1 PREAMBLE

1.1 Notice of Agreement

1.1.1 Parties to Agreement: This is a Collective Bargaining Agreement entered into by and between the Binghamton-Johnson City Joint Sewage Board (hereinafter referred to as the Employer) and the Binghamton-Johnson City Joint Sewage Treatment Plant Unit #6153 of CSEA Local 804, Civil Service Employees Association, Inc., Local 1000 AFSCME, AFL-CIO (hereinafter referred to as the Union).

1.1.2 Purpose and Intent: The general purpose of this Collective Bargaining Agreement is to set forth terms and conditions of employment, and to promote orderly and peaceful labor relations for the mutual interest of the Employer, and employee, and the Union.

The parties recognize that the interest of the community and the job security of the employees depend upon the employer's success in establishing a proper service to the community.

To those ends the Employer and the Union encourage, to the fullest degree, friendly and cooperative relations between the respective representatives at all levels and among all employees.

2 MANAGEMENT RIGHTS

2.1 Rights of Employer

2.1.1 Management Rights Clause: The rights and responsibilities to operate and manage the business and affairs of the Binghamton-Johnson City Joint Sewage Treatment Plant are vested exclusively in the Employer and the Employer not exercising any of these rights shall not be construed as a waiver of them. These rights and responsibilities include, by way of illustration and without being limited by past practice or otherwise the right to: hire, assign, promote, transfer, layoff, evaluate, and discipline employees for just cause; select, test, train and determine the ability and qualifications of employees; determine, control and change work practices and schedules, work and shift assignments, hours of work, the size, composition and organization of the workforce, and job classifications, descriptions, content and standards; implement and comply with regulations and requirements issued by any government agency; determine, control and change the quality and nature of products, materials and services; introduce new or improved methods, equipment, techniques and processes; contract and subcontract for materials, services, supplies and equipment; and all other rights pertaining to the operation and management of the business and affairs of the Binghamton-Johnson City Joint Sewage Treatment Plant unless expressly provided otherwise in this collective bargaining agreement.

2.1.2 Personnel Rules: The Employer agrees to consult with the Union prior to the establishment of new personnel rules or the modification of existing personnel rules. When the existing rules are changed or new rules are established, they shall be posted on all bulletin boards for a period of at least two weeks before becoming effective. The two-week posting requirement may be waived by mutual consent between the Employer and the CSEA. Employees shall comply with all existing personnel rules which are not in conflict with the terms of this Collective Bargaining Agreement. Any complaint as to the reasonableness of any new or existing rules, or any complaint involving discrimination in the application of new or existing personnel rules shall be resolved through the grievance procedure.
3 UNION RIGHTS

3.1 Recognition

3.1.1 Recognition: Pursuant to a resolution by the Joint Board, the Employer hereby recognizes the Union as the sole and exclusive representative for the purpose of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of employment for the term of this Collective Bargaining Agreement for all the employees of the Employer in the Sewage Treatment Plant with the exception of supervisory and temporary personnel, appointed personnel not subject to any of the provisions of the Civil Service System, the Senior Sewage Plant Operator, Head Electrician, and Head Mechanic.

3.2 Union Membership/Agency Shop

3.2.1 Union Dues:

(a) Employees may tender monthly membership dues by signing the Authorization for check-off of Dues Form provided by the Union.

(b) The Employer agrees to deduct Union membership dues in accordance with the amount certified by the Union to the Employer as the correct membership dues levied in accordance with the Constitution and By-Laws of the Union from the pay of each employee who executes or has executed the Authorization for Check-off of Dues Form, if said form is provided by the Union, and forwards such authorization to its Employer.

(c) Check-off deductions under all properly executed Authorization for Check-off of Dues forms shall become effective at the time the application is signed by the employee, and shall be deducted from the first pay of the month and each month thereafter, unless otherwise agreed by the Employer and the Union.

(d) The aggregate total of all such deductions shall be remitted each month to the designated financial officer of the Union, together with a list from whom dues have been deducted, on or about the tenth day of each month.

(e) All dues deduction cards must be dated in order to be effective and honored by the Employer, if said cards have been signed after the execution of this Collective Bargaining Agreement.

