EXHIBIT "A" - SALARY SCHEDULE ................................................................. 38
AGREEMENT made this 4TH day of May, 2004, between the INCORPORATED
VILLAGE OF FLORAL PARK, a municipal corporation having its principal office at No. 1
Floral Boulevard, Floral Park, New York, hereinafter referred to as the “Village”, and FLORAL
PARK POLICE BENEVOLENT ASSOCIATION, INC., having its office at Floral Park, New
York (P.O. Box 56), hereinafter referred to as the “PBA”.

ARTICLE I
RECOGNITION

The Village recognizes PBA as the sole bargaining agent for and on behalf of all members
of PBA and all those eligible for membership other than those holding a rank higher than
lieutenant, hereinafter called “Members”, during the term of this Agreement for the purposes
provided in and with all the rights and privileges mandated by Article 14 of the Civil Service Law.
As used herein, “Members” shall mean only those persons actually employed as and working as
police officers in the Floral Park Police Department, and shall not include retired Members.

ARTICLE II
CONSTRUCTION

This Agreement is entered into pursuant to the provisions of Article 14 of the Civil Service
Law and shall be construed in accordance therewith.

ARTICLE III
HOURS OF WORK

SECTION 1 - Tour Schedules, Meal Periods and Changing Tours

(a) Duty shifts and hours of work shall be as scheduled by the head of the Department
provided such schedule shall not exceed four (4) eight hour days during any seven (7) consecutive

day period except for changing duty shifts, a public emergency, or special event declared by the head of the Department. PBA agrees that the patrolmen and officers will arrive at the station house in sufficient time, prior to roll call, to prepare themselves for their tour of duty.

(b) The tour schedule of Members assigned to regular patrol shall be as follows: A Member shall be assigned to the 7:00 a.m. to 3:00 p.m. tour for four (4) successive days, with seventy-two (72) hours off. A Member shall then be assigned to the 3:00 p.m. to 11:00 p.m. tour for four (4) successive days, with seventy-two (72) hours off. A Member shall then be assigned to the 11:00 p.m. to 7:00 a.m. tour for four (4) successive days, with seventy-two (72) hours off. This Member will thus work twelve (12) days in a nineteen (19) day cycle.

(c) Detectives and lieutenants shall work a two hundred thirty-two (232) day schedule. A Detective shall be paid on an eight (8) hour day, with any work in excess of that day to be compensated as overtime. Lieutenants shall work flexible tours of duty between the hours of 7:00 a.m. and 11:00 p.m., Monday through Friday, except as may otherwise be deemed necessary by the Department in cases of emergency or shortages of personnel, in which such event, however, the recall provisions of the contract shall apply. The Village may schedule a sergeant (known as a swing sergeant) to work Monday through Friday, 10:00 a.m. to 6:00 p.m. with alternate Fridays off except as the swing sergeant shall otherwise be scheduled to work the tour schedule set forth in (b) above in accordance with past practice which shall include vacation, extended illness, injury on the job, and attendance of a newly appointed Sergeant at Supervisors School. The Village may require a “swing” sergeant to cover for another sergeant who is excused from either the 7:00 a.m. to 3:00 p.m. tour or the 3:00 p.m. to 11:00 p.m. tour during the “swing” sergeant’s 10:00 a.m. to 6:00 p.m. tour.
(d) Notwithstanding subsection (c) above, a new Detective and a new Lieutenant hired during the term of this Agreement shall work flexible tours of duty between the hours of 7:00 a.m. and 11:00 p.m. Monday through Saturday, except as may otherwise be deemed necessary by the Department in cases of emergency or shortages of personnel, in which such event, however, the recall provisions of the contract shall apply. The new Detective and new Lieutenant shall each receive one (1) additional chart day per year.

(e) Members shall be excused for one sixty (60) minute meal period during each full tour of duty. Members who are compelled by order of a superior officer to miss such meal period shall be paid ten ($10.00) dollars for the missed meal period.

