2. Any three (3) written warnings received for a violation of any rules within a three (3) consecutive month period shall be considered misconduct and will result in suspension and review for discharge.

3. Oral warnings will be noted in the employee's personnel file by recording date, time, offense and name of the supervisor issuing the warning. Written Warnings will be made in the Employee Warning Record and placed in the employee's personnel file. Verbal or written warnings will be removed from employee files after eighteen months. However, warnings for significant violations of appropriate conduct committed from the date of the contract may be permanent in nature.