(f) It is further agreed by the parties hereto that if the Employer receives a written order of revocation or termination from an employee and forwards a copy of the same to the Union, the Union will not insist on receipt of a copy from the employee.

(g) No payroll deduction authorization shall be recognized and no deduction shall be made from the paycheck of any employee in this bargaining unit for any other labor organization, which purports to engage in collective bargaining.

3.2.2 Agency Shop Fee: The Employer agrees to deduct an Agency Shop Fee equivalent to the membership dues levied by the CSEA from the pay of each employee in the bargaining unit who is not a member of CSEA and to remit such Agency Shop Fee to CSEA.

3.2.3 Union Mailing Address: The Union mailing address will be that designated by the Union President or representative. Copies of all written communication shall be directed to that address.
3.2.4 Indemnification Clause: The Employer assumes no obligation with respect to the obtaining of authorization cards. In the event an action or proceeding is commenced in a court of competent jurisdiction or before an administrative agency regarding union dues or agency shop fees, the Union agrees to indemnify and save harmless the Employer from and against the cost of such action or proceeding.

3.3 Union Representation

3.3.1 Stewards: It is mutually agreed that the employees in the department covered by this Collective Bargaining Agreement shall be represented by a regular employee selected by the Union.

3.3.2 Leave for Contract Administration: The Employer agrees that during working hours, on the Employer's premises, and without loss of pay or leave credits, Union Stewards and properly designated Union Representatives shall be allowed to, within reason: investigate and process grievances; post Union notices; transmit communications authorized by the Union or its Officers to the Employer or its representatives; consult with the Employer or its representatives, concerning the enforcement of any provisions of this Collective Bargaining Agreement.

Such leave must first be approved by the Superintendent, or designee. The Union will provide to the Employer a current list of the Officers and will advise the Employer, in writing, of any changes.

3.3.3 Leave for Labor-Management Meetings: Special conferences for important matters will be arranged between the Union President and the Employer, or its designated representative, upon the request of either party. Such meetings shall be between at least two representatives of the Union and at least two representatives of the Employer. Arrangements for such special conferences shall be made in advance. Conferences shall be made at reasonable hours as agreed upon by the Employer and Union representatives. The members of the Union shall not lose pay or leave credits for time spent in such special conferences.

3.4 Union Bulletin Boards

3.4.1 The Employer will provide bulletin boards in each installation which may be used exclusively by the Union for posting notices.

3.5 Access to Premises

3.5.1 Union Representatives: Representatives of Civil Service Employees Association will be allowed access to the Employer's premises for the purpose of conducting Union business related to the administration of this collective bargaining agreement and to investigate safety and health matters provided it does not interfere with normal operations. The representative shall give prior written notice of the visit to the Plant Superintendent at least twenty-four hours in advance of the visit.

3.5.2 Employees: No employee shall be on the plant property or in the structures unless he/she is officially working or on official business. Failure to comply will result in disciplinary action.
4 DUE PROCESS PROCEDURES

4.1 Grievance Procedure

4.1.1 Definition: For the purposes of this collective bargaining agreement, a grievance shall mean and refer to a claimed violation, inequitable application, meaning, or misinterpretation of the expressed provisions of this Collective Bargaining Agreement, and shall be settled in the following manner.

4.1.2 Step One - Informal Grievance: The designated Union representative, with or without the employee, may discuss the grievance or dispute with the immediate supervisor.

4.1.3 Step Two - Formal Grievance: If the matter is thereby not disposed of, it will be submitted in written form by the designated Union representative to either the Department Head or the Superintendent, whichever may apply. The grievance must be advanced within thirty calendar days from knowledge of the occurrence. The grievance must specify the section of the collective bargaining agreement that was allegedly violated, a statement of facts, times and dates, and the remedy sought.

4.1.4 Step Three – Appeal to Board: If the Superintendent's answer is not satisfactory, the grievance may then be submitted, in writing, by the Union to the Employer. The appeal must be submitted, in writing, within fourteen calendar days from receiving the Step Two response, or when the Step Two response should have been received. A meeting between at least one representative of the Union and one representative of the Employer will be arranged by the Union to discuss the grievance or grievances appearing on the Agenda within seven calendar days from the date which the Agenda is received by the Employer.

The Union representatives may meet at a place designated by the Employer on the Employer's property immediately preceding the meeting with the representatives of the Employer.

4.1.5 Step Four - Binding Arbitration: If the representatives of the Employer and the Union do not dispose of the matter, and the grievance is still unresolved, then the matter may be referred to the Union, which upon review and within thirty calendar days of the Employer's answer, or when the Step Three response should have been received, and upon written notification to the Employer, request the New York State Public Employment Relations Board to provide a list of Arbitrators from which the Employer and the Union shall make a selection in accordance with the Board's rules of procedure to determine the dispute.

The conduct of the arbitration shall be under the exclusive jurisdiction and control of the arbitrator, which shall conform to applicable law. Decision of said Arbitrator shall be binding on both parties to this Collective Bargaining Agreement. No arbitrator functioning under these procedures shall have any power to amend, modify or delete any provisions of this collective bargaining agreement. The fees and expenses of said Arbitrator shall be shared equally by the Employer and the Union.
4.1.6 **Time of Answers:** The Employer will answer, in writing, any grievance presented to it in writing by the Union.

Step One: By the immediate supervisor within seven calendar days.

Step Two: By the Department Head or Superintendent within fourteen calendar days from the date of the meeting at which the grievance was discussed.

Step Three: By the Joint Board or its designated representative within fourteen calendar days of the meeting at which the grievance was discussed.

The Union and the Employer must adhere to the time limits set forth in this grievance procedure. In the event the Union does not advance the grievance to the next step within the established time limit, the grievance will be considered withdrawn and no further appeal will be accepted. The time limits in the grievance procedure may be extended by mutual agreement in writing. Any step of the grievance procedure may be by-passed by mutual agreement in writing.

4.2 **Disciplinary Procedure**

4.2.1 **Reasons for Disciplinary Action:** Disciplinary action may be imposed upon an employee for the following, but not limited to, reasons:

Harassing (including sexual harassment), intimidating, coercing, threatening, assaulting, or creating a hostile work environment;

Possession of weapons, including but not limited to, illegal knives, firearms, and explosives on Employer property or in Employer vehicles;

Failure to report for duty at the time and place of duty, leaving a place of duty or assignment without proper authorization or without being properly relieved;

Failure to report an anticipated absence for illness or other reasons to the proper department office at least one hour before the scheduled reporting time;

Possession of or when it has been ascertained by the employee’s supervisor that the employee is under the influence of alcohol or drugs, partaking of alcoholic beverages or the unlawful use of drugs while on duty;

Unjustified disobedience of a lawful order;

Loafing, idling or sleeping while on duty;

Failure to fulfill the responsibility of the employee’s job classification;

Misconduct before the public while on duty;

Use of insolent or profane language;

Fighting on company premises;

Theft or willful destruction of plant or employee property;
Intentional falsification or alteration of any records or reports including but not limited to employment applications, time records, work records, medical reports, absence reports, work-related injury reports, and claims for benefits provided by the Employer;

Preparation or manipulation of another employee’s time record;

Acts of sabotage, including the work of another employee;

Violation and/or disregard of safety rules or safety practices in such a way that jeopardizes the safety of the employee or any other person.

4.2.2 Conduct of Disciplinary Action: If the Employer has reason to reprimand an employee it shall be done in a manner that will not embarrass the employee before other employees or the public.

4.2.3 Discipline for Just Cause: The Employer shall not discharge or discipline an employee who has completed the probationary period, as defined in 5.1, below, without just cause. A letter of warning is not to be considered as a disciplinary action. Notwithstanding any inconsistency with the above language, the progressive discipline policy and procedures as agreed by the Union and the Employer shall control.

4.2.4 Notice of Discipline: In any case of discipline or discharge, the employee will be notified immediately, in writing, when such action is taken and the reasons thereof. Simultaneously, a copy of the notice shall be sent to the President of the bargaining unit.

An employee who has been the subject of disciplinary action may request that a written record be entered in the employee’s personnel record. The employee shall be given a duplicate copy of this record.

4.2.5 Appeal of Disciplinary Action: The Union shall have the right to take up the suspension and/or discharge at the third step of the grievance procedure and through the arbitration step if deemed necessary by either party. The appeal at “Step Three” must be submitted, in writing, within fourteen calendar days from receiving the Notice of Discipline under 4.2.4, above.

