This Agreement entered into this 21st day of MAY, 2008 by and between the Superintendent of Schools, East Greenbush Central School District, (hereinafter referred to as the “Employer”) and the Civil Service Employees Association, Inc., Local 1000, American Federation of State, County and Municipal Employees, AFL-CIO, East Greenbush Central School District Unit #8258 of the Rensselaer County Education Local #871 (hereinafter referred to as the Services Negotiating Unit “SNU”), delineates the terms and conditions of employment set forth herein for the period July 1, 2008 through June 30, 2011.

The following statements, entered into under conditions of a mutual respect for the rights and privileges of both parties, represents a continuing joint effort to provide appropriate services for the children of the school district and govern the terms and conditions of employment of employees in the SNU for the term of this Agreement or the effective date of the new Agreement which may be renegotiated, whichever may be later.

THEREFORE, in order to effectuate the provisions of Article XIV of the Civil Service Law (Public Employees Fair Employment Act) this Agreement is hereby adopted.

If any provisions of the Agreement or any application of the Agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall be deemed valid only to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

EAST GREENBUSH CENTRAL SCHOOL DISTRICT UNIT OF THE CSEA, INC.

PRESIDENT

LABOR RELATIONS SPECIALIST

DATE: May 27, 2008

EAST GREENBUSH CENTRAL SCHOOL DISTRICT

SUPERINTENDENT OF SCHOOLS

CHIEF NEGOTIATOR

DATE: May 27, 2008
ARTICLE I
RECOGNITION AND RESPONSIBILITIES

A. The East Greenbush Central School District (hereinafter called the “District”) continues its recognition of the Civil Service Employees Association, Inc., Local 1000 AFSCME, AFL-CIO (hereinafter called “CSEA”), the union for the East Greenbush CSD Services Negotiating Unit (SNU) of the Rensselaer County Educational Local 871 as the sole and exclusive bargaining agent for all bus drivers, automotive mechanics, custodians, maintenance personnel, food service staff and all other employees, except the Superintendent, Assistant Superintendents, the EGOTSA Negotiating Unit, Teaching Assistants, and Paraprofessionals and all others included in the EGTA Negotiating Unit, the EGAA Negotiating Unit, or the Secretarial/Clerical Negotiating Unit. Such period of unchallenged representation will extend for the period as provided by law.

B. The parties recognize that the SNU is an ethical non-instructional service organization, and that the granting of exclusive representation privileges carries with it concomitant responsibilities including, but not limited to, encouraging all employees to observe ethical standards.

1. The SNU shall have exclusive payroll deductions for membership dues and other authorized deductions for employees and no other organization shall be accorded any such payroll deduction privilege throughout the unchallenged representation period in accordance with certification and consents thereto.

2. The Employer will give the SNU a list of employees authorizing dues deductions four (4) times per fiscal year, upon request.

3. Agency fee - The Employer shall deduct from the salary of the employees in the bargaining unit, who are not members of the SNU, the amount equivalent to the dues levied by the SNU and shall transmit the sum so deducted by the District in accordance with Chapters 677 and 678 of the Laws of 1977 of the State of New York. The Association affirms that it has adopted such a procedure for refund of agency shop fee deductions as required in Section 3 of Chapters 677 and 678 of the Laws of 1977 of the State of New York. This provision for agency shop fee deduction shall continue in effect so long as the SNU maintains a procedure.

C. The SNU shall have the sole and exclusive right, with respect to other employee organizations, to represent all employees in the heretofore defined negotiating unit in any and all proceedings under the Public Employees Fair Employment Act; under any other applicable rule, law, regulation or statute under the terms of this Agreement; to designate its own representatives, or to direct, manage and govern its own affairs and to determine those matters which the membership wishes to negotiate.

To pursue any matter or issue including, but not limited to the grievance and appeal procedure in this Agreement.