(f) Only in cases of emergency, shortage of personnel caused by illness, vacations, training as provided in (g), or other legitimate absences, or by mutual agreement between the Member and the scheduling officer, may a Member be shifted from one tour to another; provided, however, that in such event, the Member shall have been given seventy-two (72) hours prior notice of the change of tour, and further provided that the Member’s new four (4) eight hour tours are either shifted from the 7:00 a.m. - 3:00 p.m. tour to the 3:00 p.m. - 11:00 p.m. tour or from the 3:00 p.m. - 11:00 p.m. tour to 7:00 a.m. - 3:00 p.m. tour. In the event that a Member does not receive the seventy-two (72) hour notice, he shall be entitled to recall for one (1) day only.

(g) A Member may be shifted from one tour to another for the purpose of training once a calendar year for that Member provided the Member shall be given seventy-two (72) hours prior notice of the change of tour and further provided that no Member shall have an approved day off cancelled as a result of such shift of tours.
SECTION 2 - Overtime

(a) In no event shall any Member hereunder be required to work more than eight (8) hours in any one (1) day, unless he shall be credited with such time worked in excess of eight (8) hours and shall receive either overtime compensation or compensatory time off (as provided below) at the rate of one and one-half times the number of hours in excess of eight (8) that the Member has worked. For the first sixty (60) hours of overtime accumulated (forty (40) hours worked at time and one half) in any calendar year, but excluding any hours carried over from a prior year, the Member shall have the option to choose between cash payment and compensatory time off for those hours. For all hours accumulated in excess of sixty (60) hours of overtime (forty (40) hours worked at time and a half) payment shall be in cash unless the Board of Trustees otherwise permits. In the event a Member has accumulated sixty (60) hours of overtime as above provided the Member may not replenish these hours in any calendar year except for twelve (12) hours of overtime (eight (8) hours worked at time and one half).

Effective June 1, 1999, a Member may replenish accumulated hours of overtime up to the maximum sixty (60) hours, except that on or about June 1, 2001, either party may petition to have an Interest Arbitration Award issued with respect to this provision.

(b) A Member who has worked overtime shall immediately upon completion of the overtime work submit a record of the overtime and indicate whether he chooses cash payment or compensatory time off, if permitted under Article III, Section 2(a) herein. Cash payment shall be made in the next succeeding pay period.

(c) Overtime shall be computed in segments of not less than thirty (30) minutes. A Member must work at least fifteen (15) minutes of a thirty (30) minute segment to earn overtime
compensation for such segment.

SECTION 3 - Accumulation of Time

There shall be maintained records of all overtime and compensatory time accumulated by each Member. The individual record of each such Member shall be available for inspection by him upon request made to the head of the Department. Scheduling of compensatory time off shall be at the discretion of the Police Commissioner. However, Members may request specific dates subject to the approval of the Police Commissioner which approval shall not be unreasonably withheld. Compensatory time shall be granted in the calendar year in which it is earned; provided, however, that a Member may accrue ninety-six (96) hours which includes the sixty (60) hours of overtime (forty (40) hours worked at time and a half) provided in Section 2(a) which may be carried over to the following year and shall be taken by and, where practicable, granted to the Member prior to March 31st of that year. In the event that compensatory time off cannot be granted as set forth herein then the Member so entitled shall be given cash payment as set forth in Section 2 of this Article.

