7.3 Annual Leave, Years of Service Defined
For the purpose of computing annual leave, years of service shall mean continuous years of employment, except for an employee who has voluntarily left his employment, and who is rehired within twelve months of his date of resignation, in which case the first such interruption of continuous service shall not be considered for purposes of calculating annual leave.

7.4 Application and Scheduling

Employees shall be permitted to use annual leave in segments of at least one-quarter hour at any time, provided that reasonable advance notice is given to supervision, and further provided that use of annual leave will not impair efficiency of operation. If more employees want the same annual leave periods than can reasonably use them without impairing operations, then employees with greater seniority shall have first choice of leave periods, provided that less senior employees who have received approval for leave more than 90 days in advance of the start of said leave shall have preference over more senior employees who apply thereafter.

7.5 Accumulation

Annual leave shall not be cumulative from year to year, but employees may carry over ten unused days (37.5 hour week = 75 hours; 40 hour week = 80 hours) to be added to the following year's entitlement. With the approval of the college's Human Resource Officer, fifteen days may be carried over. At no time shall an employee's annual leave credit exceed the amounts set forth in 7.2 by more than 10-15 days, as herein provided, and additional unused days will not be carried over.

7.6 Advance Use

Employees with six months of service may be permitted to use five days (37.5 hour week = 37.5 hours; 40 hour week = 40 hours) annual leave, which shall be part of the first year's annual leave entitlement.

7.7 Termination

On separation from Employer service, employees will be paid for all annual leave credited but not taken, and will reimburse the Employer for any advanced, unearned use. Leave will be prorated for each month of service beyond anniversary date.

7.8 Annual Leave Exchange Program

Employees who have accumulated more than the hourly equivalent of ten days annual leave may relinquish up to five whole day segments of annual leave in excess of five days for the cash equivalent according to the following terms:

A. Leave balances shall be as of the beginning of the first payroll in June, according to Personnel/Payroll Department records.

B. Employees will request the annual leave exchange payment on forms developed for this purpose by the Employer, and shall be relinquished at the beginning of the second June payroll period.
C. Time relinquished is payable at the rate effective at the beginning of the first June payroll, and is not returnable to the employee.

D. Payments will be made during the first payroll in June of the same year, except in the case of separation from service, in which case employees will be paid in the normal manner.

E. To qualify for the program, employees must have had no periods of unpaid leave in the twelve-month period immediately preceding the application, to be verified by the department head.

ARTICLE 8 MILITARY LEAVE

Employees shall notify their supervisors as far in advance as possible of required military assignments.

ARTICLE 9 DISABILITY BENEFITS

9.1 Disability Insurance

The Employer shall purchase, at County expense, New York State Disability Insurance for all employees covered by this Agreement. Such disability insurance shall provide coverage immediately for all employees who are on the payroll on the effective date of this Agreement, and for persons who are employed after that date coverage will become effective on the date provided by such contract of insurance.

9.2 Disability Benefits, Pay Supplement

Employees shall receive 100% of regular salary during periods of disability for the first three months of each such period and 80% for the remaining three months, in accordance with this article.

9.3 Disability, Self-Insurance Option

The Employer shall have the option of self-insuring the present disability insurance plan under which the employees represented by CSEA are now covered. If the Employer decides to self-insure such plan it shall do so in accordance with the Worker's Compensation Law and the rules and regulations promulgated from such law. Furthermore, the Employer shall guarantee that all benefits and protection granted employees under the law as well as the plan presently in effect shall continue in full force and effect. If the benefits under the law are increased or if any changes occur in the law covering disability which are advantageous to the employee, the Employer shall amend its self-insured plan to conform to such changes.

9.4 Disability Claims, Benefits and Disputes

The qualifications for and benefits of New York State Disability shall be as provided for in the contract of insurance or the rules and regulations of the self-insurance plan, which shall be provided to the Union. Disputes as to coverage shall not be a grievance under this agreement.
but shall be resolved as provided by law. The Employer's obligation to pay the supplement to
disability benefits shall rest on the outcome of the claim under the applicable laws and
regulations, and will be payable only when and if such claim is paid. Employees receiving
disability benefits under this article shall not, during the time for which said benefits are paid,
accrue paid leave of any type under this agreement.

