ARTICLE 3
WORKDAY AND WORKWEEK

3.1 Regular Workweek

A. The regular workweek for all custodians, cleaners and mechanics shall be 40 hours. Effective July 1, 2012, the Board agrees to provide a work year of 16 work weeks at 40 hours each and 144 hours of overtime during 36 weeks for this group, said overtime to be scheduled by the appropriate supervisor.

Effective July 1, 2015, the Board agrees to provide 36 hours of overtime for this group.
Effective June 30, 2016, this overtime provision shall sunset.

Temporary leave benefits shall not apply to guaranteed overtime provided in this section. The regular workweek for all office workers shall be 37.5 hours; and for full-time cooks - 30 hours. The District agrees to continue the past practice of including the use of vacation leave, sick leave, business leave, and bereavement leave in the computation of the normal workweek hours to determine eligibility for overtime. This provision merely states the current practice and is not intended to enhance or change benefits which existed prior to July 1, 1988. N.B. notwithstanding the provisions of Article 3.3, overtime rates for clerical
summer work do not apply until these employees have actually worked 40 hours in a week.

B. Employees who are required to work on Saturday must give written notice on the preceding Thursday, if they are going to be, for any reason, unable to work. Employees going on shift at 3:00 p.m. are to give notice by that hour and all others by 12:00 noon. In the event insufficient personnel are available for work scheduled for a Saturday, as determined in the discretion of the District, then the District shall have the right to direct employees to perform work on that Saturday.

3.2 Work Year - Clerical Employees

Clerical employees except attendance clerks, who work other than 12 months, will work from September 1st to June 30th. These employees may be required to work on Superintendent’s Conference days, for which they will be compensated at the regular rate of pay. These employees will be required to work two additional weeks during August if so scheduled, to be approved by the School Business Official. Whenever possible, the last two weeks (10 working days) in August may be scheduled. Employees affected by this schedule will be compensated at the regular rate of pay. The salary schedule for such employees shall reflect compensation to be paid for any such scheduled summer work. Attendance clerks will work when students attend school and as assigned. Eleven month employees will work ten more additional days during July and August to be approved by the School Business Official.

3.3 Summer Hours

Summer Hours for clerical employees shall be from 9:00 to 4:00 or from 8:00 to 3:00 at the discretion of the Board.

The District guarantees a minimum of 180 working days for cafeteria employees.
3.6 Snow Days

1. Announcement of school closing shall be made by 6:30 a.m. whenever practicable.

2. If the decision to close school, because of weather, is made after CSEA employees are at work, employees shall be excused from work:

   b. At the time of the announcement, if there are no students in the school.
   c. Bus drivers are expected to complete normal runs.

   b. Assignments shall include emergency type work, including, but not limited to, snow removal, special maintenance, jobs that because of their nature must be completed immediately, etc.

2. Employees who have worked on snow days as directed by the School Business Official, shall be compensated at a regular "straight-time" hourly rate according to the salary schedule. Such payment shall be in addition to a regular day's pay for the "snow day".

C. Second shift employees who report to work on early dismissal days shall be required to report to work within one-half (1/2) hour after the early dismissal. Employees shall be required to work at least four (4) hours (and receive eight hours of pay). Any hours worked beyond four (4) hours shall be paid straight time at the employee's hourly rate. Drivers and attendants shall not be required to report to work when their schools are closed and not in session. If an assigned school bus run includes more than one school, the driver and attendant must report to work for the school that is open. On such days, the drivers' and attendants' pay will be adjusted accordingly.

Drivers and attendants shall not be eligible to use sick leave or business leave if they are not required to report to work.

Drivers and attendants may request work from the Transportation Supervisor if their assigned schools are closed. Work will be assigned by seniority on an as-needed basis.

4.3 Compensation for earned overtime shall be paid at the next payday following within two weeks of the submission of the approved form.
