(B) If there is any conflict between the provisions of this Contract and any legal obligations or affirmative action requirement imposed on the City by federal or state law, or a court of competent jurisdiction, such legal obligations or affirmative action requirements thus imposed shall be controlling. Should any Article or Section of this Contract be held invalid by operation of law or by any tribunal of competent jurisdiction; or if compliance with or enforcement of any Article or Section should be restrained by such tribunal pending a final determination as to its validity, the remainder of this Contract or the application of such Article or Section to persons or circumstances other than those as to which it has been held invalid or as to which compliance with, or enforcement of, has been restrained, shall not be affected.

It is understood by the parties that nothing in this Contract shall be deemed to conflict with any provisions of the Charter of the City of Columbus, ordinances and resolutions of the Columbus City Council, Civil Service Commission Rules and Regulations, State and Federal laws, and the Constitutions of the State of Ohio and the United States of America. 4.2 MAINTENANCE OF MEMBERSHIP.
Twelve (12) months from the effective date of the Contract and every twelve (12) months thereafter, the authorization for dues deduction is revocable pursuant to the member's request, provided the member gives written notification by Certified Mail to the Labor Relations Manager and the O.L.C. twenty (20) days prior to the effective date of the revocation.

4.3 DUES DEDUCTION.

(A) The City agrees to deduct Union membership dues once each month from the pay of any member requesting same. If a deduction is desired, the member shall sign a payroll deduction form which shall be furnished by the Union and presented to the appropriate payroll clerk within sixty (60) days of the date of signature.

(B) The amount to be deducted shall be certified to each payroll clerk by the Executive Director of the Union. One (1) month advance notice must be given each payroll clerk prior to making any changes in an individual's dues deduction. The City agrees to furnish the Union with a warrant in the aggregate amount of the deduction with a listing of the members for whom deductions were made. Such warrant shall be transmitted to the Union no later than ten (10) days following the end of the pay period in which the deduction is made.

(C) Authorization for payroll deduction is not compulsory and members who voluntarily sign authorization cards do so with full and complete knowledge that what they are doing is only one (1) method of paying their Union dues. The City shall in no way influence or attempt to influence members of the Union in their payment of dues by payroll deduction.

(D) Deductions under Paragraph (A) above shall be made during one (1) pay period each month. In the event a deduction is not made for any member during any particular month, the City, upon verification from the Union, will make the appropriate deduction in the following month.
The internal procedure for dues deduction as specified in Paragraphs (A)-(D) shall be approved by the City Auditor, and the Auditor reserves the right to determine the authenticity of any dues deduction authorized herein.

The Union hereby agrees that it will indemnify and hold the City harmless from any and all suits, claims, actions, orders, judgments, or proceedings commenced or issued against the City arising out of any action taken or not taken by the City pursuant to this Article.

Any employee who is not an O.L.C. member shall be represented in the same manner as a member.

4.5 **BALLOT BOXES.**
The O.L.C. shall be permitted, with prior notification to the Chief of Police, to place ballot boxes at each of the three (3) union-member work sites for the purpose of collecting members' ballots on all O.L.C. issues subjected to ballot, except ballots regarding job action. Such boxes shall be the property of the O.L.C. and neither the ballot boxes nor the ballots shall be subjected to the City's review.

4.6 **BARGAINING UNIT MEETINGS.**
The O.L.C. shall be permitted, upon prior approval of the Chief or appropriate Subdivision Deputy Chief, which approval shall not be unreasonably withheld, to hold meetings for the O.L.C. members in the bargaining unit or for all bargaining unit members at Police Headquarters or other City building, room, or facility. The request for approval shall be in writing; shall be delivered to the Chief at least forty-eight (48) hours prior to the time of the meeting; and shall state the date, time, and requested location of the meeting. The City agrees to hold the requested location open for use by the O.L.C. on the date and at the time specified in the O.L.C.'s request. However, if it is not practicable for the City to provide the requested location to the O.L.C., the City will so notify the O.L.C. and make every effort to provide for an alternate meeting location in another City occupied building, room or facility. City employees will not be paid for attending meetings of an internal union nature.

4.7 **SOLICITATION OF MEMBERSHIP.**

Further, the City agrees not to interfere with the desire of any member of the bargaining unit to become, not become and/or remain a member of the O.L.C.

**ARTICLE 6 - MANAGEMENT RIGHTS**

6.1 **PREAMBLE.**
Nothing contained in this Contract shall alter the authority conferred by the Charter of the City of Columbus, ordinances and resolutions of the Columbus City Council, Civil Service Commission Rules and Regulations, State and Federal laws, and Constitutions of the State of Ohio and the United States of America upon any City official or to in any way abridge or reduce such authority.

This Article is designed to address the procedures used for internal investigations of members. Internal investigations shall be conducted by the chain of command, Equal Employment Opportunity Office (EEO) and/or by personnel assigned to the Internal Affairs Bureau. The term "investigator" refers to that individual(s) conducting the investigation. The term O.L.C. Representative refers to an O.L.C. Officer, Grievance Chairman, Grievance Liaison Representative, or O.L.C.-designated attorney.

7.2 RIGHT TO REPRESENTATION.

(A) Internal Affairs Bureau and EEO Investigations. When a member is notified to report to the Internal Affairs Bureau, or the EEO, and is the focus of the investigation, the member shall be provided an opportunity to contact an O.L.C. Representative. If requested by the member, an O.L.C. Representative shall be allowed to accompany the member during all interview sessions.

(B) Chain of Command Investigations. At the time any member is interviewed or interrogated within the chain of command of the Division of Police and the investigator reasonably believes that either departmental or criminal charges could result against that member, that member shall be provided an opportunity to contact an O.L.C. Representative. If requested by the member, an O.L.C. Representative shall be allowed to accompany the member during all interview sessions.

(C) Objections. On record at the end of the interview, the O.L.C. Representative shall have the right to object to inappropriate lines of questioning and/or to raise any contractual violations. The investigator may also allow the O.L.C. Representative to briefly make such objection
on or off the record during the course of the interview, provided that the interview is not thereby unduly disrupted.

7.3 DISCLOSURE.

(A) When a member is to be interviewed as a witness in an investigation of any other member, the member being interviewed shall be fairly apprised prior to the beginning of questioning of the circumstances giving rise to the interview.

(B) If during the interview of the witness, the investigator has reason to believe that the member being interviewed has become a focus of the investigation or has provided information which would cause the member to become a focus of another investigation for which it would be reasonable for the investigator to believe that either departmental or criminal charges may result, the investigator shall immediately notify the member of such belief and inform the member of his/her rights under this Article.

7.4 SUPERVISORY ACTION.

When, in the course of his/her duties, any supervisor witnesses an act for which he/she reasonably believes that departmental or criminal charges may result and, if physical evidence is present and the collection of that physical evidence is necessary to substantiate such charges, the supervisor may immediately collect that physical evidence.

Prior to any questioning concerning an act as addressed in this Section, which was witnessed by a supervisor, the member shall be informed of his/her rights under this Article. If an O.L.C. Representative is requested by the member, the supervisor need not wait more than one (1) hour for the arrival of the O.L.C. Representative.

7.5 INVESTIGATION QUESTIONING.

Members shall be informed of the allegations or basic facts of the incident prior to any questioning by an investigator and the member shall be informed, to the extent known at that time, whether the investigation is focused on the member for potential charges, either departmental or criminal. The member being investigated shall be given a copy and the member who is a witness shall be shown a copy of any citizen complaint or written summary of the basic facts of the incident of any non-citizen complaint prior to any questioning of the member being investigated. When the investigator reasonably believes that either departmental or criminal charges may result from a non-citizen complaint, the summary of the allegations or basic facts shall be in writing except when the investigator witnesses the violation.
A member will only be asked questions which relate to the allegations or basic facts of the incident unless, during questioning, other information is developed which could lead to additional allegations against the member. In such an event, the member will again be advised by the investigator of the potential for either departmental or criminal charges. When a member requests it, the member shall be given a brief period of time, prior to any questioning, to locate and review any written documents the member possesses regarding the event(s) being investigated, so the member may fully prepare to accurately and completely respond to the questioning. An investigator may accompany the member during the member's brief search for and review of such documents.

7.6 LEGAL RIGHTS.
A member who is to be questioned as a suspect in an investigation that may lead to criminal charges against the member shall be advised of his/her constitutional rights in accordance with the law.

7.7 CONDUCT OF INTERVIEW.
Any interrogating, questioning, or interviewing of a member will be conducted insofar as practical at hours reasonably related to the member's shift, preferably during the member's working hours. Interrogation sessions shall be for reasonable periods of time and time shall be allowed during such questioning for attendance to physical necessities. If at anytime during the interview the investigator believes that the filing of criminal charges against the member may result, the member shall be so informed and have the right, if requested, to consult with his/her O.L.C. Representative prior to any further questioning.

7.8 RECORD OF INTERVIEWS.
All interrogations and/or interviews (including polygraph interviews) of members conducted in conjunction with an Internal Affairs Bureau or EEO investigation shall be tape recorded by the Division of Police at the request of either party; and in the case of chain of command investigations, at the request of either party when the investigator reasonably believes that departmental or criminal charges may result. Subsequent to the interview, the member and/or his/her representative will be afforded the opportunity, upon written request directly to the Chief or his/her designee, to listen to, copy (at the member's expense) and make personal notes from or verify the accuracy of a tape made of his/her interview. If a transcript of the tape is made by the Division of Police, the member will be provided a copy of such transcript upon written request directly to the Chief or the Chief's designee.

7.9 INSUBORDINATION.
If a member has been advised that the investigation may result in criminal charges, his/her refusal to answer questions or to participate in the investigation shall not be considered insubordination or a like offense. In all other circumstances, before a member may be charged with insubordination or a like offense for refusing to answer
questions or participate in an investigation, the member shall be advised that such
count, if continued, may be made the basis for such a charge.

7.10 ADMISSIBILITY OF EVIDENCE.
Any evidence obtained in the course of an investigation through the use of
administrative pressures, threats, coercion, or promises shall not be admissible in any
subsequent criminal action or Departmental hearing. However, explaining to a member
that potential corrective action could result if he/she continues to refuse to answer
questions or participate in an investigation shall not be construed as administrative
pressures, threats, coercion or promises.

7.11 POLYGRAPH EXAMINATION.
Polygraph examinations shall be administered by the Polygraph Section of the Division
of Police unless the Chief of Police decides to have the polygraph administered by
another agency. Members may be given a polygraph examination only if they are the
primary focus of an investigation, known witness to an incident, or at the member’s
written request directly to the Chief of Police and the member’s O.L.C.
Grievance-Liaison Chairman or designee. No polygraph examination shall be given in
an incident that could not amount to a violation of law, unless requested by the member.
No polygraph examination shall be given without the advance written approval of the
Chief of Police. The results of this examination cannot be used in any subsequent
criminal action unless properly stipulated prior to the giving of such examination in
accordance with the laws of the State of Ohio. Further, the results of this examination
cannot be used in any subsequent Departmental action unless the City can produce
additional evidence to corroborate the allegations.

7.12 COMPLAINTS.
When an anonymous complaint is made against a member and no corroborative
evidence is obtained, the complaint shall be classified as unfounded and the accused
member shall not be required to submit a written report. Also, when any citizen
complaint is filed greater than sixty (60) calendar days after the date of the alleged
event complained of, and where the complaint, if true, could not lead to a criminal
charge, or does not allege critical misconduct which is supported by corroborative
evidence, such complaint shall be classified as unfounded and the accused member
shall not be required to submit a written report, but he/she shall be notified orally or in
writing of such claim.

