B. Definitions

A grievance is an alleged violation of a specified Article or Section of this Agreement.

C. Procedures

1. Nothing contained herein will be construed as limiting the right of any support staff having a grievance to discuss the matter informally with any member of the Administration and to adjust the grievance in a way mutually acceptable to the support staff and the Administration. Such adjustments need not however be considered as a precedent for future cases.
2. A support staff who has a grievance may, if he/she wishes, ask the Association Grievance Committee or other representative to assist him/her, to advise him/her, or to represent him/her, or to refrain, at any Stage in the adjustment of his/her grievance.
3. A grievance can be instituted only by a support staff or group of support staff or the Association.
4. The Board of Education and the Association agree to facilitate any investigation which may be required and to make available relevant documents and records concerning the alleged grievance within ten (10) school days when practical. If the District is unable to make available the relevant documents and records within this time frame, the District will notify the Association President or his/her designee of this inability and shall simultaneously provide an estimated time for the documents and records to be available.

E. Stages of the Procedure

Grievance

Any aggrieved party will discuss its alleged grievance with the administrator immediately responsible, with the objective of resolving the matter informally. If the grievance is not resolved informally or if the aggrieved party wishes to appeal the decision of the administrator consulted, the aggrieved party will proceed as follows:

Stage 1

The aggrieved party will present in written form the matter of grievance to the building principal or supervisor responsible. The written report shall include the names of all persons relevant to the alleged grievance, the times and places involved, a general statement of the nature of the grievance, the redress sought by the aggrieved party, and the steps taken by the aggrieved party up to the time of submission of the written report. The building principal or supervisor shall render a written decision on the grievance within five (5) days after receipt of the complaint. If an appeal from the building principal's or supervisor's decision is desired, such appeal must be requested in writing to the Superintendent of Schools within five (5) days following the decision of the building principal or supervisor.

Stage 2

Within five (5) days of the receipt of a written appeal from an aggrieved party, the Superintendent of Schools shall hold a hearing with the aggrieved party and any representatives the party designates. The Superintendent of Schools shall render a written decision within five (5) days of the hearing.

Stage 3

If the aggrieved party is not satisfied with the decision at Stage 2, an appeal shall be filed in writing with the Board of Education within five (5) days after the decision at Stage 2. The Board of Education shall render a decision, in writing, on the grievance within five (5) days of the hearing.

Stage 4 - Arbitration Stage

2. Within ten (10) school days after such written notice of submission to Arbitration, the Board of Education and the Association will agree upon a mutually acceptable Arbitrator competent in the area of grievance and will obtain a commitment from said Arbitrator to serve. If the parties are unable to agree upon an Arbitrator or to obtain such a commitment within the specified period, a request for a list of Arbitrators will be made to the American Arbitration Association by either party. The parties will then be bound by the rules and procedures of the American Arbitration Association in the selection of an Arbitrator.
3. The selected Arbitrator will hear the matter promptly and will issue his/her decision not later than fourteen (14) calendar days from the date of the hearing, or if oral hearings have been waived, then from the date of the final statements and proofs that have been submitted to him/her. The Arbitrator's decision will be in writing and will set forth his/her findings of fact, reasoning and conclusions on the issues.
4. The Arbitrator shall have no power or authority to make any decision which requires the commission of an act prohibited by law which is violative of the terms of this Agreement.
