ARTICLE I AGREEMENT

This Agreement has been entered into this 1st day of January 2003 by and between the Town of Albion located in Orleans, New York (hereinafter referred to as the "Employer") and the Civil Service Employees Association, Inc. ("CSEA") for and on behalf of the Town Highway Department, Town of Albion, New York (hereinafter referred to as the "Union").

WITNESSETH:

WHEREAS, it is the intent and desire of the parties hereto to foster and promote sound, stable, and peaceful labor relations among the Employer, the employees covered by this Agreement and the Union, and to that end the parties hereto reached an understanding governing the conditions of employment which shall prevail, insofar as it relates to the employees covered by this Agreement; and

WHEREAS, it is the further intent and desire of the parties hereto to establish an orderly relationship between the Employer and the employees so that grievances and complaints will be settled quickly; and

WHEREAS, the Union represents the majority of the regularly employed employees of the Employer; and

WHEREAS, the parties have negotiated for the purpose of entering into a Collective Bargaining Agreement.

NOW, THEREFORE, in consideration of the mutual promises and obligations, herein assumed, the parties hereto agree as follows:

ARTICLE II WAGES

Section 1: Employees covered by this Agreement shall receive wages in accordance with the schedule set forth herein and attached as Schedule "A". The wage scale set forth in Section 1 of Schedule "A" shall be the minimum hourly wage paid by the Employer to all full time employees covered by this Agreement.

Part-time employees shall receive nine dollars (\$9.00) per hour.

Section 2: The foregoing notwithstanding, any new full time employee shall be classified as a "Probationary Employee" for the first ninety (90) calendar days of their employment. Thereafter, such employee shall become a permanent employee and shall receive the full rate set forth in Section 1 of Schedule "A".

The Employer reserves the right, in its sole and exclusive discretion, to advance a probationary employee's wage rate faster than therein provided, but such employee shall remain

a "Probationary Employee" for their first ninety (90) calendar days of employment regardless of any acceleration in the advancement of their hourly rate.

No employee shall suffer a reduction in their hourly rate due to the execution of this Agreement.

Section 3: An employee covered by this Agreement who is appointed to the position of Deputy Highway Superintendent shall receive seven hundred fifty dollars (\$750) per year in addition to their regular pay.

ARTICLE III VISITATION

Section 1: Official representatives of the Union shall be admitted to the Employer's premises at all reasonable times as may be necessary to observe the working conditions existing in the operation of the Employer in connection with the performance of this contract, provided said inspection does not interfere with the operation of the Employer, or with any of the work of employees who may be assigned to duty at that time.

ARTICLE IV UNION DUES

Section 1: The Employer shall deduct biweekly from the wages of each employee and remit monthly to the Civil Service Employees Association, Inc., 143 Washington Avenue, Albany, New York 12210, regular membership dues and/or insurance premiums for those employees authorizing such deductions.

Section 2: The Union hereby agrees to hold the Employer harmless of any and all damages it may sustain as a result of making the payroll deductions provided for in this Article.

ARTICLE V HOURS OF WORK AND OVERTIME

Section 1: All employees shall report to work at the designated time and perform their work and tour of duties in accordance with the Employer's needs, operating procedures and schedule of operations. Any employee failing to notify the Employer before his scheduled starting time when unable to report to work due to illness or any other circumstances, will be subject to disciplinary action.

The work day must start no sooner than 6:00 a.m. nor later than 8:00 a.m. except in cases of emergency determined by salting or except as may be otherwise mutually agreed upon by the Employer and the Union. The Employer shall determine when overtime work shall be performed.

All employees covered by this contract shall work a forty (40) hour work week. The work week will be comprised of the following schedule:

During the period of October 16 through April 14 of each year, all employees will work Monday through Friday, five (5), eight (8) hour work days.

During the period of April 15 through October 15 of each year, the employees will work Monday through Thursday, four (4) ten (10) hour work days.

