In the event the course starts before the workday ends for some office personnel, those employees will be given the opportunity to work out a flexible workday, whenever possible, with their immediate supervisor.

B. The District agrees to the following plan which incorporates a final, nongrievable decision by the Assistant Superintendent for Business whereby bargaining unit members may receive payment for professional coursework successfully completed. A continuing payment will be paid to a bargaining unit member, who has completed professional coursework by June 30, 2004, which has the following criteria:

1. Workshops not sponsored by the district must total 16 hours. It could be a series or any combination of workshops in order to qualify for the incentive.

5. Courses need not necessarily be for a degree program.
6. Only one increment per employee per school year is permitted.

7. If the course is held on a workday, the individual must first secure the approval for the course/conference content, and the time required for said course/conference, from their immediate supervisor. Having received the same it should be forwarded to the Assistant Superintendent for Business for approval before registration.

8. In extenuating circumstances a phone call to Assistant Superintendent for Business could generate temporary approval until formal documentation is presented.

9. Receipt of payment and certificate or proof of course completed will be necessary to qualify for incentive payment.

10. While no time limit is required in completing the necessary 16 hours, payment will not be added to the salary until the July 1st, following the actual completion.

11. It is the responsibility of the individual secretary to notify the Assistant Superintendent for Business that the requirements have been met for payment.

C. 1. The continuing payment for course work completed prior to June 30, 2004 shall be $425.00. These continuing payments would apply only in each respective year and will not be retroactive (i.e., a one-time payment of $425.00 will be paid for credit earned in 2004-05 only. E. Once per year, the District will offer and pay for a minimum of one course. A committee will be formed to determine the topic, and time of the course. Each bargaining unit member who successfully completes the course will be paid a one-time incentive of $425.00. Payment will be made in November of the next school year. This amount will be prorated if a member is not able to attend the full course, due to extenuating circumstances.
ARTICLE VII

Evaluation

A. The District supports the concept of employee evaluations. To that end, a committee will be formed to thoroughly study an evaluation process, format and procedure, mutually agreeable, to be implemented upon acceptance of the committee's final report.

B. Members shall be permitted to examine the contents of their personnel files at reasonable times and to make copies of items therein, except as to anything contained therein which is related to their initial hiring.

C. No complaint or report which is adverse to an employee will be retained in the employee's personnel file unless the employee has been offered an opportunity to read the document and file a written response to be attached hereto. As to complaints or reports that are authored by the member's supervisor, the complaint or report will contain a statement that the member acknowledges receipt of same and is offered the opportunity to respond in writing. It will then be the member's responsibility to draft such a response and supply it to his/her supervisor. In the case of complaints or reports from other than the member's supervisor, the complaint/report shall be given to the member with a cover letter that indicates receipt of the complaint/report and offers the opportunity to respond in writing. A. Declaration of Policy
In order to maintain a harmonious and cooperative relationship among all employees and between employees and the Board of Education which will enhance the educational program of the District, it is hereby declared to be the purpose of these procedures to provide a means for orderly settlement of differences, promptly and fairly, as they arise and to assure equitable and proper treatment of employees pursuant to established laws, rules, regulations, practices and policies of the District and this Agreement. They are not designed to be used for changing such rules or establishing new ones, except to the extent that changes or additions might result from decisions made under this Grievance Procedure.

B. Definitions
1. A "grievance" shall mean a claimed violation, misinterpretation or inequitable application of provisions of this Agreement which relate to or involve any employee or employees which has not been solved by normal discussions among employees and administrations.

2. The "Association" shall mean the Hendrick Hudson Educational Secretaries Association.

3. The terms "grievant" or aggrieved shall mean an individual employee, or where applicable, a group of employees, or the Association.

4. The word "days" shall mean, except where otherwise indicated, working days.

5. The term "immediate supervisor" shall mean the Administrator of the building or the office.

C. General Provisions
1. An employee shall have the right to present grievances in accordance with the procedures, free from coercion, interference, restraint, discrimination or reprisal.

2. An employee shall have the right to be represented at any step of the procedure by anyone of his choice. Any fees charged by such a person or persons shall be borne by the employee.

3. Each party to a grievance, and the Association, shall have access at reasonable times to all written statements and records pertaining to such a case.

4. All hearings shall be held in private session unless otherwise mutually agreed.

5. It shall be the responsibility of the Superintendent of Schools to take such steps as may be necessary to give force and effect to these procedures. Each person to whom a grievance is presented shall have the responsibility to consider promptly each such
grievance and to make a determination within the authority delegated to him within the
time specified in these procedures.

6. Conferences or hearings held under this procedure shall be conducted at a time and
place which will afford a fair and reasonable opportunity for all persons entitled to be
present to attend. When such conferences are held during working hours, all persons
who participate shall be excused without loss of pay.

