Sec. 16 OUT OF TITLE WORK.

a) In an actual emergency, declared only by the NHCC Chief Executive Officer, work which is determined by the Civil Service Commission to be "out-of-title" work, after the first ten (10) work days worked without any additional compensation, shall be the subject of an "award" of a money remedy to be made by NHCC. The measure of the award will be determined by computing the difference between an affected employee's pay in the employee's Civil Service title and the amount which would have been earned had the "out-of-title" work been a promotion. In no event shall an employee receive additional compensation during the first ten (10) days of "out-of-title" work.

b) Notwithstanding the foregoing, NHCC and the Union shall continue their existing practice of processing "out-of-title" grievances, as well as grievances under the Per Diem Nurses and Nurse Standby provisions of this Agreement, through the grievance mediation procedure of this Agreement. However, for purposes of stipulations between the NHCC and the Union, the Mediator shall act as an Arbitrator and shall "so order" such stipulations. Such stipulations shall be binding on both parties.

Sec. 17 HEALTH AND SAFETY.

17-1 NHCC agrees to endeavor to provide safety standards for the protection of employees' well-being, commensurate within this context, to provide and maintain safe and healthful working conditions and to initiate and maintain operating practices that will safeguard employees.

17-2 For reasons of health and safety of the employee, no employee shall be required to lift a body or person into or out of an ambulette, ambulance or invalid coach without assistance.

This shall in no way require NHCC to provide two (2) employees on any such vehicle.

Sec. 18 SHIFTS.

18-1 Each employee shall be entitled to at least twelve (12) hours off from work between shifts, except in case of emergency.
18-2 No employee shall be required to work a shift which differs from the
employee's assigned shift, without two (2) weeks written notice prior to the change,
except in case of emergency.

18-3 No employee shall have the employee's shift and/or work schedule changed
as a form of discipline.

Sec. 19 GROOMING - PERSONAL APPEARANCE.

19-1 NHCC shall not make any unilateral rule or regulation which restricts any
employee's right to choose personal wearing apparel or grooming style, except
where such rule or regulation is necessary to protect the health or safety of
employees, persons in their care or custody, or the public, or is directly related to
the proper and efficient performance of the employee's assigned duties.

19-2 This section shall not restrict NHCC from requiring an employee to wear a
prescribed uniform at work or from generally instructing employees to observe and
conform to the accepted business standards of dress and deportment while on duty.

Sec. 20 EXAMINATION ANNOUNCEMENTS-POSTING COPY.

NHCC shall post examination announcements from the Civil Service
Commission no later than two (2) days after receipt from the Civil Service
Commission.

Sec. 21 ELECTRONIC DEPOSIT

Employees shall have the option of direct deposit (electronic deposit) of all
payroll and employment benefit checks into an employee's bank account, subject to
established NHCC guidelines. NHCC will endeavor to provide Electronic Deposit to
residential doctors subject to this arrangement being technically reasonable.

Sec. 22 UNION-MANAGEMENT COMMITTEE.

22-1 There shall be a Labor-Management Committee comprised of six (6)
members: three (3) from NHCC, as designated by the Chief Executive
Officer, and three (3) from the Union, as designated by the President.

22-2 The Committee shall meet on a regular basis not to be less than every three
(3) months. Either party may require that the meetings be held on a
monthly basis.

22-3 The Labor-Management Committee meetings shall be for the overall
purpose of fostering good labor-management relations and shall include
issues addressed in the collective bargaining agreement, and any issue
related to the collective bargaining relationship between the parties, as well
as any matter where the cooperation of one party could be to the aid and
benefit of the other
Sec. 23 CONTRACT GRIEVANCE PROCEDURES.

23-1 All employees have the right to present their grievances in accordance with the procedures described herein, with or without the assistance of a representative of the Union, and free from interference, coercion, restraint, discrimination, or reprisal. The Union shall have a right to have a representative present at each grievance step and to be notified of each decision. However, for grievances which first occur on or after January 1, 1995, no grievance shall be heard unless the employee has proceeded to Step 1 within four (4) calendar months after the occurrence of the event grieved—or within four (4) calendar months after the employee should have known of its occurrence. However, the President may initiate a grievance at Step 3 within one (1) calendar year after the occurrence of the event grieved, provided it does not merely affect an individual.

23-1.1 Step 1. An employee who feels that the employee has been aggrieved may orally present the employee’s grievance to the employee’s immediate supervisor, not a member of the negotiating unit, who shall carefully consider the matter and, within five (5) days thereafter, make a determination and advise the employee and the Union of the decision.

23-1.2 Step 2. If the grievance is not satisfactorily adjusted at Step 1, an employee or the employee’s Union representative may present the matter to the designated representative of the Human Resources Department within five (5) days after notification of the decision provided in Step 1, by filing with the Vice President for Human Resources, or his designated representative, a written notice of the specified grievance on the current official form provided for that purpose. Within fifteen (15) days after it is presented to him/her, the Vice President for Human Resources, or his designated representative, shall make a written determination and advise the employee and the Union of the decision.

23-1.3 Step 3. If the grievance is not satisfactorily adjusted at Step 2, an employee or the employee’s Union representative may present the matter to the Vice President for Human Resources or his designated representative, within ten (10) days after the decision provided at Step 2, by filing a written notice of the specified grievance with such person; and may request that a representative of the Union present the matter on the employee’s behalf. Upon receipt of such written notice, the Vice President of Human Resources or his designated representative shall, at his option, either make a summary written determination within thirty (30) days, or he may schedule a hearing within three (3) days, and within ten (10) days thereafter, shall make a written determination.

The Vice President for Human Resources or his designated representative shall in either event, advise the employee and the Union of the decision.

Both the employee and NHCC shall be entitled to no more than two (2) postponements each, of no more than ten (10) days each, of the time limits of this step. Default will be granted against the party requesting more than two (2) postponements.

23-1.4 Step 4. Within fifteen (15) days after notification of the decision reached at Step 3, an employee may proceed to an advisory appeal to Advisory Grievance
Arbitration, if the employee has the Union's consent to do so and pursuant to the following provisions:

NHCC and the Union shall mutually agree on ten (10) people to serve as a panel of arbitrators. The parties may expand and/or revise the aforementioned panel upon mutual consent. Otherwise, the ten arbitrators shall serve for the term of the Agreement, except that both NHCC and the Union may each remove one arbitrator over the life of the Agreement.

All of the arbitrators so selected shall be listed alphabetically except as otherwise provided in sub-part (3), below.

(2) Advisory grievance arbitrators shall be selected in alphabetical order. If the arbitrator selected advises the parties that the arbitrator is unable to hear the grievance within thirty (30) days from the date the arbitrator is notified of selection, the next arbitrator on the list shall be designated.

(3) Names of arbitrators who have served and of those who have been unable to accept an assignment shall be moved to the bottom of the panel list.

(4) Those selected as advisory grievance arbitrators under this Agreement, shall receive a fee of one thousand dollars ($1,000) per day, to include all expenses, and to be borne equally by the parties.

(5) The advisory grievance arbitrator shall issue written findings of fact and recommendation for resolving the grievance to the parties within thirty (30) days after the hearing. The arbitrator shall make no binding determination with respect to the grievance.

23-1.5 Step 5. The NHCC Chief Executive Officer shall consider the Step 4 recommendation. If the NHCC Chief Executive Officer takes no action on a grievance within forty-five (45) days after receiving the recommendation of the Advisory Grievance Arbitrator, recommendations which were in favor of the aggrieved shall become binding on NHCC.

23-2 For the purpose of this Grievance Procedure:

(a) The parties agree that each shall exercise its best efforts to ensure the prompt scheduling and disposition of contract grievances;

(b) Failure by NHCC, at any step of the procedure provided herein, to communicate a decision on a grievance within the specified time limits shall permit the employee to proceed to the next step;

(c) Failure by the employee or Union at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be a waiver of the right to appeal to the next step;

(d) Unless there is no adequate remedy at law available, neither the Union nor the grievant will initiate any action in any court which is related to any matter which is within the definition of a grievance under this Agreement, until and unless such grievance has timely proceeded through each step hereinabove set forth, and has been finally determined at Step 5.

23-3 Conference and hearings held under the procedure provided herein shall be conducted at times and places which will afford a fair and reasonable opportunity for all persons entitled to be present at such conferences or hearings. When such conferences or hearings are held during working hours, all individuals necessary for the conferences or hearings will be excused without loss of pay for the purpose of attending such conferences or hearings.
23-4 The parties shall establish procedures whereby a mutually-selected mediator shall meet on a monthly basis with a selected representative of the Union and NHCC for the purpose of discussing pending grievances and/or issues involving contract interpretation with a view towards the amicable resolution of same. The selected grievance mediator shall receive a fee of one thousand five hundred dollars per day, to include all expenses, which shall be borne equally by the parties.

Sec. 24 IMPASSE PROCEDURES.

