When this process is completed, vacation request conflicts will be resolved by giving available vacation time to the most senior employee. After December 1, vacations will be granted with the mutual agreement of the employee and the Department Head on a first come, first served basis.

Even though an employee becomes eligible for vacation on his/her anniversary date, the time when an already earned vacation can be taken will be scheduled on the posted schedule. Some departments due to seasonal load may limit the amount of vacation to be taken by employees during certain months, or the numbers of employees who may be off at one time. **Both Spouses are County Employees.** If spouses who are both employed by the County and both receive individual hospitalization coverage through the County elect to move to a family coverage plan, they will not be eligible for a drop payment for dropping the individual coverage. However, if both employees drop their individual health insurance, they may receive a single $550.00 annual drop payment. In this event, they must designate which of the two will receive the drop payment or instruct the County to provide each with one half of the drop payment.

Said notice shall contain the job title of the vacant position, the department in which the position is located, the minimum qualifications required for the position and the appointing authority. The notice shall be posted in all County departments.

Section 2 - Statement of Interest

Posted jobs will be filled no later than thirty (30) calendar days after posting; or, if the job is not filled, a notice will be posted and sent to all bidders withdrawing the posting. The Employer shall select the most qualified applicant to fill the vacant position and shall be the sole judge of the qualifications of the employees who bid for the vacant position. All employees who applied for a vacant position will be notified in writing when the position has been filled.

The New York State Civil Service Law and Rules provisions will control the selection of an applicant to fill a vacant Competitive Class Civil Service position.

Section 4 - Preferences in Filling Job Vacancies

Section 7 - Notice of Discipline

An employee against whom disciplinary action is taken shall receive a notice of the action and the reasons for it at least five (5) working days prior to Step 2 of the grievance procedure, or if the case is one which goes to arbitration immediately, then such notice will be given ten (10) working days after notice of arbitration is received by the Employer. The notice of disciplinary action, shall include a description of the alleged acts and conduct causing the discipline. In no event will the failure to deliver the notice provided for herein, or the contents of the notice be used in an arbitration hearing or by an arbitrator to limit the rights of either party. If notice is not
delivered, CSEA has the right to demand said notice from the County Administrator. Should he fail to deliver said notice within 24 hours, CSEA has the right to submit grievance directly to arbitration.

ARTICLE 24
ARBITRATION PROCEDURE

Section 1 - Request for Arbitration
In the event that a grievance is unresolved after being processed through all of the steps of the grievance procedure or having moved through the grievance procedure by default, then not later than twenty (20) calendar days after the second step procedures are complete, or twenty (20) calendar days after the time limits required by the steps in the grievance procedure have run, CSEA may submit the grievance to arbitration by requesting from the Federal Mediation and Conciliation Service a list of seven (7) arbitrators, from which the Employer and CSEA shall select an arbitrator by striking names alternately until one (1) remains who shall be designated the arbitrator for the grievance in question.

Section 2 - Authority of Arbitrator
The arbitrator shall have no power to add to, subtract from or modify any of the provisions in this Agreement.

All other expenses shall be borne by the party incurring them. Neither party shall be responsible for the other party’s share of the divided costs nor the expense of witnesses or participants called by the other.

ARTICLE 25

Section 4 - Recall
Employees who are laid off from non-competitive or labor class titles shall have their names placed on a contractual preferred list for a period of four years from the date of the lay off. Persons on such lists shall be entitled to recall rights as described herein.

Employees in a layoff status shall be recalled from layoff within their department on the basis of their seniority within their job classification. Notice of recall shall be sent to the employee’s last known address by certified mail. If the employee fails to notify his department head within five (5) calendar days after receipt of mailing of such notice of recall that he intends to return to work, such employee shall be deemed to have quit.

After giving such notice of intent to return, if the employee fails to be available within ten (10) calendar days after the mailing of such recall notice such employee shall be deemed to have quit.

The provisions of the above paragraph shall apply unless the Employer and the employee have agreed upon a date for return to work at the time the layoff occurred. In that event the employee, if he fails to report to work on such agreed date, shall be deemed to have quit.

No new employees shall be hired into a classification until all employees who are on layoff status from that classification have been offered recall.

Shift differential shall be paid for all hours for which an employee is paid but does not work, i.e., vacation, provided the employee is still assigned to that shift.

