ARTICLE 1 - RECOGNITION

SECTION 1. The Transportation Employees Organization hereby recognizes that the Board of Education, under law, has the final responsibility for establishing policies for the school district.

SECTION 2. Pursuant to Article 14 of the State Civil Service Law, this agreement entered into by the Chief School Administrator of the Clyde-Savannah Central School District (hereinafter referred to as the “Employer”) and the Transportation Employees Organization (hereinafter referred to as “T.E.O.”) hereby agree to negotiate terms and conditions of employment.

SECTION 3. The Board of Education hereby recognizes the T.E.O. as the official and exclusive negotiation agent for all bus drivers, bus monitors, and bus mechanics. Upon request of the Superintendent of Schools, the T.E.O. shall submit to the Board of Education by December 1, of each succeeding year, a notarized list of paid members of the organization. The Board of Education agrees not to negotiate with any other organization covering the above mentioned positions for the duration of this agreement.

SECTION 4. It is further recognized that transportation employees have the right to join, or refrain from joining, the T.E.O. or any other organization. Membership in any organization shall not be a prerequisite for employment or continuation of employment of any employee. Substitutes will not be covered under this contract.

SECTION 5. The T.E.O. affirms that it does not assert the right to strike, to assist or participate in a strike, or impose the obligation to conduct, assist, or participate in a strike pursuant to Section 207 (3) (b) of the Public Employees Fair Employment Act.

SECTION 6. The Organization shall be extended the privilege to post notices concerning Union business on bulletin boards maintained on the premises and facilities of the School District, provided they are first communicated with the Chief School Administrator. Organization meetings shall be scheduled as to not conflict with work duties and responsibilities of the Organization members. Any employee scheduled to work at the time of an Organization meeting shall not be allowed to leave his/her work to attend such meeting, except in the case of voting. Application for the use of facilities shall be made to the Superintendent of Schools or his/her designee.

SECTION 7. The District will advise the Union of the new job classifications that shall be placed within the bargaining unit.
ARTICLE 2 – PROCEDURES FOR CONDUCTING NEGOTIATIONS

SECTION 1. OPENING NEGOTIATIONS: After January 15, upon request of either party for a meeting to open negotiations, a mutually acceptable meeting date, time and place shall be set; not more than fifteen (15) days following such request. All issues proposed for discussion shall be submitted in writing and total in content by the T.E.O. to the Board of Education or its delegated representatives at the first meeting. The Board of Education shall submit in writing to the T.E.O. additional issues upon which it wishes to negotiate within twenty-one (21) days following the first meeting. The second meeting and all necessary subsequent meetings shall be called at a time, date and place mutually agreed upon by the parties.

SECTION 2. NEGOTIATION TEAMS: The Board of Education or designated representative(s) of the Board of Education will meet with representatives designated by the T.E.O. for the purpose of discussion and reaching mutually satisfactory agreements. Neither party in any negotiations shall have control over the selection of the representatives of the other party. While no final agreement shall be executed without ratification by the T.E.O. and the Superintendent of Schools, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, consider proposals and work compromises in the course of negotiations.

SECTION 3. NEGOTIATION PROCEDURES: All meetings may not exceed three (3) hours in length and will be held at a mutually agreed upon time and location between both parties.

SECTION 4. NON-DISCRIMINATION:

A. The provisions of this agreement shall be applied equally to all employees in the bargaining unit without discrimination as to age, sex, marital status, race, color, creed or national origin.

B. All references to employees in this agreement designate both sexes, and wherever the male gender is used, it shall be construed to include male and female employees.

C. The T.E.O. recognizes its responsibility as bargaining agent and agrees to represent all employees in the bargaining unit without discrimination, interference, restraint or coercion.

D. All references to “days” in this agreement shall mean calendar days except where specified as working days.

SECTION 5. EXCHANGE OF INFORMATION: Both parties shall furnish each other, upon reasonable request, all available information of public record pertinent to the issue(s) under consideration.
SECTION 6. CONSULTANTS: The parties may call upon consultants to assist in preparing for negotiations, and to advise them during conference sessions. The expense of such consultants shall be borne by the party requesting them.

