Preamble

An agreement between the County of Onondaga (hereinafter referred to as the “County”) and the International Union of Operating Engineers, Local 832S, AFL-CIO (hereinafter referred to as the “Union”).

The County and the Union recognize the common interest in the public service of Onondaga County beyond their collective bargaining relationship and pledge to strive together to insure the highest quality of service to the people of Onondaga County and it is with these goals in mind that they have entered into this collective agreement.

This agreement in addition to establishing basic terms and conditions of employment is intended to provide a model and a framework for constructive resolution of any disputes that may arise between them.

Article 2
Agreement Scope

This agreement constitutes the entire agreement between the County and the Union. During its life neither party will be obligated to collectively negotiate with respect to any subject or matter referred to or covered in it or with respect to any subject or matter not specifically covered in it. In reaching this agreement, the County and the Union have considered all matters lawfully subject to collective negotiations.

This agreement may be amended or supplemented only by further written agreement between the parties. A party desiring amendment or supplement will notify the other party in writing stating the substance of the amendment or supplement desired, but the other party will not be obliged to discuss or agree to such proposed amendment or supplement.

It is the policy of the County and the Union that the provisions of this agreement shall be applied to all employees without regard to race, color, religious creed, national origin or sex or in any manner contrary to law.

Article 3
County Management

The Union agrees that the County of Onondaga and/or the County Legislature, hereinafter known as the Employer, shall retain complete authority for the policies and administration of all County departments, offices or agencies which it exercises under the provisions of law and the Constitution of the State of New York and/or the United States of America and in fulfilling its rights and responsibilities under this agreement.

The rights and responsibilities of the Employer include, but are not necessarily limited to the following: (1) to determine the standards of service to be offered by its offices, agencies and departments; (2) to direct, hire, promote, appraise, transfer, assign, retain employees and to suspend, demote, discharge or take disciplinary action against employees; (3) to relieve employees from duties because of lack of work or for other legitimate reasons; (4) to maintain the efficiency of government operations entrusted to them; (5) to determine the methods, means and personnel

The exercise of any such right, power, authority, duty or responsibility by the Employer and the adoption of such rules, regulations and policies as it may deem necessary will, as they apply to employees represented by the Union, be limited only by the specific and express terms of this agreement, and subject to the grievance procedure contained herein.

**Article 4**

b. absence occurring on the employee’s last scheduled work day before or the employee’s first scheduled work day after holidays, vacations or usage of personal leave or compensatory time;
c. absence on more than one holiday on which the employee is scheduled to work; and
d. absence on days which have been previously requested and disapproved.

Further verification of illness may be requested at the Department Head’s discretion if the attending physician’s statement is considered incomplete. If the employee fails to submit sufficient proof of illness when required to do so, or in the Department’s Head judgment the submitted proof does not justify the employee’s absence, such absence shall be considered time off without pay.

Upon return from sick leave of thirty (30) days or more, the employee shall submit to the Department Head a physician’s statement attesting to the employee’s recovery and physical fitness to perform the duties of his or her assignment.

Whenever possible, such as for scheduled hospital or office visits, requests for sick leave are to be made in written form and approved by the Department Head or authorized designee in advance of the date leave is to be taken. When sick leave credits have been exhausted, use of annual leave or personal leave may be approved at the discretion of the department head or authorized designee. Otherwise, such absences shall be without pay.

**Workers’ Compensation**
Employees covered by this agreement may be eligible for coverage and benefits provided under the New York State Workers Compensation Law. The Employer and Union agree that this section shall not be subject to the provisions of Article 25 - Grievance and Arbitration Procedure. However, the Employer and Union agree to meet and discuss disputes involving this section.

**Military Leave**
Employees covered by this agreement may be eligible for coverage and benefits provided under the New York State Military Law. The Employer and Union agree that this section shall not be subject to the provisions of Article 25 - Grievance and Arbitration Procedure. However, the Employer and Union agree to meet and discuss disputes involving this section within five (5) working days.

**Childbirth Leave**
A regular full-time employee may be entitled to a leave of absence without pay for childbirth as follows:
An employee covered by this agreement may be granted childbirth leave provided written notification is submitted to the Department Head at least four (4) weeks prior to her anticipated departure, stating the probable date of departure and duration of leave requested. Such leave may be granted for a period of up to six (6) months, and upon further written request by the employee indicating special circumstances for an extension the Department Head may extend the leave for an additional six (6) months. In no case shall the total period of leave exceed twelve (12) months.