24-1 The parties hereto wish to avail themselves of the right to agree to their own procedures as permitted under the law and, therefore, mutually agree upon the impasse procedures set forth herein. The parties agree to share the cost of any mediators or fact-finders, chosen by mutual agreement or coin toss, to aid in resolving any impasse that may arise in future negotiations.

24-2 An impasse shall not be deemed to exist merely because the parties fail to achieve an agreement sixty (60) days prior to the statutory or ordinance deadline. The parties hereby agree to continue with the negotiations into the sixty (60) day period before the statutory or ordinance deadlines. If one of the parties believes an impasse has occurred, it shall request the other to join in choosing a mediator by mutual agreement.

24-3 If the parties cannot agree on a mediator within two (2) days after such request, then, upon notification by either party, the PERB shall submit to the parties a list of seven (7) persons who are residents of Nassau County. The parties shall determine, by tossing of a coin, who shall have the right to remove the first name from such list and the parties shall alternately remove names from such list until one (1) name is left. This remaining person shall be the Mediator.

24-4 If the Mediator does not effect a settlement within ten (10) days of the Mediator's appointment, the dispute shall be submitted to a fact-finding board of three (3) members. One (1) member shall be chosen by NHCC, one (1) member by the Union and one (1) member by mutual agreement of the first two (2) fact-finders chosen. If the first two (2) cannot mutually agree upon the third fact-finder within three (3) days after their selection, then the PERB shall submit to these two (2) members a list of seven (7) qualified persons who are Nassau County residents, and the two (2) members shall, by the toss of a coin, determine who shall remove the first name from the list, and the parties shall alternately remove names from such list until one (1) name is left. Such last remaining named person shall be the third member and chairman of the Fact-Finding Board.

24-5 If the dispute is not resolved at least fifteen (15) days prior to the statutory or ordinance deadline, the Fact-Finding Board, acting by a majority of its members shall, before the third Monday in November, transmit its findings of fact and recommendations for resolving the dispute to NHCC Chief Executive Officer and to the Union President, and shall simultaneously make public such findings and recommendations.

24-6 The foregoing provisions may be changed by mutual agreement between the parties.

Such compensatory day shall be granted in the same manner as vacation time.

27-4 When one of the named holidays falls on an employee's regularly scheduled workday and said employee is not scheduled to work and does not work, the employee shall receive no compensation other than the employee's regular week's pay.

27-5 When one of the named holidays falls on an employee's regularly scheduled workday, and said employee does work, said employee shall receive (in addition to the employee's normal week's pay) the overtime rate for all hours actually worked (not subject to the cash overtime limit) with a minimum of four (4) hours to be credited as time worked.

27-6 When one of the named holidays above falls on a day which is not a regularly scheduled workday, and said employee is scheduled to work and does actually work, the employee shall receive twice the overtime rate for all hours actually worked, with a minimum of four (4) hours credited as time worked. Any employee receiving holiday premium pay pursuant to this section shall not receive any other compensation including a holiday compensatory day.

27-7 On a named holiday, for all hours worked in addition to one (1) complete shift, the employee shall be paid at twice the straight time rate for the additional time worked if less than or equal to four (4) hours, and twice the overtime rate, as
defined in Sections 28-1.3 and 28-1.4, if the additional time worked is more than four (4) hours.

27-8 An employee who is absent from work on the employee’s scheduled work day immediately before or after a named holiday shall not receive pay for such holiday unless the absence is pre-authorized or is due to the employee’s illness. The foregoing provision shall not affect the pay an employee receives if the employee actually works on an observed holiday.

27-9 The benefits provided in each of the aforementioned paragraphs shall be the exclusive method of compensating employees for working on a named holiday. Even where such work is also overtime, employees shall receive only the benefits provided herein. Notwithstanding the foregoing, employees shall be entitled to shift differential, mileage and meal money where applicable on a holiday.

27-10 For the purposes of this section, a "regularly scheduled workday" is a day which, if it were not a holiday, would have been a part of the employee’s regular work schedule.

27-11 An employee eligible for holiday premium pay compensation pursuant to this section may elect to be paid in cash at the applicable rate or in compensatory time at the applicable rate. Such compensatory time may thereafter be converted to cash by notifying the employee’s department by June 15th of a year for payment in January of the following year. If the compensatory time has not been paid out in cash or used by the employee prior to separation from service, same shall be paid out in cash as part of termination pay and subject to installment payment rules as prescribed in section 42-10.1 Payment shall be made at the rate in effect at the time of payment. Payment of Holiday compensatory time is not subject to overtime cap of section 28-2.1.

Sec. 28 OVERTIME.

28-1.1 All time worked in excess of an employee’s basic work week is overtime. Time worked in excess of an employee’s basic work week and up to forty (40) hours per week shall be paid at the straight time rate. Time worked over forty (40) hours per week shall be paid at the applicable overtime rate. Sick leave shall not be considered “time worked” for purposes of this forty (40) hour standard.

(a) Any employee who is directed by an authorized supervisor to engage in work, and who reports to work at a time which is not contiguous to the beginning or ending of the employee’s normal work day or tour-of-duty, shall be guaranteed a minimum of four (4) hours pay at the applicable straight time or overtime rate.

(b) If the direction to work, as referred to in (a) above is canceled by notifying the employee more than twelve (12) hours before the designated reporting time, then the employee shall receive no compensation.

(c) Notice to an employee under this sub-section may be to the employee personally or to an individual at the employee’s known residence.

(d) An employee may, at the employee’s discretion, except in an emergency, take a maximum of one (1) hour off-duty in a no-pay status between
the end of the employee's regular shift and the start of such work without this being
deemed a break in the contiguous nature of such hours.

28-1.2 The basic work week of an employee shall be the number of hours presently
being worked, but in no event shall it be less than thirty-three and three quarter
(33\%\%) hours per week. With the approval of the NHCC Chief Executive, an
employee's basic work week may be reduced, but never raised. Authorized leave
with pay, except for sick leave," shall be credited as hours actually worked.

28-1.3 Employees on an annual salary shall earn overtime at a rate per hour
computed by dividing their base annual salary by twelve hundred (1200), rates to be
rounded to the nearest penny.

28-1.4 Employees on an hourly salary shall earn overtime at the rate of one and
one-half (1-1/2) times such hourly rate, rates to be rounded to the nearest penny.

28-2.1 Cash overtime shall not be granted to employees who have a base annual
salary of more than the salary of the last step of Grade 15 of the employee's
applicable Graded Salary Plan.

However, the cash overtime limit may be waived by the department head
with the approval of NHCC's Chief Executive Officer.

28-2.2 An employee who is eligible for cash overtime as set forth above, may elect
to be paid in cash at the applicable rate or in compensatory time at time and one-
half.

An employee who elects compensatory time pursuant to this section may
convert said compensatory time to cash by notifying the employee's department by
June 15th of a year for payment in January of the following year. If the
compensatory time has not been paid out in cash or used by the employee prior to
separation from service, same shall be paid out in cash as part of termination pay
and subject to installment payment rules as prescribed in section 42-10.1. Payment
shall be made at the rate in effect at the time of payment. Compensatory time
earned in lieu of cash for overtime worked by virtue of section 28-2.3 may not be
cashed out pursuant to this section.

28-2.3 An employee who is NOT eligible for cash overtime as set forth above, shall
receive compensatory time at time and one-half in lieu of cash.

28-2.4 Regardless of the cash overtime limits established in Section 28-2.1, all
employees assigned to the Department of Public Works who are ordered to assist in
snow removal activities or other DPW weather related incidents may elect to be paid
cash overtime for such activities.

28-3 Additional differential compensation shall not be considered in computing
overtime compensation, but shall be paid after such computation is made.

28-4.1 Overtime shall not be paid to any employee unless the direction to work
such overtime was given by a supervisor of such employee.

28-4.2 Insofar as practicable, there shall be equal distribution of overtime among
employees in a department who have the same job titles.

28
Sec. 29A STANDBY.

29A-1 Standby is time that an employee is not actually on duty but is continuously available to report to duty within one hour of receiving notification, and the employee is required to insure the employee's availability by advising the employee's supervisors of a place where the employee may be so notified. For purposes of standby, no employee shall be required to stay at home.

29A-2 An employee who is ordered to be on standby shall be paid one (1) hour for every eight (8) hours the employee actually remains on standby. Compensation for standby time shall be pro-rated but not less than one-half (1/2) hour for each continuous period of standby.

Sec. 29B NURSE SCHEDULING

29B-1 NHCC and CSEA agree that mandatory overtime and standby for regular full-time nurses should be avoided to alleviate overwork and undue disruption to their work schedule. To that end, NHCC agrees that nursing assignments at NUMC and the health care clinics shall be made on a rolling, six week schedule in the following order, to the extent practicable, in order to avoid the unnecessary assignment of mandatory standby and overtime.

a. First, by scheduling regular full-time and part-time nurses for their shifts,
b. Second, by scheduling per diem nurses in accordance with Section 13,
c. Third, by full-time and part-time nurses volunteering for overtime,
d. Fourth, by utilizing per diem nurses on standby, if available, after NHCC establishes a per diem standby pool,
e. Fifth, by full-time nurses volunteering for standby,
f. Sixth, by mandating full-time nurses for standby, and
g. Seventh, by mandating full-time nurses for overtime.

