ARTICLE 6
Grievance Procedure

6.1 Declaration of Purpose:

Whereas, the establishment and maintenance of a harmonious and cooperative relationship between the Board of Education and its employees is essential to the operation of the schools, it is the purpose of this procedure to secure equitable solutions to alleged grievances of the employees through procedures under which they may present grievances free from coercion, interference, restraint, discrimination, or reprisal, and by which the district and its employees are afforded adequate opportunity to dispose of their differences without the necessity of time consuming and costly proceedings before administration and agencies and /or in the courts.

M. The existence of the procedure hereby established shall not be deemed to require any employee to pursue the remedies here provided and shall not in any manner impair or limit the right of any employee to pursue any other remedies available in any form.

6.4 Time Limits:
