IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISIONS OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR BY PROVIDING THE ADDITIONAL FUNDS THEREFOR SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN APPROVAL.

ARTICLE I

Section 1 - Bargaining Unit

The Employer hereby recognizes the New York State Law Enforcement Officers Union, Council 82, AFSCME, AFL-CIO as the exclusive negotiating agent for all titles within the Livingston County Sheriff’s Department which are not classified as managerial or confidential under the Taylor Law except: the Sheriff, Undersheriff, Confidential Secretary to the Sheriff, Majors, Deputy Sheriff/Communications Officer, all Road Patrol job titles, and each new position or job title created by the Employer during the term of this Agreement which by job description reports to the Board of Supervisors or the County Administrator.

Section 2 - Seasonal and Part-Time Employees

For purposes of this Agreement, “seasonal employees” shall be defined as employees hired for any number of hours per week: (a) whose total employment period will not exceed six (6) calendar months in any one calendar year, or (b) who are hired on a temporary basis for any period of time in order to fill the temporary vacancy of a permanent employee who is on an approved leave of absence.

“Part-time employees” shall be defined as employees who are regularly scheduled to work twenty (20) hours or less per calendar week.

Section 3 - Union Membership

The Union agrees that membership in the Union shall be voluntary, and the Employer agrees that there shall be no discrimination, restraint or coercion by the Employer or any of its agents against any employee because of his membership in the Union.
Section 4 - Union Time

The Employer will allow the Union President time off with pay to attend to any Union business.

Three (3) employees, designated by the Union, shall be given a maximum of eighty (80) hours leave with pay to attend the negotiating meetings, mediation, grievances, and fact finding sessions between the Union and the Employer provided such time is within their normal working hours, but such time shall not be granted for time not actually spent in such meetings or traveling to and from same.

ARTICLE 2
OBLIGATIONS OF THE UNION

The Union expressly agrees, as a condition of the recognition contained in Article 1, not to: discriminate with respect to representation among or between the unit employees whether members of the Union or not; engage in a strike, slowdown or other work stoppage, not to instigate, encourage or condone same.

ARTICLE 3
MANAGEMENT RIGHTS

The Employer and/or Sheriff retains the sole right to manage its business and services and to direct the working force, including the right to decide the number and location of its business and service operations, the business and service operations to be conducted and rendered, and the methods, processes and means used in operating its business and services and the control of the buildings, real estate, materials, parts, tools, machinery and all equipment which may be used in the operation of its business or in supplying its services; to determine whether and to what extent the work required in operating its business and supplying its services shall be performed by the employees covered by this Agreement, to maintain order and efficiency in all its departments and operations; including the sole right to discipline, suspend and discharge employees for cause; to hire, lay off, assign, transfer, promote and determine the qualifications of employees; to determine the schedule of its various departments, and to determine the starting and quitting time and the number of hours to be worked, subject only to such regulations governing the exercise of these rights as are expressly provided in this Agreement, or provided by law.

The above rights of the Employer are not all inclusive but indicate the type of matters or rights which belong to and are inherent to the Employer. Any and all of the rights, powers and authority the Employer had prior to entering this Agreement are retained by the Employer, except as expressly and specifically abridged, delegated, granted or modified by this Agreement.
ARTICLE 4

The probationary period for all competitive class employees shall be the same as defined in the Livingston County Civil Service Rules. The probationary period for all other full time employees shall be twelve (12) months from date of hire, with the following exception that absence from work for any reason shall not be included in calculating an employee's twelve month probationary period.

ARTICLE 5
SICK LEAVE

Section 1 - Sick Leave Accrual

Each current employee shall be permitted to accumulate up to one hundred sixty-five (165) days of paid sick leave at eight hours per day to be applied toward time off due to that employee's illness or injury. Such leave shall be reduced by one day for each day of such paid leave for employees working a regular work week, as defined in Section 1 of Article 15. For employees working alternative schedules (such as a 6,2/6,3 or 5,2/5,3 schedule) sick leave shall be reduced on an hourly basis (or half-hour basis if connected with at least one full hour) with the total reduction for a sick day being equal to the number of hours paid to the employee in sick leave for his/her regularly scheduled hours on that day.

Section 2 - Rate of Accrual

New full-time, permanent employees will begin to accrue sick leave after completing six (6) months of full-time, permanent employment, except that such employees shall be granted and entitled to use two (2) sick leave days after completing thirty (30) days of employment. Sick leave shall be accumulated at the rate of four (4) hours per pay period except that those whose regular shift is eight and one half (8.5) hours shall accumulate at the rate of four and one quarter (4.25) hours per pay period. Sick leave may be accumulated to a maximum of one hundred sixty-five (165) days.

Section 3 - Physician's Statement

When continuous sick leave exceeds two (2) calendar days, the Employer may require as a condition of payment a statement from the employee's physician certifying the nature of the illness or injury and the probable period of disability.
Section 4 - Physical Examination

When continuous sick leave exceeds thirty (30) calendar days the Employer may require the employee to undergo a physical examination by a physician selected by the Employer. The Employer agrees to cover any "out of pocket expenses" that may be incurred by the employee.

Section 5 - False Representations

Any false representation made by an employee in connection with a claim for sick leave benefits shall be deemed just cause for discipline.

Section 6 - Termination

Accumulated sick leave shall not be payable at the time of termination of employment, whatever the reason for such termination.

Section 7 - Sick Leave Bank

When an employee reaches his/her maximum sick leave credits (165 days at his/her hourly rate) the sick leave hours he/she would have accrued will be put in a sick leave bank. In addition, each employee may contribute up to three (3) days of sick leave to the sick leave bank during each calendar year through 2010. No sick leave which has been contributed to the sick leave bank shall be considered unused sick leave for the purpose of computing service credit upon retirement.

The County Administrator and the President of the Union shall consider approval of all applications to draw from the sick leave bank. Periodic reports covering its functions shall be issued to each party.

The following terms shall be considered for approval of all applications:

a. Any full time employee covered by this agreement may borrow from the sick bank after exhausting all accruals (including personal, vacation, sick, holiday).

b. Applications for use of sick bank time must be made to the President of the Union on the designated Request for Approval form. If the President of the Union approves the application it will be then submitted to the County Administrator for his/her review and action.

c. Satisfactory medical documentation shall be provided to the administrators of the sick leave bank upon submission of a request for use of sick bank time, which shall include a brief diagnosis, start date of illness and expected date of return to work.

d. No employee may borrow from the bank more than one time in any calendar year.
e. No employee may borrow sick leave for absence due to an illness or injury arising out of and in the course of employment.

f. No employee will be allowed to borrow more than twice the amount of accumulated sick leave he/she had prior to the illness.

g. There has been no disciplinary action relating to abuse of sick leave for the previous year.

h. Approvals will be based on availability of sick bank time at the time of need. Sick bank time will not be reserved in advance for an applicant.

An employee approved for sick leave bank use shall be deemed to be “on the payroll” for all purposes except paid holidays and leave accruals.

When an employee who borrowed from the sick leave bank returns to work, any remaining sick bank hours will be returned and he/she shall begin repaying the bank at a rate of one-half (1/2) of the amount of sick leave earned each pay period until the total amount is repaid. Subsequent to such repayment, all paid holidays and/or other leave accruals which were not credited to the employee during the period of sick leave bank usage shall be returned to the employee. No retroactive credit of paid holidays and/or other leave accruals shall occur if an employee does not return to work and/or does not repay to the sick leave bank all days utilized.

ARTICLE 6
VACATION

Section 1 - Accruals

All employees covered by the Agreement shall be granted a paid vacation according to the following schedule on each employee’s respective anniversary date of hire.

On the employees’ Anniversary Dates, they will receive the following days vacation credits:

Section 6 - Termination

Unused vacation time shall be payable at the time of separation from employment if: (1) the employee resigns/retires after providing the Sheriff with at least twenty-eight (28) calendar days notice prior to the employee’s actual resignation/retirement date, or (2) the employee resigns within eight (8) calendar days of receipt of a notice of discipline indicating that the Employer is seeking termination of employment. New employees will receive one (1) personal leave day for each three (3) months of employment the first year. Such leave for all employees shall be cumulative from year to year. Unused personal leave days shall not be payable at the time of termination of employment, whatever the reason for such termination.

Section 2 - Scheduling

Prior approval of the Sheriff must be secured before such leave may be taken. Such approval must have been requested and obtained at least twenty-four (24) hours prior to the time that such leave commences.