4.2.6 Civil Service Rights: The procedure set forth above shall serve as the only method of resolving challenges to disciplinary action and wholly replaces the statutory provisions set forth in Section 75 and Section 76 of New York State Civil Service Law.

4.3 Drug & Alcohol Testing

4.3.1 Policy: The Employer shall implement a drug and alcohol testing policy for all CSEA-represented employees. At the same time, the Employer agrees to implement the same policy for non-unionized, exempt, and appointed employees. This policy shall include provisions for random, reasonable suspicion, and post-accident testing. CSEA-represented employees will be in a separate employee pool for testing than management employees.

The parties agree to adopt as written the City of Binghamton Drug & Alcohol policy in effect as of 1/1/02 with the City CSEA unit, with the exception that random testing shall be limited to 25% unit employees annually for drug testing, and 10% unit membership annually for alcohol testing. Furthermore, the parties agree to meet in labor management committee to resolve the matter of progressive counseling and discipline for policy violations.

This policy shall be applied in addition to the Federal and State drug and alcohol testing requirements.
4.3.2 **Use of Leave Credits:** Employees who test positive for drugs or alcohol shall be permitted upon request to use any/all of their accumulated leave to cover absences directly related to leave for evaluation, treatment and counseling.

4.3.3 **Refusing to Test:** Any employee ordered to participate in reasonable suspicion testing who refuses to do so shall be removed from employment for an automatic thirty calendar day suspension without pay or use of accumulated time in addition to appropriate progressive discipline. Subsequent refusals to participate in testing shall addressed by progressive discipline up to and including discharge.

4.3.4 **Notification of Testing:** CSEA will be provided quarterly by the Employer a complete total of all tests completed during the prior quarter for all pools tested, and a summary of results of those tests (positive, negative, adulterated, other). In no way is the CSEA asking the Employer to disclose the results of any individuals test.

4.3.5 **Common Treatment:** CSEA employees shall be able to report for testing the reasonable suspicion of a management person to either the plant superintendent or a designated board member.

Once such a report is made and the plant superintendent or designated board member makes a determination that reasonable suspicion exists, the identified person shall be required to remain on the plant premises and shall not be permitted to leave the plant location except for testing.

If the identified person leaves the plant after it has been determined that reasonable suspicion exists, such action shall be deemed a positive test and subject to progressive discipline up to and including termination.

The identified person shall submit to testing in accordance with this agreement and the adopted policy. Failure to do so shall be handled according to subsection 4.3.3 of this Article.

At any time non-union, exempt and appointed employees cease participation in the testing program, all testing of CSEA employees shall cease for the duration of this contract.

**5 EMPLOYEE RIGHTS**

5.1 **Probation**

5.1.1 **Length of Probationary Period (Competitive Class):** The probationary period for an employee in the competitive class will be in accordance with local Civil Service rules and regulations.

5.1.2 **Length of Probationary Period (Non-Competitive & Labor Classes):** New employees in the non-competitive or labor class hired in the unit shall be considered as probationary employees for the first six calendar months of their employment. When an employee completes the probationary period, the employee shall be entered on the seniority list of the unit. There shall be no seniority among probationary employees.

5.1.3 **Failure to Successfully Complete Probationary Period:** In the event the employee's performance or conduct is not satisfactory, the Employer may dismiss the employee from employment at any time on or before completion of the maximum probationary period. Such action shall not be subject to the Grievance Procedure or Disciplinary Procedure.
5.2 Seniority

5.2.1 Service Seniority: Seniority shall be on a bargaining unit basis, in accordance with the employees last date of hire.

5.2.2 Seniority List: The seniority list on the date of this Collective Bargaining Agreement will show the names, job titles and dates of hire of all employees in the unit entitled to seniority.

5.2.3 Leave of Absence: An employee will not accrue seniority while the employee is on an approved unpaid leave of absence or while the employee is in layoff status. Such leave will not be considered as a break in “continuous service”. An employee’s continuous service record shall be broken by voluntary resignation, discharge, for just cause, and retirement. However, if an employee returns to work in any capacity within one year, the break in continuous service shall be removed from the employee’s record, except in cases of discharge.