1. The Employer recognizes the right of the employees to designate representatives of the SNU, to appeal on their behalf to discuss salaries, working conditions, grievances and disputes as to the terms and conditions of the contract, and to visit employees during working hours, with the prior approval of the Superintendent or their designee, for the foregoing purpose. Such employee representative shall also be permitted to appear at public hearings upon the request of the employee.
ARTICLE I (CONTINUED)
RECOGNITION & RESPONSIBILITIES

2. The SNU shall have the right to post notices and other communications issued by the CSEA which shall be signed by the SNU President. No such material shall be posted which is profane, obscene, or defamatory of the District, its representatives or employees, or which constitutes election campaigning for or against any person, organization or function thereof. Posting shall also not be permitted to advertise, promote or sell personal items or events unrelated to approved CSEA or SNU events or activities. The District shall maintain the bulletin boards and shall have the right to remove any posted material which does not comply with these limitations.

3. Two copies of all Board agendas, minutes of Board meetings, policies, directives and memorandums pertaining to the non-teaching employees or groups of non-teaching employees, shall be sent to the President of the SNU. SNU will notify the Superintendent of the names of the Officers. This clause shall not become effective each year until such notice is received.

ARTICLE II
ITEMS OF AGREEMENT PERTAINING TO ALL SERVICE NEGOTIATING UNIT EMPLOYEES

A. Pay Periods

Salary payments shall be made to all individuals in the SNU on a bi-weekly basis. Ten-month employees, upon request, will be paid at the rate of 1/25th or 1/26th per bi-weekly pay period with the balance to be paid in June on or before June 30th, as a special summer check.

All wage rate adjustments based on Step changes under the wage appendices shall be made on July 1 for all SNU members except during the first year of employment. For newly employed SNU members, they will receive their first Step movement on July 1 following their first full year of employment.

If the District intends to alter pay periods, the District will notify all employees of the Services Negotiations Unit by May 1 prior to the school year in which the altered pay periods will be in effect.

Any pay period that is not a full cycle (2 weeks) will not have full deductions, i.e. TSA, credit union deductions, etc. If employees do not want the "full" payment to be deducted, the employee must notify the payroll office one (1) month prior to that pay period.

B. Leaves of Absence or Other Authorized Absences

1. Sick Leaves

Employees will receive their regular hourly pay for the time absent due to personal illness or injury, other than accidental injury arising out of and in the course of employment, subject to the following limitations:

(a) One and one-half (1-1/2) days of sick leave shall accrue for each month of employment year.
ARTICLE II (CONTINUED)
ITEMS OF AGREEMENT PERTAINING TO ALL SERVICE NEGOTIATING UNIT EMPLOYEES

B. Leaves of Absence or Other Authorized Absences (Continued)

(b) The Superintendent and representative(s) of the SNU will meet to discuss the recommendation to the Board of any extension to sick leave or sick leave pay where it is deemed necessary.

(c) Unused sick leave may accumulate up to a maximum of 250 days except as noted under Personal Leave in Paragraph 5(b) below.

(d) Any employee who suffers an injury on the job which prevents them from performing their duties shall have the days of absence deducted from their sick leave accumulation. However, if such injury is determined to be covered under the Worker's Compensation Statutes, only the first seven (7) days of such leave shall be deducted from the employee's accumulated sick leave.

(e) Existing Administrative policy with respect to notification by an employee for a request for sick leave will remain in effect.

(f) All twelve (12) month employees using less than six (6) days in one year period shall receive payment of their regular day's pay for each day not used up to a maximum of six (6) days—the payment of these days shall be made on the last pay period in the school year. Such days shall be deducted from the aggregate total accumulation. (No more than six (6)).

No bargaining unit member may participate in this benefit unless (s)he has at least the accumulated unused sick leave days to his/her credit as of June 1 as follows:

12 month employee: 35 days

(g) All ten-month employees shall, using less than four (4) days in one year period, receive payment on the same basis.

