§ 4.1 Salary schedules. The 2009-2010 and 2010-2011 salary schedules are set forth in Appendix A.

§ 4.2 Schedule step placement. Each teacher shall be placed on step on the operative salary schedule in accordance with his years of credited service. Each teacher will advance on step each year in accordance with his years of credited service.

§ 4.3 Credit for study beyond bachelor’s degree. In addition to the salary specified on the salary schedule, salary credit shall be granted as follows:

(a) One hundred seventy-five dollars ($175) in 2009-2010 and one hundred seventy-nine dollars ($179) in 2010-2011 will be credited for each block of three hours of approved study beyond a bachelor’s degree up to a limit of sixty (60) hours or thirty (30) hours beyond a master’s degree. In order to receive salary credit for
hours, prior District approval must be obtained, except no prior approval is needed for hours which are taken for courses required for certification, or for courses which are within a teacher's subject matter area.

(b) Approved applications for payment of credit hours submitted by August 15th will become effective as of the beginning of the school year. Approved applications for payment of credit hours submitted after August 15th, but on or before February 15th, will become effective as of the beginning of the second semester of the school year.

(c) Graduate hours beyond the sixty (60) hour limit must have prior approval from the Superintendent; and, if approved, the credit hours will be paid at the above-stated rate. Teachers who have reported credit hours in excess of sixty (60) hours as of July 1st, 2002 will have these credit hours paid at the above-stated rate.

(d) Eight hundred fifty-five dollars ($855) in 2009-2010 and eight hundred seventy-two dollars ($872) in 2010-2011 will be credited for a master's degree.

§ 4.4 Credit for in-service courses.

(a) A teacher shall receive salary credit for in-service courses if the courses will enhance the ability of the teacher in the classroom. All in-service courses must have prior approval from the District.

(b) Elective in-service approved by the District will be eligible for the mileage reimbursement set forth in §22.2 of this agreement.

(c) If the District approves a teacher to attend a conference and the District is required to expend more than one hundred dollars ($100) for the conference costs, the teacher will not be eligible for in-service salary credit. However, the teacher may choose to pay for the conference himself and, thus, receive the in-service salary credit.

(d) If an in-service training provider offers a stipend for completion of the in-service hours, a teacher must declare, prior to the beginning of the training, whether he intends to take the stipend or apply for in-service credit through the District. A teacher will not be eligible for both the in-service salary credit and a stipend.

(e) One (1) graduate credit will be given for each fifteen (15) hours of classroom time. In-service courses of fewer than fifteen (15) hours will be added to subsequent courses until a multiple of fifteen (15) is reached.

§ 4.5 Schedule placement for new hires. The District, at its sole discretion, may recognize teaching experience for salary placement purposes. A teacher who is granted teaching experience credit shall be placed on the salary schedule in accordance with his number of years of recognized teaching experience.

§ 4.6 Calculation upon return from unpaid leave of absence. A teacher returning from an unpaid leave of absence shall have his salary calculated as follows:

(a) If an unpaid leave taken during the time school is in session (September through June) is for a period less than a semester, the year a teacher is on leave shall be treated as a year of work for salary purposes.

(b) If an unpaid leave taken during the time school is in session (September through June) is greater in duration than a semester, the year the teacher is on leave shall be treated as a year not worked for salary purposes.
§ 4.7 Part-time teacher salaries.

(a) A part-time secondary-level teacher's salary will be calculated by multiplying a full-time equivalent teacher's salary by a fraction whose denominator is eight (8) and whose numerator is the sum of his assigned classes, additional duties and preparation periods.

(b) A part-time elementary-level teacher's salary will be calculated by multiplying a full-time equivalent teacher's salary by the percent of time that the part-time teacher is assigned to work.

(c) Any full-time teacher who is reduced to part-time status shall retain full compensation for all contractual benefits except calculation of base pay from the step schedule.

§ 4.8 Deduction for absence without pay. Absence from duty after sick and personal leave have been exhausted will result in a salary deduction of one two-hundredths (1/200) of one's annual salary for each day of absence.

§ 4.9 Registered nurses.

(a) The salaries of nurses hired prior to July 1, 2009, will be increased each July 1st as follows:

(1) Upon the date of hire, subtract the nurse's salary from the step one teacher salary. Divide the remainder by eight (8). The result shall be part one of the salary increase applicable to the nurse on July 1st of each year.

