ARTICLE 5
GRIEVANCE PROCEDURE

5.1 For the purpose of this Agreement, a grievance shall be defined as a dispute or a controversy arising out of the application or interpretation of this Agreement.
5.2 It is understood and agreed that this procedure is not applicable to matters which are reviewable under administrative procedures established by law or under the rules of the Civil Service Commission having the force and effect of law.

5.3 It is further understood and agreed that only one grievance procedure may be pursued and that once a procedure is commenced any other procedure is not available.

A. An employee desiring to present a grievance shall first take up the matter with his immediate superior officer as promptly as possible, but in no event later than five (5) calendar days, excluding Saturday, Sunday, and holidays, after his knowledge of its occurrence. The superior officer shall then discuss the matter with the employee and answer the grievance as soon as possible, but no later than five (5) calendar days, excluding Saturday, Sunday, and holidays, from the commencement of the next ensuing duty, trick or shift of the employee.

If a grievance directly affects more than one member of the bargaining unit it may be submitted at the third step of this procedure provided it is signed by one or more of the unit members affected, and meets the time limit provided for above.

B. Thereafter, but not later than five (5) calendar days after the hearing, the Board or its designee shall render a decision.

E. If the grievance is not satisfactorily resolved by the Board or its designee, then within five (5) days the unresolved grievance shall be submitted to arbitration in accordance with the following procedure:

Vacation selection will require advance approval, but shall not be considered with respect to the vacation limitations for firefighters on rotation, except as may be appropriate to avoid manpower shortages. The "straight days" firefighter shall not be entitled to holiday pay, but shall receive the time off without loss of salary for those holidays listed in Article XVII which actually fall on a weekday (Monday through Friday, Monday holidays included).