No bargaining unit member may participate in this benefit unless (s)he has at least the accumulated unused sick leave days to his/her credit as of June 1 as follows:

10 month employee: 30 days

(h) The District will continue the practice of crediting sick leave at the beginning of the year in which it is to accrue for employees with more than one (1) year of service. At the end of the school year or at the time sick leave has been exhausted, an employee will reimburse the District for any sick leave payment granted as a result of this privilege, but not earned by actual service in the District.

(i) A certificate signed by a licensed physician must be presented by the employee to the Assistant Superintendent for Business Finance or his/her designee, for any absence extending beyond five (5) consecutive days for which benefits are claimed under this Article. Moreover, in cases of absences of seven (7) days or more during a thirty (30) day period, the District may require the employee to present a certificate
signed by a licensed physician. Additional certificates will be presented as often as required by the Assistant Superintendent for Business Finance or his/her designee.

2. Sick Leave Bank

(a) A pool of days shall be established which shall not exceed two (2) times the number of persons in the negotiating unit. The purpose of the bank is to provide additional sick leave for an extended illness after the exhaustion of all personally earned leave credits.

(b) Each member of the Unit with one or more years of School District service shall contribute one day of existing sick leave day credit. Members with less than one year of service with the District shall not be eligible to use the Sick Leave Bank.

(c) Future contributions to the Bank will be required from Unit members if the total in the pool falls below the number of days equivalent to one (1) times the number of persons in the Unit. Notice of assessment will be made by the trustees.

(d) The Superintendent and the President of the Association, or their designees, shall act as trustees of the Sick Bank. All decisions of the trustees shall be binding and non-grievable. However, an applicant who is dissatisfied with the decision of the trustees, may appeal to a review board comprised of two (2) members appointed by the Superintendent, two (2) members appointed by the President of the Association, and one (1) representative from the community chosen by the Superintendent and the Association President. Decisions of the Appeal Board are final, binding and non-grievable.

(e) The trustees are empowered and required to establish general guidelines and rules of procedure to cover, among other things, the number of days of eligibility based upon service to the District, under what circumstances an applicant would be approved for usage in more than one school year, the application procedure and the appeals procedure. The Appeals Board must operate within these guidelines and rules (see Appendix F).

(f) Each employee shall be notified each time that a deduction is made from his/her accrued sick leave for the purpose of making a contribution to the sick leave bank in accordance with this paragraph. No such deduction shall reduce the "buy-back benefit" provided in Section B. 1 Subparagraphs (f) and (g) above.

3. Retirement Incentive Program

Employees will be entitled to the retirement incentive in the last paycheck following date of retirement, in a day calculation amount equal to 40% of accumulated sick leave (maximum of 250) and accumulated unused personal leave (maximum of 30) times the individual's per diem rate of pay and longevity calculated as shown below. Days not used for the above

benefit will be eligible for the 41j benefit, if applicable, under the NYS Employment Retirement System for eligible employees. Nothing herein shall require the school district to recalculate benefits for any unit member who has retired prior to the effective date of this agreement. The following conditions must be met:

(a) Employee must have completed fifteen (15) years of continuous service with the East Greenbush Central School District on or before June 30 of the year at the end of which the employee would have been first eligible for this incentive. The employee then shall have a two-year window of eligibility to elect this incentive beginning when the employee reaches the minimum age required by the New York State Employee Retirement System at which the employee can first retire without reduction of retirement benefits.

(b) Employees who did not join the New York State Retirement System shall also be eligible for this incentive. Their eligibility date shall be calculated as though they joined the retirement system on the first day of employment with the District.

(c) If the retirement is to become effective before a fiscal year is completed, the per diem rate of pay in effect at the end of the prior fiscal year will be used to compute the Retirement Incentive. For example, if an employee becomes first eligible on December 21, 200X and elects to resign and retire effective December 20, 200Y, the per diem of pay during 200X-200Y will be used to compute the dollar value of the Retirement Incentive payment.

(d) If an employee opts to be paid for sick leave under Article II, Section B(1), Sick Leave (f) and (g), they shall not accumulate sick leave for the Retirement Incentive Program under this Article for those days paid.

