ARTICLE II

NEGOTIATIONS PROCEDURE

1. Dates: During the week commencing the first Sunday after Feb. 1 in the final year of this agreement (the date to be established by the Superintendent and the VVSAA), the parties will enter into good faith negotiations over a successor agreement covering an agreed upon length of time. Proposals to be negotiated by the Association and the Board’s delegated representative shall be submitted at the first meeting. Such additional meetings shall be held as the parties may require to reach understanding on the written proposals submitted at the first meeting or until an impasse is reached.

Process: Designated representatives of the Board shall meet at such mutually agreed upon places and times with representatives of the Association for the purpose of affecting a free exchange of facts, opinions, proposals and counterproposals in an effort to reach mutual understanding and agreement. Both parties agree to conduct such negotiations in good faith and to deal openly and fairly with each other on all matters. Following the initial meeting as directed above, such additional meetings shall be held as required by both parties. Meetings shall not exceed two hours unless extended by mutual agreement and shall be held at a time other than the regular school day.

3. Representatives: Neither party in any negotiations shall have any control over the selection of the representatives of the other party and each party may elect its representatives from within or outside the school district. While no final agreement shall be executed without ratification by the Association and the Board, the parties mutually pledge that their representatives will be clothed with all necessary power and authority to make proposals, counterproposals and reach compromises in the course of negotiations.