29B-2 NHCC shall establish a voluntary overtime and voluntary standby sign up system and maintain voluntary overtime and standby lists as part of the scheduling process. Initially, preference in selection for such assignments shall be made by seniority. Each nursing unit shall establish a rotating list of nurses in that unit for the assignment of voluntary overtime and standby. Once a nurse exercises seniority to obtain a voluntary overtime or standby assignment, the nurse shall go to the bottom of the list. NHCC shall continue to have sole responsibility for staffing requirements and shall solely determine the need for voluntary overtime and standby sign up.

29B-3 Nurses who volunteer and are utilized for standby or overtime five (5) or more times in a calendar month shall not be mandated for overtime or standby in that month unless in an emergency; i.e., unforeseen or unexpected circumstances.
29B-4 Nurses on standby shall be required to be available for two hours before and after the start of the shift (a total of four hours) for which they are on standby. Nurses shall not be required to be on standby for more than four hours for any shift.

29B-5 Nurses may volunteer for overtime or standby in units other than those to which they are regularly assigned, provided they possess the proper training, certifications and experience to work in the unit. Nurses in a unit shall be given priority in voluntary overtime and standby assignments for that unit over nurses volunteering for such assignments from another unit.

29B-6 Nurses on their regular shift shall not be displaced from their unit and moved to another unit by a nurse called in from standby unless the nurse called in does not possess the requisite qualifications or experience to work in the other unit while the nurse on his/her regular shift does.

29B-7 Nurses shall receive one hour’s pay for every four hours they are on standby.

29B-8 Employees covered by this section shall not be covered by Section 29A.

Sec. 29C WEEKEND WORK

NHCC will explore the issue of personnel at A. Holly Patterson Extended Care Facility being required to "make up" weekend work when such weekends were missed as a result of scheduled vacations.

Sec. 30 PAGERS/BEEPERS.

Full-time employees required to carry pagers/beepers at any time during scheduled non-working hours in any calendar week shall be entitled to receive additional compensation of ten dollars ($10) for each such calendar week.

Sec. 31 MEAL MONEY.

31-1 Any employee who actually works the employee’s complete regular daily work schedule shall receive meal money in accordance with the following:

31-2 An employee who works the employee’s entire workday, and works an additional two (2) hours or more (either two hours immediately before, or two hours immediately after, but not combining time worked before and after) shall receive a meal stipend in the amount of fifteen dollars ($15.00) unless a meal is provided by NHCC which shall consist of a main course, two (2) side orders, dessert and a beverage.

Sec. 32 SUB-CONTRACTING.

32-1 NHCC shall make good faith efforts to avoid the unnecessary assignment of CSEA unit work to persons not in the CSEA unit.

32-2 A committee comprised of representatives from the NHCC Human Resources Department, the NHCC Chief Executive Officer, and CSEA (totaling 3) shall
meet not less than once per month to discuss current and proposed contracts between contractors and NHCC, which contracts relate to work which has "historically and exclusively" been performed by bargaining unit members.

32-3 Before assigning CSEA unit work to persons not in the CSEA unit:
   (a) NHCC shall provide notice to CSEA stating NHCC's needs; and
   (b) CSEA may, within ten (10) days thereafter, propose alternatives to satisfy NHCC's needs; and
   (c) If CSEA proposes alternatives, NHCC and CSEA shall meet and confer with respect to CSEA's proposals.

32-4 The Union shall receive monthly copies of such items relating to subcontracting as are requested by the Union and which are available as a matter of public information.

32-5 The Union shall be provided copies of all future contracts between contractors and NHCC relative to work now being done by negotiating unit personnel.

32-6 NHCC agrees it will not lay off unit employees as a direct result of a transfer of unit work.

32-7 The parties acknowledge the Settlement Agreement relating to certain subcontracting claims which arose prior to 7/15/98, a copy of which was annexed as Exhibit A to the Mediator's Proposal dated December, 1998.

Sec. 33 MILEAGE ALLOWANCE.

33-1.0 Employees shall receive a mileage allowance in an amount equal to the prevailing IRS rate.

33-1.1 An employee shall not receive a mileage allowance incurred in reporting to the employee's home office for a shift or any part thereof or time worked in excess of such shift, but shall receive reimbursement for mileage incurred while traveling from the employee's home office on NHCC business in accordance with the mileage distance determined by the NHCC Chief Financial Officer for such travel.

33-1.2 An employee who works in the field and does not report to the employee's home office shall receive reimbursement for traveling on NHCC business on the employee's first and last call which is in excess of the mileage that would have been incurred by the employee in reporting to the employee's home office from the employee's house. All other calls shall be paid on the basis of actual mileage incurred.

33-1.3 An employee who is temporarily assigned away from the employee's home office shall receive reimbursement for mileage incurred in getting to the employee's temporary assignment that is in excess of the mileage the employee would have incurred had the employee reported to the employee's home office. An employee is not on temporary assignment if the employee is reporting to a work location for more than ten (10) consecutive working days.

33-1.4 Notwithstanding the foregoing, an employee who is recalled shall receive a mileage allowance for the mileage incurred from the employee's home to the
employee's working location and the return trip from the working location to the employee's home.

Sec. 34 UNIFORM ALLOWANCE.

34-1 NHCC shall pay annual uniform allowances to the employees who are required by NHCC to wear uniforms.

34-2 NHCC shall have the right to actually supply and maintain uniforms necessary to perform the employee's work in lieu of any payment provided.

34-3 If the employee is not required to wear a uniform by the employee's department, the employee is not entitled to uniform allowance payments. The regulation of clothing color shall not constitute a uniform.

Full-Time Uniform Allowance:

34-4 Full-time employees of NHCC and those paid from NHCC funds shall receive an annual uniform allowance of five hundred ($500.00) dollars. Effective 1/1/2000 and thereafter, the applicable rate shall be increased by the same percentage as any general base wage increase negotiated by the parties. Such additional compensation shall be pro-rated bi-weekly in lieu of being provided the required uniforms.

34-5 Payments provided shall be paid at least twice a year in accordance with procedures issued by NHCC.

Part-Time Uniform Allowance:

34-6 Where a full-time employee would receive an annual uniform allowance, a part-time employee shall receive a twenty-four (.24$) cent per hour allowance.

34-7 All outdoor personnel will be issued foul weather gear by the department.

34-8 If uniforms are not supplied by NHCC, then NHCC shall not furnish maintenance of any required uniform.

34-9 Where NHCC has supplied uniforms to employees and plans to discontinue such provision and require purchase of same by an employee, it shall give sixty (60) days' notice in writing to the Union and will negotiate the proper uniform allowance to be provided.

Sec. 35 DAMAGES TO EQUIPMENT OR PERSONAL PROPERTY.

35-1 An employee whose job duties regularly require contact with the public, those incarcerated, patients at a health agency, residents or inmates, shall be reimbursed by NHCC for the damage or loss of any equipment or personal property which occurs while the employee is in the performance of the employee's job, except when said damage or loss is proved to have occurred as a direct result of the employee's intentional acts or gross negligence. Such reimbursement shall be made in the following manner:
35-2.1 In no event shall NHCC be liable for more than one hundred fifty dollars ($150) for any one incident wherein damage or loss is claimed.

35-2.2 An employee shall be required to report any such damage or loss within thirty (30) days of the date of the incident.

35-2.3 An employee shall be compensated for the replacement cost of a personal item or items damaged beyond repair or for the cost to repair a damaged personal item or items, provided the loss or damage is caused without the employee's gross negligence or intentional act and is incurred while the employee is on duty or actually conducting business.

35-2.4 If an item is replaced, depreciation shall be deducted from the replacement cost of such item.

35-2.5 The personal items covered by the provisions of this section shall be limited to clothing, equipment and other items which are actually being worn or used at the time the loss or damage is incurred, or, a personal vehicle used in the course of the employee's employment, when a NHCC-owned vehicle is not provided and when such personal vehicle is parked at or in close proximity to a work site other than the employee's home office, and the damage or loss is caused by criminal mischief or vandalism to such vehicle. For purposes of this section, a work site becomes an employee's home office when the employee is assigned to that site for more than ten (10) consecutive working days.

35-2.6 An employee seeking to collect under this section must prove to the satisfaction of the NHCC Chief Financial Officer that said damage or loss was actually incurred. When a claim is submitted under this section, it must be accompanied by a sworn statement that said claim was incurred pursuant to Section 35-1 together with additional information as may be required by the NHCC Chief Financial Officer.

35-3 Equipment Reimbursement. For employees who do not receive an equipment allowance, NHCC shall reimburse all AMTs, AMT Supervisors, and AMT Coordinators for all equipment required by their department. This shall not be construed as to prohibit the reimbursement for equipment heretofore reimbursed.