SECTION 4 - Special Events

In the event a special event is declared by the head of the Department, or a public emergency exists, any Member required to work in excess of his regularly scheduled tours and more than eight hours in any day due to the special event, or public emergency, shall receive compensation in accordance with Section 2 of this Article, for the number of hours actually worked for said special event or public emergency.
SECTION 5 - Recall

(a) To Work

Any Member who is recalled to work after finishing a tour of duty and who is placed on duty shall receive a minimum of six (6) hours salary for time worked. A Member recalled but not placed on duty shall receive three (3) hours salary as time worked. The Village shall provide comprehensive automobile liability coverage with no deductible clause for a Member who is recalled covering the period from one hour prior to the time he is due to report for recall and one hour after the time he is relieved from duty on the recall. The foregoing shall not be construed to relieve the Village from its obligation to provide liability coverage for Members on regular duty tours in their capacity as police officers. The foregoing shall apply in the case where Members are recalled for court appearances. The Member at his option may choose cash or compensatory time on a straight time basis for travel time earned. When a Member is recalled he shall be paid mileage from and to his place of residence at the rate of twenty-five (25¢) cents per mile and shall be paid one hour at straight time for travel in each direction; however, where there is no break between recall duty and the Member’s prior or subsequent regular tour, mileage and travel time shall be paid for only one direction.

(b) Court Recall - Excuse from Tour

A Member who is assigned to the 11:00 p.m. - 7:00 a.m. tour and who is required to attend court or an administrative or governmental hearing on the same day as that following conclusion of such tour shall, upon the Member’s request, be excused from his tour prior to such required attendance at 4:00 a.m., except in emergency situations.
(c) **Minimum Cancellation for Court Recall**

(i) If the court recall is cancelled by notifying the Member more than seventy-two (72) hours before the designated time, then the Member shall receive no compensation.

(ii) If the court recall is (1) not cancelled by notifying the Member more than seventy-two (72) hours before the designated time or at any time seventy-two (72) hours or less before the designated time, and (2) the Member actually reports for such work, then the Member shall be credited with a minimum of four (4) hours as time worked or the actual time worked if four (4) hours or more. A Member who does not so actually report for such work shall receive no compensation.

(iii) If the court recall is cancelled by notifying the Member seventy-two hours or less before the designated time, the Member shall immediately notify the desk officer or such other individual as the head of the Department so designates in accordance with the Rules and Regulations of the Police Department. The Member shall be required to report to duty, as directed by such individual he or she is required to notify, for a minimum of four (4) hours of work, all of which shall be within eight (8) hours after such designated time, unless the Member voluntarily or actually does not so report to work, in which case, he or she shall receive no compensation for the court recall.

(iv) Notice under this subsection may be to the Member personally or to an individual at the place the Member has furnished the desk officer or such other individual as the head of the Department so designates in accordance with the Rules and Regulations of the Police Department. Notice is deemed made if an unsuccessful attempt at actual notification is made at such place unless the Member was actually on-duty at the time of such unsuccessful attempt.
SECTION 6 - Stand-by

Any Member who is ordered to be on stand-by shall be paid at the rate of two (2) hours for every eight (8) hours he is actually ordered to remain on stand-by. If the Member is ordered to remain at home and not merely to leave a forwarding telephone number, the Member will be given compensatory time off in accordance with Article III, Section 3, at the rate of one (1) hour for each one (1) hour that he or she is ordered to remain at home on stand-by. No Member shall be required to stand-by with regard to a court proceeding.

SECTION 7 - Overtime for Disciplinary Procedures

A Member attending his or her own disciplinary proceeding shall not receive any overtime because of hours directly or indirectly involved therein, except if found innocent on all charges.

SECTION 8 - School and Training Classes

Any Member who is assigned to the 7:00 a.m. - 3:00 p.m. tour or whose tour has been shifted as provided in Article III, Section 1 (g) and who, instead, attends a training school or class on the same day between the hours of 9:00 a.m. and 5:00 p.m. or 8:00 a.m. and 4:00 p.m., shall not be entitled to overtime compensation, except that new recruits in the Police Academy, as long as they are in County Police custody, shall earn no extra compensation even if they are required to spend in excess of 40 hours per week in training. If a new recruit works in excess of 40 hours outside the Police Academy, then said Member shall be compensated accordingly.

ARTICLE IV

SECTION 1 - The Members shall receive salaries as set forth in Exhibit “A” attached hereto.
SECTION 2 - Patrolmen promoted to Sergeant and Sergeants promoted to Lieutenant shall receive on promotion a salary equal to that set forth in Exhibit “A”.