Section 3 - Use of Accruals

Personal leave shall be used on an hourly basis (or half-hour if connected with at least one full hour).

If a holiday falls on a Saturday or Sunday it will be celebrated on the closest work day.

For those employees who work schedules other than Monday through Friday, all holidays will be floating holidays.

A holiday under this section shall be accrued and paid at the number of hours the employee is regularly scheduled to work in a day during that month. An employee may carry over one holiday each year. All other holidays will be forfeited if not used by December 31st.

Section 2 - Work on Holidays

ARTICLE 9
HOSPITALIZATION MEDICAL/SURGICAL INSURANCE

Section 1 - Coverage

The Employer will provide the following benefits or substantially equivalent benefits: Blue Point 2 B and Blue Point 2 D to all full time employees who meet the eligibility requirements set forth in section 3 of this article.

Section 2 – Contributions Toward Cost of Coverage

Employees hired on or before March 5, 1986, and all others hired before January 1, 1996 who do not currently contribute toward the cost of their health insurance shall not be required to contribute toward the cost of their coverage.

All other employees hired before August 25, 2004 shall contribute toward the cost of their insurance as follows:

1. During the first five (5) years of employment with the Sheriff’s Department, 25% of the cost of their coverage.

2. Thereafter, 15% of the cost of Blue Point 2 B or comparable coverage or 10% of the cost of Blue Point 2 D or comparable coverage.

All employees hired on or after August 25, 2004 shall contribute toward the cost of their insurance as follows:

1. During the first ten (10) years of employment with the Sheriff’s Department, 25% of the cost of their coverage.

2. Thereafter, 15% of the cost of Blue Point 2 B or comparable coverage or 10% of the cost of Blue Point 2 D or comparable coverage.

The Employer will pay the remaining health insurance costs.

“Years of employment” as used in this section means years of full-time, permanent employment since the employee’s most recent full-time date of hire, except that those whose most recent full-time date of hire was prior to January 1, 2008, shall continue to receive prorated service credit for part-time service as required by the decision of Arbitrator Michael Lewandowski in the Langless/Newton case.

Section 3 - Eligibility

Hospitalization insurance shall become effective the 1st of the month following the completion of one full calendar month of full-time, permanent employment from the employee’s most recent full-time date of hire.
An employee and his/her spouse shall not be eligible for double health insurance coverage under the County's Plan. If both husband and wife are employed by the County, then they shall be eligible for only one (1) coverage policy.

Section 4 - Continuation Upon Death of Covered Employee

In the event an employee with County health insurance coverage dies in service, and that coverage applied to one or more of the employee's surviving family members, coverage will be continued for a period of three calendar months following the employee's death. The surviving, covered family members may not make any changes in coverage that would increase the cost of such coverage. If under the terms of the health insurance plan a family member becomes ineligible to continue participation in the plan during the three-month extension period, that family member's coverage will be discontinued as required by the plan. The Employer will pay the full cost of the coverage for the extension period. The Employer may modify the level of coverage (e.g. two person coverage to individual coverage) as appropriate. This paragraph shall not modify the COBRA rights of covered, surviving family members of the employee.

Section 5 - Drop Payment

The employer agrees to pay annually to employees a payment of three hundred dollars ($300) for dropping individual coverage and five hundred and fifty dollars ($550) for dropping dependent coverage, whichever is presently provided to the employee. For new employees becoming eligible during the first calendar year of employment the amount will be prorated.

When an employee signs a statement that he/she has procured health insurance through a spouse's employment, other employment of the employee or a private insurance plan, he/she will be eligible to apply for the alternative payment. The option will be available during the Insurance Open Enrollment Period each year of this contract. Payment for this option will be made one (1) year after the effective date.

In 2008, the effective date of the Insurance Open Enrollment Period will be moved from June 1st to September 1st. For those who were eligible for health insurance but did not receive this benefit for the period of June 1, 2007, through August 31, 2008, the health insurance drop payments will be adjusted to three hundred seventy five dollars ($375.00) for dropping individual coverage and six hundred eighty seven dollars and fifty cents ($687.50) for dropping dependent coverage. For new employees who became eligible for health insurance but did not receive this benefit during this same period, the amount will be prorated. Thereafter, drop payments will be provided as required by the first and second paragraphs of this section during the first payroll following September 1st of each year.