(e) Each year between September 1 and December 31, each employee shall have the option to refuse the yearly payment program. If such a refusal is received in writing any time during this four month period, the accumulated days will be credited to the Retirement Incentive Program.

(f) The employee must submit his or her resignation for retirement at least sixty (60) calendar days prior to the actual date of retirement.

(g) The retirement incentive payment shall be included in the employee’s final paycheck or at a later date as may be mutually agreed upon.

4. Leave Because Of Death In The Family

A maximum of five (5) work days of bereavement time will be allowed in the event of death in the immediate family. Employees are only expected to use as much of the bereavement leave as is needed in the given situation. For example, if the immediate family member who died lived out of the area and the employee does not plan on attending the services, the employee would be expected not to take any leave. The "immediate family" has been

defined as the employee's father, mother, spouse, son, daughter, brother, sister, father-in-law, mother-in-law, legal guardian or spouse's legal guardian, grandparents and grandchildren, step-parents and step-children and any permanent member of the immediate household. The "immediate family" for the employee's designated life partner who is a permanent member of the employee's immediate household is defined to include the life partner's immediate family which shall be defined as that person's father, mother, son, daughter, brother, sister, grandparent and grandchildren, step-parent and step-children. In extraordinary circumstances, the employee shall be allowed to take a portion of their bereavement leave at the time of the death of the immediate family member and use the remainder of such unused leave at a later date. For example, in the case where the death of the immediate family member occurs during the winter months so that the burial can not take place until the spring, the employee shall be allowed to use the remainder of their bereavement leave at the time of the burial.

5. Personal Leave

Personal leave shall be granted up to a total of three (3) days per year without financial loss. Such leave is subject to the provisions noted below:

(a) Members of this Unit who anticipate a need for use of personal leave time immediately prior to or following a vacation or holiday period, may present a request to the Superintendent or their designee. The granting of such leave is subject to the prior approval of the Superintendent or their designee.

(b) While sick leave per se is allowed to accrue to a maximum of 250 days, the District agrees that unused personal leave time will be allowed to accrue as additional sick leave to an amount not to exceed thirty (30) days. Such accrual will commence on July, 1973.

(c) The school district shall provide to each employee, on their check stub, accumulated sick and personal leave days.

6. Leave For Jury Duty And Witness Service

All employees who are required to serve on a jury or appear as a witness in a court proceeding shall be granted the necessary leave without loss of pay. However, any pay received as a juror or witness shall be paid to the District except as provided herein. Mileage, meals and/or Motel allowances shall be retained by the employee. In order to be eligible for such time without loss of pay, the employee must file with the Superintendent or designee the original or copy of the official notice of service rendered by the Court or of the subpoena. If the pay received from the Court exceeds the employee's pay, the employee shall retain the pay received from the Court. In this instance, the employee shall not be paid by the District.

7. Special Leave For CSEA Officers And Others

(a) The Unit President and three members designated by the President (one representing the transportation workers, one to represent the custodial and maintenance workers, and the food service workers) will be granted leave for the purpose of attending grievance or arbitration hearings within the District which have reached Stage 2 or beyond as defined in Article III of this Agreement. Such leave will be subject to approval by the Superintendent. An application for such leave must be made to the Superintendent at least two (2) working days prior to the leave requested. Every effort will be made to hold grievance procedures at times other than normal working hours.

(b) Leaves for SNU Officers to attend meetings or workshops of CSEA county or state organizations will be treated as personal leave as per Article II (B)(5). A minimum of 10 days personal leave will be allowed to the SNU for the purpose of attending conferences. If the Instructional Unit receives more days, the same will apply to the SNU.

(c) One CSEA Shop Steward shall be granted two (2) hours per month to attend monthly CSEA Unit Meetings without charge to leave credits.

(d) Ten (10) days per year shall be made available for paid union release time to be used at the discretion of the SNU President or the Vice President or the Secretary or the Treasurer.

