**Section 11.1: Competitive Class.** Seniority is the length of full-time, continuous employment with the Employer commencing with the date of the original permanent appointment, except for those employees who had a contingent permanent, provisional trainee, labor, or non-competitive appointment immediately preceding their original permanent appointment.

An employee who received a provisional appointment and is later permanently appointed to the same position, will have his/her seniority calculated from the date of the provisional appointment. An employee appointed to a trainee position shall have his/her seniority calculated from the date of his/her appointment to the trainee position. An employee who is originally employed with the Employer in a labor or non-competitive class position and later moves to a competitive class position shall have his/her seniority calculated from the date he/she began his/her full-time, continuous service with the Employer.

**Section 11.2: Non-competitive and Labor Class Employees.** Seniority is the length of full-time, continuous employment with the Employer.

**Section 11.3: Full-time Continuous Employment.** As used in the above paragraph full-time, continuous employment includes those periods when an employee is on the Employer's active payroll and those periods when an employee is:

(a) on unpaid leave,
(b) on layoff up to four (4) years from the date of layoff,
(c) absent from and unable to perform the duties of his/her position by reason of a disability resulting from occupational injury or disease,
(d) such other periods of service, if any, that the Civil Service Law requires to be treated as part of the employee's continuous service.

**Section 11.4: Loss of Seniority.** Subject to the applicable provisions of the Civil Service Law, if any, an employee loses his/her seniority only when one or more of the following occurs:

(a) he/she resigns (unless he/she is reinstated within the period permitted by any provision of the Civil Service Law applicable to him/her);
(b) he/she is discharged or terminated in accordance with law and/or the terms of this contract;
(c) he/she retires;
(d) he/she refuses a recall.

**Section 11.5: Same Date of Hire - Non-Competitive and Labor Class.** If two or more employees are hired or appointed on the same date, their relative seniority shall be determined by the drawing of lots.
Section 11.6: Seniority List. On January 31 and July 31 of each year, the Employer shall provide the Union with a copy of the current Seniority List for all employees within the bargaining unit. This Seniority List shall be considered final and binding unless any change is submitted in accordance with grievance procedures within twenty (20) working days after the List is made available.

Section 11.7: Rate of Pay. Any new employee hired by the Employer who does not have experience in a particular position, shall not be given a salary or hourly wage which exceeds the starting salary or hourly wage. If a higher wage is paid to the new employee, any employee in the same job title, in a lower step than the new employee, shall be moved to the same step as the new employee.

Section 11.8: Shift Preference. When a vacancy exists on a shift, shift preference shall be decided by seniority. Shifts shall be defined as:

First Shift When a majority of the regular working hours are after 7:00 a.m. and before 3:00 p.m.
Second Shift When a majority of the regular working hours are after 3:00 p.m. and before 11:00 p.m.
Third Shift When a majority of the regular working hours are after 11:00 p.m. and before 7:00 a.m.

ARTICLE 12
Layoff and Recall

Section 12.1: Non-Competitive and Labor Class Employees. In the case of job abolishment or reduction in force, the employee with the least seniority in the department in the classification where the abolishment or reduction in work force occurs shall be notified for lay-off.

(A) An employee notified for lay-off in one classification may exercise his seniority to displace another employee with less seniority when the employee to be displaced is in a lower rated classification within the department for which he/she is qualified.

(B) An employee who did not exercise such bumping rights within ten (10) days of the date that he/she is notified for lay-off shall be laid-off fifteen (15) days after such notice.

(C) Recall shall be in the inverse order of lay-off. An employee shall retain his right to recall for a period of two (2) years from the date of lay-off. If qualified, an employee on lay-off shall be rehired prior to the hiring of a new employee in his former department.

Section 12.2: Competitive Class Employees. In the case of abolishment, reduction in work force, layoff, and recall for competitive class employees, the procedures outlined in Rule 26 of the Rules for the Classified Service of Cattaraugus County and Section 80, 81, and 85 of the Civil Service Law will prevail.