7.13 ACCESS OF RECORD.
A member who is charged with violating Division of Police Rules of Conduct and the
member’s O.L.C. Representative, when one is involved, shall be provided access to the
City’s transcripts, records, written statements, video tapes and written summaries
(including opinions, if provided) of any polygraph examinations pertinent to the case.
The member who is charged may request and receive, at no cost, a copy of the
documentation to which the charged member was provided access. Such access, and
copies if requested in a timely manner, shall be provided reasonably in advance of said hearing. The Division of Police shall be provided access, reasonably in advance of the Departmental hearing, to the member's or the member's O.L.C. Representative's transcripts, records, written statements, video tapes, and written summaries (including opinions, if provided) of any polygraph examinations pertinent to the case.

7.14 INVESTIGATION OUTCOME.
Any member who has been under investigation and has been interviewed may, not less than twenty-eight (28) days after the interview, forward a written inquiry to the responsible Deputy Chief as to the status of the investigation. In response to the member's inquiry, the member shall be advised of the status of the investigation and, if known, the estimated time necessary to complete the investigation. At the conclusion of the investigation, the member shall be informed in writing of the outcome of the case.

7.15 VIOLATION.
If any of these procedures set forth within this Article are violated, such violations shall be subject to the Grievance Procedure.

(A) A grievance resulting from an Internal Affairs Bureau or EEO investigation shall begin at Step 3.

(B) A grievance resulting from a chain of command investigation shall begin at Step 1.

7.16 EXTERNAL INVESTIGATION PROCEDURES.

(A) When any City entity outside of the Department of Public Safety initiates an investigation of a member and the Department orders the member to participate in such investigation, the member shall have all rights which would otherwise apply to an investigation conducted by the Internal Affairs Bureau.

(B) When any non-city entity initiates an investigation of a member, the Division may order the member to appear before the investigating entity. Should such an order be issued, the member shall be provided a reasonable opportunity to meet with an O.L.C. Representative prior to complying with the order.
ARTICLE 8 - CORRECTIVE/DISCIPLINARY ACTION AND RECORDS

8.1 ENFORCEMENT.
Members shall comply with all City, departmental, and divisional work rules, policies, and directives as well as all Federal, State and local laws.

8.2 CORRECTIVE/DISCIPLINARY ACTION FOR CAUSE.
No bargaining unit member shall be removed, reduced in pay or position, suspended, given documented constructive counseling or a written reprimand, or suffer any career disadvantage except for just cause.

8.3 POSITIVE CORRECTIVE ACTION.
In those incidents where supervisors believe that positive corrective action would correct performance problems, the City encourages the use of positive corrective action by its supervisors. Positive corrective action encourages a willing modification of performance. Positive corrective action means those actions taken to correct a member’s performance or behavior where the action taken, in and of itself, does not have a negative impact on the member. Examples of positive corrective action include non-documented oral counseling, retraining, mandatory professional assistance/evaluation, and referral to the Employee Assistance Program.

8.4 PROGRESSIVE ACTION.
For charges other than insubordination and EEO violations, the principles of progressive corrective action shall be followed for conduct not in violation of law. However, the charge of insubordination will only be used when no other charge is applicable to that conduct. The progression shall at least include documented constructive counseling before a written reprimand, a written reprimand before a suspension, and a suspension before a dismissal for the same or related offenses. If the offenses are of a critical nature, the Labor Relations Manager or designee may determine that a different sequence is required. In reaching a penalty determination, the nature and severity of the misconduct and the member's work record shall be taken into consideration.

8.5 ACTIONS OF RECORD.
When an investigation concerning a member occurs wherein corrective/disciplinary action of record may result, the member, at the conclusion of the investigation, shall be immediately notified of the result.
8.6 **DEPARTMENTAL HEARINGS.**
All departmental hearings shall be held before the City's Labor Relations Manager or designee. Prior to any departmental hearing before the Labor Relations Manager or designee, the charged member shall receive from the Chief of Police a written statement of all charges and specifications. At the Labor Relations Manager's or designee's hearing, the charged member shall be allowed to be represented by an attorney and will be allowed to call witnesses material to his/her defense.

(A) A member who is charged, or his/her representative, may make a written request for a continuance. Such request shall be granted where practicable at the discretion of the Labor Relations Manager or designee. The length of such continuance shall be mutually agreed upon by the parties.

(B) The City shall make all good faith efforts to notify the affected member of any charges or of any decisions reached as a result of the Labor Relations Manager's or designee's hearing prior to any public statement. The Labor Relations Manager or designee shall withhold any public statement for seventy-two (72) hours from the time of a decision or from the conclusion of any authorized leave which may have been granted to the affected member unless earlier notification directly to the member is confirmed. Hearings shall be held in the Labor Relations hearing room unless an alternative site is mutually agreed upon by the parties.

8.7 **USE OF RECORDS.**
All Division records of corrective/disciplinary actions shall be maintained in the following manner:

(A) When a supervisor determines that corrective/disciplinary action is necessary, the supervisor shall follow the principles of progressive corrective/disciplinary action as outlined in Section 8.4 of this Article. A documented constructive counseling shall not be relied upon for any administrative purpose after nine (9) months, so long as there is no subsequent corrective/disciplinary action during the nine (9) month period. If there is subsequent corrective/disciplinary action, the time period shall be extended.

(B) Actions of record shall be maintained in each member's Division master personnel file throughout his/her employment, with the exception that, at the member's written request to the Chief of Police and after three (3) years from the date of the action, fleet safety records and written reprimands shall have no further force and effect provided no further action of record has occurred. Written reprimands and safety records shall remain a part of the member's Division master personnel file and
maintained by the Division of Police until these materials can be legally destroyed in accordance with all applicable federal, state, and local laws.

(C) Actions of record (except for Fleet Safety Records and written reprimands) shall be maintained in each member’s Division Master Personnel File throughout his/her employment. However, a member may, in writing, through his/her chain of command, request to the Chief of Police that such action of record have no further force or effect, provided no further action of record of the same or similar nature has occurred within four (4) years after the date of the incident which gave rise to the action. The Chief of Police shall grant such a request (and so note on the record of action) unless the incident was of a serious nature, as determined by the Chief.

(D) In any case in which a documented constructive counseling, reprimand, suspension, or dismissal is overturned, the personnel record shall clearly indicate the same. In addition, unfounded or not sustained allegations or complaints of misconduct made against a member and appearing in Internal Affairs Bureau files shall not be considered in future corrective actions or future promotion consideration.

8.8 REVIEW OF PERSONNEL FILES.
Every member shall be allowed to review any of his/her personnel files except "confidential law enforcement records" and "trial preparation records" as defined in Ohio Revised Code §149.43 at any reasonable time upon written request. Such request shall be made to the supervisor directly responsible for maintenance of such files and review of the files shall be made in the presence of such supervisor or his/her designated representative. For the Division master personnel file, the request shall be made to the member’s Subdivision Deputy Chief or his/her designated representative. Any member may copy documents in his/her file. The City may levy a charge for such copying, which charge shall bear a reasonable relationship to actual costs.

8.9 INACCURATE DOCUMENTS.
Should any member have reason to believe that there are inaccuracies in documents contained in the member’s Division master personnel file, he/she may write a memorandum to the Deputy Chief of the Administrative Subdivision explaining the alleged inaccuracy. If the Deputy Chief concurs with the member’s contention, the Deputy Chief shall so note on the face of the inaccurate document. If the Deputy Chief disagrees with the member’s contention he/she shall attach the member’s memorandum to the document in the file and note thereon his/her disagreement with the memorandum's contents.
8.10 PERFORMANCE EVALUATIONS.
A member’s signature on any inspection card or performance evaluation, if any, shall be viewed by the parties hereto only as a representation that he/she has read it. It shall not be viewed as a representation that a member has concurred in any or all of the contents or comments thereon. The performance evaluation will be used to provide feedback to members to improve performance, guide their professional development, and for promotional opportunities, if applicable. The original of the completed performance evaluation will be maintained in the member’s personnel file.

ARTICLE 9 - GRIEVANCE PROCEDURE

9.1 DEFINITION.
A grievance shall mean a complaint against the City arising under and during the term of this Contract by a member or the Union that there has been a violation, misinterpretation or misapplication of the specific terms of this Contract.

9.2 QUALIFICATION.
A grievance may be initiated by an aggrieved member or the O.L.C. When a group of members desires to file a grievance involving a situation affecting each member in the same manner, one member selected by such group shall process the grievance as the designated group representative.

9.3 JURISDICTION.
Nothing in this Grievance Procedure shall deny members any rights available at law to achieve redress of their legal rights, including the right to appeal to another forum, including the Civil Service Commission. However, once a member elects any other forum as his/her remedy and that forum takes jurisdiction over the subject matter, he/she is thereafter denied the remedy of the Grievance Procedure provided herein.

9.4 ESTABLISHMENT OF A GRIEVANCE-LIAISON REPRESENTATIVE.
The O.L.C. shall designate not more than one (1) Grievance-Liaison Chairman who may delegate his/her work to a Grievance-Liaison Representative.

9.5 O.L.C. OFFICIAL REPRESENTATION.

(A) The O.L.C.’s duly constituted Grievance-Liaison Chairman or his/her designee, subject to providing notice to his/her supervisor at the earliest possible time prior to leaving the worksite, shall have the right and duty as to members in the bargaining unit to:

(1) Represent said members in conference with representatives of the City when requested by said members.
(2) Represent said members when requested by such members in the Grievance Procedure set out in this Article 9.

(B) The O.L.C. Representative is required to complete an official Union request for leave form to be provided by the Labor Relations Manager detailing: day, time, reason and location of Union matters to maintain a record of the time spent on Union matters. This official request for leave form shall be given to the O.L.C. Representative’s immediate supervisor for a matter of record. No Union matter of an internal union organizational nature shall be conducted during duty hours or overtime work, excepting only such matters as may involve extreme emergencies affecting the health or safety of a member. The O.L.C. Representative shall notify his/her supervisor prior to contacting any member on City time.

9.6 GRIEVANCE PROCEDURE.
The following are the implementation steps and procedures for handling grievances:

(A) Preliminary Step. A member shall first attempt to resolve individual grievances informally with his/her immediate supervisor. Such attempt at informal resolution shall be made by the member-grievant within ten (10) days following the events or circumstances giving rise to the grievance or when they reasonably should have been first known by the member-grievant. Grievances brought to the attention of the supervisor beyond the time limit shall not be considered. At this Step, there is no requirement that the grievance be submitted, or responded to, in writing; however, the Grievance-Liaison Representative may accompany the grievant, should the latter request his/her attendance. If the member is not satisfied with the oral response from his/her immediate supervisor at this Step, he/she may pursue the formal steps which follow. Before a grievance is placed in writing pursuant to Step One, such grievance shall be screened by the Grievance-Liaison Chairman or his/her designee.

(B) Step One - Immediate Supervisor.

(1) When a supervisor's oral response in the Preliminary Step is unsatisfactory, the member may then submit said grievance in writing to the supervisor on a Grievance Form. Such Form must be submitted to the supervisor within ten (10) days following the oral response from the Preliminary Step. The supervisor shall date the Form when he/she receives it. Grievances submitted beyond the time limit shall not be considered.
(2) Within ten (10) days of his/her receipt of the written grievance, the immediate supervisor shall affix his/her written response to the Form, date and sign his/her response, and return all but one copy to the grievant. If the aggrieved member does not refer his/her grievance to the Second Step of the Procedure, the grievance shall be considered to be satisfactorily resolved.

