It shall be a fundamental responsibility of persons in supervisory capacity at all levels, commensurate with the authority delegated to them by their superiors, promptly to consider and take appropriate action upon grievances presented to them by employees under their supervision. To such extent as is practicable, appropriate authority is hereby delegated to such persons with supervisory duties to take such steps as may be necessary to give effect to the provisions prescribed herein.

It shall be the responsibility of the head of appropriate department or agency of the City of Niagara Falls to take such steps as may be necessary to give effect to the provisions prescribed herein.

Section 4. Procedure

A three-stage grievance procedure with a right of arbitration for employees of the City of Niagara Falls is hereby established as follows:

A. First Stage

The first procedural stage shall consist of the employee's presentation of his grievance to his immediate superior who shall to such extent as he may deem appropriate, consult in turn with his superiors. A statement of grievance at this stage shall be presented on a written form stating the nature of the grievance and the date submitted and shall be receipted by the employee's superior. The discussion and resolution of the grievance at the first stage shall be on an oral and informal basis. However, the action taken at this stage shall be in writing, which writing shall contain the date such action is taken. If such grievance is not satisfactorily resolved at this first stage within two (2) days from the date of submission, the aggrieved employee may proceed to the second stage.

B. Second Stage

The second procedural stage shall consist of a request by the aggrieved employee for a review and determination of his grievance, by the head of the department concerned or his designee. In such case, the aggrieved employee and his immediate superior shall each submit to the head of the department concerned or his designee, within two (2) days of the date of the action taken in the first stage, a written statement setting forth the specific nature of the grievance and the facts relating thereto. Such statement shall be made upon a form numbered and supplied by the Personnel Department of the City of Niagara Falls. Upon receipt of the statement of the grievance, the department head concerned or his designee shall, at the request of the employee, hold an informal hearing at which the employee and/or his representative shall appear and present oral and written statements or recommendations.

The final determination of the second stage of such grievance proceeding shall be made by the head of the department or his designee within five (5) days from the date of submission to him of said grievance. The decision shall be made in writing and communicated to the employee presenting the grievance and the employee's representative if any, and a copy of the decision shall be submitted to the chairman of the Labor Relations Committee. If such grievance is not satisfactorily resolved at the second stage within five (5) days from the date of submission, such employee may proceed to the third stage.

C. Third Stage

The third procedural stage shall consist of a request by the aggrieved employee for a review and determination of his grievance by the Labor Relations Committee. In such a case, the aggrieved employee shall submit his request to the Labor Relations Committee within five (5) days from the date of the determination of the department head. The department head, upon notice, shall forward all papers filed pursuant to said grievance to the Labor Relations Committee. The Labor Relations Committee shall schedule a hearing within (5) days of submission of the grievance to take testimony of the parties and their witnesses, receiving documents or other papers submitted to it, issue subpoenas and establish rules for the conduct of the hearings not inconsistent with this grievance procedure.

The Labor Relations Committee shall make its determination of the grievance and shall render its decision in writing within ten (10) days from the date of the hearing. The decision shall be filed with the City Administrator and a copy shall be filed in the office of the Personnel Department of the City of
Niagara Falls which copy shall be open to inspection to all parties with an interest therein. Copies of the decision shall be sent to all persons directly concerned and affected by it.

If such grievance is not satisfactorily resolved at the third stage within ten (10) days, such employee may proceed to arbitration.

