This agreement is made and entered into on the 27th day of October, 2003, by and between the Chief School Officer of the Cobleskill-Richmondville Central School District, hereinafter referred to as “The District,” and the Cobleskill-Richmondville Administrators Association, hereinafter referred to as “The Association.”

ARTICLE I

Recognition

The Board of Education of the Cobleskill-Richmondville Central School District, having determined that the Cobleskill-Richmondville Administrators Association (C-RAA) has been designated and selected by a majority of the employees of the unit described herein, hereby recognizes the Cobleskill-Richmondville Administrators Association as the exclusive negotiating agent for the purpose of collective negotiations.

In accordance with provisions of Section 208, Chapter 392 of the Laws of 1976, as amended, such recognition shall extend for the maximum amount of time permissible.

The unit herein before referred to is described as follows:

Included in the Unit:

1. Full-time twelve-month certified administrators as follows: High School Principal, Middle School Principal, Director of Elementary Education, Elementary Principals, Director of Pupil Personnel Services, and Assistant Principal.

2. Part-time twelve-month certified administrator as follows: Dean of Students.

3. Full-time eleven-month certified administrators as follows: Director of Psychological Services.

Excluded from the Unit: All other employees.

ARTICLE II

Negotiation Procedures

A. It is contemplated that terms and conditions of employment provided in this Agreement shall remain in effect until altered by mutual agreement in writing between the parties. The Association agrees that all negotiable items have been discussed during the negotiations leading to this Agreement and agrees that negotiations will not be
reopened on any item, whether contained in this Agreement or not, during the life of the Agreement.

B. No later than January first of each year in which the contract expires, the parties will enter into good faith negotiations over a successor agreement covering the following school year. If such an agreement is not concluded 120 days prior to the end of the Cobleskill-Richmondville Central School fiscal year, or an impasse is encountered, either party may request the use of mediation. The parties shall request the State Public Employment Relations Board to assist the parties to reach an agreement.

C. Neither party in any negotiation shall have any control over the selection of the representatives of the other party and each party may select its representatives from within or outside the School District. While no final agreement shall be executed without ratification by the Association and the District, the parties mutually pledge that their representatives will be clothed with all the necessary power and authority to make proposals, consider the proposals, and reach compromises in the course of negotiations.

ARTICLE III

Grievance Procedures

A. Declaration of Policy

It is the intention of the District and the Association that all alleged grievances be resolved informally or at the earliest possible stage of this procedure. It is also hereby declared that the purpose of this procedure is to provide a means for orderly settlement of alleged grievances.

B. Definitions

1. “Aggrieved Party” shall mean any person in the negotiating unit filing a grievance.

2. “Administrator” shall mean any administrator or immediate supervisor responsible for or exercising any degree of supervision over the unit member.
   a. “Chief Administrator” shall mean the Chief School Officer of the District.
   b. “Immediate Supervisor” shall mean the administrator to whom the unit member is directly responsible.

3. “Representative” shall mean the person or persons designated by the aggrieved party as his/her counsel or to act in his/her behalf.
4. “Grievance” shall mean any violation of this Agreement.

5. “Party in Interest” shall mean the person or persons filing the grievance and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

6. “Days Referred To” shall be days in which school is in session, except between the last day of June and the first day in September, where days shall mean calendar days excepting Saturdays, Sundays, and holidays and where already noted as calendar days.

C. Basic Principles

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

2. An aggrieved party shall have the right to present grievances in accordance with this procedure, free from coercion, interference, restraint, discrimination or reprisal.

3. An aggrieved party shall have the right to be represented at any stage of the grievance procedure by a person or persons of his/her own choice, except that he/she may not be represented by a person or persons of any organization other than the recognized exclusive negotiating agent or its affiliate(s).

4. Each party to a grievance shall have access at reasonable times to all written statements and records pertaining to such case.

5. All hearings shall be confidential.

6. It shall be the responsibility of the Chief School Officer of the District to take such steps as may be necessary to give force and effect to this procedure. Each administrator shall have the responsibility to consider promptly each grievance presented to him/her within the time specified in this procedure.

7. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and if left unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limits set forth herein may be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practical.

8. All grievances shall be initiated at level one of the grievance procedure.
9. No alleged grievance shall be entertained and such grievance shall be deemed waived unless the allegations are initiated at level one within ten (10) school days after the aggrieved knew or should have known of the act or conditions on which the grievance is based.

10. During the information (oral) stage of the grievance procedure, the grievant, or his/her representative, shall clearly state that the meeting is a level one grievance proceeding. During the formal (written) presentation of an alleged grievance, it shall be incumbent upon the aggrieved to include the name and position of the aggrieved party, the identity of the claimed violation, misinterpretation or inequitable application of the Agreement or of any existing laws, rules, regulations or policies upon which the grievance is based, the time when and the place where the alleged events or conditions constituting the grievance existed, the identity of the party responsible for causing the said events or conditions, if known to the aggrieved party, and the general statement of the nature of the grievance and the redress sought by the aggrieved party.

11. If a decision at one stage is not appealed to the next stage of the procedure within the time limit specified, the grievance will be deemed to be discontinued and further appeal under this Agreement shall be barred.

Failure at any stage of the grievance procedure to communicate a decision to the aggrieved party, his/her representatives and the Association within the specified time limit shall permit the lodging of an appeal at the next stage of the procedure within the time which would have been allotted had the decision been communicate by the final day.

D. Procedure

1. Level One - The aggrieved party and/or his/her representative shall orally present his/her grievance to his/her immediate supervisor (i.e. Assistant Principal to Principal) who shall orally and informally discuss the grievance with the aggrieved party. The immediate supervisor shall render his/her determination to the aggrieved party within five (5) school days after the grievance has been presented to him/her. If such grievance is not satisfactorily resolved at this stage, the aggrieved party may proceed to Level Two.

2. Level Two

a. Within five (5) school days after a determination has been made at the preceding stage, the aggrieved party and/or his/her representative may make a written request to the Chief School Officer for review and determination.
b. The Chief School Officer shall immediately notify the aggrieved party and/or his/her representative, the immediate supervisor and any other administrator previously entering a determination in the case to submit written statements to him/her within five (5) school days, setting forth the specific nature of the grievance, the fact relating thereto, and the determination(s) previously rendered.

c. If such is requested in the written statement of either party pursuant to paragraph "b" above, the Chief School Officer shall notify all parties in interest of the time and place when an informal hearing will be held where such parties may appear and present oral written statements supplementing their position in the case. Such hearing shall be held within five (5) school days of receipt of the written statements pursuant to paragraph “b” above.

d. The Chief School Officer shall render his/her written determination to the parties in interest within ten (10) school days after the written statements pursuant to paragraph “b” above have been presented to him/her.

3. Level Three - If the aggrieved party is not satisfied with the disposition of his/her grievance at Level Two, or if no decision has been rendered within fifteen (15) school days after he/she had first submitted his/her grievance pursuant to Section “2. a” of this procedure, he/she may file the grievance in writing with the Board of Education. The Board of Education will meet with the parties in interest for the purpose of resolving the grievance. The Board of Education will render its written determination to the parties within fifteen (15) school days after said meeting.

4. Level Four - Binding Arbitration

a. If the aggrieved party is not satisfied with the decision at Level Three, and the grievance is an alleged violation of this Agreement, he/she may submit the grievance to binding arbitration by filing written notice with the Board of Education within ten (10) calendar days after receipt of the decision at Level Three.

b. The aggrieved party and the Grievance Committee, if they are not satisfied with the Level Three decision, may appeal the decision to arbitration by sending by certified mail two (2) completed Demand for Arbitration or Submission to Arbitration to the appropriate regional office of the American Arbitration Association (AAA) within ten (10) calendar days of receipt of the Level Three decision. A copy of the completed Demand for Arbitration or Submission to Arbitration must be delivered to the Chief School Officer at the same time the original is mailed to the AAA. Thereafter, the selection of
an arbitrator and the arbitration process shall proceed in accordance with the procedures of the American Arbitration Association.

c. The arbitrator shall limit his/her decision strictly to the application and interpretation of the provisions of this Agreement and he/she shall be without power or authority to modify or amend it or to make a decision contrary to law. The decision shall be binding. The arbitrator shall render his/her decision in writing within thirty (30) calendar days of receipt of final briefs from both parties and set forth his/her findings and conclusions on the issues submitted. Both parties agree that the decision of the arbitrator is binding.

