In the event, however, that the existence of the said facts and circumstances shall not have been known to the employee at the time of their occurrence, or within a reasonable time thereafter, and that the said village employee shall not have been able, with reasonable diligence, to ascertain such facts within a reasonable time of their occurrence, the said grievance may be filed in accordance with the procedures herein set forth within thirty (30) days of the time at which the village employee first obtained knowledge of the facts and circumstances giving rise to the grievance.

SECTION IV: Procedure for Determination of Grievances

All grievances filed by any village employee shall be heard, administered and determined according to the procedures hereinafter set forth:

1. Any employee shall present any grievance, as hereinabove defined, to his immediate supervisor orally or in writing; any such grievance may be presented by the employee personally, or through a designated representative of the employee.

2. Within five (5) working days of the presentation of such grievance, the immediate supervisor of the employee shall investigate such grievance and shall have the right, to such extent, as the said supervisor may deem appropriate, to consult with said supervisor's superiors.

3. No later than five (5) working days after the presentation of the grievance by the village employee, the said supervisor shall respond to the grievant with an approval or denial of the grievance; said response shall be in writing if the initial grievance was written, and may be oral or in writing if the initial grievance was filed orally.

4. In the event that the grievance is not resolved to the satisfaction of the village employee, the village employee shall request in writing, a review and determination of the grievance by the Village Superintendent, or his designee. This written request for review and determination shall include the specific nature of the grievance and the facts relating thereto and the immediate supervisor of the said village employee may also submit a written statement setting forth the specific nature of the grievance and the facts relating thereto.

5. If the village employee shall request a hearing, the Village Superintendent shall hold an informal hearing at which the village employee and/or his representative(s) may appear and present oral and
written statements or arguments. If such request is made, such hearing shall be held within ten (10) working days of the request for such hearing.

6. The Village Superintendent shall make a written approval or denial of the grievance within ten (10) working days of the filing of the grievance with the Village Superintendent, or within ten (10) working days of the holding of the informal hearing requested by the village employee, if any, whichever shall be later. A copy of said written approval or denial shall be furnished to the grievant by the Village Superintendent and shall be filed, in the event of the denial of the grievance, with the Grievance Review Board of the Village of Canton. In the event of such denial, the submission to the grievant and to the Grievance Review Board shall include a statement of reasons for denial of the grievance on the part of the Village Superintendent.

7. If the grievance of the village employee is not resolved to the mutual satisfaction of the Village Superintendent and the employee, the village employee may request, in writing, a review by the Grievance Review Board of the Village of Canton. Such request for review by the Grievance Review Board shall be made within fifteen (15) working days of the determination of the Village Superintendent as hereinabove set forth.

8. Any village employee who shall apply, in writing, for review and determination of his grievance before the Grievance Review Board shall be granted a hearing before such Board, or by one or more of its members designated by the Board to act on its behalf; in the event that less than the full Board presides at such a hearing, however, the member or members thereof conducting such hearing shall render a report thereon to the full Board and the full Board shall thereupon make its own report.

9. The report of the Grievance Review Board shall contain a statement of the Board’s findings of fact, conclusions and advisory recommendations, and shall state whether such Board approves or denies the grievance. A copy of this report shall be furnished to the employee, his representative, if any, the Village Superintendent, and the Mayor of the Village of Canton. Such report and determination shall be made within fifteen (15) working days of the hearing before the Grievance Review Board if said hearing is conducted by the full Grievance Review Board. If the hearing shall have been conducted by less than the full Board, the member or members presiding at such hearing shall make the report to the full Board within fifteen (15) working days of the said hearing and the full Board shall submit its written determination and decision within fifteen (15) working days of the report to the full Board from the member or members presiding at the hearing.

10. Should the CSEA not be satisfied with the findings of the Board, they may appeal the decision to Arbitration by filing a letter of intent with the Mayor within fifteen (15) days of the receipt of the decision of the Grievance Review Board. The facilities and rules of the Public Employees Relations Board Arbitration Service shall be used. The cost of the Arbitration shall be born equally by the parties and the decision of the Arbitrator shall be final and binding on both parties.