D. Arbitration

All grievances which are not amicably settled as provided for in Section A, B, and C of this grievance procedure shall, upon the written demand of either of the parties hereto, be submitted to arbitration. The arbitrator shall be selected as soon as practicable after written notice demanding the appointment of said arbitrator by either of the parties hereto, which demand must be made within (5) days of the date of the Labor Relations Committee's decision. Said arbitrator shall be selected by mutual agreement from names supplied by P.E.R.B. The parties shall request the Public Employment Relations Board to select a panel of not more than five (5) arbitrators from the Western New York area. If a party fails to timely return its selections to the Director of Conciliation, all names submitted on the panel list shall be deemed acceptable to such party and the designation of the arbitrator shall be made according to the preferences of the party whose selections have been timely received. The decision of the arbitrator thus selected, shall be binding upon both parties to this agreement when the same is in accordance with law and has been made in writing and a copy filed with the employee and collective bargaining representative and with the Labor Relations Committee of the City of Niagara Falls, and shall be considered as a final determination of the question or questions of fact submitted to arbitration. Both parties hereto shall divide the expenses and fees of the arbitrator selected.

Section 5. Meetings

All meetings called or scheduled pursuant to a stated grievance shall whenever practicable, be scheduled between the hours of 9:00 and 5:00, Monday through Friday, of any workweek. Any employee scheduled to work when a meeting is scheduled, shall continue to receive normal compensation notwithstanding his attendance at said meeting.

Section 6. Union Attendance

The Union or employees association representing the employee involved in any grievance proceeding shall have the right to attend all proceedings conducted pursuant to this grievance procedure, subsequent to the first proceeding as contained herein in Subparagraph A of Section 4.

Section 7. Class Grievance

The Firefighter's Officers Association may submit a so-called "class" grievance i.e., one involving a matter of general effect on the memberships, provided there is at least one specific instance of action by the City resulting in an alleged violation of the contract.

CITY OF NIAGARA FALLS
LABOR MANAGEMENT HEALTH CARE COMMITTEE

The City of Niagara Falls Labor Management Health Care Committee was formed in 2004 for the purpose of uniting both Labor and Management in an attempt to reduce the City's health care costs and also to strengthen the health care available to its employees. This committee is comprised of members of the City Administration, the Niagara County Building Trades, the United Steelworkers of America, Local 9434 (Units 00 and 02), the Niagara Falls Fire Department Officers Association, Uniformed Firefighters Local 714, the Niagara Falls Police Captains and Lieutenants Association and the Niagara Falls Police Club. The committee met several times throughout 2004 and into 2005 and created a health care program, which provides comprehensive and improved coverage for all qualified City employees while at the same time providing the City with enhanced financial stability due to the program's lower cost.

The following terms will govern the administration of the City's health care program: 1. Effective November 1, 2005, the City of Niagara Falls will provide all qualified unionized and exempt employees with the Health Care Program contained in Schedule "A". A qualified employee shall be defined as any full time, permanent or provisional employee of the City of Niagara Falls in the exempt managerial class, a full time, permanent or provisional member of one of the recognized member bargaining units of the committee, or an elected official. Temporary employees are not eligible for health care coverage until completion of six (6) consecutive months of full-time employment with the City.

2. The program contained in Schedule A is comprised of Health and Hospitalization. Vision, Dental, Prescription and Chiropractic benefits and is provided
by the City at no cost to qualified employees.

3. Notwithstanding the provisions contained in paragraph 2 above, qualified employees appointed after November 1, 2005 will be responsible for 20% of the monthly premiums for the qualified employee's first year of employment with the City. At the commencement of the qualified employee's second year of employment with the City, the health care program will be provided by the City according to the provisions contained in paragraph "2". Temporary employees must complete six (6) consecutive months of full-time employment prior to being eligible for health care coverage; the temporary employee then will be responsible for the 20% of the premium for one full year once eligible.

A). The employee's portion of the premium cost of the health care program will be deducted through the bi-weekly payroll commencing with the employee's first pay period.