The election to submit a grievance to binding arbitration shall automatically be a waiver of all other remedies, judicial bodies or courts, which otherwise could be available.

d. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel and subsistence expenses, will be borne equally by the Board and the Association.

E. Miscellaneous Provisions

1. Members of the negotiating unit may not initiate or carry forward a grievance unless through the existing procedures of this Agreement.

2. All documents, communications and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.

3. Necessary forms for filing grievances pursuant to this Agreement will be jointly prepared by the Chief School Officer and a representative of the Association.

ARTICLE IV

Salaries and Professional Compensation

A. In return for daily and yearly work and supervisory schedules necessary to complete professional duties, salary compensation is established for the specific individuals now in the job titles. Should vacancies occur, the Board of Education will hire replacements without any restrictions from this contract. When a unit member is unable to report for work, he/she may apply a personal business day or a vacation day toward this snow day. Such use shall require that the unit member notify the Superintendent on that day to advise him/her of the problem. At the Superintendent’s discretion, the snow day usage may be recredited to the personal business or vacation day taken.

I. Professional Development

The District will reimburse members for three (3) hours of tuition for graduate courses per semester. Reimbursement will be for only those courses beyond those required for SAS certification and/or beyond those required for the MS/CAS in School Psychology. The courses are subject to approval by the Superintendent before the start of the course. Payment will be made following successful completion of the course.

ARTICLE V

The performance of all administrators in this bargaining unit shall be evaluated in writing at least once per year by the Superintendent or his/her appointed certified administrative designee through a procedure established by the Superintendent with the approval of the Board of Education of the Cobleskill-Richmondville Central School.

Following the written evaluation, the unit member may request a conference to discuss the evaluation with the evaluator.

The unit member will receive a copy of the written evaluation. The District’s copy of the evaluation shall be placed in the unit member’s personnel file. Any unit member who receives such an evaluation shall have the right to respond in writing to the evaluation and to have a copy of such response added to his/her personnel file.
ARTICLE VI

Medical Examinations

The District will require one (1) comprehensive physical examination of the members during the length of the contract. Such examination will include chest X-ray, cholesterol level, blood tests, EKG, EEG. The District will reimburse members once during the life of the contract for costs incurred for this one examination above that covered by insurance to a cap of $100.00.

All personnel will submit to the time test every other year. Following a positive reaction, the District and the unit member will follow the recommendations established by the State Bureau of School Health and Pupil Personnel Services for T. B. testing.

ARTICLE VII

Leaves of Absence

A. Sick Leave

The term sick leave shall mean any days absent by any member of the bargaining unit from his/her regular duties because of any physical or mental incapacity due to sickness or accident, such as to render such member incapable of performing his/her regular duties and the time accumulated hereunder shall be used for such purpose only, except as hereinafter provided.

Each twelve-month member of the bargaining unit shall be granted eighteen (18) days of paid sick leave at the beginning of each year he/she is employed as a member of the bargaining unit of Cobleskill-Richmondville Central School, and the unexpired days of paid sick leave shall accumulate to two hundred fifty (250) days.

Each eleven-month member of the bargaining unit shall be granted seventeen (17) days of paid sick leave at the beginning of each year he/she is employed as a member of the bargaining unit of Cobleskill-Richmondville Central School, and the unexpired days of paid sick leave shall accumulate to two hundred fifty (250) days.

If, during the school year, any member of the bargaining unit uses one (1) or more days of paid sick leave, such number of days shall be deducted from his/her accumulation, and shall be deducted even though no substitute was employed by the Board for all or any portion of such time.