(2) Part two of the salary increase shall be the amount the step one teacher salary increased by on July 1st.

(3) When the nurse reaches step one of the teacher salary schedule, he shall receive the same percentage salary increase negotiated each year for the entire bargaining unit.

(b) The salaries of nurses hired after July 1, 2009, will be increased each July 1st as follows:

§ 4.10 Payday schedule. Teachers shall be paid on alternate Thursdays, subject to the data processing schedule. The District will publish a list of paydays at the beginning of each school year.

§ 4.11 Paycheck option. Teachers shall be given the option of electing either twenty-one (21) or twenty-six (26) pay periods.
§ 4.12 Flexible spending plans.

(a) IRC section 125 flexible spending account. The District will establish through a third-party administrator a qualified IRC section 125 account which shall be available to each teacher. The establishment of the account shall be subject to the following conditions:

(1) The account shall be established only when a sufficient number of teachers elect to participate in accordance with the rules and regulations set forth by the Internal Revenue Service and the selected third-party administrator.

(2) The District and the Association shall mutually select the third-party administrator and the name of said administrator shall be incorporated by reference.

(3) The qualified uses of the funds are incorporated by reference.

(4) Each teacher’s account shall be funded by the individual teacher.

(5) Participation in the account will be voluntary.

(6) On September 1, 2009, the District will make a contribution to the unreimbursed medical expense account portion of those teachers who participate in the health care plan as follows:

(i) Individual coverage: One hundred dollars ($100).

(ii) Family coverage: Two hundred dollars ($200).

(b) IRC section 105(h) health reimbursement account. Effective September 1, 2010 the District will create an additional flexible spending account known as a Health Reimbursement Account (HRA).

(1) The Association and the District shall agree on the third party administrator of the new account.

(2) On the first day of the account plan year (September 1), the District will make an annual contribution to the HRA account for those teachers who participate in the health care plan as follows:

(i) Individual coverage: Two hundred dollars ($200)*

(ii) Family coverage: Three hundred dollars ($300)*

(3) Any funds in an employee’s HRA account will rollover after separation of employment until exhausted.

(4) If an employee or former employee dies with unexpended funds in the HRA, then the former employee’s spouse or dependents may continue to submit reimbursement requests until the funds are exhausted. If there is no spouse or dependent, then the funds shall be divided pro rata to the other participant accounts in the HRA.

(5) All interest generated by the funds shall be calculated bi-annually and divided pro rata among all the participant accounts as an additional District contribution. The annual District contribution shall be reduced by the new administrative fee incurred by the 105(h) accounts.

* Minus the annual administrative fee for the new HRA account.
§ 4.13 Tuition reimbursement. A teacher who is requested by the District and voluntarily agrees to pursue additional studies that will allow him to teach college level courses at the high school level will be reimbursed as follows:

(a) The teacher may pay for the course and will receive graduate credit payment added to his salary.

(b) The teacher may choose to be reimbursed for the cost of the course. If so, he will not receive graduate credit added to his salary.

§ 4.14 Career increment. An employee who was on the top step of the salary schedule in the prior year shall receive a career increment included as part of his permanent salary in the amount of one thousand five hundred dollars ($1,500) per year. A teacher may only receive additional career increment amounts for five (5) years. Thereafter, no new career increments shall be added to a teacher’s salary.

ARTICLE 5 – COACHING AND EXTRACURRICULAR COMPENSATION

Sec. 5.1 Posting and assignment. Coaching and extracurricular positions specified in this article shall be filled as follows.

(b) Applications for positions specified in this article shall be voluntary. If no teacher applies for a vacant position, the District may employ a nonunit person.

(c) If, in any year, a position specified in this article is filled by a teacher or a nonunit person, the District may continue to employ the teacher or nonunit person in the same position in subsequent years. If a position becomes vacant, it shall be filled in accordance with the provisions of subdivisions (a) and (b) of this section of this article.

(d) All coaching assignments will be evaluated annually. The District may, at its discretion, discontinue the services of a coach after having conducted sufficient evaluations to support a dismissal.

(e) The athletic director shall send each coach a letter on or before May 1st each year asking the coach to confirm his intent to continue coaching in the following school year. The coach shall return his letter of intent by May 15th each year.

§ 5.2 Coaching stipends.

