ASSOCIATION BUSINESS

A. Release Time for President

The Association President will be released from his/her supervisory/non-instructional assignments an average of thirty (30) minutes per day to handle association business.

B. Association Meetings

The Association will be given one (1) hour of each of three (3) Superintendent Conference Days to meet as an entire Association to deal with Association business and matters of professional responsibility. The Association will give the Superintendent two (2) weeks notice if it does not intend to use the one (1) hour.

GRIEVANCE PROCEDURE

A. Definitions

1. A "grievance" is a claim based upon an event or condition which affects the terms and conditions of employment of a Unit Member or group of Unit Members and/or interpretation, meaning, or application of any of the provisions of the Agreement.

2. An "aggrieved person" is the person or persons making the claim.

3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems that may arise affecting the working conditions of Unit Members. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing herein contained shall be construed as limiting the right of any individual Unit Member having a grievance to discuss the matter informally with appropriate members of the administration and having the grievance adjusted without intervention of the Association. In any case where the issue raised by the grievance effects a group of Unit Members and involves the interpretation, meaning, or application of this Agreement, the Association shall be notified by the Unit Member or Unit Members of the grievance and be given the opportunity to be present at such adjustment and to state its views.

C. Procedures -- Hearing of Grievances

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a grievant or party in interest, the time limits set forth herein will be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

3. If a Unit Member does not present a grievance to his/her Principal or immediate Supervisor with copy to Professional Rights and Responsibilities Committee within thirty (30) school days after the Unit Member knew or should have known of the act or condition on which the grievance is based, then the grievance shall be abandoned. If a grievance is not processed through the levels of this procedure within the time limits specified, therefore, then it shall be deemed abandoned.

4. A committee composed of no more than four (4) representatives per side will review any potential grievance pertaining to General Information, Subsection G or H before such grievance can be filed. Such review shall not void the processing of grievances due to timeliness.

D. Procedure -- Stages

1. Level One -- A Unit Member with a grievance will first discuss it with his/her immediate Supervisor either directly or through the Association's Building Representative, or through some other person as provided in Section E, Paragraph 2 of this Article, with the objective of resolving the matter informally. The Unit Member shall state the purpose of this meeting is to present a Level One grievance.

2. Level Two --

a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level One, or if a decision has not been rendered within ten (10) school days after presentation of the grievance, he/she may file the grievance in writing with the Chairperson of the PR&R Committee within five (5) school days after the decision at Level One, or fifteen (15) school days after the grievance was
presented, whichever is sooner. Within five (5) school days after receiving the written grievance, the Chairperson of the PR&R Committee will refer it to the Superintendent of Schools.

b. Within ten (10) school days after the receipt of the written grievance by the Superintendent of Schools, the Superintendent of Schools will meet the aggrieved person in an effort to resolve it.

3. Level Three --

a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Two, or if no decision has been rendered within ten (10) school days after he/she has first met with the Superintendent of Schools and the grievance involves a question concerning the interpretation or meaning of the Agreement, he/she may file the grievance in writing with the Chairperson of the PR&R Committee within five (5) school days after a decision by the Superintendent of Schools or fifteen (15) school days after he/she has first met with the Superintendent of Schools, whichever is sooner. Within fifteen (15) school days after receiving the written grievance, the PR&R Committee may refer it to the Board if it determines that the grievance is meritorious and that appealing it is in the best interest of the Unit Member. Within fifteen (15) school days after receiving the written grievance, or such longer time as may be mutually agreed upon, the Board will meet with the aggrieved person for the purpose of resolving the grievance.

4. Level Four --

a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Level Three, or if no decision has been rendered within fifteen (15) school days after he/she has first met with the Board or its designated committee, he/she may, within five (5) school days after a decision by the Board or twenty (20) school days after he/she first met with the Board or its designated Committee, whichever is sooner, request in writing that the Chairperson of the PR&R Committee submit his grievance to arbitration. If the PR&R Committee determines that the grievance is meritorious and that submitting it to arbitration is in the best interest of the Unit Member, it may submit the grievance to arbitration within fifteen (15) school days after receipt of a request by the aggrieved person by notifying the Board to that effect.

b. Within fifteen (15) school days after such written notice of submission to arbitration, the Board and the PR&R Committee agree to submit the grievance for arbitration to the American Arbitration Association, and all hearings will be conducted under the rules of the American Arbitration Association.