SECTION 7. RESOLVING DIFFERENCES: In the event that an agreement is not concluded by the impasse date as set by law, either party may request the State Public Employment Relations Board (P.E.R.B.) to assist the parties to reach an agreement.

SECTION 8. CONTRACT DISTRIBUTION: Upon completion of a ratified contract the Clyde-Savannah Central School District will furnish within sixty (60) days three copies of the completed agreement to the Transportation Employees Organization.

ARTICLE 3 - AREAS FOR DISCUSSION AND AGREEMENT

SECTION 1. The Chief School Administrator and the T.E.O. hereby agree that any and all agreements so negotiated shall apply to all T.E.O. employees, as herein defined, employed by the Clyde-Savannah Central School regardless of membership or lack thereof in the Transportation Employees Organization. The parties agree that all negotiable items have been discussed during negotiations leading to this agreement, and therefore agree that negotiations will not be reopened on any item, whether contained herein or not during the life of the agreement.

ARTICLE 4 - DEFINITIONS

SECTION 1. EMPLOYEE DEFINITIONS

A. FULL TIME EMPLOYEE: A full time employee is defined as an employee who works forty (40) hours per week for fifty two (52) weeks (2080 hours per year) including vacation.

B. REGULAR Bus Driver/Monitor/10 month Employee: A person, appointed by the Board of Education, who works daily (monitor) or person who is assigned to a route (driver) which is driven every day that the district provides pupil transportation, up to 8 hours. The work year for regular employees may vary to include summer work.

C. For future new hires who have mixed job duties that cross District bargaining units, membership in the TEO will depend upon where the majority of the new employee’s hours are spent. For example, a custodian who spends 3 hours bus driving and 5 hours cleaning district facilities would be considered a member of the CSEA bargaining unit. This means that for calculation of vacation and other
benefits that particular employee would base such benefits on the CSEA contract and their CSEA rate of pay. This sub part C is subject to approval by the TEO, CSEA, and the District.

SECTION 2. BUS TRIP DEFINITIONS:

A. IN-DISTRICT: A regularly scheduled and regularly assigned round trip from the bus garage to the student’s home to an educational site located in the District.

B. OUT-OF-DISTRICT: A regularly scheduled and regularly assigned round trip from the bus garage to a pick-up point to an educational site located outside the District. These runs are subject to change depending on student availability and or needs of the District.

C. SUMMER RUNS: Summer runs are defined as daily regularly scheduled round-trip runs necessary to transport students to summer educational or recreational programs. Summer runs will be assigned as specified in Article 21, Section 2.A. Drivers and monitors assigned to summer runs will be paid at their individual hourly rates.

D. CONTRACTED RUNS: Contracted runs are defined as those runs provided for an outside group or agency under the provisions of a signed contract. Contracted round-trip runs that are scheduled daily for an entire school year will be assigned in the same manner as trips defined in clauses A. or B. above. Such contracted runs will be paid at the individual’s regular hourly rate unless otherwise specified in the contract. In no instance will the driver of a contracted run be paid less than the extra trip rate.

E. ONE-TO-ONE RUNS. Any bus driver and/or monitor hired exclusively for the transportation and/or supervision of one student to and from an educational site. The bus driver and/or monitor will be contracted for the hours set forth by the Head Bus Driver or as indicated in the job posting for a school year from September until June. In the event that the student does not attend school on a given day, and the run is cancelled, the bus driver and/or monitor will be paid two hours work and may be assigned related duties by the Head Bus Driver for the two-hour period. In the event that the bus run is cancelled due to hazardous conditions, the bus driver and/or monitor will not be paid. If any time the bus run is cancelled and the bus driver and/or monitor has received at least a two hour notice, the bus driver and/or monitor will not be paid. If the student will be out of school for an extended period of time, the bus driver and/or monitor will not be paid until the student resumes their normal school schedule. If the student moves from the district during the period contracted between
September and June, the position shall be considered cancelled. These one-on-one positions must be re-evaluated and re-negotiated for each upcoming school year.

F. For in-district runs and/or contracted summer runs, the employee may keep the run as long as it exists or until the employee vacates the run, at his/her regular rate of pay.