8. Leaves

(a) Other Leaves - Any other leaves may be granted upon extenuating circumstances by approval of the Superintendent and the Board of Education. When such leave is ended, the Employee will return to the position without loss of seniority. This does not mean that the Employee will be given credit for salary purposes as defined by this contract.

(b) Pregnancy/Child Care

1. Pregnancy-Related Disability Leave

   a. An employee may use her accumulated sick leave, during the period of pregnancy-related disability, as certified by her physician. In addition, it is expected that the employee will:

      (i) Notify the Superintendent in writing at least four (4) months prior to the expected date of birth; and
      (ii) Provide the Superintendent with a statement from her physician indicating the employee's inability to continue performing the full duties and responsibilities of the employee's position.

1. Pregnancy-Related Disability Leave (Continued)
   
b. If an employee has no accumulated sick leave, has exhausted her accumulated sick leave during the period of pregnancy-related disability, or chooses not to use her accumulated sick leave, she may request unpaid disability leave until she is no longer disabled and is able to return to work as certified by her physician.

2. Child Care Leave
   
a. An employee may request a child care leave of absence without pay for a period of not more than two years for the purpose of caring for a newborn child or, in the case of adoption, a newly adopted child. Such leave may be extended by the Board at its discretion. An employee may not return to work prior to the approved termination of such leave without the Superintendent's approval.

   b. An employee who desires child care leave shall make a written request for such leave to the Superintendent at least five (5) months prior to the requested commencement of such leave and must specify the expected commencement and termination dates. In the event that the employee adopts a child, the five-month notification requirement for requesting child care leave shall be waived, and the employee shall make a written request for such leave within thirty (30) days of such adoption.

9. Illness in the Immediate Family
   
An employee may annually use up to five (5) days of sick leave for illness in the immediate family without loss of pay. The immediate family is defined as the employee's spouse, children, parents, siblings, parents-in-law, legal guardian, spouse's legal guardian, grandparents, grandchildren and any other permanent member of the household. The "immediate family" for the employee's designated life partner who is a permanent member of the employee's immediate household is defined to include the life partner's immediate family which shall be defined as that person's father, mother, son, daughter, brother, sister, grandparent and grandchildren, step-parent and step-children.

10. Military Obligations
    
Employees shall be granted leave for performing military obligations in accordance with State and Federal Law.

11. Family and Medical Leave
    
In accordance with the Family and Medical Leave Act of 1993 and Board of Education Policy, the District will grant family and medical leave for a total of twelve (12) weeks per twelve (12) month period to eligible employees for the following reasons: (1) the birth,

adoption, or acceptance for foster care purposes of a child by the employee and the care of the child; or (2) to care for a spouse, child or parent of the employee if such immediate family member has a serious health condition; or (3) the employee’s own serious health condition makes the employee unable to perform his/her position. Leave time beyond the twelve (12) weeks provided herein shall only be limited by the provisions of Article II B, and any applicable law.

C. Tenure

All non-competitive and labor class employees shall be granted permanent status upon completion of one year of employment. Upon completion of two hundred sixty (260) working days of service, all non-competitive and labor class employees shall be granted the protection and rights that exist under Section 75 of the Civil Service Law as such section pertains to discipline and discharge of employees.

D. Layoff, Bumping and Recall

1. Definitions

“Seniority” shall be defined as the length of continuous service with the employer from the date of hire of the employee.

“Title Seniority” shall be defined as the length of continuous service of any employee since entry of such employee into the title.

“Department Seniority” shall be defined as the length of continuous service of any employee since entry of such employee into the department.

“Seniority Lists” - Seniority lists shall be posted and updated every six (6) months during January and June of each year in Maintenance, Food Service and Transportation Department.