Sec. 36 TUITION REIMBURSEMENT.

36-1 Any employee whose department head requires the employee to attend a course/seminar, related to the furtherance of the employee's proficiency as a NHCC employee in the employee's position of employment, shall be reimbursed for the tuition and required course material upon presentation of proof of successful completion of such course.

36-2 A regular, full-time employee who has been employed a minimum of one (1) year will be reimbursed tuition as follows and under the following conditions:

(a) The employee may enroll only in such courses which meet the following requirements:

(i) The courses are job related; that is, they will tend to improve the employee's job performance;
(ii) The courses will help prepare the employee for future assignments with NHCC for which the employee might reasonably be expected to qualify; and

(iii) The courses are part of a curriculum leading to a degree, certification or course of continuing education which is job related.

(b) Prior to enrolling in the course, the employee must obtain, fill out and submit an application form to the Human Resources Department. The employee must obtain the approval of his/her immediate supervisor and department head. Final approval will be determined by the Human Resources Department which approval shall not be unreasonably denied.

(c) Employees will only be reimbursed for tuition fees. They will not be reimbursed for the costs of fees, textbooks, materials, transportation or the like.

(d) Reimbursement will be made following completion of a course as follows:

   (i) Fifty (50%) per cent of the tuition for courses in which the employee has achieved a grade of "C" or better;

   (ii) Seventy-Five (75%) per cent of the tuition in courses in which an employee has received a grade of "B" or better.

   (iii) There shall be no reimbursement of tuition for any courses in which an employee has received a grade below "C."

(e) Employees will be reimbursed up to a maximum of fourteen (14) undergraduate or graduate credits per year or their equivalent. The rate of tuition reimbursed will not exceed the rate of the tuition offered by educational institutions within Nassau County offering comparable courses.

Sec. 37 HEALTH, DENTAL AND OPTICAL PLANS.

A. Health

37-1.1 NHCC is presently a participating agency under the Government Employees Health Insurance Program available under Article XI of the Civil Service Law. For bargaining unit members employed at NHCC before February 11, 2005, NHCC shall continue to pay the full cost of the premium for enrollment for its active and retiring employees of the negotiating unit pursuant to the law and regulations now in force or as hereafter amended. Employees hired on or after February 11, 2005, shall contribute fifteen (15%) percent of the cost of their health insurance premium during the first five years of their employment. Thereafter, NHCC will pay the full cost of the Government Employees Health Insurance Program premium for enrollment for such employees of the negotiating unit pursuant to the law and regulations now in force or as hereafter amended. Employees hired on or after the date upon which the NHCC implements a change in health insurance provider(s) for all bargaining unit members pursuant to CBA Section 37-1.3 (and not before that time) will contribute toward the cost of their health insurance premiums as follows, unless they exercise their option to enroll in a new health insurance plan described in Paragraph "12" of the 2010-2015 Stipulation of Agreement: 0-5 actual completed years of service: 22%; 6-10 completed years of service: 18%; 11-15 actual completed years of
service: 12%; 16 and more actual completed years of service: 10%. The initial not more than 2% contribution in each year by employees hired on or after the date upon which the 2010-2015 Agreement is fully ratified and approved, towards the cost of their health insurance premiums may be directed by the NHCC, at its discretion, to a Retiree Health Benefit Fund which will be established to defray the cost to the NHCC of providing employees' Other Post-Employment Benefits (OPEB).

Paragraph “11” of the 2010-2015 Stipulation of Agreement will not go into effect until the new insurance plan referenced in this Paragraph is implemented. The NHCC will implement the Plan by December 31, 2015 or else the parties will revert to their rights as set forth in CBA Section 37-1.3. In the event that the CSEA takes legal action to halt the implementation of the Plan by or before December 31, 2015, then this deadline will be deemed to be null and void. The new insurance plan will include an option ("the NuHealth Plan") for employees to voluntarily receive health care services through a NuHealth-sponsored provider network. Employees who choose to participate in the NuHealth Plan will not have to contribute toward the cost of their health insurance premiums regardless of their date of hire. The terms and conditions of the new health insurance plan will be pursuant to a separate Side Letter between the parties that will be executed at the same time as the 2010-2015 Stipulation of Agreement.

37-1.2 Both the Union and NHCC shall notify the other party if they learn of impending increases in the cost of health insurance.

37-1.3 NHCC has the right to change health insurance providers so long as there is no decrease in benefit levels. Before making such change, NHCC shall notify and accept comments from the Union.

37-1.4 NHCC shall make payments on behalf of a retiring employee. To receive said coverage, the retiring employee must attest on a yearly basis to the retiree's current status and shall complete such other forms as any insurance provider and/or NHCC and/or State may require.

37-1.5 This section is subject to all applicable State Regulations and statutes.

37-1.6 If a National Health Insurance Plan is enacted and mandated by the Federal Government to cover members of the negotiating unit or if said plan is optional and adopted by NHCC, then members of the negotiating unit shall receive said benefits; however, if said benefits are less than benefits previously received under this Agreement by members of the negotiating unit, NHCC shall furnish additional benefits comparable to those omitted in the Federal Plan that were previously enjoyed under this Agreement, at no additional cost.

37-1.7 (a) New employees shall have the health insurance benefits as provided above effective after six (6) months of actual completed service.

(b) All employees who terminate their employment for reasons other than retirement shall have health insurance benefits discontinued as of the last day of the month following the month of such termination (see Section 37-6).

(c) In no event shall NHCC be liable for any obligation not available under the Government Employees Health Insurance Plan.

B. Health Maintenance Organizations (HMOs).
37-1.8 Vesting for Retirement Benefits. For all employees hired on or after the
date upon which the 2010-2015 Stipulation of Agreement is fully ratified and
approved, in order to be eligible for fully premium paid health insurance benefits in
retirement, an employee must have completed 20 years of actual service to the
NHCC.

37-2 Except upon mutual consent, the only HMO's which shall be offered or made
available during the life of this Agreement, shall be HealthFirst, the HIP Choice HMO,
the Empire Blue Cross/Blue Shield Healthnet HMO, Choice Care HMO, and Aetna US
Healthcare HMO. NHCC shall contribute towards the cost of any of the
aforementioned HMO's up to the same amount as would be contributed under the
most expensive benefit plan otherwise available to an employee under this
Agreement.

C. Health Insurance Buyback Program.

37-3.1 All eligible employees enrolled under NHCC's health insurance program may
voluntarily participate in the Health Insurance Buyback Program. Effective February
11, 2005, if a wife and husband, or domestic partners, are both employed by NHCC
and eligible for health insurance, and elect family coverage, only one of them shall
be the carrier, and the other shall be required to participate in the Health Insurance
Buyback Program. An employee or retiree eligible for health insurance coverage,
and who is subject to this provision, shall be entitled to immediate dependent
survivor coverage. There will be no loss of coverage for any employee, retiree or
dependent as a result of this paragraph.

37-3.2 Each employee desiring to participate in this program shall obtain an
application form and a New York State "Declination of Health Insurance" form PS-
403 from the Union. Said forms shall be completed and returned to the Union. Said
application shall include a signed and notarized affidavit stating that the employee
has insurance coverage other than that provided by NHCC, and proof of such
insurance coverage shall be attached.

37-3.3 When the employee has complied with the provisions of Section 37-3.2 the
Union shall forward the application, along with the required documentation, to the
NHCC Human Resources Department for processing. Upon receipt of application and
decision forms, the NHCC Human Resources Department will then process
cancellations on transaction form #PS-501.3.

37-3.4 The disenrollment period shall start on the first day of the second month
after return of the completed transaction form #PS-501.3 to the NHCC Human
Resources Department.

37-3.5 An employee who voluntarily disenrolls from the health insurance coverage
shall be entitled to one-twelfth (1/12) of the annual buyback amount for each month
of non-coverage within each calendar year as follows:

(a) The $2,000 annual buyback amount for disenrollment from the family
plan, or;

(b) $500 annual buyback amount for disenrollment from the individual
plan.
37-3.6 Payments will be made in arrears semi-annually on or about June 1, and December 1 of each year.

37-3.7 An employee shall be entitled to re-enroll in NHCC's health insurance program by making application through the employee's respective Department in accordance with the rules and regulations of the New York State Government Employees Health Insurance Program. The re-enrollment period shall start no earlier than the first day of the third month after return of the completed transaction form #PS-501.3 to the NHCC Human Resources Department.

37-3.8 An employee who re-enrolls in NHCC's health insurance program after having participated in the buyback program may not participate in the buyback program again for a minimum period of one year.

37-3.9 In accordance with the regulations of the New York State Government Employees Health Insurance Program, an employee with at least five (5) years of service with NHCC who would ordinarily be entitled to continue the employee's health insurance coverage into retirement may not do so if the employee is disenrolled from the program on the date of the employee's retirement.

D. Dental.

37-4.1 All eligible employees must complete a two (2) month waiting period after commencement of their original employment before receiving the benefits of the Dental Plan.