4. Any qualified employee who is covered by an alternate health insurance program may elect to opt out of the City health insurance program. Should the employee opt out of the City program, the employee must provide the Department of Human Resources with written proof that he/she is enrolled by the other plan. Written documentation generated by an entity sponsoring the alternate health plan and evidencing the employee's participation in the plan shall constitute sufficient proof of enrollment. Upon verification of this information by the City, the employee shall be entitled to an amount equal to 50% of the yearly cost (either single plan or family plan, depending on which plan the employee qualifies for) of the City program for that employee. This amount shall be paid to the employee through the employee’s regular bi-weekly pay in a proportionate amount throughout the year. Any employee covered under the City health insurance program that opts out after January 1st of any calendar year will, upon verification of the comparable health insurance plan, be paid...
a pro-rated amount for that year. Any employee who leaves before the end of the
calendar year in which he/she is receiving this amount will forfeit any unpaid amount
due and owing for the remainder of the year. Qualified employees hired after
November 1, 2005 will not be able to opt out of coverage until after completion of one
full year of employment with the City.

5. All qualified employees retiring from the City of Niagara Falls, effective
November 1, 2005, will have the above mentioned health care plan provided to them
at no cost to the retiree, upon the same terms and conditions as those applicable to
active employees of the City at the time of retirement. Such benefits shall continue
until retiree reaches age sixty-five (65), at such time the City agrees to provide
coverage as provided above supplemental to Medicare. All rights of employees who
retired prior to July 1, 2005 will not be affected by the terms of this Agreement.

6. Upon ratification of this signed agreement by the Niagara Falls City Council,
the terms of this Memorandum of Understanding will be controlling with respect to the
administration of health/hospitalization, dental, vision, prescription and chiropractic
coverage. Accordingly, all sections of each bargaining unit's collective bargaining
agreement with the City of Niagara Falls in conflict with the provision of these benefits
to qualified employees as specified herein shall be null and void. A listing of the
conflicting sections of the collective bargaining agreements for each bargaining unit
is attached hereto as Schedule B. All other terms and conditions of employment
contained in the aforementioned collective bargaining units will remain in full force and
effect.

7. The City of Niagara Falls Labor Management Health Care Committee shall
continue to be comprised of 2 (two) representatives of the Executive Board of each
of the member bargaining units, possessing full authority to negotiate on behalf of
each member bargaining unit, the Mayor of the City of Niagara Falls, the City
Administrator, Corporation Counsel, the Risk Management Director, and the Human Resources Director or their designees.

8. Through this Memorandum of Understanding, the City and each member bargaining unit confirms its commitment to the City of Niagara Falls Labor Management Health Care Committee. As such, all parties authorize the City of Niagara Falls Labor Management Health Care Committee to act on behalf of each represented entity in the areas of health and hospitalization, dental, vision, prescription and chiropractic coverage, and to negotiate for and contract with health insurance carriers for said benefits (subject to ratification of any Committee proposal by the membership of each member bargaining unit and notwithstanding the provisions of the collective bargaining agreements between each bargaining unit and the City). No single member or represented entity of the City of Niagara Falls Labor Management Health Care Committee will have the power to alter the terms of the City of Niagara Falls Health Care Program without the approval of the Committee. Any change to the City of Niagara Falls Health Care Program must be approved by a 2/3 vote of the City of Niagara Falls Labor Management Health Care Committee.

9. Any dispute arising under this Memorandum of Understanding or with respect to the City of Niagara Falls Health Care Program shall be resolved pursuant to the terms of the grievance procedures contained in the collective bargaining agreements between bargaining unit of the affected employee and the City.

10. This memorandum shall be made part of all the Collective Bargaining Agreements between the City and the labor unions that are members of the Labor-Management Healthcare Committee. However, the labor unions recognize that the term of the contract between the City and the Healthcare Company (ies) may not correspond to the term (or effective dates) of the seven Collective Bargaining Agreements. As such, all parties agree that all matters referenced in this MOA are not
bound by the dates of the CBA's between the member labor unions and the City.

11. Any member group of the Labor-Management Healthcare Committee may opt out from membership in the Committee upon thirty (30) days notice to all other members of the group.

12. Any member of the Labor-Management Healthcare Committee may, upon thirty (30) days written notice to the other members of the Committee, request to re-open negotiations on healthcare. During such negotiations, all other terms of this agreement shall remain in effect until new terms are agreed upon.

A. INTRODUCTION
The City of Niagara Falls, New York (hereinafter, "City") and the Niagara Falls Fire Department Officers Association, Local 3359, (hereinafter, "Local 3359"), hereby agree to the following Random Drug Testing Policy (hereinafter, "Policy"). This Policy may not be amended or otherwise modified except by mutual agreement between the City and the Local 3359.

B. PURPOSE AND SCOPE
The City acknowledges that all employees have a right to exercise private judgment in matters relating to their personal lives. However, preventing the use of illegal drugs or the improper use of legal drugs by City Fire Department employees is considered essential to the effectiveness of the Fire Department and to the safety of its members and the community. This Policy seeks to promote the health, safety and welfare of City Fire Department employees and to enhance the safety of members of the general community. It also seeks to identify problems with illegal drugs or the improper use of legal drugs if they exist and to provide assistance and treatment through an Employee Assistance Program to Fire Department employees that may experience such problems.

The City further acknowledges that, this Policy is being implemented only as a preventative measure and not in response to any existing problems with drug use by City Fire Department employees.

All Fire Department employees represented by the Local 3359 are subject to and expected to comply with this Policy.

C. DEFINITIONS
For the purpose of interpreting and administering this Policy, the following terms or phrases are defined to mean:
1. Illegal Drug: means any drug that is not legally obtainable.
2. Legal Drug: means any prescribed drug or over-the-counter drug that has been legally obtained.
3. Drug Testing: means the scientific analysis of urine for the purpose of detecting: (1) the presence of an illegal drug or (2) a legal drug not legally obtained or being used for a purpose other than that for which it was prescribed or manufactured. Drugs that will be tested for under this Policy include, but are not limited to, amphetamines, barbiturates, benzodiazepines, cocaine metabolite, opiates, marijuana, phencyclidine, methadone, methaqualone and propoxyphene.
CITY OF NIAGARA FALLS, NEW YORK AND NIAGARA FALLS FIRE DEPARTMENT OFFICERS ASSOCIATION, LOCAL 3359 RANDOM DRUG TESTING POLICY

4. Prohibited Drug Use: means a condition in which a Fire Department Employee is using an illegal drug or using a legal drug not legally obtained or being used for a purpose other than that for which it was prescribed or manufactured.

5. Chain of Custody: means mandated procedures to account for the integrity of each urine specimen by tracking its handling and storage from the point of collection to its final testing and disposition.

6. Neutral Testing Process: means that none of the personnel involved in the collection, testing of the urine sample or reporting the results have had any personal or professional contact with the Employee being tested that might give rise to even the appearance of personal bias against the Employee.

D. POLICY STATEMENT

No Employee is permitted to engage in any prohibited drug use as defined in this Policy. Employees who believe that they may have a problem with prohibited drug use are encouraged to seek professional help through the Employee Assistance Program (hereinafter, "EAP") established by this Policy without waiting to be identified through the random testing program. Help voluntarily sought in this manner will be treated as strictly private and confidential.

Employees taking prescribed drugs or using over-the-counter medication that have any doubt about their ability to perform their duties should consult with their doctor and, if necessary, discuss alternative work options with their supervisor. However, under no circumstances will the legal use of legally obtained drugs be considered a violation of this Policy.

E. AVAILABILITY OF HELP AND FINANCIAL ASSISTANCE

There are a wide range of professional support programs available for individuals experiencing drug-related problems and the City is committed to providing all reasonable rehabilitation support through these channels for Fire Department employees subject to this Policy.

Any Employee wishing to avail himself/herself of professional support should approach the City's EAP Coordinator.

