WHEREAS, the parties have negotiated collectively in good faith in an effort to arrive at an agreement to cover the compensation and conditions of employment of all of the employees in the Bargaining Unit and have, as a result of such negotiations and in consideration of the requests of the Union and proposals made by the Town, arrived at certain understandings with respect to conditions of employment and compensation of employees in the Bargaining Unit;

ARTICLE II
LONGEVITY

1. All eligible employees in the Bargaining Unit shall receive one hundred fifty ($150.00) dollars longevity pay added to their base annual compensation after 10 years of service with the Town; three hundred ($300.00) dollars after 15 years of such service and four hundred fifty ($450.00) dollars after 20 years of such service. These amounts shall be cumulative to a total of nine hundred ($900.00) dollars after 20 years of such service.

Qualification for longevity pay shall not require continuous service but only actual employment time shall be considered. All employees returning to the employ of the Town after a period of absence from such employment will get credit for prior service after he or she has been re-employed for at least twenty-four (24) months of uninterrupted service.

Longevity payments for all employees shall be paid in one lump sum and in a separate check at the end of each calendar year.

ARTICLE III
OVERTIME PAY

1. All full-time employees in the Bargaining Unit shall receive overtime pay at the rate of one and one-half times their regular rate of pay for each hour and fraction thereof worked in excess of five (5) days in any one week or in excess of seven (7) hours in any one day except that employees compensated in accordance with Schedule "A" shall receive overtime pay only for each hour or fraction thereof worked in excess of five (5) days in any one week or in excess of eight (8) hours in any one day.

2. All work performed on a holiday shall be paid for at overtime rates of one and one-half times the regular rate of pay for each hour and fraction thereof worked. Library employees who performed work on a holiday shall receive, at the employee's option, pay at the rate of one and one-half times the regular rate of pay, or compensatory time off at a mutually agreed upon time at the rate of one and one-half hours for each hour worked on Election Day and the day after Thanksgiving.

Civilian Police Dispatchers and paramedics who work on a holiday that falls during the regular work week shall be compensated by receiving their regular days' pay and will receive another day off in lieu of such holiday.

3. Regular part-time employees shall be paid overtime after working 40 hours in a workweek. Overtime payments during the summer hour period, if any, will begin only after an
employee works in excess of the number of daily hours normally worked by the employee during
the remainder of the year.

4. Employees may not work overtime, unless there has been prior approval of the
department head or designee, except emergencies within the Water and Sewer Department. The
Town will provide the Union a list of designees with the authority for approving overtime.

5. Blue collar employees shall receive double time for work on holidays and
Sundays. This provision shall not apply to prescheduled work for Sundays.

"Prescheduled" shall be defined as when the practice is Sunday as part of the work
week.

6. Employees in the Water and Sewer Department who work 16 or more continuous
hours including normal meal periods shall be entitled to an eight-hour rest period at the
conclusion of such work period. If any part of the eight-hour rest period extends into the
employee’s next regularly scheduled work day, it shall be paid at straight time with no charge to
leave accruals.

ARTICLE IV
RECALL AND STAND-BY TIME

All employees in the Bargaining Unit shall receive a minimum of four (4) hours pay at
overtime rates if recalled to duty before or after a regular tour. Employees in the Bargaining Unit
placed on standby status shall receive four (4) hours pay at straight time for each 24-hour period
when the employee is on standby status. The assignment of recall overtime in the Water
Department will be offered on an equal basis to all qualified employees.

ARTICLE V
VACATIONS

1. All employees in the Bargaining Unit shall receive an annual vacation with pay
on the following basis:

Ten (10) working days after the first and second years of employment;
Fifteen (15) working days after the third year of employment;
Sixteen (16) working days after the fifth year of employment;
Twenty (20) working days after the tenth year of employment;
Twenty-Five (25) working days after the twentieth year of employment.
Vacation time will accrue on an annual basis. All time will be placed on the books and may be used on January 1st of each year. Any employee hired in the prior year will have his/her vacation times pro-rated. During the transition year of 1990, all employee time will be pro-rated from the employee’s hire date to December 31st. This time will be placed on the books as of January 1st.

The foregoing annual vacations represent the total annual vacation period for each employee based on years of service to the Town. Vacation time may be accumulated to a maximum of one-half of the prior year’s earned vacation. If the Town denies an employee an opportunity to use the employee’s accruals, so that the employee exceeds the maximum number of days, the Town shall pay the employee for the number of days in excess of the maximum.

2. Vacation pay shall be paid in advance immediately prior to commencement of a vacation period upon request of the employee concerned. In order to receive advance vacation pay, the employee must submit such request in writing two weeks prior to the scheduled vacation.

3. Verified hospitalization time occurring during an employee’s vacation may be charged against accumulated sick leave and not against vacation upon request of the employee, which request shall be made, if at all, within sixty (60) days of such hospitalization.

4. Vacations shall be scheduled in advance and shall be taken at such times as may be approved by the Department Head, or his/her designee(s), provided, however, that such approval may not be unreasonably withheld. In the event of a conflict involving two or more employees equally qualified, seniority of service with the Town shall govern and the employees must be advised as soon as possible, but no later than twenty (20) calendar days of the request.

5. Vacation accruals must be taken in minimum increments of one-half day.

6. The vacation requests of Police Dispatchers and Civilian Paramedic Personnel shall be submitted in November of the year preceding that in which the vacation is to be taken. This shall coincide with the submittal of vacation requests by sworn personnel, thereby facilitating the assignment of vacations while ensuring that these critical positions, in which police and civilian personnel are employed interchangeably, receive appropriate staffing.

Although every reasonable effort shall be made to accommodate vacation requests submitted by Police Dispatchers and Civilian Paramedic Personnel that are not made in November of the year preceding that in which the vacation is to be taken, the Chief of Police may deny any such request that, if granted, would result in an insufficient number of Dispatch or Paramedic personnel available for duty or create a need for the incurrence of overtime to fill these positions.
It is understood that no Police Dispatcher or Civilian Paramedic shall have previously approved vacation canceled or changed to accommodate a member of the sworn service except in the event of a catastrophe that would require the cancellations of all vacations.

ARTICLE VI
HOLIDAYS

1. All employees in the Bargaining Unit shall receive fourteen and one-half (14½) paid holidays per year whether worked or not. The following are designated as paid holidays:

   New Year's Day
   Martin Luther King, Jr.'s Birthday
   Lincoln's Birthday
   Washington's Birthday
   Memorial Day
   Independence Day
   Labor Day
   Columbus Day
   Election Day
   Veterans' Day
   Thanksgiving Day
   Day after Thanksgiving Day
   Christmas Day
   ½ day on afternoon of Good Friday
   ½ day on afternoon of Christmas Eve
   ½ day on afternoon of New Year's Eve

2. Employees working on a holiday shall receive overtime pay in accordance with Article III of this Agreement plus straight time for holiday pay.

3. Notification shall be given to the President of the Association on or before December 31st of each year of the actual dates of designated holidays for the upcoming calendar year.

4. Library employees shall receive, at the employee's option, compensatory time or pay at the rate of time and one-half for each hour worked on Election Day and the day after Thanksgiving.
ARTICLE VII
PERSONAL LEAVE

1. Each employee in the Bargaining Unit shall be allowed a maximum of three (3) days of personal leave, with pay, each year. However, employees may not use personal leave with pay during the employee's first six (6) months of employment with the Town. Personal leave may not be added to vacation time. All personal leave days not utilized by the employee by December 31st of the year of accrual shall be paid to the employee at the current rate of pay on or before the first full paycheck of the following year in a separate check.

2. Personal leave must be used in minimum hourly increments, with the approval of the immediate supervisor, which approval shall not be unreasonably withheld. However, an employee denied personal leave shall receive written notice of the reason or reasons for such denial at the time of such denial.

3. In other than emergencies rendering advance notice impossible, requests for personal leave shall be submitted to the Department Head at least three (3) days in advance.

4. LEAVE OF ABSENCE WITHOUT PAY: Any permanent employee who is temporarily, physically or mentally, unable to perform his/her duties or who desires to engage in a course of study intended to increase his/her usefulness to the service, or who, for any reason considered good by the appointing authority desires to secure a leave of absence from his/her regular duties may be granted a leave of absence without pay for a period not to exceed one (1) year.

5. An employee may request permission to attend conferences and professional meetings relevant to his/her work. If the Department Head approves and funds are available for this purpose in the department budget, such trips will be authorized.

6. An employee will be allowed one (1) day of paid absence for marriage on a normally scheduled work day.

ARTICLE VIII
SICK LEAVE

1. Each employee in the Bargaining Unit shall be allowed leave with pay up to twelve (12) working days each calendar year for personal illness or injury. Sick leave shall accrue at the rate of one (1) day for each full calendar month worked. New hires may not use sick leave with pay during the employee's first six months of employment. At the completion of six months of employment, the employee shall be credited with six days of sick leave, which
may be used retroactively for any days in which the employee was sick during the first six months of employment and was on leave without pay.

2. At the start of a work day, an employee must use a minimum of one-half day sick leave unless a doctor's note is provided.

Upon producing a doctor's note acceptable to the Town, sick leave will be charged in hourly increments. Employees who report to work, and who work less than the regular working day by reason of illness shall be paid for the number of hours actually worked and the balance of the time shall be charged to sick time, which must be used in minimum hourly increments. Employees requesting sick leave must call in prior to the start of the employee's work day. Failure to comply with this requirement may result in leave without pay for \( \frac{1}{2} \) day.

3. Sick leave may be accumulated on an unlimited basis to be used for illness. Under no circumstances shall it be taken as an additional personal leave, terminal leave, vacation or for any reason other than actual illness or injury. All members of the Bargaining Unit upon retirement or termination who have accrued a minimum of seventy-two (72) days' sick leave will receive a cash payment of up to fifty (50) percent of all accrued sick leave. The remaining sick leave may be used for retirement credit purposes for up to a maximum of 165 days. The maximum accumulation of sick leave for purposes of payment upon retirement or termination shall be one hundred eighty (180) days for employees hired on or after the date of ratification of this Agreement. For employees hired prior to the date of ratification, sick leave accumulations for purposes of payout shall be capped at the employee's respective accumulation on December 31, 1993 or 180 days, whichever is greater. The cap for employees with more than 180 days accumulated on December 31, 1993 shall decrease for payout purposes with future use of sick leave in excess of the cap.

Sick leave is for sickness, sufficient to confine an employee to home, or to an area where the employee can be reached, except for necessary doctor's visits. The Town, at its discretion, may require a statement from the employee's physician attesting to the employee's illness or injury after the fourth (4th) consecutive day of absence.

Bargaining Unit members may utilize a maximum of five of their accumulated sick leave days for family sick leave. "Family" shall be as defined in the bereavement leave clause of the contract. Family sick leave shall only be permitted to care for sick family members suffering from serious health conditions. The Town may require the employee to provide proof of the family member's illness.

4. Absence due to jury duty will not be charged against accumulated sick leave.

5. If the employee is absent on sick leave the day before and/or the day after a holiday, or before or after a weekend, the Town may require, at the employee's expense, proof of
illness before payment for such sick leave is made. The Town may require a doctor's certificate upon a demonstrated pattern of sick leave abuse, which proof shall not be unreasonably required.

6. Any employee who exhausts his accumulated sick leave due to extended illness may request special consideration and extension which may be granted by the Town Board in its discretion.

7. Each employee shall receive an annual report of all accumulated leave. The Town shall use its best efforts to provide the report, in writing, by March 31st of each year.

8. An employee in the Bargaining Unit absent as a result of injury sustained while employed and incurred by reason of such employment within the meaning of the New York Workers Compensation Law and regulations applicable thereto, shall not be charged with sick leave, but may, pending adjudication of his case, receive up to six (6) calendar months of administrative leave (exclusive of accumulated sick leave credit) at full pay, beginning with the day of injury, provided, however, that such pay shall be reduced by any Workers' Compensation award for salary.

Upon notice to the Town by the carrier of the New York State Compensation Board that a compensation award has been made to an employee, the total number of days awarded shall be compared with the number of days leave used. If the number of days used is less than the number of days awarded, the Town has no claim for reimbursement. If the number of days used exceeds the number of days awarded except for Hearing Days which shall be charged to Sick Leave, then the Town is to redeem coverage. The employee may, at his option, use accrued Sick Time or Vacation Time to repay the Town for non-awarded compensation days.

Determinations under the Workers Compensation Law of the State of New York as to whether or not disability is service connected and as to the extent of such disability shall be conclusive as between the employee and the Town. Vacation and sick leave credits shall not be earned during the period of any such administrative leave. At the termination of such administrative leave, the employee may, in the event of his continued disability, elect to utilize his remaining sick leave. Should the disability continue beyond the six (6) month period plus the period of accumulated sick leave, such injured employee may, in the discretion of the Town, be placed on leave without pay for a further period not to exceed eleven (11) months. Thereafter, the employee shall be removed from the payroll.

ARTICLE IX
MEDICAL AND DENTAL INSURANCE

1. The Town shall provide medical benefits through the New York State Empire Plan (Core Plus Medical and Psychiatric Enhancements) for all eligible employees and
dependents. In order to be eligible for retiree coverage, a retiree must have a minimum of ten (10) years' service with the Town and retire with the Town.

a. Medical insurance benefits shall be paid for retirees and surviving spouse of retirees as long as the surviving spouse remains unmarried. Effective January 1, 1998, medical insurance for surviving spouses of retirees shall be paid as follows:

1) If the employee has twenty (20) years or more of service with the Town as of 1/1/98, the Town shall pay 100% of the cost of the premium for the surviving spouse.

2) Upon completion of ten (10) years of service with the Town for those employees hired prior to 1/1/98, the Town shall pay 100% of the cost of the premium for the surviving spouse during the first year after the retired employee's death. Upon the first anniversary of the retired employee's death and thereafter, the Town shall pay 50% of the cost of the premium for the surviving spouse.

3) Employees hired on or after 1/1/98 shall be ineligible for surviving spouse coverage.

b. Employees shall have the option of using the Empire Plan or a designated HMO. The cost to the Town for an HMO shall in no event exceed the Town's costs for the "Empire Plan."

c. Part-time employees shall be ineligible for health insurance, except part-time Crossing Guards who shall receive health insurance as provided under Article IX, Section 2, and part-time employees as of January 1, 1990, who are currently receiving health insurance.

d. The Town may change health insurance carriers, which term shall include self insurance, for employees in the Bargaining Unit subject to the following:

1) Coverage must provide benefits equivalent to, if not greater than, the coverage provided under the Empire Plan set forth in this Agreement. Coverage under this provision may include self insurance.

2) Any contemplated changes in carrier (including self insurance) and/or coverage, must be presented to CSEA at least sixty (60) days prior to implementation.
3) CSEA reserves the right to move immediately to binding arbitration should any benefit provided by a carrier or plan diminish below the schedule currently provided in this Agreement.

4) Such coverage shall be at no cost to employees except as provided in this Agreement.

5) The employer will maintain continuity of coverage.

c. Crossing Guards employed on January 1, 1988 shall be maintained in the health insurance plan in which the employee was enrolled (i.e., HMO, individual, family). If such employee wishes to change enrollment from an individual to a family plan, the employee shall pay the difference in cost. Crossing Guards hired after January 1, 1988 shall be entitled to an individual plan. If the employee wishes to enroll in a family plan, the employee shall pay the difference between the individual plan and the family plan. For all Crossing Guards hired after January 1, 1988, the Town's contribution toward health insurance will be $3,000 per employee per year. Any contributions required in excess of that sum shall be paid by the employee.

d. The Town shall enroll in the CSEA Employee Benefit Optical Plan.

g. The Town shall provide and administer the improved Dental Insurance Plan for the members of the Bargaining Unit (not applicable to School Crossing Guards or retirees except as noted). The maximum Town contribution shall be $344 per employee per year for individual coverage and $913 for family coverage. Effective upon implementation of the Dental Insurance Program all retirees from this Bargaining Unit will be given the option to join the Dental Program. The retirees will be required to pay the difference between the cost of the program available to retirees and the Dental Insurance Program. Said payments will be made to the Town of Greenburgh Unit #8215 of Westchester Local #860 of the Civil Service Employees Union. The Union will be responsible for forwarding such payments to the Comptroller's Office of the Town of Greenburgh on a quarterly basis prior to the first payments due. Should said payments from the Union not be received on a timely basis, the retiree will automatically be removed from the Dental Program and reinstated in the present Retiree Program (Group Health Dental, Inc.). The Town may self insure for dental benefits, so long as the present level of benefits are maintained.

h. Employees who are covered under a spouse's health insurance plan may elect not to enroll in a Town sponsored plan (Empire or an HMO). In order to do
so, an employee must provide documentation establishing that the employee is covered under another plan. If the employee opts out of the Town individual plan, the employee shall be paid $1,000. If the employee opts out of the Town family plan, the employee shall be paid $2,000. Said payments shall be made during the first payroll period in July. An employee who opts out must do so no later than December 1st for following year. An employee who opts out of the Town plan, and who subsequently is no longer covered under the spouse's health insurance plan may enroll in the Town plan, upon thirty (30) days notice to the Town. An employee who has opted out of the Town plan who thereafter enrolls in the Town plan prior to July 1st shall receive a pro-rata share of the payment.

Those employees who are eligible for family coverage and opt from family coverage to individual coverage, shall receive $1,000.00 for each year provided proof is submitted that eligible dependents are covered.

ARTICLE X
DUES AND INSURANCE PREMIUMS

1. Upon presentation of dues deduction and/or Master Plan premium deduction authorization cards signed by the individual employees in the Bargaining Unit or as provided below, and until cancellation or withdrawal of such cards in accordance with the provisions thereof, the Town shall make biweekly deductions from the wages of such employees in the amounts so designated on the authorization cards as membership dues, deductions and contributions to or deposits into the Westchester Governmental Employees Federal Credit Union and will remit such deductions to the union and/or Credit Union together with a list of employees from whose wages such deductions have been made within ten (10) days after the last day of the month for which deductions are made.

2. The Union and the employees who sign such dues deduction authorization cards, jointly and severally agree to indemnify and hold the Town harmless against any claims, loss, liability and expense arising out of or in connection with such dues deductions and the use thereof by the Union and/or Credit Union.

3. **Agency Shop Fee Deductions**

All employees included in the Bargaining Unit who are not members of the Union, shall be required to pay to the Union an agency shop fee, as provided by the Civil Service Law, which is an amount equivalent to the amount of dues payable by a member of the Union. The employer will make deductions from the wages of said employees and transmit them in the same manner as specified in Article X as an agency shop fee deduction.
Said employees have the right to recover any part of an agency shop fee deduction which represents the employees pro-rata share of expenditures by the Union in aid of activities or causes only incidentally related to terms and conditions of employment.

4. The CSEA hereby agrees to indemnify the Town and hold harmless the Town regarding any claims and suits pertaining to agency shop fee deductions. This includes legal fees and other expenses and costs incurred in defending such claims and suits and any judgments or awards resulting therefrom.

ARTICLE XI
RETIREMENT PLAN

The Town shall continue the "Non-Contributory Improved Career Retirement Plan" provided in Section 75-i of the Retirement and Social Security Law of the State of New York except that members of the Bargaining Unit employed after June 30, 1976, shall contribute such portion of the cost thereof as may be provided by law.

ARTICLE XXIII
GRIEVANCE PROCEDURE

1. Objective

It is the declared objective of the Town and the Union to encourage the prompt and informal resolution of employee complaints as they may arise and to provide recourse to orderly procedures for the satisfactory adjustment of complaints.

2. Definitions

a. "Employee" shall mean any person, or group of persons similarly affected by an alleged grievance, who are directly employed by the Town and who are included in the Bargaining Unit.
b. "Grievance" shall mean a complaint by an employee or, where appropriate, by the Union, through its officers, that there has been a violation, misinterpretation, or inequitable application of any of the provisions of this Agreement, except that the term "Grievance" shall not apply to any matter as to which the Town is without authority to act, or to any matter which is within the Town's exclusive authority to act pursuant to Article XXIV hereof.

c. "Days" shall mean all days other than Saturdays, Sundays and legal holidays. Saturdays, Sundays and legal holidays shall be excluded when computing the number of days within which action must be taken or notice given.

d. "Department Head" shall mean the person designated in operational organizational plan of the Town as the Head of the Department in which the aggrieved employee works.

3. Representation in Grievance Proceedings

The Union shall be entitled to designate a representative to represent and assist any employee represented by the Union in any grievance proceeding pursuant to the existing Personnel Rules and Regulations of the Town or pursuant to this Agreement.

4. Basic Principles

Employees shall have the right to present grievances in accordance with these procedures, free from coercion, interference, restraint, discrimination, or reprisal. The Union, through its officers, shall have the right to present grievances with respect only to those provisions of this Agreement which confer rights and privileges on the Union. An Employee shall have the right to be represented at any stage of the procedures hereinafter set forth by a person or persons of his own choice, provided, however, that such person is not an officer of an employee organization other than the Union, and provided further that, absent any objection by a grieving Employee, a Union representative shall be permitted to audit any grievance beyond the informal stage. Each party to a grievance shall have access at reasonable times to all written statements and records pertaining thereto and shall have the right to obtain copies thereof (for these purposes, the term "Party" shall be deemed to include the grieving employee or, in grievances affecting the Union, the Union, through its officers, and the Town) - All hearings shall be confidential, unless requested otherwise by the aggrieved party. Each Department Head shall have the responsibility to consider promptly each grievance presented to him and make a determination within the authority delegated to him within the time specified in these procedures.
5. **Step 1**