Section 3 - Shift Preference for Vacant Positions
In departments which do not rotate shifts, shift preference shall be granted only when a vacancy occurs within the job classification and such preference will be granted on the basis of seniority to employees in the vacant classification and who are in the department in which the vacancy occurs.

1. The Highway Department shall be regularly scheduled to work forty (40) hours per week, ten (10) hours per day, Monday through Thursday. Beginning October 1, 2000, through March 31, 2001 and thereafter, the Highway Department may establish two (2) forty (40) hours per week, ten (10) hours per day work schedules as follows: (1) Monday through Thursday, and (2) Tuesday through Friday. Schedules shall be awarded by seniority. It is mutually agreed that no other schedule changes shall occur in the Highway Department without the mutual consent of the Employer and CSEA.

2. Time and one-half the employee’s regular hourly rate shall be paid for all hours worked in excess of forty (40) hours per week. Pay day for the Highway Department shall be on Thursdays at the end of the shift.

3. Accruals for time off (personal leave, vacation and sick time) shall be accrued based upon a forty (40) hour work week and shall be credited in the same manner as all other forty (40) hour CSEA employees.
4. For those Highway Department employees who have accrued more than the minimum number of leave hours allowed under the labor agreement as hours are used, no additional accruals will be granted until the correct accrual levels are reached.

5. Holidays will be paid based on the hours scheduled to work that day.

6. For employees working a Monday through Thursday schedule, holidays falling on Friday, Saturday or Sunday shall be celebrated on the following Monday. For employees working a Tuesday through Friday schedule, holidays falling on Saturday, Sunday, or Monday shall be celebrated on the preceding Friday.

7. Bereavement leave will be paid based upon the hours scheduled to work that day.

   When extra work (beyond forty hours (40) hours) is necessary and available the County will offer such overtime work first to full time employees before offering it to seasonal employees.

   The Highway Superintendent may at his discretion assign snow crews from the highway crews for second and third shifts of forty (40) hours per week with a paid one-half (1/2) hour lunch break within the regularly assigned hours. These crews to work a five (5) day week. The assignment of crews shall be on the basis of seniority with the senior employee having the right of refusal.

   All paid absences, including but not limited to sick leave, personal leave, etc., shall count as time worked in the computation of overtime.

Section 2 - Pay Day

The pay day shall be every other Friday for the first shift employees and every other Thursday for the second and third shift employees as current practice, unless unusual circumstances should occur. All employees shall participate in Employer’s direct deposit program, and compensation shall be delivered to them by direct payroll deposit into their designated individual bank accounts. Such accounts shall be located at banks which participate in Employer’s direct deposit program.

Section 3 - Notification of Wage Changes

When there is any change in salary or pay rate on January 1st of any year, each employee shall be supplied by the employer with written notification of his grade, step, salary and hourly rate.

Section 4 - Wages upon Promotion or Demotion

Promotional placement shall be made so that the step in which an employee is placed will be at the next greater step following a rate computed by adding the increment of the new position to employee’s previous rate, except when the computed rate equals an existing step in the new grade then the employee’s rate shall be that step.
Demotions shall be made by moving the employee to the step in the grade of the job to which they are demoted that is the closest to the hourly rate they now earn but which does not result in a wage increase.

Section 5 - Call In Pay
An employee who is called in to work on a non-work day shall receive a minimum of four (4) hours pay at his overtime rate. An employee who is recalled to work after completing his regular work shall receive a minimum of four (4) hours pay at his overtime rate. However, if an employee is called in or recalled prior to the start of his regularly scheduled work shift, and remains at work for that shift, the employee shall be paid only for those hours worked.

Section 5A - On-Call Pay
Employees who are required to be on-call at a time during which the employee’s department is not open for normal business operations, shall receive $20.00 for the on-call designation for each such day.

Section 6 - Overtime and Compensatory Time
Overtime shall be paid at one and one-half (1 1/2) times the employee’s regular hourly rate of compensation for all hours over forty (40) per week for regular employees and all hours over eight (8) per day or eighty (80) per pay period for employees of the Geneseo and Campus Skilled Nursing Facilities. There shall be no pyramiding of overtime.