The type of rehabilitation offered by EAP will include but not be limited to:
1. Assessment of current personal situation and future needs;
2. Referral to inpatient or outpatient center;
3. After care and relapse prevention counseling;
4. Introduction to support groups.
F. AMNESTY
The City recognizes that employees may be reluctant to admit they have a problem with prohibited drug use and seek help for such problem for fear of the possibility that adverse employment action will be taken against them. However, the City also recognizes that it is in the interests of the community, the Fire Department and its members to take all reasonable steps to rehabilitate employees experiencing problems with prohibited drug use. Accordingly, under the terms of this Policy, no adverse employment action will be initiated by the City against any Employee who, prior to testing positive in a random drug test, voluntarily seeks assistance from the EAP for problems with prohibited drug use.

The Employee will comply with the EAP Procedure set forth in Section H below.

Fire Department Employees who choose not to voluntarily seek help and who subsequently test positive for prohibited drug use when subjected to a random drug test will be subject to the following procedure.

G. EMPLOYEES WHO TEST POSITIVE FOR PROHIBITED DRUGS
In the event of a positive test result, the testing facility will send a Confidential Report to the City's Director of Human Resources and the President of the Local 3359 containing the following information:

1. Documentation that the testing facility is certified and/or licensed by the SAMHSA and NYSDOH or otherwise as required by applicable law.
2. Documentation that all personnel involved in the collection, testing of the urine sample and/or reporting of the results are properly licensed and certified as required by this Policy and applicable law.
3. Documentation verifying proper chain of custody and testing procedures as defined herein and as required by applicable law.
4. Documentation showing the testing conducted and the results thereof.
5. Any other information required by applicable law to be included in a drug testing litigation report.

An Employee whose drug test is reported positive will be offered the opportunity to:

1. Obtain and independently test, at the employee's expense, the remaining portion of the urine specimen that yielded the positive result, and
2. Obtain the written test result and submit it to an independent medical review at the employee's expense.

The Employee may use the City's medical benefits, to the extent that coverage may apply, for meeting the costs of (1) and (2).
If the Employee questions the results of the test, upon receipt of the lab report and the results of any independent test conducted, the affected Employee, the President of the Local 3359 and the City's Director of Human Resources will meet to review the matter. The purpose of the meeting will be to determine whether there was a valid positive test or whether the positive finding could have resulted from some cause other than prohibited drug use.

At this meeting, the President of the Local 3359, the City's Director of Human Resources and the affected Employee will attempt to resolve the matter informally. If they cannot resolve the matter informally, the affected Employee may elect to pursue the EAP Procedure set forth in Section H below. If the Employee elects to pursue this EAP procedure, the City agrees not to commence a proceeding under Section 72 or Section 75 of the New York State Civil Service Law provided the Employee complies with the requirements of the procedure. If the Employee elects not to pursue this EAP procedure, the City may commence a proceeding under Section 72 or Section 75 of the New York State Civil Service Law as it deems appropriate.

Should the Employee fail to comply with the requirements of the EAP Procedure or test positive again after successfully completing that procedure, the City will not be foreclosed from commencing a proceeding under Section 72 or Section 75 of the New York State Civil Service Law as it deems appropriate.

H. EAP PROCEDURE:
1. The Employee will enter the rehabilitation program recommended by the EAP Program Coordinator provided for under this Policy.
2. If determined to be necessary by the rehabilitation program, the Employee will be placed on a medical or FMLA (if eligible) leave of absence. The Employee will remain on medical leave until released by the rehabilitation program to return to work.
3. During the period of the medical leave of absence, the employee will be permitted but not required to use accumulated personal leave, sick leave and vacation time. If such time is used and exhausted, the Employee will not receive further payment from the City until the employee returns to work except as otherwise may be required by the collective bargaining agreement and/or applicable law.
4. All benefits will be administered in accordance with the City's current leave policy to the extent not inconsistent with the collective bargaining agreement and/or applicable law.
5. The employee must comply with all EAP requirements and regularly attend and meaningfully participate in all scheduled EAP appointments.
6. The employee will sign any and all releases required by the rehabilitation program. The employee will also sign any and all releases necessary so that the City of Niagara Falls may monitor treatment progress but the only information provided will relate to compliance issues. Specific details relating to personal counseling, advice and treatment will not be disclosed.