SECTION 2 - Holiday Compensation

All Members hereunder shall receive their regular compensation for all of the aforesaid holidays and, in addition thereto, all Members hereunder shall receive compensation, to be
deemed overtime compensation, at the hourly rate of pay for each of the aforesaid holidays whether the member shall be required to work said holiday or not. A Member who is required to work on a holiday shall receive one-half (1/2) hour pay in addition to the holiday compensation specified heretofore in this Section for all hours worked on the holiday. In view of the variable dates of holidays, the additional pay for holiday work shall accrue only to those members who actually worked on the day on which the holiday is actually celebrated; provided, however, that for the purposes of such additional pay, a holiday will be deemed to commence at 11:00 p.m. of the day prior to the day the holiday is actually celebrated and shall be deemed to end at 11:00 p.m. on the day the holiday is actually celebrated, it being recognized that the normal working day begins at 11:00 p.m. and ends the following 11:00 p.m.

SECTION 3 - Reservation of Rights

Nothing contained herein shall affect the right of the head of the Department to require any Members to work on any of the holidays enumerated herein.

SECTION 4 - Additional Paid Holidays

When the Mayor or, in his/her absence, his/her designated representative, declares a holiday for Village employees due to an emergency or for other reasons, the Members who have reported to work prior to such declaration or actually worked thereafter shall have such time worked payable at the option of the Village Board on either a cash basis or as compensatory time. Compensation shall be at the rate of one (1) hour's pay for each one (1) hour worked. The provisions of this Section shall not apply to any Member who did not actually work on the declared holiday, nor shall the provisions of this Section apply on those days when, by custom (e.g., Christmas Eve, New Year's Eve), the Village offices are closed at midday.
SECTION 5 - Time of Payment for Overtime Holiday Compensation

Payment for overtime holiday compensation shall be as follows:

(a) Seven (7) days pay in June of each year.

SECTION 7 - Rate of Holiday Overtime Compensation

All overtime worked on a holiday, which is required by the Village and does not constitute a voluntary tour (or part thereof) or a scheduled tour (or part thereof), shall be paid at the overtime rate for holidays, which shall be one-half (½) hour pay for each hour worked on that holiday in addition to the holiday compensation specified in Section 2 of this Article and pursuant to Article III, Section 2, except when a member works overtime into or out of a holiday from or to a non-holiday, in which event the overtime shall be paid at the regular overtime rate.

Additionally, Memorial Day Parade Detail shall constitute a voluntary overtime tour of duty.

ARTICLE VI

Vacation with pay shall be granted as follows (based on an eight (8) hour working day):
(a) Less than five (5) years of continuous service - twenty (20) working days;

(b) After completing five (5) years of continuous service twenty-seven (27) working days;

(c) After completing fifteen (15) years of continuous service - twenty-eight working days.

New Members hired after June 1, 1989 shall be granted vacation with pay as follows (based on an eight (8) hour working day):

Completion of 3 years of service - 18 days
Completion of 4 years of service - 20 days
Completion of 5 years of service - 23 days
Completion of 6 years of service - 27 days
Completion of 15 years of service - 28 days

SECTION 2 - Eligibility

Members shall become eligible for vacations during the calendar year in which the required length of service shall have been completed. However, a Member must have one (1) continuous year of service before receiving his full vacation time. Thereafter, vacation time shall be credited on January 1st of each year. In addition, a Member’s additional credits for five (5) or more years of continuous service shall be only credited on the anniversary date of such fifth year.

SECTION 3 - New Members

The authorized vacation period granted to Members with less than one (1) full year of service shall be one working day for every month of service. Such vacation may be taken by the Member any time subsequent to six (6) months after appointment and shall not be used prior thereto and the portion so taken shall be subtracted from his first year’s entitlement.
SECTION 4 - Termination of Services

A Member whose services are terminated for any reason except cause shall be entitled to vacation pay for the portion of the year actually worked pro-rated on a monthly basis which shall include time worked during the first year after his appointment, pursuant to limitations of Section 431 of the New York State Retirement and Social Security Law.