All paid absences including but not limited to sick leave, personal leave, etc., shall count as time worked in the computation of overtime.

All overtime shall be as equally distributed as possible among all the employees within the respective departments and same job classification.

Compensatory time off in lieu of overtime compensation shall not be allowed except for those employees working past their normal work week of thirty-five (35) hours, forty (40) hours or forty-four (44) hours respectively.

An employee’s accumulated compensatory time shall never exceed two of his or her regularly scheduled work weeks.

Compensation or compensatory time off shall be granted at the discretion of the Employer. If compensatory time is granted it shall be taken at a date mutually agreeable to the employee and appropriate Department Head.

Any accumulation of compensatory time beyond the amounts of 70, 80, or 88 hours respectively, shall be lost immediately.

All compensatory time is accumulated and may only be taken at straight time, that is one hour of overtime equals one hour of work time equals one hour of compensatory time, unless otherwise required by FLSA.
Section 7 - Wage Grade for New Positions
When a new job is created it shall be placed by the Employer, in a reasonably comparable exiting grade, in Section 14 with written notice to the President of CSEA. If the CSEA disagrees with such placement, they may grieve, but the resolution of such grievance including a resolution in arbitration, shall be limited to placement of the job within the grades contained in Section 14 of this Article.

Section 8 - Annual Salary Increments
Annual salary increments shall be effective on January 1st. All employees must be on the payroll six (6) months after being hired by the employer in order to be eligible for consideration for an annual increment. Employees who are promoted or demoted to a different pay grade after September 30th of any year shall not be eligible for consideration for an annual increment on the January 1st immediately following the aforementioned date, but shall be eligible the following year.

Section 9 - Performance Appraisals
The annual increments are established to provide orderly salary administration. If an appraisal of an employee’s performance of their ascribed duties appears indicated, then the appraisal shall include a conscientious effort on the part of the Department Head and/or immediate supervisor to explain and discuss the areas of performance involved with the employee. The Department Head will be responsible to make a factual statement of the areas of the performance in question and to make reasonable suggestions and recommendations to the employee to allow for remedial change and improvement in his performance.

In any case of annual review, the Department Head has the responsibility for showing that conscientious efforts have been made to improve the performance of any employee whose performance has been questioned.

If an annual review is made, the employee will be furnished a copy of the review and have ample time afforded for discussion.

Section 10 - Wage Increases
Effective January 1, 2002, wages shall be increased three and three quarter percent (3.75%) across the board. Employees entitled to increments shall receive those increments in addition to the general increase.

Section 11 - Weekend Work
The County will make reasonable efforts to give employees assigned to the 4:00 p.m. to midnight and midnight to 8:00 a.m. shifts in all departments, every other weekend off, except in the boiler room where requests for weekends off will be given consideration but will be related to the availability of substitutes. Nothing in this Section shall be interpreted to mean that the County is required to give such employees every other weekend off.
Section 12 - New Hires

During the first six (6) months on the payroll, all new employees will be paid the "New Hire" rate shown on the rate beginning July 1, 1993. However, when a non-bargaining unit employee is hired as a full time employee within the unit in the same job title, they shall be paid the base rate if they have worked 1040 hours in the same job title.

All full-time Nursing Assistants who work in the County's Skilled Nursing Facilities shall become eligible for the Base wage rate after three months of continuous, full-time service to the County.

Section 13 - Temporary Assignments

Employees who are temporarily assigned to perform the duties of a job classification which is different that their own for a period in excess of twenty consecutive working days, will be paid the rate of the classification to which they are temporarily assigned, if the pay for such classification is higher. Such higher pay will begin no later than the twenty-first day. The pay rate for the temporary promotion will be calculated as presently described in Article 30, Section 4. If the temporary classification is in a lower pay grade, there shall be no reduction of pay during the temporary assignment.

The application of Paragraph 1 above shall not be grievable or arbitrational under this agreement, but a complaint may be filed with the Department Head, with a copy to the Personnel Officer.

No employee shall be promoted or demoted to a temporary assignment under this agreement that does not meet the qualifications of the position.

Upon the completion of the temporary assignment, the employee will be reinstated to their permanent position at the rate of pay they were receiving prior to the assignment, unless rate change would have occurred had the employee not taken the temporary assignment (longevity, across the board percentages, etc.).