2. For the purposes of layoff of non-competitive and labor class employees, the employee(s) with the least title seniority shall be first to be laid off until the total number of employees required to decrease force shall be established. Having exhausted their seniority in their current title, the laid off employee shall exercise their departmental seniority to displace an employee in a lower job title within the department who has lesser departmental seniority than the bumping employee provided such employee is qualified to perform the duties of the lesser title. In the case of an employee bumping into a lower job title, the employee shall be placed on the salary schedule applicable to the lower position which may result in the employee being paid at a lower rate. Recall shall be in the inverse order of layoff. The Employer shall notify the employee of their recall by registered mail with return receipt requested at the employee’s last known address. Such recall notification must be acknowledged by the employee within seven (7) working days of receipt. All temporary employees in each title shall be laid off prior to the layoff of all other employees. The layoff procedure for all other employees as stated herein shall be used in the event of the layoff of any temporary employee.
ARTICLE II (CONTINUED)
ITEMS OF AGREEMENT PERTAINING TO ALL SERVICE NEGOTIATING UNIT EMPLOYEES

D. Layoff, Bumping and Recall (Continued)

3. As used in the above paragraph, continuous service shall include those periods when an employee is on the Employer's payroll and those periods when an employee is (a) on an approved leave of absence for up to one year; (b) on layoff for up to one year; (c) absent from and unable to perform the duties of their position by reason of a disability resulting from occupational injury or disease during the period while the employee is receiving Worker's Compensation; (d) such other periods of service, if any, as the Civil Service Law requires to be treated as part of the employee's continuous service.

4. Subject to applicable provisions of the Civil Service Law, if any, an employee loses their seniority as defined in Section 1 only when one of the following occurs: they resign (unless they are reinstated within the period permitted by any provisions of the Civil Service Law applicable to them); they are discharged, they retire, they refuse a recall or are away from active employment for periods longer than specified above.

5. All competitive employees shall be governed under the appropriate provisions of the Civil Service Law as it pertains to layoff, bumping and recall.

6. The Employer shall provide the SNU with lists containing title seniority, departmental seniority and district-wide seniority dates of each employee within thirty (30) days of the execution of this Agreement. Any dispute concerning the seniority dates of an employee not resolved by the parties may be submitted through the Grievance Procedure.

7. If an employee has a break in service by way of an approved leave of absence, the time that the employee is on such leave shall not be credited to the employee for the purpose of movement on the salary step schedules. If an employee has a break in service of less than one year, upon the employee's return to employment the employee shall return to the same salary step that they were on at the start of such break in service.

E. Postings

1. The Superintendent agrees to have posted through the Office of Assistant Superintendent for School Business Finance any and all vacancies which occur in the district which affect the membership of the SNU.

2. Notices shall be posted of all vacancies for any personnel interested with the SNU and who are covered by this Agreement. C. Building Checks and Mileage
Building Head Custodians and Supervising Custodians are required to participate in building checks. At the beginning of each fiscal year, schedules will be determined by the Supervisor of Buildings and Grounds in consultation with the affected employees based upon annual hours of need as follows:

SPECIAL ITEMS PERTAINING TO CUSTODIAL & MAINTENANCE EMPLOYEES

C. Building Checks and Mileage (Continued)
Salary differentials will be determined upon an individual basis at the rate of time and one-half within the total allocations above. The differential determined will be added to the rate of pay as determined by the salary schedule.

In the event of illness or other absence from an assignment, a salary deduction will be made. The substitute will be paid at the rate of time and one-half.

D. Working Conditions - Lunch Period
All custodians are entitled to and will have their work schedules so arranged that they will have, except in cases of extreme emergency, a duty-free and uninterrupted one-half (1/2) hour lunch period. In the event that their lunch hour is interrupted, the custodian is entitled to compensatory time during the day equal to the amount of time lost during the lunch period.