In no case shall the employee be required to leave prior to childbirth unless in the opinion of the Department Head, her performance or attendance becomes unsatisfactory.

Accumulated sick leave credits may be used for any time during pregnancy, delivery, or recovery, when sickness or disability would prevent the employee from performing her normal duties at work. The provisions governing use of such leave pursuant to the Sick Leave section of this agreement shall apply when sick leave is used for this purpose.

Granting of childbirth leave shall not prevent the abolition of a position and/or termination of an employee due to reorganization, lack of funds or other reason unrelated to childbirth.

Leave for Civil Service Exams
Employees covered by this agreement holding permanent Civil Service status shall be granted time off with pay to take open competitive or promotional examinations for positions within the appropriate job family, if such examination is scheduled during the employee’s regular working hours.

A provisional employee shall be allowed time off with pay to take the examination for the position in which he or she is serving provisionally, if such examination is scheduled during the employee’s regular work hours. Employees will not be required to work eight (8) hours immediately preceding the examination, but shall instead be rescheduled to provide for this time off.

Terminal Leave
Upon resignation or retirement, an employee will receive a lump sum cash payment up to a maximum of twenty-one (21) days of earned and unused vacation, personal leave, and compensatory time credits provided that notice of resignation or retirement is on file in the Department of Personnel at least two (2) weeks prior to the employee’s last day of work.

Should an employee be reinstated from resignation within one (1) year of such resignation, any unused sick leave credits, if any, which remained at the time of resignation shall be restored to the employee upon reinstatement. Upon reinstatement, the employee shall then become eligible to begin earning new vacation, personal, and sick leave days.

Extended Sick Leave
Regular full-time employees with five (5) or more years of satisfactory service may receive additional sick leave with full pay in the case of verified serious and protracted illness after all other leave credits have been exhausted. Such additional sick leave may be granted at the discretion of the Department Head and with the approval of the Commissioner of Personnel and shall be up to one (1) calendar month for those having five (5) years and up to ten (10) years employment, two (2) calendar months for an employee with ten (10) to fifteen (15) years of
service, and a maximum of three (3) calendar months for an employee with fifteen (15) or more years of service. Extended sick leave may be utilized by eligible employees for the total entitlement as listed above, however, the entitlement may be granted only once during the employee's tenure.

A regular full-time employee may receive only one (1) entitlement during that employee's tenure. An employee who does not use the full entitlement for which he/she is eligible, may use the balance at a future date if necessary.

Employees hired prior to May 4, 1998 shall be limited to the amount of Extended Sick Leave for which they are eligible as of May 4, 1998 and shall not be eligible for any new or additional amounts. Employees hired on or after May 4, 1998 shall not be eligible for any extended sick leave.

Leave Transfer Program
Employees shall be permitted to participate in the Leave Transfer Program subject to the rules, regulations, and standards promulgated by the Employer.

Article 23
Grievance and Arbitration Procedure

General

1. It is the intent of this Article to promote and provide for a mutually satisfactory procedure for the peaceful settlement of grievances arising out of the interpretation or application of the terms of this agreement.

2. The Employer and Union encourage prompt resolution of employment problems through discussion and dialog between the employee(s) and their immediate supervisor prior to the initiation of a written grievance, whenever possible.

3. The Union shall have the right to present grievances to the County on behalf of bargaining unit employees. Employees shall have the right to be represented by the local representative
4. **Probationary Employees** - It is agreed by and between the parties that any employee covered by this agreement working in a probationary status, other than probationary status due to a promotion, may be disciplined or discharged at the sole discretion of the County and shall not have the right to relief pursuant to the grievance procedures as contained herein. Nothing herein shall be construed to limit or restrict the rights of the Employer under the Onondaga County Department of Personnel Rules for Classified Service or the Civil Service Law of the State of New York.

5. The time limits set forth in this Article are of the essence. They may, however, be extended by mutual written agreement of the parties.

The failure of the Union or grievant to proceed within the time limit set forth shall terminate the grievance at that step. The failure of the County to answer within the time limit set forth will advance the grievance to the immediate next step of the grievance procedure upon written notice to the County.

6. The pendency of a grievance shall in no way operate to impede, delay or interfere with the right of the County to take the action, which is subject to complaint.