SECTION 3. EARNED CREDIT: This term refers to the amount of fringe benefit credit earned by a full time employee covered under this agreement. A full time employee receives 100% of the fringe benefits provided under this agreement or one (1) earned credit. A part time employee receives a pro rata share of an earned credit based on the number of hours the employee works annually from July 01 to June 30 of each school year. Accrued pro-rated benefits from the previous fiscal year employment shall be available as a benefit and applied to the current fiscal year employment. Example: A bus driver working 4 hours per day for 180 days accumulates 720 hours for the year. Therefore, the formula for calculating the fringe benefits for the driver would be 720/2080 = 34.6% of an earned credit. In this case the driver would receive 34.6% of the fringe benefits provided under this agreement. Any employee presently earning more than the credit calculated by this formula would continue to receive credit at their present rate.

ARTICLE 5 – CIVIL SERVICE CLASSIFICATION PROTECTION AND NEWLY EMPLOYED PERSONNEL AND REASSIGNMENTS

SECTION 1. JOB CLASSIFICATION. Any job classification that is competitive by exam, the employee should be on the eligible list or must make arrangement within one calendar year to take the exam.

SECTION 2. NEWLY EMPLOYED PERSONNEL AND REASSIGNMENTS

A. Any position vacated by any member of the T.E.O. group by (a) lawful discharge, (b) voluntarily quit and/or (c) retirement will be considered a closed position until the position is announced open by the Board of Education. The Clerk of the Board of Education will notify, in writing, the T.E.O. Such notification will contain specific information such as: building where opening exists, whether day or evening job, and who to contact for application information. It will be the responsibility of the T.E.O. to post the information. If the vacancy occurs during July and August, it will be the responsibility of the T.E.O. to notify any employees of their immediate department.

B. The Head Bus Driver and the Assistant Superintendent for Business reserve the right to consider factors other than seniority in the assignment of drivers and monitors. Such factors would be, although not
limited to, past performance, the ability to discipline pupils, specialized training and/or competencies needed for certain runs, etc. These assignments will be done in the best interests of the programs of the District.

C. All new employees will be placed on a probationary status of six (6) months. An employee has no seniority until the completion of the probationary period when the employee acquires seniority from his/her date of hire into the bargaining unit. No issue concerning the discipline, layoff, or termination of a probationary employee will be subject to the grievance procedures.

D. If the District initiates the transfer of an employee to a new position within the bargaining unit, the employee shall not lose seniority in the previous position, salary or any other benefit.

E. Except for emergency situations, the administration shall notify affected employees of transfers or changes in job description at least fourteen (14) days prior to implementing the transfer or changes.

SECTION 3. CONTRACTED SERVICES

In the event the District opts to contract for services now provided by the Clyde-Savannah Transportation Employees Organization, the District will notify the affected employees at least thirty (30) days prior to the date the contract begins.

ARTICLE 6 – LEGISLATIVE APPROVAL AND EMPLOYEE-ADMINISTRATION LIAISON

SECTION 1. It is agreed by and between the parties that any provision of this agreement requiring legislative action to permit its implementation by amendment of law or by providing the additional funds therefore, shall not become effective until the appropriate legislative body has given approval.

3. The chairman of the EPC will be designated by the T.E.O. membership and may be the president or other officers of the Union with the actual committee members being selected at the discretion of the Union.

ARTICLE 7 – GRIEVANCE PROCEDURE

SECTION 1. PURPOSE: It is the policy of the Board of Education and the T.E.O. Unit that all grievances be resolved informally or at the earliest possible stage of this grievance procedure. This stage must be initiated within twenty (20) working days when the employee first knew or should have known of the alleged violation of the agreement. Both parties recognize that the purpose is available without fear of discrimination because of its use. Informal settlements at any stage shall bind the immediate parties to the settlement but shall not be precedents in later grievance proceedings.

SECTION 2. DEFINITIONS:

A. A grievance is any alleged violation of this agreement or any dispute with respect to its meaning or application.

B. An employee is any person in the Unit covered by this agreement.

C. An aggrieved party is the employee who submits a grievance.

D. For purposes of the Grievance Procedure, the “immediate supervisor” shall be the Head Bus Driver for all members.

The T.E.O. President and the Superintendent of Schools will mutually determine the appropriate “immediate supervisor” prior to the initiation of a formal grievance.