(C) Step Two - Chief of Police or Designee.

(1) If the member is not satisfied with the answer in Step One, he/she may, within ten (10) days of receiving the same, appeal the grievance to Step Two by delivering a copy of the Grievance Form, the written response at the prior Step, and the grievant’s reasons why the responses at the previous Step were not sufficient to resolve the grievance, to the Chief of Police or designee, with copies of the grievance forwarded to his/her immediate chain of command. The Chief of Police or designee shall date the Form, showing his/her office’s date of receipt.

(2) Within ten (10) days of his/her receipt of the Grievance Form, the Chief of Police or designee shall schedule and conduct a meeting to discuss the grievance with the Grievant and the Grievance-Liaison Chairman or his/her designee.

(3) At the conclusion of this oral discussion, and within the above time limit, the Chief of Police or designee shall affix his/her written response to the Form, date and sign his/her response, and return all but one copy of it to the member-grievant. If the aggrieved member does not refer this grievance to Step Three of this Procedure, the grievance shall be considered to be satisfactorily resolved.

(D) Step Three - Labor Relations Manager or Designee.

(1) If the member is not satisfied with the answer in Step Two, he/she may within ten (10) days of receiving the same, appeal the grievance to Step Three by delivering or having delivered a copy of the Grievance Form, containing the written responses at the prior Steps, and the grievant’s reasons why the responses at the previous Steps were not sufficient to resolve the grievance and any other pertinent documents, to the office of the Labor Relations Manager or designee. The Labor Relations Manager or designee shall date the Form, showing his/her office's date of receipt.
(2) Within fourteen (14) days of his/her receipt of the Grievance Form, the Labor Relations Manager or designee shall investigate the grievance and shall schedule and conduct a meeting to discuss the grievance with the grievant. The grievant may bring the Grievance-Liaison Representative with him to the meeting.

(3) In the meeting called for at this Step, the Labor Relations Manager or designee shall hear a full explanation of the grievance and the material facts relating thereto.

(4) Within ten (10) days of the meeting in this Step, the Labor Relations Manager or designee shall submit to the Grievance-Liaison Representative his/her written response to the grievance.

(E) Step Four - Arbitration.

(1) Arbitration Notification. If a member, after receiving the written answer to his/her grievance at Step Three of the Grievance Procedure, still feels that the grievance has not been resolved to his/her satisfaction, he/she may request that the O.L.C. initiate arbitration. Should the O.L.C. approve the request, the O.L.C. shall notify the Labor Relations Manager or designee of the O.L.C.'s intention to proceed to arbitration within twenty-one (21) days of the Grievance-Liaison Representative's receipt of the written answer from the Labor Relations Manager or designee at Step Three.

(2) Selection of Arbitrator.

(a) The parties will maintain a permanent panel of six (6) arbitrators. An arbitrator shall be selected from the panel to hear grievances through random drawing. Within seven (7) calendar days after the Labor Relations Manager or designee receives the notification of the O.L.C.'s intention to proceed to arbitration, the parties' representatives shall meet to select the arbitrator. Once selected, the arbitrator's name will no longer be available for selection until all remaining arbitrators on the panel have been selected.

(b) The arbitrator shall be notified of his/her selection to hear a grievance by a joint letter from the Labor Relations Manager or designee and the O.L.C., requesting that he/she set a date and time for the hearing subject to the availability of the City and O.L.C. representatives, provided that the hearing must be held within sixty (60) calendar days following the
selection of the arbitrator. If the selected arbitrator is unable to schedule the hearing within the sixty (60) day period, either the City or the O.L.C. may initiate the process to select another arbitrator from the panel through random drawing.

(c) After all arbitrators on the panel have been selected once, the above process of selection using random drawing will be repeated.

(3) **Authority of Arbitrator.** The arbitrator's role shall be to determine whether a violation of this Contract has occurred. In fulfilling that role, the arbitrator shall not add to, subtract from, change or modify any of the terms of this Contract. In discipline cases the arbitrator's role shall be limited to determining whether the member committed the act or omission for which the member was disciplined; if the arbitrator finds that the member committed the act or omission, the disciplinary penalty imposed by the Labor Relations Manager or designee shall not be changed. The arbitrator shall consider and decide only the question of whether there has been a violation, misinterpretation, or misapplication of the specific provisions of this Contract based on the specific issue submitted to the arbitrator by the parties in writing. If no joint written stipulation of the issue is agreed to by the O.L.C. and the City, the arbitrator shall be empowered to determine and decide the issue raised by the grievance as submitted in writing at the First Step. The arbitrator shall be without power to make recommendations contrary to or inconsistent with any applicable laws or rules and regulations of administrative bodies that have the force and effect of law. The arbitrator shall not in any way limit or interfere with the powers, duties and responsibilities of the City under law and applicable court decisions. The decision of the arbitrator, if made in accordance with the jurisdiction and authority granted to the arbitrator pursuant to this Contract, will be accepted as final by the City, O.L.C. and the member(s), and all parties will abide by it.

(4) **Transcripts.** A transcript shall be taken in any arbitration hearing involving a discharge.

(5) **Arbitrator's Findings.** The arbitrator shall include specific findings of fact in his/her award and if a contract violation is found, he/she shall state the specific contract article(s) and section(s) that have been violated, the facts relied upon to find such a violation and the law, if any, relied upon to reach his/her decision.
Arbitration Expenses. The cost of the arbitration hearing, including the arbitrator's fee and expenses, the cost of the transcript, and the cost of the facility at which the hearing is held, shall be borne entirely by the losing party. Upon a separate motion by either party, the arbitrator will determine the proportion of expenses to be paid by each party.

Arbitration Panel. The parties agree to use the services of arbitrators selected for the panel provided for in Section 12.6 of the collective bargaining contract between the City and the Fraternal Order of Police, Capital City Lodge #9.

9.7 TIME OFF FOR PRESENTING GRIEVANCES.
A member and his/her Grievance-Liaison Representative shall be allowed time off from regular duties with pay for attendance at scheduled meetings under the Grievance Procedure with prior approval of their respective supervisors. The Grievance-Liaison Representative or grievant must obtain prior approval from the grievant's immediate supervisor before conducting meetings with the grievant while the grievant is on duty. Such approval by the supervisor shall not be unreasonably withheld. The meetings between a grievant and his/her Grievance-Liaison Representative shall be held at a police facility or the Union Office. The Grievance-Liaison Representative shall be allowed adequate time, as approved by the supervisor, off the job with pay to conduct a proper investigation of each grievance. Such approval will not be unreasonably withheld and the withholding of such approval shall result in an automatic, equivalent extension of time limits within which a grievant must appeal his/her grievance or have it heard.

9.8 ACCESS TO DOCUMENTS AND OTHER MATERIALS.
All documents and other materials upon which the City relies as the basis for the action taken which gave rise to the grievance shall, upon request, be furnished to the Grievance-Liaison Representative. The O.L.C. will, upon request, furnish to the City all documents and other materials upon which it relies as the basis for its position on the grievance.

9.9 GRIEVANCE-LIAISON REPRESENTATIVE.
Grievants and the Grievance-Liaison Representative shall not receive overtime pay to engage in grievance activities provided for herein. The O.L.C. shall notify the Chief of Police and the Labor Relations Manager or designee, in writing, of the name of the Grievance-Liaison Representative immediately following his/her appointment.

9.10 TIME LIMITS.
It is the City's and the O.L.C.'s intention that all time limits in the above Grievance Procedure shall be met. The parties' designated representatives may mutually agree, at any Step, to shorten time extensions, but any such extension must be in writing and signed by the parties. In the absence of such mutual extensions, at any Step where a
response is not forthcoming within the specified time limits, the grievance shall automatically be taken to the next step of the procedure. Any Step in the Grievance Procedure may be waived on any grievance by mutual written consent signed by both parties. A grievance may be processed through the chain of command whose actions gave rise to the grievance if different from that of the grievant.

9.11 REPRESENTATIVES IN MEETINGS.
In each step of the Grievance Procedure outlined in Section 9.6, certain specific representatives shall be given approval to attend the meetings therein prescribed. Either party may bring additional representatives that are necessary to any meeting in the Grievance Procedure.

9.12 GRIEVANCE FORMS.
The Labor Relations Manager or designee and the O.L.C. shall jointly develop a Grievance Form. Such Forms will be supplied by the O.L.C. The Form is to be prepared in triplicate. Copies of the completed Form, including the action taken, will be distributed as provided in Section 9.6. The jointly-developed Grievance Form will be made available to the Grievance-Liaison Representative.

9.13 NON-DISCRIMINATION.
No member or official of the Union shall be removed, disciplined, harassed, or discriminated against because he/she has filed or pursued a grievance under this Article.

ARTICLE 10 - LABOR RELATIONS MEETINGS

10.1 MEETINGS.
To facilitate communication, the City and the O.L.C. agree that the O.L.C. Grievance Chairman and the Administrative Deputy Chief of Police shall meet quarterly for the purpose of discussing matters of mutual concern, if necessary. The City's Labor Relations Manager shall serve as moderator/facilitator of such meetings. Additional meetings may be held upon mutual agreement.

10.2 ADDITIONAL PARTICIPATION.
Upon mutual agreement, additional interested parties may become participants in any meeting held under Section 10.1 above.
ARTICLE 11 - WORK RULES AND DIVISION DIRECTIVES

11.1 RULES AND DIRECTIVES.
The City agrees that, to the extent possible, work rules shall be reduced to writing and provided to all members in advance of their enforcement. Any charge by a member that a work rule or Division directive is in violation of this Contract, or has not been applied or interpreted uniformly to all members, shall be a proper subject for a grievance. The City shall provide the O.L.C. with copies of any revised or new work rules and Division directives in advance of their intended effective dates. Members are required to adhere to the rules, regulations, policies and directives of the City of Columbus and Division of Police.

ARTICLE 12 - NO STRIKE, NO LOCKOUT

12.1 NO STRIKE, NO LOCKOUT.

(A) The O.L.C. agrees that it will not authorize, instigate, aid, condone, or engage in any strike, work stoppage, or other action at any time which will interrupt or interfere with the operation of the City. No member represented by the O.L.C. shall cause or take part in any strike, work stoppage, slowdown, or other action which will interrupt or interfere with the operation of the City. In the event of a violation of this Article, the O.L.C. agrees to take affirmative steps with the member concerned such as letters, bulletins, telegrams, and member's meetings to bring about an immediate resumption of normal work.

(B) The City agrees that it will neither lockout members nor will it do anything to provoke interruptions or prevent such continuity of performance by said members insofar as such performance is required in the normal and usual operation of City services.

12.2 DEFINITIONS.
A "strike" means concerted action in failing to report to duty including, but not limited to, willful absence from one's position, stoppage of work, slowdown, or abstinence in whole or in part from the full, faithful, and proper performance of the duties of employment, sympathy strike, secondary boycott, residential picketing, sitdown, concerted refusal to perform overtime, mass absenteeism, mass resignations, or any other intentional interruption or disruption of the operations of the City at any locations, regardless of the reason for doing so.
12.3 VIOLATIONS.
Any or all members who violate any of the provisions of this Article may be discharged or otherwise disciplined by the City. Any grievance regarding such discipline shall be subject to immediate review at the Third Step of the Grievance Procedure as provided in Article 9.