7. All grievances filed in writing under this procedure must set forth the facts giving rise to the grievance in sufficient detail to allow the Employer to investigate the matter and render a response and must set forth the provisions(s) of the contract that are alleged to be violated.

**Definitions**

1. "Grievance" shall be defined as a claimed violation, misinterpretation or an inequitable application of a specific and express term of this agreement.

2. "County" shall mean the County of Onondaga.

3. "Employee" shall mean any person employed by the County of Onondaga and described in the bargaining unit pursuant to Article 5 of this agreement.

4. "Local Representative" shall mean that individual as defined by Article 4 contained herein.

5. "Immediate Supervisor" shall mean the person at the next higher level of authority in a non-bargaining unit title who is assigned supervisory or managerial responsibility for an employee covered by this agreement. The Employer shall notify the Union of the person designated as the Immediate Supervisor in each department.

**Grievance Procedure**

**Step 1:**

A. A grievance initiated under this agreement shall be presented in writing by the aggrieved employee and their local representative to the Immediate Supervisor within ten (10) days from the occurrence of the alleged grievance or within the ten (10) days from the employee’s knowledge of the alleged grievance.
B. The grievant immediate supervisor shall respond to the grievant and their local representative in writing within five (5) working days after receipt of the written grievance or after the oral presentation of the grievance.

Step 2:

A. In the event that the grievance is not adjusted under Step 1, the local representative and the aggrieved employee may request within five (5) days from the date of the answer from Step 1 for a review of the alleged grievance with the department head or his authorized designee.

B. The department head or his authorized designee shall within five (5) working days following said request, schedule a review of the matter at which time the aggrieved employee and the local representative may appear and present oral and written statements and thereafter the department head shall answer in writing within ten (10) working days from the date of the hearing.

C. Upon request the time limits may be waived due to the absence of the local representative.

Step 3:

In the event that the grievance is not adjusted under Step 2, the aggrieved employee and the local representative shall notify the County through the Division of Employee Relations within five (5) days from the grievant’s receipt of the decision of Step 2. Thereafter, the Director of Employee Relations shall schedule a meeting with the aggrieved employee, his local representative and/or general representative, if any, within ten (10) working days after the notification from Step 2. Within ten (10) working days after the conclusion of the Step 3 meeting, the Director of Employee Relations shall render his decision in writing to resolve the matter.

Step 4:

A. In the event that the grievance is not adjusted at the conclusion of Step 3, either party may request the appointment of an arbitrator from the American Arbitration Association, State Mediation Board or Public Employment Relations Board within five (5) days after receipt of the decision rendered at the conclusion of Step 3.

B. It is understood by the parties that the cost of such arbitration shall be borne equally by the parties.

C. The arbitrator shall not have jurisdiction or authority to add to, modify, detract from or alter in any way the provisions of this agreement or any amendment or supplement thereto, or to add new provisions of this agreement or any amendment or supplement thereto. The parties agree to abide by the rules and regulations of the agency selected to administer the arbitration proceeding.

D. If the grievance concerns matters not covered by this agreement or the procedures contained herein have not been adhered to, said grievance shall be returned to the parties to the proceeding.

E. Monetary awards applied retroactively shall not exceed thirty (30) calendar days prior to the initiation of the alleged grievance with the Employer.
Article 24
Discipline and Discharge

The following procedure shall be the exclusive procedure utilized for disciplinary and discharge matters for misconduct or incompetency for all permanent employees covered by this agreement who have satisfactorily completed the initial probationary period with the Employer as provided by local Civil Service Rules and Regulations.

It is the intent of this section to provide for a swift and judicious alternative for handling discipline and discharge matters in lieu of Section 75 and 76 of the Civil Service Law.

Further, the Employer shall follow a policy of progressive discipline, however, this progressiveness shall not preclude the Employer from advancing discipline and disciplinary penalties. If the Employer has any reason to reprimand an employee it shall be done in a manner that will not unduly embarrass the employee before other employees or the public.

Disciplinary action shall include but is not limited to oral warning notations, written reprimands, suspensions, discharge, demotion, monetary fines (except in cases where the incident for which disciplinary action is being taken involves an emergency), or any combination thereof or other such penalties as may be deemed appropriate by the Employer.

Oral Warning Notations shall lapse in effect and be expunged from the employee's record upon the expiration of twelve (12) calendar months from the date of issuance provided that the employee receives no disciplinary action for the same or similar offense within the twelve (12) month period. Oral Warning Notifications shall be subject to appeal or review under the disciplinary procedure set forth below.

