2.8 The full cost of the premium under either conversion or continuation shall be assumed by the employee.

2.9 If the District establishes a committee to study insurance carriers or self funding, the Association may select a representative as an ex officio member of the committee.

2.10 The District agrees to give serious consideration to the size of the group for self insurance in order to insure financial security of any self insurance plan. The Association will be fully informed of the actual basis upon which the decision is made.

2.11 Provision of this insurance is not automatic. It shall be the responsibility of the employee entering the Auburn School System or rejoining it after an extended absence to confirm at the Board Office his/her desire for coverage, and effective date thereof.

2.12 Effective July 1, 1994, part-time employees who are hired on or after July 1, 1994 who are eligible for insurance coverage will be required to pay for insurance on a pro-rated full time equivalent basis.

1.2 The District will provide a unit seniority list to the Unit President once each year.

Section 2. Job Posting

Within ten (10) working days of the date a new job is created or within ten (10) working days of a job becoming vacant in the bargaining unit and which the District decides to fill, the School District shall post the position in the employees' work area for a period of five (5) working days. The posting will show at least the following:

a. Job Title
b. Location of work
c. Starting wage rate and/or range of compensation
d. Duties
e. Qualifications and eligibility standards
f. Date of post and date post is to be removed

2.1 All job posts will originate in the Office of the Superintendent or his designee. Building Principals will be responsible for placing and removing posts. All posts will be returned to the office of the Superintendent for further action.

Applicants must apply for jobs by submitting an application form to the Superintendent Of Schools or his designee. The District shall provide the form.

Any employee who fails to apply for a posted job as provided, will be considered as having waived his rights, if any, as regards to the filling of such a job at that time.

Section 3. Standards for Awarding Job

3.1 As provided in section 1 where a job vacancy is filled because of bidding, promotion, transfer, reduction in force, lay-off or recall the following standards will govern:

a. Ability to perform the work required on the job involved in a reasonably efficient manner.
b. The worker has the capacity to meet the physical requirements of the job.

c. Length of service.

3.2 All job postings shall be filled within thirty (30) working days of the closing date of the job posting notice.

Section 4. Lay-Off Procedures

4.1 In the event of a layoff, or reduction of hours, the District will determine the number of employees and classifications affected and inform the Union through the Unit President prior to implementing such layoff or reduction in hours.

4.2 The layoff or reduction of hours will occur according to seniority.

4.3 An employee affected by a layoff or reduction in hours may displace a less senior employee in the same classification. If an affected employee has the skill and ability to perform a job in another classification, he or she may displace a person with less seniority.

4.4 In the event that the District intends to abolish a position in the negotiation unit and there is only a single employee occupying the position, the Superintendent of Schools will give 120 calendar days notice in writing to the affected employee setting forth the intent of the District to abolish the position. This provision does not apply to the positions of attendance officer aide, district treasurer, tax collector or any other position that is made either on an annual appointment basis or is an officer of the Board of Education.

Section 5. Recall Rights

5.1 In the event of a recall, the last person to be laid off to the job title being recalled shall be the first person to be recalled.

5.2 An employee recalled to work shall be given notice to that effect, mailed his or her address of record with a copy to the Union President. The employee must then notify the District of his or her intent of return to work within fourteen (14) days (Monday-Friday) following the mailing of the certified mail recall letter.

5.3 Employees shall remain on the recall list for a period of two years from the effective date of the layoff.

ARTICLE X
PUBLIC EMPLOYEE'S FAIR EMPLOYMENT LAW

Section 1.

Section 204 a. Agreements between public employee and employee organizations.
"It is agreed by and between the parties that any provision of this agreement requiring legislative action to permit its implementation by amendment of Law or by providing the additional funds therefore, shall not become effective until the appropriate legislative body has given approval."

Section 2.

This Agreement shall constitute the full and complete commitments of the District to the General Services Association. The parties acknowledge that during the negotiations which resulted in this agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective negotiations, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this agreement. Therefore, the District and the Association, for the life of this agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to negotiate collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matter may not have been within the knowledge or contemplation of either or both of the parties at the time that they negotiated or signed this Agreement.

It is further agreed that this Agreement is the result of collective negotiations between the District and the Association which have been conducted under the requirements and directives of the Public Employees' Fair Employment Act (Taylor Law). The provisions of the Agreement supersede all conflicting policies and directives of the District's Board of Education and may be changed only through the mutual agreements of the District and the Association. All terms and conditions of employment not covered by this Agreement shall continue to be subject to the District's direction and control and shall not be the subject of negotiations until the commencement of the negotiations for a successor to this Agreement.

Section 3.

The parties to this agreement, fully aware of the requirements of Civil Service Law 209-a (1) (d) and (e), do hereby agree that any term of this contract or the obligation to submit a grievance to arbitration will expire on June 30, 2011 and will not continue thereafter. Except as otherwise provided, this agreement shall continue in full force and effect from July 1, 2009 to June 30, 2011.