5.2.4 Same Length of Service: In the event two or more employees have the same length of service, the employee with the earliest day of hire will have greater seniority. In the event two or more employees have the same date of hire, such employees will have their individual seniority determined by lot.

5.2.5 Loss of Seniority: An employee shall lose seniority for the following reasons:

(a) The employee quits.

(b) The employee is absent without authorization for a period of one week without satisfactory explanation.

(c) The employee is discharged and the discharge is not reversed through the procedure set forth in this Collective Bargaining Agreement.

(d) If the employee does not return to work when recalled from layoff as set forth in the recall procedure.

(e) The employee retires.

5.3 Layoff Procedure

5.3.1 Definition: The word "Lay-Off" means a reduction in the work force.

5.3.2 Layoff Procedure (Competitive Class): In the event of a lay-off in a job title within the bargaining unit in the competitive class, such employees will be laid off in accordance with local Civil Service rules and regulations.

5.3.3 Layoff Procedure (Non-Competitive & Labor Classes): In the event of a lay-off in a job title within the bargaining unit in the non-competitive or labor class, employees shall be laid off in the inverse order of their seniority.

5.3.4 Notice of Layoff: Employees to be laid off for an indefinite period of time will have at least fourteen calendar days notice of lay-off, except in an emergency situation beyond the control of the Employer. The Union Secretary shall receive a list from the Employer of the employees being laid off on the same day that the notices are issued to the employee.
5.3.5 **Bumping Rights**: When an employee is laid off due to a reduction in the work force, the employee shall be permitted to exercise the employee’s right to bump (replace an employee with less seniority) in the same classification or, if the employee so desires, in a lower classification, provided that the bumping employee has greater seniority than the employee who the employee bumps, and further provided that the bumping employee can perform the new job with a maximum of thirty calendar days training, and shall receive the rate of pay for the lower classification.

5.4 **Recall Procedure**

5.4.1 **Recall Procedure (Competitive Class)**: Recall rights for an employee in the competitive class shall be controlled by local Civil Service rules and regulations.

5.4.2 **Recall Procedure (Non-Competitive & Labor Classes)**: When the working force is increased after a lay-off, employees in the non-competitive or labor class will be recalled according to seniority, as defined in Section 5.2, above, provided they meet the requirements of the job.

No new employees in the non-competitive or labor class shall be hired until all employees on lay-off status desiring to return to work have been contacted under the recall procedures, however, said employees must be qualified for the job and available by the date needed or required by the Employer, as set forth above.

5.4.3 **Duration of Recall Rights (Non-Competitive & Labor Classes)**: An employee in the non-competitive or labor class who is laid off will be eligible for recall for up to two years from the date the employee was laid off. Thereafter, the employee will no longer be notified of vacancies within the bargaining unit nor have any recall rights to a position within the bargaining unit.

5.4.4 **Notice of Recall**: Notice of recall shall be sent to the employee at the employee’s last known address by return receipt requested registered mail. If an employee fails to report for work within fourteen calendar days from the date of mailing of notice of recall, the employee shall be considered to have resigned the employee’s position with the Employer. Written notice of an expiration of recall rights shall be sent to the employee at the employee’s last known address by registered mail.

5.5 **Personnel File**

5.5.1 **Employee Access**: Access to personnel files is limited, for example, an employee may not be allowed to see documents including, but not limited to, attorney work products, confidential memorandums, letters of reference, and unsolicited complaints. A current employee may review the contents of the employee’s own personnel file by submitting a written request to the Plant Superintendent. The inspection will occur within five business days from the request. An authorized official must be present when the employee inspects the file. An employee may not remove or place any material in the employee’s personnel file without the approval of the Plant Superintendent. The Employer will make copies of requested documents.
6 VACANCIES & PROMOTIONS

6.1 Promotion and Method of Filling Positions

6.1.1 Definition: The term "promotion" means the advancement of an employee to a higher paying position.

6.1.2 Selection (Competitive Class): In case of promotion or whenever a new job classification opening or vacancy in the competitive class occurs, other than temporary, the position shall be filled in accordance with local Civil Service rules of procedure, except that selections shall be made from the appropriate Civil Service list until the list of names is exhausted.