Section 12.3: Loss of Services. The County will notify, by registered mail or personal service, the Unit President or his/her designee and the CSEA Labor Relations Specialist, sixty (60) calendar days prior to the effective date of any loss of services in the work areas covered by this agreement and which would cause lay-offs or the loss of jobs. The parties agree that they will meet to negotiate the impact of said lay-offs and/or loss of jobs.

Section 12.4: Where an employee's permanent position is reduced in rank or such permanent employee must displace to a lower graded title, the compensation of such an employee shall be paid at
the step and grade which most nearly equals, without exceeding, the hourly rate he/she received in his/her permanent higher graded position. An employee who is reinstated to a title from which he/she was laid off shall be compensated at the same salary grade and step he/she was receiving at the time of layoff. The fact that an employee has not served in a position for a protracted time shall not necessarily preclude such employee for consideration for a meritorious salary increment pursuant to Article 30, Section 1, of this collective bargaining agreement.

ARTICLE 13
Job Posting
(Appointment, Promotions, Voluntary Demotions, and Reinstatement)

Section 13.1. Competitive Class. If a vacancy occurs within the Bargaining Unit and the appointing authority contemplates filling a job, it will be posted for a period of five (5) working days in the department that has such opening and a copy will be sent to the Unit President, CSEA Field Representative, and the Department Steward. The posting shall contain:

1) Job Title
2) Rate of Pay
3) Location of Work
4) Designated Place and Name of Person to See for Application
5) Place to Apply

Section 13.2: The Employer shall be the judge of qualifications. If necessary, any challenge to the Employer's judgment in this area shall be subject to the Grievance Procedure.

Section 13.3: An employee may utilize this Article of the Agreement to respond to a posting for a position in a lower salary grade than he/she presently occupies. Such employee will be compensated at the step in the new lower salary grade most nearly equal to the compensation he/she was receiving in his/her previous position.

Section 13.4. The Employer agrees to post all temporary positions of more than ninety (90) days duration in salary grade 14 or above resulting from the granting of education, unpaid sick, military, and maternity leaves.

In addition, the Employer agrees to post all temporary positions, resulting from promotions where the position opening is encumbered by another employee according to Civil Service Law, when the opening can reasonably be expected to last more than ninety (90) days, in salary grade 14 or above.

Only employees within the department where the temporary vacancy exists are eligible to respond to these postings.

Section 13.5: Entry-level positions in Grade 15 or below designated as non-competitive under Section 55 (a) of the New York State Civil Service Law shall be exempt from this Article of the Agreement. These positions shall only be filled by handicapped persons certified by the New York State Education Department.

Section 13.6a: Reinstatement and Reappointment. The job posting provisions of this article shall have no application if a vacancy is filled by the reinstatement or reappointment of a permanent employee who has resigned from a bargaining unit position within one year of the date of such reinstatement or reappointment.
Section 13.6b: Loss of License. The job posting provisions of this article shall also have no application if a vacancy is to be filled by a unit member whose employment status was automatically terminated by loss of a license or certificate which was a necessary qualification for the job classification from which terminated.

If an employee is reinstated or reappointed pursuant to this section, he/she shall reacquire his/her seniority date as provided in Article 11, Sections 1 and 2, provided such reinstatement or reappointment occurs within one year of the date of resignation or automatic termination due to loss of qualification.

ARTICLE 14
Transfer

Every transfer shall require the consent of the transferee and of the appointing authority having jurisdiction over the position to which transfer is sought. Civil Service Rules contain the following definition:

Reassignment

Section 15.1: Reassignment - Civil Service Rules contain the following definition:

"Reassignment" means the change, without examination, of a permanent employee from one position to another position in the same title under the jurisdiction of the same appointing authority.

Section 15.2: Notice of Reassignment. Temporary reassignments of more than five (5) working days but less than thirty (30) working days within a Department and/or from one (1) shift to another, as well as reassignments of a greater duration or permanent reassignments, shall not be made without three (3) working days written notice to the employee(s).

(B) After individual sick leave accruals have been exhausted, and vacation accruals at the employee's option, the employee may request sick leave from the bank for the employee's personal illness. Days scheduled as holidays count as time worked in the computation of overtime. Employees receiving pay for holidays instead of a day off are compensated at the straight-time rate.

The Director shall declare County holidays, when the administrative offices shall be closed. A clerical employee who does not have holiday leave standing to their credit on such declared holiday may be approved for use of vacation or personal leave.

In the event two employees choose the same holiday, the employee making the first choice shall receive the holiday, except where two employees choose the same holiday on the same day (date of form), then seniority by title shall prevail.

Section Addendum B.4a: Preposted Schedule. The employee, in conjunction with the Employer, may modify the preposted schedule between the first and seventh day after posting. Thereafter, no other modifications may be made in the posted schedule with the exception of Personal Leave Days, Sick Time, and the Vacation Time allowed in the (B) part of this section provided, however, nurses may, through mutual agreement, and with the approval of the Administrator or Director of Nursing, agree to switch responsibility for working a scheduled shift or day with another nurse. Notwithstanding any other provisions of this Agreement, such switch or swap shall not result in the payment of overtime.

Section Addendum B.4b: After the preposted schedule is finalized and an employee finds it necessary to be absent because of illness, but has no accumulated sick leave or personal leave days, the employee may use up to five (5) accumulated vacation days per year to satisfy the preposted schedule. APPENDIX:

* Except where otherwise stated, the plan has a calendar year deductible of ($150.00 →) $300.00 Individual and ($300.00 →) $600.00 Family. Where the deductible applies and when it has been met, the plan pays (80% →) 70% of the allowance until co-payments reach ($500 →) $1500.00 Individual and ($1,000 →) $3,000 Family, then pays 100% of the allowance for the remainder of that year. There is a $1,000,000 lifetime maximum per member.

** Home births must be coordinated in conjunction with RMSCO’s nurses and the subscriber’s own physician in case of possible complications.

*** The coverage is limited to service provided by or under the supervision of licensed nursing personnel, for non-custodial care if the care is in lieu of hospitalization for care of the condition, illness, or injury.

**** Home health care visits include skilled nursing, occupational therapy, speech therapy, physical therapy, and home health aid.

Out-of-pocket maximum is ($500.00 →) $1500. Individual and ($1,000.00 →) $3,000 Family per year. Applies to out-of-network percentage co-pays and percent co-pays in network only.

Oxygen expenses are treated as a separate item with its own out-of-pocket limits in-network. Out-of-network coverage requires ongoing co-pays and does not satisfy annual out-of-pocket limits.

When a retiree has reached sixty-five (65) years of age, and is eligible for Medicare, they are obligated to apply for Medicare Parts A & B. The cost of the Medicare Part B premium shall be borne by the retiree. The Cattaraugus County Health Plan will become secondary to Medicare coverage.

The Employer shall provide required educational material to each covered employee which explains the requirements of the Federal regulations. At a minimum, the materials shall include detailed information which meet the requirements of 49 CFR Part 382.601 (b), Part 654.71 (b) and Part 653.25, including, but not limited to (1) the categories of employees who are subject to the regulations; (2) conduct that is prohibited by the regulations; (3) circumstances under which an employee will be tested; (4) what period of the work day an employee is required to be in compliance with the regulations; (5) the requirement that an employee submit to alcohol and controlled drug tests; (6) an explanation of what constitutes a refusal to submit to an alcohol or controlled drug test and the attendant consequences; (7) the requirement that an employee be removed immediately from safety-sensitive functions and the provisions for referral, evaluation and treatment; (8) the consequences for having an alcohol concentration of 0.02 or greater but less than 0.04; (9) the procedure to test for the presence of alcohol or prohibited drugs; (10) the procedure to protect the employee the integrity and validity of the test; (11) the effects of the misuse of alcohol and use of prohibited drugs; and (12) the person designated by the Employer to be contacted for questions and/or additional information.

