VIII. GRIEVANCE PROCEDURE

1. INTRODUCTION

Personnel in the Massapequa Public Schools may have personal and professional problems that cannot always be solved by an individual employee or by his associates. An employee, under certain conditions, may feel the need for help with his problem from some person in the school system who can offer him guidance and counsel and who can assist him in solving his problem wisely and expeditiously. The Massapequa Board of Education and the School Administration are anxious to give this type of service to all personnel.

Problems that cannot be adjusted by the individual employee should be accorded fair and prompt treatment by the proper authorities. This procedure is outlined in order that these problems may be handled in an efficient and just manner and that all may be informed of the procedure to be followed.

2. THE LEGAL FRAMEWORK
The 1962 New York State Legislature took the first step to insure the carrying out of the basic principles of grievance procedures by amending the General Municipal Law with the addition to Article 16, selected parts of which are quoted as follows:

Declaration of policy. In order to establish a more harmonious and cooperative relationship between government and its public employees, it is hereby declared to be the purpose of this article to provide by law for the settlement of certain differences between public employees and their employers through procedures under which employees may present grievances, free from coercion, interference, restraint, discrimination or reprisal.

A. “Government” or “employer” shall mean any county, city, town, village, school district or other political subdivision in this state having one hundred or more full time employees, except the City of New York.

B. “Grievances” shall mean any claimed violation, misinterpretation or inequitable application of the existing laws, rules, procedures, regulations, administrative orders or work rules of the government or a department agency thereof, which relate to or involve employee health or safety, physical facilities, materials or equipment furnished to employees or supervision of employees; provided, however, that such term shall not include any matter involving an employee’s rate of compensation, retirement benefits, disciplinary procedure or any matter which is otherwise able to be reviewed pursuant to law or any rule or regulation having the force and effect of law.

C. It shall be the responsibility of the head of each department or agency of government to take such steps as may be necessary to give effect to the provisions of this article.

3. PROCEDURE FOR THE ADJUSTMENT OF A GRIEVANCE

STEP I – The first procedural stage shall consist of the employee’s presentation of his/her grievance to his/her immediate supervisor for discussion and informal resolution of the problem. The immediate supervisor in the Massapequa School District shall be the Supervisor of the School Lunch Program and/or the building Principal. The grievant must proceed to this stage within thirty (30) days after he/she knew or should have known of the facts and circumstances from which the grievance allegedly emanates, or the grievance must be deemed waived. The Supervisor of the School Lunch Program and/or building Principal shall reply in writing within a period not to exceed ten (10) days.

STEP II – The second procedural stage shall consist of a request by the aggrieved employee for a review and determination of his grievance by the head of the department or his designee. Here the aggrieved employee and his immediate supervisor must submit to such head or his designee written statements relating to the matter; an informal hearing is held at which the employee and his representative may appear and may present oral and written statements. The grievant must proceed to this stage within ten (10) days after he/she receives the decision at STEP I. The definition of the head of the department shall be the Assistant Superintendent for
Business in charge of all Civil Service personnel. The designee shall reply in writing within a period not to exceed ten (10) working days.

STEP III – The third stage will be an appeal from that determination to a public employee grievance board consisting of three (3) members, appointed by the Superintendent of Schools, who will serve at his pleasure. The grievant is required to proceed to this stage within ten (10) days after receiving the decision at STEP II. A hearing will be held and the employee has the right to be represented. The grievance board will render a report within ten (10) days containing a statement of the findings of fact, conclusions, and advisory recommendations to the Superintendent of Schools.

The Superintendent or his designee shall reply in writing within a period of not to exceed five (5) working days.

The failure of the grievant to strictly comply with the time periods delineated above shall be deemed a waiver of the grievance and/or an acceptance of the decision rendered at any stage of the procedure.

IX. PROMOTIONS

All openings for promotional positions paying higher salary differentials shall be adequately publicized in every school on bulletin boards.

X. LABOR MANAGEMENT LIAISON

The Assistant Superintendent for Business or his representative and up to three representatives of the Association shall meet at mutually agreed upon times during the year to consult informally on matters of district wide concern to the personnel covered by this agreement and to facilitate the implementation of this agreement.

XI. GENERAL

1. Copies of this agreement shall be reproduced by the Board and a copy furnished to each employee.

2. The parties recognize that this agreement has been entered into pursuant to the Public Employees’ Fair Employment Act. If any provision of this agreement or any application of the agreement to any employee or group of employees shall be found contrary to law, then such provision or application shall not be deemed to be valid and subsisting, except to the extent permitted by law, but all other provisions or applications will continue in full force and effect.

3. This agreement shall supersede any existing Board policy where the same is in conflict with any provisions of this agreement. With respect to matters affecting terms and conditions of employment not covered by this agreement the Board that it will make no changes in clearly defined policies without appropriate prior consultation with the Association.
4. This agreement shall commence as of July 1, 2006 and be effective through June 30, 2010. The parties agree that all negotiable items have been discussed through negotiations leading to this agreement and therefore agree that negotiations will not be re-opened on any item whether contained herein or not during the life of this agreement. If the School Lunch Program is eliminated, or its operation contracted out to a third party, then this agreement shall be null and void and have no further force and effect.

5. So long as the Association is the exclusive bargaining agent as aforesaid, the Association agrees to comply with the provisions of the Taylor Law prohibiting strikes as said law is now in effect or may hereafter be amended.

6. IT IS AGREED BY AND BETWEEN THE PARTIES THAT ANY PROVISION OF THIS AGREEMENT REQUIRING LEGISLATIVE ACTION TO PERMIT ITS IMPLEMENTATION BY AMENDMENT OF LAW OR BY PROVIDING THE ADDITIONAL FUNDS THEREFORE, SHALL NOT BECOME EFFECTIVE UNTIL THE APPROPRIATE LEGISLATIVE BODY HAS GIVEN APPROVAL.

7. The Superintendent or his/her designee shall designate one day during the District’s fiscal year (July 1 through June 30) as a recognition day for members of the School Lunch Personnel Unit. During such recognition day, the District, at its sole cost and expense, shall provide members of this unit with a reception at which a meal will be provided members of this unit with a reception at which a meal will be provided at the District’s sole cost and expense in celebration of such recognition day.