37-4.2 NHCC shall pay up to, but no more than the amount shown below, for eligible employees, for the period indicated, towards a dental plan: $525.00

37-4.3 Nothing herein shall be construed to confer any obligation by NHCC to pay premiums for any dental plan for any retired or retiring employees, or for more than one NHCC employee per covered family.

37-4.4 NHCC has the right to change dental insurance providers so long as there is no decrease in benefit levels. Before making such change, NHCC shall notify and accept comments from the Union.

37-4.5 NHCC's Chief Executive Officer shall appoint a Committee of Management and Union representatives for the purpose of providing input in the preparation of requests for proposals for a Dental Plan.

37-4.6 In the event that another bargaining unit of NHCC employees receives more, or additional, dental benefits in 1996 or 1997, the CSEA shall be permitted to re-open negotiations with respect to such dental coverage.

37-4.7 Effective upon ratification of this Agreement (1/1/03-12/31/09), NHCC shall issue a Request for Proposal to solicit a new dental plan as soon as is practicable. Any new plan shall not diminish the current level of benefits.
E. Optical.

37-5.1 All eligible employees must complete a two (2) month waiting period after commencement of their original employment before receiving the benefits of the aforesaid optical plan.

37-5.2 NHCC shall pay up to, but not more than one hundred, fifteen ($115.00) dollars towards an optical plan for all eligible full-time employees in the CSEA negotiating unit and for all employees retiring from the CSEA negotiating unit on or after January 1, 1999. The optical plan provision for such retiring employees shall be sunset on December 31, 2002 unless otherwise negotiated by the parties.

37-5.3 Nothing herein shall be construed to confer any obligation by NHCC to pay premiums for any optical plan for any employee who retired prior to January 1, 1999, or for more than one negotiating unit employee or retiree per covered family.

37-5.4 NHCC reserves the right, at any time, to change optical plan providers so long as there is no decrease in the benefit levels. Before making such change, NHCC shall notify and accept comments from the Union.

37-5.5 In the event that another bargaining unit of NHCC employees receives more, or additional, optical benefits in 1996 or 1997, the CSEA shall be permitted to reopen negotiations with respect to such optical coverage.

F. COBRA.

37-6 To the extent required by law, the various features of the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) are available to affected employees, spouses, former spouses and/or their dependents as the same are defined in the Act and implementing regulations. Affected employees, spouses, former spouses and/or their dependents are entitled to continue group health, dental and optical insurance coverage upon payment of the premiums for such coverage and the maximum administrative cost in accordance with the terms and provisions of COBRA and implementing regulations.

Sec. 38 UNEMPLOYMENT INSURANCE.

NHCC shall continue to provide employees with New York State unemployment insurance coverage.

Sec. 39 WORKERS’ COMPENSATION.

39-1 When NHCC receives a credit relating to a Workers’ Compensation award for either a pro-rata or full amount of the compensation paid to the employee, or former employee, covering such employee’s period of disability, the employee, or former employee, shall be recredited with leave in proportion to the amount credited to NHCC. Leave recredited to a former employee after the employee’s termination shall be subject to the provisions of this Agreement concerning accumulated vacation time and sick leave for termination purposes.
39-2 In the case of injury to an employee resulting from the direct actions of another individual for which Workers' Compensation benefits are paid, the employee shall receive full pay for a maximum of six (6) months commencing on the eleventh day from the date of such injury. The foregoing provision shall not apply in the case of an injury caused by another NHCC employee or an authorized passenger who is not a NHCC employee or if the injury is caused by an automobile while the injured employee was a pedestrian.

39-3 Any employee who is both away from work and is receiving any Workers' Compensation benefits by virtue of employment with NHCC, shall receive paid coverage under the health, dental and optical benefit plans currently in effect, provided, however, that such benefits shall be maintained only for a period of one (1) year after the Workers' Compensation benefits have commenced. 39-4 Employees on Workers' Compensation for a period up to and including one (1) year from the time compensation benefits commenced shall not suffer any loss of seniority for purposes of layoffs or purposes of increments.

39-5.1 In addition to the foregoing, employees shall receive additional leave for all days that such individuals are unable to work because of an injury inflicted directly upon them by a prisoner, including a detainee, provided that said prisoner/detainee-inflicted injury was the sole cause of the inability of such employee to perform the employee's duty as an employee of NHCC.

39-5.2 An employee claiming such additional leave shall be required to furnish whatever proof may be requested by the department head and shall submit to a physical examination by any physician selected by NHCC in order to verify said injury and the actual cause thereof.

41-3 Compensatory Time - Payment to Estate Upon Death. The estate of a deceased employee shall be paid in cash, at the daily rate of pay for such employee, for all compensatory time earned and accumulated prior to the date of such employee's death, less any time owed to NHCC. 42-3 MAXIMUM ACCUMULATION OF VACATION TIME

(a) The maximum vacation time which may be accumulated by an employee is 90 days.

(b) For the purpose of the maximum vacation accumulation, the number of days shall be determined once a year as of the day immediately preceding the employee's anniversary date so that each employee will have the period of one year to use all days in excess of the maximum days.

(c) Notwithstanding the foregoing ninety (90) day vacation limitation, an employee may continue to accumulate vacation days in excess of said maximum...
accumulation with such days to be utilized in the instance where such employee has experienced a catastrophic illness or injury and who has used all vacation time, sick leave, personal leave and any compensatory time and has no regular leave entitlement available and, in such instance, employee shall be able to utilize such excess leave as a consequence of such catastrophic illness or injury and such illness or injury shall be certified by a doctor.

(d) In the event an employee has less than ninety (90) days of such vacation leave to be utilized in the computation of termination pay, as the same is provided in §42-10 of this Agreement, but has had vacation leave in excess of the then applicable maximum limits transferred, from time to time, to such catastrophic leave accumulation described in the subdivision (c) above, then said employee may utilize such vacation leave so transferred up to the ninety (90) day limit herein provided.

42-4 GRANTING OF, OR CHARGING TO, VACATION TIME.

(a) Vacation time may be granted in consecutive days, single days, or minimum units of one-quarter (1/4) days. However, vacation time shall be granted only in accordance with the administrative needs of the department.

(b) An employee who has accumulated the maximum vacation time and is prevented by the administrative needs of the department from using the employee's yearly vacation entitlements, as accrued prior to the employee's anniversary date, shall be paid straight time for the vacation time over, the maximum so lost, and in addition, straight time for the time worked.

(c) Any employee who has exhausted all of the employee's sick leave and who is absent due to illness may elect to use vacation leave, personal leave and compensatory time before being placed in a "leave without pay" status.

(d) Tardiness. For absence due to tardiness, a department head shall accumulate such tardiness and shall charge such tardiness against vacation leave, sick leave, personal leave, or compensatory time, in that order, in increments of one-quarter (1/4) days. Such accumulations shall be for a period of not more than one year.

(e) Employees shall submit their requests for vacation as soon as is practicable and that NHCC departments shall be encouraged to respond to such requests as soon as possible. In furtherance of this mutual goal, employees who submit requests for vacation of three (3) or more consecutive work days at least forty-five (45) days before the planned commencement of the vacation shall be responded to no later than thirty (30) days prior to the date of the planned commencement of the vacation. Vacation requests not responded to within the allotted time period shall be deemed approved. Approved vacations may only be changed thereafter in the event of an emergency; i.e. unexpected or unforeseen circumstance.

42-5 SICK LEAVE

(a) Basic Sick Leave. An employee shall earn sick leave at the rate of one-half (1/2) day per bi-weekly pay period of service, but not to exceed ten (10) days in each of the first three (3) years of actual completed service.

(b) Upon completion of three (3) years of actual completed service, employees shall earn sick leave at a rate of one-half day per bi-weekly pay period of
service. The maximum sick leave which may be accumulated by an employee is two hundred (200) days.

(c) SICK LEAVE ABUSE

(1) If an employee utilizes sick leave abusively (Example: inadequately justified, excessive and/or patterned absence), the employee shall be ineligible for voluntary overtime until he or she completes three (3) pay periods without utilizing sick leave.

(2) In addition, if an employee has a "no pay day" within a pay period, the employee shall be ineligible for voluntary overtime for the balance of the pay period, and the following pay period.

(3) If an employee feels aggrieved by implementation of this provision, the employee shall complain to the union which shall promptly meet with the NHCC Human Resources Department in an effort to resolve the matter.

(4) It is not the intent of this paragraph to deny voluntary overtime opportunities as a result of absence due to legitimate illness or on-the-job injury.

(5) Ineligibility shall not establish, in and of itself, grounds for discipline. Discipline shall be determined as set forth by the provisions of Section 10 herein.

