(C) The maximum number of usable days from the Sick Bank may not exceed two hundred (200) days in any school year. By September of each school year, each member of the Bank will be notified by the Association of the number of days he/she must contribute to maintain membership for that year. These days will be in multiples of one-half (1/2) day. For ease of accounting, fifty (50) days beyond the two hundred (200) day usability level per year may be on deposit. However, these days cannot be utilized once the two hundred (200) usable day level is reached. It will be the responsibility of the Association to explain the working of the Sick Leave Bank to the employees and to determine each year the number of sick days to be contributed to the Bank and to determine from which employees these contributions shall be made.

(D) If an employee in the unit fails to become a member at the first opportunity outlined above or withdraws from the Sick Leave Bank, that employee shall not be eligible to join or rejoin. Notice of withdrawal by the employee for any year shall be given to the Association President by September 10th of any school year.

(F) The maximum number of days which a member may draw from the Bank in each school year shall be one hundred (100) days, provided there is a Bank balance of usable days to allow this.

(G) A member of the Bank will be granted the use of sick days on the condition that the member exhausted all of his/her current and accumulated sick days and that the sick days are to be used for personal illness and that such illness must have continued for at least five (5) school days after the employee’s own sick days have been exhausted. Claims for use of the Sick Leave Bank are to be presented to the District by the Association and, if more than one claim is made and there is not an available number of usable sick days on deposit to cover these claims, it is the responsibility of the Association to determine which claim or claims should be honored up to the limit of the usable number of sick days. A claim must be accompanied by a physician’s statement at the time the claim is submitted to the Association.

Notification should be given three (3) school days in advance, whenever possible.

Any employee who voluntarily wishes to forego coverage by the District may do so annually. The individual electing to opt out of his or her medical coverage will be reimbursed fifteen percent (15%) of the premium or $500, whichever is greater, per year if single coverage and ten percent (10%) of the premium or $750, whichever is greater, per year if family coverage. If two faculty members are married to each other and have children, the District shall be required to provide family coverage under the foregoing plans to only one of them (i.e., the one designated in a statement signed by both of them). However, if two faculty members are married to each other and do not have children, neither shall be entitled to a family plan, but each shall be entitled to a single plan.

411.17 Flexible Benefit Plan
The District will adopt a Flexible Spending Plan in accordance with the following conditions:

(1) Plan years shall be from October 1 through September 30.

(2) The Association shall assume the start up costs and the District will assume the annual per employee participation costs.

(3) The plan shall become effective as soon as legally and administratively possible after the Board of Education has approved the plan document.

(4) The plan shall be administered by P & A Administrative Services, Inc. The employees may utilize the plan in accordance with IRS rules for:

(A) Accident and health plans including medical or health insurance, reimbursement for medical, dental or optical expenses.

(B) Group Term Life Insurance.

(C) Dependent care assistance.

411.2 Workers Compensation. New York school employees, including instructional employees, are covered by New York Workers' Compensation Laws. Instructional employees are insured at school or away from school when engaged in bona fide work for the Board of Education.

411.21 Claims. Any employee injured while covered by Workers' Compensation must file a claim with the Clerk of the Board immediately. "Immediately" is defined as meaning the same day as the injury. In case of serious injury, the claim must be filed as soon as it is practical to do so.

411.22 Compensation. Instructional employees may be compensated under Workers' Compensation for medical bills and a portion of their salary which is lost as a result of such injury.

411.23 Sick Days During. The employee who files a claim under Workers' Compensation Insurance, and is absent from work in connection with the claim, will be paid an amount equal to the difference between the amount paid
by Workers' Compensation and the daily salary of the employee, by the Board of Education, for all sick days credited to the employee used in connection with this loss of work. When the employee has used all accumulated sick leave according to Board policy, the employee will receive only the amount paid by Workers' Compensation Insurance.

411.3 Credit Union. The District will provide payroll deduction service for employees who are participants in the Southeastern Chautauqua County School Employees' Federal Credit Union.

411.4 Admission to Athletic Events. District Employees and their spouse shall be admitted to all home school athletic events free of charge.

411.5 Pay Periods. Employees shall be paid every other Friday. An employee may elect to be paid in twenty-six (26) paychecks on notice to the central office. When an employee elects the twenty-six (26) period option, he will receive his final checks on the last day of the school year.

411.6 Dues Deduction. The Board of Education of Pine Valley Central School District agrees to deduction from the salaries of its employees unified dues for the Pine Valley Teachers' Association, as said employees individually and voluntarily authorize the Board to deduct and to transmit the monies promptly to the Pine Valley Teachers' Association in one check per pay period. Employee authorization shall be on forms provided by the Pine Valley Teachers' Association.