Notwithstanding anything to the contrary, on any regular workday in which any employee has worked four (4) or more hours since 5:00 p.m. on the preceding day, the employer may, in its sole discretion, shorten such employee's regular work shift by up to two (2) hours, provided the employer pays the employee for fifty (50) percent of the time by which his/her shift is reduced.

In the event the Employer determines that the work hours set forth in this agreement are insufficient or otherwise in need of change, the Union agrees to reopen this Section of this Agreement.

Section 2: Overtime shall be paid to all employees at the rate of time and one-half (1/2) the employee's base hourly rates as set forth in Section 1 of Schedule "A" for all hours worked or paid for over forty (40) per week to all employees.

Section 3: In lieu of pay, employees may elect to receive compensatory time at the rate of one and one-half hours of compensatory time for any hour worked over forty (40) in a single work week. Employees shall be allowed to accumulate up to a maximum of ten days (80 hours) of compensatory time to be taken off at a later mutually agreed date.

All paid leave including holidays shall be considered as time worked for the computation of overtime. Except as permitted in this Article V, the Employer shall not change or otherwise modify the work day and/or work week as established in this Article V in order to circumvent the payment of overtime.

ARTICLE VI COMPLIANCE WITH REGULATIONS

Section 1: Both the Employer and the Union and all employees covered by this Agreement who are employed as the above named establishment shall be subject to all the laws of the State of New York, as well as those of the New York State Commission against Discrimination.

The Employer shall have the right to make such reasonable rules and regulations as it may deem necessary and proper for the conduct of its business, and the Employer may from time to time change or make other rules and regulations, provided, however, that such rules and regulations shall not be inconsistent with or constitute a modification of this Agreement.

ARTICLE VII GRIEVANCE PROCEDURE

Section 1: **Purpose**

The purpose of this Section is:

- a. To provide the fullest opportunity for discussion of any grievances arising out of the interpretation of application of any of the provisions of this Agreement.
- b. To establish definite and complete guides and procedures for the processing and settlement of grievances as defined herein.

A grievance must be filed by the employee or the Union, within five (5) working days from the date it arose. Unless such grievance is filed within such period it shall be considered waived.

Section 2: Procedure

FIRST STAGE: The aggrieved employee and/or their representative shall present the grievance orally to the Superintendent of Highways who shall discuss it with the aggrieved employee and/or their representative. The Superintendent of Highways shall make their decision within five (5) working days from the date the grievance is presented to him and shall send such decision to the aggrieved employee and their representative.

SECOND STAGE: If the employee and/or their representative is not satisfied with the decision of the Superintendent of Highways, their representative shall make a request in writing to the Town Board for review and determination of the grievance within five (5) working days of receipt of the First Stage decision. The request for review and determination of the grievance by the Town Board shall be sent to the Clerk of such Board. The Town Board or its representative shall establish a mutually acceptable hearing date with the employee and their representative. On such date the Board shall convene an informal hearing for the purpose of allowing the employee and their representative to present oral and written arguments regarding the grievance. Such hearing shall be held within ten (10) working days of receipt of the written request for review of the grievance by the Town unless the parties mutually agree to extend such time limits. The Town Board shall render its decision in writing within five (5) working days of the hearing and shall send such decision to the aggrieved employee and their representative.

If the decision of the Town Board is not satisfactory to the Union the matter may be submitted to arbitration in accordance with the procedure stated in this Article. Any submission to arbitration must be made within five (5) working days of the receipt of the written decision of the Town Board.

ARBITRATION STAGE: Any and all grievances or disputes that should arise with respect to the interpretation or application of any of the provisions of this Agreement which have not been previously adjusted, settled or finally comprised shall be submitted to an arbitrator mutually agreeable to both parties. If the parties are unable to agree upon an arbitrator, the arbitrator shall be selected from a panel of five (5) available arbitrators requested from the Public Employment Relations Board. The Union first and the Employer second shall alternately cross off names of the arbitrators until one name remains and that person shall be the Arbitrator.