42-6 (Intentionally Omitted)

42-7 EXCESS SICK LEAVE ACCRUAL

a) Notwithstanding the foregoing maximum sick leave limitation, an employee may continue to accumulate sick days in excess of the said maximum accumulation with such days to be utilized only in the instance where such employee has sustained a catastrophic illness or injury and who has used all vacation time, sick leave, personal leave and any compensatory time standing to the employee's credit and has no regular leave entitlement available and, in such instance, such employee shall be able to utilize such excess leave as a consequence of such catastrophic illness or injury and such illness or injury shall be certified to by a doctor.

b) In the event an employee has less than the maximum sick days to be utilized in any compensation for termination pay purposes as provided in Section 42-10 of this agreement, but has had sick leave in excess of the applicable maximum limits transferred, from time to time, to such catastrophic leave accumulation described in subsection (a) above, then said employee may utilize such sick leave so transferred up to the maximum day limitation herein provided.

42-8 CHARGES AGAINST SICK LEAVE

(a) The minimum charge against sick leave shall be one-quarter (1/4) day.

(b) Any employee who has exhausted all the employee's sick leave and who is absent due to illness may elect to use vacation leave, personal leave and compensatory time before being placed in a "leave without pay" status.

42-8.1 Sick Leave may be used for personal illness, pregnancy, medical, dental or optometrical examination. Sick Leave shall not be used as additional vacation or personal leave.
42-8.2

A.1) When an employee is absent on sick leave for three or more consecutive work days that employee shall be required to furnish a physician's certificate before being permitted to return to work. This requirement may be waived by the Department Head or his or her designee for good cause (e.g., in circumstances where the employee's medical condition is known to the Department Head or designee and/or when visiting a medical professional would delay the employee's ability to return to work.) Such physician's certificate shall certify that the employee was seen by a medical professional and shall include the general nature of the employee's illness, that the employee may return to work and perform regular duties and that the employee will not jeopardize the health or safety of other employees by returning to work.

2) If an employee feels aggrieved by a Department Head's failure to waive, the employee shall complain to the union, which shall promptly meet with the Department for Human Resources in an effort to resolve the matter. The determination of the Department for Human Resources shall not be grievable.

B.1) If an employee uses sick leave in a way which reasonably suggests that it is unacceptable (example: inadequately justified, excessive and/or patterned absence) the employee may be placed on the "Medical Review List" and thereafter (for future absences) may be required by the Department Head to furnish a medical certificate before returning to work regardless of the duration of the absence. If the employee fails or refuses to supply a medical certificate the employee shall be listed as absent without pay for the day or days in question. An employee who is placed on the Medical Review List shall have five (5) days to appeal such designation and such appeal shall be heard by an arbitrator within thirty (30) days. Employees shall remain on the list for a minimum of one (1) year. If an employee has acceptable attendance during this one-year period, he/she shall be removed from the list at the end of one year. If not removed by the Department after such year, the employee may appeal to the arbitrator to be removed from the list. Such appeal shall be heard by the arbitrator within thirty (30) days. During pendency of the appeal(s) the employee will be required to furnish a medical certificate for all absences.

2) An employee who has been removed from the list by the arbitrator may not be returned to the list sooner than ninety (90) days unless ordered by the arbitrator.

42-8.3 An employee absent on sick leave shall notify the supervisor on duty of such absence, the reason therefore, and the length of such absence, at least one (1) hour before the start of the shift on which such employee will be absent. Where such notification is not practicable because the employee's department is not open one (1) hour before the start of the work day, the employee shall notify the employee's supervisor at the beginning of the first shift/day of such absence. If the employee will be absent for a longer period than originally indicated, the employee shall so notify the employee's supervisor via the procedures hereinabove described.

If such notification is not given, the department may deem the employee to be absent without pay, except when such notification is not made because of emergency conditions.

42-8.4 When an employee's service is terminated, other than for cause, and such employee is subsequently re-employed within one (1) year after such termination, all
unused accumulated sick leave not used in the computation of a cash payment at the
time of the employee's termination, shall be restored.

42-9 SUPPLEMENTAL LEAVE AT HALF PAY / DONATION OF TIME

42-9.1 Supplemental Leave at Half Pay shall be granted, at the request of the
employee and in the discretion of the NHCC Chief Executive Officer, which discretion
shall be based on the employee's job performance, past attendance record including
previous use of sick leave and the department's need to fill the position, to an
employee who has used up all the employee's sick leave, vacation time, personal
leave and compensatory time, and is still too ill or disabled to work (including illness
or disability due to pregnancy and/or childbirth), as evidenced by a certificate of a
doctor.

42-9.2 An employee granted supplemental leave at half pay shall receive one-half
(1/2) the pay the employee would have received had the employee continued to
serve in the position the employee had at the time such leave was authorized.

42-9.3 The amount of supplemental leave at half pay shall not exceed a period
equal to two (2) bi-weekly pay periods for each year of actual completed service.

42-9.4 In addition, in cases of catastrophic illness, the NHCC Chief Executive
Officer may elect to extend supplemental leave at half pay for additional consecutive
periods, each up to a maximum of six (6) calendar months. The NHCC Chief
Executive Officer's decision shall not be challenged.

42-9.5 Donation of Time.

At the discretion of the NHCC Chief Executive Officer, employees may
volunteer to transfer vacation leave, sick leave, personal leave, compensatory time
or catastrophic sick leave accrual, in order to provide leave benefits to any NHCC
employee who has exhausted all leave entitlements, and has been deemed to be in
an extreme "hardship" situation as certified by such employee's physician. Any such
leave which is transferred but not utilized by said employee shall be returned to the
employee who voluntarily initiated the transfer. During the course of use of this
transferred leave time, the employee who received the transferred leave shall not
accrue leave benefits until said employee returns to duty.

42-10 TERMINATION PAY.

42-10.1 Unless discharged for cause, upon termination of service, including death,
an employee or estate, shall be entitled to receive cash payment for accumulated
leave to be computed by adding:
(a) The number of unused vacation days not to exceed the maximum
accumulation of days; plus
(b) Compensatory time earned pursuant to §27-12 and/or §28-2.2
and not used by the employee before separation from service; plus
(c) 1. For employees with less than ten (10) years of actual
completed service, 50% of the number of unused sick leave days; or
2. For employees with ten (10) or more years of actual
completed service, 100% of unused sick leave days not to exceed the maximum
accumulation of days.
In the event legislation is passed providing for an Early Retirement Incentive Program and an employee participates in such a program, the employee shall receive unused sick leave termination monies pursuant to the following formula:

For employees with less than sixteen (16) years of actual completed service, 50% of the number of unused sick leave days; and for employees with sixteen or more years of actual service, 50% plus 2% per year of actual completed service greater than fifteen (15) years to a maximum of 80% of the number of unused sick leave days.

(d) All termination monies shall be paid by NHCC in three (3) equal installments of accumulated days, the first such installment of days to be payable in the first January following separation from service; the second payable in the second January following separation from service; and the final installment in the third January following separation from service. Payments shall be made for such days at the rate of pay applicable to the value of such number of days as are being paid at each installment, based on the value of such days as of the date of separation from NHCC service increased thereafter to the date of payment by the cumulative applicable base wage increase contained in the collective bargaining agreement. (Notwithstanding the foregoing, NHCC may determine to pay severance checks of $5,000.00 or less in a single initial installment).

42-10.2 Where termination takes place on a date other than the employee's anniversary date, then in computing the number of vacation days accumulated, the employee shall receive credit for a pro-rated number of the additional vacation days the employee would have received on the employee's next anniversary date.

42-11 PERSONAL LEAVE.

Each employee shall receive annualized personal leave days, to be credited on the anniversary date of their employment, as follows:

<table>

42-11.1 Minimum charge against personal leave shall be one-quarter (1/4) day.

42-11.2 Personal leave may be used only for religious observance, (to be granted on the days and hours required insofar as the proper conduct of government functions are not unduly interfered with) personal business, or personal emergencies.

42-11.3 An employee must request personal leave at least seven (7) workdays in advance. Such personal leave shall be granted (except in case of a departmental emergency). Leave shall be presumed granted if not denied within two (2) workdays after the request.

42-11.4 An employee may request personal leave less than seven (7) workdays in advance. Such leave shall then be granted (except in case of a departmental
emergency) only upon the employee demonstrating good cause for the failure to request the personal leave at least seven (7) workdays in advance.

42-11.5 Personal leave which is unused at the end of an employee's anniversary year, shall be converted and added to vacation leave for the next ensuing anniversary year.

42-11.6 In the event of completion of an anniversary year during which an employee used no sick leave and has a full personal leave day remaining in that year, two (2) days shall be added to the personal leave in the next subsequent anniversary-year.

42-12 AUTHORIZED ABSENCE WITH PAY.

42-12.1 An employee may be excused in the discretion of the NHCC Chief Executive Officer, without charge to vacation time, sick leave, personal leave or any other leave, upon submission of satisfactory evidence to the NHCC Chief Executive Officer of one of the following reasons:

Any absence granted under this sub-division shall be reported to the NHCC Department for Human Resources.