9.5 Disabled Employees, Reinstatement Rights

When a permanent employee has received disability benefits as provided in this article for the
maximum period permitted, said employee shall report for work within thirty days after the last
day for which benefits were payable. If an employee does not report for work, his employment
will be terminated on the 31st day after the cessation of benefits. Health insurance under Article
11 of this agreement will be paid for the thirty-day period by the Employer.

For five months thereafter, such an employee will be reinstated to the same title he held at the
beginning of the disability period, provided the disability has ceased, and provided a vacancy in
that title occurs.

ARTICLE 10 (Reserved for Future Use)

ARTICLE 11 HEALTH INSURANCE

11.1 Health Insurance

The employer shall make available to each employee either single, sponsor (2 person) or family
coverage under one of the following plans, each of which is in effect at the date of execution of this
agreement:

($5/$20/$35) under the non-Monroe County Municipal School District Plan, shall
be offered effective September 1, 2009.

b. Blue Point High Option, including the three-tier prescription plan (5, 15, 30) under
the non-Monroe County Municipal School District Plan.

Employees may change plans at least once per calendar year, at a time established by the employer.

If an employee is covered by a family or two-person policy in her/his spouse’s name and the
spouse has no premium costs, the College is not required to provide a health insurance policy.
An employee voluntarily declining health insurance coverage shall receive an annual opt-out
incentive of $960, to be paid bi-weekly, provided said employee submits satisfactory proof of
health insurance coverage under another plan to the Human Resources Officer.

11.2 Health Insurance, Contribution

All employees shall contribute to the monthly premium cost of the health insurance as follows per
pay period, provided that the 5% contribution for NMCMSCP Blue Point High Option shall take
effect on September 1, 2009:
11.3 Health Insurance, When Benefit Available

The above health insurance shall be provided for all months that an employee is actively at work, and all periods of sick leave whether work related or not, and all periods of paid leave of absence. If an employee has exhausted sick leave benefits and his employment is not terminated, he shall be permitted to continue their health insurance coverage by paying the full cost of such coverage to the FLCC Human Resources office monthly.

11.4 Health Insurance, Dental

The employers shall provide single dental coverage, without charge, to each employee, who shall have the option to purchase family coverage through payroll deduction. The parties understand and agree the employers shall in good faith attempt to provide dental benefits comparable to Blue Shield Smile Saver I.

11.7 Health Insurance, Premium Conversion Plan

All employee contributions required under this article shall be on a pre-tax basis.

an individual employee covered by this Agreement and the Employer, arising out of the application
or interpretation of this Agreement, or a grievance as defined by Section 682, sub-division 4 of
Article 16 of the General Municipal Law.

12.2 Grievance Procedure, Exclusions

The inclusion in this article of grievances as defined by Article 16, Section 682, subdivision 4 of
the General Municipal Law is intended to substitute the grievance and arbitration procedure of this
Agreement for the grievance procedure which the Employer previously adopted under the terms of
Article 16 of the General Municipal Law and which is required by said Law, and upon the effective
date of this Agreement the grievance and arbitration procedure in this Agreement shall be the only
such procedure available to employees covered by this Agreement. It is expressly understood and
agreed by the parties that the grievance and arbitration procedure provided for in this Article does
not apply to and, is not intended as, a substitute or an alternative for any actions permitted by, or
required of the Employer under any Article of the State or Local Civil Service Law or Rules,
except as otherwise provided herein.

12.3 Grievance Procedure

The purpose of this Article is to provide the sole method for the settlement of grievances as defined
herein and such grievances shall be settled in accordance with the following procedure:

Step 1:
Grievances shall be presented orally by the aggrieved employee to the department head, with
or without his Union representative, at the employee's option, and within ten departmental
working days from the date of knowledge of the cause or occurrence giving rise to the
grievance. If discussion of the grievance with the department head does not result in
resolution of the grievance then the aggrieved employee may proceed to Step 2.

