Section 1  A grievance is hereby defined as an alleged violation of the terms and conditions of this Agreement and/or the Village’s Policy Manual.

Section 2  If any dispute arises between the Union and the Village as to any unadjusted grievance or as to the rights of either party under this Agreement, both parties shall endeavor to settle such matters in the simplest and most direct manner. The procedure, unless changed, or any step thereof waived, by mutual consent, shall be as follows:

Step 1  All grievances shall be duly filed in writing with the employee’s supervisor, signed by the employee complainant, and/or a representative of the Union. Said grievance shall be filed within twenty-five (25) working days of the act or occurrence complained of, or when the occurrence should have become know. Upon receipt of a due and proper grievance, the supervisor shall, within ten (10) working days of receipt of the grievance, cause a meeting to be held between the grievant, the employee’s supervisor and grievant’s representative to review the grievance. The supervisor shall within ten (10) working days of the meeting on said grievance render a determination.

Step 2  If the supervisor renders a determination that leaves the grievant unsatisfied, then the grieving party may appeal that determination to the Mayor or his/her designee. The notice of appeal signed by the employee/complainant and/or a representative of the Union shall be filed with the Village Clerk within ten (10) working days of the determination made by the supervisor as set forth in Step 1 of this section. Upon receipt of a due and proper notice of appeal, the Mayor or his/her designee shall cause a meeting to be held within ten (10) working days of receipt. Thereafter the Mayor shall render a written decision to grievant within ten (10) working days of said meeting.

Step 3  If the Union is not satisfied, the Union may, within ten (10) working days after the reply of the Mayor, by written notice to the Mayor, submit the grievance to arbitration within fourteen (14) days of the decision at Step 2.

Section 3  Arbitrations under this Section shall be heard by one of the arbitrators, who shall serve in rotation in the order named and according to the procedure described below:

Robert Rabin
Harvey Randall
Ron Kowalski

45
Section 4 When a demand for arbitration has been filed with the Mayor, representatives of the parties shall contact the next arbitrator scheduled to serve in order to arrange a hearing date. If that arbitrator is unable to schedule a date for hearing within sixty (60) calendar days of his or her appointment, the parties shall contact the next arbitrator on the list and shall continue to do so until they reach the first arbitrator who is able to schedule a hearing date within sixty (60) calendar days of his or her appointment or as soon as possible thereafter. That person shall serve as arbitrator and shall have full power to hear and determine the matter as provided in this Agreement.

Section 5 The selected arbitrator will hear the matter promptly and will issue his/her decision not later than thirty (30) calendar days from the date of the close of the hearing, or if oral hearings have been waived, then from the date the final statement and proofs are submitted to him/her. The arbitrator's decision will be in writing and will set forth the findings of fact, reasoning and conclusions on the issues.

Section 6 The arbitrator shall be limited to the issues presented and shall have no power to add to, subtract from, or modify any of the terms of this agreement, or to establish or change any wage rate. The panel's decision shall be final and binding.

Section 7 In the case of discharge the arbitrator may award back pay so that the discharged employee will be made whole. The employee must show that he has sought employment.

Section 8 Expenses for the arbitrator's services and the proceedings shall be borne equally by the Village and the Union. If either party desires a stenographic record of the proceedings, it may cause such a record to be made and that party shall pay for the record except in dismissal cases where a stenographic record shall be made with the costs shared equally by the parties.

Section 9 The time limits in the grievance procedure may be extended by mutual agreement in writing. Otherwise no grievance will be considered unless proper and timely.

Section 10 Any step of the grievance procedure may be bypassed by mutual agreement in writing.

Section 11 If an employee is covered by Section 75 of the Civil Service Law, disciplinary charges may be processed either through the grievance/arbitration procedure or through the hearing procedure set forth in Section 75 of the Civil Service Law, as the employee may elect. If the employee opts for the grievance procedure, then the Village may impose discipline after the employee has had the opportunity to respond to the charges. However, if remedy for grievance is determined to be favorable to the employee then the company will make all restitution retroactive to the date disciplinary action was taken. The election of either procedure precludes the use of the other. Failure to exercise the option shall be deemed to be an election to use the Collective Bargaining Grievance procedure.
