ARTICLE VIII

RETIREMENT BENEFITS

The NFTA agrees to provide retirement benefits under the New York State Police and Fire Retirement System §384(d) and §384(e) with §375 backup plans, more commonly known as the 20-year 1/60th retirement plan of the New York State Retirement and social security law.

Unit members (or members of Buffalo Niagara Airport Firefighters Association promoted into this unit) who elected to remain in the NYS Employees Retirement System will be entitled to 50% of any savings to the NFTA that results from this election. These savings will be calculated by comparing the NFTA cost for the Police and Fire Retirement System (including past service liability) and the NFTA cost for the Employee Retirement System for each employee.

ARTICLE IX

SENIORITY, LAYOFF AND RECALL

SECTION 1 - SENIORITY DEFINED

Seniority shall be based entirely upon an employee’s uninterrupted service with the NFTA in the position of Lieutenant and shall be broken if he/she leaves active service, for any period of time, for any reason, except authorized sick leave, military leave or authorized leave of absence. Seniority shall be based
upon the date of appointment as Lieutenant or Captain, whichever is earlier. Where more than one (1) appointment was made on the same date, the seniority list Appendix "B" showing the employee’s position, shall determine seniority within this Agreement. Seniority shall be used solely for layoff and recall.

SECTION 2 - PROMOTION

Employees in the bargaining unit who are promoted to positions outside the bargaining unit shall have a trial period not to exceed six (6) months in order to determine whether they like, and are able to perform the work, and whether NFTA wishes to continue them in their new position. During this trial period, there shall be no prejudice to their Union membership nor their right to return to their previous job classification in the bargaining unit, with full seniority rights as described in this Article. At the end of the six-month period, all seniority rights shall cease.

SECTION 3 - LAYOFF/DEMOPTION

In the event that a reduction in work force is necessary, for whatever reason including, without limitation, reversal of situations contemplated by Section 2, the selection of employees affected shall be based upon job seniority; i.e., the employee’s period of service measured from the date he/she began performing work in his/her Lieutenant’s or Captain’s position, whichever is earlier. The reduction of the work force shall be accomplished by layoff of the employee who has the least job seniority and bumping into the job title of Aircraft, Rescue and Firefighting Officer.

In the case of ties, an Association determined lottery system shall be used to establish seniority ranking.

SECTION 4 - RECALL

In the event that employees will be recalled to work, such recall will be based upon seniority as defined in Section 1 of this Article as follows: The most senior employee will be recalled, provided he/she has the ability to perform the duties required. An employee’s name will be maintained on a recall list for three (3) full years after the date of layoff.

ARTICLE X

LEAVES OF ABSENCE WITH PAY

SECTION 1 - PERSONAL LEAVE

Each employee with seniority of at least one (1) year shall be entitled to fifty-two (52) personal leave hours per year commencing April 1st of each year during the term hereof. Employees with less than
one (1) year seniority shall be entitled to a pro-rated share of personal leave hours, based on their date of hire, commencing April 1st.

Personal leave shall be granted for such personal business as arises from time to time and as approved by NFTA. Personal leave shall be granted only upon at least seventy-two (72) hours prior written notice to the NFTA. At the start of each fiscal year, any personal leave time not used by an employee during the previous fiscal year will be converted into sick leave in equal increments and added to the employee's accumulated sick leave time, providing it does not exceed the maximum allowed. Personal leave time may be taken in not less than three (3) hour increments.

SECTION 2 - SICK LEAVE

An employee on full pay status who is unable to report for work because of illness or injury will be paid sick time at his/her regular hourly rate, and any other benefits, starting with the first scheduled work day on which the employee is absent, subject to the limitations hereinafter provided. Earnings for sick days will be included in the employee's regular pay. Sick leave is exclusively to help compensate employees who are unable to work due to a bonafide illness or injury.

Sick days will be earned on a per week basis as follows:

- a - 48 hour week  2.86 hours leave time
- b - 38 hour week  2.26 hours leave time
- c - 34 hour week  2.02 hours leave time

while an employee is on full pay status, up to a maximum of thirteen (13) days (130) hours per year. Sick days may accumulate up to 240 days (2,400) hours. For the purpose of determining the number of sick days earned, the following days shall be considered as having been worked: vacation days, days lost by reason of temporary leave of absence for Association business up to a maximum of five (5) working days per year, paid personal days or any other days off or leave while an employee is on full pay status.