Step 2:
The aggrieved employee shall submit his signed written grievance to the College President
within ten working days from the date of the initial discussion of the grievance with the
department head. After receipt of a written grievance at this step, the College President shall
convene a meeting within ten working days of the date the written grievance was received by
him, between the aggrieved employee, the Union representative and the Department Head
and/or other representatives of the College for the purpose of resolving the grievance. If the
grievance is not resolved as a result of this meeting, then the President shall have three
working days to provide a written response to the aggrieved employee and his Union
representative. If that decision is unacceptable to the employee, then within five working
days the aggrieved employee shall proceed to step three.

Step 3:
The aggrieved employee may submit his grievance to the County Administrator who within
ten working days after he receives the written grievance will convene a meeting between the
aggrieved employee, his Union representative and the College President and/or other
representatives of the College, for purpose of resolving the grievance. If the grievance is not
resolved at this meeting, the grievance may be submitted to arbitration.
Step 4:
In the event that a grievance is unresolved after being processed through all of the steps of the grievance procedure, or having moved through the grievance procedure by default, then not later than thirty calendar days after the third step procedures are complete, or thirty calendar days after the time limits required by the steps in the grievance procedure have run, the grievance may be submitted to arbitration by filing a copy of the request with the County Administrator.

The County Administrator shall arrange an arbitration hearing as soon as possible by calling the first arbitrator on the alphabetically-ordered panel. If he can't render a decision within two weeks, the next arbitrator on the panel shall be called, and so on, until the first available arbitrator is picked. Selection of an arbitrator for the next case will begin with the next arbitrator on the panel.

The arbitrator shall have no power to add to, subtract from or modify any of the provisions of this Agreement.

No decision of an arbitrator or of the Employer in any grievance case shall create the basis for retroactive adjustment, or other adjustment, in any other case.

No arbitrator shall decide more than one grievance on the same hearing or series of hearings except by mutual agreement between the parties.

The decision of the arbitrator shall be final and binding upon the parties. The fees and expenses of the arbitrator, and the costs of the hearing room, shall be shared equally by the Employer and the Union. All other expenses shall be borne by the party incurring them. Neither party shall be responsible for the other party's share of the divided costs nor of the expense of witnesses or participants called by the other.

Arbitrators for the term of this contract shall be mutually agreed upon by the union and the county, and a list of five shall be initialed by the parties and attached to this agreement as soon as possible. If a vacancy occurs in the panel of arbitrators, the union and the county will select an alternate as soon as possible.

12.4 Grievance Procedure, Time Limits

Unless the parties mutually agree to extend the time limits set forth in this procedure, a grievance shall be deemed settled on the basis of the relief sought by the grievant if the Employer fails to comply with such time limits at each step while the grievance shall be deemed waived and the grievant shall be barred from proceeding to the next step if the grievant fails to comply with the aforementioned time limits.

ARTICLE 13 DISCIPLINARY ACTION

13.1 Disciplinary Action, Definitions

Disciplinary action may consist of written reprimands, suspensions without pay, fines not to exceed $200 to be deducted from the salary or wages of the employee in installments, losses of accrued leave credits, reductions in grade and dismissals from the service and may be imposed only for incompetency or misconduct.
13.2 Disciplinary Action, Automatic Quit

If an employee fails to contact the employer or show up for work for three consecutive days, the employee will automatically be terminated without recourse to the grievance procedure. The employee may appeal such termination to the College President, whose decision shall be final.

13.3 Disciplinary Action, Immediate Suspension

An employee may be suspended by the College without pay for up to thirty (30) days pending the outcome of the grievance procedure, provided that a determination is made by the College that an employee’s continued presence on the job would be disruptive to the normal course of business or threaten the safety of fellow employees or the public. An employee may not be suspended without pay unless he/she has received written notice of the charges against him/her, has been apprised of the evidence against him/her, has been afforded Union representation, and has been offered the opportunity to be heard within a reasonable time period. In all other cases, disciplinary action may not be imposed except in accordance with this procedure. In cases of suspension prior to hearing, an arbitrator may award back pay or he/she may consider the period of suspension as part of the appropriate penalty. However, the arbitrator shall not order back pay in any case for a period of more than sixty (60) working days prior to the date the grievance was initiated. All awards of back pay shall be limited to the amount of wages the employee would have earned from his/her employment with the Employer but not in excess of the period above defined, less any other compensation for personal services that he/she has received from any source during said period.