Should a new position or a vacancy in the competitive class occur which cannot be filled because of the absence of an appropriate Civil Service list, then in such case the position shall be posted on all bulletin boards for a period of fourteen calendar days, stating the job title, pay rate, and necessary qualifications for the job. An employee shall apply in writing for such position and submit an application to the employee’s immediate supervisor. In the event that operational needs require the immediate filling of the vacancy, the Employer may make a temporary appointment.

6.1.3 Posting (Non-Competitive & Labor Classes): Should a new position or a vacancy in the non-competitive or labor class occur, the position shall be posted on all bulletin boards for a period of fourteen calendar days, stating the job title, pay rate, and necessary qualifications for the job. An employee shall apply in writing for such position and submit an application to the employee’s immediate supervisor. In the event that operational needs require the immediate filling of the vacancy, the Employer may make a temporary appointment.

6.1.4 Selection (Non-Competitive & Labor Classes): The Employer will be the sole judge with respect to the degree to which applicants meet job qualifications. The position shall be filled from among employees who have made such application and who are qualified, except that where more than one employee has relatively equal qualifications for the same position, seniority shall be the determining factor in making the decision.

6.1.5 Promotion Trial Period (Non-Competitive & Labor Classes): Any employee who is promoted to a position in the non-competitive or labor class shall undergo a trial period of a minimum of thirty calendar days, but not to exceed ninety calendar days. If it is found that such employee does not meet the requirement or responsibilities of the position to which the employee has been selected during the trial period, then such employee shall be restored to the employee’s former position. Such action shall not be subject to the Grievance Procedure or Disciplinary Procedure.

An employee shall be paid the rate of pay of the new classification during the employee’s trial period, except that in no case shall be paid less than the rate of pay of the employee’s former classification.

6.2 Transfers and Filling of Temporary Vacancies

6.2.1 Service Credits: If an employee is transferred to a position under the Employer not included in this bargaining unit, the employee shall continue to accumulate seniority while working in the position to which the employee was transferred. Employees who are returned to a position in this bargaining unit shall retain all rights accrued for the purpose of any benefits provided for in this Collective Bargaining Agreement.
6.2.2 Transfers Due to Displacement: In accordance with 6.1, above, employees displaced by the elimination of jobs through job consolidation (combining the duties of two or more jobs), the installation of new equipment or machinery, the curtailment or replacement of existing facilities, the development of new facilities, or for any other reason, shall be permitted to exercise their seniority rights to transfer to any other job in the non-competitive class or labor class within the bargaining unit, provided the employee meets the requirements for such job and said positions are vacant.

6.2.3 Transfers Due to Other Reasons: Employees requesting transfers for reasons other than the elimination of jobs shall be transferred to equal or lower paying job classifications on the basis of seniority provided a vacancy exists.

6.2.4 Transfers to Temporary Positions: In any event of temporary job vacancies due to vacations, illness, etc., and in the absence of an appropriate Civil Service list, seniority shall prevail in the selection of employees to fill the temporary vacancies, provided they are qualified.

6.2.5 Application for Transfer: Employees desiring to transfer to other jobs shall submit an application, in writing, to their immediate supervisor. The application shall state the reason for the requested transfer.

6.3 Reinstatement of Veterans Law

6.3.1 Re-employment Rights: The re-employment rights of employees and probationary employees will be governed by applicable laws and regulations.

6.3.2 Seniority: A probationary employee who enters the Armed Forces must complete the probationary period, and upon completing it, will have seniority equal to the time the employee spent in the Armed Forces.

7 HOURS OF WORK

7.1 Working Hours and Work Week

7.1.1 Workday: All employees shall be scheduled to work on a regular work shift and each work shift shall have a regular starting and quitting time. Once established, the beginning and ending of an employee’s normal workday shall not be changed without an advance written notice of at least fourteen calendar days.

7.1.2 Shift Preference: Shift preference will be granted where applicable on the basis of seniority within the classification, provided a vacancy exists.

7.1.3 Workweek: The normal workweek shall consist of five consecutive days, Monday through Friday inclusive. Where the nature of the work requires that a seven-day weekly work schedule or schedule other than the Monday through Friday be maintained, such work schedules will be maintained on a rotating basis.