ARTICLE 13 - MISCELLANEOUS

3. Full-time members with more than two (2) years continuous service shall be paid at a range applicable for their classification in Step 2.

4. Full-time members with more than two (2) years continuous service but less than three (3) years continuous service shall be paid at a range applicable for their classification in Step 2. All members with...
more than three (3) years continuous service shall be paid at a range applicable for their classification in Step 3.

(5) Full-time members with more than three (3) years continuous service but less than four (4) years continuous service shall be paid at a range applicable for their classification in Step 3. All members with more than four (4) years continuous service shall be paid at a range applicable for their classification in Step 4.

(6) Full-time members with more than five (5) years continuous service shall be paid at a range applicable for their classification in Step 5.

(C) Each year of continuous service shall be based upon a member’s continuous service as defined in Article 1.

(D) Members shall qualify for the step increases provided for under this section on the first day of the pay period following completion of each required year of continuous service.

14.2 ADMINISTRATION OF PAY PLAN.

(A) Pay Rates Established on Effective Date. Upon passage of this Contract by City Council, the hourly rate of pay of each member covered by this contract shall be at the sole pay rate established in Section 14.1.

(B) Hiring Rate. The hiring rate for a class shall be at the lowest pay rate in the range except as otherwise provided herein. Wherein a multiple pay range is established for a classification, the Appointing Authority will designate the range and rate within the range at which the member shall be paid.

(C) Demotion. Whenever a member demotes to a classification in a lower pay range, that member’s pay rate will be at the lower pay range but in the same step level as previously held by the member.

(D) Full-time City Employment and Additional City Employment.

(1) Full-time City Employment. The hourly rates of pay provided by this Contract are fixed on the basis of full-time employment in full-time positions.
(2) **Additional City Employment.**

(a) Any member who simultaneously works in or occupies more than one position is not entitled to and shall not receive compensation, or any other benefits or privileges allowed for employees by the City, for more than one position, unless otherwise provided herein.

(b) Any member who seeks or obtains additional City employment beyond the member’s present appointment, shall first obtain, in writing, the approval of the Appointing Authority of the member’s present position. Such written approval must be filed with the member’s personnel file. Failure to obtain written permission shall subject the member to possible disciplinary action. In such cases where total City employment exceeds forty (40) hours in a workweek, the overtime provisions of Article 15 of this Contract shall apply.

(c) Upon approval of additional employment with the City, the Appointing Authority for the member’s present position shall, at that time, determine in writing whether the member shall be entitled and shall receive additional vacation and sick leave benefits pursuant to the provisions of this Contract. In no event shall the member receive injury leave or insurance coverage beyond that provided for a member occupying only one position.

(E) **Additional Compensation or Benefits.** No member shall receive, and the City Treasurer is hereby directed not to draw any checks, or any additional compensation in any form, sick and injury leave, vacation, insurance coverage and any and all other benefits and privileges, for any member who substitutes or acts for another in the position of another, other than the position to which he/she was appointed pursuant to the Ohio Constitution, City Charter provisions, and the rules and regulations of the Civil Service Commission. No Appointing Authority shall appoint any person or submit any personnel action form contrary to said constitution, charter and rules and regulations and the provisions of this Contract, except as otherwise provided in Section 15.10 of this Contract.

(F) **Payroll Deductions.** Payroll deductions shall be governed first by the ability of the City Auditor’s payroll system to handle them, and secondly, upon a determination by the City of the type of payroll deductions which are to be offered to employees and also based upon which ones will benefit the largest number of employees. Deductions or withholdings,
except where demanded or required by law, must be agreed to in writing by the member with the specific reason stated in writing and filed with the Appointing Authority.

(G) **City Council Authorization Required.** The Civil Service Commission and the City Auditor are hereby prohibited from approving and/or paying any pay rate based on the assignment of any class to a pay range not specifically authorized by City Council.

### 14.3 SERVICE CREDIT.
A service credit payment shall be paid during December of each year to those full-time employees of the City, who are in active service, paid status or authorized leave without pay as of November 30 of each calendar year. The computation of the total years of continuous service as set forth in the following schedule shall be based upon paid status in a full-time position as of November 30 of the appropriate calendar year. For the sole purpose of determining service credit in this Section, the years of continuous service in the schedule below shall include military leave without pay, leave without pay due to a City injury when the member is receiving payments in lieu of wages from the Ohio Bureau of Workers' Compensation, and other administrative leave without pay as authorized by the Appointing Authority for activities connected with City employee relations. No service credit shall be allowed or paid to any member for time lost for any other leave without pay or time lost as a result of disciplinary action.

### 14.4 EMPLOYEE’S CONTRIBUTION TO PERS.
That portion of the member’s contribution made to the Public Employee Retirement System of Ohio, equal to 8.5% of the member’s earned compensation, shall be picked up (assumed and paid) on behalf of the member, and in lieu of payment by the member, by the City. The provisions of this paragraph shall apply uniformly to said members and no such member shall have the option to elect a wage increase or other benefit in lieu of the payment provided for herein. Any remaining portion of the member’s contribution which might exist shall continue to be paid by the member.

The term "earned compensation" shall mean any and all monies earned by a member from the City, for which there is a pension contribution. The City shall, in reporting and making remittances to the Public Employee Retirement System of Ohio, report that each member’s contribution has been made as provided by Statute. The City hereby declares that the sum paid hereunder by the City on behalf of a member is not to be considered additional salary or wages and shall not be treated as increased
compensation. For purposes of computing the member's earnings or basis of his/her contribution to the Public Employee Retirement System of Ohio, the amount paid by the City on behalf of a member as a portion of his/her statutory obligation is intended to be and shall be considered as having been paid by the member in fulfillment of his/her statutory obligation.

ARTICLE 15 - HOURS OF WORK, OVERTIME, AND REPORT-IN PAY

15.1 REPORT-IN AND CALL-IN PAY.

(A) When any full-time member reports for work in his/her regular shift and has not received notification from his/her immediate supervisor by the previous workday not to report, he/she shall be assigned at least three (3) hours of work at any available job or in the event that no work is available, he/she shall be paid three (3) hours straight-time at his/her regular hourly rate and released from duty no more than thirty (30) minutes after the report-in time.

(B) When any full-time member is required to report to work after he/she has been relieved of duty upon the completion of the member's regular schedule and he/she reports, he/she shall be paid for a minimum of four (4) hours at time and one-half his/her regular hourly rate. If the call-back occurs within two (2) hours of the start of the member's regular shift, he/she shall be paid a minimum of two (2) hours at time and one-half his/her regular hourly rate. This provision does not apply in cases of overtime authorized as an extension of a regular shift.

15.2 WORKWEEK.

(A) Normal Workweek. The normal workweek for full-time members shall be forty (40) hours of work in five (5) consecutive days of eight (8) consecutive hours each day, during the period beginning at 12:01 a.m. Sunday and ending at midnight Saturday.

In twenty-four (24) hour operations or where there is a continuous seven-day-a-week operation made necessary because of the nature of the work, the normal workweek for full-time members shall be forty (40) hours of work in five (5) consecutive days of eight (8) consecutive hours each day during the period starting 12:01 a.m. Sunday to midnight Saturday. Special work schedules may have hours of work and provisions other than the foregoing or other than those listed elsewhere in this Contract.
(B) Overtime eligibility and pay.

(1) Time and one-half (1½) the straight-time hourly rate will be paid for time worked over eight (8) straight-time hours per day.

(2) Time and one-half (1½) will be paid for time worked on a member's regular days off providing that said member has accumulated forty (40) straight-time hours in paid status during that workweek. For all purposes of this Section 15.2, paid status will not include sick leave, injury leave or disability leave.

(3) Time worked due to work schedules being changed at the request of the member is not subject to overtime compensation to the extent permitted by the Fair Labor Standards Act.

(4) Members working a non-standard workweek shall be compensated at straight-time rates for all hours in paid status, except that all hours in paid status in excess of ten (10) in any day or forty (40) in any non-standard workweek shall be compensated for at a rate of time and one-half (1½) provided the member has accumulated forty (40) straight-time hours in paid status in the non-standard workweek. For purposes of this Section 15.2, paid status will not include sick leave, injury leave or disability leave.

(C) Non-Standard Workweek. At the written request of the member, the City may approve a non-standard workweek consisting of four (4) consecutive ten (10) hour workdays, with three (3) consecutive days off, with the following conditions:

(1) Members must submit a rationale for the proposed non-standard workweek with their written request. All details relating to the non-standard workweek must be resolved as a condition of approval of the non-standard workweek.

(2) Approval of non-standard workweek must be obtained from the Chief of Police, the Appointing Authority, and the Labor Relations Manager.

(3) The City retains the right to modify the non-standard workweek schedule based on divisional needs. In case of non-emergency, the City will notify the member at least two (2) weeks prior to the modification. In cases of emergency no prior notification is needed.
15.3 OVERTIME POLICY.
It shall be the policy of the Division to avoid overtime work except when absolutely necessary. The Division shall not compensate for overtime work in any form or manner except on the advance authorization of the appropriate supervisor, except that in an emergency such authorization may be granted subsequently.

15.4 DISTRIBUTION OF OVERTIME.
Members within the same classification and with the same work capabilities within the same reporting location who are participating in the overtime provisions shall have an equal opportunity to earn voluntary overtime pay.

15.5 COURT PAY.

(A) When an off-duty member is subpoenaed to court and so reports, the member shall be paid or credited a minimum of three (3) hours at the member's appropriate rate of pay.

(B) If the member is notified not to appear in court at least the day before he/she is required by subpoena to appear in court, no court pay shall be provided.

(C) The following provisions shall apply to members scheduled to appear in court other than during regularly scheduled working hours.

(1) A member who receives a subpoena requiring a court appearance before 12:00 noon shall contact the appropriate Liaison Unit for approval to attend. The member shall seek such approval between 6:30 a.m. and 8:30 a.m. on the date of the scheduled court appearance. If the court appearance is canceled, the member shall be paid or credited for one (1) hour at the member's straight-time rate.

(2) A member who receives a subpoena requiring a court appearance after 12:00 noon shall contact the appropriate Liaison Unit for approval to attend. The members shall seek such approval between 11:00 a.m. and 12:00 noon on the date of the scheduled court appearance. If the court appearance is canceled, the member shall be paid or credited for one (1) hour at the member's straight-time rate.

(3) When a member is subpoenaed for a court appearance on his/her regularly scheduled day off and is notified on that day not to
appear, as provided herein, he/she shall be paid or credited with two (2) hours at his/her straight-time rate.

15.6 ELECTION OF CASH PAYMENTS.
All overtime earned shall be compensated for by time-off or cash payment. The member must make his/her selection of time-off or cash payment at the beginning of the fiscal year of ratification of this contract, on a form designated by the Police Division. Payment in cash shall be made for any accumulation beyond forty (40) hours unless the member chooses to accumulate zero (0) hours, forty (40) hours, eighty (80) hours or one hundred sixty (160) hours. Any compensatory time account balance above eighty (80) hours shall be paid off at the member’s hourly rate as of the end of a pay period established by the Appointing Authority.

15.7 LUNCH PERIODS.
All members shall be granted a one-half (½) hour paid lunch period during each full eight (8) hour shift. There will be no breaks granted during said full shift. Whenever possible the lunch period shall be scheduled at the middle of each full shift. When an emergency or scheduled overtime extends the workday by more than four (4) hours, an additional lunch period shall be granted.