Post Accident. If an on-duty employee has an accident while operating a motorized vehicle or motorized equipment which causes an injury or property damage, the employer may send the employee for testing.

Follow Up. If the employee returns to work after a positive substance test, the employer may require follow up testing as a condition of the return to work. The employer may determine when and how frequently follow up testing will be used.

Section 3 - Confidentiality. The Employer will handle the testing of employees and results of such testing in a confidential manner. Instructions to report for testing will be done in a private setting whenever possible. Results will be disseminated on a need to know basis only.

Section 4 - Testing Procedures. The following testing procedures shall be followed:

Notice of Requirement to Submit to Testing. The employer will instruct the employee to report for testing. The employer will inform the employee of when and where to report for such testing. Any employee who is required to submit to testing may consult with legal counsel or a union representative within the 30 minute period immediately following notification of the requirement to submit to testing. Immediately after consultation with counsel/union representative or the end of the 30 minute period, whichever occurs first, the employee shall report directly to the testing site. Any delay in this process shall be deemed a refusal to submit to testing.

Employee Submits to Testing. The employee will submit to testing as required by the employer. If the employee is being sent for reasonable suspicion testing, the County will provide a driver to transport the employee to and from the testing site. The employee may ask a person to accompany him/her to the test. Such a request will be permitted so long as it does not delay the employee in reporting to testing for more than 30 minutes from the time the employee is instructed to report. If the person asked to accompany the
employee to the test is an on-duty employee, that person may leave work only if approved by his/her supervisor; and, missed work time will not be paid unless the employee uses appropriate leave accruals.

**Employee Discloses Medications.** The employee will disclose his/her medications to the testing agent as directed.

**Testing.** An evidential breath testing device will be used for alcohol tests. Drug tests will be performed by urinalysis. Split samples will be taken for drug tests. The urinalysis shall be performed by a Department of Health and Human Services certified laboratory. Tests will be performed by a qualified person or entity other than Livingston County or a Livingston County employee.

**Results.** The testing agent will notify the employer of the results. The employer will notify the employee of the results promptly. In the case of negative test results, the employer will notify the employee in writing mailed first class mail to the employee’s last known home address. In the case of positive test results, the employer will notify the employee in writing which shall be either hand delivered to the employee or mailed by certified mail, return receipt requested, to the employee’s last known home address. A positive test result for alcohol will be a 0.04 or higher blood alcohol concentration level. A positive test result for drugs will be the detection of a substance.

**Challenging Test Result.** If an employee wishes to challenge a positive drug test result, he/she must request a second analysis within 72 hours of his/her receipt of notice of the positive test result. The second half of the split sample will be analyzed by a different certified laboratory.

**Cost of Test.** The cost of the test(s) shall be paid by the employer.

**Payment of Employee.** Employees shall be paid for testing time, including travel time to and from the test or collection site. This time shall be treated as time worked.

**Section 5 - Effect of Positive Test Result.** The effect of an employee’s positive test result shall be as follows:

**First Offense.** After the first positive test, the employee will be referred to a Substance Abuse Professional (“SAP”) selected by the employer. The SAP will evaluate the employee and recommend appropriate treatment. If the employee wishes to use a specified treatment professional/facility, he/she must inform the SAP of his/her preference. If the SAP determines that the suggested professional/facility is properly qualified to carry out the recommended treatment, the SAP shall approve the professional/facility. If the SAP determines that the suggested professional/facility is not properly qualified to carry out the recommended treatment, the SAP shall designate one or more professional(s)/facility that the employee may use. Any professional/facility which is approved for treatment must: (1) provide the recommended treatment, and (2)
make regular reports to the SAP regarding the employee’s compliance with the treatment program and his/her progress. If the professional/facility fails to do either or both of these things, the SAP may require the employee to seek treatment from another source. The employee must follow the treatment recommendations of the SAP. If the employee complies with these requirements and is fit to return to work within one year from the date of the positive test, then the employee may return to duty, subject to any follow up testing requirements specified by the employer. Otherwise, the employee may be discharged. An employee may use leave accruals to receive pay while seeking treatment, otherwise this period of time will be a leave without pay.

**Other Offense.** For subsequent offenses that occur within a two year period from the time of the previous offense, the employer may discharge the employee immediately.