(a) Each teacher appointed by the District to coach a sport shall be compensated, in addition to his regular salary, for each week that he performs his required duties, as follows. ARTICLE 6 — RETIREMENT INCENTIVE

§ 6.1 Salary payment. A teacher, other than a school nurse, who retires and who meets the eligibility requirements specified in this article shall receive a lump-sum payment of twenty-two thousand dollars ($22,000). A school nurse is also eligible for this benefit, except the lump-sum payment shall be eleven thousand dollars ($11,000). Unless otherwise specifically excepted, all references hereinafter to teacher shall be deemed to include school nurse. If a teacher elects to receive payment between December 1st and December 31st as hereinafter provided, the District shall report the retirement incentive as termination pay for the last school year worked by the teacher. At the option of a teacher, the District shall pay the retirement incentive between December 1st of the calendar year in which the teacher or school nurse retires and January 31st of the calendar year next succeeding the calendar year in which the teacher retires.

§ 6.2 Eligibility requirements. In order to be eligible for this benefit, a teacher must:

(a) have worked in the District or in the pre-merger districts at least twenty (20) years or have been credited with at least twenty (20) years of service in the District.

(b) make every effort to notify the District by January 15th of the school year in which he will retire; and

(c) retire the first year he becomes eligible for retirement without penalty under the Rules and Regulations of the New York State Teachers’ Retirement System or the Rules and Regulations of the New York State Employees’ Retirement System. Notwithstanding the foregoing, a teacher may, at his option, be eligible for this benefit even if he elects to retire before the first year that he becomes eligible for retirement without penalty. Notwithstanding any provision of this paragraph to the contrary, a teacher with less than twenty (20) years of credited New York State service shall not be considered first eligible for this benefit until he shall have completed twenty (20) years of New York State service, unless he voluntarily chooses to receive the benefit sooner.

§ 6.3 Deferral of payment. A teacher may, at his option, defer any portion of his retirement incentive to be used to pay his share of the health insurance premium levied pursuant to the provisions of § 16.10 of Article 16 of this agreement. If a teacher dies before all deferred moneys have been exhausted, the balance of said moneys will be paid to his surviving spouse or to his estate.

§ 6.4 Resignation in lieu of retirement. (b) If an indebted teacher should leave the District, he will repay the District an amount equal to each day as paid by the District for his per diem salary at the time the sick leave days were borrowed. Repayment is to be deducted from a teacher’s last paycheck or made by cash payment.

(c) If a teacher has borrowed from the sick leave bank and dies, his estate shall not be required to pay back his borrowed days. If a teacher takes a disability retirement, he shall not be required to pay back his borrowed days.

§ 16.8 Confidentiality. All data obtained by the plan administrator with respect to insurance claims shall be considered confidential and shall be released to persons involved or connected with the Plan strictly on a need-to-know basis. Such information shall be utilized for no other purpose than is necessary for the administration of the Plan and the payment of claims. No data with respect to a teacher’s insurance claim shall be released to a third party without the teacher’s express, written consent. No health data obtained by the Plan may be used to discipline or dismiss a teacher.

§ 16.9 Conversion privilege. A teacher who leaves the employment of the District, other than a teacher who retires, or a teacher whose services are terminated shall be offered the right of conversion for health insurance coverage regardless of insurability at the full cost and expense of the teacher. If a teacher or the District is unable to obtain coverage, the teacher may continue to participate in the Plan at his own expense, in which case the District may require proof of rejection of insurance. If a former teacher is offered insurance, including coverage for pre-existing conditions, but chooses not to purchase same, the Plan is not obligated to provide coverage. The Plan will accept responsibility for the coverage of a pre-existing condition until the conversion plan coverage for said condition shall apply. All conversion rights provided teachers will extend to dependents.

§ 16.10 Health insurance upon retirement. The District will pay seventy-five percent (75%) of the cost of the District-sponsored health care program for a teacher who retires, provided the teacher has worked in the District, or the pre-merger districts, for a minimum of ten (10) years, is eligible to receive a pension from the New York State Teachers’ Retirement System and retires. When a retired teacher is eligible for Medicare, the District will reimburse the retiree, and where applicable the retiree’s spouse, for the part B Medicare premium. In no event shall the premium paid by the District plus the part B Medicare reimbursement exceed one hundred percent (100%) of the applicable premium for the health insurance. A teacher hired on or after July 1st, 2000 will not be eligible for the part B Medicare reimbursement hereinbefore described.