c. The Arbitrator so selected will confer with representatives of the Board and the PR&R Committee and hold hearings promptly in Seneca County, unless both parties mutually agree to meet elsewhere, and will issue a decision no later than twenty (20) days from the date of the close of the hearings or, if oral hearings have been waived, then from the date the final statements and proofs are submitted. The decisions of the Arbitrator will be in writing and will set forth the findings of fact, reasoning and conclusions on the issues submitted. The
Arbitrator will be without power or authority to make any decision that requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The decision of the determination of the grievance by the Arbitrator will be final and binding on both parties. However, such decision shall be reviewable upon appeal to any court of competent jurisdiction.

d. The costs for the services of the Arbitrator, including per diem expenses, if any, and actual and necessary travel and subsistence expenses, will be borne equally by the School District and the Association, provided the grievance has been approved at the third level by the PR&R Committee.

E. Rights of Unit Members to Representation

1. No party in interest, Building Representative, member of the PR&R Committee or any other participant in a grievance procedure shall be penalized in any way or suffer any professional disadvantage by reason of participation in the processing of any grievance.

2. Any party in interest may be represented at all stages of the grievance procedure by a person or organization of his own choosing.

F. Miscellaneous

1. If, in the judgment of the PR&R Committee, a grievance affects a group of Unit Members, the PR&R Committee may submit such grievance in writing to the Superintendent of Schools directly and the processing of such grievance will be commenced at Level Two. In such a group grievance, the PR&R Committee shall have the same status as a grievant.

2. Decisions rendered at Levels Two and Three of the grievance procedure shall be, in writing, setting forth the decision and the reasons therefore and shall be transmitted promptly to all parties in interest and to the Chairperson of the PR&R Committee. Decisions rendered at Level Four will be in accordance with the procedures set forth in Paragraph D, Subdivision 4(c).

3. If both parties agree, then they may request an expedited arbitration process. This clause is not subject to arbitration.

4. All documents, communications, and records dealing with the processing of a grievance will be filed separately from the personnel files of the participants.

5. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents will be jointly prepared by the School District and the Association and given appropriate distribution so as to facilitate operation of the grievance procedures.
TEACHER / ADMINISTRATION LIAISON

The Association shall select a Building Representative for each school building who shall meet with the Principal as deemed necessary by either party during the school year to review and discuss local school problems and practices. Any such meeting may be canceled or adjourned by mutual consent. All meetings shall be scheduled after working hours. The President of the Association shall notify each Building Principal in writing the name of the Building Representative so selected.

   2. The Building Representative shall be provided ten (10) minutes time at all faculty meetings, if requested, to report on matters involving representation of the Unit Members by the Association.

Such meetings may be canceled or adjourned by mutual consent. All meetings shall be scheduled after working hours. The President of the Association shall notify the Superintendent of Schools in writing the names of members selected for the PR&R Committee.

NEWLY EMPLOYED PERSONNEL, VOLUNTARY TRANSFERS & REASSIGNMENTS

A. Notice of assignments for all newly employed personnel of their specific positions shall be given as soon after appointment as practicable. Assignments shall be within the tenure area for which the teacher has been appointed by the Board. It is understood that the foregoing does not preclude an assignment outside of the teacher's area of certification as defined by education law.

B. Unit Members who desire a change in grade and/or subject assignment or who desire to transfer to another building may inquire at any time to ascertain the possibility of such a vacancy in the following year and shall file a written statement of such desire with the Superintendent of Schools and Building Principal involved, ordinarily no later than February 1. Such statement will be valid for twelve months and shall include the grade and/or subject to which the Unit Member desires to be transferred, in order of preference. Whenever such Administrator knows of a vacancy, he/she will notify the Unit Member who has filed an application for such position as promptly as possible. As soon as practicable, but no more than ten (10) working days after the appointment, each applicant shall be notified as to whom was appointed to such position.

C. In the determination of requests for voluntary reassignment and/or transfer, the wishes of the individual Unit Member will be honored to the extent that they do not conflict with the instructional requirements and best interests of the school system. The determination as to which Unit Member is to receive the appointment shall be made on the basis of sound educational policy. Moving from one tenure area to another is not considered a transfer. Making such a move is considered a new appointment subject to existing contract language and State Education Law.
D. If available, the administrator and department chairperson under whom the applicant will be directly working must be present at the time of the interview or consulted prior to the hiring of the applicant. The role of the department chairperson is advisory.