SECTION 3. The T.E.O. shall notify the Clyde-Savannah Central School District in writing as to those individuals designated by the T.E.O. to represent employees in grievances and/or disciplinary action. This list will be updated as changes occur. A
T.E.O. representative shall have the right to observe the progress of any grievance from the second stage through final decision. No provision of this agreement shall be interpreted to require the T.E.O. to represent any employee at any stage of the grievance if the T.E.O. considers the grievance to be without merit or in contradiction to any law, policy or regulation.

SECTION 4. STEPS OF GRIEVANCE PROCEDURE

STAGE 1. The aggrieved employee shall orally and informally discuss the grievance with his/her immediate supervisor. The immediate supervisor will answer the employee within three (3) working days. If the grievance is not resolved informally, it shall be reduced to writing and be presented to the immediate supervisor. Within five (5) working days after the written grievance is presented to him/her, the supervisor shall render a decision thereon in writing and present it to the employee and the Transportation Employees Organization (effective upon ratification).

STAGE 2. If the aggrieved party is unsatisfied with the results of STAGE ONE, within two (2) working days after determination has been made at STAGE ONE, a written request of the grievance is to be filed with the Superintendent of Schools; the written statement setting forth the specific nature of the grievance. Within five (5) working days, the Superintendent of Schools will hold an informal hearing with the aggrieved party and the immediate supervisor present. The parties will present oral and written statements supporting their position in the case. The Superintendent of Schools shall thereafter, within five (5) working days after the informal hearing, render a written decision.

STAGE 3. If the grievance remains unresolved following the written decision of the Superintendent of Schools in charge, the aggrieved employee must, within two (2) working days of the final determination of the Superintendent of Schools, submit in written form a request for final review and determination of the Board of Education. All written statements and records of the case will be submitted to the Clerk of the Board.

The decision of the Board of Education will be final and binding.

The committee shall meet and consider the request; any action to approve must be by a majority of the committee. In addition, any sick leave bank approved leaves will be noted in a document, which is to be sent to the School Business office. - 10-20 years of completed service - 15 days (3 weeks)
- 21 years of completed service - 20 days (4 weeks)

B. New Employees Date of Appointment. On July 1st following the date of appointment, a formula will be used to prorate the number of vacation days earned during the time from date of employment until the July 1st.

The maximum earned allowance of vacation days in the first 2 years of employment is five (5) days. For example, an employee who is appointed on April 1st worked the months of April, May and June which is three (3) months. To determine how much vacation time has been earned on the July 1st following appointment, the number of months three (3) worked becomes the numerator and twelve (12) becomes the denominator; here 3/12 which is multiplied by five (5) days and the result is that this employee would have earned 1.25 vacation days on the July 1st following appointment.

Use of vacation. New Employees. The newly appointed full time employee (see ARTICLE 4 Section 1 for definitions) must wait until the July 1st of the calendar year after appointment to actually use their vacation days. Newly hired employees may use their vacation time, which has been earned on a prorated basis after the July 1st of his/her first year of employment. For example, if an employee were hired on April 1, 2002, that employee would have to his or her credit 1.25 vacation days.

SECTION 2. Vacation period is to be scheduled mutually by employee and the Head Bus Driver and approved by administrator in charge.

SECTION 3. If the nature of an employee’s position necessitates employing a substitute, then the employee must schedule vacations when students are not in attendance. Employees, whose positions do not require substitutes, may schedule mutually acceptable vacation periods with the Head Bus Driver.
Exceptions may be granted by the Assistant Superintendent for Business on a case by case basis. Such decisions are not grievable or subject to the grievance procedure.

SECTION 4. Employees may request an approval to defer a maximum of 5 vacation days from one school year to the next. If the vacation days carried over are not utilized within the current year, the employee will not be allowed to defer any further days.

The work year consists of a minimum of 182 days including two (2) paid holidays. In the event that the work year is increased beyond the 182 days including the two (2) holidays, affected employees will be paid for the actual work year in addition to two (2) paid holidays.