§ 16.11 Participation in Plan while on unpaid leave of absence. Except as otherwise required by the provisions of the Family and Medical Leave Act, a teacher who is on an unpaid leave of absence may continue to participate in the Plan by paying the appropriate premium.

§ 16.12 Payment in lieu of coverage.

(a) A teacher eligible for health care coverage who elects not to participate in the Plan shall receive an annual payment of one thousand five hundred dollars ($1,500) in lieu of insurance, provided that the teacher completes a waiver of health care coverage form and supplies the District with proof of health care coverage elsewhere. If eighteen (18) or more teachers select payment in lieu of coverage, the annual payment shall be three thousand dollars ($3,000). Effective July 1st, 2010, the above amounts will be increased to one thousand seven hundred and fifty dollars ($1,750), two thousand two hundred and fifty dollars ($2,250) and three thousand two hundred and fifty dollars ($3,250), respectively.
(b) The payment shall be made at the end of the work year in the form of a voucher, with said payment to be in lieu of insurance.

(c) A teacher who terminates his services before the end of the work year shall have his annual payment prorated.

(d) A teacher who re-enters the Plan once he has elected to receive the annual payment shall have his payment prorated.

(e) Teachers under the same family policy will not be eligible for the payment in lieu of insurance unless they received such payment prior to July 1st, 2009. In such a case, the teacher will continue to be eligible for the payment under this section.

§ 16.13 Dental and optical coverage.

(a) Teachers will have dental and/or optical insurance coverage available to them through payroll deduction. The District will not be responsible for payment of any part of such dental and/or optical insurance premiums. § 16.14 Health insurance eligibility for spouse of deceased employee or retiree. The spouse of a deceased employee or retiree shall be eligible to continue health insurance coverage. The District will pay seventy-five percent (75%) of the cost of the District-sponsored healthcare plan. The spouse may elect to carry either an individual or family plan. The insurance eligibility shall continue until the death of the spouse, the remarriage of the spouse or until the spouse obtains health insurance elsewhere. For those persons who become eligible for this benefit after July 1st, 2009, a maximum length of ten (10) years shall apply.

(g) The LDL program shall not adversely affect the preparation time or workload of the rest of the teachers.

(h) The District will provide someone to operate the transmitting equipment for the teacher transmitting the lesson when requested by the teacher.

ARTICLE 20 — EVALUATION

Sec. 20.1 Purposes

§ 20.1 Purposes. The primary purposes of the evaluation of teachers are for the improvement of instruction and retention or dismissal.

§ 20.2 Procedure.

(a) All observation and monitoring of a teacher's work performance shall be conducted openly with the knowledge of the teacher being evaluated. Neither the public address system nor similar audio or video devices shall be used for monitoring or observation.

(b) Each evaluation shall be based on an observation of the classroom performance of a teacher during which an evaluator is present for the duration of the lesson.

(c) Tenured teachers shall be observed and shall receive a written evaluation at least once per year. Nontenured teachers shall be observed and shall receive a written evaluation at least twice each year; one (1)
evaluation shall be completed during the first three (3) months of a teacher’s work year. All evaluations shall be completed before the end of the first week in June.

(d) A copy of a written evaluation shall be furnished to a teacher being evaluated within five (5) workdays after the observation. Within five (5) workdays after delivery of the written evaluation, a conference will be held between the evaluator and the teacher to discuss the evaluation. The teacher will receive a copy of the completed evaluation signed by both the evaluator and the teacher. A teacher’s signature does not constitute either approval or disapproval of the evaluation.

(e) Evaluations of teachers shall be done by individuals certified in either supervision or administration.

(f) If an evaluator notes that a teacher is deficient in his performance, the teacher will receive additional assistance as provided in the District’s Annual Professional Performance Review Plan.

(g) The District will provide each teacher with an explanation of the standards that will be used to evaluate his performance.

§ 20.3 Professional Growth Plan Option.

(a) The Professional Growth Plan is intended for tenured teachers in the district. Non-tenured teachers can voluntarily choose to participate in a professional growth plan, but will still be required to have formal in-class observations completed by an administrator.

(b) Tenured teachers will have the option to participate in a professional growth plan or to have an annual observation completed by an administrator. Tenured teachers need to determine no later than September 30 of each year if they intend to complete a professional growth plan. This decision needs to be communicated to each teacher’s respective building principal.

(c) A professional growth plan can be an individual project or can be a reasonably sized group of teachers. If a group project is proposed, each teacher will need to determine how the project will impact their personal skills as a teacher.

(d) The following rotation cycle is proposed for teachers. A teacher and administrator can agree to revert back to an observation for a given year if necessary.

Year 1 = Professional Growth Plan
Year 2 = Professional Growth Plan
Year 3 = Classroom Observation

(e) If the administration determines there is an issue with a teacher’s classroom, the administration can require a formal in-class observation be completed. The concern will be discussed among the superintendent, building principal, teacher, and an association representative (if desired by the teacher).

(f) The Professional Growth Plan assessment form and standards are contained in Appendix C.

§ 20.4 Mentoring.

(a) The District shall create positions entitled Teacher Mentor for the purpose of meeting State Education Department directives that first year teachers receive mentoring.

(b) Employees represented by the Association shall fill Teacher Mentor positions on a voluntary basis.
(c) A Teacher Mentor shall receive an annual six hundred dollar ($600) per mentee stipend for the duties performed as a mentor.

**ARTICLE 21 — STAFF DEVELOPMENT AND TRAINING**

| Sec.  | 21.1 Participation | 21.2 Limitation on evaluation | 21.3 Limitations on discipline |

§ 21.1 Participation. As part of the District’s continuing commitment to improve instruction, teachers may be asked to participate in in-service training, including clinical supervision concepts for professional growth. All costs for such training shall be borne by the District. Participation in any of the above activities outside of the teacher workday shall be voluntary.

§ 21.2 Limitation on evaluation. Teachers who participate in training are under no obligation to participate in the evaluation of other teachers.

§ 21.3 Limitations on discipline. Evaluations conducted as a part of training, including the concepts of clinical supervision, observations, materials or procedures will not be used in any teacher discipline or dismissal. A mentor or teacher who assists other teachers using the evaluation process shall not have his opinion sought in any case, including, but not limited to, discipline or dismissal, by any of the parties involved.

**ARTICLE 22 — TRAVEL**

| Sec.  | 22.1 Travel between buildings | 22.2 Mileage allowance |

§ 22.1 Travel between buildings. Teachers who, as a part of their teaching assignment, are required to travel between the two (2) school buildings shall be provided a minimum of thirty (30) minutes travel time per required trip in addition to any other unassigned time provided other teachers. In addition, each such teacher shall be reimbursed for mileage at the approved IRS rate.

§ 22.2 Mileage allowance. Teachers who use their personal vehicles for approved school business shall receive mileage reimbursement at the IRS-approved limit for mileage beyond the round-trip miles from a teacher’s home to his school.

**ARTICLE 23 — ACADEMIC FREEDOM**

| Sec.  | 23.1 Academic freedom assured |

§ 23.1 Academic freedom assured. Academic freedom shall not be circumscribed. Teachers shall, however, comply with the Regulations of the Commissioner of Education.

**ARTICLE 24 — TEACHER-ADMINISTRATION LIAISON COMMITTEE**

| Sec.  | 24.1 Committee established | 24.2 Composition of committee |

§ 24.1 Committee established. A teacher-administration liaison committee shall be established to discuss areas of mutual concern.
§ 24.2 Composition of committee. The members of the committee will be the Superintendent, one (1) other administrator appointed by the Superintendent, the Association president, and one (1) other teacher appointed by the Association president.

ARTICLE 25 — DISMISSAL OF A PROBATIONARY TEACHER

Sec. 25.1 Dismissal for just cause

§ 25.1 Dismissal for just cause. After completing two (2) full years of service in the District, no probationary teacher hired on or after July 1, 2004 will be dismissed except for just cause.

ARTICLE 26 — GRIEVANCE PROCEDURE

Sec. 26.1 Purpose
Sec. 26.5 Stage one
Sec. 26.2 Definitions
Sec. 26.6 Stage two
Sec. 26.3 General provisions
Sec. 26.7 Stage three
Sec. 26.4 Time limits
Sec. 26.8 Arbitration

§ 26.1 Purpose. The purpose of this procedure is to provide for the prompt, fair, and efficient resolution of grievances.

§ 26.2 Definitions.

(a) The term grievance means a claim by any teacher or group of teachers based upon an alleged violation, misinterpretation or unfair application of any of the provisions of this agreement.

(b) The term supervisor means a department chairman, principal, immediate superior, assistant principal, or other administrative or supervisory officer, except for the Superintendent.

(c) The term grievant means the Association or any teacher or group of teachers filing a grievance.

§ 26.3 General provisions.

(a) Except at the informal step of stage one, all grievances filed shall include the name and position of the grievant, the identity of the provision of law, this agreement, policies, etc., involved in a grievance, the time when and the place where the alleged events or conditions constituting the grievance existed, the identity of the party responsible for causing said events or conditions, if known to the grievant, and a general statement of the nature of the grievance and the redress or relief sought.

(b) Except for informal decisions at stage one, all decisions shall be in writing at each stage of the grievance procedure, setting forth findings of fact, conclusions and supporting reasons therefor. Each decision shall be promptly transmitted to the grievant and the Association.

(c) If a grievance affects a group of teachers or appears to the Association to be associated with a system-wide grievance, it may be submitted by the Association at stage two as set forth in §26.6 of this article.

(d) The District and the Association agree to facilitate any investigation which may be required and to make available any and all material and relevant documents, communications and records concerning a grievance.
(e) Except as otherwise provided in subdivision (a) of §26.5 of this article, a grievant and any party in
interest shall have the right at all stages of a grievance to confront and cross-examine all witnesses called
against him, to testify and to call witnesses on his own behalf, and to be furnished with a copy of any minutes
of the proceedings made at each stage of this procedure.

(f) Forms for filing grievances will be jointly developed and agreed to by the Superintendent and
Association.

(g) All documents, communications and records dealing with the processing of a grievance shall be filed
separately from the personnel files of the participants.

(h) A grievant may choose whomever he wishes to represent him at stages one, two and three of this
procedure, except that such representative may not be a representative of a competing employee organization.

(i) The Superintendent shall be responsible for accumulating and maintaining official records and minutes
of grievance hearings at stages two and three. Minutes, if any, will be made available to a grievant at stages
two and three within five (5) days. If a grievant believes the minutes are incorrect, he may rebut the statement
allegedly in error and the rebuttal will be attached to the minutes. The hearing officer shall indicate the
determination made respecting such claimed error.

(j) Grievance records shall not be deemed a public record.

(k) The existence of the procedure herein established shall not be deemed to require any teacher to pursue
the remedies herein provided and shall not, in any manner, impair or limit the right of any teacher to pursue
any other remedies available in any other forum.

(l) If the provisions of stage one of this procedure do not apply to a teacher, he shall have immediate
access to stage two as set forth in §26.6 of this article.

§ 26.4 Time limits.

(a) The time limits specified for either party may be extended only by written mutual agreement.

(b) No written grievance will be entertained as described below, and such grievance will be deemed
waived, unless it is forwarded at the first available stage within thirty (30) school days after the teacher knew or
should have known of the act or conditions on which the grievance is based.

(c) Failure at any stage of the grievance procedure to communicate a decision to a grievant, his
representative and the Association within the specified time limit shall permit the lodging of an appeal at the
next stage of the procedure within the time which would have been allotted had the decision been
communicated by the final day.

(d) In the event a grievance is filed on or after June 1st, upon request by or on behalf of a grievant, the time
limits set forth herein will be prorated so that the grievance procedure may be exhausted before the end of the
school term or as soon thereafter as is possible.

§ 26.5 Stage one.

(a) A teacher having a grievance will discuss it with his supervisor, either directly or through a
representative, with the objective of resolving the matter informally. If a teacher submits a grievance through a
representative, the teacher will be present during the discussion of the grievance unless he is unable to attend
because of illness.
(b) If a grievance is not resolved informally, it shall be reduced to writing and presented to the supervisor. Within five (5) school days after the written grievance is presented to him, the supervisor shall, without any further consultation with the grievant or any party in interest, render a written decision thereon, and present it to the grievant, his representative and the Association.

§ 26.6 Stage two.

(a) If the grievant or the Association is not satisfied with the decision at stage one, a written appeal may be filed with the Superintendent within five (5) school days after receipt of the decision. A copy of the stage-one decision shall be submitted with the appeal.

(b) Within five (5) school days after receipt of an appeal, the Superintendent or his duly authorized representative shall hold a hearing with the grievant, his representative, and all other parties in interest.

(c) The Superintendent shall render a written decision to the grievant, his representative and the Association within five (5) school days after the conclusion of a hearing.

§ 26.7 Stage three.

(a) If the grievant or the Association is not satisfied with the decision at stage two, a written appeal, signed by the Association president or his designee, may be filed with the Board within ten (10) school days after receipt of a stage-two decision. The official grievance record maintained by the Superintendent may be available for the use of the Board.

(b) Within ten (10) school days after receipt of an appeal, the Board shall hold a hearing on the grievance in executive session.

(c) Within ten (10) days after the conclusion of a hearing, the Board shall render a written decision on the grievance. The decision shall be promptly transmitted to the grievant and all parties in interest.

§ 26.8 Arbitration.

(a) If the Association is not satisfied with the decision at stage three, and the Association determines that the grievance is meritorious, it may submit the grievance to arbitration by written notice to the Board, together with a demand for arbitration to the American Arbitration Association, within fifteen (15) school days after receipt of the decision. Both parties shall be bound by the Voluntary Labor Arbitration Rules of the American Arbitration Association.

(b) The selected arbitrator will hear the matter promptly and will issue his decision not later than fourteen (14) calendar days from the date of the close of the hearing, or if oral hearings have been waived, then from the date final statements and proofs are submitted to him. The arbitrator's decision will be in writing and will set forth his findings of fact, reasoning and conclusions on the issues.

(c) The arbitrator shall have no power or authority to make a decision which requires the commission of an act prohibited by law or which is violative of the terms of this agreement.

(d) The decision of the arbitrator shall be final and binding upon all parties.

(e) The costs for the services of the arbitrator will be borne equally by the District and the Association.
ARTICLE 27 – ASSOCIATION PRIVILEGES

Sec. 27.1 Freedom of membership; organizational activities

§ 27.1 Freedom of membership; organizational activities. No interference, coercion, restraint, discrimination, or reprisal of any kind shall be taken against any teacher solely by reason of his membership in the Association or participation in any of its activities unless his participation detracts from his performance or assigned teaching duties.

Sec. 27.2 Use of bulletin boards and mailboxes

§ 27.2 Use of bulletin boards and mailboxes. The Association may use faculty room bulletin boards, teacher mailboxes, and the school mimeograph and photocopy machines.

Sec. 27.3 Association leave days

§ 27.3 Association leave days. The Association will be granted seven (7) leave days per year for the purpose of conducting Association business. The Association president shall provide a general explanation of the use of the requested time.

Sec. 27.4 Copies of agreement

§ 27.4 Copies of agreement. Copies of this agreement shall be reproduced at the expense of the District. Each teacher will be given a copy and the Association shall receive five (5) copies.

ARTICLE 28 — COMMITTEE ON SPECIAL EDUCATION

Sec. 28.1 Posting chairperson position

§ 28.1 Posting chairperson position. The District shall post any vacancy for the Committee of Special Education chairperson in accordance with §18.12 of this agreement.

Sec. 28.2 Compensation

§ 28.2 Compensation.

(a) Should a bargaining unit member be appointed to fill the position, s/he shall be compensated at the rate of fifteen thousand dollars ($15,000) per school year. If co-chairpersons are appointed, the stipend shall be divided equally between the co-chairpersons.

(b) Should co-chairpersons be appointed, the duties of the position shall be divided as follows:

(1) Committee on pre-school and grades K-6 chairperson; and,

(2) Grades 7-12 chairperson.

§ 28.3 Evaluation. The chairperson(s) shall be evaluated annually. The District may, at its discretion, discontinue the services of a chairperson(s) after having conducted sufficient evaluations to support a dismissal.
ARTICLE 29 — SABBATICAL LEAVE

§ 29.1 Sabbatical leave.

(a) The Board of Education will consider and may grant sabbatical leaves of absence for members of professional staff of the Jasper-Troupsburg Central School District upon recommendation of the Superintendent of Schools for such leave. Such leave shall be predicated upon the fact that the professional qualifications and competence of the faculty member and the general welfare of the public schools of Jasper-Troupsburg will be benefited by such leave.

(b) Any professional employee of the Jasper-Troupsburg Central School District who meets the qualifications shall be eligible to apply for sabbatical leave.

§ 29.2 Qualifications.

(a) The applicant must hold New York State Life, Permanent Teacher Certification or Professional Certification.