411.61 Amount. Each of the associations named above shall certify to the Pine Valley Teachers' Association, and the Pine Valley Teachers' Association shall certify to the Board of Education, in writing, the current rate of the Pine Valley Teachers' Association membership dues. Any association which shall change the rate of its membership dues shall give the Board thirty (30) days' notice prior to the effective date of such change.

411.62 Procedure. Deductions referred to above shall be made in the following manner: The total annual membership dues for those designated professional associations mentioned above, shall be deducted in equal installments beginning with the first paycheck in October. No later than two (2) weeks prior to the first scheduled paycheck in October, the Association shall: (1) provide the Board with a list and the original signed dues authorization cards of those employees who have voluntarily authorized the Board to deduct dues for the associations named above; and (2) forward at the same time to the respective associations a list of the members and their addresses who have elected payroll deduction for such associations. Deductions for any employee for whom an authorization card is filed after the above date will begin with the next pay day provided the card is filed with the Business Office at least two (2) weeks prior to said pay day.

411.63 Transmission to P.V.T.A. The Board of Education shall, following each pay period from which a dues deduction is made, transmit the amount as deducted to the Pine Valley Teachers' Association for distribution to the organization for which deductions have been made. The first and final transmittal shall be accompanied by a listing of the members for whom deductions have been made and the amount deducted from each member.

411.64 Withdrawal of Authorization. An employee may withdraw his authorization at any time by written notice submitted by the Pine Valley Teachers' Association to the Board of Education at least two (2) weeks prior to the effective pay date.
411.7 Agency Fee and Other Deductions

411.71 Amount. The agency fee, in an annual amount as determined by the Association, shall be paid to the Association by each employee in the instructional unit covered by this Agreement.

411.72 Deduction to District. Unless the employee pays the annual fee in full to the Association by September 10 in the school year, the District will deduct the agency fee from the employee’s salary in equal installments beginning with the first paycheck in October. No later than two (2) weeks prior to the first scheduled paycheck in October, the Association shall provide the Business Office with:

(1) A list of those employees from whom agency fee deductions shall be made; and

(2) The name and address to which the monies are to be sent. Agency fee deductions for any person hired after September 10 for a position in the instructional unit will begin the next pay day, if the Association furnishes the Business Office with written notice of the person’s name at least two (2) weeks prior to said pay day.

411.8 VOTE/COPE Deductions. The District shall deduct from the employee’s regular paychecks such VOTE/COPE contributions as may be authorized in writing by the employee. The authorization cards used for VOTE/COPE deductions shall be supplied by the Association.

411.9 NYSUT Benefit Trust. The District shall check-off and remit payments to the NYSUT Benefit Trust upon submission of a signed authorization to the payroll office for anyone within the Bargaining Unit. Such signed authorization may be discontinued at the end of its term upon written notice by the Employee to the Employer. The Employer shall remit to the NYSUT Benefit Trust the payments deducted and shall furnish the Plan and the bargaining agent with a list of all employees from whose salaries such deductions have been made.

411.10 Hold Harmless Clause. The Association will indemnify and hold the District harmless against any and all suits, claims and liabilities that shall arise out of, or by reason of, any action taken or not taken, in complying with Sections 411.7, 411.8 and/or 411.9.

412.0 SALARY

The parties hereto recognize that the existence of a formal salary structure can encourage experienced employees to remain with the District, provide an incentive for advanced graduate study, and furnish teachers with a basis for future salary growth. The parties agree that these benefits may be lost if changes in the salary structure are implemented which should delete the concept of incremental advancement through the structure. Nevertheless, recognizing that salaries are a subject for collective negotiations, the parties agree that movement on the structure from one step to the next is not automatic after the expiration of this Agreement; but, will only occur following the finalization of a successor agreement.

412.1 Compensation.

412.11 Teachers: Effective July 1, 2008, teachers with a BA/BS degree, on Steps 1 through 22, shall be compensated in accordance with the salary schedule set forth in Appendix B. Effective July 1, 2010, teachers with a BA/BS degree, on Steps 1 through 22, shall be compensated in accordance with the salary schedules set forth in Appendix D. The percentage increases on the total pot of money are as follows: 2008-2009, 4.5 percent; 2009-2010, 4.06 percent; 2010-2011, 4.14 percent.
412.12 Teaching Assistants: Teaching assistants shall be compensated in accordance with the salary schedule set forth in Appendix E for 2008-2011.

