**ARTICLE V - INSURANCE COVERAGE**

**HEALTH INSURANCE**

Employees hired prior to July 1, 2003 and who work a minimum of 20 hours per week or earn at least $5,000 annually or are a bus driver will contribute 10% of the annual premium capped at 1% of their regular annual salary less overtime, for either the single or family health plan with Catskill Area School Employees' Benefit Plan (Plan M), or the equivalent dollar amount to an alternative HMO plan. Employees hired on or after July 1, 2003 who work a minimum of 20 hours per week or earn at least $5,000 annually or are a bus driver, will contribute 10% of the annual premium as defined above. Two married employees will be allowed one family plan and a single plan or a family plan and a family buyout if both have outside coverage, two family buyouts.

Should Bassett Hospital not waive the deductible co-payment for the members of CASEBP, the district agrees to reimburse each non-instructional employee in the collective bargaining agreement that elects CASEBP as their health insurance plan seventy-five (75) dollars per year. Also, it is agreed that the administrators and the non-instructional employees will meet to discuss health insurance options should Bassett not waive the health insurance deductible.

Upon retirement, the District shall pay 100% of a single plan for any individual who has worked for the District for a minimum of ten (10) years, has attained the age of 55, providing the retiree is not eligible for group health insurance elsewhere. The District will pay 50% of the coverage for a spouse of a retired employee who meets these criteria and 75% of the coverage for a spouse of a retired employee who meets this criteria and who has worked for the district for a minimum of twenty (20) years. All retirees will be required to take two individual plans providing the health plan allows it unless they qualify for a family plan under the plan guidelines. In this case a retired employee may elect the family plan and pay the difference between a family plan and two single plans less the above respective percentage.
The District agrees to provide alternative health insurance in the form of a single lump sum payment. The following guidelines apply:

1. Employees must declare by September 15, of any school year their desire not to join the health insurance program for that school year.

2. It is understood that once an employee opts not to join the health insurance program, that the employee will not automatically be re-enrolled in the health insurance program the following year and that re-enrollment can only occur in October or July of any school year, or at such time designated by the school's carrier. Applications must be submitted within the enrollment period.

3. By no later than February 1, the District will pay a taxable sum of $1,500 for family coverage and $1,000 for individual coverage to employees opting not to participate in the group health insurance program.

4. In order to apply for family coverage, an employee must qualify for such coverage.

**DENTAL INSURANCE**

The district will pay the cost of the employee's individual dental insurance equivalent to the current Blue Cross/Blue Shield Plan. Instructional support staff will be allowed to join Delta Dental, the alternative dental plan, with any additional cost above the current plan being paid by the employee.

**VISION CARE**

The District will refund, with the submission of a receipt, $15.00 per year for eyeglasses and or contacts for employees in this group.

A person on military leave as provided by law for Guard or Reserve will have Family Health and Individual dental maintained at District expense.

**ARTICLE VI - SALARY ITEMS**

A. All full time ten (10) month employees shall work a minimum of 180 days and shall be paid on that basis. If additional days are needed for staff development, they will be paid at the standard per diem rate. These days could be outside the traditional school calendar either during vacation breaks or the summer months.

   - Bus Driver Mechanic $13.50 hour
   - Least senior part-time Food Service Worker (5 yrs. of service) $8.65 hour
   - Both rates are inclusive of current $0.50 hour increase

3. All employees will receive a $0.50 hour increase in each of the three years of the contract effective July 1, 2007.

Bus Drivers with a combined salary and stipend hourly wage of less than $4.25% over their 2006-2007 hourly rate will be increased an additional $0.50 per hour.
Longevity

Effective July 1, 2007, longevity will be paid at the rate of an additional $150 per year for employees who have completed 10 years of service and $200 per year for employees who have completed 15 years of service to the district within this Unit. In the second year of the contract additionally, the longevity for full-time 12 month employees with 15 years of service will be increased from $200 per year to $250 per year with the same provisions. These stipends will continue annually thereafter but will not be added to the base for calculations of future salary increases.

If the instructional contract is reopened before its scheduled ending date, the NIEA will be offered the opportunity to reopen this contract.