15.8 PUNCTUALITY.
Members are required to be punctual.

15.9 COMPENSATORY TIME.

(A) Calculation. Compensatory time is time earned on a premium basis. The amount of compensatory time earned is calculated by multiplying the number of hours actually worked on an authorized premium basis by one and one-half (1½) when time and one-half is applicable. The compensatory time account balances shall be maintained in units of hours.

(B) Eligibility. A compensatory time account may be established for full-time members. Compensatory time may only be earned in lieu of cash payment for authorized time worked on a premium basis. The member may, at his/her option, receive either cash payment or compensatory time for time worked on a premium basis.

(C) Conditions. The following conditions shall govern the use of compensatory time:

(1) Compensatory time upon request by the member may be taken by the employee at such time or times as may be approved by the Chief of Police.
(2) A member who is about to be separated from city service for any reason and who has an unused compensatory time account balance to his/her credit shall be paid such account balance upon separation. Such payment shall be calculated by multiplying the member's regular hourly straight time wage rate by the number of hours in his/her compensatory time account upon separation.

(3) No interest is to be paid by the City on any compensatory time account.

15.10 WORKING OUT OF CLASSIFICATION PAY.
If a member is required to perform the duties of a higher classification for eight (8) or more consecutive hours, the member shall be paid four percent (4%) above the member's current wage rate for each hour worked in the higher classification for all hours during which they perform such duties.

If a member is required to perform the duties of the next higher classification as a result of a vacancy in that rank, and if the member performs such duties continuously and is subsequently promoted without interruption (i.e., without first being returned to his/her prior assignment), then the member’s seniority date for his/her new classification shall be the date of his/her assignment to the next higher classification which immediately preceded his/her promotion.

ARTICLE 16 - SHIFT DIFFERENTIAL PAY

16.1 SHIFT DESIGNATION.
The Chief of Police at the time of hire shall designate or assign the applicable shift for each new hire. The shift designation shall determine the shift differential for the entire shift.

16.2 SHIFT DIFFERENTIAL PAY RATES.
A differential in pay of thirty-seven cents ($0.37) per hour over the regular hourly rate shall be paid to members who are assigned to work either the second or third shifts. Effective March 27, 2005, shift differential shall increase to forty-four cents ($0.44) per hour over the regular hourly rate.
16.3 METHOD OF PAYMENT.
For purposes of computing leave with pay except for compensatory time, shift differential shall not be paid in addition to regular pay. In those offices where only one (1) shift prevails, no differential shall be paid regardless of the hours of the day that are worked. Shift differential pay shall be added to the base hourly rate prior to computing the overtime rate.

ARTICLE 17 - UNIFORMS

17.1 ESTABLISHMENT OF UNIFORM POLICY.
The Appointing Authority or designee shall establish policies regarding the necessity and types of work uniforms to be made available to members. The City shall enter into appropriate contracts with vendors to provide items of clothing required under the Appointing Authority’s policies. If uniforms are required, members shall be furnished with a voucher to obtain the appropriate types and quantities. The purchase, fitting and cleaning of uniforms shall be done outside of work time.

17.2 UNIFORM COMMITTEE.
O.L.C. may designate a committee of three (3) members to make recommendations (which represent a consensus of the committee) to the Chief of Police concerning members' uniforms. Any proposed change(s) to the uniforms shall be reviewed by the Uniform Committee, and the Committee shall make a recommendation to the Chief of Police regarding such proposed change(s) prior to the final decision by the Chief.

ARTICLE 18 - HOLIDAYS

18.1 HOLIDAYS.
The following are designated as paid holidays for members:

- New Year's Day, January 1
- Martin Luther King Day, the third Monday in January
- Washington's Birthday, the third Monday in February
- Memorial Day, the last Monday in May
- Independence Day, July 4
- Labor Day, the first Monday in September
- Columbus Day, the second Monday in October
- Thanksgiving Day, the fourth Thursday in November
- Christmas Day, December 25
- Member's Birthday
18.2 HOLIDAY TIME OFF.
For each holiday observed on a member's workday, said member shall work that holiday unless the member requests and is granted the day off by the Chief of Police through the use of paid leave.

18.3 HOLIDAY PAYMENT.
A member, except as provided in Section 18.9 hereof, shall be compensated an additional eight (8) hours for each of the holidays specified in Section 18.1 for which the member was in paid status and holiday leave was not used. Payment shall be made in one (1) lump sum installment. Payment will be made after December 31 each year but before January 31 of the next year.

18.4 HOURLY RATE FOR HOLIDAYS.
The wage rate to be used to calculate the lump sum payment shall be the regular hourly rate earned by the member at the end of the payperiod prior to the issuance of the lump sum payment.

18.5 PRORATED PAYMENT FOR HOLIDAYS.
Upon termination for any reason, members who are eligible for holiday payment will be paid as part of their terminal pay, the final partial year holiday pay on a prorated pay basis. Prorated payment shall be computed by multiplying the holiday hours accrued by the appropriate wage rate in effect at the time of termination.

18.6 CELEBRATION DAY FOR HOLIDAYS.
For purposes of holidays, holiday time shall apply to the tour of duty beginning on the day which is celebrated as a holiday.

18.7 BIRTHDAY HOLIDAY.
If a member's birthday falls on the day celebrated as another of the holidays mentioned in Section 18.1, the member shall be granted and compensated for one (1) additional holiday for the member's birthday.

18.8 USE OF HOLIDAY LEAVE.
A member may use holiday leave on the day the holiday is celebrated or on any day thereafter until the end of the fiscal year.

18.9 APPLICATION TO STEP MEMBERS.
Should a day celebrated as one of the above named paid holidays fall on the Step 0 employee's normal workday, Step 0 members shall not work on said holiday, shall receive no additional pay for said holiday, but shall be paid eight (8) hours pay for said workday as though the member worked it. Should a holiday be celebrated on other than the Step 0 member's normal workday, the Step 0 member shall not work said holiday.
but shall receive eight (8) hours holiday pay for any such holiday as part of the lump sum annual holiday payment the member is to receive.

18.10 SEPARATION FOR HOLIDAY AND OVERTIME ACCUMULATION.
A member who is owed compensation for overtime worked and for work on a holiday shall be compensated at the time of separation. Such compensation shall be computed at the rate in effect for said member at the time of separation.

ARTICLE 19 - VACATION LEAVE

19.1 VACATION LEAVE.
The vacation year for members shall end at the close of business on the last day of the first pay period that begins in the month of January.

19.2 VACATION ACCRUAL.
Each full-time member working a forty (40) hour workweek shall earn vacation in accordance with the schedule below. The vacation accrual schedule shall be as follows:

(C) For the purposes of this Article, total City service is defined to include all periods of full-time employment with the City. Any periods of interruption of
service (including but not limited to resignation, layoff, or discharge for cause) will not be included in the computation of City service for the purpose of this Article. However, any member who has retired from the State of Ohio or any of its political subdivisions, and is reemployed or hired by the City, shall not have prior service with the City counted for purposes of determining the vacation accrual rate.

Vacation accrual rates are based on "total City service," as outlined in the preceding paragraph, except for members whose most recent date of hire was prior to July 5, 1987, where total City service for purposes of vacation accrual is defined to be the total of all periods of full-time employment with the City, the State of Ohio and any political subdivision of the State. However, any member not employed in the bargaining unit as of the effective date of this Contract and any member who has retired from the State of Ohio or any of its political subdivisions including the City, and is reemployed or hired by the City on or after June 24, 1987, shall not have prior service with the City, the State or Ohio or any of its political subdivisions recognized for purposes of determining the vacation accrual rate.

Requests for recognition of periods of full-time service with the State of Ohio and its political subdivisions for accrual rate purposes shall be made in writing and forwarded to the City Auditor through the Appointing Authority prior to the beginning of the pay period ending August 26, 1995, before adjustments can be made to the vacation accrual rate. Failure to meet this deadline will result in forfeiture of any rights set forth in this Paragraph and the preceding Paragraph of this Section 19.2 and forfeiture of any rights under Section 9.44 of the Ohio Revised Code. Adjustments to vacation accrual rates, based on previous employment with the State of Ohio or political subdivisions of the State as specified herein, shall be effective as soon as practicable following the verification by the Appointing Authority and certification by the City Auditor. This computation will be used only for the purpose of determining the rate at which vacation is earned. The provisions of this Paragraph and the preceding Paragraph of this Section 19.2 shall be in lieu of any prospective or retrospective application of Section 9.44 of the Ohio Revised Code. For all purposes herein, the parties agree that Section 9.44 of the Ohio Revised Code does not apply to this Contract or to any members in the bargaining unit.

19.3 PAYMENT FOR EXCESS VACATION BALANCES.
At the end of the last pay period in the vacation year, members may be paid for any vacation balances in excess of the maximums fixed by Section 19.2 of this Article upon certification by the Appointing Authority to the City Auditor and the approval of the City Council that due to emergency work requirements it is not in the best interests of the
City to permit the member to take vacation leave which would otherwise be forfeited as provided in Section 19.2.

19.4 EFFECT OF UNPAID STATUS ON VACATION ACCRUAL.
No vacation credit shall be allowed for any member working a forty (40) hour workweek for any pay period in which such member is off duty and not in paid status for more than eight (8) hours of regularly scheduled work except for paid military leave and; except that when a member is required to report for work and does so report and is denied work because of circumstances beyond his/her control, absence from work for the balance of that workday shall not be construed as unpaid work status for the purpose of this Article.

19.5 SEPARATION PAYMENT FOR VACATION.
A full-time member with more than thirteen (13) pay periods of vacation accrual in paid status who is about to be separated from City service through discharge, resignation, retirement, or layoff and who has unused vacation leave to his/her credit, shall be paid in a lump sum, less applicable withholding and any amounts owed by the member to the City, for each hour of unused vacation leave in lieu of granting such member a vacation leave after his/her last day of active service with the City, provided, however, that such payment shall not exceed the maximum number of vacation hours outlined in Section 19.2 based on length of total City service. However, such payment for members who retire shall be permitted to exceed the maximum accrual in Section 19.2(B) only to the extent that the member’s vacation leave account at the time of retirement exceeds the maximum accrual as a result of vacation time earned in the member’s last “vacation year” as that term is defined in Section 19.1. Vacation balances over the maximum accrual of less than one (1) full hour shall not be paid.

19.6 PAYMENT OF VACATION BALANCES OF DECEASED EMPLOYEES.
When a member dies while in paid status, any unused vacation leave to his/her credit shall be paid to the surviving spouse. In the event the member has no surviving spouse, said balance shall be paid to the estate of the deceased, any other provisions of this Article notwithstanding.

19.7 USE OF VACATION.

(A) All vacation leaves shall be taken at such times as may be approved by the Appointing Authority.

(B) For new hires or rehires, no vacation leave may be granted until the member has accrued thirteen (13) pay periods of vacation hours in continuous active City service at the rate of vacation accrual appropriate for that member.
(C) Vacation leave may be taken in increments of one-tenth (1/10) of an hour with the approval of the Appointing Authority.