7. The employee is responsible for any and all out of pocket costs associated with rehabilitation not covered by the employee's health insurance through the City of Niagara Falls.

Upon return from leave, any appointment relative to rehabilitation should be scheduled after work hours, as practicable. Any appointment that is scheduled during regular work must be preapproved by the Department Head and the employee will be required to use their own accumulated time for such appointments.

Upon successful completion of the EAP Procedure, the Employee will be subject to testing at anytime for a period of six months.

I. A POSITIVE DRUG TEST RESULT

The determination that an Employee is engaging in prohibited drug use can be established only by a competent professional opinion based upon a scientifically valid test (including both an appropriate screening and confirmation test) conducted by a SAMHSA and NYSDOH certified laboratory with properly licensed and certified personnel. The positive drug test result must meet the requirements of a "Neutral Testing Process" as that phrase is defined herein. If either the laboratory and/or personnel are not properly certified or the test does not meet the requirements for a neutral testing process as defined herein, the test results are invalid, may not be used in any way by the City and must be deleted from the employee's record.

Where a test result is positive, the testing process must include an evaluation by testing facility personnel as to whether that positive result may be explained by any factors or circumstances other than prohibited drug use as defined in this Policy. Where a test is positive but it is ultimately determined that the Employee was not engaging in prohibited drug use as defined in this Policy, the result will be recorded as negative test for the purpose of administering this Policy.

J. RANDOM DRUG TESTING

This Random Drug Testing Policy requires any Fire Department Employee who is on duty and who is selected for testing in accordance with the provisions of this Policy to provide a sample of their urine for the purpose of testing for the presence of prohibited drugs.
CITY OF NIAGARA FALLS, NEW YORK AND NIAGARA FALLS FIRE DEPARTMENT OFFICERS ASSOCIATION, LOCAL 3359 RANDOM DRUG TESTING POLICY

Random drug testing may be conducted on a 24 hour, seven day a week basis. However, employees will only be asked to submit to a test while on duty. Employees to be tested will be randomly chosen using a computer program to generate a random list of employee numbers. Employees will be identified by employee number only and not by name. Collection will take place at a location chosen by the City. The City may conduct up to four (4) tests per year and may test up to 20% of bargaining unit members during each test.

The Local 3359 President or his/her designee will be notified of the demand for a random drug test at the same time that the affected Employee is notified.

The City is responsible for all the costs associated with such testing and the Employee will be paid his/her normal pay and benefits for any time spent conducting the test or traveling to or from the site of the test.

K. REFUSAL

Subject to the provisions of Section 75 of the New York State Civil Service Law, a refusal to submit to a random drug test may lead to disciplinary action by the City up to and including termination of employment. In addition to an outright refusal, other behaviors that may be considered a refusal include:

1. Leaving the test site without completing the test;
2. Attempting to adulterate the specimen or collection procedure, and
3. Not reporting to the collection site in the time allotted unless the Employee was unable to report in the time allotted due to circumstances beyond his or her control.

L. CONFIDENTIALITY GUARANTEE

All information concerning the implementation and/or administration of this Policy will be protected by the City as confidential unless authorized in writing by the affected Employee or as may otherwise be required by law. Confidentiality will be maintained by limiting access of the test results to the program administrator and the medical review Employee via secure Internet connection. The City is responsible to maintain the confidentiality of all drug testing results whether stored in a conventional format on paper or in electronic format.

All referrals to EAP will be treated in strict accordance with the confidentiality provisions of this Policy and applicable law. EAP Counselors will not disclose information about employees without their express consent, except in cases where disclosure is required by law. In such cases, the only information provided will relate to compliance issues. Specific details relating to personal counseling, advice and treatment will not be disclosed.
M. TRAINING
Upon the implementation of this Policy, the City will provide in-service training to all employees subject to this policy concerning the implementation and administration of this policy.