All grievances shall be presented for adjustment, in the first instance, to the Department Head. This first step of the Grievance Procedure shall be in writing and it shall be taken, if at all, within twenty (20) days from the time when the Employee or Union (where rights are conferred specifically on the Union) becomes aggrieved. Failure to present a grievance within said period shall constitute a waiver of the right to bring a grievance hereunder and shall be deemed to constitute assent to the action taken. All grievances shall be presented in writing, which writing shall set forth the date of submission; the name of the aggrieved employee, if any, and his/her signature; the date the grievance arose; the nature of the grievance; and the provision of this Agreement alleged to have been violated.

The Department Head must determine said grievance, in writing, within ten (10) days of its receipt by him. Failure to do so shall result in the granting of the relief requested, unless the Department Head or his/her designee, shall extend the time to respond for a period not to exceed an additional ten (10) days. Such extension shall be in writing, sent to the grievant within ten (10) days of receipt of the grievance.

6. **Step 2**

   a. Within ten (10) days after a determination has been made at Step 1, the aggrieved Employee or his/her Representative, or the Union through its officer (where a Union grievance is involved) may make a written request to the Town Supervisor, or his/her designee, for review and determination. Failure to present said request within the time period specified shall constitute a waiver thereof and be deemed to constitute assent to determination of the Department Head. The Town Supervisor or his/her designee, shall render his/her decision in writing within ten (10) days after submission of a grievance setting forth the basis for the action taken, except as may otherwise be provided in Subparagraph (b) of this Paragraph.

   b. Upon request of any Party to a grievance, subject to the time period set forth in Subparagraph (a) of this Paragraph, the Town Supervisor, or his designee, may notify all concerned in the subject matter of the grievance of the time and place when a formal Hearing shall be held where such persons may appear and present oral and written statements supporting their position in the case. Such Hearings shall be held within twenty (20) days after receipt of the grievance and the request for Hearing from the aggrieved Employee or Union. Within fifteen (15) days thereafter, the Supervisor or his/her designee, shall render a Decision in writing setting forth his/her findings and determination.
7. **Step 3**

If the grievant is not satisfied with the determination of the Town Supervisor or his/her designee, the Union may, within fifteen (15) days after the Decision of the Supervisor or his/her designee, submit a Demand for Arbitration to the American Arbitration Association and send a copy thereof to the Town. Said Demand for Arbitration must be postmarked not later than the 15th day after the Decision of the Supervisor or his/her designee. Failure to make such demand within the time period specified shall constitute a waiver thereof and be deemed to constitute acceptance of the determination of the Supervisor or his/her designee.

If said Demand is properly made, the grievance shall be submitted to binding Arbitration in accordance with the procedural Voluntary Labor Arbitration Rules of the American Arbitration Association then in effect; provided, however, that: (a) the Arbitrator shall be strictly limited to the interpretation of the express provisions of this Agreement; (b) the Arbitrator shall have no power to alter or modify any express provision of this Agreement or to render any award or determination which, by its term, effects any such alteration or modification; (c) the Arbitrator shall not make any award which limits or interferes with the exercise of judgment and discretion of the Town or any of its representatives under law or this Agreement; and, (d) in rendering his award, the Arbitrator shall be bound by applicable law. Any arbitration award must be rendered within thirty (30) days after the close of the hearing, unless otherwise mutually agreed to by the parties. In any arbitration award requiring the payment of back pay or other monies, the Arbitrator may only award such back pay retroactive to five months prior to the filing of the grievance. The Town and Union shall bear equally the costs of such arbitration proceedings, exclusive of attorney’s fees, if any, which fees shall be borne separately by each Party.

**ARTICLE XXIV**

**MANAGEMENT RIGHTS**

The Union recognizes that the management of the Town, the control of its properties and maintenance of order and efficiency, are the sole responsibilities of the Town, as employer. The Union further recognizes that these rights include, but are not limited to, the right of the Town to direct its work force, to make all decisions as to the operation of the Town system and its work force, the increase and/or decrease in the work force, discipline and all other rights normally inherent in the right of management, except as otherwise may be limited by the express terms of this Agreement. The failure to assert any of these rights shall not be deemed to be a waiver thereof.

   **Step 3:** If the decision of the Evaluation Subcommittee is upheld by the Comptroller, or the Comptroller fails to act within fifteen (15) days, final appeal may be made to the Town Board.