ARTICLE 20 - SICK LEAVE

20.1 SICK LEAVE ACCRUAL.

(A) Each member shall receive sick leave as follows: No sick leave credit shall accrue for any such pay period in which such member is off duty and not in paid status more than eight (8) hours of regularly scheduled work except for paid military leave. During the first pay period of each calendar year, each full-time member employed on that date shall be credited with seventy-two (72) hours of sick leave with pay (hereafter referred to as "sick leave entitlement") for the remainder of that calendar year. Each full-time member hired on or after the first pay period of each year shall, on the date of hire, receive sick leave entitlement for the remainder of that calendar year computed as follows: six (6.0) hours for each calendar month in the calendar year of hire, commencing with the month following the month in which the member was hired. However, for each full calendar month in which a member is in unpaid status, six (6.0) hours shall be deducted from his/her paid sick leave entitlement. When a member is required to report to work and does so report but is denied work because of circumstances beyond his/her control, absence from work for the balance of that calendar month shall not be considered as unpaid work status for the purposes of this section.

(B) Sick leave shall be cumulative and any member having unused sick leave prior to the effective date of this Contract shall be credited with such unused sick leave for the purpose of this Contract.

(C) No sick leave with pay shall accrue except for service as an employee of the City of Columbus.

(D) No unearned sick leave may be granted to any member except as provided herein. Sick leave may be approved in multiples of one-tenth (1/10) of an hour.

(E) No sick leave with pay shall accrue except for service as an employee of the City of Columbus, except that an employee who has been employed by the State of Ohio, or any political subdivision thereof, shall be credited with any certified, unused and unpaid balance of accumulated sick leave earned in such service, provided employment with the City occurs within
ten (10) years after leaving his/her prior position. Such unused sick leave balance shall be subject to all provisions of this Article, with the exception that such unused sick leave shall not be eligible for payment as described in Section 20.3.

20.2 USE OF SICK LEAVE.

(A) Sick leave with pay shall be granted only for the following reasons:

(1) Sickness of the member.

(2) Injury to the member which is not subject to the provisions of Article 21, Injury Leave.

(3) Medical, dental, or optical consultation or treatment of the member, whether work or non-work related.

(4) Sickness of a spouse, child, step-child, and upon prior approval of the Chief of Police, a family member who is dependent for his/her health and well-being on the member. Members shall be granted not more than five (5) workdays in any calendar year for sickness in the immediate family. The Chief of Police or designee may require a certificate of the attending physician before paying any member under this Paragraph. In special cases where the Public Safety Director deems that more than five (5) workdays are necessary, the Director may, in his/her sole discretion, grant such leave.

(5) Quarantine of a member because of exposure to a contagious disease. The Chief of Police or designee shall require a certificate of the attending physician before paying any member under this Paragraph.

(6) Any member scheduled to work on a holiday as designated in Article 18 who reports sick shall be charged sick leave with pay for the number of hours that comprise the holiday.

(7) In the event a member uses all his/her injury leave time and is still unable to return to active duty, he/she may, with the approval of the Public Safety Director, use any sick leave, compensatory time and vacation time to which the member is otherwise entitled.
(8) In the event of death in the immediate family, each member shall be entitled to up to five (5) workdays for a funeral service and/or interment, if needed for these purposes. For purposes of this subsection, the immediate family shall include: spouse, son, daughter, brother, sister, parent, grandparent, grandchild, stepfather, stepmother, stepbrother, stepsister, stepson, stepdaughter, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, sister-in-law, grandparent-in-law, half brother, and half sister and persons who stand in the place of a parent.

(B) The Chief of Police may require evidence as to the adequacy of the reason for any member's absence during the time for which sick leave is requested for more than three (3) days, or when the chain of command has cause to believe that the sick leave was not used for the purpose requested.

(C) A member on sick leave with pay shall be at their place of residence during duty hours unless sick leave is due to death in the immediate family or the member is away from home to attend a doctor's appointment.

(D) Sick leave with pay shall be charged at the rate of one-tenth (1/10) of an hour for each one-tenth (1/10) of an hour of regularly scheduled work from which a member is absent, when sick leave is chargeable to such absence under the provisions of this Article.

(E) Pregnancy-related disabilities shall be treated as any other non-work-related disability.

20.3 PAYMENT UPON SEPARATION OR DEATH.
A member who is to be separated from the City service through discharge, resignation, retirement, or layoff, may, if he/she so desires, be paid in lump sum one (1) hour of pay for each six (6) hours of unused sick leave to his/her credit for total accruals up to and including 1,100 hours; one (1) hour of pay for each three (3) hours of unused sick leave to his/her credit for all accruals in excess of 1,100 hours up to and including 2,300 hours. Such payment shall be paid at the member's hourly rate of pay at time of separation.

No reimbursement shall be made to any member with less than one (1) year of service or one hundred ninety-two (192) hours accrued sick leave credit, except that, when a member dies while in paid status, all unused sick leave to his/her credit shall be paid in a lump sum to the surviving spouse. In the event the member has no surviving spouse, said balance shall be paid to the estate of the deceased, at the rates provided in the above Paragraph.
Effective January 1, 1997, and for any hours credited after January 1, 1997, for a member who is separated from City service through discharge, resignation, retirement or layoff on or before December 31 of any year, the number of sick leave hours which that member has to his/her credit at the time of separation shall be reduced by the number of paid sick leave hours used plus six (6.0) hours for each calendar month remaining in the calendar year following the month of separation. If, after such calculation, the member has any unused sick leave hours for that calendar year, the member shall be paid, at the time of separation, for such unused sick leave hours for that year, at his/her regular straight-time hourly rate in effect at that time, less applicable withholding and any amounts owed by the member to the City. If, after such calculation, the member has used more sick leave hours than that to which he/she was entitled, an amount shall be deducted from his/her final paycheck for such hours, at his/her regular straight-time hourly rate in effect at that time.

20.4 CONVERSION OF SICK LEAVE.
Each member may, during the month of January of each year, convert sick leave to vacation leave subject to the following conditions:

(A) A member must select between receiving sick leave reciprocity, as outlined in Section 20.5 below, or conversion of sick leave effective January, 2000 and each year thereafter.

(B) A member must convert in eight (8) hour increments.

(C) A member may convert up to forty-eight (48) hours of sick leave.

(D) Sick leave shall be converted at a rate of one (1) hour of sick leave for one (1) hour of vacation leave.

(E) Once sick leave has been converted to vacation leave, it shall not be converted back to sick leave.

20.5 PAYMENT OF SICK LEAVE RECIPROCITY.
Each full-time member shall be paid, at his/her regular straight-time hourly rate in effect on December 31 of the previous year, for any unused sick leave hours awarded during the preceding calendar year, up to a maximum of seventy-two (72) hours, on a one-for-one basis, or at the member's option, may carry over any unused sick leave hours to the next year. Following election for participation in the sick leave reciprocity program, a member may convert sick leave to vacation as provided in Section 20.4. No interest is planned or to be paid by the City on this account. Effective January, 2000 and each year thereafter, members must select between receiving Sick Leave Reciprocity or Conversion of Sick Leave as outlined in Section 20.4.
ARTICLE 21 - INJURY LEAVE

21.1 INJURY LEAVE WITH PAY.
All members shall be allowed injury leave with pay up to a maximum of sixty (60) work days per calendar year for on-the-job injuries, not to exceed a total of one hundred twenty (120) workdays per injury. Any injury leave which is granted for reasons permissible under a FMLA leave as provided in Section 22.6 shall be charged as a FMLA leave and shall be subject to the twelve (12) week per year limitation for the length of a FMLA leave.

Injuries must be reported to the member’s immediate supervisor no more than forty-eight (48) hours after such injury is known. If a member who has been granted injury leave does not begin receiving payments in lieu of wages from the Ohio Bureau of Workers’ Compensation by the time the injury leave has been utilized, and the member has a claim filed under the Ohio Workers’ Compensation laws for such payment, then the City shall continue to pay the member seventy-two percent (72%) of his/her wages until such time as payments from the Bureau are received or the claim is denied by the Bureau. In any instance of double payment by both the City and the Bureau for the same day or days, the member shall provide full reimbursement to the City in a prompt manner.

21.2 ELIGIBLE INJURIES.
Injury leave with pay shall be granted to a member only for injuries determined by the Director of Human Resources or designee as caused by the actual performance of the duties of the member’s position.

21.3 REPORTING REQUIREMENTS.
A report of the cause of all injuries signed by the immediate supervisor, the Division Administrator, and the Appointing Authority shall be submitted to the Director of Human Resources or designee within four (4) days of the date the injury is reported by the member on forms designed and furnished by the Director of Human Resources or his/her designee.

21.4 AUTHORIZATION OF INJURY LEAVE.
No member shall be granted injury leave with pay unless the Appointing Authority has in his/her possession written authorization signed by the Director of Human Resources or designee indicating the approximate length of the leave. No member on injury leave shall be returned to work without the written approval of an attending physician. If there is a recurrence of a previous injury, the Appointing Authority must request approval of injury leave for each recurrence. If, in the judgment of the Director of Human Resources or designee, the injury is such that the member is capable of performing his/her regular duties or light duties during the period of convalescence, the Director of Human
Resources or designee shall so notify the Appointing Authority in writing and deny injury leave with pay. Whenever a member is required to stop working because of an injury or other service-connected disability, he/she shall be paid for the remaining hours of that day or shift at his/her regular rate, and such time shall not be charged to leave of any kind.

21.5 APPEALS TO THE BOARD OF INDUSTRIAL RELATIONS.
Any injured member may appeal the decision of the Director of Human Resources or designee by written notice to the Board of Industrial Relations within ten (10) days of notification that injury leave has been denied. The Board of Industrial Relations, at the City's expense, may require a member to be examined by a physician of the Board's choice.

21.6 LEAVE WHILE CLAIM IS PENDING.
Pending a decision by the Director of Human Resources or designee, a member applying for injury leave may be carried on sick leave or vacation leave with pay, in that order, which shall be restored to his/her credit upon certification by the Director of Human Resources or designee that injury leave has been approved. However, when a member is applying for injury leave, exclusive of apparent heart attack cases, and the Chief of Police can establish that the injury occurred during the member's hours of work for the City, then the member may be carried on injury leave with pay pending certification by the Director of Human Resources or designee that injury leave has been approved. In no case may the member be carried on injury leave for a period of time in excess of the member's amount of accumulated sick leave and vacation leave prior to certification by the Director of Human Resources or designee that injury leave has been approved. If injury leave is not certified by the Director of Human Resources or designee, the member will be charged sick leave, and vacation leave, in that order, for the time used.

21.7 INJURY LEAVE FOR EXAMINATION AND TREATMENT.
Pursuant to rules established by the Director of Human Resources or designee, time off for the purpose of medical examination, including examinations by the Bureau of Workers' Compensation, and/or treatments resulting from injury occurring during any period of time a member was in paid status and performing services for the City required by his/her employment shall be charged to injury leave.

21.8 INSURANCE CONTINUATION.
While a member is on approved injury leave with pay or upon proof that a member is receiving payments in lieu of wages from the Ohio Bureau of Workers' Compensation, the accrual of employee benefits shall continue uninterrupted and the City shall maintain applicable insurance benefits for the member until such time as the member returns to duty, resigns, retires or is terminated.
22.1 SPECIAL LEAVE.
In addition to other leaves authorized herein, the Public Safety Director may authorize special leave of absence with or without pay for purposes beneficial to the member and the City.

22.2 JURY DUTY LEAVE.

(A) A member, while serving upon a jury in any court of record in Franklin County or adjoining counties of Delaware, Licking, Fairfield, Pickaway, Madison, or Union, shall be paid the member’s regular salary for each of the workdays during the period of time so served. Upon receipt of payment for jury service, the member shall submit jury fees to the Administrative Deputy Chief who shall then deposit such funds with the City Treasurer. Time so served shall be deemed active and continuous service for all purposes.