Section 6 - Dental Insurance

The County agrees to provide a payroll deduction for members of the Union to purchase dental insurance. The premium costs of such insurance shall be 100% employee paid. The County Treasurer shall make payment of said deductions to the provider of the coverage. There
shall be only one provider of coverage, selected by the Union. The Union agrees that a minimum of (50%) of its membership shall participate in the plan.

Section 7 – Flexible Spending Account

The County will maintain a Flexible Spending Account for unit members.

Employees hired on or after January 2, 2008, shall not be eligible for retiree health insurance benefits.

A. For employees hired on or before January 1, 1992, the County will pay the full cost thereof for individual or family coverage, whichever is in place on the effective date of retirement, including any additional rate increases.

B. For employees hired after January 1, 1992, but before January 2, 2008, the County will provide an individual coverage policy identical to that which is provided to active, full-time employees. The retiree will pay the same percentage towards the cost of the plan as the retiree paid immediately preceding his/her retirement and the County will pay the remaining cost of the plan. Said retired employees shall be eligible for family coverage by also paying the full cost of the difference between individual coverage and family coverage directly to the County Treasurer in advance of such premiums coming due.

Section 2 - Death of Retiree

The above section applies only to retiring employees and existing family members. For employees hired on or before January 1, 1992, upon the death of a retired employee, his/her surviving spouse would be entitled to individual coverage, or family coverage if other dependents were covered at the time of retirement. The spouse's coverage would cease upon the spouse's remarriage or death. Other eligible dependent's coverage would terminate as stated in the contract between the County and the health insurance provider. For employees hired after January 1, 1992 but before January 2, 2008, upon the death of a retired employee with family health insurance coverage, his/her surviving spouse would be entitled to continue coverage if the surviving spouse pays the full cost of the health insurance premiums.

Disputes concerning the discipline of an employee shall not be a "grievance" as defined in this article, and all such disputes shall be processed under section 75 of the Civil Service Law if applicable to the employee in question.

Section 2 - Grievance Procedure

The contract grievance procedure shall be as follows:

(a) **Step 1.** An employee or the Union shall, as a condition precedent to the grievance procedure, present the grievance in writing to the Sheriff with a copy to the County Administrator on the grievance form previously adopted by the parties not later than ten (10) calendar days after the date on which the employee knew or could have reasonably known that the act or omission giving rise to the grievance occurred. The Sheriff shall take the steps necessary to insure that a proper disposition of the grievance is made and shall reply to the employee and the Union, in writing ten (10) calendar days following the date of submission.

(b) **Step 2.** In the event the Union wishes to appeal an unsatisfactory decision at Step 1, the appeal must be presented to the County Administrator in writing within ten (10) calendar days of the receipt of the Step 1 decision. Such appeal shall contain a concise statement of the grievance and a specific reference to the section of this Agreement which is claimed to have been violated. The County Administrator and the Sheriff, or their designees, will meet with a representative of the Union and the aggrieved employee by the end of the tenth (10th) calendar day following the day on which the appeal was received. The County Administrator shall issue a written decision within ten (10) business days after the meeting and provide the Union with a copy of this decision.

ARTICLE 24
DRUG AND ALCOHOL TESTING

Section 1 - Substances. Employees may be tested for: alcohol, cocaine, marijuana, opiates, amphetamines, hallucinogens and steroids.

Section 2 - Types of Testing. Employees are subject to the following types of testing:

Random Testing. The employer may periodically conduct testing which will involve the random selection of employees for drug and/or alcohol tests.

Reasonable Suspicion. The employer may require testing if it has reasonable suspicion that the employee, while on duty, is under the influence of a substance listed in Section 1.

Definition of Reasonable Suspicion. Reasonable suspicion is the criterion established by the courts as the basis for action by an employer when an employee is suspected of being under the influence of alcohol while on duty or illegally using drugs either on or off duty. Reasonable suspicion may be based upon:
1. Observable phenomena such as direct observation of illegally using or possessing drugs and/or physical symptoms of being under the influence of a controlled substance.
2. Observable phenomena such as direct observation of the use or possession of alcohol while on duty and/or physical symptoms of being under the influence of alcohol while on duty.
3. A pattern of abnormal conduct or erratic behavior.
4. Arrest or conviction for a drug related offense or the identification of an employee as the focus of a criminal investigation into illegal drug use or trafficking.
5. Arrest or conviction for an alcohol related offense committed during on duty time.
6. Information provided either by reliable and credible sources or from other sources independently corroborated.