**Section 6 - Notice to Employees.** The employer will post a copy of the testing policy and procedure in all departments.

**Section 7 - Supervisor Training.** The County will provide training to supervisors in all departments concerning the signs and symptoms of drug and alcohol use and/or abuse, and the proper procedures for employee testing. Any employee testing referrals must be made by a trained supervisor.

**Section 8 - Commercial Motor Vehicle Drivers.** A number of County employees are subject to Federal Department of Transportation ("DOT") drug and alcohol testing requirements. In the case of these employees, if any provision of this Article is in conflict with the DOT requirements, the DOT requirements shall control.

**Section 9 - Right to Grieve.** Nothing herein shall be deemed a waiver of an employee’s right to file a grievance as permitted under this collective bargaining agreement.

**ARTICLE 34**

**LABOR-MANAGEMENT MEETING**

The parties agree to conduct labor-management meetings to discuss the following topics: family sick leave, job posting language, on-call pay, grievance procedure time frames, and cellular phones for field workers. These discussions will not constitute binding negotiations.
APPENDIX A

During 1985 the Livingston County Personnel Office reviewed the job descriptions of all the jobs in the County and as a result found it necessary to change the job title, or eliminate one of two job titles, and consequently the grade level of some of the employees affected (either up or down). The Appendix is intended to provide for a group of red circle rates for all such employees.

A. Employees who held two job titles and had one eliminated, and had the wages of the second job title incorporated in the pay for the single title now held, and whose 1985 wage rate in the grade in which they remained or were moved to (for those whose grade also changed) was in excess of the 1985 wage rate in their grade (or new grade), will retain that incorporated wage rate, and shall receive the same amount of money increase that all others in their pay grade receive who are at the top of that grade. Such employees will not be paid 4%, 5%, or 5% of their total pay, but only 4%, 5% and 5% of the top of the grade of their job title. These employees will receive longevity pay at their old rate, but when eligible for any new longevity payment they shall receive it at the rate provided in this Agreement for their grade level (or new grade level). When these employees leave the job title they now hold for any reason, or when they leave the employ of the County, the provisions of this Appendix shall cease as to that employee and the job held.

The employee covered by A above is: Cynthia Dennison

MEMORANDUM OF AGREEMENT

The COUNTY OF LIVINGSTON, hereinafter referred to as the “EMPLOYER,” and the CIVIL SERVICE EMPLOYEES ASSOCIATION, INC., LOCAL 1000, AFSCME, AFL-CIO, LIVINGSTON COUNTY LOCAL 826, LIVINGSTON COUNTY PART-TIME EMPLOYEES UNIT, hereinafter referred to as the “UNION,” are parties to a collective bargaining agreement for the term January 1, 2002, through December 31, 2002. In accordance with Section 204 of the New York State Public Employees’ Fair Employment Act, the parties hereby agree to the following alcohol and drug testing procedure for employer’s commercial motor vehicle drivers:

ALCOHOL AND DRUG TESTING PROCEDURE

Section 1: FHWA Regulations:

1.1: Compliance with FHWA Regulations: Where applicable, the Employer’s Driver Alcohol and Drug Testing Program shall be in compliance with and, unless mutually agreed to by the Union, shall not exceed the Federal Highway Administration regulations, 49 CFR Parts 382, 391, 392, 395, as they pertain to employees who operate commercial motor vehicles in interstate or intrastate commerce which are over 26,000 pounds or are designed to transport sixteen or more passengers or are used to transport hazardous materials and are subject to commercial driver’s license requirements, 49 CFR Part 383.

Section 2: Notice Requirements:

2.1: Employer’s Policy: The Employer shall promulgate a policy on the misuse of alcohol and use of prohibited drugs and shall provide a copy of the policy and procedures to each covered employee and the Union. The term “prohibited drugs” means marijuana, cocaine, opiates, amphetamines and phencyclidine. At a minimum, the policy shall include detailed provisions on alcohol concentration, alcohol possession, on-duty use of alcohol, pre-duty use of alcohol, use of alcohol following an accident, drug use, drug testing, and refusal to submit to a required alcohol or drug test.