7. Failure at any step of this procedure to communicate the decision on a grievance within
the specified time limits shall permit the grievant to proceed to the next step. Failure at
any step of this procedure to appeal a grievance to the next step within the specified
time limits shall be deemed to be acceptance of the decision rendered at that step. The
time limits specific in any step of this procedure may be extended, in any specific
instance, by mutual agreement. If one of the parties shall be required to be out of the
District on school business, such absence shall not be counted as lapsed time.

8. The Association has the right to initiate or appeal a grievance. Such grievance shall be
initiated at the appropriate step of the grievance procedure and may if necessary, be
approved through succeeding steps of the grievance procedure according to the time
limits and other conditions specified for such succeeding steps.

9. Where a group of Employees have a common grievance, the President of the
Association, in the name of the Association, acting on the employees' request, may
initiate a group grievance on their behalf by filing a written grievance at the appropriate
step of the grievance procedure. If necessary, the Association may appeal the grievance
through succeeding steps of the grievance procedure according to the time limits and
other conditions specified for such succeeding steps.

10. Where a grievance involves an act or condition over which an immediate supervisor is
without power or authority to act, including but not limited to Salary or Leave
agreements or policies, a grievance may be initiated with the Assistant Superintendent
for Business at Step 2 of the grievance procedure and may, if necessary, be processed
through the 5th Step.

11. The Board of Education through their administrators shall have the right to bring a
grievance against an employee or the Association. Following the Board's written notice
of a grievance, under the time limit for initiation of employee grievances in subdivision
13 of the General Procedures of the Grievance Procedure, a conference shall be held
within 10 days between the Board and the party aggrieved against with a view to
arriving at a mutually satisfactory resolution of the grievance. At such conference, the
Board, the Association and the party aggrieved against shall be entitled to be
represented and to be heard and all parties shall have at least two days notice of the time
and place of the conference.

The party aggrieved against shall report its decision in writing to the Board of
Education within 10 days of the conference. If the Board is not satisfied with the
decision, it may, within ten days, file a notice of arbitration under the requirements
spelled out for employee notice of arbitration in Step 5 of the Grievance Procedure. The arbitration procedure and decision process of Step 5 of the Grievance Procedure shall govern the disposition of the grievance.

12. When a grievance is satisfactorily adjusted at any one of the steps of the procedure, the grievance shall be deemed to be settled, and the settlement shall be so noted on a report signed by both parties, together with the terms of the adjustment.

13. Grievances must be presented within 15 working days after the cause of the grievance arises unless it is impossible for the employee to know he has a grievance, in which case, a grievance may be presented within 15 working days from the date when it was first possible for him to have such knowledge. In the event a grievance is filed late in the school year so that sufficient time as stipulated under all the steps of the procedure might not be provided should it be necessary to pursue the grievance through the final step, all parties will be expected to make special effort to expedite the grievance. In any event, the grievance shall be consummated under the terms of this agreement and this article, and not under a succeeding contract or agreement.

14. Nothing contained in this article or elsewhere in this agreement shall be construed to deny to any employee his rights under Section 15 of the New York Civil Rights Law or under the State Education Law or under applicable Civil Service Laws and Regulations or applicable Federal and State Laws.

D. Procedures for Grievance Adjustment

Step 1
Any employee considering himself aggrieved may, either orally or in writing, present a grievance to his immediate supervisor within the time limit specified in subdivision 13 of the General Provisions of this Grievance Procedure. The aggrieved employee and the immediate supervisor shall confer on the grievance within five days with a view to arriving at a mutually satisfactory resolution of the grievance. At the conference, the aggrieved employee may appear personally or he may be represented by an Association representative or other representative, but where the aggrieved employee is so represented, he nevertheless must be present. Any grievance thus presented which involves the terms of this agreement, either in application or interpretation, or which would affect the working conditions or the welfare of the employees in the negotiating unit, shall entitle the Association to be present through a representative to state the views of the Association. If the grievant indicates in writing his intention to continue the grievance, his immediate supervisor shall advise the President of the Association of the existence of a grievance to allow the Association to designate a representative to attend the conference, and he shall give the Association and the grievant two working days notice of the time and place of such conference. The immediate supervisor shall communicate his decision and supporting reasons in writing to all persons present at the Step 1 conference within five working days after the conference.