The expense of the arbitration proceeding shall be shared equally by the Employer and the Union. Each party shall, however, bear its own legal expenses and those of its witnesses to the proceedings.

The arbitrator's decision shall be final and binding on all parties involved but he shall have no power to add to, subtract from, or in any way modify any of the terms of this Agreement.

Mutually satisfactory arrangements may be made to handle grievances during working hours provided that said meeting shall not interfere with the Employer's required operations and/or with the work of the Shop Steward and/or employees assigned to duty at the time.

The Union and the employees agree that the grievances and arbitration procedures herein contained shall be the exclusive means of resolving disagreements or disputes between the parties and, therefore, shall not engage in a strike, slowdown, picketing, boycotts, or any other Union activity directed against the business interests or operations of the Employer nor cause, instigate, or condone such action. The Employer agrees that there shall be no lockouts.

Section 3: Union Grievance

The grievance procedure may be utilized by the Union in processing grievances which allege a violation of the obligations of the Employer to the Union as such. In processing such grievances the Union shall observe the specified time limits in appealing and the Employer shall observe the time limits in answering.

Section 4: Employer Grievances

The grievance procedure may be utilized by the Employer in processing company grievances. In processing such grievances the Union shall observe the specified time limit in answering.

ARTICLE VIII RULES

Section 1: The Employer shall have the right to make such reasonable directions, rules and regulations as may be deemed necessary by the Employer for the conduct and management of the affairs of the Employer and the Union agrees that the employees shall be bound by and obey said directions, rules and regulations insofar as the same do not conflict with the terms of this Contract.

ARTICLE IX MANAGEMENT RIGHTS

Section 1: The Union recognizes that all of the functions, rights, powers, responsibilities and authority of the Employer in regard to the operation of its work and business and the direction of its work force which the Employer has not specified abridged, deleted,

Not by way of limitation of the foregoing clause the Employer retains the right and responsibility subject always to the terms of this Agreement and the Grievance Procedure to (1) hire, discharge, transfer, suspend and discipline employees; (2) to determine the employees required to be employed, laid off or discharged; (3) to determine the qualifications of employees; (4) to determine the starting and quitting times and the reasonable number of hours to be worked by its employees; (5) to make any and all reasonable rules and regulations; (6) to determine the work assignments of its employees; (7) to determine the basis for selection, retention and promotion of employees to or for occupations not within the bargaining unit established by this Agreement; (8) determine the type of equipment and the sequence of work processes; (9) determine to make technological alterations by revision either processes or equipment, or both; (10) determine work standards and the quality and quantity of work to be produced; (11) select and locate plants or other facilities; (12) establish, expand, transfer, and/or consolidate work processes and facilities; (13) transfer or subcontract work; (14) consolidate, merge or otherwise transfer any or all of its facilities, property, processes or work with or to any other municipality or entity or effect or change in any respect the legal status, management, or responsibility of such property, facilities, processes, or work; (15) terminate or eliminate all or any part of its work or facilities.

The Union agrees in recognition of Management's rights not to request the Employer to bargain with respect to the foregoing during the term of this Agreement except as otherwise specifically provided for herein either as to the basic decision or as to the effect of that decision upon wages, hours and other terms and conditions of employment.

An employee shall suffer no loss of pay or other benefits for the time spent submitting to such a Town-directed examination.

Section 3: Except as otherwise provided in this Agreement, employees shall lose no seniority or other rights by reason of sickness or injury, provided prompt notice of such sickness or injury has been given to the Employer. Periods of absence from work due to sickness shall not be counted as time worked for the purpose of computing sick leave.

Section 4: That after 20 years of service to the Town an employee shall be entitled to receive upon retirement from the service of the Town the equivalent of their sick time as wages. Such benefit shall not be provided to any employee discharged for cause hereunder and shall not be available to any employee who retires prior to their working for the Town for a period of 20 years. For the purposes of this subsection "employee" shall be deemed to include any member of the bargaining unit who shall at any future time continue as an elected official outside of the unit if that change of status is done in a continuous transition from employee to official.