(f) Absence by a unit president to engage in the negotiation or administration of the Collective Bargaining Agreement, up to a combined total maximum (of all unit presidents) of one (1) business day per week per one thousand (1,000) full-time bargaining unit personnel. 42-14.3 No employee who was previously scheduled off for vacation or reported sick, personal, etc. will be entitled to the additional time off provided for by this Section.

42-14.4 Any such release of employees directly or indirectly affected does not create any right to equivalent time off by any other employee or group of employees, not so released.

42-14.5 The existence of such extraordinary conditions during the employee's next regular workday, by itself, shall not automatically relieve the employee from work. It shall be the obligation of the employee to communicate with the NHCC Chief Executive Officer to ascertain whether or not the employee must report to work. Such communication by the employee shall be prior to the employee's normal starting time.

42-14.6 The NHCC Chief Executive Officer's or his designated representative's discretion in the administration of Section 42-14 shall not be reviewable.

E. Employees Hired For a Part-Time Position On Or After April 1, 1985.

44-5.1 Part-time employees shall not receive any time and leave benefits until such time as they have completed one thousand (1,000) hours of employment with NHCC. They shall, however, receive the benefits of Section 44-4.2, except they shall not receive supplemental leave at half-pay.

44-5.2 After completing one thousand (1,000) hours of employment with NHCC, employees shall receive the vacation leave benefits of Section 42-2, and the pro-rated sick leave benefits of Section 42-5.

44-6 Seasonal and temporary employees, except those classified as temporary under Civil Service Rule XXXI, and physicians designated as "sessional employees" by NHCC, shall not receive any leave with pay benefits as established in Section 42 above, except they shall receive bereavement leave and overtime benefits.

Sec. 45 DOCTORS.

45-1 House Officers (Residents and Interns) receive only the following benefits:

(a) For house officers hired on or after July 1, 1999, as per exhibit B of the mediator's proposal which salaries shall be increased each July 1st by the CPI measured by the preceding May 1st to April 30th. Effective upon the complete
ratification and approval of the 2010-2015 Stipulations of Agreement, a graded salary plan will be developed for House Officers.

(b) Sick Leave - As required, no accumulation and no cash pay at severance.

(c) Personal Leave - As required, no accumulation and no cash pay at severance.

(d) Vacation Leave - Three (3) (effective July 1, 2013, four (4)) weeks, but no accumulation and no cash pay at severance.

(e) House Officers may utilize the grievance procedures.

(f) Living quarters - on premises housing, if available:

For house officers hired prior to July 1, 1999, as per exhibit B of the mediator’s proposal which rates shall be increased each July 1st by the CPI measured by the preceding May 1st to April 30th.

Effective upon the completion of the renovation and rehabilitation plan for the current House Officer housing, the NHCC will have the discretion to require residents to live in on-campus housing for the duration of their residency provided that: (1) the rental cost of the housing is below market; i.e., below the rental price that a specific unit available on NHCC’s East Meadow, New York campus would realize if that unit were offered for rent on the open market off campus in East Meadow, New York; and (2) House Officers do not own housing or have an existing lease or other residence in the area. This discretion will apply in situations in which an existing lease expires. The market rate for apartments will be determined annually by utilizing available comparable rents being offered in apartment complexes within the East Meadow or immediately geographically contiguous community markets.

(g) Meals - Moderately priced, available at employees' cafeteria.

(h) Uniforms and Uniform Laundering - provided.

(i) Hours of Duty - As required by the Directors of the respective services, subject to change.

(l) New York State Retirement System, Workers' Compensation and Unemployment Insurance - As provided by law.

45-2.1 Attending Physicians and Attending Dentists assigned to any agency under the jurisdiction of the NHCC shall receive full professional liability indemnity for malpractice claims arising from the performance of assigned duties as long as there
is no billing by said physicians or dentists for professional services rendered. They shall also receive all other benefits of this Agreement, except they shall not receive:

(a) overtime pay or compensatory time off;
(b) shift differential;
(c) standby pay;
(d) holidays or holiday pay, except as set forth in Section 27-1;
(e) meal money;
(f) seniority benefits.

45-2.2 Notwithstanding the provisions of this Section, Attending Physicians employed at the Nassau University Medical Center assigned to either the Department of Psychiatry or the Department of Psychology who volunteer to work on Saturdays, Sundays, or Holidays, to either see patients admitted in the last twenty-four (24) hours, or to carry out other related duties as required by their Department Chairperson shall, at the discretion of the NHCC Chief Executive Officer or the employee's designated representative be entitled to a flat rate of pay of two hundred twenty-six (226) dollars per tour of duty. Said tour shall in no instance be less than three and one half (31/2) hours in duration.

45-2.3 Notwithstanding the provisions of Section 45-2.1(a) Attending Physicians employed at the Nassau University Medical Center assigned to the Emergency Room, or to the center for primary care, during an actual shortage of Attending Physicians shall, at the discretion of the NHCC Chief Executive Officer or designated representative be entitled to an hourly rate of pay for all hours the employee actually works in the Emergency Room. Said hourly rate of pay shall be calculated by dividing the assigned Physician's daily rate of pay by seven (7).

Sec. 46 MISCELLANEOUS BENEFITS.

46-1 Meal Period. All employees assigned to A. Holly Patterson Extended Care Facility shall receive a one (1) hour meal period without any addition to the length of their work day.

46-2 All persons assigned to a closed Psychiatric Ward of the Nassau University Medical Center shall receive an additional two dollars and fifty-nine cents ($2.59) per day. All maintenance personnel who perform work at the prison ward at the Nassau University Medical Center shall also be entitled to the above two dollars and fifty-nine cents ($2.59) per day (except that, with respect to maintenance personnel, the aggregate cost to NHCC shall not exceed ten thousand ($10,000.00) dollars per year) for each day of such work. The foregoing stipend shall be increased by the same percentage as any general base wage increase negotiated by the parties.

46-3 NHCC and the CSEA recognize that, by separate agreement, it is contemplated that the Nassau Health Care Corporation (NHCC) will purchase certain health related facilities from the County of Nassau and that substantially all County employees now employed at such facilities will continue to be employed at the same facilities following the purchase.

All employees hired after the transfer of operations to the NHCC shall receive the full benefits of this collective bargaining agreement, excepting that said employees shall be subject to a further reduction of ten (10%) percent after applying
said benefits. The intent of this provision is to reduce the cost to the NHCC for each new employee by ten (10%) percent relative to the cost of each new employee under this (or the then applicable) collective bargaining agreement. Said ten percent reduction shall be for a period of five years only from the date of hire of said employee after which the employee shall prospectively enjoy the full benefits of the applicable collective bargaining agreement. Said reduction shall be retroactive to September 29, 1999. This ten percent reduction shall not apply to residential doctors.

The parties to this agreement shall endeavor to reach agreement on how to effectuate the reduced costs of each employee. If the parties fail to reach an agreement, the parties agree that the ten percent reduction shall be implemented by arbitration and the parties further agree that the mediator to this successor agreement, having full understanding and intent of this provision, shall be the binding arbitrator. The arbitration process shall be immediately initiated upon request by either party.

This agreement contemplates that transfer from the County payroll to the NHCC payroll, on the transfer date of the facilities to the Public Benefit Corporation, will not be deemed a separation from or break in service for any collective bargaining agreement purpose.

Sec. 47 SECURITY GUARDS.

NHCC shall distribute the aggregate sum of up to ten thousand dollars ($10,000.00) annually upon each November 1st, as directed by the CSEA President, to security guard personnel for the purpose of reimbursing such personnel for expenses directly incurred to ensure required compliance with the Security Guard Act of 1993.

Sec. 48 HOLD HARMLESS.

NHCC, at its own cost and expense, shall defend every employee who is made a party defendant to a lawsuit arising out of an event which took place while the said employee was acting within the scope of the employee's employment, and shall hold the said employee harmless from any and all loss or damage occasioned by such lawsuit, except to the extent that said employee is otherwise covered by the employee's own insurance.

Sec. 49 LEGALITY.

Notwithstanding anything to the contrary contained herein, if one or more of the provisions of this contract are found to be illegal, all other provisions are to remain in full force and effect. The provision or provisions found to be illegal are to be replaced by provisions of the last prior contract, if any such provision was in existence.

Sec. 50 DEFERRED COMPENSATION.

All employees covered by this Agreement are hereby eligible to participate in any such Deferred Compensation Plan as NHCC may arrange to provide pursuant to Section 5 of the New York State Finance Law.
Sec. 51 FLEXIBLE BENEFITS.

For all employees covered by this Agreement who are eligible for participation under NHCC's Flexible Benefits Plan previously established under IRS Sec. 125, NHCC may continue to provide such plan (or one comparable thereto). NHCC may unilaterally discontinue such plan upon thirty (30) day's written notice to the Union.

Sec. 52 DRUG AND ALCOHOL TESTING

A. NHCC may require an employee to immediately submit to a urine and/or blood test where there is reasonable, individualized suspicion of improper drug or alcohol use. Upon request, NHCC shall provide an employee who is ordered to submit to any such test with a written statement of the basis for NHCC's reasonable suspicion within seventy-two (72) hours of the request. Prior to ordering any such testing, NHCC shall provide the Union with reasonable notice of such order, and, wherever practicable, an opportunity to consult with the employee prior thereto.