SECTION 5 - Additional Vacation Credit

A Member on vacation may sign on sick leave before the termination of the vacation period and shall be credited with additional vacation days for all days so designated, in cases of sick leave resulting from injuries determined by the head of the Department as being in the line or performance of duty.

SECTION 6 - Voluntary Work During Vacation

At the discretion of the head of the Department Members who so desire may volunteer to work for a period of five (5) consecutive days during their annual vacations. Such work will be compensated at straight time, unless a member works in excess of eight (8) hours on any day. Such volunteers may be assigned to perform duties as designated.

SECTION 7 - Holidays Within Vacation Period

In the event a holiday falls within the vacation period of a Member, on a day which would otherwise be such Member’s scheduled work day, the Member shall, subject to approval of the head of the Department, be entitled to extend his vacation by one working day or receive eight (8) hours compensatory time.
ARTICLE VII

SICK LEAVE

SECTION 1 - Sick Leave Credits

In the calendar year all Members shall be granted twenty-six (26) days sick leave with pay. Sick leave shall be cumulative without limitation. On the job injury shall in no event be chargeable against any sick leave hereunder. A Member may use up to six (6) days per year of his annual sick leave to cover illness in the immediate family. The Commissioner of Police may request justification of the family illness when he/she has a reasonable belief that the request for such leave is not legitimate and he/she articulates that reasonable belief to the individual officer involved.

Members shall be granted one (1) additional personal leave day for each continuous six (6) month period wherein they have not taken sick leave. Time off for such personal leave days earned shall be governed by the rules appearing in Article X, Section 4.

SECTION 2 - Verification of Sickness or Disability

In the event that a Member is absent from work due to sickness or disability, a representative of the Police Department designated by the head of the Department may telephone or visit the Member's place of illness between the hours of 9:00 a.m. and 9:00 p.m. The head of the Department may request a police surgeon or other competent medical authority to examine the Member and report his findings to the Police Department.

SECTION 3 - Reporting Absence

A Member shall report an absence for sickness or disability to the head of the Department or immediate supervisor prior to the Member's scheduled reporting time or at such earlier time as
may be designated by the head of the Department. A Member on sick leave may leave his or her
residence or place of confinement at any time after the first day of absence provided the head of
the Department or the Officer on duty is notified of the approximate length of the absence from
said place of confinement if it will exceed four (4) hours duration.

SECTION 4 - Accumulation of Sick Leave

Upon retirement with service or disability pension or death in service, a Member or the
Member's legal representative shall be entitled to the cash value of accumulated sick leave to the
extent of fifty (50) percent thereof, but in no case shall the payment exceed a total of two hundred
(200) working days. Cash payment for accumulated sick leave shall, at the option of the Village
Board of Trustees, be made in installments as below set forth or in a lump sum reasonably
promptly following retirement. To qualify for a lump sum payment, a Member must notify the
Village Clerk in writing of his or her desire therefor at least ninety (90) days prior to the close of
the Village's fiscal year immediately preceding the date of such Member's intended retirement. In
exercising such option, the Trustees shall take into account the preference of the retiring Member,
the financial condition of the Village and its obligation to retired and retiring Members for
payment of accumulated leave and termination pay. Installment payments shall be made as
follows: one-fifth (1/5) of the total entitlement at the time of retirement, and one-fifth (1/5) in the
anniversary month of retirement in each of the succeeding four (4) years following retirement. No
interest shall accrue or be paid on deferred sick leave payments and in no case shall cash
entitlement for accrued sick leave be included in the base on which retirement benefits are
determined.
Effective June 1, 1999, an accumulated sick leave payment shall not exceed two hundred
ten (210) working days.

Effective June 1, 2001, an accumulated sick leave payment shall not exceed two hundred
twenty (220) working days.