Of the maximum of thirteen (13) sick days accumulated each year, an officer may use up to five (5) sick days without medical documentation in accordance with the conditions set forth above. In order to receive paid sick leave in excess of five (5) days in any fiscal year, an officer must present medical documentation from the physician verifying the illness or injury. The NFTA shall notify the member, in writing, if the employee has reached the five (5) days unexcused absence level.

Employees have the responsibility to notify their supervisor at least one (1) hour prior to the beginning of their shift when they report off sick. For illness in excess of four (4) consecutive workdays, the Authority may require a doctor's statement as to the employee's health prior to returning to work.
SECTION 3 - UNION LEAVE

The NFTA grants to the Association's employees and shift representatives, reasonable amounts of released time to conduct the following activities:

a) Investigate and process grievances
b) Post notices
c) Distribute literature
d) Attend negotiating meetings
e) Consult with the NFTA concerning the enforcement of any provision of this Agreement

f) Any employee selected by the Association to represent it in any district, state or national convention shall be granted leave of absence to attend such convention without pay and without loss of seniority rights or other benefits, provided NFTA receives sufficient prior written notice to obtain a replacement.

SECTION 4 - MILITARY LEAVE

Any employee who enters the National Guard or the Military Service of the United States government shall, at the expiration of such service, be accorded all the rights and privileges provided for employees pursuant to New York State and Federal Law.

SECTION 5 - BEREAVEMENT LEAVE

In the event of a death occurring in an employee’s immediate family (spouse, father, mother, sister, brother, son, daughter, grandfather, grandmother, grandchildren, father-in-law, mother-in-law, daughter-in-law, son-in-law, brother-in-law, sister-in-law, step-parents, step-brother, step-sister, step-children who reside in the household, the employee shall be entitled to a maximum of three (3) days of bereavement leave with pay. The employee must attend the funeral or memorial service and shall notify the department head of his/her request of said leave. Proof of the relationship to the deceased shall be submitted by the employee upon request of the department head.

ARTICLE XI

SICK LEAVE BANK

In order to aid employees who have suffered a prolonged illness and whose regular sick leave has been exhausted, a sick leave bank has been established.
1) Each employee who wishes to participate in the sick bank will contribute two (2) accumulated sick leave days (20 hours) from his/her current accumulated sick leave, within 30 days of the time such employee becomes eligible to participate. An employee who elects not to participate will not be allowed to enter the sick bank, except between March 1st and March 31st of each year.

2) The NFTA will add to the sick bank, fifty (50) sick leave hours.

3) Each year, employees will contribute ten (10) additional hours to the bank, between March 1st and March 31st, in order to continue as a participant in the sick leave bank.

4) If, at any time, the accumulated number of hours in the sick bank falls below five hundred (500), the NFTA will contribute a sufficient number of hours to bring the total number of hours in the sick bank to five hundred (500) hours.

5) Employees who enter the sick bank after it is established, and who have been previously qualified to participate, will be required to contribute the same number of accumulated hours as they would have contributed had they become a participant when first qualified to enter the sick leave bank.

6) An employee who is a participant in the sick bank and who has exhausted all of his accumulated sick leave and any other accumulated time, may apply for additional sick leave from the sick bank, created herein, to a committee consisting of a designee of the Association and a designee of the NFTA. The minimum number of days which may be requested is five (5) days (50 hours). The maximum will be two times the number which the employee has accumulated in his/her sick leave account at the time when an illness or disability began. If needed, the committee may grant an additional sixty (60) days (600 hours). The committee’s decision to deny the granting of sick leave to an employee cannot be grieved or be the subject of the Grievance and Arbitration Procedure herein.

7) In the event both members of the committee cannot agree to accept or reject the granting of such sick leave, then in that event, the committee shall select a third person, in accordance with the procedure for the selection of an arbitrator, as provided in the Grievance and Arbitration Procedure in this Agreement.

**ARTICLE XII**

**GRIEVANCE AND ARBITRATION PROCEDURE**

**SECTION 1 - DEFINITION**

A grievance is any dispute between the parties to the Agreement with respect to the interpretation or application of, or compliance with, the terms and conditions of this Agreement. Either the Association or any employee in the bargaining unit shall be allowed to file a grievance. Only the Association shall be
allowed to seek arbitration of a grievance. The grievance and arbitration procedure hereby established
shall be the exclusive remedy for the resolution of a grievance.

SECTION 2 - PROCEDURE

Grievances must be presented in writing within ten (10) calendar days after the
circumstances giving rise to such grievance has occurred or should have been known about, or shall not be
considered valid. Grievances must be signed by an employee and Association Officer. Class action
grievances must be signed by an Association Officer. All grievances will be handled in accordance with the
following procedure:

Step 1 – The employee and an Association Officer shall submit the grievance to the Chief within ten (10)
calendar days of the day the employee learns of the facts giving rise to the grievance. If the answer is a
rejection of the grievance, then the said Chief shall detail his/her reason(s) therefore in writing.

Step 2 – If a satisfactory settlement or disposition is not made within ten (10) calendar days from the date
of the written submission of the grievance, the Association may submit the grievance with the answer of
said Chief, to the NFTA’s Manager of Labor Relations. Within ten (10) calendar days thereafter, the
Manager of Labor Relations shall set forth, in writing, his answer to the grievance.

Step 3 – If not satisfied with the Manager of Labor Relations’ answer, the Association may, within thirty
(30) days of receipt of the Step 2 decision, file a written demand for arbitration with the Manager of Labor
Relations or his/her designee. The parties agree to establish a rotating list of five (5) arbitrators acceptable
to both parties, with the initial order of names on the list to be set by draw. They are:

1. Michael Lewandowski
2. James McDonnell
3. Howard Foster
4. Samuel Cugalij
5. Stuart Pohl

When a demand for arbitration is filed, the case will be assigned to the first/next arbitrator on the
list, provided the arbitrator is available to hear the case on a date available to the parties within one
hundred twenty (120) calendar days, unless that time condition is waived by the parties. If the initial
arbitrator contacted is not available within the established time period and the condition is not waived, the
grievance will be assigned to the next arbitrator on the list, but the initial arbitrator contacted will not drop
in rotation on the list. The arbitrator is prohibited from adding to, subtracting from or modifying the terms
of the collective bargaining agreement, and the arbitrator shall be requested to issue his/her decision within
thirty (30) days after the record is closed. The decision of the arbitrator shall be final and binding on the
parties. The parties shall share the cost of the arbitration equally.
Arbitrations not concluded within twelve (12) months from the selection of an arbitrator, shall be deemed abandoned unless the parties agree, in writing, to extend the time to commence or complete the proceeding.

SECTION 3 - MATTERS RELEVANT TO GRIEVANCE PROCEDURE

(a) Neither the Manager of Labor Relations nor the arbitrator may consider any evidence or facts, which have not been previously discussed between the parties unless otherwise agreed upon by the parties.

(b) In the case of a group, policy or organization type grievance, the grievance may be submitted directly to the Manager of Labor Relations.

(c) Expenses for the arbitrator’s services and the proceeding shall be borne equally by the NFTA and the Association.

(d) No arbitrator functioning under provisions of the grievance procedure shall have the power to amend, modify or delete any provision of this Agreement.

(e) The time limits provided herein may be waived by mutual agreement of the parties.

(f) An employee may have present, at all steps of the grievance procedure, the Association President, the Association’s grievance chairperson and/or the Association’s legal counsel.

A copy of the discipline will also be forwarded to the President of the Association. The discipline may be subject of a grievance which shall be filed in accordance with the procedures set forth under the Grievance and Arbitration article of this Agreement.
SECTION 3 - BILL OF RIGHTS

d) No employee shall be given a polygraph examination.

e) No employee shall use or be subject to offensive language and shall not be threatened with transfer as an inducement to answering questions. Nothing herein is to be construed as to prohibit the NFTA from informing an employee that his conduct may be subject to other disciplinary action with resultant disciplinary punishment.