Reasonable suspicion need not rise to the level of the more familiar standard of probable cause, but it must be substantially more than a hunch. Good cause is necessary for the suspicion and such cause should be documented.

**Post Accident.** If an on-duty employee has an accident while operating a motorized vehicle or motorized equipment which causes an injury or property damage, the employer may send the employee for testing.

**Follow Up.** If the employee returns to work after a positive substance test, follow up testing may be performed in accordance with a schedule established by the Substance Abuse Professional.

**Section 3 - Testing Procedures.** The following testing procedures shall be followed:

**Notice of Requirement to Submit to Testing.** The Sheriff or his designee will instruct the employee to report for testing. The employee will be informed of when and where to report for such testing. Employees will not be called in for random testing during non-working hours of the employee. This does not preclude reasonable suspicion or post accident testing of an employee when not on duty. If an employee is being sent for reasonable suspicion testing, the employee may request information regarding the basis of the suspicion. Such information shall be provided to the employee in writing no later than two business days\(^1\) after the request.

**Challenging Reasonable Suspicion.** The employee has the right to challenge reasonable suspicion. This challenge must be submitted in writing to the County Administrator and Chairman of the Board of Supervisors with a copy to the Sheriff. The employee must submit to the sample collection and the samples will be tested. Test results will be held by the testing agent and not communicated to the employer. The employee and the Sheriff or his designee will be provided with the opportunity to state their cases to the employer.

---

\(^1\) "Business days" shall mean Monday through Friday, excluding holidays.
County Administrator and the Chairman of the Board at a hearing held within 10 days of the employee’s challenge of reasonable suspicion. The County Administrator and Chairman of the Board will render their decision in writing to the parties within ten days of the hearing. If the County Administrator and Chairman of the Board determine that there was reasonable suspicion for testing, the testing agent will forward the test results to the employer, otherwise the test results will not be communicated to the employer. During the challenge, the employee will be placed on an administrative leave without pay. The employee may use vacation, holidays or personal leave accruals to receive pay during the leave. If it is determined that there was no reasonable suspicion or there is reasonable suspicion but the test results are negative, the employee will be paid, or leave accruals will be reimbursed, for all missed work time.

**Employee Submits to Testing.** The employee will submit to testing as required by the employer. If the employee is being sent for reasonable suspicion testing or post accident testing, the County will provide a driver to transport the employee to and from the testing site. Employees who are sent for testing must complete all necessary forms and releases. An employee who refuses to cooperate with any aspect of testing will be subject to disciplinary action which may include termination of employment.

**Testing Agent.** The testing agent shall be Workplace Health Services of the Wyoming County Community Hospital or another mutually agreed upon testing agent.

**Employee Discloses Medications.** The employee will disclose any medications, dietary supplements, illegal drugs, alcohol or other relevant substances that have been ingested within a relevant period to the testing agent as directed. This disclosure will be confidential and shall not be provided to the employer unless there is a final positive test result.

**Testing.** An evidential breath testing device will be used for alcohol tests with tests administered by a certified breath alcohol technician. In the event that an employee is unable to produce enough breath for a breath alcohol test, a blood sample will be drawn and will be tested to determine blood alcohol concentration level. Drug tests will be performed by urinalysis by a scientifically accepted screening test with confirmation of positive results by Gas Chromatography-Mass Spectrometry or by another method which is scientifically accepted as being at least as reliable as the Gas Chromatography-Mass Spectrometry test. Split samples will be taken for drug tests. The urinalysis shall be performed by a Department of Health and Human Services certified laboratory.