412.2 Certification. The obligation of producing evidence of valid New York certification (both provisional and permanent) is the teacher’s, and documentation must be presented to the Superintendent’s Office by September 30 of the Salary Year.

412.21 Copy of. If the certificate is in the possession of the instructional employee, said certificate will be copied and be acceptable evidence.

412.22 Other Evidence of. If the certificate is not in possession of the instructional employee because it has not been received from Albany, the fee receipt, with canceled check or money order stub, will be copied and be acceptable.

412.3 Terminal Credit Days Allowance Increment (TCDAI)

Instructional employees who have twenty (20) years of continuous service in the Pine Valley School District will be eligible for a TCDAI. The TCDAI will be the employee’s accumulated sick days, with a maximum allowance of two hundred sixty (260) credit days. The credited days will be multiplied one three hundred seventy-second (1/372) times the annual salary. The maximum TCDAI shall not exceed forty-five thousand ($45,000) dollars for any employee.

412.31 Payment—Age 50. Terminal credit day allowance increment shall be paid over a five (5) year period commencing the September 1 immediately following the instructional employee’s fiftieth (50th) birthday. Payments will be made for an equal number of days annually, with an adjustment made to the fifth (5th) year’s payment to pay for days accrued during the first four (4) years, up to the maximum allowable number of days.

412.32 Payment—Age 62. Instructional employees who are not eligible for retirement until age sixty-two (62) may elect to receive the TCDAI to be paid over the last five (5) years of service to the District.

412.33 Payment—Prior to Age 50. Instructional employees who may wish to terminate their service prior to age fifty (50), will receive the maximum allowable TCDAI in a lump sum to be prorated equally over the final year’s salary. The employee must submit a letter of resignation on or before April 1 preceding the school year in which the TCDAI shall be applied.

412.34 Deducted from Sick Leave. Terminal credit days allowed for the TCDAI will be deducted from accumulated sick leave. The employee will continue to accrue sick leave during the period in which the TCDAI is paid.

412.35 Continued Accumulation of Sick Days. Additionally, sick days accumulated during the first four (4) years as determined on June 30 of the fourth year of the five (5) year payout period shall be utilized in accordance with the 412.4 formula and prorated equally over the fifth (5th) year’s salary. Notwithstanding any of the foregoing, the number of credit days utilized over the five (5) year period cannot exceed two hundred sixty (260), nor can the amount of money expended exceed forty-five thousand ($45,000) dollars for any employee.

412.36 Waiting Period. If the instructional employee is absent for illness in excess of remaining sick leave accumulated, there will be a waiting period of school days equal to the allowance of terminal credit days before Section 409.39 applies.

412.37 Eligibility. Instructional employees appointed subsequent to June 30, 1993, shall not be eligible for the TCDAI.
412.38 Exceptions. Any situations which may occur, which either party believes to be an exception to, or not addressed by, 412.4-412.48 shall be subject to negotiations between the District and Association as the situations arise.

412.4 Extracurricular Assignment. Some of the instructional employee assignments call for time and responsibility over and above the normal teaching assignment.

Extra-curricular responsibilities listed in 412.41 of this agreement shall be assigned on a voluntary basis only. If a member of the Association volunteers to accept such a position, he or she shall have the benefit of being appointed to said position pursuant to the terms of this Agreement. However, if no bargaining unit member applies for the position, the administration may appoint an individual from outside the bargaining unit. Such an appointment shall be valid for not more than one (1) school year, after which time the position will be reposted for the upcoming school year. If a person outside the unit is thus appointed, the position will be re-posted as a vacancy after such person resigns, or at the end of the school year of his or her appointment whichever occurs earlier. The Association will encourage its members to accept these positions so that the District will be assured of adequate personnel to supervise these activities.

418.0 GRIEVANCE PROCEDURE

418.1 General Matters

418.11 Purpose. The purpose of this procedure is to secure at the lowest practicable level solutions to grievances which may from time to time arise. The handling of grievances at each level below Step 4 shall be kept as informal as practicable.

418.12 "Grievance Defined." A “grievance” is a claim that a specific provision or provisions of this Agreement has been violated or misinterpreted.

418.13 Time Limits. Time limits set forth in the procedure shall be strictly adhered to by all parties and persons. Any grievance not initiated or taken to the next step within these time limits will be considered settled on the basis of the last answer by the District. Time limits may be extended by mutual agreement of the District and the grievant, or his representative, if any, which agreement shall be in writing and signed by the grievant, or his representative, if any, and the District. Consent to an extension shall not be unreasonably withheld.

418.14 Participating. Participation by any person or party in the handling of a grievance shall be free from interference, coercion, restraint, discrimination or reprisal.

