ARTICLE II - GRIEVANCE PROCEDURE

Section 1 - Declaration of Purpose

Whereas, the establishment and maintenance of a harmonious and cooperative relationship between the Board of Education and its staff is essential to the operation of the schools, it is the purpose of this procedure to secure, at the lowest possible administrative level, equitable solutions to grievances of staff through procedures under which they may present grievances free of coercion, interference, restraint, discrimination or reprisal, and by which the Board of Education (hereinafter sometimes referred to as the Board) and its staff are afforded adequate opportunity to dispose of their differences without the necessity of time consuming and costly proceedings before administrative agencies and/or in the courts.

Section 2 - Definitions

2.1 A Grievance is a claim by any staff member or group of staff members in an administrative unit based upon and limited to any claimed violations, misinterpretation, misapplication or inequitable application of this agreement.

2.2 The term Supervisor shall mean Head Bus Driver, any supervisor, or other administrator or supervisory officer.
2.3 The Chief School Administrator is the Superintendent of the district.

2.4 Aggrieved Party shall mean any person or group of persons in the administrative unit filing a grievance.

Section 3 - Procedures

3.1 All grievances shall include—in writing—the name and position of the aggrieved party, the identity of the provision of this agreement involved in the said grievance, the time when and the place where the alleged events or conditions constituting the grievance existed, the identity of the party responsible for causing the said events or conditions (if known to the aggrieved party), a general statement of the nature of the grievance and the redress sought by the aggrieved party.

3.2 The preparation and processing of grievances, insofar as practicable, will be conducted outside of working hours. All reasonable effort will be made to avoid interruption of daily activity and to avoid involvement of students in any phase of the grievance procedure.

3.3 Any aggrieved party will have the right at all stages of a grievance to confront and cross examine all witnesses on his/her own behalf, and to be furnished with a copy of any minutes of the proceedings made at each and every stage of this grievance procedure. The aggrieved party may be represented at any stage.

3.4 No interference, coercion, restraint, discrimination or reprisal of any kind will be taken by the Board or by any member of the administration against the aggrieved party, any representative, or any other participant in the grievance procedure, or any other person by reason of such participation therein.

3.5 Forms for filing grievances, serving notices, taking appeals, and making reports and recommendations, and other necessary documents will be developed by the Board. The Chief School Administrator will then have them printed and distributed so as to facilitate operation of the grievance procedure.

3.6 All documents, communications, and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.

3.7 The Chief School Administrator will be responsible for accumulating and maintaining an Official Grievance Record. The Official Grievance Record will be available for inspection and/or copying by the aggrieved party, and the Board, but it is not to be deemed a public record.
Section 4 - Time Limits

4.1 Since it is important to good relationships that grievances be processed as rapidly as possible, every effort will be made by all parties to expedite the process. The time limits specified for either party may be extended by mutual agreement only.

4.2 No unwritten grievance will be entertained as described below, and such grievance will be deemed waived unless the written grievance is forwarded to the first available stage within five (5) school days after the staff member knows or should have known of the act or condition upon which the grievance is based.

4.3 If a decision at the first stage is not appealed to the next stage of the procedure within the time limit specified, the grievance will be deemed to be discontinued and further appeal in regard to this grievance shall be barred.

4.4 Failure at any stage of the grievance procedure to communicate a decision to the aggrieved party within the specified time limits will permit the lodging of an appeal at the next stage of the procedure within the time which would have been allotted had the decision been communicated by the final day.

4.5 In the event that a grievance is filed on or after June 1, upon request by or on behalf of the aggrieved party, the time limits set forth herein may be reduced by mutual agreement of the parties concerned so that the grievance procedure may be exhausted prior to the end of the fiscal year, or as soon thereafter as possible.

Section 5 - Stages

5.1 Informal Stage

a. Nothing contained herein will be construed as limiting the right of any staff member having a grievance to discuss the matter informally with any appropriate member of the administrative/supervisory staff and having the grievance adjusted informally provided the adjustment is not inconsistent with existing policy. In the event that the grievance is adjusted without formal determination, such adjustment will be binding on the aggrieved party and will in all respects be final. Said adjustment will not create a precedent or ruling binding upon either of the parties to this agreement in future proceedings.

2.3 Drivers' seniority list shall be posted next to the trip list. All trips shall be posted. Notation shall be made as to who refused, accepted or was not contacted.

Seniority rules shall apply to trip list. Drivers should indicate when they are available for inclusion on the trip list at the August meeting. After 4 consecutive refusals, the driver will be taken off the rotation list for a period of 30 days.

If a driver wants to be included after the August meeting, he will have to wait fourteen (14) calendar days to be placed on the Extra Trip List.

2.4 When a trip is postponed, the assigned driver shall have the privilege to take the next trip that is available and not have to wait for the same trip to come up at a later date.

2.5 Meal expenses up to $8.00 shall be paid to bus drivers on trips of at least four (4) hours duration when such trips occur during normal meal hours. Receipts shall be presented to the unit administrator in order to receive reimbursement.

2.6 An emergency trip will be assigned to the next driver in rotation. If the driver accepts, this emergency trip will count as his or her normal rotation (their next trip would not occur until a full rotation cycle has taken place). A refusal will not count against their rotation.

Section 3 - Late Runs

3.1 A late run is considered a regular run. These runs will be opened up for bid by seniority. These drivers will keep these runs until they choose to vacate them. These runs will be included under the hospitalization plan. The same seniority procedures apply to these runs as they do to regular runs. Regular drivers must notify the Transportation Director who will arrange for subs. Notice must be given by 3:00 P.M. If the need for a sub occurs late in the day, the driver must get a sub and notify the Transportation Director who is subbing.
3.2 Full-time bus drivers shall be given priority for substituting on late runs.

Section 4 - Open Runs

4.1 No run will become open except runs that are vacated. A run is vacated when the incumbent bus driver has resigned from it. Notice must be in writing.

4.2 Runs that are vacated during the school year will be filled by the substitute (regular drivers included) at the top of the seniority list until the next bidding date.

4.3 All open runs and newly created runs must be listed and bid at the August and January Safety Meeting, included will be the approximate time, miles, and description of the run.

4.4 If a run has been abolished the driver affected will have an option of any open run. If there are not open runs, the driver can bump the least senior driver from his/her run.

Section 5 - Switching Runs

5.1 If a driver is unable to drive a run, for whatever reason, he or she or the Head Bus Driver can request to switch runs. In the event this happens, there will be a meeting among the Superintendent, Head Bus Driver, Driver, and an Association Officer to determine the outcome. This may be temporary.

Section 6 - Seniority

Section 7 - Recruitment

7.1 When the qualifications of two or more internal applicants for a position are equal, seniority shall have precedence. If the internal applicant and external applicant have equal qualifications, then the internal applicant shall have precedence.
7.2 Qualifications shall include:
   
a) any appropriate qualifying tests  
b) any appropriate skills  
c) any personality traits necessary for successful performance in the specific job

7.3 Within a particular unit, qualifications shall be the primary criteria used by the unit administrator in determining proper job assignment. Qualifications shall include:
   
a) any appropriate qualifying tests  
b) any appropriate skills  
c) any personality traits necessary for successful performance in the specific job

7.4 If, in the opinion of the unit administrator, qualifications are comparable, seniority shall then be considered to determine the job assignment.

7.5 All B.D.A.M.M. employees shall have the right to apply for position openings in the District. Whenever a position becomes available, it will be posted in each building.

Section 8 - Rules to Govern Full-Time Bus Drivers