E. Working Conditions - General
The SNU recognizes its responsibility for the general upkeep and maintenance of the plants and equipment of the School District. Nevertheless, the Unit believes that the total success of the service operation will result only with the understanding and cooperation of the students and faculty of each building. The Superintendent concurs in this belief and agrees that they or their designee will cause all practicable resources be taken to encourage all to be concerned with and cooperate in the custodial and maintenance services within each school. To foster this feeling of mutual cooperation, the Superintendent will:

1. Improve the section in the District faculty handbook relating to staff awareness of and responsibility in student control as it relates to cleanliness and vandalism.
2. Instruct each principal to hold a meeting early in the school year with building staff covered under this unit.
3. Where possible, ask principals to establish a method of contract between the student body and the custodial staff (e.g., with student council or student task forces).
4. Encourage building principals to develop personal and social contacts between the instruction staff and members of the services unit (e.g., staff picnics, Christmas parties, etc.)
5. In case of an emergency declared by the District, any employee that is directed to work is to do so.

F. Out-Of-Title Work
In the event that an employee is temporarily assigned to a higher paying position, they will be compensated for all time served during that assignment at the established rate for the position in accordance with the classification of the position but at the step which is the substitute’s proper level provided the employee is qualified to assume the higher paying position.

APPENDIX “D”

Per Article VI, paragraph A, Bus Drivers appointed to full or part-time status prior to July 1, 1996 will have the option to work a 196 day contract school year or a 190 day school year. These bus Drivers must elect the 196 or 190 day year not later than July 15th, annually on the form provided in this Appendix.

The following rules pertain to drivers who elect the 196 day year:

1. Drivers will be assigned duties to achieve the additional six (6) days of work. The additional six (6) days will be accounted for on an hourly basis. Example: Bus Driver is assigned to a 6.5 hour run for the school year.

   For that school year, the driver's base pay will be computed by multiplying 190 days times 6.5 hours (or 1,235 hours) times their hourly rate of pay. Then to complete the contract school year, this driver's base 190 school year pay will be added to by six (6) days' pay computed by multiplying six (6) days times 6.5 hours (or 39.0 hours) times their hourly rate of pay.

2. The election form will also serve to log the hours worked to complete the 196 day school year.

3. Drivers may request certain dates that they will not be available for work during the year when opting to work 196 days. The Transportation Supervisor will endeavor to honor these requested non-work dates if the request is reasonable.

4. The Transportation Supervisor will have discretion in the actual assignment of specific daily tasks to each driver. Samples of tasks are listed below. This is not an all-inclusive list.

   a. **August - approximately two weeks before school opens:**
      1. Pre-trip bus inspections
      2. Road test of buses
      3. Registration and insurance card updates.
      4. Paint bumpers and wheels
      5. Organization/layout of yearly parking plan
      6. Prepare parking lot (sweep, paint lines, etc.)
      7. Touch up rust spots on buses
      8. Clean and paint stair wells
      9. Clean and paint fuel pump area
b. **September - May:**

1. Paint interior areas of Bus Garage including rest rooms, office, and drivers areas.
2. Clean and paint certain garage equipment
3. Assist in inventory of small items such as light bulbs, nuts and bolts, and other bus parts.
4. Clean spare buses
5. Shuttling snowplow operator
6. Clear snow by shovel or snowblower from doorways, pumps, and walk areas
7. Driving duties, e.g. securing bus parts from vendors in an emergency, delivering and retrieving of buses sent out for contracted repairs, or shuttling of passengers during special events such as WinterFest.
8. Clean and paint stairwells
9. Filing and inventories of items such as vehicle reports
10. Office assignments when filling in for a regular employee who must be absent from work due to illness, jury duty, vacation, mandatory drug testing, etc.

5. In addition to performing duties such as those listed in four (4) above, drivers may also elect to apply extra trip hours worked to the additional hours which must be accounted for under this Appendix. This voluntary election would constitute the pay for such extra trips which normally a rise from Theater, Field, or Athletic runs.

6. Drivers must complete the number of hours necessary to fulfill their 196 day obligation not later than May 31st each year. Drivers who fail to do so will be assessed sick leave for the time not worked unless some other arrangement is mutually agreed upon to meet this requirement.

4. Benefits shall not be restricted to any one (1) school year.