SECTION 5 - Doctor's Certificate

Where a pattern of absence or claimed illness is apparent to the head of the Department,
the Member will be advised in writing to present a doctor's certificate in order to substantiate the
Member's entitlement to sick leave with pay for absences for one (1) day or more. The cost of
obtaining the doctor's statement shall be borne by the Member.

SECTION 6 - Partial Workday Due to Illness

In the event a Member reports for a tour of duty and is thereafter excused due to illness
after working less than three (3) hours of said tour, one half (½) day's leave shall be charged to the
Member's allowance for sick leave. A Member who works three hours or more prior to being
excused due to illness shall not be charged for any sick leave.

SECTION 7 - Sick Leave Donation Program for Serious and Catastrophic Illness or
Medical Condition

1. A Member who has a minimum of thirteen (13) days accumulated sick leave
standing to his/her credit, may, at his/her option assign up to five (5) such sick leave days in a
calendar year to another Member who has exhausted all of his/her sick leave, annual leave, and
personal leave, and compensatory leave because of a serious and catastrophic illness or medical
condition. Whether an illness or medical condition is serious and catastrophic shall be the
determination of the Commissioner of Police upon his review of competent medical reports. His
determination shall not be arbitrary or capricious. A Member may only assign sick leave credits once in any calendar year and only in full day, eight-hour units to no more than two Members. The assignment of sick leave credits shall be made only on forms provided by the Village. Such assigned sick leave credits will be deducted from the donating Member's sick leave accruals immediately upon notification to the Village.

(2) A Member who is assigned sick leave under this Section may not be credited with a total of more than one hundred fifty (150) days of such assigned sick leave credit. A Member will continue to earn and accrue annual and sick leave credits while utilizing assigned credits under this section.

(3) Any assigned sick leave credits not used by a Member prior to his/her first return to duty or upon the Member's separation from service shall be restored at the end of the calendar year to those Members who made the donations, on a pro rated basis.

ARTICLE VIII

HEALTH INSURANCE

SECTION 1 - Active Members

Members may elect individual or family coverage under the Empire Plan as provided by New York State. The Village will pay the total premium for individual or family coverage for such plan. In the event of death of Member, and to the fullest extent permitted by applicable law, rules or regulations, the Village shall continue such payments for coverage for the Member's surviving spouse until he or she remarries, and for the Member's dependent children subject to conditions of the plan.
Section 2 - Retired Members

Coverage under the State Wide Plan only is provided as follows:

(a) Members who retire on pension on or after June 1, 1975: The Village will pay 100% of the premiums for individual or family coverage, as may be appropriate. The Village shall not be obliged to make such 100% payment for a retired Member who has achieved age 65 or who is covered by any hospitalization plan of another employer but shall, in respect of such a retired Member, furnish such coverage and make such payments as may be required by applicable law, rule or regulation (under current requirements, the Village must pay 50% of the cost for individual coverage and 35% of the additional cost for family coverage for eligible retirees). The PBA and retired Members will comply with reasonable procedures established by the Village for the purpose of ascertaining whether coverage is furnished by another employer. If, because of its 100% payments for retirees under 65 who have no other coverage, the Village must pay 100% to retirees who are over 65 or who have other hospitalization, the PBA will indemnify the Village for the difference between the 100% and the minimum that the Village would otherwise be obligated to pay for retirees who are over 65 or who have coverage elsewhere.

(b) Members who retired prior to June 1, 1973, and whose retirement came after attaining fifty-five (55) years of age: The Village will pay 100% of the premiums for individual or family coverage, as may be appropriate.

(c) Members who retired between June 1, 1973 and May 31, 1975: the Village will pay 50% of the cost for individual coverage and 35% of the additional cost for family coverage. The balance of premium charges due must be borne by the Member.

(d) The Village shall not bear the cost of coverage for a retired Member's
family upon the death of such Member but shall, in respect of such family, furnish such coverage and make such payments as may be required by applicable law, rule or regulation.