B. NHCC shall use either a hospital, or accredited testing lab, as chosen by NHCC, for such testing. Additionally, NHCC shall be responsible for maintaining the identity and integrity of the sample. The passing of urine will not be directly witnessed by an opposite-sex member. Any and all such witnessing shall be done by a party who is the same gender as the employee being tested. Any test showing a positive result will be confirmed by the gas chromatography/mass spectrometry (GC/MS) or any other similarly recognized method before any administrative action is commenced.

1. Upon request, NHCC shall provide an employee with a copy of any test results which NHCC receives with respect to such employee along with such other information as is required to assure the tests were properly conducted.

2. A portion of the test sample, if positive, shall be retained by the hospital/accredited testing lab for fourteen (14) days so that the employee may arrange for another confirmatory test (GC/MS) to be conducted by a laboratory and/or hospital certified by the State of New York to perform drug and/or alcohol testing of the employee's choosing and at the employee's own expense. The Union will be advised of passed or failed tests to the extent that the releasing of such data is not inconsistent with Federal or State Laws regarding the privacy of said test or if the individual involved does not want this test released to the Union.

C. Use of illegal drugs or alcohol or abuse of prescribed drugs, at any time, or refusal to submit to such testing shall be cause for discipline, including termination, subject to the relevant grievance procedures set forth in Section 10 of this Agreement. All issues relating to the drug and alcohol testing process (i.e., whether there is reasonable suspicion, whether a proper chain of custody has been maintained, et cetera) shall be subject to the grievance procedures of this Agreement.
D. While the "reasonable suspicion" standard does not lend itself to precise definition or mechanical application, vague or unparticularized or unspecified or rudimentary hunches or intuitive feelings do not meet the standard.

1. Reasonable suspicion is the quantum of knowledge sufficient to induce an ordinarily prudent and cautious person to act under the circumstances. Reasonable suspicion must be directed at a specified person and be based on specific and articulable facts and the logical inferences and deductions that can be drawn from those facts.

2. Reasonable suspicion may be based upon, among other matters: observable phenomena, such as direct observation of use and/or the physical symptoms of using or being under the influence of illegal controlled substances such as, but not limited to, slurred speech; disorientation; a pattern of abnormal conduct or erratic behavior; conduct or behavior which warrants employer inquiry because of a direct bearing of the mental faculties of the employee on the health and safety of others; action(s) inconsistent with normal conduct or behavior; or information provided either by reliable and credible sources or which is independently corroborated.

E. This provision shall not impair the right of NHCC to require medical and/or drug testing of employees as permitted or required by State or Federal Law or regulation.

F. Counseling services are available through the Nassau County's Employee Assistance Program to employees and their families upon request. Such services are confidential.

Sec. 53 JOB PRESERVATION

53-1 The parties mutually acknowledge the importance of maintaining a stable and productive workforce. To that end, there shall be no layoffs of regular full-time employees who have passed their probationary period during the term of this agreement due to a decline in revenue or elimination of clinical services. The parties also acknowledge, however, that unforeseen circumstances may arise where layoffs may be ultimately necessary to maintain the overall financial viability of NHCC. Therefore, the parties agree that there shall be no layoffs of bargaining unit employees unless the following condition occurs:

(1) Where NHCC's "net revenue" decreases five (5%) percent or more from the prior quarter (e.g., January-March, April-June, July-September, October-December). CSEA shall have the right to verify said decrease by utilization of NHCC's independent auditor or qualified independent auditor of its own choosing. Said verification must be done within the time parameters of this agreement.

(2) For purposes of this section, "net revenue" shall be defined as NHCC's total operating revenue less any bad debt expense.

(3) NHCC shall notify CSEA in writing of any month where "net revenues" decrease two (2%) percent or more from the prior month and provide CSEA with a copy of the monthly financial statement.
Effective upon the complete ratification and approval of the 2010-2015 Stipulation of Agreement, Section 53-1 will be revised to read, "NuHealth will not layoff any non-physician employee unless: (1) the number of staffed (as per New York State) beds is reduced at A. Holly Patterson then, before any bargaining unit members are laid-off as a direct result of the reduction in the number of staffed beds, non-bargaining unit members in titles directly corresponding to those of the to be laid-off bargaining unit members will be first to be terminated and then the maximum number of unit members who may be laid off as a direct result of the reduction in staffed beds will not exceed one FTE for each staffed bed to be reduced (defined by the average census for the unit or service for the previous 12 month period immediately preceding the proposed effective date of the layoffs); or (2) in the event that the number of staffed beds is reduced at NUMC then, before any bargaining unit members are laid-off as a direct result of the reduction in the number of staffed beds, non-bargaining unit members in titles directly corresponding to those of the to be laid-off bargaining unit members will be first to be terminated, and then the maximum number of unit members who may be laid off as a direct result of the reduction in staffed beds will not exceed one FTE for each staffed bed to be reduced (defined by the average census for the unit or service for the previous 12 month period immediately preceding the proposed effective date of the layoffs); or (3) the number of programs on the operating certificates for NUMC, AHP, or the health centers is reduced by an outside agency, then the layoffs of bargaining unit members will be limited to the number of bargaining unit members employed in the corresponding titles of the affected program. If the reduction was initiated by NHCC, then paragraph (2) will apply. Nothing contained herein will be deemed to reduce any Union rights contained in CBA section 32."

53-2 In the event layoffs take place pursuant to Section 53-1, NHCC shall give the Union thirty (30) days advance notice of the layoffs and the parties shall meet to explore any alternatives that could serve to preserve the employment of any affected employee.

53-3 The provisions of this paragraph shall not apply to employees who are not afforded rights under Section 10 of this Agreement.

53-4 Effective upon the complete ratification and approval of the 2010-2015 Stipulation of Agreement, Section 53-4 will be revised to read, "Section 53, in its entirety, will sunset and be of no further force and effect as of December 31, 2015, at 11:59:59 p.m."

Sec. 54 DOMESTIC PARTNERS

54-1 A "domestic partner" of an NHCC employee shall receive the same benefits and protections currently afforded a spouse of an NHCC employee under the terms of the collective bargaining agreement.

54-2 For purposes of the collective bargaining agreement, a "domestic partner" is defined as one who shares a committed relationship with an employee that is meant to be of lasting duration that meets all of the following criteria: i) the parties live together and have been living together on a continuous basis; ii) the parties maintain a close and committed personal relationship involving shared responsibilities; iii) neither party is legally married to anyone else, nor has had another domestic partner, within the prior six months; iv) the parties
are not related by blood in a manner which would bar marriage in the State of New York; v) both parties are at least 18 years of age; and vi) the parties have satisfied all criteria that may be established by the County of Nassau and the State of New York for qualifying as “domestic partners.”

54-3 It is understood by the parties that pension and welfare plans in which an employee is a participant may not accept a “domestic partner” as a qualifying participant or beneficiary under such plan, or may impose their own requirements for determining a qualifying “domestic partner.” The parties agree that NHCC shall have no liability in the event a pension or welfare plan denies coverage or benefits to a “domestic partner” and that such disputes shall not be subject to the grievance and arbitration provisions of the collective bargaining agreement.

Sec. 55 EMPLOYEE CAFETERIA/LOUNGE

55-1 A joint labor-management committee will be created to guide the construction of an employee cafeteria/lounge, which will be concluded by December 31, 2013. The cafeteria/lounge will have employee price discounts. Any agreements reached by the committee must be reduced to writing and ratified and approved by the parties. The CSEA and NHCC hereby continue to request the placement of Case No. U-30575 on PERB’s hold calendar, and CSEA agrees to withdraw, with prejudice, its improper practice charge in PERB Case No. U-30575 upon the completion of the construction. However, if construction is not completed by December 31, 2013, the CSEA may request the matter be removed from hold status and scheduled for hearing.

Sec. 56 REOPENER

56-1 At any time on or before December 31, 2015, either party may, upon the written consent of the other party, reopen the 2010-2015 Stipulation of Agreement. This provision will sunset and be of no further force or effect after 11:59:59 p.m. on December 31, 2015.

Sec. 57 CONTRACT OPTION

57-1 In the event that, on or before 11:59:59 p.m. on December 31, 2015, NIFA or another third party implements a freeze in unit member salaries and/or compensation, then any directly affected provisions of this 2010-2015 Agreement will be of no further force and effect during the duration of NIFA’s or the third party’s salary and/or compensation freeze, and the parties will revert to the immediately preexisting directly affected terms and conditions of employment during that time. Upon the expiration of NIFA’s or the third party’s salary and/or compensation freeze, any directly affected provisions of this 2010-2015 Agreement which were frozen as a result of the operation of this Paragraph will be prospectively implemented as of the date on which the NIFA’s or third party’s action expires.