**Results.** The testing agent will notify the employer of the final test results. If necessary, the employee will sign a release and/or authorization acceptable to Workplace Health Services to authorize and direct the provision of final test results to the employer. The employer will notify the employee of the results promptly. In the case of negative test results, the employer will notify the employee in writing mailed by first class mail to the employee’s last known home address. In the case of positive test results, the employer will notify the employee in writing which shall be either hand delivered to the employee or mailed by certified mail, return receipt requested, to the employee’s last known home address.
address. The Employer shall mail or deliver notice of the positive test results to the employee within 10 days of receipt. All results will be confidential and information regarding the results will be disseminated on a need to know basis only. A positive test result for drugs will be the detection of a substance listed in section 1. A test result of 0.04 blood alcohol concentration shall be deemed a positive test result subject to section 4 of this Article. A test result of less than 0.04 but 0.02 or greater blood alcohol concentration shall result in the employee’s suspension from duty for a period of 24 hours unless the employee was on a call out at the time he is sent for the test. If the employee was on a call out at the time of the test, the employee may be relieved of duty without disciplinary consequences for a test result of less than 0.04 but 0.02 or greater blood alcohol concentration.

**Challenging Test Result.** If an employee wishes to challenge a positive drug test result, he/she must request, in writing, a second analysis within 72 hours of his/her receipt of notice of the positive test result. The second half of the split sample will be analyzed by a different certified laboratory using the same testing techniques described in the “Testing” paragraph of this section. If the employee is suspended pending the results of the second analysis and the second analysis does not confirm the first, the employee shall be made whole for any pay or benefits lost as a result of the suspension.

**Cost of Test.** The cost of the test(s) shall be paid by the employer.

**Payment of Employee.** Employees shall be paid for testing time, including travel time to and from the test or collection site. This time shall be treated as time worked.

**Section 4 - Effect of Positive Test Result.** The effect of an employee’s positive test result shall be as follows:

**First Offense - Alcohol.** After the first positive alcohol test, the employee will be referred to a Substance Abuse Professional ("SAP") selected by the employer. The SAP will evaluate the employee and recommend appropriate treatment. If the employee wishes to use a specified treatment professional/facility, he/she must inform the SAP of his/her preference. If the SAP determines that the suggested professional/facility is properly qualified to carry out the recommended treatment, the SAP shall approve the professional/facility. If the SAP determines that the suggested professional/facility is not properly qualified to carry out the recommended treatment, the SAP shall designate one or more professional(s)/facility(ies) that the employee may use. Any professional/facility which is approved for treatment must: (1) provide the recommended treatment, and (2) make regular reports to the SAP regarding the employee’s compliance with the treatment program and his/her progress. If the professional/facility fails to do either or both of these things, the SAP may require the employee to seek treatment from another source. The employee must follow the treatment recommendations of the SAP. If the employee complies with these requirements and is fit to return to work within one year from the date of the positive test, then the employee may return to duty, subject to any follow up testing requirements established by the SAP after consultation with the treatment professional. Otherwise, the employee may be discharged. Discharge in such
circumstances will not be subject to challenge or review under the grievance and arbitration procedures of Article 23 of this Agreement or any other procedure, including, but not limited to Section 75 of the Civil Service Law.

**First Offense - Drug.** After the first positive drug test which is unchallenged as provided herein or confirmed after challenge, the employer may discharge the employee. The Employer's determination will not be subject to challenge or review under the grievance and arbitration procedures of Article 23 of this Agreement or any other procedure, including, but not limited to Section 75 of the Civil Service Law.

**Other Offense.** For subsequent offenses, the employer may discharge the employee immediately. The Employer's determination will not be subject to challenge or review under the grievance and arbitration procedures of Article 23 of this Agreement or any other procedure, including, but not limited to Section 75 of the Civil Service Law.

**Leave During Treatment.** An employee may use accruals of sick, vacation, holiday and personal time to receive pay while seeking treatment, otherwise this period of time will be a leave without pay. Employees in treatment for alcohol problems may be eligible for use of sick leave bank if otherwise eligible under its provisions. Employee health benefits shall remain in effect during any periods of paid absence.

**Section 5 - Voluntary Requests for Assistance.** Voluntary requests for assistance with respect to alcohol problems will not be subject to discipline for first requests provided the request is made before: (1) notice of testing is given to the employee, (2) the occurrence of an accident, or (3) arrest for an alcohol related offense. The provisions of this section do not apply to drug related requests.

**Section 6 - Notice to Employees.** The employer will post a copy of the testing policy and procedure in the department and enter the policy into the departmental rules and regulations manual.