Time spent in military service by any member of the bargaining unit while on probation or on tenure in this school system shall be included in computing sick leave accumulations and apply only to those returning to the school system following termination of military service, under Military Law #234.
All sick leave benefits shall cease when a bargaining unit member for any reason shall cease to be employed by this school district. Accumulated sick leave benefits will not be lost during a leave of absence, nor will any be gained.

All bargaining unit members will be required to complete an “Employee’s Absence Report” that will be filed in the Chief School Administrator’s office immediately upon returning to school after an absence.

Prior to September 1st, the Chief School Administrator shall file with the Clerk of the Board of Education and deliver to each unit member a statement showing the number of days of his/her unused sick leave at the expiration of the school year.

B. Catastrophic Accident and/or Illness Pool

1. A catastrophic accident and/or illness pool consisting of an aggregate number of 90 sick days per school year shall be established for use by the members of the bargaining unit who require preliminary hospitalization and subsequent recuperation due to accidents or long-term illness. This does not cover disability due to normal pregnancy. The pool, however, may be used for disability caused by abnormal pregnancy and complications thereof.

2. All decisions relating to applications for withdrawal from the pool shall be made by the Superintendent of Schools.

3. Application for withdrawal of days by participating members may be made immediately upon depletion of personal sick leave. These applications will be submitted to the Superintendent on forms made available through the office of the Superintendent. A doctor’s certificate stating the seriousness of the disability and an approximate date when the unit member can be expected to return to work shall accompany all applications.

4. Applications for withdrawal from the pool shall be submitted to the Superintendent of Schools. Upon approval for withdrawal, the Superintendent reserves the right to terminate withdrawal of sick days at any time if proof of the need for these days cannot be provided by the withdrawing member. A demonstrated misuse of this privilege shall result in a return of all monies. The total number of days that can be withdrawn on any one application shall not exceed thirty (30) days. If after this period further withdrawal from the pool is sought, two (2) extensions of up to thirty (30) days each may be submitted. Approval of this further withdrawal will be dependent upon the seriousness of the disability and requests of other applicants to the pool.
5. The maximum number of days that are available to the bargaining unit and that thus can be used in any one school year shall be equal to an aggregate of ninety (90) sick days.

6. Once the pool is established, the number of sick days contributed by the Board in any one school year shall be the number of days necessary as of July 1st to bring the aggregate number of sick days in the pool back to ninety (90) days.

C. Illness or Death in Family and Personal Business

Of the eighteen (18) days or the seventeen (17) for eleven-month members of personal sick leave, each member of the bargaining unit will be allowed five (5) days of absence for reasons of sickness or death of a relative, of a guardian, or any person in the immediate household (including any person who had established a home with such unit member). Each member will be able to transfer not more than two (2) unused family days from the previous school year so as to create a single year maximum of seven (7) family days.

Unit members may request up to 5 additional days in a given year to be transferred from the members current year’s sick leave to family leave under special circumstances. Approval is at the sole discretion of the superintendent and/or Board of Education and is not grievable.

Three (3) of the five (5) days may be considered for personal business providing that the days fall within the following guidelines: “Personal business days are a privilege extended by contractual agreement to the individual employee to enable the employee to accomplish business which, through no fault of the employee falls on a scheduled work day, without resultant monetary loss.”

The use of these days shall not extend to the following:

1. To accomplish business of a nature that could be accomplished or scheduled at another time;

2. To extend a vacation period or holiday period, except in case of an emergency;

3. To follow avocational interests.”

Requests for the use of personal leave shall include a written reason for said leave, or in the event that a unit member does not provide said reason in writing, the unit member upon return from personal leave shall sign an affidavit attesting to the fact that said personal leave was taken for the reasons stipulated in Article VII Section C. Requests for personal leave shall be made 48 hours in advance when possible.
D. Religious Observance

Members of the bargaining unit shall be entitled to use up to two (2) days per year of non-accumulative leave for religious observances which require absence during the school hours. Request for such leave must be made at least (5) days prior to the day or days of absence.