Unless otherwise directed by the appropriate supervisor, an employee may not leave the work-site during the meal period. If the paid lunch period of twenty minutes is abused it shall become a thirty minutes unpaid period.

Under no circumstances shall an employee be sent home during the employee’s regularly scheduled shift without a minimum of four hours pay because of lack of work or inclement weather.

13 DISABLED EMPLOYEES

13.1 Workers’ Compensation Insurance

13.1.1 Coverage: Each employee covered by this Collective Bargaining Agreement will be covered by the applicable Workers’ Compensation laws. As set forth in 13.1.2, below, the Employer agrees that an employee being eligible for Workers’ Compensation income and sick leave benefits will receive in addition to Workers’ Compensation income, an amount to be paid by the Employer sufficient to make up the difference between Workers’ Compensation and the employee’s regular weekly income, based on a regular work week.

13.1.2 Use of Leave Credits: In the event that the employee has no sick leave benefits or has used up sick leave benefits, the employee shall be paid at the Workers’ Compensation rate. Whenever a permanent employee or a probationary employee is unable to work as a result of an injury arising out of the course of employment, the employee shall be charged with sick leave for the difference between the employee’s weekly benefits under Workers’ Compensation and the employee’s regular salary to the nearest one-half day. When the insurance company makes payment, the Employer shall be reimbursed for that portion of sick leave covered by insurance and the employee will be re-credited with the proportional amount of sick leave. An employee may not use vacation or personal leave credits to supplement Workers’ Compensation.
13.1.3 **Continuation of Medical Insurance**: The Employer will continue medical insurance coverage for the employee in accordance with the provisions of the Family and Medical Leave Act. Thereafter, an employee who is receiving Workers’ Compensation payments for lost time and is drawing full pay by using accrued leave credits will continue to receive medical insurance benefits and the Employer will continue to make its contributions for **up to a maximum of one year** provided the employee makes the required employee contribution. If the employee has exhausted all leave credits, the employee may continue to be eligible for medical insurance coverage in accordance with COBRA.

13.2 **New York State Disability Insurance**

13.2.1 **Coverage**: The Employer will make available a short-term disability plan for non-job-related injuries or illnesses that meets the minimum requirements of New York State Disability Insurance. The insurance company makes the determination of whether an employee is eligible for short-term disability benefits.

13.2.2 **Plan**: The Employer may, at its discretion, change carriers and/or offer an alternative short-term disability plan.

13.2.3 **Premium Payment**: The Employer agrees to cover each employee under the New York State Disability Plan at a cost not to exceed thirty cents ($0.30) per week to the employee under present State Law for the term of this Collective Bargaining Agreement.

13.2.5 **Use of Sick Leave Credits**: Employee shall receive a supplemental sum equal to the difference between their wages and their Disability Benefits under their option but such supplemental sum shall be deducted from sick leave credits, or vacation credits, when sick leave credits have been exhausted. If an employee elects to use sick leave for the purpose of maintaining full pay status during the period of disability, the employee shall be required to endorse Disability Compensation checks back to the Employer. Upon the exhaustion of all sick leave credits an employee may have accumulated, the employee shall then no longer be required to endorse the compensation check over to the Employer. When the insurance company makes payment, the Employer will be reimbursed for that portion of sick leave covered by the insurance and the employee will be re-credited with the proportional amount of sick leave.

13.2.6 **Continuation of Medical Insurance**: The Employer will continue medical insurance coverage for the employee in accordance with the provisions of the Family and Medical Leave Act. Thereafter, an employee who is receiving short term disability payments under this plan and is drawing full pay by using accrued sick leave credits will continue to receive medical insurance benefits and the Employer will continue to make its contributions for **up to a maximum of one year** provided the employee makes the required employee contribution. If the employee has exhausted all sick leave credits, the employee may continue to be eligible for medical insurance coverage in accordance with COBRA.

13.3 **Transitional Duty**

13.3.1 The Employer shall make every effort to place employees who, through physical sensitivity or otherwise, become temporarily partially disabled to their present jobs, on work which they are able to perform that meets both the needs of the Employer and the medical limitations of the employee.
