massachusetts through the Human Resources Division (HRD) and the Union are parties to a Collective Bargaining Agreement which provides for employees covered by the terms and conditions of the Agreement to have their salaries directly transferred electronically. Whereas the Union has expressed concern that not all members would be able to avail themselves of the electronic transfer because of severe hardship, the parties agree as follows:

1. The Commonwealth and the Union agree that all employees will have their net salary checks electronically forwarded to an account or accounts selected by the employee.

2. In the extraordinary event that the Union alleges that an employee cannot comply with the collective bargaining agreement relative to the electronic transfer due to severe hardship such as inability to access a bank or financial institution during off hours or, there is no ATM available within a reasonable geographic distance from an employee’s worksite or home, the Union shall petition the Human Resources Division for a Direct Deposit Special Exemption.

3. The Human Resources Division, in concert with the Office of the State Comptroller shall review the request for the Direct Deposit Special Exemption filed by the Union and will notify the Union of its finding.

4. The parties agree that no other appeal may be commenced by the employee or the Union relative to the Direct Deposit Special Exemption and further, that this Memorandum is not grievable and is inarbitrable.