**ARTICLE 25**

**LAY OFF**

**Section 1 - Notice of Lay Off.** Any employee to be laid off will receive no less than 15 calendar days notice, such notice is to be delivered by hand by a ranking officer or by registered mail.

**Section 2 - Competitive Class Employees.** Layoffs of competitive class employees will be handled pursuant to the Civil Service Law. When any other full time employee within any classification or title is laid off due to a reduction in the workforce, he or she may displace another employee serving in the same job classification or title, or lower classification or title which is not in the competitive class, providing the displacing employee has greater seniority than the employee whom he or she displaced. If a non-competitive class permanent employee is displaced from a position for which there is no lower level occupied position which is not in the competitive class, he or she, if he or she so desires, may exercise his or her seniority to displace
another employee with the least seniority who is serving in any lower position which is not in the competitive class.

ARTICLE 26
207-C POLICY

Section 1 - Purpose: The purpose of this policy is to set forth the procedures by which the Livingston County Sheriff’s Department will comply with the requirements of General Municipal Law (“GML”) section 207-c. This section provides certain law enforcement personnel with compensation when they suffer from disabling injuries or illnesses which resulted from the employee’s line of duty work. It is not the intent of this policy to provide compensation beyond that which is required by the statute, nor should any provision of this policy be construed to provide any compensation not required by the statute. Nothing herein shall be construed as a limitation of the rights granted by this statute to Livingston County.

Section 2 - Policy: The Livingston County Sheriff’s Department will comply fully with the requirements of GML section 207-c.

Section 3 - Procedure: The exclusive procedure for handling GML section 207-c claims is as follows:

1. Designation of Administrator. The County Administrator shall designate an administrator who shall have the exclusive authority to make determinations on behalf of Livingston County pursuant to GML section 207-c.

2. Notice of Disability or of Need for Medical Treatment. A law enforcement officer who alleges to be injured in the performance of duty or who alleges to be taken sick as a result of the performance of duty and who seeks any benefit afforded by GML section 207-c shall notify his/her supervisor as required by the Rules and Regulations of the Livingston County Sheriff’s Department as stated in Rule A16A, and:

   a. An employee injured in the line of duty shall:

      i. Immediately report the injury and the incident causing the injury to his/her immediate supervisor;

      ii. Ask the supervisor to respond to the scene of the injury to conduct an investigation;

      iii. Submit a written report concerning all of the details of the injury along with any other pertinent reports of the incident within 24 hours, unless extenuating circumstances prevent the officer from making such report within 24 hours, in which event the report shall be submitted as soon as possible; and
iv. Submit an application for benefits on a form provided by the County within thirty (30) days from the date of injury. Failure to apply within this time limit shall constitute a waiver of the claim and a bar to the receipt of benefits under this policy for the injury or illness. The President of the Union may submit an application on behalf of an injured employee.

b. An employee taken sick as a result of the performance of duty shall:
   
i. Immediately report the illness to his/her supervisor and inform the supervisor in writing that he/she is requesting 207-c benefits, and

ii. Submit an application for benefits on a form provided by the County within thirty (30) days from the date of discovery of illness. Failure to apply within this time limit shall constitute a waiver of the claim and a bar to the receipt of benefits under this policy for the injury or illness.

Notification to the County under “a” or “b” above shall fully describe the nature of the injury or sickness which is the basis for the employee’s 207-c claim.

3. **Status Pending Determination of Eligibility for Benefits.** In the event a law enforcement officer asserts an inability to perform duties, he/she shall be placed on sick leave or may use other available accrued leave, consistent with the collective bargaining agreement. Upon a determination by the administrator that a law enforcement officer who has been unable to work is eligible for payment of the full amount of regular salary or wages pursuant to the provisions of GML section 207-c, all sick leave or other paid leave which was utilized pursuant to this paragraph shall be restored in full. A law enforcement officer receiving payment of the full amount of regular salary or wages pursuant to GML section 207-c shall not suffer any reduction of accrued leave while in receipt of such payment. A law enforcement officer seeking the benefits of this section of law may be examined by a physician selected by the administrator to verify the existence of an injury or sickness.