E. Pregnancy/Child-Rearing Leave

1. Unit members who apply in writing for pregnancy leave shall be granted such leave without pay or benefits. Application for said leave must be made two (2) months prior to the start of the leave. At the time that the leave is granted, written mutual agreement between the unit member and the Chief School Administrator shall indicate the date that the unit member must notify the District of said member’s intent to return or not to return to service.

2. An eligible employee shall be granted leave upon request for the purpose of child rearing of natural or adopted children. Application of said leave must be made two (2) months prior to the start of the leave. In case of adoption, a unit member anticipating requesting a leave for an adoption of a preschool-age child shall notify the Superintendent upon registration with the adoption service registry and shall notify the Superintendent immediately upon the assignment of the adopted child. Such unpaid leave shall commence at the discretion of the Superintendent, but not later than fifteen (15) working days after the custody of the child is taken by the unit member.

3. The length of the leave in Article VII, Section E. 1 or 2 shall be a maximum of one school year beyond the year in which the child is born or adopted, with the leave terminating at the end of the current semester.

F. Lost Time On the Job For Accidents Involving Workers' Compensation Benefits

With respect to all lost time on-the-job accidents involving Workers' Compensation Benefits, personnel will be paid full salary less the applicable compensation payments, under the following procedure:

1. Unit members will receive sixty (60) normal working days of pay less the applicable compensation benefits which will not be charged against sick leave.

2. Following the use of the above sixty (60) days, unit members may have the option of using the balance of their accumulated sick leave days with the school paying full salary less the applicable compensation benefits.
G. Leave of Absence

The Board may, within its discretion, grant leave of absence for a period not to exceed one year without pay or paid benefits to unit members. Requests for leave shall be in the form of a written application therefore. At the time the leave is granted by the Board of Education, written mutual agreement between the Chief School Administrator and the unit member shall indicate the date that the unit member must notify the Chief School Administrator of said unit member’s intent to return or not to return to service.

H. Sabbatical Leave

1. A sabbatical leave of absence may be granted to members of the bargaining unit. The granting of such leave is subject to the approval of the Board of Education upon recommendation of the Chief School Administrator, when in their considered judgment, the professional competence of the staff member and the general welfare of the District will be benefited.

2. Sabbatical leave is granted to members of the bargaining unit for the purpose of improving their ability to render educational services. Such improvement is usually, among other things, study, research, planned travel, etcetera.

3. The rules and regulations governing the sabbatical leave program are as follows:

   a. Leave may be granted for periods of up to one year after the completion of seven (7) full consecutive years of employment in Cobleskill-Richmondville. At the end of each additional period of seven (7) or more consecutive years of employment, leave may be granted again.

   b. Application for sabbatical leave must be submitted prior to March 1st for the next school year. The Board of Education shall notify all applicants no later than April 1st.

   c. For a leave of more than half a year, the person shall be paid fifty (50) percent of the amount of his/her salary for the leave period according to the salary schedule in effect during the leave. For one-half year’s leave, the person shall receive full pay in accordance with the salary schedule in effect during the leave.

   d. The period of leave shall count as regular service for the purpose of salary increment. Upon the return of the person to his/her regular professional position, he/she will be entitled to the normal salary increment and any other increases and benefits.
e. The period of leave shall not count as regular service for the purpose of accumulating sick leave. However, any sick leave accumulated prior to the sabbatical leave will remain in effect upon the return of the staff member.

f. The sabbatical leave salary will remain in effect even if the person receives any cash award or grant.

g. A person upon the completion of sabbatical leave shall be returned to the same tenure area previously held unless mutual agreement on a different position is reached between said person and the Board of Education.

h. Sabbatical leave may be granted to one member of the bargaining unit of recognition as defined in Article I.

i. A bargaining unit member, in accepting a sabbatical leave from the Cobleskill-Richmondville Board of Education, shall agree to return in the service of said Board for two (2) years after the expiration of the leave. The unit member who does not remain in the employ of the District for the required period shall reimburse the District for the salary received during the sabbatical leave, pursuant to the terms and conditions of a contract to be entered into between the Board and the unit member being granted such leave.