(b) An employee must have seven (7) consecutive years of satisfactory service in the District. An approved one- (1) year of unpaid leave of absence shall not be deemed to have interrupted the continuity of seven (7) years of service.

(c) A maximum of one (1) member of the staff may be awarded sabbatical leave grants during any school year.

(d) Leaves will be for a duration of one (1) full semester or two (2) consecutive semesters.

(e) An employee who is granted a sabbatical leave must sign a written agreement to return to service in the Jasper-Troupsburg District for one (1) year immediately after leave. Should the employee fail to return to his duties, the provisions of subdivision (b) of §29.6 of this article shall apply.

(f) A sabbatical leave is given to allow a staff member time to engage in activities designed to improve his ability to render educational service. Such improvement is usually achieved by formal study, research and writing, or travel.

(g) Prior to being granted a second sabbatical leave, seven (7) consecutive years of satisfactory service; as defined in subdivision (b) of §29.2 of this article, must have elapsed before a staff member is eligible for an additional leave.

§ 29.3 Applications.

(a) The applicant for a sabbatical leave should include with his application the following:

(1) A description of the program of work or of recognized courses in which the applicant will participate. The applicant must show how this program will benefit his professional qualifications and competence as well as the general welfare of the public schools of Jasper-Troupsburg; and/or,
(2) A description of the research and writing program the applicant will undertake, including a statement indicating its value to the District and how this project will help the applicant become a more effective teacher; and/or,

(3) The proposed itinerary, together with a description of the professional objectives to be gained or sought by such travel, which will have specific application to the District and the applicant’s position in the District; and,

(4) A statement reporting all financial assistance to be received.

(b) All applications must be filed with the Superintendent by March 1st in the year immediately preceding the year during which the leave would begin.

(c) Applicants shall be notified by the Board of Education of its decision relative to the leave requests no later than April 1st in the year immediately preceding the year during which the leave would begin.

(d) A staff member, whose leave application has been granted by the Board, shall confirm his intent to take the leave with the Superintendent by May 1st in the year immediately preceding the year during which the leave would begin.

(e) The final approval of sabbatical leave requests rests with the Board of Education. The parties agree that any decision by the Board to grant or deny a leave is not subject to the grievance procedure as outlined in Article 26 of this Agreement.

(f) A sabbatical leave, once granted, cannot be terminated before the leave’s expiration date, except as otherwise agreed upon by the Superintendent and the Board of Education.

§ 29.4 Compensation while on sabbatical leave.

(a) The compensation for a teacher on sabbatical leave shall be at full salary if the leave is for one (1) semester and at fifty percent (50%) of salary if the leave is for two (2) semesters.

(b) The compensation of a teacher on sabbatical leave will be made on the regular salary schedule in place for active teachers and shall include all regular deductions withheld.

(c) A recipient of a sabbatical leave will keep the Superintendent informed about his address.

(d) Staff members on a sabbatical leave shall be considered as regular employees of the Board of Education. Tenure status shall not be affected by a sabbatical leave.

(e) Because the time spent during a sabbatical leave is deemed to be of present value to the District, such compensation shall be considered as pay for services being rendered.

§ 29.5 Reports to the Superintendent.

(a) The teacher shall immediately request, in writing, approval from the Superintendent for changes in the planned program of the leave as outlined in the leave application.

(b) A report containing such information as will enable the Superintendent to determine that the leave is being used in the proper manner shall be filed at the midpoint of the leave.
(c) A final report shall be filed with the Superintendent within thirty (30) days of the completion of the leave and shall contain the following:

(1) Institution attended;

(2) Courses taken;

(3) Credits received;

(4) Applicant's statement of the benefits achieved or acquired while on leave and how these can be applied to improve the school system;

(5) Experience gained;

(6) Any other reports that the Superintendent shall deem necessary to evaluate the leave.

§ 29.6 Failure to complete requirements.

(a) In the event the Superintendent finds that a teacher is not fulfilling the agreement, the entire sum paid by the Board shall become due for refund to the District and future payments shall cease.

(b) If the teacher completes the program satisfactorily, but does not return to the District as agreed, he shall repay the District within one (1) year the entire sum received by him during the leave. The Board will waive this condition if the teacher becomes incapacitated and cannot work.

§ 29.7 Return to service. Upon expiration of the leave, the teacher shall be restored to his position prior to the leave, or to a position of like nature.