2.2: Alcohol & Drug Information: The Employer shall provide required educational material to each covered employee which explains the requirements of the Federal regulations. At a minimum, the materials shall include detailed information which meets the requirements of 49 CFR Part 382.601(b), Part 654.71(b) and Part 653.25, including, but not limited to: (1) the categories of employees who are subject to the regulations; (2) conduct that is prohibited by the regulations; (3) circumstances under which an employee will be tested; (4) what period of the work day an employee is required to be in compliance with the regulations; (5) the requirement that an employee submit to alcohol and controlled drug tests; (6) an explanation of what constitutes a refusal to submit to an alcohol or controlled drug test and the attendant consequences; (7) the requirement that an employee be removed immediately from safety-sensitive functions and the provisions for referral, evaluation and treatment; (8) the consequences for having an alcohol concentration of 0.02 or greater but less than 0.04; (9) the procedure to test for the presence of alcohol or prohibited drugs; (10) the procedure to protect the employee and the integrity and validity of the test; (11) the effects of the misuse of alcohol and use of
prohibited drugs; and (12) the person designated by the Employer to be contacted for questions and/or additional information.

2.3 **Required Tests:** The Employer shall provide a required description of alcohol and drug testing requirements to each covered employee which explains the requirements of the Federal regulations as they pertain to pre-employment testing, reasonable suspicion testing, return to duty testing, and follow up testing.

2.4 **Requirement for Notice.** In accordance with the requirement in the Federal Regulations, prior to performing an alcohol or controlled drug test, the Employer shall notify the employee that the alcohol or drug test is required by Federal Regulations.

**Section 3: Testing Procedures:**

3.1 **Alcohol Tests:** Tests for alcohol shall, in accordance with Federal Regulations, be conducted by a breath alcohol technician using a National Highway Traffic Safety Administration approved Evidential Breath Testing Device.

3.2 **Drug Tests:** Tests for prohibited drugs, in accordance with Federal Regulations, shall be conducted only by urinalysis and shall be performed only by Department of Health and Human Services certified laboratories.

3.3 **Drug Testing, Notification of Results, Retesting:** A specimen may be tested only for cocaine, marijuana, opiates, amphetamines and phencyclidine. If the test result of the primary specimen is positive, the employer or the Medical Review Officer shall notify the employee that he/she has 72 hours in which to request a test of the split specimen. If the employee requests an analysis of the split specimen within 72 hours of having been informed of a verified positive test, the Medical Review Officer shall direct, in writing, the laboratory to provide the split specimen to another DHHS – certified laboratory for analysis.

3.4 **Administration of Tests:** In accordance with Federal Regulations, neither the supervisor of an employee or a person designated to make the determination of reasonable suspicion shall administer alcohol or prohibited drug tests.

3.5 **Payment for Testing Time:** Employees shall be paid for all time pertaining to alcohol and prohibited drug testing, including travel time to and from the test or collection site. Such time shall be considered as time worked for the purpose of calculating overtime and employee benefits.

3.6 **Employee Representation by Legal Counsel or Union Representative:** Any employee who is required to submit to an alcohol and/or controlled substance test may consult with legal counsel or a union representative immediately after the employee is notified of the requirement to submit to testing. At the time the employee is informed that he/she must submit to such testing, Employer shall inform the employee of his/her right to consult with legal counsel and/or a union representative, and shall afford the employee the opportunity to seek such consultation. For purposes of this section, “immediately” shall be defined as within 30 minutes from the time the employee is notified of the testing requirement. Immediately after the employee has consulted with legal counsel or the 30 minute period has expired, whichever event occurs first, the employee shall report directly to the testing site. Any delay in this process shall be deemed a
I. refusal to submit to testing. Nothing herein shall be construed to apply to pre-employment testing.

Section 4: Call in Procedure:

4.1 Unfitness to Work Call In: If an employee is called and directed to report to work, the employee shall be provided the opportunity to acknowledge the use of alcohol or prohibited drugs which causes the inability to perform the employee's safety sensitive function(s). In such cases, the employee will not be required to work.

If the employee was scheduled to be on call and reports the use of alcohol or prohibited drugs as provided in the previous paragraph, the employee shall be subject to discipline in the same manner that the employee may be disciplined when failing to report for regularly scheduled work. If the employee was called in on an emergency basis without prior notice, the employee shall not be subject to discipline.