4. **Benefit Determination.** An application for the benefits of GML section 207-c shall be processed as follows. An individual seeking benefits must demonstrate by substantial evidence his/her entitlement to them. The administrator shall promptly review an application timely made and any other pertinent documents or evidence available and promptly render a determination. If a determination is made that the injury occurred in the performance of duty or that the sickness is a result of the performance of duty, the administrator shall direct payment of the full amount of regular salary or wages and shall insure municipal responsibility for the reasonable and customary cost of treatment and hospital care associated with the injury or illness. A written notice of such a determination by the administrator shall be provided to the law enforcement officer. The payment of regular salary or wages and medical expenses may be discontinued as provided by GML section 207-c.

In the event a question arises as to initial eligibility for benefits or their continuation once awarded, the following procedure shall apply. The administrator shall promptly inquire into the applicable facts and may require the claimant to submit to one or more medical examinations as
may be reasonably necessary to determine the existence of a disability and its extent. To resolve questions of initial or continued eligibility for benefits, the administrator shall make a decision on the basis of any medical evaluations and information available or otherwise provided by the claimant. A claimant may produce any document, sworn statement, or other record relating to the alleged injury or sickness or the incident alleged to have caused such injury or sickness. The administrator shall have the authority to employ medical specialists and other appropriate individuals; may at reasonable times and on reasonable notice require the attendance of the claimant or any witness to an incident to secure information; may require the applicant to sign a release for information pertaining to his/her medical history; and may undertake any other reasonable act necessary for making a determination pursuant to this procedure. The administrator shall make a determination as to initial or continued eligibility for benefits based upon evidence collected or obtained. A claimant shall be notified in writing of any determination made by the administrator.

5. **Assignment to Light Duty.** The administrator may assign a disabled individual specified light duties, consistent with his/her physical or mental condition. The administrator may cause a medical examination of the individual to be made at the expense of the municipality for the purpose of determining whether a light duty assignment is appropriate, and if so, what duties are acceptable. Upon review of the medical assessment of the law enforcement officer’s ability to perform a light duty assignment, the administrator may make a light duty assignment.

6. **Review of Eligibility for Benefits.** The administrator may review the continued eligibility of an individual to receive the benefits of this section of law by initiating a due process hearing for consideration and determination of the matter. The burden of proof in such a hearing shall be upon Livingston County.

7. **Effect of Other Disability Determination.** A determination made by an officer, agency, or court regarding an entitlement to any other statutory disability benefit or regarding the existence of a disability or its extent may be noticed by, but shall not be controlling upon, Livingston County.

8. **Appeals.** Any final determinations made by the administrator regarding an employee’s eligibility or continued eligibility for 207-c benefits or light duty shall be subject to review by the County Ways and Means Committee. An employee may request such a review by completing an appeal form and mailing or delivering it within twenty (20) days after notice of denial or discontinuance of benefits, or assignment to light duty to the Chairman of the Ways and Means Committee, with copies to the Livingston County Sheriff and County Administrator. Appeal forms may be obtained upon request from the Livingston County Sheriff. Mailing/delivery shall be made to the Chairman of the Ways and Means Committee and the County Administrator at 6 Court Street, Room 302, Geneseo, New York 14454, and to the Sheriff at 4 Court Street, Geneseo, New York 14454. Failure to appeal within this time will bar any further claims or challenges by the employee with respect to such action. Decisions of the County Ways and Means Committee may be appealed as provided by Article 78 of the Civil Practice Law and Rules.
9. **Termination of Benefits.** Benefits will be terminated if an employee fails or refuses to: authorize release of his/her medical history, participate in light duty, participate or cooperate in medical examinations, or participate or cooperate in prescribed treatment or care. If an employee appeals an assignment to light duty pursuant to the provisions of paragraph 8, above, such shall not constitute grounds for termination of benefits while such an appeal is pending. However, if it is subsequently determined that the light duty assignment was appropriate, the employee shall forfeit accrued leave time equivalent to the time period for which the employee should have been performing light duty.

**ARTICLE 27**

Section 3 - Severability

If any provision of this Agreement, or any application of this Agreement, shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

Section 4 - Reopening Negotiations

If a determination or decision is made as described in section 3 of this article, the original parties to this Agreement shall convene immediately to negotiate a satisfactory replacement for such article or part thereof.