ARTICLE IX
RETIREMENT BENEFITS

SECTION 1 - Retirement Plan

(a) The Twenty-Year Retirement Plan (§384-d) of the New York State Policemen’s and Firemen’s Retirement System is provided for all members except for those who elected to remain in the Twenty-five Year Plan (§384).

(b) The Village will continue to pay the full contribution under either Plan.

The supervisor shall inform the Member of his decision within three (3) days after the grievance is presented to him.

SECTION 2 - Step Two

If the matter cannot be satisfactorily resolved informally, then within ten (10) days after the grievance is presented to the supervisor, the aggrieved Member shall present a statement in writing to the Commissioner of Police setting forth: (a) the activity alleged to give rise to the occurrence, (b) the specific provision of this Agreement which is alleged to have been violated, misapplied or misconstrued, (c) a brief summary of the facts relating to the grievance, and (d) the relief requested. The Commissioner of Police shall thereupon meet with the Member and make such investigations, as he deems appropriate. The Commissioner of Police shall then issue a written decision setting forth pertinent findings of fact, conclusions and supporting reasons within ten (10) days of receipt of the grievance.

SECTION 3 - Step Three

ARTICLE XVII

BILL OF RIGHTS FOR MEMBERS

SECTION 1

The following procedure is hereby established to govern the conduct and control of investigations by the Floral Park Police Department of possible disciplinary violations. The wide-ranging powers and duties given to the Police Department and its Members involve them in all manner of contacts and relationships with the public. Out of these contacts come many questions concerning the actions of Members. These questions often require immediate investigation by Superior Officers designated by the Commissioner of Police of the Incorporated Village of Floral Park. In an effort to insure that these investigations are conducted in a manner which is conducive to good order and discipline, the following guidelines are promulgated:

(i) The interrogation of a Member who is being investigated for a possible
disciplinary violation shall be at a time when the Member is on duty at a reasonable hour, unless
the exigencies of the investigation dictate otherwise.

(ii) The interrogation shall take place at a location designated by the investigating
officer. Usually, it will be at Police Headquarters.

(iii) The Member shall be informed of the rank and name of the officer in charge of
the investigation, as well as the rank and name of the interrogating officer and of all persons
present during the interrogation.

(iv) The Member shall be informed of the nature of the investigation before any
interrogation commences. The information must be sufficient to reasonably apprise the Member of
the nature of the allegations. If it is known that a Member being interrogated is the target of a
criminal investigation or a witness only, he should be so informed at the initial contact.

(v) The questioning shall not be unreasonably long, with rest periods being called
periodically for personal necessities, meals, telephone calls and rest.

(vi) The Member shall not be threatened with transfer, dismissal or other
disciplinary punishment as a means of obtaining information concerning the incident under
investigation. No promise of reward shall be made an inducement to answering questions.

(vii) If a member is under arrest or is likely to be, that is, if he is a suspect or the
target of a criminal investigation, he shall be given his rights pursuant to the Miranda Decision.

(viii) Except as provided in (vii) immediately preceding, the law imposes no
obligation, legal or otherwise, on the Department to provide an opportunity for a Member to
consult with counsel or anyone else when questioned by a Superior Officer about his employment
or matters relevant to his continuing fitness for Police service. Nevertheless, in the interest of
maintaining the usually high morale of the Force, the Department shall afford an opportunity for a Member, if he so requests, to consult with counsel and/or with a representative of the Association before being questioned concerning a serious violation of the Rules and Regulations if he is a target, provided the interrogation is not unduly delayed. However, in such cases, the interrogation may not be postponed for purposes of consultation past 10:00 a.m. of the day following the notification of interrogation. The Member shall have the right to his counsel and/or Association representative present to assist him during the interrogation. This does not prohibit the right of the Department to request a letter from a Member who is a witness or is accused of a minor violation of the rules and regulations.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals this _____ day of May, 2004.