I. Jury Duty

The bargaining unit members who are required to serve jury duty will be released from their responsibilities on those days or hours that such service demands at no loss of pay or approved accumulated leave time. The daily compensation the employee receives for jury duty will be paid to the Board, excluding the amount paid to the employee for his/her travel expenses.

J. Other Absences

Absences not covered by the aforementioned paragraphs A.-I. will result in both full loss of pay at the rates pursuant to Article IV, Section D., and benefits. Any such absence is subject to the prior approval of the Chief School Officer.

K. Notification of Absence

Each unit member who expects to be absent from duty should notify the immediate supervisor as early as practical.
ARTICLE VIII

A. Insurance Protection

The District shall make available a group health insurance program providing benefits comparable to the Blue Shield of Northeastern New York to eligible unit members during their employment as follows:

1. From the implementation date of the Flexible Benefits Plan which will not be retroactive, the rates of contribution of the District shall be 100 percent of the charge for individual coverage and 75 percent of the charge for dependent coverage.

2. The dependent portion will be computed by first taking 100% individual cost from the dependent premium cost, then taking 75% of that figure. Health insurance deductibles will be allowed for reimbursement under the dental/optical reimbursement procedures (see Section B below.) The District shall make available to all unit members the Blue Shield prescription drug plan or an equivalent ($10 co-pay.)

3. The District will establish a Flexible Benefits Plan in accordance with Section 125 of the Internal Revenue Code. Administrators shall be entitled to pay health insurance expenses under the auspices of this plan. A committee will be established to determine other benefits that will be available through the plan.

4. Individuals who retire during the term of the contract shall be covered at the rate of 100 percent of the charge for individual coverage and 75 percent of the charge for dependent coverage, as applicable.

5. Bargaining unit members are eligible for health insurance benefits in retirement as offered by the District in the following manner:
   - Completion of 1-4 years of service – no eligibility
   - Completion of 5-9 years of service – members pay 100 percent of the cost of the charge for individual or dependent coverage
   - Completion of 10 or more years of service – district pays 100 percent of the cost of the charge for individual coverage and 75 percent of the charge for dependent coverage, as applicable.

6. The District and the Association agree to cooperate in the elimination of dual coverage within the plan provided by the District.

7. If requested, in lieu of the Blue Shield Insurance Program, the District shall make available to eligible unit members during their employment a Health
Maintenance Option (HMO). The rates of contribution of the District shall be 100 percent of the charge for individual coverage, to a maximum of the primary insurance plan per month, or whichever is less, and 75 percent of the charge for dependent coverage, to a maximum of the dollar amount expended by the District for dependent coverage in the primary insurance plan per month, or whichever is less.

B. Dental/Optical Self-Insurance Program

1. The District shall establish an employees’ self-insurance dental/optical program of $600 per year per active full-time unit member. The money may be applied toward the health insurance deductible.

2. Each active full-time unit member is entitled to reimbursement from the program for expenses actually and necessarily incurred for dental/optical care for him/herself, his/her spouse, and his/her dependent children up to $600. Payment from the program shall be made on a monthly basis following the submission of signed, receipted bills from the dentist or optician providing the service. Said claim shall be made and paid as any other claim would be made to the Board. The bill shall disclose the service provided and shall identify the person for whom service was submitted under this section.

3. The maximum reimbursement to which any active full-time unit member is entitled in any fiscal year (July 1-June 30) shall be no more than $600.

4. The District’s responsibility is solely to administer the program and it shall have no liability beyond the $600 per year per eligible full-time active unit member in so administering the program, to any employee or group of employees or any third party.

5. This program shall apply solely to full-time unit members, with any payment to unit members employed on a less than full-time basis to be prorated on the basis of the percent of total employment.

6. This program shall cover all members of the unit who are currently employed and those members who retire from the Cobleskill-Richmondville Central School Administrators’ Association.

7. Dental and/or optical vouchers acquired for a fiscal year, July 1 through June 30, will be accepted for reimbursement if submitted by July 10 of the next fiscal year.