Employer maintains its right to take appropriate action if Employer suspects that any employee is using this section to evade their responsibility to respond to emergency call-in.

Section 5: Referral, Evaluation and Treatment:

5.1 Responsibility for Costs: Any costs involved in services provided by a Medical Review Officer, which are required by the Federal Regulations, shall be paid by the Employer.

Any cost that is incurred by an employee for their treatment by a Substance Abuse Professional due to being referred as a result of a positive alcohol and/or controlled substance test, will be paid by the employee.

5.2 Effect of Positive Test: An employee who is found to be in violation of the Federal Regulations as a result of a positive alcohol and/or prohibited drug test shall be placed on a leave of absence.

An employee upon a test result of 0.02 – 0.039 blood alcohol level shall be placed on a leave of absence for a minimum of twenty-four (24) hours, or until a retest shows that the alcohol concentration is less than 0.02.

An employee required by the Federal Regulations to be referred to a Substance Abuse Professional on a first time violation must report to the Substance Abuse Professional within ten business days of the date of the referral unless employee is physically unable to do so or unless the Substance Abuse Professional is not available within this time period in which event employee shall report to the Substance Abuse Professional as soon as possible thereafter. The Substance Abuse Professional will conduct an evaluation and will provide the employee and the Employer with a recommended treatment plan and an estimated date for the employee’s return to duty. The employee will then be referred to an appropriate treatment facility or program and the employee shall attend and participate in the treatment plan fully as directed. If the employee should fail to report to the Substance Abuse Professional as set forth herein or fail to participate as required in the treatment plan established by the Substance Abuse Professional, the employee shall forfeit his/her right to be reinstated to duty and said employee may be discharged.
On a first time violation, the employee will be reinstated to his/her position upon review and approval by the Substance Abuse Professional and Department Head of a certificate confirming that the employee is fit to return to duty from the treatment facility or program provided that such certificate is received by the Employer within 60 days after the estimated date of return to duty and not more than one year from the date of referral to the Substance Abuse Professional. Upon review and approval by the Substance Abuse Professional, the Department Head will not deny reinstatement without just cause. Failing a return to duty test shall be just cause to deny reinstatement and shall justify immediate discharge.

If an employee is referred to a Substance Abuse Professional for a violation other than a first time violation, Employer may discharge employee immediately and is under no requirement to reinstate said employee.

This section shall not be construed as a waiver by Employer of its right to take appropriate disciplinary action.

5.3: Use of Accrued Leave:

a. An employee who for the first time is placed on a leave of absence as a result of a positive alcohol and/or prohibited drug test will be allowed to use accumulated sick leave, vacation leave and other accrued leave up to the limits set forth in the collective bargaining agreement. This will include a leave of absence as a result of being referred for treatment on an in-patient or out-patient basis.

b. Once the employee has exhausted their leave accruals they will be placed on a leave of absence without pay.

c. An employee who, within the past eighteen (18) months, has been placed on a leave of absence as a result of a positive alcohol and/or prohibited drug test and, is again placed on a leave of absence as a result of a positive alcohol and/or prohibited drug test shall not be allowed to use accrued leave.

d. Nothing herein shall be construed to diminish any rights which may apply under the Americans with Disabilities Act, Family Medical Leave Act or other relevant laws.

Section 6: Previous Policies and Procedures:

6.1: Any policies and procedures pertaining to alcohol and prohibited drugs as they pertain to the same employees covered by the Federal Regulations, shall be superseded by the procedures set forth in the Federal Regulations and this Memorandum of Agreement.

Section 7: Discipline/Discharge:

7.1: Nothing contained in this agreement shall be considered as a waiver by the union of the employees’ rights under the collective bargaining agreement.

Section 8: Copies of the Agreement:

8.1 The Employer shall provide each employee covered by the Federal Regulations with a copy of this Memorandum of Agreement.
Section 9: Savings Clause:

9.1: If any provision of this agreement is in conflict with a Federal or State Law or is declared inoperative by a court of competent jurisdiction, the remaining provisions of this agreement shall remain in full force and effect. It is further agreed to meet within ninety (90) days to renegotiate said negated clause.

IN WITNESS WHEREOF, the parties have caused this Memorandum of Agreement to be signed by their respective representatives.