**IN Voluntary Transfers AND ReASSIGNMENTS**

In the event that a Unit Member objects to the transfer or reassignment at this meeting, upon the request of the Unit Member, he/she may meet with the Superintendent of Schools. If still unsatisfied, he/she may request the Association to arrange a meeting between the Association's representative and the Superintendent of Schools to discuss the matter.

C. A Unit Member being involuntarily transferred shall be notified of the positions available in the Unit Member's tenure area. Such Unit Member may request the positions, in order of preference, to which the Unit Member desires to be transferred. The Unit Member's preference will be one of the factors considered in making the transfer.

D. Transfers shall not be made for the purpose of discrimination of discipline of any Unit Member.

**Vacancies AND promotions**

A. 1. The Superintendent of Schools shall mail to each Building Representative notification of all vacancies for positions in the Waterloo Central School District as enumerated in the Recognition Agreement, including extra-curricular and co-curricular positions clearly setting forth a description and qualifications for the position including duties and salary. The District shall post all paid chaperone positions.

2. When school is in session such notice shall be posted (mailed to Building Representatives) as far in advance as practicable, ordinarily at least five (5) days.

Notice of regular meetings shall be at least two (2) working days prior to the day of the meeting.

2. In addition to the foregoing, up to four (4) evening meetings may be scheduled for such purposes as open house, curriculum night, and parent conferences.

If a Unit Member feels he/she does not have sufficient stations or facilities or a reasonable workload, a conference will be held between the administrator in charge and the Unit Member, and an effort shall be made to correct the situation. In the event the Unit Member is not satisfied with the results of the conference and/or attempts to correct the situation, the Unit Member shall have the right to use other provisions of this agreement.
OBSERVATION & EVALUATION

A. The chief purpose of the evaluation of the teaching staff shall be to maintain a highly qualified competent staff, to promote continuing development of the teaching staff and to further the respect and cooperation between teacher and student and teacher and administrator. For the purposes of observation and evaluation, the term year is defined as beginning with effective date of probationary appointment.

Persons designated by the Superintendent (Building Principals, Assistant Principals, [Director of Physical Education, Athletic Director] holding an appropriate administrator's certificate and evaluating coaching staff only, Chairperson of the Committee on Special Education holding an appropriate administrator's certificate and/or Assistant Superintendent for Instruction) to evaluate personnel are expected to submit written supervisory observations and evaluation reports made throughout each school year indicating constructive involvement of all parties. Copies of observation and evaluation reports are to be signed and distributed to all parties, with the original copy to be filed in the office of the Superintendent of Schools.

The criteria to be used by administrative personnel in the evaluation of unit members shall be given to each unit member in writing no later than October 1 of each academic year, per the content of the Professional Performance Review Plan.

B. The observation and evaluation process, for probationary unit members and tenured members opting for a formal observation, shall include a pre-observation conference, the observation, a post-observation conference, and written report of the observation. For tenured members selecting an Alternative Option for their evaluation, the Alternative Option form must be completed by June 15th prior to the school year that the Alternative Option will be implemented. Unit members may revise their option by Friday of the first full week of the school year in which the option will be implemented.

1. A post-observation conference will be held between the Unit Member and the administrator within five (5) days of the observation. If the administrator observed more than one time from a unit plan, in which no observation time was less than 20 minutes, the post-observation conference will be held five (5) days after the last observation segment unless the administrator deemed it imperative to discuss prior to the completion of the total time observed. At the conclusion of this post-observation conference, the administrator shall write a synopsis of the observation, per the Professional Performance Review Plan. This written record will be completed and given to the Unit Member not later than ten (10) school days of the post-observation conference. Unit Members have ten (10) school days after receipt of written report of the observation to sign and respond. At the request of either the Unit Member or administrator, an additional conference to discuss the written report shall be held.

2. Nothing contained in the Observation and Evaluation shall preclude an administrator from conducting an unannounced observation. If the administrator wants to write a commentary on such observation, then a post-observation conference will be held between the Unit Member and the administrator within five (5) school days of the observation. At the conclusion of the post-observation conference, the administrator shall write a synopsis of the observation. This written record will be completed and
given to the Unit Member within ten (10) school days of the post observation conference. Unit members have ten (10) school days after the receipt of the written report of the observation to sign and respond. At the request of either the Unit Member or Administrator, an additional conference to discuss the written report shall be held. It is understood that a pre-observation conference will not be required before an unannounced observation. The pre-planning documents submitted prior to an observation will be completed by the Unit Member and submitted to the observer within two (2) days of the observation.