B.) Required Tests
The Employer shall provide a required description of alcohol and drug testing requirements to each covered employee which explains the requirements of the Federal regulations as they pertain to pre-employment testing, reasonable suspicion testing, return to duty testing, and follow up testing.

C.) Requirement for Notice:
In accordance with the requirement in the Federal Regulations, prior to performing an alcohol or controlled drug test, the Employer shall notify the employee that the alcohol or drug test is required by Federal Regulations.

Section 2: Testing Procedures

B.) Tests for prohibited drugs, in accordance with Federal Regulations, shall be conducted only by urinalysis and shall be performed only by Department of Health and Human Services certified laboratories.

C.) A specimen may be tested only for cocaine, marijuana, opiates, amphetamines and phencyclidine. If the test result of the primary specimen is positive, the Medical Review Officer or the Employer shall notify the employee that he/she has 72 hours in which to request a test of the split specimen. If the employee requests an analysis of the split specimen within 72 hours of having been informed of a verified positive test, the Medical Review Officer shall direct, in writing, the laboratory to provide the split specimen if the split specimen tests negative, the cost of such test will be assumed by the Employer.

D.) In accordance with Federal Regulations neither the supervisor of an employee or a person designated to make the determination of reasonable suspicion shall administer alcohol or prohibited drug tests.
E.) Employees shall be paid for all time pertaining to an alcohol and prohibited drug testing, including travel time to and from the test or collection site. Such time shall be considered as time worked for the purpose of calculating overtime and employee benefits.

F.) An employee required to submit to an alcohol and/or prohibited drug test is hereby advised that they can consult with legal counsel or a union representative, as long as legal counsel or a union representative can respond without causing an unreasonable delay in the testing process.

Section 3: Call In Procedure

If an employee is called and directed to report to work, the employee shall acknowledge the use of alcohol or prohibited drugs which causes the inability to perform the employee's safety sensitive function, and will therefore disqualify the employee from the requirement to report for work.

Section 4: Referral, Evaluation and Treatment

A.) Any costs involved in services provided by a Medical Review Officer, which are required by the Federal Regulations, shall be paid by the Employer.

B.) Any cost not covered by insurance that is incurred by an employee for their initial treatment by a Substance Abuse Professional due to being referred as a positive alcohol will be the responsibility of the employee.

C.) An employee, upon a test result of 0.02 - 0.039 blood alcohol level shall be placed off duty for a minimum of twenty-four (24) hours, or until a retest shows that the alcohol concentration is less than 0.02.

2) Nothing herein shall be construed to diminish or expand any rights which may apply under the Americans with Disabilities Act, Family Medical Leave Act of other relevant laws, or the collective bargaining agreement.

Section 5: Previous Policies and Procedures

Any policies and procedures pertaining to alcohol and prohibited drugs as they pertain to the same employees covered by the Federal Regulations, shall be superseded by the procedures set forth in the Federal Regulations and the Memorandum or Agreement to the extent they are consistent with Laws and Regulations.

Section 7: Savings Clause

7.1 Nothing contained in this agreement shall be considered as a waiver by the Employer of any rights under the CBA, Civil Service Law, or any other statute, rule or regulations.

7.2 If any provision of this agreement is in conflict with a Federal or State Law or is declared inoperative by a court of competent jurisdiction, then the remaining provisions of this agreement shall remain in full force and effect. It is further agreed to meet within ninety (90) days to renegotiate said negated clause.

IN WITNESS WHEREOF, the parties have caused this Memorandum of Understanding to be signed by their respective representatives on May 1, 1998.