C. 1. Custodial staff, exclusive of blending positions, working the second shift will be paid an additional $1.00/hour onto base and those working the third shift will receive an additional $1.75 stipend onto base. Anyone currently higher than these rates will remain at their current rate. There is no additional pay given for work during holiday recess. Changes in shifts will be done, when possible, on a volunteer basis. If management deems it necessary to have more than one cleaner on the third shift, cleaners from the first and second shifts will be asked to volunteer for reassignment. If volunteers are not available, reassignment will be made from the first and second shifts for two week intervals and will be made on a seniority rotational basis.

2. Any employee working any of the recognized holidays will be entitled to take the day as an extra paid vacation day or will be paid overtime at the rate of two times their regular or blended rate. Whenever possible, holiday scheduling will be limited to a building check system and will be voluntary.

3. Cleaners and Maintenance workers will use a voluntary rotational system based on seniority for the assignment of overtime during open shifts (usually weekend events). The most senior person will be first on the list and least senior will be last. Events requiring coverage will be posted two weeks prior to the scheduled date whenever possible. The most senior person will indicate whether or not they are available, if not the next person in order and on down the list until a person fills the shift. The next event posted will start with the second most senior person on the list and progresses through the list as before. When the last person on the list has had an opportunity the rotation starts again at the top of the list with the most senior person.

D. 1. Any employee in a driver combination position (example: driver/ cleaner) will be allowed to bid on any trip so long as it does not interfere with his/her regularly scheduled assignment.
2. All daily regularly scheduled secondary runs (Special Education Runs, Christian School, Pre-K, Late bus activity) will be offered using Bus Driver seniority bidding. Field trips, refresher courses and all secondary runs will be paid at $14.00/hour the first year and $15.00 hour for the second and third year of the contract. Overnight field trips will be paid at $14.00/hour (first year of contract) and $15.00/hour (last two years on contract) driving time and $6.00/hour for the remainder of the time exclusive of the required off-the clock time.

3. Activity runs - Late bus run will be paid at $19.00 per run for the two years of contract and $20.00 per run for the last year of the contract. BOCES Assignment - When driven by a regular driver, the pay will be one and one-half times the annual salary for their regular run. When driven by a part-time or substitute driver the rate will be paid as though it was a secondary run at $14.00 hour for the first year and $15.00 hour the next two years of the contract.

4. Any regular scheduled primary run will be staffed using seniority bidding. Seniority bidding will take place once per year in August before the school year begins. The district reserves the right to assign 40-hour employees to a shortened primary run.

5. Field trips, whenever possible, will be posted at least two (2) weeks prior. The trip will be staffed using seniority bidding. Seniority will prevail as the determining factor up until the last 48 hours prior to the trip. After that the driver must personally discuss the issue with the assigned driver. Any changes will be by mutual agreement. When no regular driver signs up by the day before then it will be open to part-time and substitute drivers. In late posting situations (2-day notice), all drivers will be given until 3 p.m. of the day of the posting to sign-up. After that time a driver would have to have a personal discussion with the assigned driver to request a change. The 24 hour notice situations will be handled by the Director of Transportation with notification first to the most senior driver that has been driving that sport or activity throughout the year. Should this person not accept the trip, the Director of Transportation will notify the next most senior driver that has been driving that sport or activity throughout the year. This process will continue until a driver is found. On the rare occasion that nobody signs up, a driver designee will work with the Director of Transportation to locate a driver. As a last case scenario the Supervisor of Transportation may assign a qualified 40-hour employee to take the trip.

6. Drivers taking field trips during the time of their regularly assigned trips, will be paid either their regular assignment or the field trip rate, whichever is higher. Example: A ball game trip leaves at 3:30 PM and returns at 8:30 PM. The driver will receive the higher of the 1.5 hours for their regular trip pay plus the remaining 3.5 hours for a field trip rate or 5 hour at the field trip rate.
7. Civil Service addresses full-time driver (am-pm) and full-time monitor seniority. The District will continue to maintain lists for part-time and substitute drivers and monitors using employment dates. The full-time employment date will carry through part-time and substitute but not vice versa. A driver or monitor that leaves full-time employment for part time or substitute will go to the bottom of the list when and if they return to full time duty. Consideration will be given to the order on the substitute and part-time lists when assignments are made.

E. All 40-hour employees will be paid as per contract.

ARTICLE VII - MISCELLANEOUS PROVISIONS

The amount that can be accumulated over a one year period is eighty (80) hours, and it must be taken by the following September 1.

Overtime will be paid at one and one-half times the regular or blended pay for any hours over the regularly scheduled eight hours per day. Holiday overtime will be paid in accordance with contract provisions, Article 6 C 2.