418.15 Representation. A grievant may represent himself at any level of the grievance procedure or he may be represented by an Association representative provided that representation by legal counsel, or Association representative not employed by the District shall be limited to Steps 2, 3 and 4. Nothing contained in this paragraph shall be construed as limiting the right of a grievant to have his grievance adjusted informally without the intervention of the Association, or any representative. However, if an individual settles or withdraws a grievance, this shall not constitute a binding precedent on the Association or the District. When a grievant represents himself at Step 3, an Association representative shall have the right to be present as an observer at such level.

418.2 Procedure

418.21 Step 1-A. Oral Level - The grievant shall orally present his grievance to his principal in an attempt to informally resolve it provided he does so within twenty-five (25) school days of the date of the occurrence out of which the grievance arose. He shall state to the principal that the discussion constitutes a grievance. If a grievance involves a substantial number of employees, it may be submitted directly to Step 2 within the same time limit. The principal shall orally answer the grievance not later than the fourth (4th) school day after the day the grievance was orally presented to him.

Step 1-B. Written Level - If the grievance is not resolved informally at Step 1-A, the grievant may present a written grievance to his principal on the form set forth in Appendix A, provided he does so within three (3) school days of the date of the answer at Step 1-A. The principal shall present the grievant with a written answer to the grievance not later than the fourth (4th) school day after the day the written grievance was presented to him.

418.22 Step 2. Written Level - If the grievant is not satisfied with the answer at Step 1-B, he may present a written appeal to the Superintendent, providing he does so within five (5) school days of the date the principal's answer was presented to him. The Superintendent will meet with the grievant and his representative, if any, not later than the fifth (5th) school day after the day on which the
written grievance was presented to him. Not later than the seventh (7th) school
day after the day on which the meeting takes place, the Superintendent shall
present the grievant and his representative, if any, his written decision on the
grievance.

418.23 Step 3. Board of Education Level - If the grievant is not satisfied with the
answer at Step 2, the grievant, individually or through his representative, if
any, may file an appeal in writing with the Clerk of the Board of Education,
providing he does so not later than the fifth (5th) school day after the day on
which the decision was presented at Step 2. A copy of the written grievance
and decision at Step 2 must be attached to the appeal at this step. The Board,
or one or more members of the Board designated by the Board President, shall
meet with the grievant, his representative, if any, and the Superintendent or his
delegate to discuss the grievance not later than the fifteenth (15th) school day
after the Board President receives the request. If the grievant is unable to
attend the meeting, it will be postponed until such time as the grievant is
available or, in cases of extreme difficulty, the Board President may waive this
requirement. Not later than the tenth (10th) school day after the day on which
that meeting is held, the Board shall present to the grievant, his representative,
if any, and the Superintendent, its decision on the grievance.

418.24 Step 4. Arbitration - If the Association is not satisfied with the decision at Step
3, it may submit the grievance to arbitration not later than the tenth (10th)
school day after the decision is presented at Step 3.

To submit such a grievance to arbitration, the Association shall send a letter to
the American Arbitration Association (AAA) and a copy to the Superintendent.
The letter shall specifically identify the grievance to be submitted and shall
request the AAA to send to the Association and to the Superintendent a list of
fifteen (15) names of arbitrators.

Within ten (10) school days of the day on which it receives its copy of the list,
each party will return its copy to the AAA, with all names which are
unacceptable to it crossed off and the remaining names numbered in order of
the party’s preference. If the AAA determines that no mutually acceptable
arbitrator has been elected by the parties, the AAA shall send to each party a
second list of fifteen (15) names and the foregoing procedure will be followed
with respect to that list.

If the AAA determines that no mutually-acceptable arbitrator has been selected
by the parties from the second list, the AAA will name the arbitrator.

No more than one grievance (including multiple issues raised therein) may be
appealed to a single arbitration proceeding, unless the parties expressly agree in
writing to the appeal of more than one grievance.

The arbitrator’s decision shall be final and binding upon all parties and
employees.

The arbitrator shall have no power or authority to add to, subtract from, or
modify any of the terms of this Agreement or to make any decision which
requires the commission of an act prohibited by law or which is violative of the
terms of this Agreement.

One half (1/2) the fees and expenses of the arbitrator shall be paid by the
District and one half (1/2) by the Association. All other expenses incident to
the arbitration, including compensation of witnesses, shall be paid by the party
that incurred them.

At the time an employee reviews material, he will be asked to sign it; but the employee’s signature in no way is to be construed as agreement with the content of the material. 421.4 Review of File.