13.4 Disciplinary Action, Notice of Proposed Action

An employee against whom disciplinary action is proposed shall receive a notice of the proposed action and the reasons for it. A copy of this notice shall be provided to the Union. Unless a written grievance is filed with the County Administrator within ten work days of the receipt of such notification, the matter will be settled upon the penalty as proposed by the county, and the disciplinary action proposed may then become effective. The notice of proposed disciplinary action shall specify the reasons for the proposed disciplinary action, including a description stating the alleged acts and conduct, and the dates, times and places such acts and conduct occurred, as well as the penalty sought by the College.

13.5 Disciplinary Action, Employee Rights

Except as otherwise provided in this section, none of the disciplinary penalties listed shall take effect until the completion of the procedure. An employee is entitled to representation by the Union or an attorney at any step of the proceeding. The rights provided in this article extend to all employees in the bargaining unit except probationary and provisional employees of the employer.

13.6 Disciplinary Action, Waiver of Civil Service Rights

The parties agree that the procedure provided in this contract shall be the exclusive procedure for the taking of disciplinary action against employees, and the review of such disciplinary action by employees. Any and all rights extended to employees by Section 75 and 76 of the Civil Service Law, or any rule or regulation adopted thereunder, are hereby waived.
13.7 Disciplinary Action, Grievance Procedure

Any grievance contesting disciplinary action, proposed or taken, shall be filed directly at Step 3 of the grievance procedure provided in this contract. If not resolved at Step 3, the grievance may be submitted to Step 4 in accordance with the grievance procedure provided in this contract.

13.8 Disciplinary Action, Grievance Procedure, Time Limits

Unless the parties mutually agree to extend the time limits set forth in this procedure, a grievance shall be deemed settled on the basis of the relief sought by the grievant if the Employer fails to comply with such time limits at each step while the grievance shall be deemed waived and the grievant shall be barred from proceeding to the next step if the grievant fails to comply with the aforementioned time limits. No disciplinary proceeding shall be commenced more than three years after the appearance of the alleged incompetency or misconduct complained of, except that such limitation shall not apply where the incompetency or misconduct complained or would, if provided in a court of competent jurisdiction, constitute a crime.

Any and all safety equipment deemed necessary by the Board of Trustees or its designee, or required by law, shall be provided by the Employer without cost to the employee.

ARTICLE 34 EMPLOYEE RECOGNITION PROGRAM

The Union and the Employer agree upon the value of an effective employee recognition program to recognize and encourage exceptional performance. To that end, the provisions of Local Law No.

The union and the College agree to meet and confer for the selection of a third-party administrator. A newly hired employee will have a six (6) month waiting period before being able to participate in the FSA.

The College shall make a good faith attempt to make available to the employees participating in the Plan a flexible spending account transaction card in the third year of this agreement.

ARTICLE 37 MATCHING PROGRAM, TAX DEFERRED SAVINGS

Effective September 1, 2006, the employers will match employee contributions for all unit members to either the existing Tax Deferred Savings Program for Community Colleges plan in accordance with §403b of the Internal Revenue Code, with the current providers unless modified by the Board of Trustees, or to such other plan as may be required by law and regulation, dollar for dollar up to 2% of employee wages. Vesting shall occur at the completion of five years’ service. The employers reserve the right to establish reasonable rules, not in conflict with the collective bargaining agreement, for the administration of this benefit, including but not limited to allowing one deferral amount change per year, per employee. In the event a plan is not established by September 1, 2006, and approved by the NYS Deferred Compensation Board and such other entities having authority thereupon, the employers will provide up to 1% in cash on the same terms.
