It is also recognized that it is in the best interest of the employee, the Newark Public Schools and the Union that this illness be treated and controlled under the existing collective bargaining contractual agreement.

A joint Labor Management Program shall be established for the purpose of helping the individual with the disease to recover. The program shall be structured and designed to achieve rehabilitation rather than for employee displacement. The Newark Public Schools and Union agree to provide training, i.e., workshops and seminars, etc., which train employees to be knowledgeable in areas impacted by chemical dependency. Such training shall assist employees in recognizing behavior patterns, which indicate that the employee has, or is developing alcoholism or chemical dependency as a serious but treatable disease. Said training shall also focus on explanations of the causes, progressive nature and treatment of alcohol and chemical dependency.

Participation by unit members shall be voluntary and confidential. The Newark Public Schools shall refer such employee to the Joint program for treatment. The employee's failure to participate shall be considered grounds for disciplinary action.