C. The person responsible for the observation and evaluation reports of the Unit Members under his or her supervision will:
   1. Acknowledge the right of the Unit Member to know how well he or she is performing the duties and responsibilities of the position.
   2. Indicate the areas in which improvement is needed.
   3. Give candid appraisal of the Unit Member's work.
   4. Discuss the observation report(s) and evaluation report(s) with the Unit Member.
   5. Give supervisory assistance for cited deficiencies.

D. All monitoring or observation of the work performance of assigned duties of a Unit Member will be conducted openly with full knowledge of the Unit Member.

E. Unit Members have the right, upon written request to the Superintendent of Schools, to review the contents of personnel files after initial employment and to make copies of any documents in it. A Unit Member will be entitled to have a representative of his or her choice present during such a review.

F. Unit Members in the first and second year of their probationary appointment will be observed a minimum of three (3) times per year on the following schedule (Note: under a block scheduling arrangement, an observation period shall equal one block period. For example, a mathematics block period of eighty minutes (80) is equal to one observation period. An elementary teacher shall be observed for no less than forty-five (45) minutes during each observation.):

   One – no later than November 1
   One – no later than end of the first semester
   One – no later than April 1

At a minimum, two of the foregoing three observations shall be announced, and secondary (6-12) administrators shall observe at least two different preparations. Should an area of the observation receive a “needs improvement” rating, the administrator shall give the Unit Member an improvement plan, which has been jointly developed by the administrator and teacher for each area of the observation that receives a “needs improvement” rating. The improvement plan must be approved by the administrator. The administrator shall make specific recommendations for improvement, and monitor through observation the progress of the improvement with the teacher during the improvement plan time period.

The Association has the right to file a grievance if the timelines are not followed.

Unit Members in their final year of probationary appointment will be observed a minimum of two (2) times per year; at least once in each semester.
Tenured Unit Members will have at least one (1) formal observation and at least one (1) alternative option every three (3) years. The third year in the cycle shall be mutually determined by the unit member and building administrator. The alternative options shall include, but not be limited to: portfolios, action research, peer coaching, providing staff development.

Requests for leave of absence without pay shall be sent to the Superintendent of Schools no less than ten (10) days prior the date of the requested absence, except in cases of emergency, and shall be in writing on a form supplied by the District. Two types of leave without pay will be available to Unit Members under this clause. They are:

Short Term Leaves: Leaves under this category will be of a relatively short duration (less than 1/2 semester) but during the term of such leave the Unit Member is considered to be actively employed by the district and must resume active service immediately upon satisfaction of the cause or purpose for which leave was taken.

Extended Leaves: Leaves under this category will be extended in length and may involve the absence of a Unit Member for the major portion of a semester and up to one school year in length. During the terms of an extended leave, the Unit Member is not considered to be an active employee of the District and all benefits available to Unit Members within this Agreement shall be frozen for the period of the extended leave. The Unit Member may elect to continue health insurance in the group policy, providing all costs for insurance during such leave are prepaid by the Unit Member.

Such request for paid absence in excess of three (3) days must be substantiated by a specific written statement of the seriousness of such illness.

3. Sick leaves earned initially after one (1) full year of service (i.e. September 1 through June 30 of a given school year) and the full ten (10) days will be credited to the Unit Member's sick leave account. If a Unit Member's employment terminates before June 30
of a given school year and the ten (10) days of sick leave have been used, the overpayment based on one sick day allowance per month shall be deducted from the Unit Member's salary at the rate of 1/200 of the annual salary for each day. Upon request of the Building Principal and/or Superintendent of Schools, a Unit member shall present a physician's certificate for any absence exceeding five (5) successive days for which sick leave or disability is requested. When illness or disability is of long duration, a physician's certificate will be required for each additional five (5) days of absence from employment.

   e. A member's SLB day will be prorated, if necessary, based upon his/her FTE status for each employment position he/she holds.

   f. Members who are receiving alternative forms of compensation, exclusive of private insurance, will not be eligible for use of the SLB.