(B) When a full-time member receives notice for jury duty in any court of record of Franklin County, Ohio, or in any adjoining county, he/she shall present such notice to his/her immediate supervisor. A copy will be made of the notice and filed and recorded in the member’s personnel file.

(1) When notified by the court to report for jury duty on a day certain, a time report shall be completed and signed by the assignment commissioner or appropriate court official for each day during jury service setting forth the time of arrival and departure from the court. Such record shall be presented by the member to his/her supervisor upon return to work.

(2) When a member is not required to be in court for jury duty for two (2) or more hours of his/her regular shift, he/she shall report to work for such time at the beginning of his/her work shift before being required to report to jury duty and/or after being released from jury duty two (2) or more hours before the end of his/her work shift. The supervisor in each individual case shall determine the time the member shall be released from work to report to jury duty or return to work after being released from jury duty.
22.3 **EXAMINATION LEAVE.**
Time off with pay shall be allowed to members to participate in promotional tests or to take a required examination, pertinent to their city employment, before a state or federal licensing board.

22.4 **COURT LEAVE.**
Time off with pay shall be allowed members who are required to attend any court of record as a witness for the City of Columbus in civil matters. Upon receipt of payment for witness service, the member shall submit witness fees to the Administrative Deputy Chief who shall then deposit such funds with the City Treasurer. The provisions of Section 22.2(B)(2) above shall apply to all leaves granted under this Section 22.4.

22.5 **MILITARY LEAVE.**

(A) **Military Leave.** Members who serve in the Ohio National Guard, U.S. Air Force Reserve, or the U.S. Army Reserve, U.S. Marine Corps Reserve, U.S. Coast Guard Reserve, or the U.S. Naval Reserve shall be granted military leave of absence with pay in addition to vacation leave when ordered to temporary active duty or when ordered to military training exercises conducted in the field for a period not to exceed twenty-two (22) eight (8) hour workdays or one hundred seventy-six (176) hours during each calendar year. Excepting and providing that, when the Governor of the State of Ohio or the President of the United States declares that a state of emergency exists, then, in that event, the member, if ordered to active duty for purposes of that emergency, shall be paid pursuant to this section for a period, or periods, whether or not consecutive, not to exceed twenty-two (22) eight (8) hour workdays or one hundred seventy-six (176) hours during each calendar year. A member's regular salary shall be paid for the period of time so served.

Any member who is entitled to military leave as provided in this subsection, and who is called to military duty for a period in excess of twenty-two (22) eight (8) hour work days or one hundred and seventy-six (176) hours in any one (1) calendar year, for each calendar year in which military duty is performed, because of an executive order signed by the President of the United States, or an act of Congress, is entitled to additional paid leave during the period designated in the order or act. The amount of payment during each month of this additional leave shall be the lesser of:

1. The difference between the member’s gross monthly wage as a City employee and the sum of his/her gross military pay and allowances received that month; or
(2) Five hundred dollars ($500).

However, no member shall receive payment for periods in excess of twenty-two (22) eight hour days or one hundred seventy-six (176) hours in any one (1) calendar year if the sum of his/her gross military pay and allowances received in a month exceeds his/her gross monthly wage or salary as a City employee.

(B) Re-employment. Re-employment of a member who leaves the employment of the City to serve in the armed forces of the United States of America or any branch thereof shall be governed by the following principles:

(1) An eligible member shall be re-employed in the position in which the member would have been employed if the continuous employment of the member had not been interrupted by the period of military service, or an equivalent position, provided that the member is qualified to perform the duties of such position.

(2) Any member who has entered the service as stated above must request restoration to the position within ninety (90) days of receiving an honorable discharge from the armed forces or the position shall be declared vacant. Nothing contained in this subsection shall obligate the City to pay a member who is on military leave of absence.

(3) The term "armed forces of the United States", as used in this section, shall be deemed to include such services as designated by the Congress of the United States.

(4) Nothing contained in this subsection shall obligate the City to re-employ a member whose cumulative absences for military service exceed five (5) years.

(5) This subsection shall be interpreted and applied in a manner consistent with the provisions of the Uniformed Services Employment and Re-employment Rights Act, 38 U.S.C. §43.01 et seq.

22.6 FAMILY AND MEDICAL LEAVE.

(A) Full-time bargaining unit members who have worked for the City for at least twelve (12) months, and have worked for at least 1,250 hours over
the twelve (12) month period preceding the leave, shall be eligible for up
to twelve (12) weeks of unpaid leave per twelve (12) month period for the
following:

(1) For birth of a son or daughter, and to care for the newborn child.

(2) For placement with the member of a son or daughter for adoption
or foster care.

(3) To care for the member’s spouse, child, or parent with a serious
health condition;

(4) Because of a serious health condition that makes the member
unable to perform the functions of the member’s job.

(B) For the purposes of Section 22.6(A):

(1) FMLA leave shall be granted for a member’s "spouse" as defined
by Ohio law (i.e., unmarried domestic partners are not included). If
both spouses are working for the City, their total leave in any twelve
(12) month period shall be limited to an aggregate of twelve (12)
weeks if the leave is taken for either the birth or adoption of a child
or to care for a sick parent.

(2) "Child" means a child either under eighteen (18) years of age, or
eighteen (18) years or older who is incapable of self-care because
of mental or physical disability. A member’s "child" is one for whom
the member has actual day-to-day responsibility for care and
includes a biological, adopted, foster or stepchild or the child of one
standing in loco parentis.

(3) "Parent" means a biological parent or an individual who stands or
stood in loco parentis to a member when the member was a child.
This term does not include parents "in law."

(4) A member’s right to FMLA leave for the birth or adoption of a child
ends twelve (12) months after the child’s birth or placement with the
member.

(5) The City uses a rolling twelve (12) month period measured
backward from the date leave is used.

(C) "Serious health condition" means an illness, injury, impairment, or a
physical or mental condition that involves:
(1) In-patient care (i.e., overnight stay in a hospital, hospice or residential medical care facility);

(2) Any period of incapacity requiring absence from work, school, or other regular daily activities of more than three (3) calendar days and that involves two (2) or more times of treatment by a health care provider or treatment on one occasion resulting in continuing treatment under the supervision of a health care provider;

(3) Any period of incapacity due to a chronic serious health condition that requires periodic visits for treatment by a health care provider, continues over an extended period of time, and may cause episodic rather than continuing periods of incapacity, i.e., asthma, diabetes, epilepsy, etc.; or

(4) Any period of incapacity that is permanent or long-term due to a condition for which treatment may not be effective, i.e., Alzheimer's, severe stroke, terminal illness, so long as the member or family member is under the continuing supervision of a health care provider; or

(5) Any period of absence to receive multiple treatments by a health care provider either for restorative surgery after accident or surgery, or for a condition that would likely result in a period of incapacity of more than three (3) days in the absence of medical intervention, i.e., cancer (chemotherapy, radiation), severe arthritis (physical therapy) or kidney disease (dialysis).

(6) Any period of incapacity due to pregnancy or for prenatal care by a health care provider.

(7) Serious health condition does not ordinarily include the common cold, the flu, earaches, upset stomachs, minor ulcers, headaches (other than migraines), routine dental or orthodontia problems or periodontal problems. This list is not inclusive of all types of conditions that do not constitute a serious health condition.

(D) Members may take FMLA leave intermittently or on a reduced leave schedule only when medically necessary to treat the member's serious health conditions, or the serious health condition of the member's spouse, child or parent. If leave is requested on this basis, however, the City may require the member to transfer temporarily to an alternative position which
better accommodates recurring periods of absence or a part-time schedule, provided that the position has equivalent pay and benefits.

(E) Upon return from FMLA leave, the member shall be returned to the position held prior to the leave or an equivalent position.

(F) The City shall maintain insurance benefits for the duration of FMLA leave at the level and under the same conditions coverage would have been provided if the member had continued in active work status for the duration of the leave.

(G) During an unpaid FMLA leave, members shall not continue to accrue seniority or continuous service and shall not accrue any employment benefits for the period of the leave, except for continuation of insurance benefits as provided in Paragraph (F) immediately above.

(H) All accrued sick leave benefits must be utilized for any FMLA leave taken for any reason. All accrued vacation leave benefits must be substituted for all or part of any unpaid FMLA leave taken for any reason after sick leave benefits have first been exhausted. Members may, at their own option, substitute compensatory time for all or part of any unpaid FMLA leave taken, after sick leave and vacation leave benefits have been exhausted.

(I) The following notice and scheduling requirements shall apply to FMLA leave requests:

1. Members must give thirty (30) days notice to the City before taking FMLA leave, if the need for leave is foreseeable. If the need for leave is not foreseeable, the member must notify the City as soon as is practicable (normally no later than twenty-four (24) hours after the need for the leave becomes known).

2. If a member has actual notice of the notice requirement stated in 22.6(I)(1) above, (this requirement of actual notice is fulfilled by posting a notice at the worksite), and fails to provide the City with thirty (30) days notice for a foreseeable leave with no reasonable excuse for the delay, the City may deny the taking of leave until at least thirty (30) days after the member provides notice.

3. Members shall provide at least verbal notice sufficient to make the City aware that the member needs FMLA-qualifying leave, and the anticipated timing and duration of the leave. The City may inquire further of the member if it is necessary to have more information about whether FMLA leave is to be taken.
If a member takes leave based on the serious health condition of the member or to care for a family member, the member must make a reasonable effort to schedule treatment so as to not unduly disrupt the City's operation.

The following medical certification requirements shall apply to FMLA leave requests:

1. Members who request leave because of their own serious health condition or the serious health condition of a covered family member shall be required to provide a certification issued by the health care provider of the member or the member's family member on a form acceptable to the Human Resources Director or designee. For the member's own medical leave, the certification must include a statement that the member is unable to perform the functions of the member's position and a statement of the regimen of treatment prescribed for the condition by the health care provider (including estimated number of visits, nature, frequency and duration of treatment). For leave to care for a seriously ill child, spouse or parent, the certification must include a statement that the patient requires assistance for basic medical, hygiene, nutritional needs, safety or transportation, or that the member's presence or assistance would be beneficial or desirable for the care of the family member, and an estimate of the amount of time the member is needed to provide care.

2. The City shall give members requesting FMLA leave written notice of the requirement for medical certification.

3. In its discretion, the City may require a second medical opinion and periodic recertification at its own expense. If the first and second opinions differ, the City, at its own expense, may obtain the binding opinion of a third health care provider, approved jointly by the member and the City.

4. Members must provide the requested certification to the City within the time frame requested by the City, unless it is not practicable under the particular circumstances to do so despite the member's diligent, good faith efforts. The City must allow at least fifteen (15) calendar days after the City's request for certification.
(5) In most cases, the City shall request that a member furnish certification from a health care provider at the time the member requests FMLA leave or soon after the leave is requested, or in the case of unforeseen leave, soon after the leave commences. The City may request certification or recertification at some later date if the City has reason to question the appropriateness of the leave or its duration.

(6) Certification shall be submitted using a form approved by the Human Resources Director for use by members consistent with the FMLA.

(7) All members who take FMLA leave because of their own serious health condition shall be required to provide medical certification of their fitness to report back to work. The City may seek fitness for duty certification only with regard to the particular health condition that caused the member’s need for FMLA leave.

(K) The City may require a member on FMLA leave to report periodically on the member’s status and intent to return to work. An FMLA leave will not be granted to permit a member to accept gainful employment elsewhere, including self-employment. If a member gives unequivocal notice of intent not to return, the City’s obligations under FMLA to maintain health benefits (subject to COBRA requirements) and to restore the member cease.

(L) Leaves that are granted under any other provision of this Contract, whether paid or unpaid, for purposes which are covered under the Family Medical Leave Act, shall be charged as FMLA leave and shall be subject to the twelve (12) week per year limitation for the length of the FMLA leave.

22.7 PERSONAL BUSINESS DAY.

(B) There must be a correlation between the member’s duties and responsibilities and the courses taken or the degree program pursued.

(C) Tuition reimbursement shall be extended to include reimbursement for course fees for continuing education (seminars, conferences and workshops) that is directly related to the member’s current job.

(D) All undergraduate and graduate courses must be taken other than during scheduled working hours. Continuing education courses may be taken during scheduled working hours with the approval of the Appointing Authority. All scheduled hours for courses of instruction must be filed through the Appointing Authority or his/her designee and forwarded to the Director of Human Resources. All courses are subject to approval by the Human Resources Director or designee. All scheduled times of courses must be approved by the Appointing Authority or his/her designee. Any situation which, in the discretion of the Appointing Authority or his/her designee, would require a member’s presence on the job, shall take complete and final precedence over any time scheduled for courses.

(E) Institutions must be located, or courses of instruction given within Franklin County or adjoining counties. Courses must be taken at accredited colleges, universities, technical and business institutes or at their established extension centers. Internet courses will be approved on a case-by-case basis consistent with the provisions of this Article. Seminars, conferences and workshops will only be considered for reimbursement
under the provisions of Section 23.1(C) and any related expenses or location must be approved in advance by the Appointing Authority.

(F) The Human Resources Director or designee shall determine the approved institutions for which reimbursement for instructional fees and associated fees (general and laboratory) may be made under this Section. Only those institutions approved by the Director of Human Resources or designee shall establish eligibility of the member to receive reimbursement. Additional institutions may be considered by forwarding an application for reimbursement to the Director of Human Resources. (G) Any financial assistance from any governmental or private agency available to a member, whether or not applied for and regardless of when such assistance may have been received, shall be deducted in the entire amount from the full tuition reimbursement the member is eligible for under this Section. If a member's tuition is fully covered by another governmental or private agency, then the member is not entitled to payment from the City.

(H) Reimbursement for instructional fees and associated general, laboratory fees or continuing education fees will be made when the member satisfactorily completes a course and presents an official certificate or its equivalent and a receipt of payment, or unpaid bill, from the institution confirming completion of the approved course.

(I) No reimbursement will be granted for books, paper, supplies of whatever nature, transportation, meals, or any other expense connected with any course except the cost of instructional fees and associated fees.

(J) The administration of the tuition reimbursement program will require the Director of Human Resources to be responsible for establishing rules, devising forms and keeping records for the program.

(K) A member participating in the tuition reimbursement program (including continuing education) who terminates City employment for any reason (other than layoff or death) must repay the tuition reimbursement paid by the City for courses taken within the following time frames based on the member’s termination date (pay back period to be based on the date the course or semester ended, not the date of payment by the City):

59
Any amounts due to the City under this pay back requirement shall be deducted from the member’s final paycheck or from the member’s terminal leave pay, including any applicable vacation pay, holiday pay, sick leave, etc. The member shall make the arrangements for payment of any additional balance due with the Director of Human Resources before his/her last day of employment.

(A) Comprehensive Major Medical.

(3) The reimbursement rate will be determined based on reasonable charges, not usual, customary and reasonable.
The plan has been modified to comply with HR 3101. For new hires (excluding current members) and their eligible dependents, a pre-existing condition clause will apply. In the event medical care or consultation is sought or received within six (6) months prior to the member's effective date of hire, the medical condition will not be payable for twelve (12) months from the effective date of coverage. For late enrollees, the pre-existing period relates to the effective date of coverage. The member can reduce their twelve (12) months pre-existing period by submitting a statement of creditable coverage from a prior employer's health insurer.

The City may implement preferred provider organization(s) (PPO) for medical services with the change in the benefit plan designed to provide that if a member and/or eligible dependent receives services from a preferred provider (PPO), reimbursements will be paid at the current co-insurance rate of 80/20 percent of reasonable charges. If the participating providers are not used, co-insurance will reduce to 60/40 percent of reasonable charges. The additional twenty percent (20%) co-insurance will be the member's responsibility and is not counted toward the deductible, co-insurance or out-of-pocket maximum. Any PPO network modifications by the Plan Administrator will apply.

Inpatient alcohol or drug treatment (substance abuse) is limited to one confinement per calendar year, per individual, with no more than thirty-five (35) calendar days per confinement. Inpatient psychiatric treatment is limited to a sixty (60) day maximum per calendar year.

Outpatient alcohol or drug treatment (substance abuse) payments are limited to fifty percent (50%) in reasonable charges limited to a total of twenty-five (25) visits per calendar year when provided by a network provider. Outpatient psychiatric payments are limited to fifty percent (50%) of medically necessary care limited to a total of twenty-five (25) visits per calendar year when provided by a network provider. Charges apply to deductible, co-insurance, and out-of-pocket maximums.

Routine physicals, exams and immunizations are covered benefits up to a maximum of $150 per individual covered person age nine (9) and over, and a $300 family maximum, subject to deductible, co-insurance, and out-of-pocket maximums. Stress tests determined medically necessary by the Plan Administrator are payable under these routine benefit limits.

• one (1) baseline exam for women 35-39 years of age;
• one (1) exam every two (2) years for women age 40-49;
• one (1) exam every year for women age 50 and over.

(I) Weight loss schedule limited to examination charges only. Food supplements in treatment of obesity are excluded.

(J) Services rendered by a Hospice Care program will be covered up to a maximum of sixty (60) days. Covered services include those services for which the employee and covered dependents are eligible during a hospital admission.

(L) Prescription drug deductible charges are not payable under this medical contract.

(M) Medical Case Management. A program that allows a consultant to review the medical treatment for an individual to determine whether the covered person does or does not qualify for alternate medical treatment benefits. The determination for a patient's medical case management eligibility will be primarily based upon medical necessity and appropriate medical care. The Plan Administrator will recommend alternate medical treatment on a case-by-case basis. Alternate medical treatment benefits refer to expenses that are approved before they are incurred, which may not otherwise be payable as covered expenses under the medical plan.
24.3 COST CONTAINMENT.

(A) Pre-Admission Certification.

If a member or a dependent is informed that a non-emergency inpatient admission or inpatient psychiatric treatment is necessary, the admission must be pre-certified by the City's medical utilization review administrator. If no pre-certification was made, a ten percent (10%) co-insurance will be applied, in addition to the deductible and co-insurance provisions. This ten percent (10%) co-insurance does not apply to the out-of-pocket maximum. If the hospitalization is determined not to be medically necessary, the member will be responsible for the cost of all medically unnecessary care. If using a PPO network provider, the provider will be responsible for pre-certification. The member is responsible for pre-certification if a non-participating provider is used.

(B) Assigned Length of Stay.

Once an elective admission has been pre-certified, a length of stay is assigned. If the hospital stay extends beyond the assigned length of stay, all charges for the additional days of stay will be subject to a ten percent (10%) co-insurance, in addition to the deductible and co-insurance provisions. This ten percent (10%) co-insurance does not apply to the out-of-pocket maximum.

(C) Planned Discharge Program.

In the event a member or dependent is hospitalized and it is determined that hospitalization is no longer needed, this program allows the patient to receive care in the most medically appropriate setting.

(D) Mandatory Second Surgical Opinion.

For specified non-emergency surgeries, a second surgical opinion shall be required. The second opinion shall be covered at one hundred percent (100%) of the usual, customary and reasonable (UCR) charges. If the first two opinions conflict, a third opinion shall also be covered at one hundred percent (100%) of UCR charges. If a second opinion is not obtained for the specified surgeries, a ten percent (10%) co-insurance shall be applied, in addition to the deductible and co-insurance provisions. This ten percent (10%) co-insurance does not apply to the out-of-pocket maximum. Based on medical information obtained prior to the surgery, the City's medical
utilization review administrator may waive the mandatory second surgical opinion required in specific cases.

(E) **Emergency Admissions.**

Emergency inpatient hospital confinements including inpatient psychiatric treatment must be certified within 48 hours of admission or a ten percent (10%) penalty will be applied to total charges in addition to the deductible, co-insurance and out-of-pocket maximum. In the event the care is determined to be medically unnecessary, the member will be responsible for the cost of all medically unnecessary care.

(F) **Continued Treatment and Technological Review.**

Certain outpatient non-emergency therapy, outpatient continued treatment, and advanced technological treatments recommended by the member’s attending physicians will require the City’s medical utilization review administrator’s approval. The City’s Plan Administrator may waive pre-certification requirements in specific cases. These treatments will include:

1. **Therapy and Treatment**
   a. **Physical Therapy**
   b. **Occupational Therapy**

contact the City's Medical Utilization Review Administrator to obtain continued treatment authorization. Also, if the member's physician instructs the member to receive any of the listed technological procedures, it is necessary for the member to contact the City's Medical Utilization Review Administrator to obtain pre-treatment authorization.

In the event the member does not obtain authorization for continued therapy, treatment, or technological review, the member will be responsible for ten percent (10%) of the total charges, in addition to his/her deductible, co-payment and out-of-pocket maximum provisions. In the event the care the member receives is determined to be medically unnecessary, he/she will be responsible for all medically unnecessary care.

(G) A mental health and/or substance abuse case management benefit will be available whereby an eligible participant may elect to exchange unused mental health or substance abuse inpatient days for other needed mental health or substance abuse benefits as determined by the Plan Administrator. The medical necessity and exchange rate shall be determined by the Plan Administrator.

24.4 DENTAL INSURANCE COVERAGE.
The City shall maintain the current dental coverage for all eligible members, including orthodontia coverage of one thousand eight hundred fifty dollars ($1,850.00). Dental general anesthesia administered by the dentist is a covered service and osseous surgery is eliminated from the dental plan, as this service is payable under the medical plan.

A voluntary dental PPO shall be available to members which allow voluntary selection of a participating provider which will result in no balance billing over reasonable charges. All existing coinsurance levels and exclusions continue to apply.

The City and the O.L.C. have a mutual obligation to protect the workforce and the public from the actions of members impaired by alcohol or controlled substances. Therefore, the City and the O.L.C. have agreed to common elements that will shape and guide the parties’ commitment to provide a drug and alcohol-free workplace. ARTICLE 27 - ENTIRE CONTRACT

This Contract, upon ratification, supersedes all prior practices and agreements, whether written or oral, unless expressly stated to the contrary herein, and constitutes the complete and entire agreement between the parties, and concludes collective bargaining for its term.

The parties acknowledge that, during the negotiations which resulted in this Contract, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter within the scope of bargaining as defined by state law, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Contract. Therefore, the City and the Union, for the duration of this Contract, each voluntarily and unqualifiedly, waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter, whether or not referred to or covered in this Contract, including the impact or effects of the City’s exercise of its rights as set forth herein on salaries, fringe benefits or terms and conditions of employment, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Contract. It is expressly agreed that the City may unilaterally make and implement decisions consistent with the City’s rights as set forth in Article 6, even though the exercise of such rights may involve subjects or matters not referred to or covered in this Contract.