Step 2
If not settled pursuant to the foregoing procedure, the grievance may be appealed to the Assistant Superintendent for Business within five (5) working days after receipt of the decision in Step 1. The appeal shall be in writing, shall set forth specifically the reasons for the appeal, and shall be

The Assistant Superintendent for Business shall meet and confer with the aggrieved employee with a view to arriving at a mutually satisfactory resolution of the grievance. The aggrieved employee and the Association's representative shall be given at least two (2) working days notice of the conference and an opportunity to be heard. Notice of the conferences shall also be given to the immediate supervisor of Step 1, who may be present to state his views. The employee's and the Association's rights to be heard and represented shall be as stated in Step 1, except that the Association may designate a different representative at this step, if necessary. The Assistant Superintendent for Business shall communicate her decision in writing, together with her supporting reasons, to the aggrieved employee, to the Association representative and to the Step 1 immediate supervisor within ten (10) working days after receiving appeal.

Step 3
If not settled pursuant to the foregoing procedure, the grievance may be appealed to the Superintendent within five (5) working days after receipt of the decision in Step 2. The appeal shall be in writing, shall set forth specifically the reasons for the appeal, and shall be accompanied by a copy of the decision at Step 2. It shall also state the names of the grievant's representative, if any, and the representative of the Association present at Step 2. The Superintendent shall meet and confer with the aggrieved employee with a view to arriving at a mutually satisfactory resolution of the grievance. The aggrieved employee and the Association's representative shall be given at least two (2) working days notice of the conference and an opportunity to be heard. Notice of the conferences shall also be given to the immediate supervisor and the Assistant Superintendent for Business, who may be present to state their views. The employee's and the Association's right to be heard and represented shall be as stated in Step 1, except that the Association may designate a different representative at this step, if necessary. The Superintendent shall communicate his decision in writing, together with his supporting reasons, to the aggrieved employee, to the Association representative, the Assistant Superintendent for Business and to the immediate supervisor within ten (10) working days after receiving the appeal.

Step 4
If not settled pursuant to the foregoing procedure, the grievances may be appealed to the Board of Education within five (5) working days after the decision is received in Step 3. The appeal shall be in writing, shall set forth specifically the reasons for the appeal and shall be accompanied by a copy of the appeal and decision at Step 3. It shall also state the names of the grievant's representative, if any, and the Association representative present at Step 3. Notification of the hearing on the appeal, and the grievant's and the Association's rights to be heard and represented shall be as stated in Step 1, 2, and 3, except that the appeal must be heard within ten (10) working days of the Board's receipt of the appeal. Notice of the hearing and an opportunity to be heard shall be given to the Superintendent and the immediate supervisor of Step 1, if any, involved. The Board of Education shall render a decision within ten (10) working days of its hearing on the appeal. The decision shall be immediately transmitted by the representative who participated in this step, as well as the Superintendent and the immediate supervisor of Step 1, if any involved.
Step 5 - Arbitration

If not settled pursuant to the foregoing procedure, the grievant may submit the grievance to an arbitrator for decision. The proceeding shall be initiated by the grievant's filing of a notice of arbitration with the Board of Education and with the Public Employment Relations Board, if it is providing grievance arbitration service, otherwise, with the American Arbitration Association. The notice shall be filed within ten (10) working days after receipt of the decision of the Board of Education in Step 4. The notice shall include a statement of the nature of the grievance and the facts relating to it, a statement setting forth precisely the issue to be decided by the arbitrator, copies of the decisions and supporting reasons on the grievance up to the time of the arbitration appeal and copies of all other documents, exhibits and information.

The Arbitration agency shall appoint an arbitrator to serve in the case and its arbitration rules shall apply to the proceedings insofar as they relate to any hearings, fees and expenses. The arbitrator shall hold a hearing, unless such hearing is waived by the parties within fourteen (14) working days after being appointed. This time limit may be extended by mutual agreement of the parties involved. The arbitrator shall give at least five (5) working days notice of the time and place of such hearing to the grievant, the Board of Education, the Superintendent, the Association, and the immediate supervisor of Step 1, if any involved. The arbitrator shall issue his decision not later than fourteen (14) working days from the date of the closing of the hearings or, if oral hearings have been waived, then from the date of transmitting the final statement and proofs to the arbitrator. The decision shall be in writing and shall set forth the arbitrator's opinion and conclusions on the issues submitted. The arbitrator shall limit his decision to matters specified in the "grievance" definition of this procedure, and to any remedy, if appropriate, which is not inconsistent with this agreement and is not contrary to law. However, he shall be without power and authority to make any decisions which are:

a. Contrary to or inconsistent with, or modifying or varying in any way, the terms of this agreement.

b. Involving Board of Education discretion or policy under the provisions of this agreement, except that he may decide in a particular case, involving Board discretion or policy, whether or not the Board applied such discretion or policy in a discriminatory fashion, i.e., in a manner unreasonably inconsistent with the general practice of the District in similar circumstances. The decision of the arbitrator will be accepted as final by the parties to the grievance dispute, and both will abide by it. The costs of arbitration will be borne equally by the parties to the grievance dispute.