Employees will be presumed innocent until proven guilty and the burden of proof shall be the Employer's.

The disciplinary procedure shall be as follows:

1. Upon receipt of the written charges and the disciplinary action proposed to be taken, with a copy to local representative, the employee may, within five (5) working days request the opportunity to meet with the department head or his designee to informally discuss the alleged misconduct and/or proposed discipline. Any settlement agreed upon shall be in writing subject to the approval of the Division of Employee Relations and shall be final and binding upon all parties. A copy of one settlement made at this stage shall be sent to the Union's office.

2. Upon receipt of the written charges and the disciplinary action to be taken, the employee within five (5) working days may appeal the disciplinary action taken by filing a grievance through the Union which shall be treated as a Step 3 grievance in accordance with Article 25 of this agreement. The grievance shall be in writing and shall set forth the reasons for contesting the charges and/or discipline and any mitigating circumstances.

3. Within five (5) working days of the decision rendered pursuant to Step 3, the employee may proceed to Step 4 of the grievance procedure in accordance with Article 25 of the agreement except that the arbitrator in a disciplinary matter shall be limited to determining the guilt or innocence of the employee and the appropriateness of the proposed penalty. Failure to file a
grievance within the time frame herein above specified shall constitute acceptance of the penalty as proposed by the Employer by the employee and settle the matter in its entirety.

The disciplinary arbitrator shall not be restricted to the contractual limits on discipline and shall have the authority to devise an appropriate disciplinary action including increasing or decreasing the discipline sought by the Employer.

4. Prior to the completion of the steps and procedures herein specified, an employee may be suspended without pay or other appropriate disciplinary procedures may be imposed, if the department head has determined that the employee's continued presence may be a potential or actual danger to persons or property or may interfere with the efficient operation of the department.

An employee suspended without pay or upon whom other disciplinary procedures have been imposed, may demand at any time during his suspension, a hearing before the department head, his designee and a representative from the Division of Employee Relations to contest the appropriateness of the suspension or other disciplinary action. Said demand shall be in writing and delivered to the office of the department head. The department head or his designee shall hear the employee no later than two (2) working days after receipt of the written demand and the determination of the department head or his designee shall be made no later than one (1) working day after the completion of the hearing and shall be final subject to the following paragraph.

If the disciplinary arbitrator determines such part of all of the suspension or other disciplinary procedures was unwarranted, the employee shall be reinstated and compensated for all, part or no compensation for time lost without loss of seniority, less any compensation which may have been received in other employment or in the form of any federal, state or local benefits.

**Article 25**

**Conformity to Law**

This agreement and its component provisions are subordinate to any present or future laws and regulations. If any Federal or New York law or regulation, or the final decisions of any Federal or New York court or administrative agency, affects any provision of this agreement, each such provision will be deemed amended to the extent necessary to comply with such law, regulation or decision, but otherwise this agreement will not be affected.

**Article 26**

**Ratification of Agreement**

It is understood between the parties that no provisions contained within this agreement are binding upon either party until this agreement has been reduced to writing, ratified by the Union and duly approved, ratified and executed by the Onondaga County Executive and the Onondaga County Legislature.

It is further understood between the parties that the Onondaga County Legislature reserves the right to approve or reject any provisions of this agreement together with the whole thereof.
Article 27

The International Union of Operating Engineers, Local 832S, and the County recognize the paramount importance of delivering the public service in the most courteous, efficient and effective manner.

The Union agrees that the County has complete authority over the policies, regulations and administration of its departments under the provisions of law, including the establishment of work rules and regulations not inconsistent with the terms of this agreement. It is hoped that appropriate standards developed by usual work measurement procedures may be used to determine acceptable work performance levels, prepare work schedules and to measure the performance of each employee or group of employees.

Since experience indicates that it is important to involve employees in the process of implementation, the Union hereafter agrees to meet with the Division of Employee Relations for the purpose of assisting in the development and implementation of such procedure.

The parties further agree to cooperate in the development and implementation of a training program to improve the effectiveness and efficiency of employees and to enhance their job satisfaction.

Dear Mike:

This will confirm our agreement of August 18, 1994 concerning the above matter.

In the event that no agreements exist, the Employer and Union shall meet to negotiate over the impact of the requirement to comply with or enforce such safety rules or regulations.

Sincerely,

Agreed and Confirmed:
